- The ED evaluation completed will be submitted to OEI.

## **C. Board Dashboard Review and Planning**

### **20-21 Academics**

- Kevin reported that in a typical year the goal is for 70-79% of students to be on track or make sufficient gains using NWEA. Which did not happen this year as we are not on track to meet this goal.
- The jump to iLearn and lack of data has been tricky.
- NCN has hired an assistant director of academics to help focus on this.

#### Challenges:

- Exacerbated learning gaps
- Foundational reading skills deficits
- We have many families who struggle to support reading, particularly in English, at home.

#### Strategies

- Robust summer academy for the next four summers with federal funds
- High dosage tutoring after school programs
- Focus on Tier I instruction
  - Curriculum implementation
  - Planning meetings
  - Data Analysis
  - Home literacy initiatives
    - At Enlace the Latino literacy program works with parents and helps them learn how to support literacy while at home.
    - At Kindezi, they had a Springboard collaborative and it also helps families track literacy at home.

### **Student Culture**

- Attendance was stronger during the in-person learning environment
- The Kindezi Attendance Plan we submitted to OEI made significant strides.
- IPS' district-wide attendance average was 83%
- Having students back in person after the shutdown at Kindezi led to more students with discipline issues. Moving back and forth from high structure to less structure was difficult.

#### Challenges

- Many students have lingering local emotional trauma from the 20-21 school year.

#### Strategies

- Social-emotional learning Specialists
- Focus on the implementation of Second Step Curriculum
- Restorative practices training
- DEI training with Virtuoso
- Implementing City Connects at both locations.

#### Finance

- The financial metrics are all meeting expectations.
- NCN received a clean audit for the 20-21 school year.

#### Board

- The goal was to have two or more board members join the NCN board. There is still time to make that happen.
- Engagement and recruitment have been difficult due to the pandemic.

### VI. Closing Items

#### A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 4:36 PM.

Respectfully Submitted,  
C. Byczko
