Hybrid and Virtual Attendance - We are currently at 224 hybrid students (160 virtual) which is a significant increase over quarter 3. Changes were made to the enrichment schedules in order to maintain social distancing throughout the day.

Health and Safety - Children continue to eat outdoors. Cleaning protocols remain. Staff and student illness are closely monitored. There have been no COVID-19 cases for students or staff all year.

Staff Vaccinations - 95% of staff indicated intention to become vaccinated. Staff have been directed to not answer parent inquiries about their personal vaccination status. Administration will update the community on school wide vaccination rate.

Legislation changes - Legislation is being considered currently that may directly affect charter school autonomy to choose which plan to use. There is a possibility of changes based on changes to legislation. The specifics of these changes are unknown at this time. More information may be available to the school within the coming weeks.

Flexibility and Responsiveness - We will continue to monitor the situation and respond as required. Local or state mandates, school based cases, hybrid numbers, and teacher availability are all factors that could cause a change in the format or schedule.

2021-2022 School Calendar - State of NC has not given any guidance on the calendar for school year 2021-2022, so the assumption is that school will return in the Fall with a full 5-day-a-week in-person schedule.

## **V. Diversity & Inclusion**

### **A. Status Review**

S. Dasu gave the Diversity and Inclusion Committee Update.

The Diversity and Inclusion Committee met in March. The progress of the Marketing Plan was discussed. The Committee has reached out to multiple organizations to promote Scholars Academy to prospective families and has also been able to post notices of open staff positions on a more diverse platform. There was a discussion about how to maintain relationships with these organizations. This has also been discussed in the Governance Committee as a goal for the new Foundation to build and maintain relationships with diverse organizations in the community through membership. The Board committees, Diversity and Inclusion in particular, would then focus on outreach and promoting Scholars Academy. The Staff committee continues to work on promoting the school and creating programs to encourage inclusion.

M. Dixon mentioned that the Governance Committee, Diversity and Inclusion Committee, and Foundation Committee have discussed the differentiation between community relations and marketing so that those specific roles and tasks are appropriately assigned and budgeted as we move forward with the creation of the Foundation.

The next online community read event will be March 24 from 3-4:30 PM (C9, C10 & Conclusion)

## **VI. Educational Excellence**

### **A. Status Review**

C. Lewis gave the Educational Excellence Committee Update.

The Committee met on March 16 to discuss school calendar, end of year testing, and the possibility of adopting the Math Dimensions program for grades 6-8, which would be a continuation of the K-5 Math program, and heard diversity and marketing updates as well.

The whole child committee met on Tuesday, Feb 23. The committee continues to engage with the community through the weekly "Did you know" Facebook posts, which highlight and inform readers about topics regarding the social and emotional well-being of gifted learners. The theme for March is twice-exceptional. We are happy to report an enthusiastic reaction to the first round of Eagle Vision Awards. The hope is that the program will encourage students to develop attributes outlined in the Vision For Our Graduates document. The committee discussed plans for virtual Grandpeople Day on May 5. The Development Committee will be sending out a registration link in the next couple of weeks. The committee also discussed new ideas to encourage students to better engage with the school counselors and also how the school may incorporate the parents and alumni community in SEL programs in the future when guests would be allowed in the building. The Committee will meet again tomorrow.

## **VIII. Policy Committee**

### **A. Status Update**

M. Dixon clarified that the fact that the Foundation will be a supporting organization means that the Scholars Academy Board will continue to be responsible for financial and budget decisions as the Foundation Board of Trustees majority membership will be Scholars Academy Board members.

The revised 990 tax form has been distributed to the Board. Edits will be discussed in closed session. The Board will vote on the edits to the form tonight.

Budget Amendments: \$11,200 increase in expenses to account for teacher bonuses that were already paid out. The money came from the state of NC. There will also be some changes to properly label certain revenue and expenses which will not have an effect on the budget totals.
