Board Policy #: 20
 Adopted/Ratified: March 28, 2021
 Revision Date:

SECTION 20 – SCHOLAR POLICY – MISSES ASSIGNMENTS AND INVOLUNTARY REMOVAL POLICY

Per California Education Code section 51747, Compass Charter Schools (“CCS” or the “Charter School”) maintains a board policy establishing the following the number of missed assignments that will be allowed before an evaluation is conducted to determine whether it is in the best interest of the scholar to remain in independent study:

When an Online or Options Learning Program scholar fails to complete five (5) assignments during any period of ten (10) school days, the Superintendent & CEO or designee shall conduct an evaluation to determine whether it is in the best interests of the pupil to remain in independent study. An “assignment” constitutes the following: assigned schoolwork, completion of activity logs, and attendance at required meetings with the supervising teacher and other staff.

Evaluation After Missed Assignments

After reaching the number of missed assignments specified above during any period of ten (10) school days, an evaluation will be conducted by the Superintendent & CEO and/or designee and supervising teacher to determine whether it is in the best interests of the scholar to remain enrolled in independent study.

The Evaluation After Missed Assignments may include but is not limited to the review of the following:

- 1) Attendance based on completion of assignments as quantified by the assigned supervising teacher;
- 2) Demonstration of skills on assignments;
- 3) Standardized test scores;
- 4) Written tests and reports if appropriate;
- 5) Oral or written presentations;
- 6) Student’s attitude toward learning and achievement;
- 7) Punctual attendance at scheduled appointments;
- 8) Ability to meet scheduled appointments;
- 9) Preparedness for scheduled appointments;
- 10) Scholar demonstration of adequate and appropriate progress toward
- 11) Common Core State Standards;
- 12) Appropriate learning environment; and/or
- 13) Parent(s) ability to support scholar learning in the home.

As part of the evaluation process, the scholar, parent(s), guardian(s), or if the scholar is a foster child or youth or a homeless child or youth, the scholar’s educational rights holder (all generally referred throughout as “Parent(s)”) will be invited to present evidence to the individual(s) conducting the Evaluation After Missed Assignments meeting. During this meeting, the Charter School will determine whether it is in the best interest of the scholar to remain in independent study. A written record of the findings of any evaluation made pursuant to this Policy shall be

maintained in the scholar's mandatory interim record.

Additional Consideration for Scholars with a Section 504 Plan or IEP

If the Charter School recommends removal from independent study as a result of the Evaluation After Missed Assignments, above, and the scholar has a Section 504 Plan or individualized education program ("IEP"), the Charter School shall schedule an IEP meeting or Section 504 meeting (as applicable) following applicable legal timelines, to determine the following:

- 1) Whether the missed assignments were caused by or had a direct and substantial relationship to the scholar's disability; or
- 2) Whether the missed assignments were the direct result of the Charter School's failure to implement the IEP or Section 504 Plan, as applicable.

If the answer to either (1) or (2), above, is yes, then the missed assignments are a manifestation of the scholar's disability and the School will follow applicable state and federal laws to ensure that the scholar is offered a free appropriate public education.

If the answer to both (1) and (2), above, is no, then the scholar may be removed from independent study consistent with this Policy.

This meeting may be combined with the Evaluation After Missed Assignments meeting, referenced above, at the discretion of the Charter School.

Notice of Decision and Opportunity to Request a Hearing Prior to Removal

Once the Evaluation is complete, if it is determined that it is not in the best interest of the scholar to remain enrolled in the independent study program, the Parent(s) shall be notified in writing of the Charter School's intent to remove the scholar as it is not in their best interest to remain in independent study. The Notice shall be in the native language of the Parent(s) and provided no less than five (5) schooldays before the effective date of scholar's removal. The Notice shall include the following:

- 1) The School's intent to remove the scholar as it is not in their best interest to remain in independent study.
- 2) The opportunity of the Parent(s) to request a hearing that follows the same procedures as the Charter School's disciplinary hearing. Parent(s) (or the scholar if over 18) must submit the request for hearing writing within five (5) calendar days from the date of the Notice.
- 3) If Parent(s) or student over 18 requests a hearing:
 - a. It will be scheduled following the Charter School's expulsion hearing procedures as outlined in the Charter School's approved Charter and Suspension and Expulsion policy.

- b. The scholar shall remain enrolled and shall not be removed until the Charter School issues a final decision.
 - c. If as a result of the hearing the scholar is disenrolled, notice will be sent to the scholar's last known district of residence within thirty (30) calendar days.
 - d. A hearing decision not to disenroll the scholar does not prevent the Charter School from making a similar recommendation in the future should scholar truancy occur or re-occur.
- 4) If no hearing is requested, the scholar shall be removed from the school on the date listed on the notice.

Board Policy #: 29
 Adopted/Ratified: March 28, 2021
 Revision Date:

SECTION 29 – SCHOLAR POLICY – SCHOLAR SUCCESS TEAM POLICY

The Board of Directors of Compass Charter Schools (“CCS” or the “Charter School”) recognizes there are scholars who may need additional support within the classroom both academically and behaviorally.

A Scholar Study Team (“SST”) process utilizes a team of Charter School staff dedicated to identifying and supporting scholars who exhibit academic or behavioral problems by providing early systematic assistance to scholar and connect them to appropriate interventions and supports through the regular instructional setting.

An SST uses a systematic problem-solving approach to assist scholars with concerns which are interfering with success. The SST clarifies problems and concerns; develops strategies and organizes resources; provides a system for school accountability; and serves to assist and counsel the parent, teacher and scholar.

The SST process is a function of the general education program. All scholars can benefit from an SST, including but not limited to, those scholars achieving below or above grade level and scholars who have experienced emotional trauma, behavioral issues, or language issues.

Referral to an SST

A scholar may be referred to the SST process for any reason, including, but not limited to:

1. Lack of academic progress;
2. Increasing behavioral concerns;
3. Consideration for retention;
4. Attendance/truancy issues;
5. Parent concerns; and/or
6. Any other reason appearing to impact a scholar’s access to education.

Any CCS teacher or staff member who has a concern for a scholar can refer that scholar to the SST for consideration.

SST Meeting

The purpose of the SST is to discuss issues and concerns related to a scholar’s performance, identify intervention strategies which may help a scholar succeed, and monitor his or her progress to ensure learning and development. The team may suggest regular program interventions and/or support services available to all scholars. The SST may suggest and offer different supports that may include monitoring scholar progress, developing intervention plans, referring scholars to intervention services (e.g. reading or math specialists, counseling, etc.) and implementing increasing tiers of school-based intervention services, as necessary.

Anyone who is connected with the scholar can be included in the SST to provide information to share about the scholar’s strengths, concerns and strategies which have been used in the past. These people may include, but are not limited to, teachers, principals, parents/guardians,

counselors, doctors, administration, social workers, specialists, and/or law enforcement. The meeting is designed to bring out the best in the people involved.

The CCS SST meeting steps include, but are not limited to, the following:

1. Team members introduce themselves and their roles
2. Purpose and process of the meeting are stated
3. Timekeeper is appointed
4. Strengths of the scholar are identified
5. Concerns are discussed, clarified and listed
6. Pertinent information and modifications are listed
7. Concerns are synthesized with one or two chosen for focus
8. Strategies to deal with concerns are chosen; options are brainstormed
9. Team chooses best strategies to carry into actions
10. Individuals make commitments to actions
11. Person responsible and timelines for actions are recorded
12. Formalization of an SST intervention plan
13. Follow-up meeting date is set

Follow-up after an SST

After implementation of an SST intervention plan and follow up meeting, if the scholar continues to exhibit academic and/or behavioral concerns and/or should the scholar need additional supports, the SST may discuss making revisions to the scholar's intervention plan and/or providing the scholar with additional supports, or if necessary, the SST may refer the scholar for assessment for special education services and/or a Section 504 accommodation plan as applicable.

Board Policy #: 11

Adopted/Ratified: October 3, 2019

Revision Date: March 22, 2020; March 28, 2021

SECTION 11 – CURRICULUM - INDEPENDENT STUDY BOARD POLICIES

Compass Charter School (“CCS” or “Charter School”) offers independent study to meet the educational needs of pupils enrolled in the Charter School. Independent study is an alternative education model designed to teach the knowledge and skills of the core curriculum. CCS shall provide appropriate existing services and resources to enable pupils to complete their independent study successfully. The following written policies have been adopted by the Board of Directors for implementation at CCS:

1. For pupils in all grade levels and programs offered by CCS, the maximum length of time that may elapse between the time an assignment is made and the date by which the pupil must complete the assigned work shall be ten (10) school days.
2. When any Online or Options Learning Program scholar fails to complete five (5) assignments during any period of ten (10) school days, the Superintendent & CEO or designee shall conduct an evaluation to determine whether it is in the best interests of the pupil to remain in independent study. An “assignment” constitutes the following: assigned school work, completion of activity logs, and attendance at required meetings with the supervising teacher and other staff.
3. A written record of the findings of any evaluation conducted pursuant to this Policy shall be treated as a mandatory interim pupil record. This record shall be maintained for a period of three years from the date of the evaluation and if the pupil transfers to another California public school, the record shall be forwarded to that school.
4. A current written agreement shall be maintained on file for each independent study pupil, including but not limited to, all of the following:
 - The manner, time, frequency, and place for submitting a pupil's assignments and for reporting his or her progress.
 - The objectives and methods of study for the pupil's work, and the methods utilized to evaluate that work.
 - The specific resources, including materials and personnel, that will be made available to the pupil.
 - A statement of the policies adopted herein regarding the maximum length of time allowed between the assignment and the completion of a pupil's assigned work, and the number of missed assignments allowed prior to an evaluation of whether or not the pupil should be allowed to continue in independent study.
 - The duration of the independent study agreement, including beginning and ending dates for the pupil's participation in independent study under the agreement. No

independent study agreement shall be valid for any period longer than one school year.

- A statement of the number of course credits or, for the elementary grades, other measures of academic accomplishment appropriate to the agreement, to be earned by the pupil upon completion.
 - The inclusion of a statement in each independent study agreement that independent study is an optional educational alternative in which no pupil may be required to participate. In the case of a pupil who is referred or assigned to any school, class or program pursuant to Education Code Section 48915 or 48917, the agreement also shall include the statement that instruction may be provided to the pupil through independent study only if the pupil is offered the alternative of classroom instruction.
 - Each written agreement shall be signed, prior to the commencement of independent study, by the pupil, the pupil's parent, legal guardian, or caregiver, if the pupil is less than 18 years of age, the certificated employee who has been designated as having responsibility for the general supervision of independent study, and all persons who have direct responsibility for providing assistance to the pupil. For purposes of this paragraph "caregiver" means a person who has met the requirements of Family Code section 6550.
5. CCS shall comply with the Education Code Sections 51745 through 51749.3 and the provisions of the Charter Schools Act of 1992 and the State Board of Education regulations adopted there under.
 6. The Superintendent & CEO shall establish regulations to implement these policies in accordance with the law.

Program

Online Learning

I believe that the online curriculum is rigorous.

Online Learning

How much time does your scholar spend every day on schoolwork?

Online Learning

What other information would you like us to know about your experience with our curriculum (Accelerate Education):

- The new program was not as user friendly as the last.
- We are very dissatisfied with accelerate. The work load is overwhelming and ridiculous. Limited attempts on quizzes is stressful and disheartening. It is very tedious to complete the work and assignments. It is counterintuitive and disorganized.
- I love everything except the outdated videos in the elementary school curriculum. They are very boring and my son loses interest really quickly.
- It is chaotic! Too many projects, constant technical problems, poor feedback of graded work from some teachers, schedule issues for proctoring, email issues, company has lack of respect for teachers.

Online Learning

What other information would you like us to know about your experience with our curriculum (Accelerate Education):

- AE is not friendly. The process of sending work in is time consuming. Google drive options isn't used by teacher. Child spends more time sending stuff in than actually doing work. Very disappointing.
- It doesn't explain enough and there's not much info for the coach. Not enough practice so the kids can master what they have just learned.
- Many of the videos are outdated and the sound is not the best. In the social studies course for 4th grade there weren't any videos for California.
- Some of the videos are extremely old. I think if they updated some of them the kids would enjoy them more.
- It's a hassle for my student to request to reset an assignment every time it is zeroed out.

Online Learning

What other information would you like us to know about your experience with our curriculum (Accelerate Education):

- Some of the content is outdated and could be more engaging. I would like to see more Math Antics content used to teach math, it is more exciting and explains the concepts of math much better than the current content. Honestly, I'm am disappointed in the switch to Accelerate overall.
- It's a hassle for my student to request to reset an assignment every time it is zeroed out.
- My son is a student athlete and falls behind during certain times but then catches back up. We inform his teachers. Recorded LL are useful.

Online Learning

What other information would you like us to know about your experience with our curriculum (Accelerate Education):

- The 9th grade curriculum is too much, not only for the scholars, but the teachers never have enough time to grade everything. sometimes it can be more than 2 weeks so you're not sure if your scholar is getting some of the material.
- We are getting used to it this year. We got behind in the beginning of the year and had difficult time getting back on track. Some of the issue was not the curriculum but was the distractions that come with online learning (togglng to youtube...gaming... etc.). The system seems great so far.
- Their work and assignments
- Middle school online curriculum is better than elementary curriculum (k12)

Online Learning

What other information would you like us to know about your experience with our curriculum (Accelerate Education):

- It is not aligned for Math, it is not rigorous for ELA and much of the Science is drawings and very low level questions.
- I am not a fan of Accelerate as a curriculum, the content is too dense and the workload is a bit too heavy in my opinion.
- Neither of my children feel challenged with the curriculum. They feel all is review and too simple.
- It is so much better than the curricula in the public school setting
- First year in the online program. Not happy with the Accelerate Education program. Difficult to navigate and understand.

Online Learning

What other information would you like us to know about your experience with our curriculum (Accelerate Education):

- We had been excited to try this program! Unfortunately, it has not unfolded that way. Although the content is fine and focuses just on what is important and needed with accessible examples, there are significant drawbacks in other ways. First, there really should be a training on navigating the online platform for new students. The way the online platform is laid out for students with all of the folders is very confusing and NOT user-friendly. The green checkmarks showing for zeroes with the auto-zeroing make it very difficult for students to understand what they need to complete versus what is completed, and it's almost impossible for students (or parents) to really understand what their grades look like. The zero-out function showing their grades as much lower is VERY demoralizing because this subtle messaging is what they see daily, and you cannot see the total grade on the work you have completed as well, it is an either/or depending if autozeroing is on. The deciding of what needs to be completed by which date also has flaws- long, time consuming assignments are often not weighted differently enough in time frame to create a doable due date. The new Zoom requirements for the live sessions are cumbersome and complicated for each time they attend class as each class' sign up process and requirements are different and require remembering to complete the often unnecessarily long forms far enough in advance for it to be seen by the teacher- the management of this is overwhelming for students. The form to sign up for exams is too complex as well, requiring so much info from different places. It just seems like all of this could be made much easier for students in our tech age. As a classroom teacher whose child had super high grades in brick and mortar, this has been a frustrating experience, when we had high hopes for an engaging and connective online school. The teachers have been great, but with a month with no live sessions it was extremely hard to feel connected to the program.

Online Learning

What other information would you like us to know about your experience with our curriculum (Accelerate Education):

- We do not like it. It lacks so much. Would like
- To see more practice work (online/workbook) as lessons don't give much structure nor practice for students who need it. I will enroll my scholars in the options program next school year.
- Harder to navigate than StrongMind. We also really miss the ability to calculate "what if" scores on the grade page. It was really helpful at the end of the semester.
- My daughter has enjoyed the curriculum very much.
- It is a perfect choice for homeschoolers, great teachers and the program is excellent. Love the options for clubs and electives, and the directors are doing a great jobs as well.

Online Learning

How often does your scholar attend Learning Labs?

Online Learning

I believe Learning Labs help my scholar better understand content in their courses:

Online Learning

I believe that live sessions are more valuable than recorded sessions:

Online Learning

What is your scholar proud of accomplishing so far this year?

- Keeping her grades up & graduating
- Passing with straight D's instead of failing completely
- Getting better grades and staying on track (both)
- She was recognized as student of the month.
- Learning more English Language
- Remaining calm despite the chaotic curriculum!
- Learning to value time
- graduating
- To complete the program despite the horrible process.
- Reading better
- Math

Online Learning

What is your scholar proud of accomplishing so far this year?

- Science projects and completing all assignments in each course early.
- Making good grades
- Student of the Month
- School- science. Sport- getting in 22-24 foot waves in Waimea Bay
- Lexia Program help
- Completing Honors & AP courses
- For all 3-kindergarten, 3rd and 7th graders, when they have really put effort into completing a project, they feel very proud. Or when they have gotten 100% on an exam.
- Participation in learning labs
- Independence
- I will have to ask them.

Online Learning

What is your scholar proud of accomplishing so far this year?

- Strait A's
- One programmed their first Java Script game. The other has an A in all classes.
- Good grades, making friends, clubs
- This first semester has been a struggle for my high school student. Add in a pandemic and I would say this semester has been terrible.
- Not getting F's. we struggled in the beginning because it was a new system and we fell behind because of health reasons, they have been working hard the last 2 months and now that it is in the end of the semester they are striving to try to get as many A's as they can.
- Reading well
- Learning and doing hands on activities

Online Learning

What is your scholar proud of accomplishing so far this year?

- Just getting through classes, surviving, and staying sane this crazy year!
- Completing the semester's work on time and with good grades.
- Learning to work with fractions
- distant learning is a struggle
- learning more about biology
- She is just happy to finally understand the work flow and be able to organize her work/study habits.
- Learning to interact socially via the learning labs and learning computer software.
- Writing sentences (1st grader) and writing essays (4th grader).
- She passed a course

Online Learning

What are some ways Compass can recognize and reward academic achievements (in addition to Scholar of the Month, Honor Roll, etc.)?

- Extra credit, work reductions, gift cards
- Maybe a gift, CCS shirt, water bottle, keychain ... etc
- Honor Rolls are good
- Honor Roll
- My son loves to get a feed back from his teacher with every school work graded.
- Maybe, honor students who are most helpful in learning labs. My 4th and 5th grade students stopped attending labs because of how much time was wasted on other students not following along or committing to the rules. It just wasn't fun for them anymore.

Online Learning

What are some ways Compass can recognize and reward academic achievements (in addition to Scholar of the Month, Honor Roll, etc.)?

- Reward system for submitting a set amount of work by a certain time.
- An email always feels good.
- Teachers need to **GRADE PROMPTLY** to motivate the scholar.
Eliminate the **FINAL Exam** if **ALL** module exams are at a 80 or higher.
- Could there be a way to encourage the kids sharing their extra-curricular activities with their home room class? maybe providing more connection.
- Recognizing the scholars hard work in assignments
- E gift cards

Online Learning

What are some ways Compass can recognize and reward academic achievements (in addition to Scholar of the Month, Honor Roll, etc.)?

- For elementary, I feel that unless the teachers are going to actually give assessments, the grades are basically just participation.
- All of the above and I also like the Artic scholar award given by the teachers.
- Weekly announcement per teacher for highest completion, most improved etc
- Please remember that not all students are honor roll students. However, that doesn't mean that the student isn't worthy of recognition for their efforts and hard work.

Online Learning

What are some ways Compass can recognize and reward academic achievements (in addition to Scholar of the Month, Honor Roll, etc.)?

- I love to see positive messages from the teachers in the courses, it would be nice to get an e-mail directly to the parents when a child has done something very good or is progressing. We only hear from the homeroom teacher weekly but it isn't specific to any class. it would also be good to have a parent teacher conference with each of their subject teachers at least once in the middle of the semester to see how they are doing and actually get to know the teacher.
- Can't think of any at the moment.
- N/A

Online Learning

What are some ways Compass can recognize and reward academic achievements (in addition to Scholar of the Month, Honor Roll, etc.)?

- N/A
- Create an easier-to-use program
- Self-discipline
- Most improved scholar,
- Give Certificate of Achievement Awards, and Live online events.
- You do a great job already!

Online Learning

If you were given one thing you could change about Compass, what would that be?

- Teacher Response Times are too slow
- Accelerate/ Buzz
- The outdated videos
- More participative and collaborative learning labs. I wish there was more time for kids to see each other and learn together via LL.
- To have more live sessions with scholars.
- Accelerate
- Explain a bit more about monitoring scholars progress in parent portal
- The submission of work process- its really bad.
- More field trips or virtual

Online Learning

If you were given one thing you could change about Compass, what would that be?

- I have three. Give parents and students enough time to prepare before the first day of school with all the information required. Make sure supplies are ordered and sent on time. Let us have a break down of cost so we know where the money is going. When we are told that no supplies are being sent, we would like to know why.
- I would like to see a combined program of online and the options program.
- I would love it if the kids get to know their peers and have a free time to talk with one another.
- Credits for make-up LL's.

Online Learning

If you were given one thing you could change about Compass, what would that be?

- So far so good change nothing
- hire more teachers
- The manner in which the school year begins ... it's poorly managed leaving parents, scholars, and even teachers I've spoken to, VERY discouraged.
- Accelerate logs out very quickly. The kids get annoyed when they leave there desk for a little while, they have to log back in. Other than that we are very happy. The teachers are amazing-they all make time when we need them and they all demonstrate that they care!
- More interactions with scholars and students

Online Learning

If you were given one thing you could change about Compass, what would that be?

- I would change the curriculum and the learning labs. I thought the teachers would host learning labs multiple times a week and actually go over lessons, build background, set the kids up to get the assignments done for the week. But, what actually seems to happen is that the kids show up and the teacher plays a game and then they leave. All the learning is left up to the parents and the curriculum is not very rigorous. Most of the worksheets are boring and a LOT of busy work (how many times does a second grader need to draw squirrels???) The stories in 2nd grade about Meg and her family are BORING and low level...for Kinder, there is hardly any writing, sight words are taught too fast, very little actual phonics instruction AT ALL).

Online Learning

If you were given one thing you could change about Compass, what would that be?

- The curriculum (Accelerate Education) we feel strong mind was a better curriculum.
- Receive more feedback from teachers and counselor regarding childrens' proficiency in courses and verify the curriculum is at or above their grade level.
- Add a P.E. Face to face class 1-2 times a week
- Better communication from high school teachers and Supervising Teacher! Parents need to be kept in the loop even with a high school student.

Online Learning

If you were given one thing you could change about Compass, what would that be?

- We are happy with the way CCS has always listened and improved things.
- Attention to communication between student and teachers. Some teachers are hard to reach and others don't seem to listen.
- to be in person
- During these covid times I'd like for the teacher to make more initiative to meeting with students individually in zoom calls not just emails. There needs to also be more time given for subjects within a course.
- Send out actual textbooks. It's easier to because they can study in the car, the park. Outside. It's not easy to be connected to the internet at all times

Online Learning

If you were given one thing you could change about Compass, what would that be?

- I would like my child to be able to have a school Id card that they can provide as proof of being a student and for identification.
- So far we love Compass, teachers are extremely helpful, patient and understanding.
- This years learning lab issues have been a bit stressful due to the hack. We have not always received an invitation on time to attend live.
- Less complicated learning site. The Lessons are great.

Online Learning

As a seasoned parent, what is one piece of advice you would give a new parent starting with Compass?

- Don't start unless they change to a better curriculum/system. Not Accelerate or Buzz!
- Help your children stay on track every week not at the end of month or semester.
- Support and encourage your child to accomplish her/his todo's everyday
- read every e- mail you get, check your e-mail twice a day, at least.
- If it's still Accelerate next year don't join!
- Keep up the good work
- Hang in there. Each child has their own way of learning. Let them lead you.

Online Learning

As a seasoned parent, what is one piece of advice you would give a new parent starting with Compass?

- To find an easier method to send work in because that is an inconvenience.
- It feels like we don't have the capacity to teach. But as parents, that's what we do everyday without realizing it. It feels like you can't do it, but with time it will get manageable and easier. And you don
- The teachers are very helpful and encouraging.
- Relax, it's okay if they are they don't want to work on a certain subject one day. Have them do a little extra the next day.
- None, I'm still learning.
- Be patient

Online Learning

As a seasoned parent, what is one piece of advice you would give a new parent starting with Compass?

- Be prepared to spend a lot of time helping with courses, especially social studies. Make sure to have a printer because books might not arrive on time. Make sure to have a way to copy, send and upload assignments. Purchase assigned novels if your kids don't want to read online and skim over them first in case they might not be ready for some of the content. Be prepared for change. Compass has changed the curriculum companies on us twice now. I am a parent who likes to have everything read before the first day of school and have time to go over any new software and site. This wasn't possible this last year and I was treated very rudely by the principal. We were told that Accelerate is an award winning program, yet I could not find any awards that they have won. Also, we found many typos and other issues with the program.

Online Learning

As a seasoned parent, what is one piece of advice you would give a new parent starting with Compass?

- create a schedule/routine and stick with it. You can be flexible, of course, but a routing will help your scholar excel and not fumble around with what to do.
- When your scholars are all excited anticipating the first day of school, plan on little to do the first few days. Don't expect all teachers to introduce themselves. Expect falling behind during the first two weeks due to poor admin planning, course enrollment issues, etc.
- Keep track of the daily work completed by the child. It is easy to get behind and the kids feel so great when they are up to date.
- They can trust Compass with any questions and the learning process
- Trust the teachers.

Online Learning

As a seasoned parent, what is one piece of advice you would give a new parent starting with Compass?

- I think being involved in the learning and communication with the teachers is key to the scholars success.
- Take advantage of the fun learning labs offered, such as Garner Holt, stained glass, watercolor painting, etc.
- Communication is key. You need to communicate with your teachers and administrators. They will guide you and set you up for success so that you can set your student up for success also.
- Ask lots of questions, attend online meetings or tutorials. Ask other CCS parents for advice or tips.

Online Learning

As a seasoned parent, what is one piece of advice you would give a new parent starting with Compass?

- Don't let your scholar fall behind. Check them every Friday afternoon and anything they missed that week make them do it on Saturday. If they start seeing F's on their grades then they will want to give up but when they see A's then their self esteem will go up and their stress levels will stay down. They will even be motivated to turn any borderline grades lifted into the next grade up. You don't want to let your scholar get in a bind where they have to do catchup work and finals at the end of the semester all in the same week.
- Don't be hard on yourself and your child. Go with a schedule that works for you and your child. Don't set a timer

Online Learning

As a seasoned parent, what is one piece of advice you would give a new parent starting with Compass?

- take a deep breath, you can do it! Some days you'll feel like you've failed, but it is possible to complete and do! You got this!
- Go on field trips (virtual or in person), go to "Coffee with Compass", and reach out to meet the teachers, counselors and other members of the Compass Family. It made such a difference for us when we first started and we feel much closer to our virtual school family than we ever did with the brick and mortar one.
- Make sure your scholar is on pace with the coursework. It piles up really fast.
- Make time to help your student when they are having trouble.
- stay on top of the To-Do list

Online Learning

As a seasoned parent, what is one piece of advice you would give a new parent starting with Compass?

- Do not worry too much on academic achievement, especially when your kids are very young. Play with them a lot and have fun.
- Work as a team! You definitely need to supervise and take part in your child's education. Create goals for them and rewards when they accomplish schoolwork, it motivates them to want to succeed.
- Have patience. It's not as easy as it looks, but in time it gets better.
- Always keep in touch with the Teacher and
- Be patient with your scholars and yourself.
- Keep your child on track.

He also is proud of passing all his assessments in math with 100% accuracy.
- Math growth and science
- Amazing Lego creations and his science journal pages.
- the Civil War and learning their multiplication and reading
- Completing projects, finishing levels/workbooks/books and moving up,

What is your scholar proud of accomplishing so far this year?

- YouTube channel, working at 9th grade level. Level above her own.
- She has been working hard at memorizing math facts, and she gets very excited when she masters a new concept in math.
- improved writing, reading and spelling
- writing
- He is proud of his grades which have been excellent.
- My scholar is proud of working and completing Science Experiments & Projects.

What are some ways Compass can recognize and reward academic achievements (in addition to Scholar of the Month, Honor Roll, etc.)?

- One way could be the student can be personally called by the Principal and congratulated on his or her achievements. Paper certificate or a memento do not match to the personal touch of appreciation.
- Send you a personalized card recognizing your achievement
- Some kind of prize like for example, academic materials or Lego
- Create and actual Debate Team that can compete, join other competitions,
- rewards for great work samples
- Assistance for families
- Trophy

Options Learning

What are some ways Compass can recognize and reward academic achievements (in addition to Scholar of the Month, Honor Roll, etc.)?

- oh I love scholar of the month. The last one was so fun to read. Our ef sends emails to my kids and that is a HUGE help. They get a lot from that recognition
- Honor Roll last year
- These types of things don't interest buy scholar. Maybe gift cards to fun places?

Options Learning

What are some ways Compass can recognize and reward academic achievements (in addition to Scholar of the Month, Honor Roll, etc.)?

- I personally don't believe academic achievements should be recognized and rewarded, since these create extrinsic (rather than intrinsic) motivation for learning and a sense of competition rather than collaboration. Instead, it might be nice to recognize students who are doing something to help the larger world, who have done or designed something especially creative that they wish to share publicly, etc.
- A gift card to a place they like
- Honor roll

Options Learning

What are some ways Compass can recognize and reward academic achievements (in addition to Scholar of the Month, Honor Roll, etc.)?

- I think this is silly and should be left up to the parents to reward. This may apply more to the online program.
- A few kind words from school are good enough.
- Maybe a monthly recognition board
- Not sure!
- Principal's Award- focus not just on academic achievement but the whole student.
- Recognize that students with learning difference/disabilities will have academic achievements that look different than those who don't
- Free pizza!

Options Learning

What are some ways Compass can recognize and reward academic achievements (in addition to Scholar of the Month, Honor Roll, etc.)?

- Possible a certificate.
- From our assigned person that we are in contact with? She knows a lot about our situation and how my child is learning and what accomplishments she has made.
- Not necessary
- Keep up the good work compass
- Certificates of recognition
- Prizes for doing practice test in istation or edgenuity. If they do one a month by the end of the year winning a gift card to amazon or Target would be cool to encourage their participation.

Options Learning

What are some ways Compass can recognize and reward academic achievements (in addition to Scholar of the Month, Honor Roll, etc.)?

- Maybe each Supervising Teacher gets to pick one of the students in their group each month and give that student a video shout out.
- Achievement awards for hitting goals, ability to pick from a monthly prize bag, recognition from someone other than LC's
- Show and tell
- I don't even know how it works in Option program to be scholar of the month...how would you compare the students...
- I don't have anything
- Those going through more difficulties that work harder to get where they are.

Options Learning

What are some ways Compass can recognize and reward academic achievements (in addition to Scholar of the Month, Honor Roll, etc.)?

- After covid is over (whenever that is) there should be some get togethers or dances. More picnics and if covid is still here maybe some safe social distance award ceremonies or outdoor booth setups with fun games or prizes given with Masks of course
- Maybe a note from their teacher or tutor?
- honesty, good behavior
- Hold more Spelling Bees and various contests, such as talent shows
- He loved getting a card from his teacher, Mrs. Arnheiter
- N/A
- I think compass already does a great job.
- Free books/discounts to certain vendors

Options Learning

What are some ways Compass can recognize and reward academic achievements (in addition to Scholar of the Month, Honor Roll, etc.)?

- Maybe a virtual bulletin board per "class" that lists "achievement" per each scholar. Should be an individual goal: Can be as simple as "improved organization", piece of art that reflects learning, poetry etc. I recognize this would be a lot of work for the EF, so maybe it is updated quarterly.
- I like what is done
- The test they do such as instation, edgenuity, communication with their supervising teacher
- Sending them a small award they can receive in the mail
- Having their pictures on the website, prizes(gift cards, go to special places)

Options Learning

What are some ways Compass can recognize and reward academic achievements (in addition to Scholar of the Month, Honor Roll, etc.)?

