**I. Board Work Session 4:30 PM**

**A. Work Session - Administrative update**

Samantha - School Admin.-

Communication has been an issue. We are working on getting better at calling both sets of parents when a discipline problem arises.

Our counselor Chelsea is doing student support services & her Play Therapy (Insurance pay). She can not meet with kids unless parents have given permission and

insurance. When she talks with students she only talks with them about school related stuff like classroom & recess behavior. She has 8 families signed up for Play Therapy with 3-4 more that are interested. Families are very happy & pleased with her services.

We had a all staff work day and we discussed that there will be NO politics or religion attire worn by staff in the building.

I have started doing a video of myself with weekly updates.

Jestin Stelter - Parent, PTO & soccer coach-

Has met with Samantha since last board meeting and is pleased with what she is doing. Staff member was shaming students for their political views. Why is this staff member still working here? Is there a dress code for staff? Why are we allowing bold hair color and bull nose rings to be worn by staff?

Mia Davis - Parent, PTO, Volleyball & Cheerleading coach -

Lake George Charter School is a very patriotic school. She do not want to see that go away. We all wear American Flag t-shirts. Parent survey should be sent out by itself and not in the Newsletter.

Jim Beall - Parent & VP on Board -

Does not want to see indoctrination at Lake George Charter School. General patriotism should stay, just not anything politics that is one side or the other. Should be able to talk in Lizzie Meyer's History class about politics and voice their opinions.

Julie Gilley - grandparent & President of Board -

We have a chain of command. All concerns should be addressed by Samantha first then if the results are not acceptable, it should be brought to the board.
