Addressing the Committee – Committee meetings are meetings of the Board of Directors and will be held in a civil, orderly and respectful manner. All public comments or questions should be addressed to the Committee through the Chair of the Committee. To ensure an orderly meeting and an equal opportunity for each speaker, persons wishing to address the Committee must send a Speaker Request Message through the form of a text message or chat box message to Miguel Aguilar, Executive Assistant to the CEO (805-807-8199). Messages must contain speaker name, contact number or email, and subject matter and sent prior to the beginning of the Public Comment section of the meeting. Members of the public may address the Committee on any matter within the Committee's jurisdiction and have **three (3) minutes each** to do so. The total time of each subject

will be fifteen (15) minutes, unless additional time is requested by a Committee Member and approved by the Committee.

The Committee may not deliberate or take action on items that are not on the agenda. However, the Committee may give direction to staff following a presentation. The Chair is in charge of the meeting and will maintain order, set the time limits for the speakers and the subject matter, and will have the prerogative to remove any person who is disruptive of the Committee meeting. The Finance Committee may place limitations on the total time to be devoted to each topic if it finds that the numbers of speakers would impede the Committee's ability to conduct its business in a timely manner. **IV. REPORTS**

**A. Staff Report**

Mr. Lewis shared that our 2016-17 Audit has been revised, and resubmitted to the State. We still have a clean audit for the 2016-17 year. Mr. Lewis also shared that CCS has finalized the SB40 Funding Determinations, for all three charter schools and preparing to send them to the Charter Schools Division of the California Department of Education. Based on the audited financials, we have met the requirements to receive 100% funding for all three schools. We have updated our Individual Giving section of our website to accept donations as part of an Annual Fund. Mr. Lewis also shared we have partnered with JustGiving to accept one-time and monthly recurring gifts, and Stock Donator to accept gifts of stock.

Mr. Cummings asked for an update on enrollment. Mr. Lewis shared that we were shy of 1,000 scholars as of Friday, January 5th. He anticipates enrollment to grow as we enter spring semester and the 2018-19 school year.

Mr. Cummings asked if there have been examinations as to where costs can be cut. Mr. Lewis mentioned that there have been ways to cut costs without looking into or touching salary and benefits for staff. Everything else has been lowered.

Mr. Scott Warner, School Business Manager from CSMC, led the committee in a review and explanation of the 2016-17 Audit Revisions.

## **V. PUBLIC COMMENT**

### **A. Public Comment**

No public comment.

## **VI. NEW BUSINESS**

### **A. Review and Discussion of the December Financials**

Mr. Lewis led the committee in a review of the December financials.

### **B. Review and Approval of the Amended 2017-18 Operating Budget**

Mr. Lewis led the committee in a review of the amended 2017-18 Operating Budget. CCS has spent time looking at enrollment and ADA based on submitted P-1 Attendance Reports. Due to lower enrollment, and lower ADA from P-1, we are projecting a revenue loss of \$643,939 from the previously approved budget. While we are also projecting lower expenses, the overall deficit will increase by \$642,514 (to \$2,749,606). The overall ending fund balance for CCS is projected to be \$5,060,754.

Mr. Cummings questioned if any other expenditures will be added that are not in this budget. Mr. Lewis mentioned that there will be a greater effort for enrollment campaign and will require increased marketing expenditures.

J. Cummings made a motion to approve the Amended 2017-18 Operating Budget.

K. Granger seconded the motion.

The committee **VOTED** unanimously to approve the motion.

#### **Roll Call**

K. Granger Aye

J. Cummings Aye

## **VII. Closing Items**

### **A. Upcoming Meetings**

The next meeting of the Finance Committee will be Tuesday, February 20 at 2 pm.

**B. Adjourn Meeting**

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 2:55 PM.

Respectfully Submitted,  
M. Aguilar

## Review and Approval of the CCS Budgeting Philosophy

**Section:** VII. NEW BUSINESS  
**Item:** B. Review and Approval of the CCS Budgeting Philosophy  
**Purpose:** Vote  
**Submitted by:** J.J. Lewis  
**Related Material:** CCS Budgeting Philosophy.pdf

**RECOMMENDATION:**

A motion to recommend approval of the CCS Budgeting Philosophy by the Board of Directors.

## **Budgeting Philosophy**

Compass Charter Schools (CCS) operates three (3) charter schools:

- Compass Charter Schools of San Diego
  - Authorized by Mountain Empire USD
- Compass Charter Schools of Fresno
  - Authorized by Orange Center School District
- Compass Charter Schools of Los Angeles
  - Authorized by Acton-Agua Dulce USD

As the Charter Management Organization (CMO), CCS will approve and operate under a single operating budget for each fiscal year. Revenue will be recognized in each individual charter. Expenses will be recognized and attributed to each school where possible. Expenses that are shared between the schools will be consolidated in the CMO, then distributed to each individual charter based on an appropriate objective factor such as enrollment or proportional share of revenue.

The Finance Committee will meet monthly to review financial statements and monitor the proposed budget verses actual. The Finance Committee will share its reports to the full Board of Directors at their regularly scheduled meetings throughout the year.

All fund balances will be held by the CMO. The CMO will ensure each Charter will have available operating funds through intercompany receivables/payables and that ending fund balances for each individual charter maintain five-percent of LCFF revenues for reserves.