- recognizing improvement in students
- Choose random students to showcase a work or two from them, just normal students
- To me is always a positive reinforcement to acknowledge all students, regarding of their grades, they all are doing their best, this will send a different message to keep the self motivation going.
- My oldest son, who is now in college has mentioned that for him, what he remembers the most is when he was given a gift certificate for a pizza. Even though I could buy it for him, knowing that he earned by doing all his work, never being absent from school, being recognized by getting a pizza was the best feeling. I think maybe, by given them something they can actually enjoy may be a good idea.

Options Learning

What are some ways Compass can recognize and reward academic achievements (in addition to Scholar of the Month, Honor Roll, etc.)?

- Awarding certificates to the scholars and rewarding a small gift related to a favorite subject.
- You are doing a great job!
- Not sure. We do our own :)
- Ongoing small achievement awards for every scholar through out the year to help with motivation
- giving medals or trophies every end of the semester
- Inventor/Creator of the Month

Options Learning

If you were given one thing you could change about Compass, what would that be?

- The ordering system and a better vendor for books
- More local vendors
- Once the Pandemic is over, I would like gatherings of local students in a county as an event, once in a month, so kids can develop social skills. Homeschooling could bring a little inhibition in kids in social atmosphere.
- More options/vendors to spend funds on educational items, not enough choice for gifted kids that want to go in-depth on their own projects because items offered are almost always insufficient. Burden is put on parents to find new vendors and items and justify any purchase for quality goods if child is not in high school.

Options Learning

If you were given one thing you could change about Compass, what would that be?

- More music options
- Everything starting with the man at the top
- Order forms
- Longer ordering time - having to order by March is really tough
- Less online work for the parents
- Quality resources for high school! It's like they give up on serious high schoolers and just push them to community colleges. So few vendors and options.
- More organization and planning. Everything seems to be very last minute.
- In-person classes would be funded.

Options Learning

If you were given one thing you could change about Compass, what would that be?

- No grades or testing (I know that's impossible! :) I also wish more vendors were approved, regardless of their pricing. Mae has a math tutor whom we pay for outside of Compass, because their price point was too high for Compass. But shouldn't families be able to spend their funding however they wish, assuming the money is going to educational activities? Just sharing this as a question I've wondered about.
- For compass school to please answer there phones when someone calls the school.
- I'm super happy but the pandemic took away
- in person activities
- More organized!

Options Learning

If you were given one thing you could change about Compass, what would that be?

- Add more book stores as vendors.
- opening the OPS earlier so that we can actually start with curriculum at the beginning of the new school year
- the use of all the different platforms. Seesaw, parent square, OPS, etc. It gets confusing trying to find information
- Faster in processing orders
- timeliness. i feel compass is always behind (with deadlines. not academics)
- To allow in person activities/funding
- Easier access to ordering books.

Options Learning

If you were given one thing you could change about Compass, what would that be?

- When the shutdowns lift, lots more optional opportunities to connect in person with other kids. Would love to attend regular meetups where the kids can socialize and be a part of a group of they want.
- The wait time to order materials at the beginning of the school year is outrageous.
- I would have them change their policy about in-person classes (as many other charter schools have already been able to safely do). They should give their scholars and their parents the ability to make the decisions about what's best for their own child.
- The awareness that students with learning disabilities have to work a lot harder to achieve grade level efficiency and that the online/state testing is not an accurate way to measure how much they know or what grade level they are at. The testing can do more harm than good to the student.

Options Learning

If you were given one thing you could change about Compass, what would that be?

- That, as a military family, we could take you with us wherever we go. Beyond that, not much. Our experience with Compass so far has exceeded our expectations.
- I would have more special needs vendors
- More providers and field trips in our area. We are in N. California and there are not a lot out here.
- Our family would like to see more vendors on the approved Compass list.
- I have nothing at this time y'all been awesome.
- I don't feel the need for any changes at this time. We are very happy with Compass.

Options Learning

If you were given one thing you could change about Compass, what would that be?

- Broader ways to provide samples
- We would love more engagement sessions. We just did the MLK craft on zoom and my son loved it! Sometimes they get so full we have to get on a waiting list.
- Please open the learning centers!
- Bilingual teachers, bilingual resources
- No political emails. I received an email regarding the awful things that happened at the capital but previously I never received an email regarding the awful killings and destruction from the riots that continued in our country for 4 months. Don't be biased and pretend only one was awful and not both.

Options Learning

If you were given one thing you could change about Compass, what would that be?

- Funding more open. Not having to spend 75% on core
- this year with all the changes, ordering and receiving curriculum was delayed at the start of our school year..there were some free items offered but it wasn't working for my son in middle school
- I wish there was a lending library available for parents to rent or buy used curricula or materials that have been returned by previous families.
- Summer funds, my daughter loves the summer art classes at Middletown Art Center.
- Very unhappy this year with the curriculum ordering system and the time it took to get curriculum , in most subjects lost two months

Options Learning

If you were given one thing you could change about Compass, what would that be?

- For some reason this year it was harder to join and keep up with the clubs. I never quite got a hang of when they got together and a lot of them were at the same exact time. Someone needs to figure that out and have a schedule posted somewhere of when each club is getting together. Like a calendar. I couldn't figure it out and just gave up. Other than that maybe open up a learning center that's not just in Orange County. They told me because I am in L.A county I couldn't join the learning center. Would love to have my daughter join a school like that with Compass and obviously when Covid is over. We take it seriously.
- Reimbursement and more vendors for our county.

Options Learning

If you were given one thing you could change about Compass, what would that be?

- In person instruction. Opening the OCLC.
- maybe adding more vendor,
- Would like more contracted service providers in my area for the arts.
- Faster turnover for ordering and order approvals.
- My students and I want in person options program back! They are missing it so much.
- How funds are dispersed. Too many rules
- More and consistent vendors-- last year's list was much more extensive and I expected to see the same vendors this year. Unfortunately, some of the vendors I had planned to use this year are no longer with Compass and I had to find alternatives to my plans or pay out of pocket.

Options Learning

If you were given one thing you could change about Compass, what would that be?

- Perhaps after COVID restrictions are gone, it would be nice to have more vendors that provide one-on-one instruction (especially for music) and more vendors that provide free admission for field trips (museums, galleries, botanical gardens, specialized businesses, schools/universities, etc).
- How long it takes for orders to be process, especially at the being of the school year.
- more service providers in my area, and lending library
- Allow ordering of supplies by mid August. Many of us start teaching in August and need to purchase/procure materials before September. The money is our money and we should be able to us all of it.

Options Learning

If you were given one thing you could change about Compass, what would that be?

- Improve the IEP team / special education department communication
- Instead of multiple websites(one to turn work in, one to order supplies, one for attendance, etc), just have one for families to access that will include everything!
- I would like to have the option to select our Supervising Teacher. I have two kids in Compass and they each have a different ST. This is very difficult and creates double meetings. Ms. Rachel Bartlett has been a supportive and helpful ST. The other ST has unfortunately been an entirely different experience.
- I would have enrolled years ago and know already how to navigate the school website etc

Options Learning

If you were given one thing you could change about Compass, what would that be?

- In person for oclc!!!!
- More interaction with all students from all programs.
- More tutoring options
- The new report system.
- Vendor services: more providers, In person class vendors available, amazon as a vendor
- The ordering and payment process especially for ongoing classes
- I really miss being able to go on field trips and hopefully we can eventually come to a safer time when we can all venture out again. But other than that we are pretty content with our scholara experience.

Options Learning

If you were given one thing you could change about Compass, what would that be?

- A way to get more recommendations for curriculum, vendors, learning tools
- That the ordering system was more user friendly and easier.
- Nothing at the moment except making sure all siblings are in Compass at the same time. Right now I have three in and one on the waiting list and it's frustrating trying to find the write curriculum for one and have the others on a great curriculum. Not that Compass hasn't provided great references for work for us to follow for her but it throws us off. that's all.
- Funds released earlier in the summer so that materials could be in hand in time to prepare for the semester to start. Parents and kids shouldn't have to play catch up, submit attendance and samples, if they aren't able to get materials before school starts.

Options Learning

If you were given one thing you could change about Compass, what would that be?

- I wish the OCLC could be open, but I do understand that the current situation is so unusual and much is out of the school's control.
- Pay for park passes and museum memberships. We went weekly and loved them!
- let kids do subscription classes and ongoing classes on outschool we are missing out on some great classes because of this issue most teachers offer ongoing classes is there a way to work with Outschool on this issue and figure out a way to pay monthly?
- Just have one hub of all info instead of several.
- can't think of anything. we are enjoying it and it is great for our family.

How often do you read the Monday Morning Update?

Communication

I believe that the Monday Morning Update is too long:

Communication

I believe that the Monday Morning Update is valuable to me:

Communication

What additional information would you like to receive within the Monday Morning Update?

- New field trips that are open to sign up so that we don't have to constantly be checking the calendar.
- New vendors added, FAQ of the week perhaps?
- In the section of virtual engagement events I would like to see event dates and times, it is very time consuming to have to enter each link one by one to know event times to see if my kids will be able to attend.
- Information about important due dates
- Technical issue updates
- I do like the morning updates. Not a fan of long emails.
- Just what is coming up that is due

Communication

What additional information would you like to receive within the Monday Morning Update?

- Offer an edition that is streamlined for seasoned, busy homeschooling parents that only contains the most critical information. In my first few month of Compass there were so many emails from the school it felt disrespectful of my time and my role as a homeschooling women ...particularly the "fluff" ones. I wish there was an option upon enrollment to only receive critical emails. It seems there are less emails this year. But my first year, the level of non-critical electronic communication felt so overwhelming and disrespectful I stopped reading all Compass email that did not come directly from our supervising teacher. I can see the value of the fluff ones for new homeschoolers, but for experienced homeschoolers whose children are already involved in multiple community activities with significant electronic communication needs, the fluff ones from Compass feel obnoxious. (My high schooler also feels frustrated with the emails she recieves from Compass. Her life is full. She does need more emails to be distracted by and have to delete. I wish it was easier to opt out of these.)

Communication

What additional information would you like to receive within the Monday Morning Update?

- Compass has too many webpages, blogs, emails, newsletters.... And yet, I struggle to find basic information when I need it
- Beautiful positive quotes for that monday
- It's not about the update, it's that with the options program you get emails from there too so it's a lot of emails.
- I would like the fluff cut out and get straight to the point.
- Dual enrollment policy, graduation requirement, or college introduction for middle or high school time.
- Nothing it's all there
- i only want to know about these directly involved with the school. not political opinions.

Communication

What additional information would you like to receive within the Monday Morning Update?

- The MMU serves as a great snapshot of all things happening at Compass. I appreciate it and look forward to reading it every Monday.
- How to access the PLP
- Update on the guidelines for in-person vs. virtual classes so I can be aware if Compass changes their policy.
- I enjoy it just fine, thank you!
- It seems repetitive. I would appreciate more bullet points rather than a paragraph approach
- Creo es bastante eficiente la informacion enviada.
- Updates that are necessary for my child
- Remember Medes of upcoming holidays/deadlines
- club meeting schedules

Communication

What additional information would you like to receive within the Monday Morning Update?

- Maybe have to different Monday Morning updates, one for option learners and one for online learners so you know that everything in there really concerns you.
- School Calendar with events
- When re-enrollment is. I'm really curious and can't seem to find the answer anywhere, but know it's probably coming soon.
- Not really sure
- When clubs are meeting. Like a calendar of events. When virtual field trips are meeting. I kind of wish parents parentsquare gave notifications..at least, I don't get them if they have it.

Communication

What additional information would you like to receive within the Monday Morning Update?

- I think that is where they show the new field trips, if not, that would be useful along with new vendors, but my learning coach (teacher) usually includes those
- When the zero-out function is going to be changed.
- Links or recordings of past virtual events we may have missed.
- way to long,
- Use of charter funds
- Rather, i would like the information to be shared also in spanish, so i would be interested, i would understand You and i could give a better opinión about it

Communication

What additional information would you like to receive within the Monday Morning Update?

- Have requirements expected for the next grade , specifically for high school, resources for high school classes, or have a section high school happenings: and provide information in that section. For example , what's AG vs non AG, what are the requirements to graduate high school (4 years of English etc), and provide resources for high school students in our different counties
- I haven't received the Monday Morning Update lately.
- Links, and reminders for activities.
- I mostly use it for new field trips
- Just wish there was anything in person I'm not super interested in virtual field trips

Communication

What additional information would you like to receive within the Monday Morning Update?

- Topic suggestions regarding important dates in history. For example, if it is a Monday that celebrates Veterans Day, maybe a suggestion on an assignment, a book, a video or even a movie about Veterans Day.
- Maybe some free printable activities for the younger kids to look forward to throughout the week or maybe a list of educational computer games to try. Or maybe suggest a book to read for the week by grade level.
- When I have tried to sign up for some of the virtual activities they are already full. My notifications do not work and by the time I see it in the update it is too late. Would love a fair shot to participate in those.
- Parent/LC feedback about specific Vendors. Like a Parent/LC Vendor Review Section.

COVID-19

Compass has effectively supported scholars during the COVID-19 pandemic:

COVID-19

Compass has effectively accommodated scholars during the COVID-19 pandemic:

COVID-19

What additional ways might Compass improve its resources and supports for scholars?

- Maybe more leeway with the high schoolers decisions on courses when orders were slow due to covid and families lives were upended during the lock downs and fires in our area at the same time that school started.
- More field trips after pandemic.
- Just have a little patience please parents who have many children, it's a lot of work
- Provide resources for free like abc mouse or adapted mind
- I can't think of anything at the moment.

COVID-19

What additional ways might Compass improve its resources and supports for scholars?

- **WE NEED SPORTS FOR KIDS.** Soccer, swimming, tennis, ect. should be allowed. They are children and **NEED** to exercise, banning "dangerous" activities like this is a real problem for our children. Team sports are critical for child development and well being.
- Increase the options for children that have interests outside of the "normal" mainstream school taught topics. There are so many exciting topics/careers/ideas/events/ that didn't even exist 10 years ago and our kids are not being exposed to any of it.
- More live supporting sessions with teachers for scholars
- More understanding counselors

COVID-19

What additional ways might Compass improve its resources and supports for scholars?

- Compass not being willing to consider paying for any in--person classes (even outdoor ones), while our neighborhood school kids meanwhile get to use tax dollars for in-person classes is frustrating. I can't help but wonder if this is an strategic opportunity for Compass to get to redirect large portions for educational funds that families cannot use as a result for Compass infrastructure projects.
- At times I wished that the kids could go back to in-person. Activities.
- The events we have participated in have been very poorly attended. Compass has lots of staff but maybe they need to be more in tune with the families' needs.
- Maybe offer subgroups within the local areas for kids to socialize

COVID-19

What additional ways might Compass improve its resources and supports for scholars?

- Obtain waivers so that scholars may attend in- person classes.
- More flexibility in adding vendors? Also, maybe in the future the website and resources could be redesigned to be simpler, clearer, more user-friendly. Sometimes it's hard to remember where to go to find the info we need.
- Free time to connect with other peer from their classes
- Actually accomplish some of this suggestions from parents. Stop asking and start doing! The list of vendors compared to last year is dismal. Parents can't even reconcile their OPS to know what funds are left over.
- We have been lucky our scholar is used to online school

COVID-19

What additional ways might Compass improve its resources and supports for scholars?

- doing the initially curriculum orders BEFORE the school year starts so the parents can make preparations BEFORE the first day of school, not scramble around for weeks. (2 years in a row, i did not have my curriculum on time and had to "wing it".)
- Allow in person activities to resume and to be able to use funds for in person activities
- I would love to see more diversity and anti-racism resources/materials and engagement opportunities for our younger scholars. There are not many materials or events that address anti-racism, diversity, and tolerance for K-5 kids. The links shared in blog posts and MMU are a great start, but I would like to incorporate a curriculum into our study.

COVID-19

What additional ways might Compass improve its resources and supports for scholars?

- Start allowing funds for in person activities if they meet certain criteria, for example Benicia has an outdoor sports conditioning class that is socially distanced. Would love to have support to pay for it.
- In-person classes
- Continue to add awesome providers to your list!
- Cohort options
- I would love to meet other families in my area
- Can't say enough - need in-person learning
- Mas recursos del idioma de casa, seria excelente tener mas cominidad latina
- For covid-19, I'd like for comfortable sessions, since my child is very stressed about it.

COVID-19

What additional ways might Compass improve its resources and supports for scholars?

- Learning Labs are vital, but part of that experience is having a teacher who knows the data and is actually assessing the students. My son's 2nd grade teacher does that, but she was out for a leave of absence for quite a while, so they are just getting on track. My daughter's kinder teacher does not do that at all. I do not think she has heard her try to read once. The hiccup at the beginning with no Zooms due to Zoom bombers (seriously, that was a lot of time wasted...can you imagine if a regular public school just cancelled ALL face to face interaction for three weeks??) was difficult. Getting back on track has been difficult. But, it seems to me that the biggest issue is the lack of Learning Labs that are focused on actual content and data. And, iStation feels like a cheaper version of iReady--spend the money on iReady. It's worth it.

COVID-19

What additional ways might Compass improve its resources and supports for scholars?

- Prolong the ordering time beyond March, increase the ordering amount for Amazon, I think I would prefer the coffee time with compass in person on a playground with some special events like giving rewards for accomplishments etc. over an online coffee time when I don't have any questions...
- Have other ways to do virtual events than just zoom. For families who have a member who work for military, DOD, or government we can't use Zoom ever and therefore are missing out on things. Thankfully, my son is in kindergarten this year and doesn't care, but that will change as he gets older. Even the ability to view a saved video after the session ends (that can be viewed online) would work. Some of the virtual fieldtrips he would like, but we can't do zoom....so he misses out and I don't think it's fair.

COVID-19

What additional ways might Compass improve its resources and supports for scholars?

- I would like to do the back to school nights in addition to the general session, we should get one with each of their teachers. I would like to know what are their expectations for the students and a little more about their syllabus and maybe some fun facts about themselves. They go through that with the students in their first lab an in e-mails but in the beginning of the year it is overwhelming and the e-mails may get lost along with everything else that is being asked of us. I don't know what my kids teachers look like and in many cases I don't even know the teachers names because i don't have a face to put it with. I have no relationship with any of their teachers except for the homeroom teacher.

COVID-19

What additional ways might Compass improve its resources and supports for scholars?

- More contracted service providers in my area in the arts.
- Include polls or interactive tests on virtual field trips so everyone can be involved. Sometimes it is hard for my kindergartner to feel like he is participating.
- Bring the Options program back- there are many schools in the area that are on a hybrid model.
- Compass has outstanding support and resources for their scholars. I called my scholar's counselor the other day, didn't get through and didn't leave a message. She still called me back within 30 minutes! Miss Ayala rocks!!!

COVID-19

What additional ways might Compass improve its resources and supports for scholars?

- I am not aware of any Covid-specific resources. I do feel that Compass could and should have worked more with previous vendors who didn't renew with Compass. In this way, Compass could have provided significantly more services and resources at a time when many usual activities were not possible.
- By checking in on patients through private sessions to speak with them face to face. Esp. new students who have not met their teachers in person and during covid there should be more face to face time to get to know a new student.
- I would like a waiver so my child can resume in person courses
- Funds - ensure funds are available by August

COVID-19

What additional ways might Compass improve its resources and supports for scholars?

- Providing additional resources for students , school subscriptions to include resources that are useful for grades 6-12, compass subscriptions are more geared for younger children. A program other homeschooling charters offers that are used by all grades are time for learning , time for writing , and math XL.
- More free resources that don't expire in a month or so.
- I think what has been done has been great! We especially have enjoyed the virtual fieldtrips-especially the variety.
- Offering anything in person and Oclc going back in person. Offering funds for in person services

COVID-19

What additional ways might Compass improve its resources and supports for scholars?

- provide alternative methods to keeping on track with courses if they are unable to gain access to internet due to financial struggles. Allow the child to do offline work or be able to call into a live session
- Better online live programs. Adventure to learning is not good.
- Get orders processed faster
- Improve access to virtual events per my previous comment
- You are doing great!
- An information packet explaining steps to take and who to contact about potential learning disorders. Explain IEP and 504 and the evaluation process.

COVID-19

What additional ways might Compass improve its resources and supports for scholars?

- It has been a bit frustrating to have so much of my funding going towards the OCLC when it has not been open. If I knew it wouldn't be open, I would have chosen to use those funds differently (I'd love to have more funding to pay for subscriptions, hands on science things, art supplies, etc). After buying essential curriculum, very little funding is left for those of us enrolled in the OCLC. That being said, I am very thankful that my scholar (and I hope her sister next year as well) has a spot for when they do decide to reopen.

Compass Experience

How has your Compass Experience been thus far this school year?

- Good (7 Submissions)
- Excellent (6 Submissions)
- Great (14 Submissions)
- Awesome. This last year has been so hard in so many ways (lots of really beautiful parts too) but compass and Kristin Valdez have given us a lot of fun to look forward to with all of our amazing school materials. It's such a gift! We appreciate Compass SO MUCH!
- We love our teacher and we've appreciated the funds but the lack of funding for in-person classes has really put a damper on our experience. I don't know if we'll continue with Compass next year.
- We're happy! We love the freedom of learning at home and adore our ST!

Compass Experience

How has your Compass Experience been thus far this school year?

- Wonderful! I am so thankful for our supervising teacher Christina Vert. She has cheered us on every step of the way. She is always willing to answer any questions I have and is so quick to respond. I love how she goes out of her way to connect with my kids. She has advocated for my son and his IEP. We are so thankful for Compass and Christina. Thank you...thank you...thank you!!!
- Awful! From the beginning. Not receiving emails or texts from school. Took forever to get passwords to get into school. Started school late because of this mess. Curriculum unsatisfactory. Teachers don't get work graded at acceptable rate. Too many projects. Students feel overwhelmed. "Strong Mind" last year was not perfect, but soooooo much better than Accelerate. Constantly kicked out of quizzes or glitches. Error popups. Randomly deciding to update. Sequence control issues. And these are just some of the things off the top of my head. If Accelerate next year, seriously considering leaving Compass

Compass Experience

How has your Compass Experience been thus far this school year?

- Compass has been a great school i am very pleased
- Different & Challenging especially in the beginning. We had problems with the math teacher, which took a couple months to be resolved.
- Disappointing bc left private school to avoid distance learning but our compass learning center (OCLC) hasn't been able to open. Very frustrated to say the least and I see students suffering.
- Fabulous, my student is thriving in every subject. The teachers are very helpful also.
- Fine. Hard bc of covid and being at home and over the whole thing and kids miss being with other kids. But fine.
- Frustrating and pretty terrible.
- Frustrating.

Compass Experience

How has your Compass Experience been thus far this school year?

- Glad to be with Compass.
- fair, we would love flexibility on spending (for example: would love to be able to use funds for soccer lessons, swimming, sailing, kayaking or tennis even. HEALTH comes first for our child but only a few kids sports are allowed which is ridiculous really).
- Fantastically Amazing. We joined In April 2020 due to COVID-19 shutting down schools and we loved it then. This year has only solidified the love we have for Compass Charters. The curriculum is far superior, our student is learning tons more and enjoying it. I work in the classroom at a local school in my area and it can't compare. We will be with Compass through graduation.

Compass Experience

How has your Compass Experience been thus far this school year?

- Good, I do believe that compass should have Subs for labs and IEP tutoring or have some kind of back up plan. Other than that my child is thriving and we love it!
- Good. Covid has made everything difficult, but we have some great services and helpers with Compass this year. Thank you!
- Wonderful! We look forward to returning next year.
- Again this year, we were blessed with some amazing teachers. The kids feel very supported and have all the tools they need to succeed. We got behind because of our own struggles and the teachers were there to help and advise us to get back on track. Kudos to Ms. Hooper; Ms. Grimes, Ms. Fullerton, Ms. Lehman, Ms. Noller! We love their service and work as teachers for our children. Thank you!

Compass Experience

How has your **Compass Experience** been thus far this school year?

- It has been a good experience overall. Since we're part of the Options Program, the distance learning has not affected us very much. The ordering of materials and service vendors has been great compared to my past experience with other schools. However I do wish there was a little more time to research vendors before the semester begins. This would mean that the list of approved vendors is current and accurate at any given time.
- It has been great so far.
- I have been very disappointed with the new ordering system, took forever to get curriculum and now am unable to make it work and very difficult to see vendors, I think the system last year was much better

Compass Experience

How has your Compass Experience been thus far this school year?

- I have been very satisfied by CCS effort to host so many virtual engagements for the scholars. I feel like CCS is always striving to improve the experience. My EF is good resource and I feel supported by her.
- I have mixed feelings on this school year so far. Some classes have so much content and it is present in a way that is not engaging at all and I can say the same about some teachers in learning labs. Out of all of my scholars teachers one is engaging, informative and fun.
- I know the teachers are trying and are doing great, but I would much rather have my child attend in person rather than attend via zoom.
- I love compass and recommend it often.

Compass Experience

How has your Compass Experience been thus far this school year?

- It's been fine, but again, the teachers have way to many students and don't have have time to grade assignment in a timely manner. However, we appreciate them.
- It's been great! We love working with Katie!
- Mostly positive
- I'm satisfied with the school so far.
- I'm happy with our experience.
- It was a rough few months because I feel it is definitely a fast pace environment. But we enjoy our family time and love the way we can manage our school hours and family hours. Once we got the hang of things, it is definitely a program we have recommended and we look forward to seeing our childs successes.

Compass Experience

How has your **Compass Experience** been thus far this school year?

- I would not say very positive. I left my public school for Compass because I thought it would be a better experience. I honestly do not think it has been. The only reason I have not moved my students again is because of my son's 2nd grade teacher, Ms. Chavez. I also do not want to disrupt my kids AGAIN in this highly hectic year. I thought that since this was an online school it would have things better figured out to offer learning virtually, but instead I feel like I was given a very low rigor program and basically told to home school with zero flexibility in the curriculum. If my kids were just going to do busy work worksheets all day, I could have kept them in the public school they were attending. At least then they would have seen a teacher more frequently and hopefully built community and relationships.

Compass Experience

How has your Compass Experience been thus far this school year?

- In the beginning it was really stressful with the new system and things not working as intended. Now that we got the hang of it, it has gotten a lot easier. It is hard to keep up with all of the websites and tools, maybe that needs to be simplified. I found the buzz portal for the parents has been the most useful but I only just discovered it in the last 2 weeks. before that I was just using the parent portal which doesn't have live updates and doesn't tell me if things are submitted and waiting to be graded, it also only tells me the date that it got graded so i was frustrated not knowing where my child actually was. i also like the parent square because it sends me reminders. i don't look at the ccs website so I think i miss some things like the suggestion box, etc. overall the teachers and other staff have been great and supportive. We love CCS!

Compass Experience

How has your **Compass Experience** been thus far this school year?

- It's been difficult. We always loved going to field trips and whale watching and the museums. Virtual is just not the same obviously but it's no ones fault. I also think she liked the clubs like Minecraft and such but we couldn't figure out when they were getting together. There was no calendar at least I never saw one. So we gave up on the clubs unfortunately.
- The beginning of the year was rough with no curriculum or supplies on hand for 2 months; by the time the curriculum arrived, we had moved on to another kind and what arrived we have not used at all.
- The Compass Family has been awesome, as always! However, getting used to the new platform has been a challenge. Some of the classes have a huge workload and it is harder to get a good overview of the classes.

Compass Experience

How has your **Compass Experience** been thus far this school year?

- The ordering situation was terrible in the fall semester. It set us back a lot. Otherwise my EF is amazing and supportive.
- Ok, I really disliked being switched to a new Teacher so suddenly and would like to keep the same one next year, it through us off because we had an established relationship worked out with her.
- Ok. We need better book shopping options.
- Other than not allowing in person activities to resume, good. I was not very happy that so many things changed in regards to the ordering system and the attendance logs. I liked the old systems much better. They were simpler
- Our assigned teacher has been very helpful and responds in a timely manner.

Compass Experience

How has your **Compass Experience** been thus far this school year?

- Our EF Abigail Terrell has been extremely helpful to us, always there to support us and answer questions. Thank you!!
- Overall, acceptable. Not as glowing these past two years, but for the most part, we enjoy and appreciate the team we work with. Some deserve a lot of credit for a scholastic success. Some need to be taught the value of being depended on for few take it for granted.
- Pretty good but the time it takes to research and place for orders is very long. I'm disappointed in the lack of vendors for books now that Barnes and Noble didn't work out.
- Rocky

Compass Experience

How has your Compass Experience been thus far this school year?

- Since it's our first time, it was not as hard as I thought it would be. We can work on our time with no pressure. The program is easy to access and to work around with. Definitely staying as long as we could
- So far so good. we have lots of support and our LC is amazing!
- So much better than last year! Even with covid!
- Wonderful! So grateful to Compass.
- THIS YEAR HAS BEEN CONFUSING.
- Very good (our teacher and IEP manager a great!) except for the Vendor Department taking a long time in working with our dyslexia tutor.
- It's been okay. We would like to be allowed to use our funds at in-person vendors.

Compass Experience

How has your **Compass Experience** been thus far this school year?

- This year we have a fabulous Supervising Teacher with years of experience homeschooling her own children and supporting other students. We are also amazed by how helpful, knowledgeable and consistent college counselor Mataya Olson is. There are other aspects of our experience that have kept us looking at the exit door. If it wasn't for our ST and Ms. Olson, we would indeed have left. I'm hopeful Compass will continue improving (e.g. streamlining processes so families have less logins, passwords, apps, emails, etc.)
- We have enjoyed another great year with Compass.
- Very good. I like that they manage their schedule which allows us more free time on some days. I just hope they are getting a challenging enough curriculum with teacher review and feedback.

Compass Experience

How has your **Compass Experience** been thus far this school year?

- Very happy with my supervising teacher, ordering is still a learning curve for me
- we are enjoying the OCLC offerings but wish there had been more instructional Zooms. They have finally added a Tuesday section for the core class. I appreciate the drive-by meet and greets to speak with staff and collect supplies. We have really appreciated the Compass workshops that delivered fun activities (zoo, baking, makerspace, etc). The coding one was a mess as there was too much back and forth with creating new log-ins and having to download programs. We couldn't complete the workshop due to computer issues (and frankly frustrations) so we opted for the user friendly free coding websites that afternoon.

Compass Experience

How has your Compass Experience been thus far this school year?

- We are still trying to know compass but are happy with structured program provided
- It has been a struggle for our family. The pandemic has added stress to my children. My daughter attends the OCLC and the teachers have been very supportive and helpful. My son attends the online high school program. We got off to a rough start and he's never recovered. Our high school supervising teacher is very nice but not helpful. This was a shock to our family because our supervising teacher at the OCLC is great! Unfortunately, our family needs to consider other schooling options for next year.
- It has been challenging but the teachers and administration at compass have been amazing at supporting my scholars. I think the staff is one of the main reasons Compass is so successful as an online Charter.

Parent Advisory Council Report
March 28, 2021

The Parent Advisory Council (PAC) met Friday, March 19 at 3pm. Members of the council consist of Ms. Mariecor Agravante, Mrs. Therese Nordstrom Christopher, Mr. Tony Christopher, Ms. Galit Gordon, Ms. Samantha Herrod, Ms. Brianne Manning, Ms. Randi Pugh, Mrs. Lacey Scott, Ms. Leah Smith, Mrs. Joy Elizabeth Sterling-Effie, Ms. Pam Towobola and Ms. Roann Vanderwath.

