III. Director's Report

A. General Items

A. Pieper gave the Director's Report.

There are proposed changes to the COVID-19 Response Plan as a result of a change in legislation. Elementary schools have been required to move to Plan A and there has been a change to the COVID response toolkit.

- K-5 is required to move to Plan A (at least 4 days of in person instruction.

Plan A: minimal social distancing is required, 3 feet recommended.

- 6-8 grade: Plan A or B allowed.

Plan B: 6 feet social distancing maintained in classrooms.

- Full remote option remains available
- Health screenings are no longer required.

Proposed Plan, **Beginning April 19:**

- All K-8 hybrid attend on M, T, Th (full days) and F (until 1:00pm)
- Virtual option remains for those who do not choose hybrid instruction.
- Grades K-5: all students who desire to attend in person may do so under Plan A
- Grades 6-8: additional students will be able to attend in person under Plan B as social distancing allows

Health and Safety:

- Continue wearing masks at all times indoors and when within 6 feet outdoors
- 6 feet of social distancing to greatest extent possible
 - Grades K-5 May need to move to 3 feet based on class attendance
 - Grades 6-8 Remain at Plan B - 15 student max per classroom
- Continue to eat outdoors
- Continue with all cleaning protocols
- Continue health screenings and temperature checks at drop-off

Proposed Attendance Schedule

- K-4: No changes to attendance schedule
- 5-8: Move to 4 days of in school instruction (M, T, Th, F)
- Friday dismissal - 1:00 PM
- Wednesday - remote for all students K-8
- **EOG/EOC week - see newsletter 3/26 for schedule**

Daily Schedule Changes

- 1-4: No changes to daily schedule
- Grades 5/6: Friday added - All core (Math, Science, Social Studies, Language Arts) plus foreign language
- Grades 7/8: Mon, Fri Added - new schedule to include all core plus one enrichment on Monday and all core classes on Friday
- K: Currently the only class in a split model (one teacher virtual/one teacher hybrid)
 - needs adjustment to accommodate more students in person.

Kindergarten:

- 21 In-person students currently and at max capacity expect that to increase
- Solution:
 - Return to a 2 classroom model by moving children back to Ms. Walsh's room
 - Ms. Walsh - remain 100% virtual

- Ms. Balley - up to 15 students
- Ms. Kramer (currently a TA - Certified teacher with K experience) - in person in Ms. Walsh's room.
- Ms. Vespa - in person TA
- Ms. Ervin - virtual TA
- Both in-person classrooms will run identical instruction with the planning support of the kindergarten teaching program.

Most grade levels are currently nearing or surpassing 60% hybrid students.

Full Remote Students:

- One additional and FINAL option to request a return to in person instruction OR a return from hybrid to full virtual beginning April 19th.
- **Form will open at 8:00AM Wednesday March 31st and will close at 3:00 PM April 2nd.**
- K-5: All students requesting in person given a space
- 6-8: Spaces dependent on class capacity will be assigned on a first come, first serve basis to those who fill out the request to return to in person instruction form. After a grade level has reached maximum capacity, students will be placed on a space available waiting list

*Current in-person students may elect to return to full-virtual at any time.

Cautious but Optimistic

- Continue to maintain NO cases of COVID-19 among staff or students
- Staff have begun to receive vaccinations
- Warmer weather for outdoor eating
- More students in the building = gradual return to normalcy
- Exciting end of year celebrations
- Looking forward to next year!
