Educational Program

- 4th Quarter Update - now in week 2 of all hybrid students attending school four days a week. There are challenges now that all the children are in the building. Dismissal is taking longer than before because there are no after school activities and fewer carpools. Administration is working on solutions to this challenge.
- End of Year Activities - School Musical, Talent Show, Awards Program, Musical Performances, and 8th Grade Graduation will all be outdoors. Grandpeople Day will be virtual next week. Field Day will not happen this year.
- Summer Program - All traditional public schools are required to have a summer program. Charter schools are excluded from this requirement. The program requires 30 full days. Administration has determined that there is not an academic need for a 30 day program. The Scholars Academy program will run for two weeks at the end of July.

Staff

Next year's staff slate will be discussed in closed session.

X. Development Committee

A. Status Review

A. Farooqi gave the Development Committee Update.

The Annual Community Giving Campaign: \$320,000 received \$164,000 in outstanding pledges. The campaign for 2020-2021 is on pace to reach the financial goal of \$450,000 provided that all pledges are fulfilled. Analysis over the last 10 years are showing a decline in giving overall. More families are giving, but they are giving in smaller amounts. Additionally, a change in the Wells Fargo matching gift policy lowering the max matching gift from \$5000 to \$2000 has negatively affected the Annual Giving Campaign.

M. Ramasamy gave the Foundation Committee Update.

The application to make the Foundation to make Scholars Academy a supporting organization for Scholars Academy has been filed. A response is expected in a month or two.

S. Dasu added that the Foundation Committee will be recruiting a Foundation Board in the coming months.

Instructional Supplies, Furniture, and Computer Lab equipment including chromebooks need to be purchased for the next school year. There are funds available for these items, but the budget will need to be amended. There will also be a need for \$10-\$12 thousand for building maintenance as well.

The Committee started working on a draft of what next year's budget will look like. There will be an increase in line items for marketing in anticipation of Expansion.

The Summer Camp funds needed will come out of next year's budget.

The PPP loan forgiveness application is expected to be completed by the next board meeting. The deadline for that application is in September.

We are currently running a budget surplus of \$234,000. Some will be used for landscaping and some will be used for a teacher bonus. Approximately \$80,000 will roll over into reserves to assist with expansion.