Compass shared that enrollment and re-enrollment opened on March 1, and deadline for re-enrollment is Friday, March 26 and Friday, April 23 is the deadline for new prospective scholar enrollment. We will conduct a public lottery on Tuesday, April 27 for our open seats for the upcoming school year. We are projecting a 16% growth in enrolment for the upcoming school year. We are making plans to conduct mandated state testing in April, while awaiting guidance based on the series of waivers that the California State Board of Education has submitted to the US Department of Education. We have also opened up the applications to our graduating seniors for both our Loud and Proud and Rising Firebird Scholarships. Our Scholar Leadership Council met in February and March, and their draft minutes can be found on BoardonTrack.

Under New Business, the Council reviewed the 2020-21 Parent Survey. They shared initial reactions on the results, and will be reviewing and providing suggested next steps during the May meeting.

Draft minutes can be found on BoardonTrack. The next Parent Advisory Council meeting will be on Friday, May 21 at 3 pm.

Respectfully Submitted,

Ms. Randi Pugh

Our Mission and Vision

MISSION STATEMENT

Our mission is to inspire and develop innovative, creative, self-directed learners, one scholar at a time.

VISION STATEMENT

Our vision is to create a collaborative virtual learning community, inspiring scholars to appreciate the ways in which arts and sciences nurture a curiosity for life-long learning, and prepare scholars to take responsibility for their future success.

Demographic Information

Grades

- Elementary School (grades TK-5)
- Middle School (grades 6-8)
- High School (grades 9-12)

Demographic Information

Program

■ Options Learning ■ Online Learning

Field Trips

Most Selected Field Trips Interested in Attending:

Field Trips

How likely are you and your chaperone to attend a virtual field trip on a weekend?

Field Trips

How likely are you and your chaperone to attend a virtual field trip on a weekday?

Field Trips

How much advance notice do you and your chaperone prefer in order to attend a field trip?

■ Less than 1 Week ■ 1-2 Weeks ■ 3-4 Weeks ■ More than 4 Weeks

Communication

How often do you read the Monday Morning Update?

Communication

I believe that the Monday Morning Update is too long:

Communication

I believe that the Monday Morning Update is valuable to me:

Communication

What additional information would you like to receive within the Monday Morning Update?

- A trait to focus on within yourself. Like " Focus on your gratitude traits,
- Focus on your pride traits, focus on your creative traits"-etc.

- Any updated information about additional courses and electives.

- Book introductions. Nonfiction books are better.

- Club meeting schedule

- I believe it is succinct and informative enough, as is.

Communication

What additional information would you like to receive within the Monday Morning Update?

- I want to see the MMU shortened with bullet points and links if someone wants more info on a topic. I should be able to make it thru it quicker. It should also be more consistent labeling sections according to grade. I don't need info on middle school and high school activities. Don't waste my time with that.
- I would like something that can make someone have a smile on their face
- Info about the Leadership Council

Online Scholars

How often do you attend Learning Labs?

Online Scholars

I believe Learning Labs help me better understand content in my courses:

Online Scholars

I believe that live sessions are more valuable than recorded sessions:

■ 1 (Strongly Disagree) ■ 2 ■ 3 ■ 4 ■ 5 (Strongly Agree)

Online Scholars

How much time do you spend every day on schoolwork?

Online Scholars

What are you proud of accomplishing so far this year?

- Learning more about biology
- Being nominated by CCS for the Carson Scholarship, and having all A's as of right now.
- Good Grades
- I'm proud of making it to the end of the semester with a strong finish and making friends of the teachers that I have/had.
- Completing my courses early.
- A's in all of my course's.
- Participation in learning labs
- having a A in science
- Getting A's in all classes.
- My custom java script game
- I am proud of getting scholar of the month.

Online Scholars

What are you proud of accomplishing so far this year?

- I'm proud for being able to help students when their feeling down or just to cheer them up. I'm also proud of myself for pushing myself to learn as much as I can and for getting good grades
- I am not proud of myself I didn't do my best
- Advancing in Reading and Writing.
- My classes
- I am proud of completing all my work and getting all A's.
- Getting all my grades to B's
- I am proud of my grades in all of my courses.
- I learned a lot
- A lot of the books in the series I am reading
- Getting all A's in my courses

Online Scholars

What are you proud of accomplishing so far this year?

- Learning about Biology
- Currently, I've been getting better grades in my courses than normal and I am quite proud of that. I have also gotten the opportunity to become a president of a club.
- Finally passing Biology!
- Finishing the first semester
- Learning!
- At this point, surviving the year and passing is what I'm most proud of. Though I didn't exactly live up to my own standards, I am proud that I still passed with acceptable grades.

Online Scholars

What are some ways Compass can recognize and reward academic achievements (in addition to Scholar of the Month, Honor Roll, etc.)?

- A more usable platform
- As far as the monthly newsletter goes, I believe there could be a special section (bigger than the one now) that could be mainly about the scholar of the month, honor roll, etc. It could say who got the role and provide a description of the scholar and maybe a photo of them if they wish.
- By rewarding students
- Give certificates monthly or weekly.
- Give scholars something nice.
- Honor roll

Online Scholars

What are some ways Compass can recognize and reward academic achievements (in addition to Scholar of the Month, Honor Roll, etc.)?

- I think that the awards in place are great as is! I can't think of any other possible achievements/rewards.
- Maybe applaud for good attendance.
- Maybe finishing all of your assignments on time every day.
- Maybe when you get all A's in one semester.
- Scholar of the Month
- scholars receiving scholarships.
- School supply giveaways
- Well they can start by probably making emails that are seperated to each other because sometimes it kind of mixed up and you get kind of lost

Online Scholars

If you were given one thing you could change about Compass, what would that be?

- Assets of therapeutic and counseling lessons.
- Go back to how it was last year
- Have different teachers for each class that understand what they are teaching.
- I think I would make the curriculum balanced between paper work and online work.
- I would change homework to be more fun.
- I would change the learning labs so that there is more speaking instead of just using the chat feature.
- I would have less assignments.
- I wouldn't want to change Anything, Compass is amazing how it is and I love it so much!

Online Scholars

If you were given one thing you could change about Compass, what would that be?

- Less subjects
- make learning labs shorter
- Make less assignments, but acceptable quantity to finish
- More prompt grading and email replies from teachers.
- More quizzes and less assignments.
- The Accelerate Program
- The Accelerate software layout and features
- The connection between the teachers/staff and us behind a computer screen. I would try to make it stronger and more reliable and let everyone know that you (the staff) mean, and can be relied on, and that you (the scholar) can ask for help when needed, along with the other way around.

Online Scholars

If you were given one thing you could change about Compass, what would that be?

- The early lab times and the lack of meet-up days to make friends
- the reduced amount of work replaced with harder but less work
- To have the option to finish classes faster and start a new one so you can finish high school faster.
- To update your gpa on the homescreen more regularly

Options Scholars

How much time do you spend every day on schoolwork?

Options Scholars

What are you proud of accomplishing so far this year?

- Learning how to read
- American Sign Language
- Learning sign language
- si
- Learning how to ride a long board.
- Math and Reading
- understanding geometry and biology
- I am happy because I am learning a lot of California history from Ms. Christine.
- Math
- Mastering multiplication and division

Options Scholars

What are you proud of accomplishing so far this year?

- Almost finishing my math book after half a year. Doing a lot of art.
- I am proud of the simple machines I have built with Kiwi Crate and understanding how things are made and how they work.
- Completing biology
- Is learning english
- google slides presentation
- I've learned a lot
- I can use Algebra and Geometry to solve real life problems.
- Becoming better on my electric guitar

Options Scholars

What are you proud of accomplishing so far this year?

- Advancing in Engineering, Cooking foods from around the world with eat to explore subscription
- Learning to play Canon in D by Pachelbel on Piano.
- reading, writing, spelling
- Learning Spanish and taking a fun Spanish class
- Finding a better rhythm for 4 school kids

Options Scholars

What are some ways Compass can recognize and reward academic achievements (in addition to Scholar of the Month, Honor Roll, etc.)?

- Incentive
- Rewards for great work samples
- paseos a disney
- I don't know
- a gift card maybe?
- I want to go to places I learn about. Like missions for example.
- Scholarships gifts
- I am not sure
- By giving out prizes or sweets.

Options Scholars

What are some ways Compass can recognize and reward academic achievements (in addition to Scholar of the Month, Honor Roll, etc.)?

- n/a
- i'm not sure
- Make personalized cards and send them so they feel good about your effort
- Menchies or pizza vouchers,
- A cool science kit or a Lego set.
- Certificates for doing well in different subjects. Parent can send in nomination.
- Give prizes

Options Scholars

If you were given one thing you could change about Compass, what would that be?

- To be run better
- nose
- More field trips.
- I never received my sweater from Compass last year when I won the exercise challenge. Please call me at 9254462743.
- at this moment i can't of something i would like to change
- Social learning. Like kids could come over to one kid's house and they could learn together.
- I would help families in need
- Open the OCLC and have in person classes available
- More art and fun activity vendors.

Options Scholars

If you were given one thing you could change about Compass, what would that be?

- I would like it better if I didn't have to do those tests.
- i'm not sure I would really want to change Compass
- For now i have no idea
- faster ordering system
- Ability for reimbursement of funds on qualified purchases or classes with vendors
- Include "Horrible books" as one of your vendors.

Options Scholars

If you were given one thing you could change about Compass, what would that be?

- I don't know
- people that host the clubs should have the words they say typed in the bottom of the screen so that we can follow what was missed or if we cant keep up, we can see what was said. the lady reading the book yesterday in reading across america had the words at the bottom of the screen.
- Nothing really. Just miss field trips
- Less restrictions
- Field Trips

COVID-19

Compass has effectively supported scholars during the COVID-19 pandemic

COVID-19

Compass has effectively accommodated scholars during the COVID-19 pandemic:

COVID-19

What additional ways might Compass improve its resources and supports for scholars?

- Improve engagement workshops. I've been very disappointed with the quality of these as well as the communication. A lot of the links and dates and time are entered incorrectly.
- Help scholars who began late learn the software and schedule of a school day
- mas cosas en espanol
- Maybe some labs that we play a game or something
- Keep on giving scholars hope for what might come and hit us next.
- Give more feedback.
- I have nothing to add.
- To have fun learning lab sessions

COVID-19

What additional ways might Compass improve its resources and supports for scholars?

- Teachers for each class who know how to do it.
- i dont know
- teachers more knowledgeable on the subjects and how to work a computer
- I'm happy the way it is.
- I really miss in person contact and instruction.
- More vendors and money to spend.
- More groups with other kids, creative contests
- I think my counselors hve helped me through this COVID-19 Pandemic
- Maybe if someone got covid a teacher can email and check in on them.

COVID-19

What additional ways might Compass improve its resources and supports for scholars?

- I think Compass has done everything possible to help me
- a weekly art project that Compass emails to everyone who wants to participate
- This is relating to another answer that I submitted. Additional time for scholars during therapeutic lessons.
- FUN activities for scholars to do together during zooms.
- motivation certificates
- Counseling resources and compassion & understanding from staff and teachers have been monumentally helpful; this has been a crazy, scary year, so continuing to keep those resources and values going strong would be the best way to continue supporting scholars.
- Stop canceling orders

Compass Experience

How has your Compass Experience been thus far this school year?

- Good
- Pretty shabby. There's a lot of need for improvement and I think it needs to start with leadership.
- good
- Great
- Very good.
- Good. I love learning.
- Despite some teachers not being prompt on grading and replying to emails, CCS has still been wonderful and supportive.
- Somewhat good
- Just ok

Compass Experience

How has your **Compass Experience** been thus far this school year?

- Not great. The forms for every single Zoom class being different in both how often they are submitted, as well as having to remember to submit them far enough in advance to make sure they are in on time, was a quite stressful situation, especially considering I wasn't really given much of a walkthrough in how the system works and an expected day's workload.
- The zoombombing kept me from being able to attend any live sessions for the first month and being able to properly meet my teachers and get acclimated right as I first switched to Compass. Switching to autozeroing halfway through the semester made it hard to understand what I had to do versus what was completed, and the lower grade from autozero showing every time you go to the main screen, without also showing the grade on just the completed assignments, was demoralizing.

Compass Experience

How has your Compass Experience been thus far this school year?

- My teachers have been great, and everyone I have talked to has been nice, but the system being so inconsistent and counterintuitive, on top of there being nobody to walk me through the system made it really hard to get on top of my work. Heck, I didn't realize the To-do List mode existed until halfway through the semester, and I started at the end of October. The due dates on assignments are also quite inconsistent. Because the AI creates the due dates, it often fails to properly account for the length and difficulty of an assignment. The workloads for classes were also quite inconsistent. Team Sports in particular was unnecessarily difficult, making you memorize obscure terms and do long assignments based on them rather than actually just learning about or watching the sport. However, Health was easy and quick to complete. This inconsistency in workloads made it even more difficult to plan a day's work. All of these things have made it very difficult to acclimate to Compass and succeed as a student.

Compass Experience

How has your **Compass Experience** been thus far this school year?

- Despite some teachers not being prompt on grading and replying to emails, CCS has still been wonderful and supportive.
- Somewhat good
- It has been good, and yet everyone can say challenging for adjustment under our new circumstances, it has been mostly reliable and stable. I see and understand how much work all staff do for their scholars on top of their situations, and I am thankful for that. Compass as a whole has a lot to offer: Communication between so many different, talented, honest, and humble people, Strong support academically and personally, and so many different Learning Paths people can take and so many options that you can go and do and that you can feel "yourself" in is a very important one. I am proud to be in the Compass Program.

Compass Experience

How has your Compass Experience been thus far this school year?

- It has been great!
- Great, I'm just stressed with covid-19
- it has been great. i have struggled a little bit with anxiety but gladly my counselor helped me a lot. And my SP has been doing a great job too
- my experience has been ok i want less unneeded work and more challenging work
- It's fun and challenging
- My experience has been awesome.
- Good.
- Okay, but it's been hard not to see friends.
- It's been so awesome, I love my classes I attend and everyone just has a good time which I love

Compass Experience

How has your Compass Experience been thus far this school year?

- We have had a great experience and my scholars teachers are outstanding.
- A little stressful
- It was great and I had a lot of fun in most of my subjects.
- I like it, but I miss being able to talk to people in person.
- Very good, thank you very much
- It has been good
- quite good
- Really good so far.
- It had been very good considering our current situation
- Pretty good

Compass Experience

How has your Compass Experience been thus far this school year?

- I've enjoyed it a lot. All the learning coaches have been really nice and informative.
- Good.
- Amazing. Despite things that I would add, I would say that this year and the past few years have been absolutely outstanding.
- 10 out of 10 i had a great school year, Compass Charters and the teachers,counselors just everything is great, thank you so much for your time and support.
- Excellent.
- I love it
- Excellent, as always!
- Good 👍
- I feel there are more rules/hoops this year.

Scholar Leadership Council Report
March 28, 2021

The Scholar Leadership Council (SLC) met on Tuesday, February 9 at 2 pm and Tuesday, March 16 at 2 pm. Members of the council consist of Ms. Elizabeth Christopher, Ms. KristiLynn Effie, Mr. Michael Effie, Ms. Alexis Gordon, Ms. Lyric Hearne Hooker, Ms. Aure Ruediger, Mr. Cricht Ruediger, Mr. Avery Stansbury, Mr. James Visarraga, Ms. Kate Vreeman, Ms. Madison Wilkes, Ms. Airis Yeung, and Ms. Maryam Zorba.

Compass shared an update on the Parent Town Halls that cover Compass Experience enhancements, planning survey, registration process, and upcoming school year updates. Compass also shared that re-enrollment began on Monday, March 1 with a deadline to confirm returning plans by Friday, March 26. There will be a Lottery process for all new scholar enrollment interest between the window of March 1 and April 23. The first Lottery will then be conducted on Tuesday, April 27. Loud and Proud Scholarship and Rising Firebird Scholarship updates were shared with the SLC. The deadline for scholars to submit an application will be on Friday, May 7.

Under New Business, the Council reviewed and discussed member feedback. The Council also reviewed the 2020-21 Scholar Survey Results through their February and March meetings.

Draft minutes can be found on BoardonTrack. The next Scholar Leadership Council meeting will be on Tuesday, April 13 at 2 pm.

Respectfully Submitted,

Ms. Elizabeth Christopher

Our Mission and Vision

MISSION STATEMENT

Our mission is to inspire and develop innovative, creative, self-directed learners, one scholar at a time.

VISION STATEMENT

Our vision is to create a collaborative virtual learning community, inspiring scholars to appreciate the ways in which arts and sciences nurture a curiosity for life-long learning, and prepare scholars to take responsibility for their future success.

Appreciation / Celebration

A New Year!

Wishing you a Happy and Healthy 2021 Compass Families,

We have already had a motivating month of January, as we have entered the new year with an optimistic vision of the future, choosing 'One Word' for the new year. The word that I have chosen is *focus*; I continually strive to set the highest Compass standards and myself as I focus on leading this exceptional family of public charter schools. Please continue to share your one word on social media @CompassCs; we love to hear from each of you!

I am so proud of our Compass family, who work together with our scholars, parents, and staff to adapt, grow, and thrive during the pandemic. Not only do we support one another, but we share our expertise and all the incredible possibilities within the personalized and virtual learning environment!

This January, we focused on our core ARTIC value of *teamwork*. Teamwork is a vital component as we work on our school-wide Wildly Important Goal (WIG) of 100% of our eligible scholars graduating by the end of the school year! At Compass, we offer many support areas, including learning labs, [English Learners Support](#), [AVID](#), [Scholar Support](#), [Scholar Success](#), tutoring sessions, [counseling](#), virtual clubs, field trips, and more.

The new year brings about many exciting and important events. January is [National School Board Recognition Month](#) and we are celebrating our community volunteers who dedicate countless hours and resources to ensure quality education is available for scholars. I am proud to celebrate National Board Recognition Month and am truly grateful for our board members. Our Board shows continued dedication to ensuring consistent growth of our educational programs and services to best support our scholars and their families.

The last week of January, we celebrate Spirit Week! This includes [National School Choice Week](#), [Pennies for Patients](#), and [The Great Kindness Challenge](#). We are so proud of CCS and the incredible choice of a personalized Gold Standard education that we provide to each and every scholar. Scholars show their school spirit in class, clubs, and online, and we love to see our scholars Loud and Proud with their Compass Spirit!

I encourage you to share your thoughts and goals for your year of possibilities with your teachers and peers! Please continue to keep up the great work as we finish our first semester and set our second-semester sights. Thank you to each one of you for your strength during this time and all that you do to make Compass the Gold Standard in virtual and personalized education.

Forever Loud & Proud,

J.J. Lewis, Superintendent & CEO

Goal #1: Increase Academic Achievement

To what degree do you agree with this goal and its accompanying actions, be included in the 2020-21 Local Control Accountability Plan (LCAP)?

Why do you feel this way?

Goal #1	<p>5 - We need to help these scholar reach their full potential</p> <p>5 - academic achievement should be at the forefront in every goal - scholars need to be prepared post high school</p> <p>5 - It is a feasible plan.</p> <p>5 - Seems well rounded</p> <p>5 - Because it focuses on the student outcomes and support to achieve that.</p> <p>5 - I think it is important to help all students maximize their potential.</p> <p>5 - Our charter authorizers find this very important and I think we need to keep them happy.</p> <p>5 - Because I strongly agree</p> <p>5 - Academics should be the #1 priority for any school</p> <p>5 - Por qué sería mejor para lis estudiantes</p> <p>5 - Academic Achievement is always first on my list as a learning coach. I always want to see improvements with my scholars. Overall success is important for our family.</p> <p>5 - Increase the students interest to success</p> <p>5 - Overall</p> <p>5 - Creo que es bueno</p> <p>5 - Scholar achievement is important for their success in life</p> <p>5 - Porque creo que Compass debe premiar el esfuerzo y dedicacion de los alumnos.</p> <p>5 - It looks like the best program or plan</p> <p>5 - I believe that CCS should provide encouragement and as many oppportunities in order for its scholars to achieve academic success.</p> <p>5 - I feel this way because it seems right.</p> <p>5 - I think your goals are attainable and they help the teachers know what is important.</p> <p>5 - More scholars are graduating.</p> <p>5 - I feel this way because they are all amazing goals and achievements.</p> <p>5 - Seems reasonable</p> <p>5 - Helping students succeed needs to be the priority</p> <p>5 - These are significant goals</p> <p>5 - Academic achievement is why we are home schooling and using Compass.</p> <p>5 - From what I've seen working for Compass so far they are great at reaching these goals.</p> <p>5 - If CCS is the Gold Standard than scholar a cheivement should be the focus</p> <p>5 - I agree that scholars really do need to increase their academic achievements. They need the support and resources to help them proceed and succeed.</p> <p>5 - I believe that the scholars have the capacity to excel academically, especially if guided to do so.</p> <p>5 - School need to prep the students for real life and college.</p> <p>5 - I like that you are really interested in the scholars and their success</p> <p>4 - I think at this point, Communication can be a bit overwhelming, with 3 scholars enrolled. Perhaps RSVPs and invites can only come 1 time and not multiple times. I really</p>
---------	---

Goal #1	<p>love the MMUs and the Firebird Fridays and the 2 big Connections a month. Those are the best tools to assist in my schooling process. The MMU connects me with further information of RSVPs and invites that are of interest.</p> <p>4 - Some kids don't test well so I just don't think this represents that group well and what can be done for those students to reduce anxiety/pressure being put on them for testing when they are quite knowledgeable in the subject.</p> <p>4 - Scholars need to be have more encouragement rather better test scores</p> <p>4 - I agree but I also think schools in general focus on academics while ignoring social emotional and social opportunities. I'm burnt out on academic achievement without a sense of purpose.</p> <p>4 - More communication leads to better scholar achievement.</p> <p>4 - Not sure if state and local indicators are the best so ? But yes to academic achievement and maybe that's the best way</p> <p>4 - Less talking about it and more accomplishing it. Yes teachers need to be up to date, however if they are drowning in administration goals, when will they have time to spend on teaching our scholars. Academic Achievement includes all goals; how do you increase GPA's, graduation, writing? You need to get the kids fired up about their school, involved, reaching each one in some way. This is doable for Compass, but will need some creativity given the type of Charter School it is.</p> <p>4 - I would like to see increases at the scholar level. Increase each scholars grades/test/attendance levels by %. Meet learners where they are..</p> <p>4 - I don't like when grades are linked to attendance.</p> <p>4 - Communication needs to be better and our specific teachers need to be better based on our needs or we should be checked on to make sure that we are OK with the teacher we are given and if it is a good fit.</p> <p>4 - Class course offering (vendor selection) in Options is not a strong component for HS scholars</p> <p>4 - Our LCAPS are seem to be written for and geared toward Online, while that is a small part of our population.</p> <p>4 - I agree with the goal of increasing academic achievement.</p> <p>4 - I think the way it is it's more advanced than public school</p> <p>4 - The goals seem to be fair and realistic</p> <p>4 - The amount of course work is also important sometimes we have too much to do that we fly through things and not really feel like we learned enough. The quizzes and exams wording stresses kids out. They should just be review questions. Testing anxiety is huge and can skew the grades.</p> <p>4 - Even though it was a tough year with the world. I felt that we were prepared for online learning and scholars didn't miss as much academically. We tried to keep it as regular as possible.</p> <p>4 - Our EF is very attentive toward our needs.</p> <p>"4 - There is always an improvement oppotunity "</p> <p>4 - I feel excited learners are engaged and present learners. So I believe getting the students on board and engaged naturally leads to success in all of their academic areas.</p> <p>4 - Not fond of state testing.</p> <p>4 - scholars on honor roll and scholars with 3.5 GPA is mentioned twice with a 2% increase; maybe there could be a note or % on scholars not doing as well and then improving their scores/grades to passing.</p>
---------	--

Goal #1	<p>4 - Looks like all things mentioned would improve scholars school experience</p> <p>4 - I agree it's important, but a joy of learning should be the top focus. Too much focus on academics has resulted in too much focus on metrics and testing.</p> <p>4 - Because it will open up opportunities for better attendance and participation. It will also help with student interactions with their teachers.</p> <p>4 - we need to focus on everyone getting to standard level since the pandemic, before we worry about honor roll numbers</p> <p>4 - I feel excited learners are engaged and present learners. So I believe getting the students on board and engaged naturally leads to success in all of their academic areas.</p> <p>4 - The amount of course work is also important sometimes we have too much to do that we fly through things and not really feel like we learned enough. The quizzes and exams wording stresses kids out. They should just be review questions. Testing anxiety is huge and can skew the grades.</p> <p>4 - higher academic achievement helps with college preparedness</p> <p>4 - Most is necessary to boost student morale and to keep them on track for success.</p> <p>3 - Scholar engagement and programs that help scholars achieve academic success are more important than SBAC scores.</p> <p>3 - It's looking more like a regular public school and not a charter school that provides a rich learning environment for different learning styles.</p> <p>3 - Overly complicated chart. Just focus on providing quality content.</p> <p>3 - As I said before, the information is rushed, and it is a lot, so really understanding a concept seems difficult.</p> <p>3 - Prioritize positive learning environment over stringent scholastic achievements</p> <p>3 - As I said before, the information is rushed, and it is a lot, so really understanding a concept seems difficult.</p> <p>3 - I would normally say 5... But this year has been unprecedented. I feel that in person activities are of immeasurable importance as a growing scholar. Learning inside and not experiencing things in person is not ideal. Children learn in all sorts of ways, and mine learn by action, by doing, by hands-on learning. Other publicly funded charter schools have allowed in person activities to resume since at least November, 2020. I think if one charter school allows this, all should allow it.</p> <p>3 - I am a true homeschooler. The above goals are my domain, and not the responsibility of my charter school. I educate my children and simply use the charter school for support. And Edgenuity is awful. Please find a different service to gauge growth and development.</p> <p>3 - I agree with increasing academic achievement however based on this info graph I am not sure how that applies to my elementary and middle options scholars.</p> <p>3 - For the Options program I would not want required learning labs done by Compass. I don't want you to regulate what I teach, just help guide to ensure my child is at appropriate levels.</p> <p>3 - Not sure either way</p> <p>3 - My son has special needs and things are not as much of a priority to us.</p> <p>2 - Basing learning of off overall academic achievement is such a narrow viewpoint of education. We should be focusing on holistically educating our children and that begins with parent involvement.</p> <p>2 - It's difficult to compare and the goal is hard to understand.</p> <p>2 - I feel like first it is important to engage students and families. When children feel comfortable with their learning environment and parents are involved, academic success</p>
---------	--

Goal #1	<p>follows. Test scores and grade points should not be put before a students well being or a parents ability to support their student in their academic endeavors.</p> <ul style="list-style-type: none">2 - Everyone learns at their own pace and should never be compared to another.1 - Academic achievement is the base for all other achievements.1 - I don't understand what this is asking. These graphics are horrible in expressing information.1 - our children excel on different subjects and may not necessarily be in a standard forum1 - Increasing academic achievement should always be the number 1 goal1 - I think academic achievement is a worthy goal.1 - The graphic is way too complicated to understand what is even being communicated. <p>To increase academic achievement (which in and of itself is a meaningless measure) in a homeschool environment the students just need to be supported intheir interests.</p> <ul style="list-style-type: none">1 - Focusing too much on just test scores is a mistake
----------------	--

Goal #2: Scholar & Parent Engagement

To what degree do you agree with this goal and its accompanying actions, be included in the 2020-21 Local Control Accountability Plan (LCAP)?

Why do you feel this way?

Goal #2	<p>5 - It is important to have the parents involved so the scholar is more involved</p> <p>5 - Scholar and parent engagement is key in helping the scholar be successful and growing a community with Compass to support scholars.</p> <p>5 - the more scholars and parents are engaged, the more likely the scholars are to be academically successful</p> <p>5 - I feel that since we started after Summit Charter went down that Compass has done sooo much better and has really cared about the parents input and I love that about this school.</p> <p>5 - I'd like to see more social interaction between the scholars, similar to social clubs on outschool, or in person when available.</p> <p>5 - Same</p> <p>5 - Because I strongly agree</p> <p>5 - Would love to feel more a part of a community</p> <p>5 - Good blend of academic, social and emotional goals</p> <p>5 - Si esta bien</p> <p>5 - Staying connected and getting everyone involved is a great way to keep scholars on track and motivated. This is all great to see as a goal for the upcoming year.</p> <p>5 - That way with all work together</p> <p>5 - Virtual meetings</p> <p>5 - I really like the monthly parent teacher meetings this year, that has helped us stay informed and on track. I also like the parent portal and the buzz site because we can see the feedback that the teachers send and we can help out scholars out if they need to resubmit something</p> <p>5 - Me parece bueno</p> <p>5 - Porque es importante dar hobbies o pasatiempos a los alumnos.</p> <p>5 - We've enjoyed our involvement in learning labs and virtual field trips. My EF is very attentive toward our needs.</p> <p>5 - I feel good when I'm spending time with my scholars</p> <p>5 - See above comment</p> <p>5 - See goal 1 for answer.</p> <p>5 - It is important for parents to be informed of their child's progress and also for them to have as many opportunities to come alongside their child to help him/her succeed.</p> <p>5 - Love it! Only that at times, I have some unexpected turnouts and are not able to sit with my son.</p> <p>5 - better communication is always greay</p> <p>5 - I strongly agree because the plan seems really accurate</p>
---------	--

Goal #2	<p>5 - I think you are already doing this.</p> <p>5 - I'm reaching more LCs and forming those needed successful relationships with our families.</p> <p>5 - I think this is where Compass excels. Great job to all involved!</p> <p>5 - Scholar engagement in learning, and parental support, are incredibly important!</p> <p>5 - Scholar and Parent engagement are the key to success</p> <p>5 - See goal 1 for answer.</p> <p>5 - I really like the monthly parent teacher meetings this year, that has helped us stay informed and on track. I also like the parent portal and the buzz site because we can see the feedback that the teachers send and we can help out scholars out if they need to resubmit something</p> <p>5 - I agree that there needs to be more communication between the scholars AND their parents with the teachers. It's important that everyone is on the same page.</p> <p>4 - Parent involvement has always been an important factor for scholar success. When parents take interest and involve the scholar then the scholar feels more involved.</p> <p>4 - love the field trips, the in person class options, community service and awards</p> <p>4 - These goals too seem to be fair and realistic</p> <p>4 - We've added a translator team as well as keep track of communication done through out the year.</p> <p>4 - I think that they are all great. However, I'm personally not interested in being involved heavily into school (clubs and workshops). I'm already busy with non-school related extracurricular activities. Also, I don't need an award to be recognized.</p> <p>4 - Would love more options to be involved in my childs school experience</p> <p>4 - I agree with this goal because it will allow scholars to have the desire to participate in school because they have something to look forward to or something that is related to their interests.</p> <p>4 - This was difficult because of covid.</p> <p>3 - Parents are busy and the times we live it requires just the scholar. If the school is engaging the scholar more then it may be easier.</p> <p>3 - I would like to see a way to reach parents that is not zoom. If we can't do in person, I would like to see a non-zoom digital platform for those of us who aren't allowed to use zoom.</p> <p>3 - COVID has made this very difficult</p> <p>3 - scholar clubs are sometimes difficult to operate.</p> <p>3 - Parent involvement should not equal attending more webinars, meetings, recorded informationals. I want to attend them all but it simply doesn't happen. Send me out brief highlights in the newsletter. How about a PTO/PTA, parents could give time to something constructive to help scholars feel more of an academic connection. Engage the scholars! How about extra credit if you join a club? Incentives to get outside of their box. How can Compass build a school environment that exceeds a campus environment. I don't feel like we are part of a</p>
---------	--

Goal #2	<p>virtual campus. Unless we are motivated and have the drive to seek out what's available with Compass, it's hard to find.</p> <p>3 - This doesn't give me tangible goals or KPIs to show what we Compass is working towards</p> <p>3 - I feel that as homeschoolers, I do not need to be encouraged to be involved. I am involved.</p> <p>3 - My kids are special needs. I don't see this addressed in any way in either of the presentations, which is disappointing.</p> <p>3 - Parents are very busy working and engagement at Compass is limited to LC learning sessions</p> <p>3 - I would like to see more field trips. It is very difficult this year.</p> <p>3 - Again, in person activities and field trips should resume. Other years I would've given a 5. But this year has really been a struggle in terms on funding for in person activities and field trips. Even though other public charter schools have allowed it for months.</p> <p>3 - It's good as it is now</p> <p>3 - The school is not clear on how to be involved. I see notices of student of the month or these students won this award but no idea how to participate or be in running for a certain award.</p> <p>3 - I don't know how to answer this, but I don't want any of this virtually. I've always only wanted this with our community at the OCLC, which we had received for years prior to this year.</p> <p>3 - Parents are, by default, extremely involved in their children's education in the Options program. Increasing involvement seems redundant.</p> <p>3 - covid continues to make engagement challenging</p> <p>3 - The goal needs to be quantified. Increase by what percentage? What will indicate success. ?</p> <p>3 - I believe scholar clubs and the student council should meet more often than just every quarter.</p> <p>3 - Being so far it's hard for involvement</p> <p>3 - I like having access to the resources to attend when or if I want to.</p> <p>3 - Not sure either way</p> <p>3 - Parent involvement reduces as the scholar moves to the upper grades and not all scholars want to be involved in engagement or they may not be able to participate for various reason. The LCAP goals should touch all scholars</p> <p>3 - I agree with Learning coach to School engagement, working together to achieve success.</p> <p>3 - Because, as a working parent, I do not have sometimes the time nor the energy to attend to these kind of events</p> <p>2 - Scholar engagement is essential to have a feeling of belonging and strive to do well for yourself and for your school.</p> <p>2 - Parental involvement is the best way to ensure that a child is thriving and learning. It is the best way to prepare them for life. This should be number 1.</p> <p>2 - I think parents have enough involvement.</p>
---------	---

Goal #2	<p>2 - It seems odd that these are the only ways you're measuring parent engagement.</p> <p>2 - I think the focus should be on providing the student with more engagement</p> <p>2 - We are less concerned with clubs as they are not age specific.</p> <p>1 - I don't understand what this is asking. These graphics are horrible in expressing information.</p> <p>1 - I don't understand the type of involvement</p> <p>1 - This graphic is less confusing, but still so much information crammed in a space. I feel, as a homeschool family, the last thing I want or need is to add another activity, meeting, workshop, or goal that is not initiated by me or my student.</p> <p>1 - Eliminating all in-person opportunities this year has had a massively negative affect on my scholars' desire to engage in school outside of our home. If you want to see scholar engagement, allow opportunities for scholars to engage in in-person learning.</p>
---------	--

Goal #3: Increase college- and career-readiness for scholars in high school as evidenced by state and local indicators

To what degree do you agree with this goal and its accompanying actions, be included in the 2020-21 Local Control Accountability Plan (LCAP)?

