A. General Items

- Director's Report - this month, the report will include an overview of the admissions process and 2023-24 lottery
 - trends from 18-19 through 23-24 - a significant increase in the number of group testing and the total number of applications

- Approval Requests:
 - Discovery Education Renewal \$10,665 for 3 years ESSER
 - Property and casual insurance renewals - overall 9% increase and explored options to reduce the increase.
- Rising 5th-graders currently in 4th grade
 - **Option #1** - maintain 52 students - 2 homerooms of up to 26 students, math will have 3 sections
 - **Advantages:** no additional headcount, no impact on capacity, staffing, and schedule
 - **Challenges:** larger class sizes, limited seats for new students through middle school, ACCESS funds in jeopardy due to no expansion, and overall ADM could go down.
 - **Option #2A** - Add 8 students to overall ADM to get to 20 students per homeroom (60 total) - 3 homerooms, one additional teacher (expense covered by increased revenue from ADM)
 - **Option #2B** - Add 14 students to overall ADM to get to 22 students per homeroom (66 total) - 3 homerooms, additional 1.5 teachers (expense covered by increased revenue from ADM)
 - **Advantages:** smaller classes, increased revenue allows for additional teachers, commitment to expansion efforts
 - **Challenges:** space and crowding issues, 5th grade will rotate to a downstairs classroom, additional sections of enrichment classes, higher teacher load, more teachers involved in 5th and 6th grade, transitioning multiple students to Scholars.
 - Virtual meeting for rising 5th-grade families to discuss the curriculum and teaching structure, the transition from elementary to middle school, music choices (band and chorus), foreign language choices (French, Spanish, Chinese)
 - **Executive Director's Recommendation: Option 2A**
 - ***Allows for the additional revenue to add another teacher***
 - ***Maintains the commitment to expansion (NC Access grant)***
