Scholar Leadership Council

A. Public Comment

Addressing the Council – Scholar Leadership Council meetings will be held in a civil, orderly and respectful manner. All public comments or questions should be addressed to the Council through the Chair of the Council. To ensure an orderly meeting and an equal opportunity for each speaker, persons wishing to address the Council must send a Speaker Request Message through the form of a text message or chat box message to Miguel Aguilar, Executive Assistant to the Superintendent (805-807-8199). Messages must contain speaker name, contact number or email, and subject matter and sent prior to the beginning of the Public Comment section of the meeting. Members of the public may address the Council on any matter relating to the school and have **two (2) minutes each** to do so. The total time of each subject will be fifteen (15) minutes, unless additional time is requested by a Council Member and approved by the Council.

The Council may not deliberate or take action on items that are not on the agenda. However, the Council may suggest direction to staff following a presentation. The Chair is in charge of the meeting and will maintain order, set the time limits for the speakers and the subject matter, and will have the prerogative to remove any person who is disruptive of the Council meeting. The Scholar Leadership Council may place limitations on the total time to be devoted to each topic if it finds that the numbers of speakers would impede the Council's ability to conduct its business in a timely manner. The Scholar Leadership Council may also allow for additional public comment and questions after reports and presentations if it deems necessary.

VI. New Business

A. Review and Discussion of Council Charge

Mr. Lewis reviewed the council charge and opened the floor for discussion. This is the third year of operation for the Scholar Leadership Council, to be the eyes and ears of scholars at Compass and share the good, bad, and ugly to talk about suggestions and ways to make improvements to the Compass experience for scholars.

B. Council Member Feedback

James Visarraga suggested starting a Fortnite club. He also mentioned having scholar clubs passion-driven rather than classroom style.

Alexis Gordon mentioned that we need to find a way to increase participation in the mentor program.

Compass launched a new peer mentor program for scholars in 8-12 grade. These virtual and casual peer meetings are hosted by an experienced middle school or high school

scholar who will spend some quality time with scholars that are new to our school to provide peer-to-peer support!

Lyric Hearne-Hooker shared that he is excited to start the school year as a member of the Scholar Leadership Council. He also suggested having guest speakers at our meetings throughout the school year.

Michael Effie asked why the Monday Morning Update (MMU) is only sent to parents and legal guardians. Mr. Lewis shared that our system has rules on the ability to contact and message scholars.

Kristi Lynn Effie shared a concern with the StrongMind Calendar as it no longer posts due dates.