Why do you feel this way?

Goal #3

- 5 - To help the scholar be ready for college and help them decide what they want to do with they futures.
- 5 - I think we have a very strong college and career readiness counselor but need ensure all scholars have access to these opportunities so we need to improve this communication and access schoolwide - it does not fall on one person.
- 5 - I think this is huge because I know as a highschool student myself I feel like my education did not prepare me properly for what college expected. I hope you can really help bridge that gap for your scholars.
- 5 - These programs are good
- 5 - Access to pre college testing is important
- 5 - Preparing for college is important so that the students who wish to, are able to further their education.
- 5 - Because I strongly agree
- 5 - Schools should be focused on providing quality content. That's all. No social emotional learning. That is the parent's responsibility. Provide access to content or provide the content. Punto.
- 5 - Esta bien así
- 5 - I love to see that there is plenty of guidance and preparedness going on for highschoolers. They definitely will benefit from getting all the support they need to plan out the next steps for college or any kind of opportunity they want to pursue. I know as a parent I will appreciate my scholars feeling ready and capable after highschool. This is such an important topic to focus on and I am glad to see that Compass is fully prepared to help the older scholars map out their career of choice.
- 5 - Overall
- 5 - It is important for the high schooler to be aware of the college requirements and to have a plan. The first semester of freshman year was very overwhelming because it was a new system and different than middle school so we couldn't make it to all of the meetings. It helps when they are recorded and sent in the mmu email because then we can watch them on our own time
- 5 - Creo que es bueno
- 5 - This is important for their future and their ability to start entering adult life in the real world
- 5 - Porque es importante apoyar a los alumnos en los exámenes y pruebas para asegurar su éxito
- 5 - This will determine if we continue with Compass into our high school years.
- 5 - Scholars preparing for collage is good plan to better their education.

Goal #3	<p>5 - College preparation doesn't start when the scholar leaves school but years before the child graduates. It is for a student's benefit that he/she is knowledgeable about all the college programs available and about all the steps that need to be taken before college starts.</p> <p>5 - children need to be prepared</p> <p>5 - I think high schoolers should be ready to go to college and to get the help they need.</p> <p>5 - I am not thinking on these lines yet with my children, they are younger, but, glad that you have goals in place for it.</p> <p>5 - Most youth require assistance with planning to enter the workforce. Education with resumes, completing job applications, etiquette on interviews is all necessary.</p> <p>5 - I believe readiness for college is important, and I'm also happy to hear that they included career readiness. Since, not everyone goes to college.</p> <p>5 - mention of dual enrollment into local community colleges and certification programs; maybe counselors that help navigate that often confusing, but very beneficial, path</p> <p>5 - Getting the student ready for real life and succeeding in it should be the ultimate goal. Not all students are going to go to college or want to go. There should be opportunities to study and be part of programs for service careers.</p> <p>5 - I would love my child to be well prepared for college</p> <p>5 - It's right on the mark</p> <p>5 - It is important for the high schooler to be aware of the college requirements and to have a plan. The first semester of freshman year was very overwhelming because it was a new system and different than middle school so we couldn't make it to all of the meetings. It helps when they are recorded and sent in the mmu email because then we can watch them on our own time</p> <p>5 - College is difficult and preparedness is key to success in college</p> <p>5 - I love that Compass has a counselor from 6th grade where most brick and mortar schools don't bring in the counselor until 10th or 11th. I think this is a huge help to start them off with a counselor earlier to get them on track from the beginning.</p> <p>5 - College and Career preparedness are what all high schools should be offering their scholars. Helping scholars post graduation is vitally important</p> <p>5 - It would be great to have full college prep for all high school scholars. Some scholars know exactly what they want to do as soon as they enter high school and it would be a great opportunity to get scholars used to the idea of going to college or even helping them decide to go with another option if they want to go into the military or a trade school.</p> <p>5 - Because of course I want my girls to go to College and I hope that these kind of programs are still available when their time comes</p> <p>4 - Include financial literacy and social skills too! Self care, confidence and independence!</p> <p>4 - Prep for college will most likely engage the scholar to be ready and overcome fears of college.</p>
---------	--

<p>Goal #3</p>	<p>4 - High schoolers do need this kind of support. 4 - Not applicable yet. 4 - we need to plan for college readiness but some kids may choose a trade school 4 - i'm not quite here with my kids 4 - It talks about the programs that will be offered 4 - I would like to see more career readiness opportunities. Career aptitude testing, carer fairs, internships etc. 4 - I am not ready to think about this for my scholar. 4 - College readiness is key in high school. 4 - These goals seem to be a great way of preparing students. 4 - Great graduation rate so far and AVID is present in the HS labs. 4 - It is important to give almost adults the tools they need to navigate life after highschool 4 - Would love to see additional focus on other types of post-HS academics as well (trade schools as one example). 4 - College planning help is strongly appreciated. 4 - I agree with this goal because most people don't understand what they want to do after high school, and many ponder that question for years. 4 - We are still a long way from college but that is the ultimate goal. 4 - Preparation is valuable to the student without making it stressful. 3 - While college is very important for many, I think there also has to be a better career planning/curriculum for those who do not want or are unable to attend college. 3 - I do not think college is needed/the best option for many scholars. I'd love to see more focus on career training . 3 - Maybe college, but not so much career 3 - HS ed is important, but my leaner is 5, so it doesn't seem applicable to us 3 - We aren't there yet. Can't comment really. 3 - Scholars have a lot of offering of talks from Counseling department. However, tailoring individual scholar's career choices just has not happened at Compass 2 - It's nice that you want kids to be ready for college, but there's a lot of push for them to make a decision early on. 2 - I've never relied on my charter school to offer any of this for our family. 2 - this will be a natural result if academics and engagement are working well 2 - Make it about the student as a whole, volunteer opportunities, community, interests, not all test prep. 2 - In my opinion, I'd say there is no need to increase, maybe until 11th & 12th (if at all). I strongly believe in One-Step-At-A-Time!</p>
<p>Goal #3</p>	<p>1 - Preparing our scholars for college and career is our duty as educators in giving them every opportunity possible. 1 - I don't understand what this is asking. These graphics are horrible in expressing information. 1 - I am in disagreement with the educational goal of "readying students for jobs and college" false premise that we get to control that in any sort of truly formative way with a meaningful positive outcome for students.</p>

Do you have any other feedback on either the 2019-20 year or feedback for the upcoming 2020-21 year that you would like to share with staff?

- The staff is doing a great job. Thank yous are often not shared enough. Please continue to affirm the efforts of the Compass team. The teamwork and focus on high standards really make Compass effective and special school to be part of. We are proud Firebirds!
- yes - I think we need to be more firm on scholar and LC expectations during enrollment for the 2021-2022 school year. Some families do not know what they signed up when they enrolled at CCS; some do not understand the role of the Learning Coach and do not adhere to our expectations, since they were unaware of their roles and responsibilities. The Master Agreement and the handbooks are not enough, since it is evident they did not read the LC expectations. It needs to be extensively written and/or verbally communicated during enrollment.
- Please push to get scholar siblings in for this upcoming year!
- I would love to see a lending library available for the families to borrow books and other materials that previous families have returned to the school.
- Please work on the timeliness of order fulfillment in the options program. Waiting a month or more for an order to be processed defeats the purpose really.
- I just want them to be able to go back to school normal at the OCLC and actually engage with others in a productive way all of the beautiful learning and play and creativity
- The only thing that was not great for us were the scholar clubs. The meetings felt a bit chaotic and unorganized. Could have used more structure and direction. That may just have been the clubs we tried but did not get much out of them so stopped attending.
- In these times of unknown we are challenged to know where and what are children's educational choices will look like in the future. Coming from a burned-out homeschool mom, I chose Compass because I did not want to teach and grade my child anymore. We chose Compass because it was established and it did stand out from other online options. Is it all I'd hoped for for my children. No. I'd hoped for my interaction with other students, a greater feeling of belonging, etc. I do have great hope that Compass will continue to build a virtual school campus that will outshine the nay-sayers and the alternatives for education in our state. My son has had a lot of success with Compass. I hope that our next year with Compass, he will be encouraged to engage more - with the school, friends, and learning. I feel the largest deficit Compass holds are ways for kids to connect. It is not inviting to get an email stating which clubs are available. Why not some spunky virtual informational flyers? I think there are ways to retain and

encourage academics by engaging with students on their level, with different opportunities that make them feel like they 1. Belong to a school and 2. Want to achieve! By the way, your current 7th grade team is great!

- I appreciate how the parent survey we were asked to complete in January(?) was seemingly designed to truly capture parent feedback ..including in areas Compass may not even think to ask about. In completing this current survey, it feels like it is intended to help Compass report successes and gather mostly black/white responses that do not capture the texture of what's working/not working best. For instance, the question about STs only offered a 1-5 rating scale. But our experience with STs has ranged from fantastic to horrid (i.e. never once planning a monthly check-in call or speaking to my children one time over the course of a year). This is also relevant to our experience with staff; some are exemplary, some are satisfactory at best. I would love if your surveys gave more "Other" response options to inform administration about the diverse family experience ...and ensure Compass is picking up on unseen family experience that we are talking about amongst ourselves. Perhaps create a survey that combines your data gathering needs with more open ended options? Thank you for considering.
- Get your vendor purchase department straightened out. The experience with ordering has been horrific. Hire more staff to keep up with orders. Scholars and parents should have access to final invoices. I feel like Compass does a poor job with transparency.
- we are very excited for in person classes.
- As a physician and parent, now with teachers having access to vaccinations, I hope we will be resuming normal campus classes.
- I would prefer if I wasn't called by my deadname in almost every single email.
- How about don't send letters demanding SPED providers only tell case managers what a student needs so the school can decide if the student really needs it without involving the the parent. All because of your bottom line. I've seen the email and I've shared it with all news outlets now. Horrible of you JJ!!! Denial of FAPE i hope more parents sue you
- less hoops to jump through, less testing, more support and more freedom to learn--this is why many choose charters.
- The amount of time it takes for orders to get processed is too long. At times it takes 6 weeks for it get to approved.
- We had the BEST EA. She is a huge part of our success this year and our happiness with Compass. My only complaint at all is how difficult it was to use the funding because of all the limitations. Ideally I would like to order my curriculum and several other resources from Amazon. The limits prohibited me from doing so. I ended up paying out of pocket and having excess funding left over.

- Communication needs to be better. Especially for kids on IEP's.
- The online ordering process needs improvement. It would be ideal to a link to each vendor website that is on the drop down menu in the ordering system. Or have a bullet point "brochure" that outlines the items that each vendor provides or maybe a grid in excel. Really unsure why Charter's are so against allowing religious materials to be purchased. Technically, the US Constitution is based off of the Bible, so should you ban ordering US Constitution? It would be nice to communicate the legal reason charter schools cannot support ordering religious materials.
- I really like the program. I just feel like it's too much too fast. Last week we were working on adding double digits this week fractions and then back to double digit subtraction. I just think they need more than two days to really learn that information.
- What a rough year. You didn't renew tons of vendors. SPED services are constantly not up to par with what the state recommends. Corners are constantly being cut at the benefit of the scholars and family. I am blessed to have a amazing EF. If it was easier to change charters we would more then likely not have stayed this year despite our amazing EF that we followed from another Charter to Compass. Also inconsistencies on policies and procedures in ordering services.
- Need faster processing turnaround for vendor purchases. Also, shipping/tax charges should NOT take months to be updated/removed.
- We plan on staying with this school for many years but I am concerned with the lack of connection that the kids have with each other. I think the kids from the same grade and same school should have a way to communicate with each other and maybe play games or something after school. Or plan on being in the same club or something like that...etc.
- Many parents feel that Compass should allow in-person classes/enrichment as other Charter schools have already done. I concur with these sentiments and hope that Compass will make the right decision in allowing parents to make the choices for their own children when it comes to in-person instruction.
- Thank you! Let's keep our scholars in a fun and positive environment!
- I really like the program. I just feel like it's too much too fast. Last week we were working on adding double digits this week fractions and then back to double digit subtraction. I just think they need more than two days to really learn that information.
- I'm not a big fan of accelerate software.
- Though I understand the limitations with Covid this year, I would love to see more opportunities for my children to build relationships with other children. I'd love to have a small community close to where I live from Compass , meet regularly for play and learning.

- Allow us, as a taxpayer funded school, to use our funds for in person activities and field trips. That is the biggest, and only concern I have.
- When restrictions are lifted maybe we can do out of state field trips like to Australian zoo, Yellowstone National Park, Washington Monument, Mount Rushmore, The Statue of Liberty, and the Grand Canyon. We could also have a candy drive for scholars who can't afford to go out of state, we can all sell the candy and raise funding for all the trips.
- No, I am looking forward to the upcoming school year and meeting the goals that Compass has set out for each of its scholars.
- Yes! Someone needs to proofread the workbooks used by the kids! They also need to be in color especially for lower grades. How is a kid supposed to guess the gray shade to complete patterns with red and green? And all the typos! Horrible! And to pull something out ... it's impossible! Why can't the page be perforated?
- The most important thing is to allow scholars to enter back into their communities, group learning environments, in-person classes, hands-on activities, face-to-face support systems, and the ability to engage in real-life activities/experiments/field trips/camps, etc. Don't worry about the rest. Don't bog parents down with testing and standards and nonsense. Let parents choose their own subjects, curricula, and scopes & sequences. Don't let the state standards dictate educational pathways. Let the parents teach THEIR kids, and let the kids back to real life, where the learning truly happens.
- Not at this moment.
- Very satisfied and impressed
- Better electives for Ag kids
- It has been hard and long to get new vendors signed up. Process was pretty frustrating.
- Happy with compass charter
- "I wish that ALL of your EFs were consistent in their knowledge and how/what they ask of students/families. The inconsistencies are quite unreal.
- Also, your vendor department needs more efficiency and speed. At the beginning of each semester there will be a HUGE amount of work for ordering and the inefficiency of your current systems directly impacts scholar achievement. I hope that 2021-22 year will put the students first in getting them their curriculum as quickly as possible.
- Lastly, some of us are here to be minimally supported and jump through the hoops to get that support and funding. We appreciate the simplicity of that, but sometimes it feels like there is a push to make it way more complex than it needs to be! Simple efficiency is always best!
- "

- Streamlining ordering. Workshops and Clubs better organized. Live classes/learning labs in all subjects for Options scholars. Better Vendors. Vendor feedback from Scholars and LC/parents.
- Some of the systems used, like the online ordering and attendance tracking are very hard to use and not intuitive. I would suggest finding something that houses everything in 1 portal and that is easy to use.
- Todo esta bien.
- We've enjoyed the virtual field trips and hope those continue.
- This year the virtual engagement/ field trips for scholars has been excellent. I hope this continues. The learning coach sessions need to focus on curriculum and tools for teaching to increase academic achievement.
- Teachers and staff need to grade in a more timely manner and respond faster to scholars concerns rather than allow a scholar to fall behind waiting for a response.
- I hope you have more program or after school program location at north San Diego.
- Add more vendors for students in spec Ed. Have spec Ed team communicate better and put time and money into training them better as a team to coordinate meetings, gather data, and have more resources.
- No but thank you for asking
- It would be great if classmates could meet up virtually to get to know each other "outside" of class... Like "recess" or something (but not a club which would be kids from many classes. I know it might be hard to manage. Also, getting a "scholastic news" magazine type subscription help scholars be more aware of all that's going on around them while still quarantining. (It's hard to get an individual/non-school subscription.)
- Earlier access to semester 1 funds so we have what we need from the first day of school rather than getting stuck in the ye backlogs and purchasing rush in September. More ability to order from Amazon for speed and availability. A solid vendor to buy instruments and books.
- Too many restrictions on funds, nearly impossible to put together activities/projects that are customized to each child's specific learning needs when so many things are not allowed. Way more opportunities for Physical exercise should be given as our children sit in front of screens all day. Adding vendors to provide physical activity OUTSIDE would be so healthy for our children. Focus more on activities and opportunities that will help students become well rounded and able to think critically.
- Would like to see more service vendors in the Solano/Napa County area
- Our overall experience with Compass Charter School and their staff has been an A+
- "Thank you so so so much CCS!!!
- You are great!!!! I recommend you to all who I can!!
- Thank you 100%"

- In addition to our college prep classes, general education level classes should be considered too. We need to provide support for scholars that need a diploma and may enter into our military or trade schools.
- I think every year Compass sets and strives to reach new goals, for the benefit of both scholars and staff. Even with the ever changing charter school environment, Compass has steadily improved year after year - through name changes, charter school scandals, legislative changes, and even through a pandemic. Through it all, Compass has brought about positive change and growth, correcting any miss steps, while always looking towards the future, with the scholars best interest has the driving force. I am looking forward to the 2021-22 year, and can't wait to see how Compass again rises to reach their goals.
- I would like to see all scholars and learning coaches being supported by STs to achieve proficiency and mastery of grade level standards.
- Very satisfied with our Compass experience and love our ST!
- Regarding Covid: It would be helpful if you would open up, in person services, by county as opposed to whole state. There are charters that are currently allowing in person services in some counties of California, but you are not. It is very inconvenient as we try to coordinate activities with their friends. Thank you for your consideration.
- at the beginning of the school year it wasn't until the school year started that we could order curriculum. That meant we started the year with no materials. it would be nice if we could have supplies before the school year starts
- Keep up the good work!
- I understand the need to rsvp for Learning Labs but do not like the lack of conformity between teachers. It is confusing and results in students being locked out and needing to watch Learning Labs outside of class time. I would also like to see more uniformity in how teachers require students to submit their work. Why so many variations?
- Earlier access to semester 1 funds so we have what we need from the first day of school rather than getting stuck in the ye backlogs and purchasing rush in September. More ability to order from Amazon for speed and availability. A solid vendor to buy instruments and books.
- It would be wonderful, as there are not a lot of "field Trips" planned to have more online field trips using kits that can be mailed to the students.
- I love working for Compass! Everyone has been so welcoming and helpful all around!
- I would like an updated or different Company test to iStations.
- My kids need in person interaction- open in person services!
- The teacher I have this year isn't very engaging, but I know she tries. She has several scholars to work with so I understand how one family can fall through the cracks. It just seems that I have to be the one to engage every

time and she doesn't reach out on her own as much as she should, just going through protocols and just not what I expected. I will say she does motivate me to get things done on a timely manner, but everything just seems so impersonal.

- Yes. It does not seem to me that there is consistency between California's requirements for Independent study and actual practices in the options program. Also, there were no course descriptions or objectives provided to me, although they are alluded to in the master agreement.
- Staffs need to respond promptly. The school seems not to care for the students true achievements.
- I would really like to continue working with Ms Jeanne Richardson as she's been awesome. I need to have that kind of choice every year because it is very relevant and important to me and my family.
- I would like to see more tutoring options that are focused on where the child is at instead of grouping too many kids together who are all at different levels and ages.

COMPENSATION ALONE IS A SMALL FACTOR IN TEACHER RETENTION

Compensation is not a strong driver of teacher attrition. In fact, dissatisfaction with working conditions is the number one reason for attrition.

Teacher Retention

Factors Teachers Report as Being Very Important for Leaving Teaching

Learning Policy Institute, 2017

COMPENSATION ALONE IS A SMALL FACTOR IN TEACHER RETENTION

However, compensation is a strong factor when teachers are considering returning to the profession.

What Would Bring Teachers Back?

Learning Policy Institute, 2016

Teacher Retention

Teacher Retention

COMPENSATION ALONE IS A SMALL FACTOR IN TEACHER RETENTION

There are four aspects of working conditions that continually rank as most important to a teacher's decision to stay or leave:

- 1) School **leadership**
- 2) Professional **collaboration**
- 3) High stakes **accountability** systems
- 4) **Resources** for teaching and learning

Learning Policy Institute, 2016

Teacher Retention

COMPENSATION ALONE IS A SMALL FACTOR IN TEACHER RETENTION

School leadership

Teachers who have high quality school leaders are much less likely to leave. Specifically, teachers who are satisfied with their school leadership's **support, communication, and leadership style** are more likely to stay.

Professional collaboration

Schools with lower attrition rates excel in cultivating a sense of **openness, trust, collective responsibility, and shared decision-making**. Teacher satisfaction and investment grow as a result, and retention rates are high.

Learning Policy Institute, 2016

Teacher Retention

COMPENSATION ALONE IS A SMALL FACTOR IN TEACHER RETENTION

High stakes accountability systems

Many teachers leave because they are dissatisfied with student assessments and school accountability measures. **Excessive emphasis on “teaching to the test”** tends to de-skill teachers and adversely affect student learning, leading to lower satisfaction rates.

Resources for teaching and learning

Studies have found that the availability of **adequate instructional materials** influences morale and teachers’ self-perceived effectiveness. In addition, **class size** and safe and adequate **facilities** have been associated with higher retention rates.

Learning Policy Institute, 2016

PAY INCENTIVES CAN BE EFFECTIVE IF USED APPROPRIATELY

Incentive Pay Programs

Student test scores have a modest but statistically significant increase when an IPP is in place for teachers. The increase in scores was equivalent to **3-4 additional weeks of learning** per year.

IPPs that use a **group design** are nearly twice as effective as programs that reward individual teachers.

For IPP programs to work maximally, **teachers must be aware** that they exist in the first place.

Studies suggest that IPPs helps districts to **attract and retain** teachers.

Vanderbilt University, Teacher Merit Pay and Student Test Scores: A meta-analysis, 2017

Support and Professional Development

PROFESSIONAL DEVELOPMENT AND SUPPORT ARE POSITIVE FACTORS FOR RETAINING TALENT

Teachers who stay are more likely to report that they felt well prepared and that they received more support and professional development opportunities in the previous year compared to teachers who quit.

Economic Policy Institute, The role of early career supports, continuous professional development and learning communities in the teacher shortage, 2019

Career Pathways

CLEAR GROWTH OPPORTUNITIES HELP TO RETAIN TOP TALENT

Career pathways give teachers opportunities to **work toward leadership** incrementally and to gain skills and financial rewards along the way.

Career pathway programs for teachers increase teacher **satisfaction, recruitment, and retention.**

The most successful programs are created with a clear **vision**, meaningful **stakeholder input** (especially by teachers), and **external support.**

Funding sustainability is critical in creating an enduring teacher pathway program.

Pearson, Teacher Career Advancement Initiatives: Lessons Learned from 8 Case Studies, 2016.

OUR APPROACH

Objectives

Compass Charter Schools partnered with Edgility Consulting in the fall of 2020 to conduct a full review of its current compensation practices in relation to its peers, with the following objectives:

- Assess Compass' market competitiveness for base salary, stipends, other cash comp and benefits;
- Determine staff priorities regarding changes in compensation;
- Recommend salary structures and compensation practices based on results.

Edgility collected qualitative and quantitative data regarding starting salary, salary growth, stipends, benefits and other compensation practices.

Our Approach

USE A MARKET BASED STRUCTURE

Market data is an **objective** standard

Ensures external **competitiveness**

Provides for **simple** and easily administered program

Leads to **data-driven decisions** about compensation

Credible to employees and managers

Ensures **internal equity**

Our Approach

FACTORS IN SELECTING A DATA SOURCE

When selecting data sources, there are three factors that we consider:

- Age of the data
- Validity of source
- Relevance to your organization

There is no one size fits all approach.

It is common to use different sources for different roles.

DATA SOURCES & METHODOLOGY

Data Sources

Primary Data Sources	Description of Source
Charter Schools/Networks	Edgility surveyed hand-selected virtual charter schools and networks. See the following slides for a full list of schools included in this study.
990 returns	Edgility reviewed 990 returns for peer organizations. 990 returns contain total cash compensation and total compensation for the highest paid employees at an organization.
Kenexa CompAnalyst	<p>A trusted, industry leading compensation database covering more than 15,000 unique job titles gathered from comprehensive employer surveys which are updated monthly to keep up with fluctuations in the market and the addition of new surveys. Methodology

INTERNAL RESEARCH

Reviewed internal compensation levels, salary schedules, and stipends.

Collected survey data and conducted focus groups with staff members related to Compass' total value proposition.

EXTERNAL RESEARCH

Data was aged to be effective as of the 2020-2021 school year by an annual factor of 2.5% when necessary.

An increase of 2.5% was used for advancement from step to step on salary schedules.

233 workdays were used for 12-month staff and 211 workdays were used for 11-month staff.

When calculating compa ratios, longevity and SPED stipends were included in employee salaries. Years of experience were included for teachers, ESs and counselors.

INTERNAL RESEARCH

“Staff at Compass are energized by the impact they have on scholars and the relationships that they have with colleagues, scholars and families.....”

“And they are seeking work environment and culture improvements in the areas of recognition, support, autonomy and communication.”

OVERVIEW: RETENTION

What impact do the following have on your decision to stay at Compass?

Rankings

OVERVIEW: RETENTION

These are the most important factors when I consider whether or not to stay at Compass:

- 1st Salary
- 2nd Work Environment
- 3rd Health Benefits
- 4th Cohort or Roster Size
- 5th Retirement Benefits
- 6th Paid Leave
- 7th Career Advancement
- 8th Professional Development

In terms of rankings, salary and work environment consistently ranked in the top 2 for all staff. For teachers cohort size ranked third. For all other staff, health benefits ranked 3rd and cohort size ranked last.

SURVEY REVIEW: 2018 TO 2020

When we compare the 2018 and 2020 survey results we see that staff are happier with their medical, dental and other benefits and staff are less satisfied with the autonomy, recognition and supervisory support that they receive.

What impact do the following have on your decision to stay at Compass?

SURVEY REVIEW: 2018 TO 2020

This is leading to a culture where staff are less satisfied at Compass and are less likely to recommend working there.

I would recommend working at Compass to colleagues who work elsewhere.

2018

I would recommend working at Compass to colleagues who work elsewhere.

2020

Strengths

“I have created life-long connections with the families I have worked with and really enjoy watching their kids learn and grow.”

“I'm inspired to be better because of how wonderful my colleagues are.”

Staff identified the following as positive drivers for staying at Compass:

Mission & Impact

Compass staff are driven by a sense of purpose and the ability to make a positive and tangible impact on their scholars, families and community.

Positive Relationships

Almost all staff cited relationships with scholars, their caregivers and colleagues as a key factor in their decision to stay. Staff also stated that the family atmosphere and team environment at Compass are positive drivers for retention.

Remote Work

Overall staff enjoy the convenience of working from home and the remote work environment is a strong positive driver for retention of staff at Compass.

Areas of Growth

“Honestly, I'd gladly go back to what I was making last year without the stipend for MA/step in order to have a supportive and kind department, a sense of hope for the future, and a sense that my families' needs were important to the school.”

Staff expressed the most desire for change in the following areas:

Communication

Changes over the last few years and especially this new year, have left staff dazed and confused. They would like more clarity, transparency and consistency in how and where communications materials are shared.

Recognition & Support

Staff appreciate the addition of stipends this year and would like to see stipends expanded to recognize those that go above and beyond to perform extra job responsibilities. Staff would also like more positive interactions and support from their supervisors and leadership.

Autonomy

Staff are seeking more autonomy in their roles. Instead of feeling respected and recognized many staff feel micromanaged, stifled and overwhelmed by paperwork meant to manage them.

WHAT WE HEARD: COMMUNICATION

Compass staff are committed to doing their best for their scholars and families. However, staff want more clarity, transparency and consistency in communications and they want to be heard.

While Compass gives staff plenty of opportunities to speak in town halls, and through surveys and focus groups, staff don't feel heard when the final decisions that are made fail to encompass their input.

Staff noted that policies are often sent to them at the same time as their families and they therefore do not have time to prepare for questions. Staff also noted that when they ask for answers they often receive different answers from different stakeholders at Compass further confusing matters.

And lastly, staff also noted that the knowledge bank at Compass is primarily in English and scattered across systems and functions and they don't know where to find what they are looking for.

My opinions and insights are valued by Compass.

“There is a sense of pervasive fear over making mistakes and asking questions..... [It] would be helpful if we all could communicate in ways that first sought to understand and was also filled with empathy and warmth towards each other.”

WHAT WE HEARD: RECOGNITION & SUPPORT

The three biggest changes seen in our survey from 2018 to 2020 are linked to recognition, support and autonomy. Changes in these areas are leading to a culture where staff don't feel respected, appreciated, or trusted.

Staff greatly appreciate the addition of stipends this year and would like to see clearly defined stipends that recognize staff who take on additional responsibilities. Staff also mentioned that having more frequent awards such as monthly "best [teacher, staff etc.]" would give them more opportunities to be recognized for their work.

The current culture at Compass is one where staff feel less supported and less respected by their supervisors and leadership. In addition, changes in teams, supervisors etc. means they feel isolated from their former support systems.

Rewards for outstanding performance are appropriate, meaningful and gratifying at CCS.

My supervisor actively supports me in ways that will help me advance to the next level.

WHAT WE HEARD: AUTONOMY

Staff feel that they are micromanaged and that they do not have a level of autonomy that is commiserate with their roles and experience. This was especially true for teachers and those in leadership roles.

Those in leadership roles would like more autonomy in decision making and managing their teams, teachers would like more freedom in managing their scholars and families and the way that they teach.

