Addressing the Council – Scholar Leadership Council meetings will be held in a civil, orderly and respectful manner. All public comments or questions should be addressed to the Council through the Chair of the Council. To ensure an orderly meeting and an equal opportunity for each speaker, persons wishing to address the Council must send a Speaker Request Message through the form of a text message or chat box message to Miguel Aguilar, Executive Assistant to the Superintendent (805-807-8199). Messages must contain speaker name, contact number or email, and subject matter and sent prior to the beginning of the Public Comment section of the meeting. Members of the public may address the Council on any matter relating to the school and have **three (3) minutes each** to do so. The total time of each subject will be fifteen (15) minutes, unless additional time is requested by a Council Member and approved by the Council.

The Council may not deliberate or take action on items that are not on the agenda. However, the Council may suggest direction to staff following a presentation. The Chair is in charge of the meeting and will maintain order, set the time limits for the speakers and the subject matter, and will have the prerogative to remove any person who is disruptive of the Council meeting. The Parent Advisory Council may place limitations on the total time to be devoted to each topic if it finds that the numbers of speakers would impede the Council's ability to conduct its business in a timely

Compass is still growing, with prospective scholars working to join the family. There have been a few changes this year, including the return of ParentSquare for communication. He also shared that we are half-way through the first semester, and recently finished Parent/Teacher Conferences. We are also working on charter renewals, for both CCS of Fresno (Public Hearing tonight) and CCS of Los Angeles.

VI. New Business

Mr. Lewis reviewed the council charge and opened the floor for discussion. This is the second year of operation for the Scholar Leadership Council, to be the eyes and ears of scholars at Compass and share the good, bad, and ugly to talk about suggestions and

ways to make improvements to the Compass experience for scholars. Members represent over 1,400 scholars.
