A. Public Comment

Addressing the Committee – Committee meetings are meetings of the Board of Directors and will be held in a civil, orderly and respectful manner. All public comments or questions should be addressed to the Committee through the Chair of the Committee. To ensure an orderly meeting and an equal opportunity for each speaker, persons wishing to address the Committee must send a Speaker Request Message through the form of a text message or chat box message to Miguel Aguilar, Executive Assistant to the CEO (805-807-8199). Messages must contain speaker name, contact number or email, and subject matter and sent prior to the beginning of the Public Comment section of the meeting. Members of the public may address the Committee on any matter within the Committee's jurisdiction and have **three (3) minutes each** to do so. The total time of each subject will be fifteen (15) minutes, unless additional time is requested by a Committee Member and approved by the Committee.

The Committee may not deliberate or take action on items that are not on the agenda. However, the Committee may give direction to staff following a presentation. The Chair is in charge of the meeting and will maintain order, set the time limits for the speakers and the subject matter, and will have the prerogative to remove any person who is disruptive of the Committee meeting. The Finance Committee may place limitations on the total time to be devoted to each topic if it finds that the numbers of speakers would impede the Committee's ability to conduct its business in a timely manner. The Finance Committee may also allow for additional public comment and questions after reports and presentations if it deems necessary.

IV. REPORTS

A. Staff Report

Mr. Lewis shared that the Advisory Commission on Charter Schools met on Wednesday, June 7 to consider our Funding Determination Forms and approved the CDE recommendation. The California Department of Education, Charter Schools Division, issued a positive recommendation of 100% funding for three (3) of our charters: AAS Sonoma, CCS of Fresno, and CCS of LA; and 85% for AAS Thousand Oaks & Simi Valley and CCS of San Diego. This funding is retroactive for the current year, and for the upcoming 2017-18 school year. The next and final step is action by the State Board of Education, which is scheduled for July 12 & 13. He also shared that we did not roll over the current ladder of our CD, which will transfer \$1,250,000 from the CD account to our checking account at the end of June.

V. PUBLIC COMMENT

A. Public Comment

No public comment.

VI. UNFINISHED BUSINESS

A. Review and Discussion of the Executive Compensation Study

Mr Lewis led the committee in a review of the Executive Compensation Study. He shared a spreadsheet based on data gathered from the California Charter Development School's Charter Business Officer cohort, a spreadsheet with data from charters authorized by Acton Agua-Dulce USD, a spreadsheet with data from charters authorized by Mountain Empire USD, and a spreadsheet with three comparable charters based on data from Transparency California. He noted that the salary and compensation information was from three years ago, and made the assumption of an annual increase of 5%. Mr. Cummings asked that the assumption be changed to an annual increase of 3%, Dr. Granger concurred.

B. Review and Approval of the 2017-18 Operating Budget

Mr. Lewis and Mr. Scott Warner, School Business Manager from CSMC, led the committee in a review of the proposed 2017-18 operating budget. Revenue is based on 100% funding for both Compass Charter Schools of Fresno and Compass Charter Schools of Los Angeles, and 85% funding for Compass Charter Schools of San Diego. Revenue is also based on an overall enrollment of 1,100 scholars at 97% ADA. Expense projections are also based on 1,100 scholars and were examined line by line to current year spending. We are projecting a \$1.5 million deficit based on these projections. Factors include the 85% funding level for CCS of San Diego, and conservative enrollment numbers.

K. Granger made a motion to recommend approval of the 2017-18 Operating Budget to the full Board of Directors.

J. Cummings seconded the motion.

The committee **VOTED** unanimously to approve the motion.

Roll Call

K. Granger Aye

VII. NEW BUSINESS

A. Review and Discussion of the May Financials

Mr. Lewis and Mr. Scott Warner, School Business Manager from CSMC, led the committee in a review of the May financials.

VIII. Closing Items

A. UPCOMING MEETING

B. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 2:51 PM.

2016-17 Funding Update

The State Board of Education met on Wednesday, July 12 to consider our Funding Determination Forms and approved the CDE and ACCS recommendation. This funding is retroactive for the previous year, and for the current 2017-18 school year.

Retroactive funding will be:

• AAS Sonoma:	\$776,361
• AAS Thousand Oaks & Simi Valley:	\$50,704

• CCS of LA:	\$1,820,359

Share Savings and Club Account Disclosure: Dividends are calculated by the daily balance method which applies a daily periodic rate to the balance in the account each day. Dividends will be compounded monthly and will be credited monthly. If you close your account before dividends are paid, you will not receive the accrued dividends. The dividend declaration date is the last day of the dividend period. You must maintain a minimum daily balance of \$100 in your account each day to avoid a service fee. If, during any statement period, your account balance falls below the required minimum daily balance, your account will be subject to a service fee of \$2.50 for that statement period. You must maintain a minimum daily balance of \$100 in your account each day to obtain the disclosed annual percentage yield (APY). Minor accounts and zero-balance accounts are exempt from minimum balance requirements. Reg D limits the number of withdrawals that can be made from these accounts each month.

Basic Checking Disclosure: No Dividends

Premium Business Checking Disclosure: Dividends are calculated by the daily balance method which applies a daily periodic rate to the balance in the account each day. Dividends will be compounded monthly and will be credited monthly. If you close your checking account before dividends are paid, you will not receive the accrued dividends. The dividend declaration date is the last day of the dividend period. The minimum balance required to open this account is \$200.

Money Market Account Disclosure: The dividend rate and annual percentage yield is subject to change as determined by the Credit Union Board of Directors. Balance Computation Method – Dividends are calculated by the daily balance method, which applies a daily periodic rate to the balance in the account each day. Compounding and Crediting – Dividends will be compounded monthly and will be credited monthly. If you close your account before dividends are paid, you will not receive the accrued dividends. For this account type, the dividend period is monthly, for example, the beginning date of the first dividend period of the calendar year is January 1, and the ending date of such dividend period is January 31. All other dividend periods follow this same pattern of dates. The dividend declaration date is the last day of the dividend period, and for the example above is January 31. Accrual of Dividends – Dividends will begin to accrue no later than the business day on which we receive credit for non-cash items, such as checks.

MINIMUM BALANCE REQUIREMENTS: The minimum balance required to open this account is \$2,500.00. You must maintain a minimum daily balance of \$2,500.00 in your account each day to avoid a service fee. If, during statement period, you may not make more than six withdrawals or transfers to your other CCU accounts or to a third party by means of a preauthorized or automatic transfer or telephonic order or instruction. No more than three of the six transfers may be made by check, draft, debit card, or similar order to a third party. If you exceed the transfer limitations set forth above in any statement period, your account will be subject to closure by the Credit Union.

Share and IRA Accelerator Certificates:

[†] Dividend rates and annual percentage yields change as determined by the Credit Union Board of Directors. The Accelerator share certificate allows one change to the rate during its term to the current 25-month Accelerator certificate rate available at the time of change. Subject to change without notice, substantial earlier closure fees may apply. Minimum \$10,000 opening deposit, balance must be maintained for the entire term. Dividends are paid monthly. Consult a California Credit Union Employee.

Business Analysis Checking: Each month, the collected balance in the account earns credit, which is used to offset the fees charged to maintain and service the account. Excess earnings credit does not carry over to the next month's account analysis. If the earnings credit is less than the fees for the services used during the month, then the master account will automatically be debited for the difference.