While paperwork is necessary to meet state and national standards, teachers perceive that this paperwork is a way to monitor them and the work that they are doing. In addition, this paperwork is adding a burden to staff who are already stressed out by curriculum and systems changes and it is affecting their work-life balance. With many teachers working 8-5, nights, and weekends to keep up, burnout is becoming a real concern.

The amount of autonomy granted by my supervisor is a negative factor in my decision to stay.

“The micromanaging is so intense that it makes doing our daily responsibilities and meeting the needs of our families difficult. We are asked to do so many extra tasks that it is extremely distracting and makes it difficult to have time with our families, or to do our job well.”

WHAT WE HEARD: STAKEHOLDER GROUPS

Communication was an issue for all stakeholder groups. Miscommunication between departments and within departments is affecting many staff negatively. In addition, staff need clear guidelines on what methods to use for different types of communication and who is the communication lead for different project/systems, as well as a knowledge bank for commonly accessed documents and policies.

Workload and preparedness was also a concern for all stakeholder groups. Many staff feel overwhelmed and overworked. Staff feel that often times responses to workload increases are reactive instead of proactive. They would like to see additional help hired proactively (i.e. before student numbers increase, or before someone goes on maternity leave).

Counselors (focus group): Overall staff are happy with the leadership, support and autonomy they receive within the counselling department. Their main concerns are their workload, work-life balance, and the lack of recognition of their previous experience in their pay.

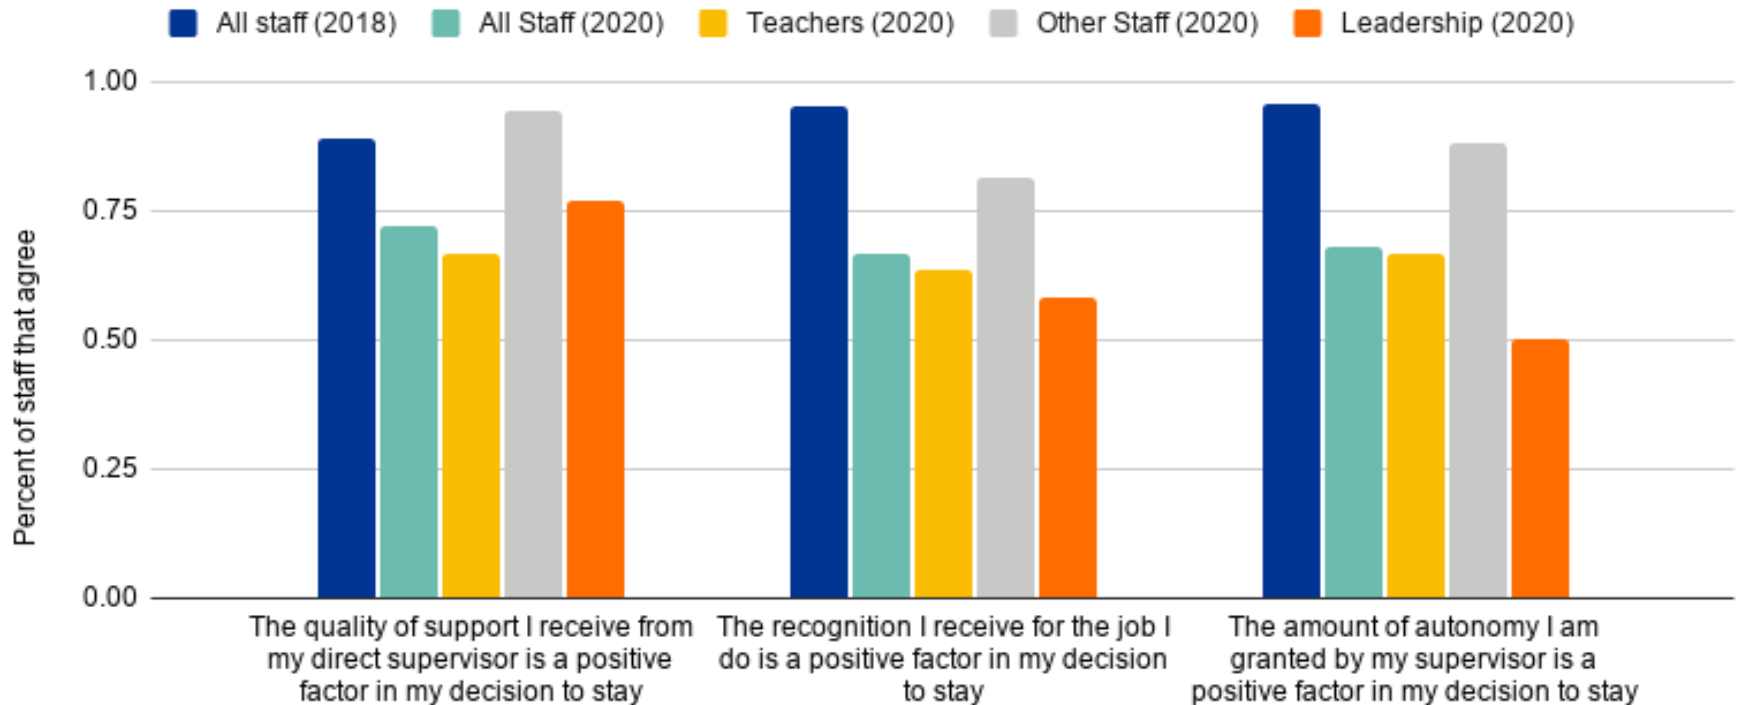

Resource Specialists (focus groups): Overall staff are happy with the leadership, support and autonomy they receive within the SPED department. Their main concerns are their workload, work-life balance, and the perceived lack of recognition pertaining to the complexity of their work and the time it takes.

Other Staff (para's, finance, ops, HR, IT, clerical, academic staff): Overall staff are happy with the leadership, support and autonomy they receive within their departments. For classified staff, their main concerns are their workload, work-life balance and having cover to take time off. For academic staff, their main concerns were around clear communication and preparedness.

Teachers: Teachers are struggling this year. They feel less supported, less recognized and like they have less say in how they do their jobs. Both online and options teachers are struggling to adjust to the new organizational structure while also missing previous supports they had in their old groups. In addition online teachers feel like their voices are now being diluted out by the larger number of options teachers in their groups.

WHAT WE HEARD: STAKEHOLDER GROUPS

Academic Leadership (AP’s, Principals, Directors, Coordinators): Overall academic leadership has concerns around communication, recognition and autonomy. Staff noted that although they have more responsibilities as leaders, they feel that it is not reflected in their pay. They also feel that their titles do not match the amount of input they have into policies and decision making and the amount of autonomy they have to run their own teams.

Takeaways

We recommend that changes focus on the following:

Communication

Staff are committed to the work that they do and the mission of the organization. However, the culture at Compass is changing and not in a good way. In order to reverse course more emphasis should be put on clear, transparent, respectful communication and collaboration.

Recognition & Support

Recognition used to be a top reason why staff stayed at Compass, however lately instead of feeling applauded for the work that they do, staff feel punished. We would recommend that changes focus on paying staff for extra work that they take on; more opportunities for recognition; and more understanding, empathy and support from supervisors and leadership.

Autonomy

Staff loved the autonomy they had in the past and are dearly missing it this year. New rules and associated paperwork mean that staff have less flexibility in the work that they do in their days and this is affecting their work-life balance. We would consider adding staff to ease the burden or cutting paperwork to only that which is absolutely necessary.

MARKET COMPETITIVENESS – TEACHER, COUNSELOR, ES

Almost all teachers, counselors and educational specialists are below market for a 211 day work year. However, they are almost all at market if you use a 190 day work year which was the median work year for teachers and ESs at peer orgs.

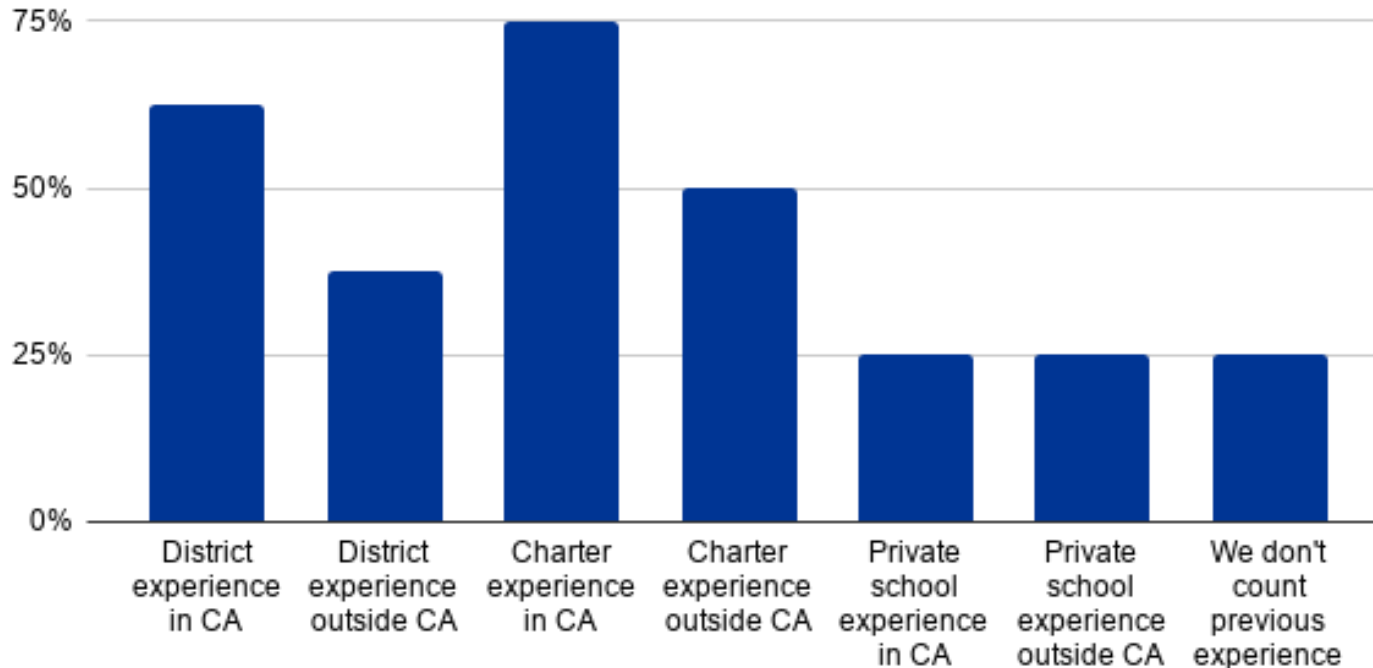

*The Compa Ratio tells us the “market competitiveness” of each salary. (Below market < .95, Above market > 1.05). *When calculating compa ratios, longevity, SPED and TOSA stipends were included in employee salaries. Years of experience are included for teachers, ESs and counselors.*

TEACHERS: PREVIOUS EXPERIENCE

The majority of organizations surveyed counted district (67.5%) and charter (75%) teaching experience within CA, 50% also counted charter experience outside of CA. Most peers do not recognize private school experience. On average orgs counted up to 5 years of previous teaching experience. Compass exceeds this by counting up to 10 years of previous teaching experience.

Recommendations

Based on our study, Compass is paying below the 50th percentile of the market and has a strong mission-driven organizational culture. Our recommendations focus on continuing to cultivate the organizational culture and bringing staff to the 50th percentile of the market.

Our specific recommendations include:

- Focus, first and foremost, on rejuvenating the organizational culture at Compass through clear and transparent communication, recognition and rewards (non-monetary and monetary) and respect for staff experience and autonomy.
- Target at least the 50th percentile of the market if it is fiscally reasonable.
- Bring staff who are below the 50th percentile up to the 50th percentile and adjust staff as needed to improve equity. This means bringing staff up to at least a 0.95 compa ratio.
- Review sick leave accrual with staff
- Review length of teacher/ES work year and work day
- Share salary structures and guidelines for placement with all staff.
- For educational specialists use either the ES scale or the teacher scale + stipend.

Factors we *DO* consider in compensation decisions

Related to the Role

- Job function (finance, fundraising, HR, etc.)
- Main 4-5 responsibilities
- Specialized job knowledge required
- “Scope” of the role (complexity, people management responsibilities, budget responsibilities)
- Organizational size (Revenue, Headcount, etc.)
- Required experience/qualifications necessary for the job
- Geographic work location
- Travel and other special requirements of the job

Related to the Individual

- Staff member performance
- Relevant education credentials
- Relevant specialized training or certifications
- The individual’s experience compared to the requirements of the job description

Factors we *DO NOT* consider in compensation decisions

- Gender
- Race/ethnicity
- National origin
- Age
- Religion
- Disability
- Political affiliation
- Physical appearance
- Health/medical conditions
- Socioeconomic background
- Familial status
- Sexual orientation
- Veteran status
- Willingness to advocate for self and “be the squeaky wheel”
- Personal financial considerations, e.g.: Mortgage, student loans, or other debts, Personal wealth or lack thereof, Partner’s profession or income
- How many candidates have been interviewed
- How desperate the hiring manager is feeling about filling the role

New Hire

WE DON'T NEGOTIATE

- Compass is deeply committed to equity and fairness.
- We believe in going forth with a fair market rate. So, by definition, opening ourselves to negotiation would only delegitimize the integrity of our compensation program and cause us to pay those who advocate loudest for themselves above market.
- We know that it has been proven that salary negotiations advantage white affluent males and disadvantage women and leaders of color.
- We also know that organizations are more likely to negotiate based on factors that should not influence compensation levels, such as when a candidate is particularly persuasive, or the manager is desperate to fill a position or poor at negotiating. None of these should factor into salary levels.
- So, the answer is simple: we figure out the right level that is fair and equitable, and we don't budge on that.

STAYING CURRENT

Staying Current

SUGGESTED FREQUENCY

Current research recommends that you re-benchmark roles at least every two to three years.

Exceptions to this rule are as follows:

- **Organizational growth** - if your organizational budget/staff size grow by 33% or more
- **Reorganization** - if you restructure and your current positions experience dramatic changes in scope of responsibilities, the comps we used in this study would no longer be valid
- **New positions** - if you create new positions not included in this study, you will need to benchmark those positions
- **Significant market pressure** - if a major competitor/employer such as a school or district is dramatically increasing compensation levels

On off years, we recommend increasing salary schedules by 1-2%. This will help prevent Compass from having to give large increases during district bargaining years.

thank you!

It has been a pleasure having this conversation with Compass Charter Schools. Should there be any questions or comments about the findings and recommendations in this report, feel free to reach out to Edgility staff to assist you.

Why focus on NCB best practice?

1. Recent public events
2. Differences of NCBs are poorly understood
3. Identify common practices across NCBs

How are NCBs different?

What is meant by ‘best practice’?

Actions taken by schools with strong academic records to create an effective learning environment for students.

Common practice:

“Even with the core curriculum, we try to offer supplemental work that’s related to what their interests are, to help them refine and verify exactly what their interest is.”

Personalized Learning

“counselors now offer a class which all incoming 9th graders take, where they start thinking about how much do I need to make if I want to live, how expensive are homes and things like that. Really, that's really the nuts and bolts of life, right? What are you going to do after, what is your plan?”

“whether that’s 2/4-year, military, gap year, we want to make sure that after your time with Compass, you find the tools and skills you need to be successful in your next chapter.”

Discussion

As site-based schools start to consider returning to at least partially in-person instruction...

What's an essential instructional practice at your school that you'd recommend for site-based programs?

In the past, CTA and others have criticized the funding levels of NCBs...

What do you want California lawmakers to know about the funding levels of NCBs?

Superintendent's Report
March 28, 2021

Great work is happening throughout the organization. This report is meant to highlight several of the functional areas with updates for the Board of Directors:

Academic Services

- Aviva Ebner, Assistant Superintendent & Chief Academic Officer
- Academic Services Division Update Agenda
 - Counseling Services Updates
 - Curriculum & Instruction Updates
 - Engagement Updates
 - Special Education Updates
 - Charter Updates

Financial Services

- Lisa Fishman, Chief Financial Officer
- Financial Services Division Update Agenda
 - Community Providers Updates
 - Finance Updates
 - Operations Updates

Human Resources

- Sophia Trivino, Chief of Staff
 - Our consultants, Edgility Consulting, shared their Compensation Study Final Report and Recommendations with us. The findings are based on their research of national trends, our peers, a 990 review, and a Kenexa CompAnalyst. *See enclosed report.*
 - We have finalized a process to collect and distribute donations by staff through our Catastrophic Illness & Injury Program.
 - Organizational changes have transpired since the last meeting. *See enclosed worksheet.*

Executive

- I represented Compass at the APLUS+ Network Winter 2021 Regional Meeting on Wednesday, February 9. Topics included updates on the APLUS+ communications and advocacy strategies, as well as updates on upcoming network projects and events.

- I attended the El Dorado County Charter SELPA Legal Forum on Friday, January 28.
- I am honored to have been appointed to serve on the San Diego County Office of Education LGBTQIA+ Advisory Committee. The purpose of this committee is to further the work and advocacy of LGBTQIA+ scholars and the community.
- I am honored to have been appointed to serve on the University of Southern California Rossier School of Education's Dean's Superintendent's Advisory Group.
- I hosted a Superintendent's Town Hall for families on Wednesday, February 24. I shared updates with our families and held a Q&A. The town hall was pre-recorded and shared with all of our families so everyone had access to the information presented and able to join the Q&A with questions. *See enclosed presentations.*
- A Planning Survey was sent to all stakeholder groups, to solicit feedback for both the LCAP and to plan for the upcoming year. *See enclosed results.*
- I attended the Small School Districts Association (SSDA) Virtual 2021 Annual Conference Monday and Tuesday, March 8 and 9.
- I attended the California School Public Relations Association (CalSPRA) Annual Conference with Kimberly Aguilar, our Community Relations Coordinator, Thursday and Friday, March 11 and 12. During their Excellence in Communications Awards Night on Thursday, March 11, Compass was recognized with two (2) Excellence in Communication Awards for our "April-May Blog Series – Support During the Covid-19 Pandemic" and the "May 2020 Compass Charter Schools' Above and Beyond Campaign."
- I attended the California Charter Schools Annual Conference Monday, March 15 through Friday, March 19, with a delegation of 14 staff. I was honored to have been invited to serve as a panelist for the session on 'Highlights of Exemplary Practices at Nonclassroom-Based Charters' on Thursday, March 18. *See enclosed presentation.*

A lot of great work is taking place, thanks to our dedicated staff, to continue to improve the educational experience we provide our scholars. My thanks to our team for everything they do each and every day.

Respectfully Submitted,

J.J. Lewis

Learning Continuity and Attendance Plan (LCP) Quarterly Update March 2021

[Section 1: In-Person Instructional Offerings \(CCS of San Diego Only\)](#)

[Section 2: Distance Learning Program](#)

[Section 3: Pupil Learning Loss](#)

[Section 4: Pupil and Family Engagement and Outreach & Mental Health and Social & Emotional Well Being](#)

Section 1: In-Person Instructional Offerings (CCS of San Diego Only)

Action 1	Purchase IT-related support for OCLC scholars and staff as needed to ensure access to high quality academic offerings
Update	<p>No action has been taken. The Orange County Learning Center (OCLC) continues to be closed for in person services due to COVID-19.</p> <p>On our docket: Upon reopening for in-person services, we will be ordering additional hotspots to accommodate scholars and staff with better Internet services on an as needed basis.</p>

Section 2: Distance Learning Program

Action 1	Identify scholars through Multi-Tier System of Supports (MTSS) who need additional support and interventions based on results of internal assessments and work completion and provide support sessions with the Supervising Teacher (ST), access to online support resources, and tutoring. All Principals will complete deficiency notices for any grade 6-12 scholars who are receiving a grade of C or lower every quarter. Deficiency notices will be sent to the parent at the semester mid-point.
Update	<p>All tutoring rosters were updated based off of our mid-year diagnostic testing results. Scholars who had scores placing them in Tier 3, or in need of intensive intervention, were invited to our tutoring groups. We also combined the middle school and high school tutoring groups to allow more time in our tutors' schedules for 1:1 appointments and group study hall sessions. Any scholars referred during the A Scholar Intervention Team (ASIT) meetings will have the opportunity to receive a 1:1 time slot for intervention and support.</p> <p>On our docket: During April and May, we will strive to continue to increase attendance in our tutoring sessions and continue support for those scholars identified during ASIT meetings.</p>

Action 2	Identify scholars who are English Learners (EL) and provide additional support and resources to ensure their reclassification.
Update	<p>English Language Proficiency Assessments for California (ELPAC) Summative testing started on February 16 and will continue until May 31. As of March 22, 54 EL scholars from CCS of San Diego, eleven (11) scholars from CCS of Los Angeles, and one (1) scholar from Yolo have completed the assessment. An additional 120 scholars still need to complete the assessment, and of those, 52 are already in progress.</p> <p>Counts of EL scholars per charter are as follows:</p> <ul style="list-style-type: none"> ● CCS of Los Angeles: 44

	<ul style="list-style-type: none"> ● CCS of San Diego: 136 ● CCS of Yolo: 6 <p>Additionally, our EL Support Coordinator continues to implement Listenwise literacy and language support during our live EL support sessions. Listenwise offers standards-aligned podcast lessons with scaffolding built in for ELs. The scaffolded lessons focus on building academic vocabulary, reading comprehension, and writing.</p> <p>On our docket: Supervising Teachers (STs) will continue to assess scholars to ensure we complete testing by May 31. Additional training, Ask Me Anything sessions, and support are offered to the STs by the Assessment Department and Assessment ToSAs. Regarding Listenwise, throughout the remainder of the school year, the pilot team will be creating best practices and a teacher toolkit for schoolwide implementation in August 2021.</p>
--	--

Action 3	Identify and provide additional support and resources for our Scholars With Exceptional Needs (Section 504 Plans and Individualized Education Plans (IEPs))
Update	<p>Scholars continue to be seen virtually in all services areas of qualification. In-person services and assessments will continue for scholars that have this service in their IEPs. Requests for assessments from the Scholar Success Team (SST) process as well as learning coaches will receive Assessment Plans.</p> <p>The Scholar Support Coordinator held 13 Section 504 meetings in the month of February and approximately 6 for March.</p> <p>On our docket: The Scholar Support Coordinator will continue to provide support for the scholars with Section 504 plans. Provided supports include collaboration with the scholar, learning coach, and supervising teachers (STs), ensuring implementation of accommodations, monthly check-ins with STs to determine how well the Section 504 plan is supporting the scholar, and compliance of annual meetings. There are currently 11 Section 504 Annual Meetings being scheduled for the remaining months of the school year.</p>

Action 4	Identify and provide additional support and resources for our Foster Youth and McKinney-Vento Scholars
Update	<p>The Declaration of Eligibility for Immediate Enrollment Form has been finalized for the 2021-22 academic year. The Compliance Coordinator has developed a plan in collaboration with the Registration Team to re-assess McKinney-Vento eligibility for the current eligible scholars in order to determine their status for the upcoming academic year, which includes a survey. The survey has generated about 43 responses so far. We are focusing on having the families complete their re-enrollment process first and then the</p>

	<p>re-assessment of eligibility survey. The Scholar Services Technicians assisted the week of March 22nd with checking their re-enrollment status in order to focus on the scholars that plan to return to Compass. We are currently serving 270 McKinney-Vento eligible scholars and three (3) Foster Youth scholars across our three (3) charters.</p> <p>On our docket: Our main focus at this time is helping our current McKinney-Vento eligible and Foster Youth re-enroll for the upcoming academic year. In addition, the Compliance Coordinator is working with our back-office provider, CSMC, to update current McKinney-Vento eligible families in CalPads to ensure program eligibility for Free Reduced Lunch and addresses are correct to prepare for the Pandemic-EBT card distribution. The Pandemic-EBT card distribution is said to begin in May, but no specific dates have been announced. The California Department of Education is still awaiting approval from the United States Department of Agriculture on the communication plan and timeline of this program.</p>
--	---

Action 5	Purchase curriculum to support our English Learners (EL) scholars.
Update	<p>NOTE - this action connects with Action 2 above.</p> <p>We acquired access to Listenwise literacy and language support in early February. We held the implementation meeting on March 1 with a small group of supervising teachers (STs) and our EL Coordinator to pilot. During the week of March 8, the EL Coordinator sent login information to all 6-12-grade ELs and began implementation in the optional ELD live support sessions for 6-12-graders on March 11 and 12. So far, 35 EL scholars in grades 6-12 have logged in to Listenwise. Of those 35 EL scholars, 42% (grades 6-8) and 44% (grades 9-12) are actively working in the program. In addition, on March 15, STs received training in data coaching for the Lexia program. This training provided support for using data to identify areas of intervention for EL scholars and resources to use to provide support.</p> <p>On our docket: The plan is to implement Listenwise with 3-5-grade scholars by early April and continue to encourage more scholars to login and work in Listenwise while they receive scaffolded support in the ELD live support sessions. Throughout the remainder of the school year, this pilot team will be creating best practices and a ST toolkit for school wide implementation in August 2021. On April 5, STs will also have another Lexia Training that will include data, best practices and use of instructional materials to support Learning Coaches and EL scholars.</p>

Action 6	Provide staff training to support distance learning.
Update	After reviewing data from the needs assessment, the Chief Academic Officer provided information regarding standards-based grading. A Standards-Based

	<p>Grading professional development was held as an Ask Me Anything Session on March 19th. Furthermore, an interactive scenario-based workshop was held by the Multi-Tier System of Supports (MTSS) committee chair in order to deploy our MTSS framework. Supervising Teachers (STs) collaborated to share best practices utilizing tier 1 and 2 supports under our MTSS umbrella. Finally, based on staff feedback, we partnered with ADL for professional development on anti-racism/anti-bias. Interactive training sessions were held on February 24th and March 17th; pre-work was assigned in order for staff to self-reflect and be aware of their own biases.</p> <p>On our docket: The LGBTQIA+ Taskforce is developing a proposal for an all staff training on LGBTQIA+ matters and how to best support our LGBTQIA+ scholars, learning coaches, and staff this spring; date is to be determined. These trainings are designed to help train staff on different needs and different demographics for our scholars. During COVID and the increase of mental health concerns, it is important for STs to know how best to support scholars in their Social Emotional Learning (SEL). The LGBTQIA+ Taskforce will continue to plan for ongoing professional development for the future school years.</p>
--	--

<p>Action 7</p>	<p>Purchase IT-related support for scholars and staff as needed to ensure access to high quality academic offerings.</p>
<p>Update</p>	<p>NOTE - this action connects with Action 1 in Section 1 above.</p> <p>The IT Department phased out 40 laptops that were 5+ years old for our current staff. The IT Department is also purchasing additional hotspots for scholars at this time on an as needed basis to ensure our scholars have access to high quality academic offerings. To date we have provided hotspots to 10 families.</p> <p>On our docket: The IT Department will continue to provide hotspots on an as needed basis for our scholars.</p>

<p>Action 8</p>	<p>Purchase curriculum to support K-3 scholars experiencing reading difficulties.</p>
<p>Update</p>	<p>Using the Dynamic Indicators of Basic Early Literacy Skills (DIBELS) screener, the goal is to pre-screen scholars to address dyslexia concerns prior to Special Education referrals. To date, eight (8) scholars have been screened and/or being monitored with DIBELS.</p> <p>On our docket: We will continue to monitor and support the scholars with Dyslexia concerns by administering the DIBELS 8 screener in collaboration between the Scholar Support and Special Education Departments.</p>

Action 9	Hire additional staff to directly support scholars with Social Emotional Learning (SEL) and unique needs.
Update	No action has been taken at this time. On our docket: CCS will continue to evaluate the needs of our scholars, and make staffing decisions to ensure they receive the support needed to be successful.

Section 3: Pupil Learning Loss Strategies

Action 1	Identify scholars through Multi-Tier System of Supports (MTSS) and through our tri-annual benchmark assessments who have experienced learning loss and provide additional support and resources needed to ensure scholars learning needs are prioritized and addressed.
Update	All tutoring rosters were updated based off of our mid-year diagnostic testing results. Scholars who had scores placing them in Tier 3, or in need of intensive intervention, were invited to our tutoring groups. We also combined the middle school and high school tutoring groups to allow more time in our tutors' schedules for 1:1 appointments and group study hall sessions. Any scholars referred during the A Scholar Intervention Team (ASIT) meetings will have the opportunity to receive a 1:1 time slot for intervention and support. On our docket: Throughout the remainder of the school year, we will strive to continue to increase attendance in our tutoring sessions and continue support for those scholars identified during ASIT meetings.

Action 2	Provide our English Learner Scholars 100% access to Lexia, our new ELD Curriculum, additional live support sessions, and frequent check-ins.
Update	NOTE - This action connects with Action 2 in Section 5 above. We acquired access to Listenwise literacy and language support in early February. We held the implementation meeting on March 1 with a small group of supervising teachers (STs) and our EL Coordinator to pilot. During the week of March 8, the EL Coordinator sent login information to all 6-12-grade ELs and began implementation in the optional ELD live support sessions for 6-12-graders on March 11 and 12. In addition, on March 15, STs received training in data coaching for the Lexia program. This training provided support for using data to identify areas of intervention for EL scholars and resources to use to provide support. In addition, on March 15, STs received training in data coaching for the Lexia program. This training provided support for using data to identify areas of

On April 5, STs will also have another Lexia Training that will include data, best practices and use of instructional materials to support Learning Coaches and EL Scholars.</p>
--	---

Action 3	Utilize the triannual benchmark results to identify the Multi-Tier System of Supports (MTSS) tiered level of support necessary to support each scholar through CCS Workshops, tutors, and additional instructional support
Update	<p>Scholars continue to receive tutoring and instructional support based on the mid-year benchmark assessment and supervising teacher (ST) input. Additionally, we have opened up more 1:1 slots with our tutors to provide intensive interventions to those scholars referred by STs during A Scholar Intervention Team (ASIT) meetings. Tutoring groups have been updated accordingly. ASIT meetings will be held again on April 14 and May 12.</p> <p>On our docket: Planning for our final two (2) ASITs (April 14 and May 12) and end of year diagnostic is in progress.</p>

Action 4	Provide scholars with virtual college tutors to help bridge any educational gap they are experiencing
Update	<p>No action has been taken at this time.</p> <p>On our docket: If we were to move forward with this action, we make the recommendation for the AVID Coordinator next year to analyze the feasibility regarding this action item and its alignment to AVID tutoring.</p>

Action 5	Provide staff training to support pupil learning loss strategies
Update	<p>An interactive scenario-based workshop was held by the Multi-Tier System of Supports (MTSS) Committee Chair in order to deploy our MTSS framework. Supervising Teachers (STs) collaborated to share best practices utilizing tier 1 and 2 supports under our MTSS umbrella. A Professional Development and demo deployed to STs to enhance scholar learning; this toolkit will be used by STs to provide more interactive lessons for scholars in all subject areas. STs further collaborated within our Professional Learning Communities (PLCs) focusing on the impact COVID-19 has had on scholar learning and social-emotional needs and shared scholar anecdotes and best practices to support their needs.</p>

	<p>On our docket: Training will be provided to our online elementary team to utilize supplemental curriculum to close skill gaps. K-3 “kits” and novel orders for 4th and 5th will be used for online scholars to further supplement and differentiate curriculum and learning. K-5 STs will pilot IXL to address scholar skill gaps and supplement Accelerate Education curriculum.</p>

Action 6	Increase our subscription access to ensure our scholars have the tools they need to improve their academic outcomes
Update	<p>Our Multi-Tier System of Supports (MTSS) Committee will continue to curate resources for learning coaches highlighting our numerous subscriptions and the tools available within those programs to support instruction. We have created a resource document as well for all supervising teachers (STs) that highlights popular strategies, websites and teaching tools for STs to utilize as Tier 1 and Tier 2 interventions. We have currently held five (5) meetings, with time for ideation and collaboration.</p> <p>On our docket: Our MTSS Committee will meet two (2) more times before this school year ends and plans to have resources available to STs and learning coaches for math, ELA and SEL in all grade spans.</p>

Action 7	Purchase Advancement Via Individual Determination (AVID) Summer Bridge to strengthen scholars’ math and science skills. This program will also provide support for English language learners.
Update	<p>No action has been taken at this time.</p> <p>On our docket: More discussion and collaboration needs to take place to make the determination of whether or not we wish to move forward with this action.</p>

Action 8	Implement a schoolwide Wildly Important Goal (WIG) - 100% of qualified scholars will graduate. Each department will develop a goal to aid in achieving the WILD goal by end of the school year.
Update	Each department has continued to update their compelling scoreboards and report out to their division on a bi-weekly basis. The Divisions continue to share their progress with the Superintendent & CEO to release schoolwide. Each department has continued to review strategies, collected data and discuss their findings during their team meetings, department meetings, Professional Learning Communities, and leadership meetings. We also started our monthly Compass Deep Dive in February, where each department head shares updates with the entire organization on the work of our WIG.

