V. PUBLIC COMMENT

A. Public Comment

Addressing the Committee – Committee meetings are meetings of the Board of Directors and will be held in a civil, orderly and respectful manner. All public comments or questions should be addressed to the Committee through the Chair of the Committee. To ensure an orderly meeting and an equal opportunity for each speaker, persons wishing to address the Committee must send a Speaker Request Message through the form of a text message or chat box message to Miguel Aguilar, Executive Assistant to the CEO (805-807-8199). Messages must contain speaker name, contact number or email, and subject matter and sent prior to the beginning of the Public Comment section of the meeting. Members of the public may address the Committee on any matter within the Committee’s jurisdiction and have **three (3) minutes each** to do so. The total time of each subject will be fifteen (15) minutes, unless additional time is requested by a Committee Member and approved by the Committee.

The Committee may not deliberate or take action on items that are not on the agenda. However, the Committee may give direction to staff following a presentation. The Chair is in charge of the meeting and will maintain order, set the time limits for the speakers and the subject matter, and will have the prerogative to remove any person who is disruptive of the Committee meeting. The External Relations Committee may place limitations on the total time to be devoted to each topic if it finds that the numbers of speakers would impede the Committee's ability to conduct its business in a timely manner. The External Relations Committee may also allow for additional public comment and questions after reports and presentations if it deems necessary.

III. COMMUNICATIONS

A. Committee Member Communication

Mr. Vargas thanked everyone for their hard work and is personally looking forward to working with the team to continue the great work of CCS. Mr. Brown mentioned he is happy to serve and learn about how CCS is drawing in new families.

IV. REPORTS

A. Staff Report

Mr. Lewis shared that every month CCS is celebrating one (1) of our ARTIC core values. This month we celebrated Achievement. Whenever and wherever possible, we have been encouraging scholars, learning coaches and staff alike to reflect on their achievements. Next month we will be focusing on Respect. This year we have been working closely with our StrongMind partners on marketing initiatives, including print, radio and social media. He also shared that StrongMind is creating a plan to create a number of promotional videos. We will be filming scholar and learning coach testimonials, and shooting B-roll, in early November. The goal is to have a number of videos ready for airwaves in early 2018.

Mr. Vargas asked if we use any other marketing sources. Mr. Lewis shared that we used K12 in the past, and now partner with StrongMind. We also have an internal communications and engagement team, under our strategic initiatives umbrella.

Mr. Brown asked if we are tracking where our scholars are hearing about CCS. Mr. Lewis shared that we are tracking that information in our enrollment application, and are starting to use more analytics on our website and other social media campaigns. He also asked

what the profile of our scholars was. Mrs. Van Vooren shared insight on some of the profiles: actors, athletes, those needing flexibility.

B. The Story of Compass Presentation

Mrs. Mae Van Vooren, Director of Strategic Initiatives, presented the Story of Compass. The presentation went over the mission, vision, and values of CCS, along with information on branding. The final piece was the actual story of Compass.

Mr. Brown asked who created the story, and where the information was gathered from. Mrs. Van Vooren shared that the story was created by a small group of staff, using information and feedback from current and previous families. Mr. Brown also asked how the story will be used. Mrs. Van Vooren noted it was meant to be a guide for staff, to understand how we arrived to today and how we are and wish to be seen moving forward.

V. PUBLIC COMMENT

A. Public Comment

No public comment.

VI. NEW BUSINESS

A. Review and Discussion of Committee Charge

Mr. Lewis reviewed the committee charge and opened the floor for discussion. This is the first year of operation for the External Relations Committee. Mr. Vargas asked for a better understanding, at the next meeting, of where we have been and where we are going in terms of external relations. He would also like to understand all of the components of external relations at CCS. Mr. Brown is interested in viewing the various analytics.

VII. Closing Items

A. Upcoming Meetings

B. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 4:50 PM.

Respectfully Submitted,
M. Aguilar

This report is meant to provide updates to the Board of Directors External Relations Committee:

Coffee with Compass

Our newest initiative, Compass is hitting the road in 2018 to continue to build community among our learning coaches. Suggested by our Parent Advisory Council, we will be hosting Coffee with Compass at two locations each month from January through May 2018. *See enclosed flyer.*

Core Values Month

Every month we are celebrating one (1) of our ARTIC core values. In November, we celebrated **Respect** and this month we are celebrating **Teamwork**. We will celebrate **Integrity** in January. Our Scholar of the Month program, as well as our weekly blog posts, highlight the monthly core value.

FilmRaiser

FilmRaiser supports critical scholar programs, non-profits and other great organizations by providing premiere access to Hollywood's biggest new films as fundraisers. Using a special link, Compass receives \$1/ticket. The movie being promoted in December is *Wonder*. We promote the fundraiser in our Monday Morning Update and social media channels.
