The lowest percentage is in grades 4 and 8 (20.45% will attend a hybrid schedule). This will give teachers flexibility to give attention to virtual students as there will be unused classroom spaces that teachers can utilize for online teaching.

There will be staff training starting 8/11/2020. There will be additional training in using gifted strategies online, safety training, and student mental health assistance training.

August 17 starts orientation week. Virtual students will pick up materials this Friday the 14th. Hybrid students will have an in-school orientation in the mornings during the first week. Exact schedules for orientation will be sent out this week by teachers. All students will attend virtual sessions during the first week and attendance will be taken. Start time for instruction for all students is 8:30AM every day. Full day schedules will be provided at orientation.

S. Dasu gave the diversity and inclusion update.

A survey was given to parents and staff. There were 118 responses including parents and staff. Responses were anonymous. 20 responded that they had experienced or may have experienced racial bias at Scholars Academy. A few respondents said that they did not feel that they were free to express their racial/cultural identity. The majority of these experiences were parent against parent bias.