	<p>On our docket: Each department will continue to update their compelling scoreboards and report out biweekly. At the end of the year, we will evaluate if we achieved our WIG, which supports academic achievement and holistic support of our scholars.</p>

Section 4: Pupil and Family Engagement and Outreach & Mental Health and Social and Emotional Well Being

Action 1	<p>Our Engagement Department will provide enriching opportunities for our scholars to connect with each other. There are multiple virtual scholar clubs available for our scholars to join based around scholar interests and requests such as gardening, music, Minecraft and more.</p>
Update	<p>The Spring Scholar Clubs Kickoff was held on Wednesday, February 10. Scholar clubs will continue to meet on a monthly basis. Our Engagement Department has continued to support and work alongside our club advisors. We held our Quarter 3 Club Advisor meeting on March 2. The Director of Engagement has met 1:1 with various club advisors to provide additional training. Club activity continues to be tracked and Zoom protocols continue to be implemented. We currently have 25 active scholar clubs.</p> <p>On our docket: The Engagement Department will be focusing on closing out clubs for the 2020-21 school year. Club meetings will pause during the month of April to support state testing efforts. Clubs will host final meetings in May/June and club activity will continue to be monitored in the Engagement Department Scoreboard. We will also hold our Quarter 4 Club Advisor meeting on Tuesday, May 4 at 11:00 am to continue providing meaningful support and training for our advisors.</p>

Action 2	<p>Our Engagement Department will provide enriching opportunities for our learning coaches to connect with each other. We will provide a school-designed program called Learning Coach Academy which will be facilitated virtually and supports educating our parents on topics such as Back to School Night, Internet Safety, State Testing Overview, Attendance Overview, Preparing for College, Growth Mindset and more. We will translate our Learning Coach Academy sessions to be available in Spanish as well as English. Learning Coaches who complete our Learning Coach Academy will receive a certificate of completion for reviewing all the required sessions. In regards to parent support, we will develop a Learning Coach Ambassador program in order to create additional support options for learning coaches.</p>
Update	<p>The Engagement Department launched two cohorts of Learning Coach Academy. The first cohort started the week of February 8 and the second cohort started the week of March 3. There have been weekly interactions, collaborations and support with those participating in Learning Coach</p>

	<p>Academy. Topics covered so far have included Back to School Night, Internet Safety, Preparing for College, Importance of Testing and Art of Journaling for Education.</p> <p>On our docket: The Engagement Department will continue to support the Learning Coach Academy. Cohort 1 will wrap up in April and Cohort 2 will wrap up in May.</p>
--	---

Action 3	<p>Our Engagement Department will offer a variety of virtual scholar workshops designed to provide engaging extra-curricular activities and socialization for our scholars.</p>
Update	<p>In collaboration with all three Compass Charter Schools (CCS) Principals, we implemented the celebration of Heritage Months. We held our Black History Month assembly in February, where scholars had the opportunity to create poetry inspired by Black History, and we also heard from Dr. Walter Milton Jr., our guest keynote speaker. On March 19, we held a Women’s History Month assembly. Scholars were invited to complete research on a “Woman in History” and were given the opportunity to present their research live at the assembly, and we also heard from Nicholette Parrish, our guest keynote speaker.</p> <p>Virtual Scholar Workshops have continued twice per week with a total of 694 scholar registrations across all workshops from mid-January to mid-March. Scholars have experienced a variety of hands-on and interactive workshops including: STEAM Field Trip in a Box, Garner Holt Productions, “I Have a Dream”: Martin Luther King Jr., Inauguration Watch Party, Holocaust History Session with the Museum of Tolerance, Kid’s Table Cooking Class, Pig Heart Dissection, and Drawing and Painting like Van Gogh. Workshops have included combinations of Q&A sessions, a hands-on project, and interactive activities that encourage scholar participation and socialization.</p> <p>On our docket: Virtual Scholar Workshops will continue twice per week for the remainder of the school year. The Engagement Department will continue to provide hands-on, interactive experiences to scholars as well as track activity on a biweekly basis. We will also hold the following Heritage Month assemblies: Jewish American Heritage Month Assembly on May 7, Asian Pacific Heritage Month Assembly on May 14 and Lesbian, Gay, Bisexual, Transgender and Queer Pride Month Assembly on June 4.</p>

Action 4	<p>We will provide a variety of scholar awards to assist with our scholar engagement. These awards include but are not limited to Scholar of the Month, Firebird of the Year, Core Values (ARTIC) Awards by semester, Perfect Attendance, Samaritan Award, Honor Roll and more. We also engage our scholars virtually in monthly contests and biannual spirit weeks.</p>
----------	--

Update	<p>The Engagement Department will continue to award the Scholar of the Month awards. During the month of February, scholars participated in a Scholar Steps Challenge and in March participated in a reading challenge.</p> <p>Awards. Scholar of the Month awards have been awarded for January and February to one elementary, middle school, and high school scholar in each charter. All Scholar of the Month announcements can be found on the “news” section of the Compass Charter Schools website. Each scholar recipient receives a mention in our press release, a certificate, and a bumper sticker via mail.</p> <p>Contests. Contests were assigned in January (Spirit Week), February (Steps Challenge), and March (30 in 30 Reading Challenge). Winners were announced at the close of the January and February contests. March contest winners will be announced via the Monday Morning Update in early April.</p> <p>Honor Roll. CCS of Los Angeles: 348 scholars on Honor Roll (40%) CCS of San Diego: 388 scholars on Honor Roll (36%) CCS of Yolo: 302 scholars on Honor Roll (46%)</p> <p>On our docket: The Engagement Department will continue to award the Scholar of the Month awards and prepare for end of year awards. During the month of May, we will also conduct a summertime recipe contest.</p>

Action 5	Increase virtual scholar workshops for scholars throughout the year.
Update	<p>The Virtual Scholar Workshop schedule for the remainder of the year was finalized in February with two (2) to four (4) interactive workshops scheduled each week. Many of our workshop offerings maxed out with registrations and additional sessions were added to accommodate scholars on the waitlist.</p> <p>On our docket: On track to be completed by end of 2020-21 school year.</p>

Action 6	Increase Workshops throughout the year for scholar leaders.
Update	<p>National Honor Society members were invited to attend the LEAD Winter Conference at the end of February and three (3) of our NHS scholars participated. LEAD Winter was a virtual conference on February 26–27, which brought together and inspired scholars from all over the world to make a difference in their schools and communities.</p> <p>On our docket: More discussion and collaboration will continue to take place as opportunities arise for our scholar leaders.</p>

Action 7	Purchase Personal Protective Equipment, first aid kits and additional sanitation agents to safely follow in-person instructional and engagement events guidelines.
Update	<p>Due to COVID-19, all in-person activity has been suspended. The following PPE has been purchased: socially distant desks, office shields, Clorox disinfecting wipes, Lysol Spray, Lysol Cleaner, Microban Aerosol Spray, and hand sanitizer. The sanitation agents are being stored at the Central Office.</p> <p>On our docket: Action complete.</p>

Action 8	Our counselors will advocate for the mental health needs of all scholars by offering instruction that enhances awareness of mental health, appraisal and advisement addressing academic, career and social/emotional development, short-term counseling interventions, and referrals to community resources for long-term support.
Update	<p>Counseling small groups have continued to support the mental health needs of scholars served under each school counselor with Morning Starter, Firebird Talk and College Road Map. During the month of February and March, the Counseling Services Team delivered social-emotional curriculum lessons to middle and high school scholars that were focused in areas of compassion, communication, relationships, and mistake friendly environments. These lessons served and supported 69 scholars with social emotional live instruction with recordings available upon request.</p> <p>On our docket: During the month of April and May, the Counseling Services Team will be delivering our final social-emotional curriculum to scholars in middle and high school. The area of focus will be on building confidence and happiness.</p>

Action 9	Partner with community providers to offer mental health services and support to our staff.
Update	<p>No action has been taken at this time.</p> <p>On our docket: This action has been put on hold until further notice.</p>

San Diego Charter | Spring 2020

A Word from our Principal, Kasey Wingate

Happy spring!

Scholars are well into the second semester and engaged in their rigorous curriculum. They are working hard to stay on pace and engaged in their coursework. Teachers are planning new learning labs and live sessions, ensuring to incorporate test preparation skills to prepare our scholars for state testing!

Testing an excellent time for scholars to connect with Compass staff and a critical time to see how your scholar is doing academically and pinpoint areas of strength and areas of needed improvement.

As families and supervising teachers have met during parent and teacher conferences and connection meetings, scholars, have set both short-term and long-term goals to ensure our CCS scholars exemplify our ARTIC core values: Achievement, Respect, Teamwork, Integrity, and Communication. We're excited to see our San Diego scholars finish off the second semester strong!

What's Been Happening at the San Diego Charter?

Our San Diego scholars have been working diligently in their coursework! Our elementary scholars worked on estimates and state test preparation with Ms. Grimes. They also worked on AVID-focused note-taking and reading responses with Ms. Chavez.

Our middle school scholars are learning about COVID-19 in their science learning lab with Ms. Angelo.

And our high school scholars had fun in their learning labs with Ms. Sowell, doing imperialism quick-writes and Renaissance art. They also joined Mr. Vazquez for a variety of interactive Spanish lessons.

Keep up the good work, scholars!

Work Samples and Learning Labs!

Second-grader, Weston C. had fun in his interactive history lesson!

My Business Plan: Profits-Losses

Directions

Add to your business plan - What are your projected profits? What are your projected losses if any? How many employees do you need for your business and why? Can you grow your business? If so, how?

Profits	Losses
<p>years I would sell my plastic putty on websites directed towards kids. If I sell in bigger packs for a slightly higher price I could profit a good amount.</p>	<p>During this pandemic a lot of people don't have money to buy putty. So I'd lower the price and have sales like buy 2 get 1 free. I would lose product but also make a small amount of profit.</p>

Number of Employees: 4
(based on the number of jobs you will need in your business)

Why? We would only need 4 employees because packing and selling putty requires 2 people, 1 manager and 1 sales and marketing rep.

Meet the Schroeder Family!

Why did your family choose to learn from home instead of a traditional school?

I think that for most homeschooling families, the “why” in which we choose to educate our children is a constantly evolving question and answer. My husband and I both come from different educational backgrounds; I went to a public school and he was homeschooled. I wish I could tell you that the reason behind our decision to homeschool was because of some wonderful experience that myself or my husband had during our own childhood education. But the truth is, when we started having children, we couldn’t bear the thought of somebody else having the privilege of spending the entire day educating the people that we loved the most. That this someone else was going to potentially see so many moments of wonder in our children’s eyes that we would then miss.

For me, there was also a fear of, “what if my child struggles in school the way that I did and the teacher is unable to teach in a way that makes sense to them specifically, and they get left behind.” We really wanted our children to have a tailored education, fit to meet their specific needs, wants, and interests, to ensure that struggling was never an option and that a love of learning to learn would blossom.

As our children learned from home, there were so many more reasons “why” this was the right option for us. Simple things like having a rhythm rather than a schedule and more complex things like my kindergartner can be successful doing third-grade mathematics, first-grade reading, but with a kindergartner’s attention span. It became apparent that our children both excelled in some subjects and needed a little extra explanation in others; school at home allowed us to be there and accommodate all of it. One size fits all didn’t apply to how our children learned. We have one very tactile learner and one very auditory learner. Because we

are only focusing on one and two students rather than 25 or 30 scholars, we can meet each of their specific needs and educate them to understand the material completely before we ever move on, which ensures that they NEVER get left behind.

Does learning from home help your scholar achieve their goals? If yes, please explain how.

Absolutely! Teaching my children at home gives us the flexibility to choose to teach them lessons about things that they show interest in specifically. One month my kindergartner was very intrigued by space. We took the entire month to learn astronomy, but not just astronomy. His math lessons, science, language arts, and history were all about outer space, planets, and historical events that happened in the vast unknown. And we have the opportunity to do that every week if we please to keep them engaged, meet their goals, and absorb all of the material that the lessons come with. What better way to keep your child interested in school than making school evolve around their interests? When they're learning about things they care about and are passionate about, they push to soak up and retain as much information as they possibly can! It's beautiful.

Why did you decide to school from home with Compass Charter Schools? Describe your experience with Compass.

Like I said before, I was not homeschooled. So this entire adventure was going to be entirely new for me. I went to friends and family for advice on how to start, and as much as they tried to make it less overwhelming, the idea of homeschool became very intimidating to me. Filing affidavits and submitting samples to the state seemed scary. All I wanted was to teach my kids. Then my cousin told me about Compass. I felt confident knowing that with Compass, all of the paperwork, work samples, and everything state-related would be taken care of. And an even bigger added plus was knowing that we would have someone with us along the entire way for help. We were placed with the most amazing supervising teacher, Jan Marquez, who has made our homeschooling experience not only as simple as possible but genuinely nothing short of amazing. She is ALWAYS a phone call or email away to answer any questions or give advice when needed! I know now that the decision to go through Compass was the very best decision we could have made for our family's homeschool journey.

Share a piece of advice you'd give to a parent thinking about taking their child out of school to school at home?

A piece of advice I would like to share is to do it! Do it and never replicate a classroom or another family's homeschool. I made a mistake early on, thinking that I needed to replicate a classroom setting for my children. I remember getting really frustrated that my children wouldn't come to sit down at the table with their pencils up and their heads down and working for several hours.

It was how I remembered it and thought that was how it was done. I hated it. My kids hated it. It wasn't working for us. Once I let the idea of replication go, we began doing school all over. Some days school was done while laying in the grass listening to birds chirp under the beautiful California sunshine, other days school was done cozied up on our couch while eating hot homemade scones that we used to teach measuring and fractions, and sipping tea, other days we sit at the dining table and work on a full understanding of the lessons. But that's the beautiful thing about homeschool; you get to choose what it looks like. So don't replicate

because the only time you're NOT doing it right is when it feels like it isn't working for your family specifically.

What do you, your scholar, and the family enjoy doing together during your free time?

We have five children under seven, so there isn't much room for free time in our family, but we love spending time outdoors if we can make free time. Whether it's at our house spending time with our chickens in the garden, riding bikes and scooters, making forts, or out discovering new fun places to have an adventure in an RV, anything outside is where we prefer to spend our free time.

Staff Spotlight: Dr. Yulonn Harris, Supervising Teacher

What is your job title and job responsibilities at Compass? How long have you worked for this organization?

I am a Supervising Teacher, and I have been working for Compass for almost 2 years. I work with a diverse number of families in the Options program.

Tell us your "why" for doing what you do here at Compass.

First, because this is what God called me to in being HIS teacher/educator, only God has placed me here in this organization for HIS reasons and HIS reasons alone. Additionally, I love helping learners in a diverse setting. Working with families to explore the best options for their K-12 educational career motivates me and ignites my God-given talents and gifts. I look forward to collaborating with families and my colleagues in general, and I like diverse settings so that I learn from others as much as possible.

As an educator, is there a piece of advice you'd like to share with learning coaches or scholars?

I believe that all learners have their own unique way of learning. I thrive on building programs to personalize learning for each learners' context while maintaining the best resources for all learners to access daily. I like to remain positive, be kind, and remember that "[The contents of our character](#)" ([Dr. Martin Luther King, jr.](#)) are what people will always remember!

MY MOTTO/ADVICE: for more than 15 years is: Together we TOUCH MINDS to SHAPE THE FUTURE!

Share one thing about you that very few people know.

I love living abroad. I learned how to read, write and speak Spanish while living abroad in Morelia, Michoacan, Mexico, during my Undergraduate Studies. Instead of vacations, I sometimes explore living abroad in different countries. I love Central America! During my stays abroad, I assist in teaching and learning to educational institutions globally.

What do you and your family like to do during your free time?

BE FREE to be who GOD created us to be open without judgment. We love going to church together and PRAISING GOD! That is something we love to do together as well as independently. We are not here on earth as humans having a SPIRITUAL experience, but we are SPIRITS on earth having a HUMAN experience. We also laugh A LOT as my family is full of hilarious scenarios, and they are just fun to be around, especially my Father and Grandma. My Grandma is the Matriarch of our family and God-willing; she will be 99 this April 2021.

Compass Charter Schools | Spring 2021

Spring is in the Air!

Happy Spring Compass Families!

We have had an incredible semester and start to the spring season with many accomplishments, special events, and accolades. I continue to be very proud of our Compass family, who work so diligently with scholars, parents, and staff to adapt, grow and thrive during this pandemic. Our team and families continue to exceed my expectations in reaching towards our Wildly Important Goal (WIG) of 100% of our eligible scholars graduating by the end of the school year!

It has been quite the busy season at Compass as we blossom into Spring! In February, we started the Compass Anti-Bias Task Force, as we were inspired by our current times and [Black History Month](#). We hosted a Black History Month Assembly for all scholars on February 26. The assembly consisted of scholars reading their award-winning poetry and a special guest speaker Dr. Walter Milton Jr., Co-Author of Black History 365.

In March, Compass celebrated [National Women's History Month](#). We hosted a Women's History Month Assembly for all scholars on March 19. Nicholette Parrish, a combat veteran and Spirit of American Field Representative presented her experience working in a male-dominated field. At the same time, scholars were invited to create a slide on a notable woman from history. We honored the female heroes at Compass, in our lives, and the world.

I had the privilege of being named a [Top 100 Visionaries in Education by the Global Forum for Education & Learning \(GFEL\) for 2020-2021](#). GFEL highlights educational leaders, often the unsung heroes, for their unparalleled contributions by providing a platform for networking and learning amongst a closed group of award-winning peers from the industry.

More exciting news, Compass was awarded [two 2021 Excellence in Communication Awards from the California School Public Relations Association \(CalSPRA\)](#). We were awarded exemplary public relations contributions in our "Community Engagement Campaigns" at the CalSPRA Virtual Annual Conference, March 11-12. The awards were for our ["April-May Blog](#)

[Series – Support During the Covid-19 Pandemic](#)” and the [“May 2020 Compass Charter Schools’ Above and Beyond Campaign.”](#) Compass thrives on being the Gold Standard in Virtual Education, and these awards illuminate our teachers’ and staffs’ expertise and support for families during these difficult times.

[Enrollment](#) at Compass is now open! It is very exciting as scholars re-commit to Compass and as we add new scholars from our waitlist for the upcoming 2021-22 school year! Check out our [Virtual Information Sessions](#) to learn more about all that Compass has to offer!

AVID - Advancement Via Individual Determination

What's Been Happening in AVID?

Things are heating up in our **AVID High School Electives**! Mrs. Lomeli has been impressed with all scholars' commitment to sharing what AVID (Advancement via Individual Determination) means to each of them as they think about and plan for their futures.

AVID Compass scholars have been hard at work annotating and collaborating on shared readings using Edji and FlipGrid! they are utilizing interactive web tools in learning labs, challenging scholars to connect virtually and share their voices with their peers in preparation for college and career readiness.

Collaboration is critical in our AVID elective component as scholars prepare for a rigorous high school and college schedule. And as they prepare for life after college and begin their careers. AVID equips them with skills necessary to navigate the workforce. As we continue to build for our futures, we will continue to use essential questions, note-taking strategies, and WICOR to deepen our core courses' learning. We end the year strong as we customize our individual academic portfolios!

Introducing our CCS AVID Next Generation Leaders -Two scholars, in particular, have demonstrated great leadership and academic preparedness this semester. Take a moment to get to know [Careli](#) and [Laylani](#), AVID elective scholars with a very bright future!

Counseling Services Department

What's Been Happening in Counseling?

Can you believe there are just a few months left in the school year? Yes! Summer break is not so far away. We hope that before things get too busy with spring break, coursework, and finals, our scholars will begin planning to make the most of their time off during the summer. Scholars' summer plans will vary depending on each scholar's personal needs and situation. Perhaps some scholars have an interest in volunteering, working a job, attending summer school, taking their first community college class, or graduating and heading off into "the real world." Whatever their plans may be, our counselors, including our college career counselor, are here to support them and help them achieve their summer goals!

The excitement continues in the counseling department! In February, we celebrated **National School Counselor Week**. The counseling team promoted being "All in for All Scholars" daily on our Twitter page. We are all so thankful for the appreciation that we received!

Also, the counseling team was excited to attend the two-day virtual **San Diego School Counselor Con: Reboot 2021**. The event kicked off with a welcome message from Dr. Paul Gothold, San Diego County Superintendent of Schools, and keynote speaker Tara Brown, an award-winning educator, author, and international speaker known as 'The Connection Coach.'

We continue to provide our weekly Counseling Learning Lab and Morning Starter small groups. The attendance has been overwhelmingly fantastic, and we appreciate all the scholars that are attending weekly! Looking ahead, we are excited to start the planning process for the next school year. Returning scholars will be making course selections, while graduates will be busy planning their transition into life after high school.

We want to congratulate all of our Fall 2020 Graduates, where we had a total of 19 scholars complete their CCS graduation requirements. Here are some highlights of scholars who graduated with us upon completion of the Fall 2020 semester!

Counseling Staff Spotlight: Meet Michelle Bateman, Counselor (Ru-Z)!

Meet Michelle Bateman, Counselor!

What is your job title and job responsibilities at Compass? How long have you worked for this organization?

In my role as a School Counselor, I am an advocate and a resource for scholar academic, social, and emotional development. Our team collaboratively supports scholar goal achievement and preparation for post-secondary life through comprehensive school counseling services. I strive to empower lifelong learners with the knowledge, skills, and tools needed for success while highlighting the unique strengths already present in each scholar. Also, I collaborate and consult with Compass staff to increase our combined capacity for serving scholars and families. I've been a proud Compass team member for one year and eight months!

Tell us your "why" for doing what you do here at Compass.

I believe all scholars deserve a caring adult in their life and support developing their sense of awareness, belonging, confidence, and direction. I'm passionate about education and equity. By focusing on finding solutions and working together, I believe we can overcome any obstacle and foster success.

Is there a piece of advice you'd like to share with learning coaches or scholars?

No matter how experienced or educated you are, there is always something more to learn. It is okay not to know it all! Learning is a lifelong process.

Share one thing about you that very few people know.

Few people know that prior to being a school counselor, I worked in a variety of settings supporting scholars with disabilities. This included time as a tutor, instructional assistant, substitute teacher, and academic coach.

What do you and your family like to do during your free time?

My family and I love to travel (pre-pandemic), play games, watch Netflix, and eat! I also enjoy art, yoga, and cuddles with my cat Sheba.

Counseling Success Stories

Meet Eva Elizondo, Eleventh Grade Scholar

Eva Elizondo is a scholar at our Compass of San Diego charter. After a challenging Fall semester- with COVID and everything else, Eva has put in the hard work both academically and personally to achieve amazing success this term! We are so proud of you, Eva!

-Kiki Helton, Counselor

“One of the hardest challenges I have had to overcome is finding my own pace in a world that is repeatedly changing. Lately, it seems like change is one of the most constant things in our lives. Every day there is something new, and at times it can be difficult to adapt. In school, it’s hard to adjust to the system or the workload. It is even harder to find the genuine motivation to get to work. Every so often, getting work done feels like an enormous feat but finding the motivation, even a little bit, can be like igniting a massive fire out of a small spark. It seems like an inconvenient process to search for the drive within yourself though it is even harder to attempt and get things done without it.

'You can't always see the light at the end of the tunnel, but if you keep moving, you will come to a better place.' Personally, this quote encourages me to believe in myself and what I am working towards even if it seems like the finish line is blurry or nowhere to be found.”

Virtual Scholar Workshops!

Our scholars continue to impress us each week with their skills and talents in our virtual scholar workshops! Together we experienced the historical Inauguration during our Inauguration Watch Party, completed our Garner Holt Productions animatronics series, and celebrated Spirit Week and Black History Month! We also read *Ten on the Sled* with Mrs. Arnheiter, celebrated Valentine's Day, had our Springs Club Kick-Off, and had visits from the Museum of Tolerance, Mission San Juan Capistrano, the Kid's Table, Walt Disney Family Museum, Environmental Nature Center, and Healthy Steps Nutrition and Crossfit!

Clubs!

Our scholars continue to enjoy our 26 active clubs including subjects like cooking, photography, STEAM, the arts, books, chess, coding, virtual field trips, and more!

Contests!

We have three outstanding winners to recognize for our February Steps Challenge!

Congratulations to our first place winner, [Name], for taking a total of 160,246

steps in February! We would also like to congratulate Pranathi

M. of CCS Yolo for taking 167,345 steps and a scholar from

CCS Los Angeles for taking 78,707 steps!

Event Highlight!

In February, we hosted our first **Black History Month Assembly!** Scholars had the opportunity to write and share poetry influenced by Black History Month. Each poetry entry was thoughtful and inspiring, and we are so proud of our scholars for their hard work!

We also had the opportunity to hear from Dr. Milton, who spoke with scholars about the contributions that African Americans have made to American history in their struggles for freedom and equality, deepening our understanding of our Nation's history.

Amadiora is a special person to me
Best friends we'll always be.

If you meet her you would know she is special too
Her happiness sticks like glue.

She loves everybody
no matter who.

she loves me
and probably you.

Madi and me both have a lot in common
I bet she even likes ramen.

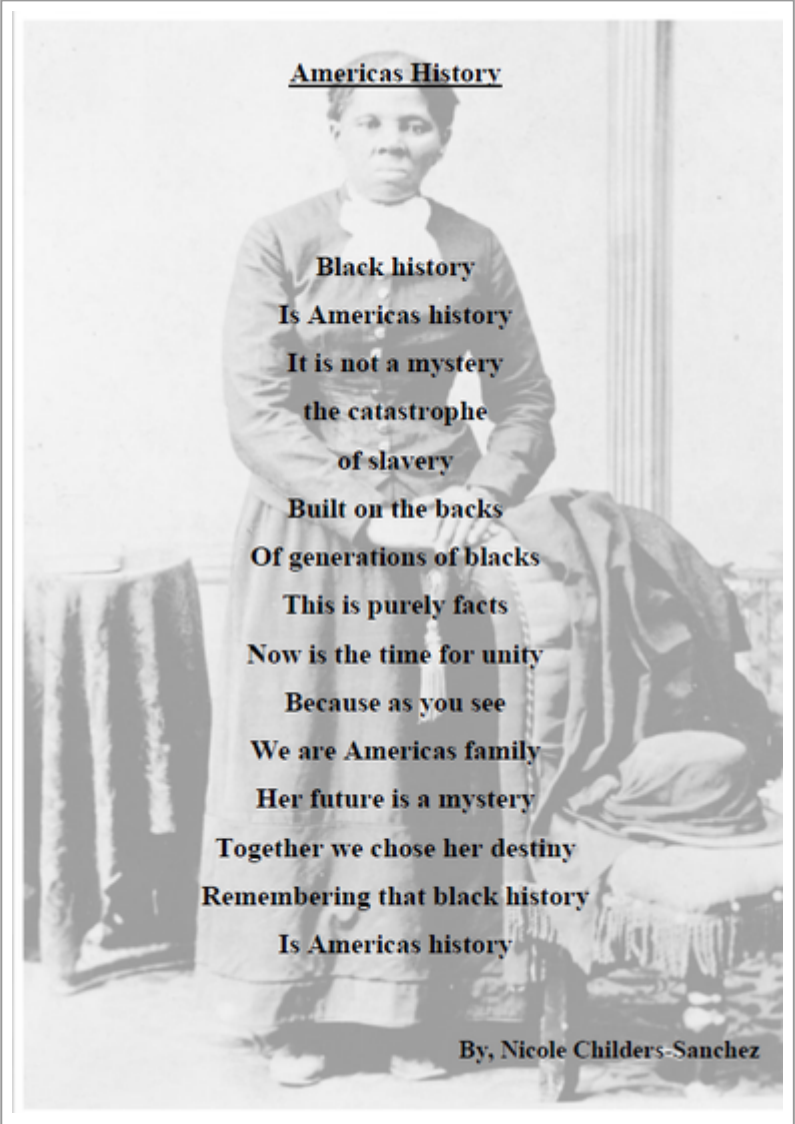

We both like Pokémon
and we both like getting our dance on!

We both watch the same things
play the same things
and do the same things.

Its my wish
that everyone
would love others
like Madi does.

Americas History

**Black history
Is Americas history
It is not a mystery
the catastrophe
of slavery
Built on the backs
Of generations of blacks
This is purely facts
Now is the time for unity
Because as you see
We are Americas family
Her future is a mystery
Together we chose her destiny
Remembering that black history
Is Americas history**

A poem about Veronica Perry
My best friend Jaylen's mother.

Veronica is very nice, maybe the best person I know,
we all love her everyone says so.

She's beautiful inside and out
my best friend Jaylen agrees, no doubt.

She will always be like a mother to me
her smile makes me full of glee.

She is very loving and very gentle,
her friendship is very much essential.

I would love for her to be my godmother
A woman like her there is no other.

Special Education Department

What's Been Happening in Special Education?

We are excited to announce the launch of Learning Ally. This reading program will help all of our scholars who are struggling with reading, not just those with an IEP. This program has over 15,000 titles read in a human voice rather than computer read. This program will help ensure that our scholars have access to participate and enjoy the same grade level readings that their peers are. Supervising teachers and Education Specialists will be able to add scholars who are good candidates for this program. This is a "soft" launch, and we hope to have it available schoolwide by the start of the 2021-2022 school year.

Special Education Work Sample!

The screenshot shows a Zoom meeting in progress. The main window displays a document titled "Similar Triangles Worksheet 3".

Section A: Also fill in missing angles. Tick the two triangles that are similar (without questions).

1) $\triangle ABC$ with $\angle A = 100^\circ$, $\angle B = 30^\circ$, $\angle C = 70^\circ$.
2) $\triangle DEF$ with $\angle D = 55^\circ$, $\angle E = 25^\circ$, $\angle F = 120^\circ$.
3) $\triangle GHI$ with $\angle G = 60^\circ$, $\angle H = 10^\circ$, $\angle I = 70^\circ$.
4) $\triangle JKL$ with $\angle J = 25^\circ$, $\angle K = 11^\circ$, $\angle L = 64^\circ$.

Section B: In each question the triangles are similar.

1) $\triangle ABC$ with $\angle A = 90^\circ$, $\angle B = 7.5^\circ$, $\angle C = 82.5^\circ$. Sides: $AB = 9$, $BC = 12$.
 $\triangle DEF$ with $\angle D = 90^\circ$, $\angle E = 19.5^\circ$, $\angle F = 70.5^\circ$. Sides: $DE = 7.5$, $DF = 18$, $EF = y$.

2) $\triangle ABC$ with $\angle A = 120^\circ$, $\angle B = 14.4^\circ$, $\angle C = 45.6^\circ$. Sides: $AB = 10$, $BC = 14.4$.
 $\triangle DEF$ with $\angle D = 120^\circ$, $\angle E = 2.5^\circ$, $\angle F = 97.5^\circ$. Sides: $DE = 10$, $DF = 2.5$, $EF = x$.

