### **A. Comments**

Lizzie Meyer-Secondary Social Studies Teacher

Just wanted to say that this year is the most supported she's ever felt at this school.

Jestin Stelter-Soccer Coach, PTO

Concerned about our kids meeting with the counselor without the parents being told.

Communication with parents is the most important thing. Transparency needed. Knew nothing about tardies leading to lunch detention.

April Achord-Parent

Has always been concerned about the lack of communication coming home to parents. My child should never be pulled from class without my knowledge. Tardies-a new rule without telling parents.

Genny Loop-No current affiliation with the school.

Children used to attend LGCS. Child had 3 sessions with the counselor before parent was told. Immediately pulled children from school. At that time there was no qualified counselor. No communication from teachers concerning behavior issues. Parent can't support the staff without knowing. Teachers should call parents instead of emailing.

Punishment is a team effort.
