PTO and Staff Collaboration

- Plan to attend the next PTO and Staff DEI meetings (March 20, 2024).

## VI. Policy Committee

### A. TITLE IX - Revert to 2020 as required by Law

The Biden administration's Title IX rules were struck down in court in January 2025.

Consequently, SA must revert to the previously approved 2020 policy because the 2024 policy is no longer applicable.

Three changes are required to implement the change:

1. Personnel changes;
2. The 2020 Title IX policy must be posted on the website;
3. A training manual must be provided to the staff.

The committee proposes a vote to reinstate the previously amended and approved 2020 Title IX policy.

E. Womer made a motion to Recommendation to revert to the 2020 Title IX previously approved policy noting personnel changes, website update, and staff training.

E. Alvarez seconded the motion.

The board **VOTED** to approve the motion.

### B. Responding to Law Enforcement Activities on School Grounds

- The Trump Administration rescinded a 2021 DHS memo that designated schools and other community services as “protected areas.” This 2021 rule stated that ICE agents should avoid enforcement activities in these locations whenever possible. Consequently, counsel has recommended that the SA develop a protocol or policy to address ICE enforcement and ensure all staff are informed of the appropriate actions to take.

- The Policy Committee suggests its adoption as soon as possible to ensure, among other protections, that student records are safeguarded against legal enforcement actions, especially given the evolving immigration landscape.
- The Policy Committee recommends a vote on the proposed policy, which was first communicated by email for First Read to the Board on February 1, 2024.
- The Procedures are included in the agenda as supplemental material.

M. Dixon made a motion to vote on the policy to respond to law enforcement activities on school grounds.

D. Tijerina seconded the motion.

The board **VOTED** to approve the motion.

## VII. Foundation

### A. Update

- Reviewed the current numbers for total pledges and donations and how it compares to last month and last year.
  - As of February 21, total pledges and donations = \$368,499 with \$151,909 outstanding pledges. The following have pledged and/or donated: 80.5% returning families; 81% new families; 80.6% overall family participation; 100% volunteer leadership (includes Board and Trustees).
- Numbers look very similar to last year, and we eventually met our goal. However, this year, pledges are behind where we were last year.
- Discussed the employee match program and how important that piece is to meeting our goal. There is a tool on the website to find out if your employer participates in donation matching.

## VIII. Finance Committee

### A. Financial Updates

Finance committee met this morning.

New contract for the auditor:

- Good practice to change auditor every 3-5 years and we have had ours for 4 years
- The auditor is independent from the accounting services provider
- Received 2 RFPs
- Not a lot of options - we have one good choice. Very few firms serve Charter Schools.
- The new recommended auditor is highly regarded. They will be more expensive (approximately \$5000 more - a 50% increase). This is because this option is a firm versus a sole proprietor. The auditor being part of a firm may also result in additional beneficial financial advice.

- The new auditor will perform the next audit.

New Accounting Services provider:

- Current accounting services provider is (formerly) Acadia. They have been our accounting services provider for many years. Their quality of work has deteriorated over the last couple of years. The Finance Committee has tried to make it work but has now chosen to hire a new provider.
- The Finance Committee received 3 RFPs
- The recommended provider is in the middle of the three from a cost perspective (and a 20% increase from the current provider).
- The recommended provider is entirely digital (currently the school is working with paper checks and invoices)
- We anticipate many process and efficiency improvements, increasing time savings for the Finance Director.
- Acadia has been notified of the termination and transition. The transition will occur over the summer.
- The Board requested the Finance Committee to provide updates on the transition process.

#### **B. Vote on New Audit Contract as presented by the Finance Committee**