Handwritten Solutions:

For problem 1:
 $x^2 + 9^2 = 12^2$
 $x^2 + 81 = 144$
 $x^2 = 144 - 81$
 $x^2 = 63$
 $x = \sqrt{63} = 7.94$

For problem 2:
 $7.5^2 + 18^2 = y^2$
 $56.25 + 324 = y^2$
 $380.25 = y^2$
 $\sqrt{380.25} = \sqrt{y^2}$
 $19.5 = y$

The Zoom interface shows a sidebar with participants: Barbara Johnston and Rebecca Walker. The bottom of the screen shows the Windows taskbar with the time 4:49 PM on 1/21/2021.

Staff Spotlight: Siobhann Shore, Education Specialist

What is your job title and job responsibilities at Compass?

I am an Education Specialist, a case manager for scholars with special needs that need additional educational support.

Tell us your “why” for doing what you do here at Compass.

I love teaching virtually and working with scholars in small groups or 1:1. I think everyone here has been so nice and welcoming. I really am enjoying being a part of such a supportive online community.

As an educator, is there a piece of advice you’d like to share with learning coaches or scholars?

It is most important to remember that we really work for the scholars. Their success is our success, and our support in their learning journey matters a great deal for their future.

Can you share one thing about you that very few people know?

I have enjoyed studying at Oxford University in the Summer. I have an appreciation for 19th Century Victorian Literature.

What do you and your family like to do during your free time?

In a non-covid world, we love to go to museums, plays, Disneyland, Six Flags, explore, travel, and play.

Yolo Charter | Spring 2021

A Word From our Vice Principal, Karle Roberts

The warmer weather always excites me after the cold winter and reminds me that spring is near! The flowers start to bloom, and green leaves appear, making me excited to get outside and enjoy the fresh air! It's a great opportunity to use nature for science lessons and to get active! One of the many reasons I love Compass is our flexibility to take the laptop outside for some sunshine and a change of scenery!

I am thankful for our amazing team of dedicated teachers and support staff that always put our scholars first! Let's all make a point to take our learning (and working) outside and soak up a little sunshine and enjoy the birds, bugs, and flowers emerging before us!

Forever loud and proud,

Karle

What's Been Happening at the Yolo Charter?

New Yolo Service Provider Available - Exciting news, Yolo families! Our Options scholars have a new [Mathnasium service provider](#) in Rohnert Park.

Gardening Club- Scholars have been growing their own produce! One scholar has quite the carrot crop! We learned how to use egg crates as compostable seed starters with a kit that

everyone received, and last month we transplanted them to our garden beds.

National Honor Society (NHS) - We have been getting ready for NHS induction and encouraging scholars to volunteer. Ms. Dong, one of our Yolo Supervising Teachers, has two NHS scholars on her roster who will graduate in June and have worked really hard to graduate successfully.

This has been an exciting quarter for Mrs. Lehman's seventh-grade Social Studies class as scholars learn about some of the earliest explorers from Europe to reach the new world in search of new opportunities during the 1600s. Scholars have used various digital tools to organize their learning, including keeping Cornell notes and using an [interactive digital notebook](#). During learning labs, they applied spatial thinking skills using [PearDeck](#) to identify key points on a map and draw different voyages' routes. In preparation for their unit exam, they reviewed core ideas using a [Padlet](#) to collaborate and create a study guide together.

good job!

Fractured Fairy Tales- The Three Little Pigs

Once upon a time there was a weary old mother pig who had three hungry pigs that were always eating up all the food. So she kicked them out and told them to fend for themselves.

The first hungry pig loved to bake, so he baked tons of bread and built himself a house out of it. The second hungry pig loved to snack, so he ^{built} himself a house out of his favorite snack, pretzels. The third hungry pig loved sweets, but he knew the forest was full of wolves, so he ^{built} himself a house out of hard peanut brittle.

The next day a hungry wolf was walking around the forest looking ^{for} something to eat. He smelled the fresh-baked bread and followed his nose to the first hungry pig's house. The wolf saw the pig inside through the window. So he knocked and said, "Hungry pig, hungry pig, let me in." The hungry pig responded, "No, no, no, not by the yeast of my bready, bread, bread!" So the wolf showed his teeth and said, "Then I'll nibble and chomp your house down!" CHOMP, CHOMP, NIBBLE! But hungry pig escaped and ran to his brother's house.

The hungry wolf continued down the road until he saw a pretzel house and heard two pigs squealing inside. This made his nose drip and mouth foam. So he knocked on the door and said, "Hungry pigs, hungry pigs, let me in." They squealed, "No, no, no, not by the yeast of my pretzy, pretz, pretzels!" Then the wolf said, "I'll nibble and chomp your house down!" CHOMP, CHOMP, NIBBLE! But the two hungry pigs escaped and ran to their brother's house and slammed the door shut.

The wolf ran after the two hungry pigs and watch them slam the door shut. He was furious and hopeful that there was a third pig in there. So he knocked on the door and said, "Hungry pigs, hungry pigs, let me in." They squealed and screamed, "No, no, no, not by the nut of my nutty, nut, nut!" Then the wolf said, "Then I'll nibble and chomp your house down!" CHOMP, CHOMP, OUCH!!!!!! The peanut brittle house was so hard that it broke all the wolf's teeth. The hungry pigs watched as the wolf agonized in pain and ran off never to be seen again.

THE END.

I'm impressed w/ your ideas!
First of all, replacing building materials w/ food was new then making them cry out "Not by my (god)" was very creative.

The Forgotten War

Mrs. Guerrero's third-grade scholar researched the Korean War as well as interviewed his great grandfather who served in the war. In doing so, he met both his English language arts and social studies standards.

Corporal Roland Kusrow (Great-Grandpa)

On February 3, 1955, my Great-Grandpa Roland Kusrow turned 80. That same month, he got drafted into the United States Army! He was headed for Korea, but first, he had to do basic training. He was sent to Fort Ord, near Monterey, but they lost his papers for two months! He had to stay on base the whole time, and it must have been boring. He didn't get to go to the beach or anything! But once they found the papers, he was sent on to Camp Roberts to train to be an infantryman.

At Camp Roberts, he had to train from early in the morning until midnight, sometimes. He learned how to use a gun, how to respond when under attack, and all sorts of things! The commanding officers yelled at everyone a lot, and that wasn't too fun, but when you're in the military, you have to do whatever they say!

Once Grandpa finished his training, he was promoted to corporal. I think that's pretty cool! Then he had to travel on a huge ship overseas for 14 long days; they didn't get to travel on airplanes back then as much. The ship was so full of GI's, there wasn't any room to turn around. Grandpa didn't get sick, but a lot of guys did, and they weren't given any medicine to help. The guys just threw up all over the decks, and it was a mess. Grandpa said the ocean must have been a "tough son-of-a-gun," 'cause the ship tossed and turned like crazy!

PAGE 2

Did the war really end?

The U.S. and South Koreans dominated the sky, heavily bombing North Korea. The Chinese and Russian-backed North Koreans dominated the land and mountainous areas. Thus, the war came to a stalemate, and in July of 1953, the Korean Armistice Agreement was signed. However, a peace treaty was never signed. This means the Korean Civil War was never officially ended and is still unresolved all these years later.

The Cold War was full of tension and constant espionage, and largely overshadowed the Korean War. People soon forgot about the bloody conflict in Korea that took so many lives. Thus, it is known as the "Forgotten War."

But the Koreans haven't forgotten, the veterans who fought in it haven't forgotten, and now, after doing this project and hearing my Grandpa's story, I will never forget.

This is me PROUDLY wearing my Grandpa's Army jacket!

Kamala Harris Paper

Victoria R., a sixth-grader of Ms. Dong, wrote a biography on Kamala Harris in celebration of Vice-President Harris' election. She took inspiration from Vice-President Harris' accomplishments.

Kamala Harris

Did you know that we now have the first woman vice president who is also a woman of color? Well, her name is Kamala Harris, and I am going to tell you all about her.

Kamala Harris was born in Oakland, California. Her mother, Shyamla was born in India and her father Donald was born in Jamaica. Kamala's mom is a scientist and her dad is a teacher at Stanford, they met and got married in Berkeley. When they weren't working they marched for civil rights. Kamala also has a younger sister named Maya. Kamala and Maya would always visit their grandma and grandpa in Zambia.

In middle school Kamala moved from California to Canada where her parents nursed her on the civil rights movement, but she couldn't wait to get back to America because she wanted to make things better. So after middle school and high school she went to college in America at Howard University and came out a winner.

On her first day of college she was helping, she gave flyers to the students for the Liberal Arts Student Council. She really focused on her future. She went on the debate team to get her speaking skills better and she interned at the Federal Trade Commission, she did some research at the National Archives to study how the government worked, and even joined the students at the National Mall in Washington, DC to protest apartheid in South Africa. Kamala wanted to help make things better.

After Howard University, Kamala came home so she could study at the Hastings College of the Law. There were court cases and some contracts needed to be filled by Kamala and she changed the lives of others and it filled her heart because she was happy to change lives.

Kamala graduated law school, that meant one more exam to take and that was The California Bar. Without passing it, Kamala couldn't practice law. Kamala didn't pass, that taught Kamala something new, failure. So she tried again and SHE PASSED!

Kamala was finally ready to make her dream work. Well first Deputy District Attorney. Next the first Indian-American woman voted into the US Senate and the little girl named "lotus flower" turned into something people can call on. As senator, Kamala was fighting for laws so the laws can help workers make more money. She joined the women's march on Washington for equality and civil rights. She traveled very far but not far enough, so on Martin Luther King Jr.'s birthday on the TV show Good Morning America, Kamala told everybody she was going to run for president.

Kamala realized running for president cost a lot of money and she didn't have enough money and it was sad but she had to drop out of the race. Kamala was looking forward to the work she could get her hands on and make great ideas to help America.

Kamala then teamed up with our Former Vice-President, Joe Biden. He was running for president too and needed someone to be his Vice-President and he picked her. Kamala kept trying and reached her dreams. She is now Vice-President. So, no matter what...

Magellan's 255-Day Voyage!

A seventh-grade scholar is learning about the Americas' first European explorers in Mrs. Lehman's Social Studies class. In this journal entry, scholar G.F. recalls what it might have been like to be a seaman on Magellan's 255-day voyage around the world. Magellan and his crew were the first to circumnavigate the world.

GF

*Assignment: Magellan And Drake
circumnavigate the World*

3/9/20201

It was 1519 when I began the voyage to sail around the world with Ferdinand Magellan. We had 5 ships and I was one of the 250 men aboard them. Magellan wanted to find a westward route to India and Asia. I certainly didn't think that it was possible to sail around the world. After all, the world is flat. Everyone knows that! But I will give him the benefit of the doubt. He was the one of the sailors who found the Philippine Islands.

We did not have shiny new ships. So that worried me. The ships looked like they would fall apart in a storm. But Magellan said that they were perfectly fine. He said King Charles of Spain helped him get ready for the voyage. I will be on the ship Magellan himself will be sailing. The ship was called the Trinidad. We had wine and water stored in barrels and the only way to preserve food is to dry and salt them. To me, that sounds gross, but it's the only way to make them last. I am one of the crewmembers that need to check the food and water to make sure they didn't go bad. If some food was going to go bad, the crew members have to eat it before it does. It's how to save food. The way we cooked was to boil water on the deck and the food was served

on the deck too. People get diseases really easily on these ships. And everyone got a little scurvy from the lack of food. Especially me.

We set sail on September 20th, 1519. We spent months on the sea and *still* didn't achieve Magellan's goal. By then I had given up and told him multiple times that the world was flat. We can't sail around the world! But he still didn't listen to me. I nearly died in the winter when we anchored in the icy waters of the Atlantic Sea because I got pushed overboard. Magellan helped me as always. He was always nice and kind to the crew members and mourned over the death of ships that sank while we were voyaging. We stopped immediately and watched the ships go down. It was heart sinking.

Finally, after a year and a half, we achieved Magellan's goal of finding a waterway to Asia and India. I got sick multiple times and got pushed overboard multiple times, but it was worth it. Magellan called the waterway, "The Strait of Magellan." I did not like it at all. I would rather have called it: "The waterway of doom." The winds were violent, we lost a couple of our ships, the water was fast and deep, so we had no way to anchor. A month later, we reached the end of the waterway. I would never want to go in there again. We endured many months of adventure. Magellan discovered a new ocean and named it: "Pacífico." I thought that was a pretty good name.

When we got back to Spain, I had learned a few things from the adventure at sea. One, the world is round, not flat. Two, Magellan is a noble captain. He became my best friend. And three, I am never going on a boat again.

Grade 6, Technology Elective,
LP5
Rachel Domino

Danya Omair
Python Sample
February 18

Team Sort

Code with Explanation

```
from random import choice
```

1. First import random (a function to pick things from lists random) from a library called choice

```
players = []
```

2. Creating a variable called players which just holds an empty list (for now)

```
file = open('Players.txt', 'r')
players = file.read().splitlines()
print ('Players:', players)
```

*Players.txt is a list I created earlier. It just contains names of random

```
1 Bob
2 Joe
3 Danya
4 Rachel
5 Meg
6 Beth
7 Tim
8 Any
9 Tom
```

people.

3. Creating players to sort:

- a. Open Players.txt and read it
- b. Split list into separate lines (because the computer reads it as on long line)
- c. Print the list of players

```
winner = choice(players)
```

4. The computer chooses a random player from the list of players and assigns it as the winner of something. This isn't needed until later.

```
teamA = []
teamB = []
while len(players) > 0:
    playerA = choice(players)
    teamA.append(playerA)
    players.remove(playerA)
    if len(players) == 0:
        break
    playerB = choice(players)
    teamB.append(playerB)
    players.remove(playerB)
```

5. Sorting the players into Team A and Team B:

- a. Create 2 variables (teamA and teamB) containing two empty lists (for now)
- b. While loop: the following process will keep repeating while there are more than 0 players not sorted into teams yet.
- c. Choose a random person from players (ex: Danya)
- d. Add 'Danya' to teamA
- e. Take 'Danya' away from players
- f. If there are no more people in players, end the loop
- g. Otherwise, repeat the process except put the person into teamB

The loop will keep repeating, switching back and forth between putting a player into Team A and B until there are no more players.

```
print('\nHere are your teams:\n')
print ('Team A', teamA)
print ('Team B', teamB)
```

6. Print the complete teams (If there was an odd number of people in the list, Team A would have one more person than Team B)

```
print('\nThe winning player is ', winner)
if winner in teamA:
    winning_team = teamA
    print ('The winning team is Team A!')
else:
    winning_team = teamB
    print ('The winning team is Team B!')
```

7. Figuring out the winner and whose team they're on:

- a. Print the winning player that was chosen in the beginning
- b. If the winner is in Team A, that is the winning team
- c. Otherwise, the winner must be in Team B, so that is the winning team

Scholar Spotlight: Meet the Flint
Family!

We Are The Flint's!

Leon, Ashleigh, Waylon, Evalyn, and Matthew.

Compass has given us so much opportunity. We have been able to have the most amazing school supplies and materials! And we have been able to afford school supplies that we otherwise would not have access to.

Our kiddos are our greatest joy. Being home with them and encouraging their gifts and talents is such a priceless gift. Especially this year, during quarantine, we were able to keep a positive rhythm and a strong schedule to bring peace and comfort to our children during these challenging times.

All three kids participate in sports and after-school activities. Waylon and Matthew love Brazilian JiuJitsu, being outdoors, and caring for our eclectic mix of animals. Evalyn loves cheer and choreography. We spend hours at the skate park, bike riding, visiting our local creek and hiking spots, hunting for lizards, and making friends at just about every spot we visit.

Homeschooling is the best lifestyle choice that we've made as a family. Our supervising teacher Kristin Valdez has been an asset to our success. Not only does Compass supply us with amazing vendors, but we also have a strong resource in Kristin, and she always answers texts and emails and is helping our kids and myself.

We have also had an awesome experience with testing one of our scholars, and I'm so grateful for how that experience has gone for our family.

We love Compass!

Staff Spotlight: Meet Kristen Winter, Online High School Teacher

My name is Kristen Winter, and this is my seventh school year teaching with Compass! I am a high school PE teacher with Compass online high school. I have been teaching in public or public charter schools since 1996. This is my fourteenth school year teaching online.

I have always had a calling to help and work with people. I started babysitting at 11-years-old and continued to care for children throughout high school and college. In college, I started tutoring my peers and found a lot of satisfaction in helping them achieve better grades and reaching their academic goals.

In addition to helping people in an academic capacity, I also enjoy helping others reach their fitness and health goals. I am a certified personal trainer and have run a small fitness business working with people of all ages.

At Compass, I enjoy working with families all over California and helping them be successful in their academic pursuits. I appreciate that scholars have the opportunity to choose the academic path that fits their needs.

The advice I would share with scholars and learning coaches is always to keep communication lines open with each other, your teachers, and your counselor. We are all a team working towards each scholar's success.

One thing about me that very few people know is that I am a huge animal lover, and I am obsessed with dachshunds. I currently have two miniature dachshunds and have had four other dachshunds over the past twenty years, including two rescues. I love the breed and would have more dachshunds if I could.

My family and I can be found either at a pool or the ocean in our free time. My two teenage daughters are competitive swimmers, and my husband and I are both masters swimmers. We also love to surf and prone paddle throughout the year. My husband and I also love to work in our garden and complete home improvement projects.

Staff Spotlight: Meet Sandra Valladares, Options Supervising Teacher!

My name is Sandra Valladares, and this is my second year as a Supervising Teacher at Compass Charter Schools. I have been teaching since the year 2000, but I knew I wanted to be a teacher at the age of 14. Here at Compass, I love assisting and guiding my families to succeed in their venture of learning at home.

At 14, I started teaching piano to my younger cousins for some extra money. Soon I was teaching piano to all of the neighborhood kids, including kids my own age. I continued throughout high school and loved how teaching made me feel. Being responsible for sparking understanding and knowledge in someone was incredible.

For the first 10 years of my professional teaching career, I taught everything from preschool to eight-grade. After having my children, I began the Spanish program at their elementary school. From there, I found virtual learning and began teaching Spanish virtually to students from Transitional Kinder to seniors in high school. Once again, I fell in love with how teaching made me feel, and teaching virtually made it so much bigger. Once I was lucky enough to join Compass, I saw an opportunity to help families find that feeling. I now get the chance to see learning coaches spark that understanding in their own children, and it makes me feel lucky that they let me be a part of it.

I don't consider myself an expert on anything because I know that there is ALWAYS more to learn from anyone and everyone. For me, teaching, as in life, is all about perspective. How we handle any given situation is because of the perspective that we have. I would advise scholars and learning coaches always to keep these seven perspectives of life in mind:

- Always be present
- Avoid getting overwhelmed over what you should and shouldn't do.
- See things as they are and avoid blowing them out of proportion.
- Be courageous and begin facing your fears.
- Don't rush things.
- Things are not always about you, so stop assuming what others think.
- Be grateful in life.

Something many people do not know about me, and it is my go-to relaxation activity, is that I love to do puzzles. I can get puzzles done very quickly. I once did a 5000-piece puzzle in 3 days. Of course, I get so obsessed with finishing them that I can only work on them during vacations.

I love to spend time with my family! We love swimming, riding our bikes, and having movie nights. My ten-year-old and my seven-year-old are super energetic and so, so funny. We love to laugh with each other and make up silly lyrics to well-known tunes.

Working at Compass has been a dream come true, and I am so grateful for all of the opportunities I have had to grow.

Sandra and her family.

Los Angeles Charter | Spring 2021

A Word from our Assistant Principal, Tricia Gallagher

We are officially past the halfway point of the school year; what a great year to reflect on the success and achievement of our scholars, learning coaches, and staff during a time when hope and perseverance are valued hallmarks of a challenging time in the world. It has been an overwhelming pleasure to see scholars grow, achieve, overcome, and prosper. This has been made possible by the joint efforts of passionate supervising teachers, supportive counselors, dedicated learning coaches, and engaged scholars.

What's Been Happening at the Los Angeles Charter?

With the onset of spring, we usher in a season of blue skies, extra daylight hours, and flowers in bloom. CCS of LA scholars continued to blossom as they engaged and advanced through their second-semester studies. We continued to support scholar engagement opportunities with virtual scholar workshops and the launch of second-semester clubs. Families and supervising teachers actively engaged in connection meetings, online parent/teacher conferences, along with learning labs and workshops.

In February, our teachers and scholars focused on celebrating Black History Month by recognizing and highlighting African Americans' achievements for their central role in United States History. Our month-long tribute culminated with a Black History Assembly where we

shared the value and importance of Black History, heard poetry written by our very own Compass scholars, and listened to a special guest speaker.

During March, we celebrated our Core ARTIC Award recipients. We are so proud of how hard our scholars are working and how dedicated they are to the Compass Core Values of Achievement, Respect, Teamwork, Integrity, and Communication. March also celebrates [National Women's History](#). Our team invited scholars to honor the female heroes in their lives and the world. Women daily transform negativity and find ways to uplift our homes, workplace, and the world. To all the incredible females at Compass, we admire you!

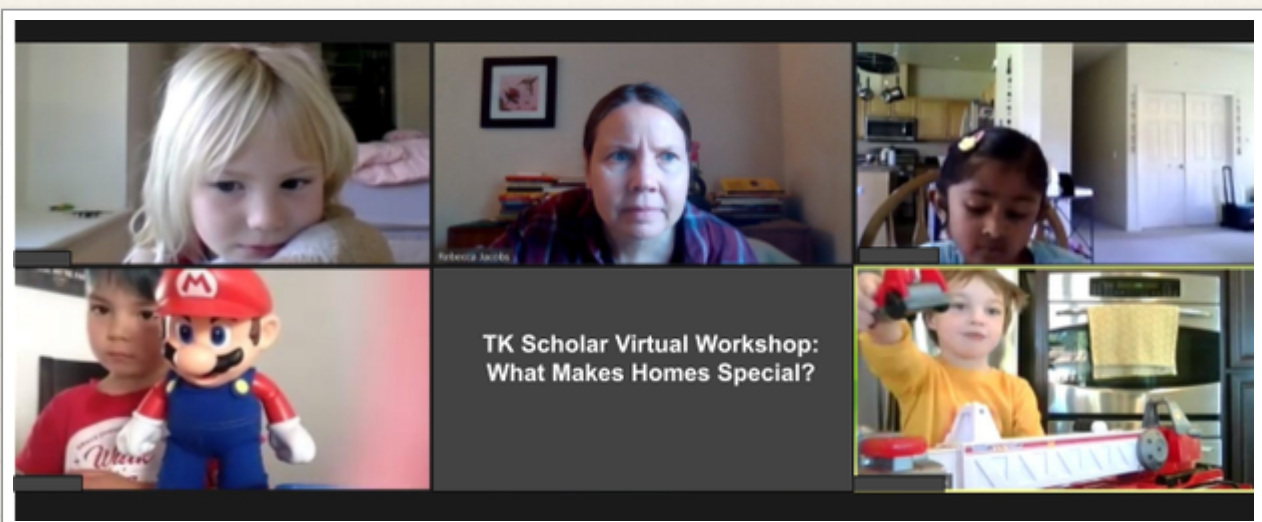

Lastly, the CCS of Los Angeles entire team would like to express their gratitude to all of the families who worked closely with their supervising teacher to complete ELPAC testing. With so many uncertainties this year, we understood the challenge in completing these assessments and are thankful for learning coaching and scholars who are dedicated to their achievement.

Work Samples and Learning Labs!

Ms. Jacob's TK class has been talking about home in social studies this month.

"What makes our homes special, and how are homes different around the world?"

Mrs. Jacobs shares, "This group is so observant and enthusiastic! I love hearing their thoughts!"

Here is a photo of music club scholar Lucas A, who posted a flip grid video of himself playing Zelda's lullaby on his Ocarina (a type of flute). Many of our scholars are submitting videos of them playing a variety of instruments in the music club!

Julie of The Wolves Novel Project!

Isaac B. creatively shared pictures in his culminating project for **Julie of The Wolves** novel.

"Amaroq, wolf, my friend,
You me my adopted father.
My feet shall run because of you.
My heart shall beat because of you.
And I shall love because of you."

That the hour of the wolf and the Eskimo is over.

Dean B. illustrated his interpretation of a theme in Julie of the Wolves novel.

Garret C. used pictures and text to share a view of Julie of the Wolves.

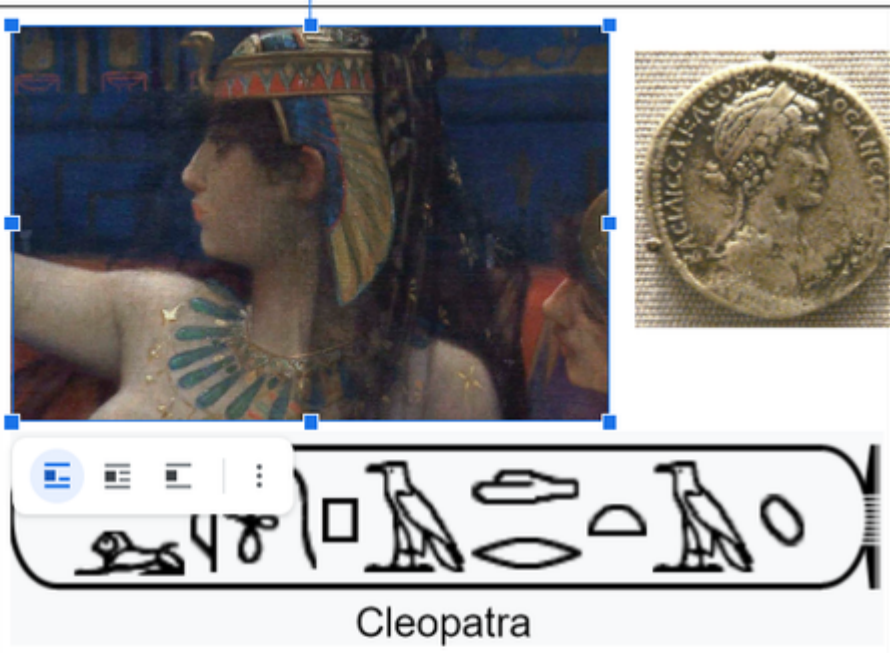

Amelie, a first-grade scholar, is learning about the life cycle of living things. She submitted her completed project and a video where she recites the steps in the life cycle of a frog. As an English language learner, she did a stellar job explaining the process in English!

Online Learning Coach, Sylva, shares her family's experience with Compass

I chose the Online Program, learning from home, for my two kindergarten children, John and Mary, after researching for over a year. I felt that it would allow for them to grow in areas where they are strongest. I was incredibly nervous about teaching them the “right” curriculum and wanted to make sure they would excel and be at the level they should be at. Compass was recommended to me by a friend, and the ability to select either the Options or Online Program was a great benefit. As a first-time learning coach, I felt more secure going with the online program. Our decision has allowed my kids to excel at their pace and has allowed me to see where they need more help. The one-on-one attention allows us to concentrate on weaknesses to overcome obstacles. My greatest joy has been seeing them grow and learn so much, especially how to read. I’ve captured all the “aha” moments.

Scheduling is key for us! Being at home and balancing between teaching and all the other

had to stop myself from doing other duties during the daytime. Daily, we start our mornings with language arts when their minds are fresh. Then we take a 20-minute break and dive into math. After our math lesson, we typically take a one-hour break and come back to do science and social studies (or vice versa.)

Our online teacher has made our learning from home experience amazing. She is always available to answer our questions, and we always look forward to her feedback. Also, the online tools that have been provided to us have been incredibly beneficial, especially the Epic online library. Due to this year's circumstances, having the zoom learning labs has allowed John and Mary to bond with their classmates without actually meeting them in person.

My advice to someone interested in an at-home learning path is to ask as many questions as possible so you can feel comfortable making a decision. Schooling from home doesn't offer the same structure as a traditional school, but the positives outweigh any negatives. It also allows us to spend time together doing what we love, such as experiencing new places, taking walks in nature, and watching movies.

The Spears Family Shares their Options Program Journey with Compass!

I am blessed to stay at home and educate our seven-year-old daughter, Daisy, an Options scholar. I cannot imagine being away from my child for six to eight hours a day before spending another one to two hours on homework and waiting until dinner time to connect! I believe that the world and environment around us are the best way to navigate the skills needed for life and to figure out what we want for our own lives. Allowing kids to explore and learn makes a huge difference. I love offering my child input on what she wants to learn and how. For instance, my daughter is very artistic; I try my best to incorporate art into every subject—even math! This allows her actually to think it's FUN versus just a duty.

I chose Compass after connecting with one of their Options supervising teachers, Whitney. She was open to my teaching method and was already naming off many resources that she thought I'd enjoy based on our first conversation. The help and accountability I receive from our supervising teacher are what's been extremely supportive. I love all of the events that are offered on ParentSquare! Especially now with the pandemic, the zoom events and the partnerships they have with other companies that offer free classes to Compass scholars have been very helpful!

As a family learning together, we enjoy daily walks, hiking, biking, beach days, picnics, playing soccer, drawing, and creating anything with wood! For us, having a routine for our days has been helpful. We start school by 9 am, and my older daughter works pretty much independently while I spend one on one time with her younger sibling.

Once they both get a little antsy, we immediately go outside and get some of the wiggly energy out. By the time it's lunch, they both know it's time to help out while we chat. These conversations are always very interesting and a huge opportunity for me to learn new things! After lunch, my daughter and I will go through a more specific subject (each day is different, for example, Monday is reading, Tuesday is science, and the school day is usually over by 3:30 pm. The joy of homeschooling is that there's so much flexibility! We are building a foundation of a love of learning. If there's frustration over something, we can go back to it! We can take dance breaks, drawing breaks, quiet time, or whatever else is needed when it seems necessary.

I love watching my child Daisy's love of learning grow and grow. My sweet six-year-old is reading through third-grade level chapter books all on her own! My favorite days are getting to learn outside, which we often do! We'll get a blanket and all of our materials and bring them outside. It makes all the difference.

Having three little ones isn't easy, much less adding home study to the mix! It's necessary to have grace and to ASK FOR HELP! I have two good friends who are also educating their children, and we get together once or twice a week to do it together! It's hard talking to our children all day long, so having friendship and support is helpful!

For anyone new to educating at home, I'd recommend finding a community of like-minded people to share the journey with. Start the morning off with dancing if anyone wakes up grumpy, and get outside every day! Give yourself Grace!! It's HARD but SO worth it. The time you spend together and the rewards of watching them successfully learn are so sweet.

Staff Spotlight: Meet Kim Myers, Online High School Supervising Teacher

Hello everyone! My name is Kim Myers, and I've been a high school mathematics teacher here at Compass since January of 2020. Before working at Compass, I taught math at another virtual high school for several years.

Our universe is written in the language of mathematics, and I love teaching this language to all the amazing scholars here at Compass.

Sometimes scholars encounter a complex concept in math, and they want to give up. It's important to realize that you might not fully grasp something the first time you see it. When this happens, you should take a break and do something completely different for a while, or even sleep on it overnight, if possible. Then, after taking the break, go back and review the concept. Each time you revisit it, you will grasp more and more until your brain fully decodes it and you suddenly understand it.

My husband and I will be married 25 years this September. We were married in Sequoia National Forest with a small group of family and friends in the middle of a grove of giant sequoias.

In my spare time, I enjoy hiking and trail running. This year, I hope to start training for the Mt. Wilson Trail Race, which was first held in 1908 and is the second oldest trail race in California. My husband and I also enjoy dancing the Lindy Hop and riding bicycles together.

Staff Spotlight: Meet Whitney Perea, Options Supervising Teacher

I have been with Compass since 2019. I facilitate families in their homeschool journey by helping pick out curriculum, placing orders, offering encouragement, and using my teaching skills to expand the home learning.

