I. Opening Items

A. Record Attendance

B. Call the Meeting to Order

M. Normandin called a meeting of the Development Committee of Lake George Charter School to order on Tuesday Sep 28, 2021 at 4:38 PM.

II. Development

A. BEST Grant

Gloria will get this application completed. She needed quotes for the boiler, but just today, during the meeting, she was handed the Facilities Department Budget '21-'22 from Tonia and Rick (via Dr. Wade) and now has the figures she needed to proceed.

B. Grants

The school's current focus is STEM.

Gloria said that the grants which seemed most applicable in that area include: State Farm Good Neighbor Citizen Community Grant and the Westinghouse Corporation STEM Education Grant. Michelle will look into those. The State Farm one has an application window of 10/1-10/31.

Dr. Wade will also check with Felicia Davila to narrow down specific needs in terms of science equipment and materials -- needs, the cost, etc.

Next meeting: Tuesday, October 12, 4:30 pm.

*This is only 2 weeks, but that's ok! Need to move on the grants portion, and will give Gloria extra time to report BEST grant updates in Nov.

III. Closing Items

A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 5:17 PM.

Respectfully Submitted,
M. Normandin