My “why” in working for Compass is twofold, and it really works for my family! The reason is my heart and passion for home educating. I love uniting with others, supporting my families, and learning from them! I have spectacular Learning Coaches with the most wonderful scholars! I like to remind LCs that no one cares for, loves, and supports your scholars like YOU. Even on your hardest day, you CAN do this!

When I’m not working, my family and I love getting outdoors. Our favorite place to camp is Leo Carrillo State Beach. We’re planning a summer road trip to see Zion, the Sequoias, and the Grand Canyon. I also like to sew. Typically, I spend much of the Thanksgiving break sewing and creating tons of presents. Last year I made ten different dresses and shirts for my nieces and nephews.

What is an IEP?

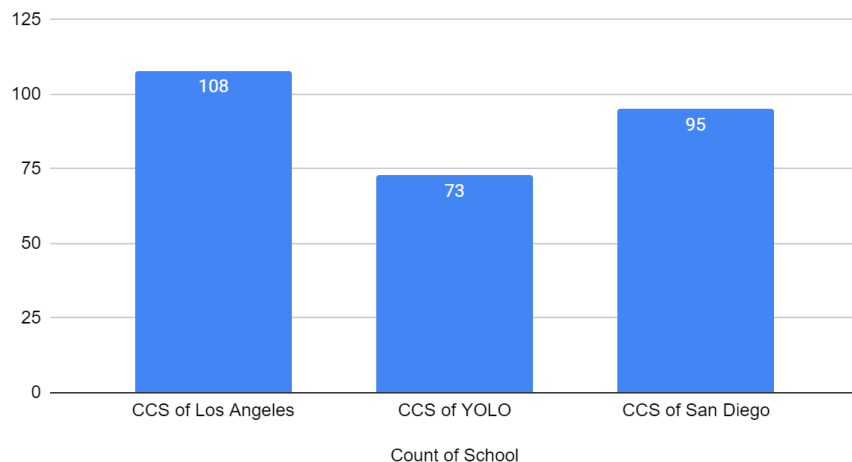

- IEP is an acronym for Individualized Education Program, or Plan. It is a blueprint or plan for a child's special education experience at school. It provides individualized special education and related services to meet a child's unique needs. These services are provided at no cost to families.
- The Individuals with Disabilities Education Act (IDEA) dictates this plan.
- This is a federal special education law for children with disabilities. A child has one or more of the 13 disabilities listed in IDEA. The law lists specific challenges, like learning disabilities, ADHD, autism, and others. The disability must affect the child's educational performance and/or ability to learn and benefit from the general education curriculum. The child must need specialized instruction to make progress in school.

IEPs

The Special Education Department continues to grow! We now have 278 scholars with IEPs across the three (3) different charters: CCS of Los Angeles, CCS of San Diego, and CCS of Yolo.

Scholars with IEP's by School

Highlights of WIG Progress:

- Teachers fully implemented contact manager in the scholar information system (SIS) to log scholar contacts and scholar achievement data in order to reach lead measures to improve scholar achievement.
- Increase in nearly all lead measures from semester 1 to end of Learning Period 5.

Barriers to WIG Progress:

- As teachers continue to use contact manager, data collection and accuracy will improve which will impact lead measure data reporting.
- With the focus on roll out and implementation, further system evaluation will be conducted to determine revisions and data analysis for the remainder of the year.

Scholar Achievement

Scholar achievement has been positively impacted by the following school-wide initiatives:

- Implementation of contact manager has increase communication across departments to further support scholar achievement.
- PLC teams further collaborated and provided case studies to share best practices utilizing tier 1 and 2 supports under our MTSS umbrella.
- Supervising teachers participated in an interactive scenario-based workshop was held by the MTSS committee chair in order to deploy our MTSS framework; this professional development directly impacts scholar achievement, as the interventions put in place will meet individual scholar needs.
- Teachers further collaborated within PLCs focusing on the impact COVID-19 has had on scholar learning and social-emotional needs and shared scholar anecdotes and best practices to support their needs.
- The CCS of Los Angeles team has been learning how social-emotional learning can be implemented through the arts to increase scholar engagement in core content which has impacted academic achievement as well.

Lead Measures:

- **Connection Meetings**
 - Every scholar will meet monthly and/or bimonthly with staff to reflect/evaluate progress, set goals and create action plans. (measured by # of scholars attending connection meetings by learning period).
- **Course/Grade Performance**
 - 80% of scholars will be on track with course performance which includes semester 1 final grades, mid-semester progress , and benchmarks assessments. Those scholars who are not on track will be identified as "at risk".
- **Attendance**
 - 95% of scholars will maintain average daily attendance requirements.

Highlights of WIG Progress:

- Teachers fully implemented contact manager in the scholar information system (SIS) to log scholar contacts and scholar achievement data in order to reach lead measures to improve scholar achievement.
- Increase in nearly all lead measures from semester 1 to end of Learning Period 5.

Barriers to WIG Progress:

- As teachers continue to use contact manager, data collection and accuracy will improve which will impact lead measure data reporting.
- With the focus on roll out and implementation, further system evaluation will be conducted to determine revisions and data analysis for the remainder of the year.

Scholar Achievement

Scholar achievement has been positively impacted by the following initiatives:

- Implementation of contact manager has increase communication across departments to further support scholar achievement.
- PLC teams further collaborated and provided case studies to share best practices utilizing tier 1 and 2 supports under our MTSS umbrella.
- PLC teams sharing big ticket items during full team report outs, whereby STs can share best practices and implement big takeaways, in order to improve communication with Learning Coaches to positively impact scholar achievement
- STs presenting mini PDs to team San Diego each meeting to share their expertise and STs learning from each other to better support their scholar population
- Supervising teachers participated in an interactive scenario-based workshop was held by the MTSS committee chair in order to deploy our MTSS framework; this professional development directly impacts scholar achievement, as the interventions put in place will meet individual scholar needs.
- Teachers further collaborated within PLCs focusing on the impact COVID-19 has had on scholar learning and social-emotional needs and shared scholar anecdotes and best practices to support their needs.

Summary

Driving factors for success this year:

- ASIT meetings for Options scholars (early identification and intervention) rather than having scholars fall more than 2 grade levels behind and assessing for SPED services
- MTSS workshop - more people felt comfortable implementing tiered interventions and supporting LCs; this also helps support scholar achievement. This goes hand in hand with improvements in the SST process
- PLCs--dedicated time for STs to dig into various relevant topics, upcoming processes, best practices to support our scholars, etc.
- Adoption of one consistent, research- and data-driven ELD curriculum, Lexia, and direct support sessions for EL scholars; seeing gains in English proficiency levels
- Small scholar to counselor ratios allowing for more personalized and frequent support, evidenced in increased concurrent enrollment and graduation eligibility
- Improved tracking of connection meetings via use of contact manager in SIS; looping in families early for successes and barriers

Highlights of WIG Progress:

- Teachers fully implemented contact manager in the scholar information system (SIS) to log scholar contacts and scholar achievement data in order to reach lead measures to improve scholar achievement.
- Increase in nearly all lead measures from semester 1 to end of Learning Period 5.

Barriers to WIG Progress:

- As teachers continue to use contact manager, data collection and accuracy will improve which will impact lead measure data reporting.
- With the focus on roll out and implementation, further system evaluation will be conducted to determine revisions and data analysis for the remainder of the year.

Scholar Achievement

Scholar achievement has been positively impacted by the following school-wide initiatives:

- Implementation of contact manager has increase communication across departments to further support scholar achievement.
- PLC teams further collaborated and provided case studies to share best practices utilizing tier 1 and 2 supports under our MTSS umbrella.
- Supervising teachers participated in an interactive scenario-based workshop was held by the MTSS committee chair in order to deploy our MTSS framework; this professional development directly impacts scholar achievement, as the interventions put in place will meet individual scholar needs.
- Teachers further collaborated within PLCs focusing on the impact COVID-19 has had on scholar learning and social-emotional needs and shared scholar anecdotes and best practices to support their needs.

Our Mission and Vision

MISSION STATEMENT

Our mission is to inspire and develop innovative, creative, self-directed learners, one scholar at a time.

VISION STATEMENT

Our vision is to create a collaborative virtual learning community, inspiring scholars to appreciate the ways in which arts and sciences nurture a curiosity for life-long learning, and prepare scholars to take responsibility for their future success.

Financial Services Impacts the WIG

WIG: By focusing on scholar engagement, 100% of eligible scholars will graduate by the end of 2020-21 academic school year

Finance & Accountability	Community Providers	Operations & Logistics
Finance will reconcile the general ledger every two weeks and evaluate the restricted fund spending to see it's on track for the proposed budget allocation. This will include LCP funds.	Ensure that we are quickly processing orders so that families have quick access to materials and services. The number of purchase orders per week matched to the % that are done correctly	Each department will quickly build knowledge and skill set with the SIS so that they can ensure their department's "relevant" info is in the SIS in a timely manner so that scholar info is accurate and usable to support scholars.

Operations Department Update

Danielle Gamez, Director of Operations has been leading the growth of her department. Over the quarter, the Scholar Support Technicians (SST) have joined the Operations Department. Danielle has focused on building the team work and connections among the Operations Department, bringing all together to tackle challenges and brainstorm process improvement initiatives. During this time the SSTs have also expanded their expertise in multiple areas across Compass, serving as administrative support to targeted areas of need. SSTs have supported areas such as Community Providers, Compliance, Registration, Records, and Special Education. The Operations Department continues to find new and innovative ways to encourage collaboration across Compass.

Compliance – Vanessa Plascencia, Compliance Coordinator has been focused on data collection for CalPads Fall 2 reporting and streamlining communication with McKinney-Vento families to engage them in completing re-enrollment for the upcoming school year. Vanessa provides support in SIS maintenance. She reviews data in the SIS for anomalies on a monthly basis. The Compliance Coordinator has collaborated with the Registration Department in streamlining communication with current McKinney-Vento eligible families to promote engagement with our re-enrollment process for the 2021-22 academic year.

We are planning for the Pandemic-EBT card distribution by updating our CalPads data with current addresses and program records to ensure our eligible scholars receive their benefits seamlessly. The CDE is awaiting approval from USDA on their communication plan in order to roll out this program. Their target date to begin the first wave of distribution is April - July.

Operations Department Update cont.

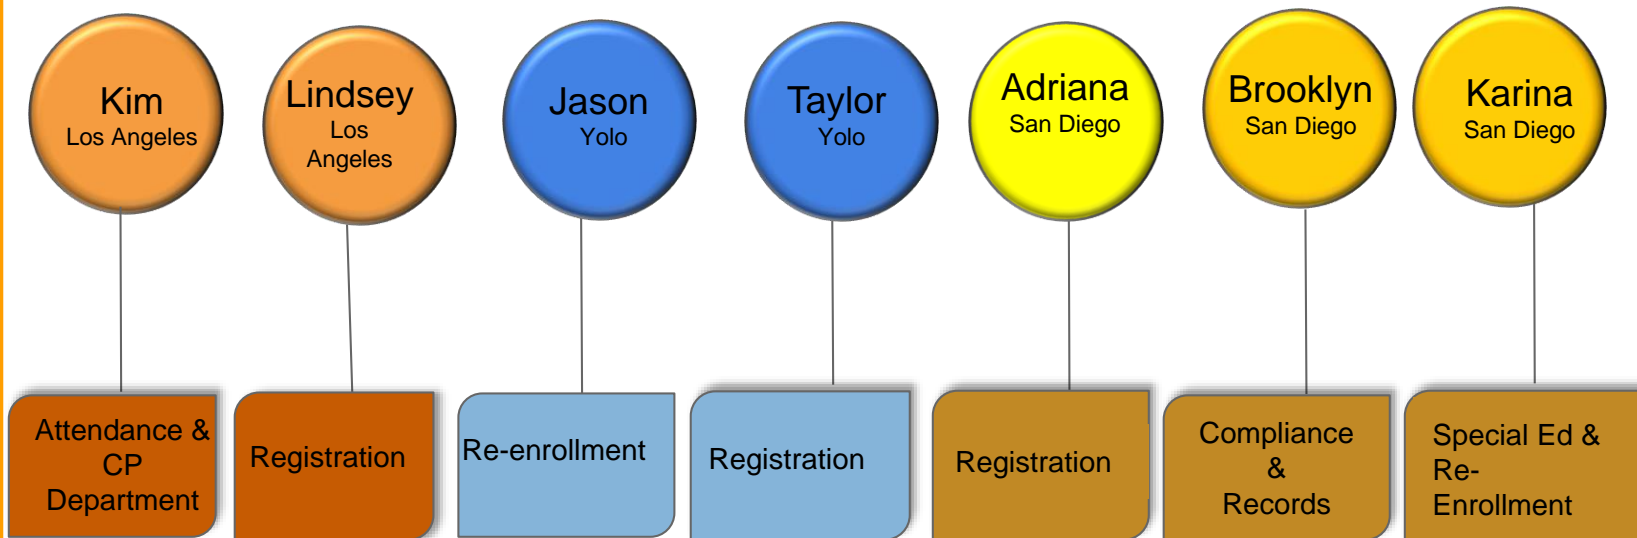

Attendance – Nora Barnhart, Attendance Coordinator has been expanding her knowledge of the attendance system in School Pathways and continues to update the attendance process as new information is learned. She has been working with the SSTs as they assist with reviewing the supervising teachers' attendance and have teachers make corrections as needed to ensure the attendance we have is accurate.

Outreach – Vanessa Beyer, Outreach Coordinator has joined the Operations Department under the Registrar. She has been committed to working with families on reenrollment and also participating in information sessions for prospective families.

Registration – Karla Gonzalez, Registrar has been working on creating and putting a plan in place for re-enrollment and 21/22 enrollment for new scholars. She has been calibrating and managing daily maintenance for Lotterease for scholars on the waitlist, Reg Online for scholars completing enrollment applications and SPSIS for active and withdrawing scholars.

"At CSMC We Rise by Lifting Others"

Financials through Feb 28, 2021

Monthly Financial Board Report

Prepared for: Compass Charter Schools

Prepared by School's CSMC SBM -Scott Warner

Financial Summary

Actual to Budget:

This report is as of **Feb 28, 2021** compared against our board-approved budget on **November 29, 2020** with a projected surplus of **\$1,444,465** based on 2,983 students enrolled and **2662.16 ADA**.

YTD Revenues Through **Feb 28, 2021** are **\$15,488,263** or **-5.9% behind** our current budget due to timing of revenue receipts.

YTD Expenses Through **Feb 28, 2021** are **\$15,148,903** or **10.5% ahead of** our current budget due to lower than expected expenses

Therefore, net income is **\$339,360** or **170.9% ahead of** our current budget.

Balance Sheet:

As of **Feb 28, 2021**, we had total cash of **\$10,330,441**, short-term liabilities of **\$1,076,201**, and long-term liabilities of **\$15,000**. The ending fund balance is **\$9,279,732**.

Review and Approval of the Board Governance Policy

Section: XII. Executive
Item: A. Review and Approval of the Board Governance Policy
Purpose: Vote
Submitted by: J.J. Lewis
Related Material: SECTION 1 - Board Governance Policy.pdf

RECOMMENDATION:

A motion to approve the Board Governance Policy.

Board Policy #: 1

Adopted/Ratified: March 28, 2021

Revision Date:

SECTION 1 – BOARD GOVERNANCE – BOARD GOVERNANCE

Role of the Governing Board

Mission Statement

- The Compass Charter Schools mission is to inspire and develop innovative, creative, self-directed learners, one scholar at a time.

Vision Statement

- The Compass Charter Schools vision is to create a collaborative virtual learning community, inspiring scholars to appreciate the ways in which arts and sciences nurture a curiosity for life-long learning, and prepare scholars to take responsibility for their future success.

Duties of the Board Members

- **Duty of Care:** Each member of the Board must perform their duties in good faith, in a manner that is in the best interests of the Corporation and with such care, including reasonable inquiry, as an ordinarily prudent person in a like position would use under similar circumstances.
- **Duty of Loyalty:** Board members will have undivided allegiance to the welfare of Compass Charter Schools and not act in their own self-interest. The Board will adopt and follow a Conflict of Interest Code. Each member of the Board will ensure the Corporation's compliance with state and federal laws.
- **Duty of Obedience:** Board members will ensure that the mission of the Compass Charter Schools is carried out by being faithful to the purposes and goals of the Corporation.
- The Board shall comply with the Ralph M. Brown Act ("Brown Act"), Education Code Section 47604.1, Government Code Section 1090, *et seq.*, the Political Reform Act, and the Public Records Act.
- The Board will participate annually in training regarding board governance, the Brown Act, and conflicts of interest rules.

Vision and Strategic Plan

- The Board drafts, modifies and approves the Compass Charter Schools Mission and reviews the Mission annually.
- The Board reviews, provides input and approves Strategic Plans submitted by the Superintendent & CEO.
- The Board adopts policies to successfully implement the Compass Charter Schools Mission and Strategic Plans.
- The Board oversees the Superintendent & CEO to ensure that the Compass Charter Schools Mission and Strategic Plans are reflected in the day-to-day operations of the Corporation, including ensuring that the curriculum aligns with the Charter Schools

Mission.

- The Board will establish and from time-to-time review organizational values.
- The Board shall from time-to-time review and update the Bylaws.

Academic Performance Monitoring

- The Board, or a committee thereof, annually reviews scholar performance based on state-mandated assessments and sets goals for scholar academic achievement at each Charter School.
- The Board, or a committee thereof, periodically reviews scholar performance based on charter school assessments and sets goals for scholar academic achievement at each Charter School.
- The Board reviews and adopts academic policies to achieve the scholar achievement goals at each Charter School.
- The Board approves all academic performance reports to all federal, state, and local agencies as required by law.
- The Board approves a Local Control Accountability Plan (“LCAP”) for each Charter School and annually reviews, updates, and approves it.
- The Board, or a committee thereof, researches or develops scholar data collection systems and periodically reviews them to ensure their effectiveness.

Staffing and Personnel

- The Board reviews and approves personnel policies and any amendments thereto.
- The Board hires, evaluates, disciplines, and terminates the employment of the Superintendent & CEO.
- The Board establishes performance goals for the Superintendent & CEO and communicates the goals to the Superintendent & CEO.
- The Board annually reviews the Superintendent & CEO’s performance based on a shared matrix of goals.
- The Board annually reviews/evaluates the Superintendent & CEO’s employment contract each Spring.
- The Board establishes and annually reviews the Superintendent & CEO succession and recruitment plans.
- The Board approves the salaries and compensation policies for all Compass Charter Schools personnel in compliance with any applicable state laws and collective bargaining procedures (if applicable).

Parent, Scholar and Community Relations

- The Board, or an administrative panel selected by the Board, hears scholar suspension, expulsion, or involuntary removal matters.
- The Board, following the suspension, expulsion, or involuntary removal hearing or following the Administrative Panel’s recommendation, makes the final decision regarding suspension, expulsion, or involuntary removal of scholars.
- The Board reviews and approves scholar and parent policies and any proposed amendments thereto.

- As needed, the Board determines the best approach to communicating with the media and community at large on specific items, consistent with the Compass Charter Schools' Mission.

Finance and Budget

- The Board reviews and approves the fiscal management and internal controls policies and any proposed amendments thereto.
- The Board approves Compass Charter Schools contracts over \$100,000.
- The Board shall review all expenditures via approval of a check register which lists all checks written during a set period of time and includes check number, payee, date, and amount.
- The Board reviews and approves the Compass Charter Schools' annual academic calendars and class schedules.
- The Board will appoint an audit committee that will solicit and select the Compass Charter Schools independent financial auditor, oversee the auditor's work, and receive the auditor's report(s).
- The Board reviews, adopts, and amends the annual budget for Compass Charter Schools with revenue being recognized in each individual Charter School and expenses being consolidated in Compass Charter Schools, then distributed to each individual Charter School based on ADA.
- The Board reviews, adopts, and amends the interim and annual financial statements.
- The Board will ensure the ending fund balances for each individual Charter School will include a reserve of no less than ten percent (10%).
- The Board, subsequent to receiving a recommendation from an audit committee, reviews and approves the audit report.
- The Board monitors the responses to the audit report and implementation thereof.

Facilities

- The Board enters into financing, leasing, and building contracts.
- The Board approves construction and remodeling of facilities.
- The Board, or a committee thereof, researches school sites as needed, and funding and facilities options.
- The Board, or a committee thereof, makes recommendations on facilities needs and policies.

Board Internal Business

- The Board drafts, reviews and approves board policies and amendments thereto.
- The Board and the Superintendent & CEO recruit and nominate prospective Board members.
- The Board orients and assures proper training for new Board members.
- The Board develops and implements a Board self-evaluation every other year. From time to time, the Board re-evaluates its self-evaluation process.

Charter Performance and Renewal

- The Board annually reviews the school performance reports.
- The Board, as needed, reviews charter school renewal proposals and reports.

- The Board approves Charter Renewal Petitions to be submitted to any chartering authority.

Delegation of Power to the Superintendent & CEO

The Board delegates the following powers to the Superintendent & CEO, or his/her designee:

Vision and Strategic Plan

- The Superintendent & CEO provides input to the Board when it drafts, modifies and approves the Compass Charter Schools Mission and in each subsequent year when it reevaluates the Mission.
- The Superintendent & CEO drafts and submits to the Board the Compass Charter Schools Strategic Plans.
- The Superintendent & CEO implements the Board-adopted policies, the Compass Charter Schools Mission, and Strategic Plans, by among other things adopting appropriate procedures and training staff on the policies and procedures.

Academic Performance Monitoring

- The Superintendent & CEO creates a report reflecting scholar performance based on state-mandated assessments, provides a copy to the Board, reviews the performance with the Board, or a committee thereof, and provides input to the Board when setting goals for scholar achievement on assessments. The Superintendent & CEO implements the goals for scholar achievement on such assessments.
- The Superintendent & CEO quarterly creates a report reflecting scholar performance based on school level assessments, provides a copy to the Board, reviews the performance with the Board, or a committee thereof, and provides input to the Board when setting goals for scholar assessment. The Superintendent & CEO implements the goals for scholar achievement based on assessments.
- The Superintendent & CEO implements Board adopted policies to achieve the scholar achievement goals, by among other things, adopting appropriate procedures and training staff on policies and procedures.
- The Superintendent & CEO creates all academic performance reports required by all state and local agencies as required by law and provides them to the Board for approval.
- The Superintendent & CEO consults with teachers, principals, administrators, other school personnel, parents, and pupils in developing the LCAP and annual update to the LCAP, which is approved by the Board annually.
- The Superintendent & CEO develops the Compass Charter Schools calendar and class schedule and provides them to the Board for approval.

Staffing and Personnel

- The Superintendent & CEO drafts all personnel policies and presents them to the Board for review and approval. The Superintendent & CEO also recommends any proposed amendments to the personnel policies and presents them to the Board for review and approval.
- The Superintendent & CEO is responsible for recruiting, hiring, evaluating, disciplining, and dismissing all Compass Charter Schools personnel.
- The Superintendent & CEO recommends the salaries for all Compass Charter Schools

personnel in compliance with any applicable state laws and collective bargaining procedures (if applicable) to the Board for final approval.

- The Superintendent & CEO ensures that all Compass Charter Schools personnel are evaluated on a yearly basis and creates the process for such evaluation with input from administrators.
- The Superintendent & CEO implements all personnel policies, including the Compass Charter Schools internal complaint procedures.

Parent, Scholar and Community Relations

- The Superintendent & CEO implements the policies and procedures adopted for scholar suspension, expulsion, or involuntary removal, and recommends scholar suspensions, expulsions, or voluntary removals to the Board or Administrative Panel, upon completion of the school-level procedures.
- The Superintendent & CEO follows the policies and procedures adopted for scholar suspensions, expulsions, or involuntary removals.
- The Superintendent & CEO drafts, and subsequently implements the Board adopted scholar and parent policies, by, among other things, adopting appropriate procedures and training staff on the policies and procedures. The Superintendent & CEO drafts amendments to the scholar and parent policies, and presents them to the Board for approval.
- The Superintendent & CEO communicates with the media and community at large in a fashion that is consistent with the School's Mission.

Finance and Budget

- The Superintendent & CEO drafts and subsequently implements the Board-adopted fiscal policies, by, among other things, adopting appropriate procedures and training staff on the policies and procedures. The Superintendent & CEO drafts amendments to the fiscal policies, and presents them to the Board for approval.
- The Superintendent & CEO approves all Compass Charter Schools contracts greater than \$25,000 up to \$100,000.
- The Superintendent & CEO drafts and submits to the Board, or a committee thereof, the quarterly and yearly budget drafts.
- The Superintendent & CEO drafts and submits to the Board the final quarterly and yearly budgets and other required financial statements.
- The Superintendent & CEO implements the responses to the audit report as instructed by the Board.
- The Superintendent & CEO must follow Compass Charter Schools purchasing procedures, including:
 - ❑ All purchases over \$50,000 must include documentation of a good faith effort to secure the lowest possible cost for comparable goods or services;
 - ❑ Documentation will be attached to all check and purchase order requests showing that at least three (3) vendors were contacted and such documentation shall be maintained for three (3) years.

Facilities

- The Superintendent & CEO conducts needs assessments for each school site at the direction of the Board.

- The Superintendent & CEO conducts capital campaigns as needed.
- The Superintendent & CEO implements any facilities policies adopted by the Board.

Charter Performance and Renewal

- The Superintendent & CEO annually drafts any required Compass Charter Schools performance reports for Board review.
- The Superintendent & CEO is responsible for the drafting of charter renewal petitions and material revisions of the charters.
- The Superintendent & CEO will foster an amicable relationship between the individual Charter Schools and their chartering authority.

ACKNOWLEDGMENT OF RECEIPT OF EMPLOYEE HANDBOOK

PLEASE READ THE EMPLOYEE HANDBOOK AND SUBMIT A SIGNED COPY OF THIS STATEMENT TO HUMAN RESOURCES.

EMPLOYEE NAME:

I ACKNOWLEDGE that I have received a copy of the Employee Handbook. I have read and understood the contents of the Handbook, and I agree to abide by its directions and procedures. I have been given the opportunity to ask any questions I might have about the policies in the Handbook. I understand that it is my responsibility to read and familiarize myself with the policies and procedures contained in the Handbook.

I understand that the statements contained in the Handbook are guidelines for employees concerning some of the School's policies and benefits, and are not intended to create any contractual or other legal obligations or to alter the at-will nature of my employment with the School. In the event I do have an employment contract which expressly alters the at-will relationship, I agree to the foregoing except with reference to an at-will employment status.

I understand that except for employment at-will status, any and all policies or practices can be changed at any time by the School.

I understand that other than the Superintendent & CEO of the School, no person has authority to enter into any agreement, express or implied, for employment for any specific period of time, or to make any agreement for employment other than at-will; only the Superintendent & CEO has the authority to make any such agreement and then only in writing signed by the Superintendent & CEO.

INTRODUCTION TO HANDBOOK

This Handbook is designed to help employees get acquainted with Compass Charter Schools (hereinafter referred to as “CCS” or the “School”). It explains some of our philosophies and beliefs, and describes some of our employment guidelines in general terms. Although this Handbook is not intended to be an exclusive or comprehensive policies and procedures manual, we hope that it will serve as a useful reference document for employees throughout their employment at the School. Employees should understand, however, that this Handbook is not intended to be a contract (express or implied), nor is it intended to otherwise create any legally enforceable obligations on the part of the School or its employees. In no way does the Handbook replace any official plan documents (e.g., health insurance, retirement plan, etc.) or insurance contracts, which will govern in all cases. This Handbook supersedes and replaces all previous personnel policies, practices, and guidelines.

Due to the fact that the School is a growing and changing organization, it reserves full discretion to add to, modify, or delete provisions of this Handbook, or the policies and procedures on which they may be based, at any time without advance notice. CCS also reserves the right to interpret any of the provisions set forth in this Handbook in any manner it deems appropriate.

No individual other than the Superintendent & CEO or Board of Directors has the authority to enter into any employment or other agreement that modifies School policy. Any such modification *must* be in writing.

This Handbook is the property of the School, and it is intended for personal use and reference by employees of the School. Circulation of this Handbook outside of the School requires the prior written approval of the Superintendent & CEO.

Employees must sign the acknowledgment form at the beginning of this Handbook, tear it out, and return it to Human Resources. This will provide the School with a record that each employee has received this Handbook.

CONDITIONS OF EMPLOYMENT

Equal Employment Opportunity Is Our Policy

CCS is an equal opportunity employer. It is the policy of the School to afford equal employment and advancement opportunity to all qualified individuals without regard to:

- Race (including traits historically associated with race, such as hair texture and hairstyle, including but not limited to braids, locks, and twists);
- Color;
- Gender (including gender identity, gender expression, and transgender identity, whether or not the employee is transitioning or has transitioned));
- Sex (including pregnancy, childbirth, breastfeeding, and medical conditions related to such);
- Religious creed (including religious dress and grooming practices);
- Marital/registered domestic partner status;
- Age (forty (40) and over);
- National origin or ancestry (including native language spoken and possession of a driver's license issued to persons unable to prove their presence in the U.S. is authorized by federal law));
- Physical or mental disability (including HIV and AIDS);
- Medical condition (including cancer and genetic characteristics);
- Taking of a leave of absence pursuant to the Family Medical Leave Act ("FMLA"), Pregnancy Disability Leave ("PDL") law, Americans with Disabilities Act ("ADA"), California Family Rights Act ("CFRA"), the Fair Employment and Housing Act ("FEHA"), or laws related to domestic violence, sexual assault and stalking;
- Genetic information;
- Sexual orientation;
- Military and veteran status; or
- Any other consideration made unlawful by federal, state, or local laws.

This policy extends to all job applicants and employees and to all aspects of the employment relationship, including the hiring of new employees and the training, transfer, promotion, discipline, termination, compensation and benefits of existing employees.

To comply with applicable laws ensuring equal employment opportunities to qualified individuals with a disability, the School will make reasonable accommodations for the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or an employee unless undue hardship would result.

Any applicant or employee who requires an accommodation in order to perform the essential functions of the job should contact a School representative with day-to-day personnel responsibilities and request such an accommodation. The individual with the disability should specify what accommodation he or she needs to perform the job, or if unknown, what job duties the disability impairs. CCS will then conduct an investigation to identify the barriers that interfere with the equal opportunity of the applicant or employee to perform the job. CCS will identify possible accommodations, if any, that will help eliminate the limitation. If the accommodation is reasonable and will not impose an undue hardship, the School will make the accommodation.

Employment At-Will

Except if stated expressly otherwise by employment contract, it is the policy of the School that all employees are considered “at-will” employees of the School. Accordingly, either the School or the employee can terminate this relationship at any time, for any reason, with or without cause, and with or without advance notice.

Nothing contained in this Handbook, employment applications, School memoranda or other materials provided to employees in connection with their employment shall require the School to have “cause” to terminate an employee or otherwise restrict the School’s right to release an employee from their at-will employment with the School. Statements of specific grounds for termination set forth in this Handbook or elsewhere are not all-inclusive and are not intended to restrict the School’s right to terminate at-will. No School representative, other than the Board of Directors or its designee, is authorized to modify this policy for any employee or to make any representations to employees or applicants concerning the terms or conditions of employment with the School that are not consistent with the School’s policy regarding “at-will” employment.

This policy shall not be modified by any statements contained in this Handbook or employee applications, School memoranda, or any other materials provided to employees in connection with their employment. Further, none of those documents whether singly or combined, or any employment practices, shall create an express or implied contract of employment for a definite period, nor an express or implied contract concerning any terms or conditions of employment.

Child Abuse and Neglect Reporting

California Penal Code section 11166 requires any child care custodian who has knowledge of, or observes, a child in his or her professional capacity or within the scope of his or her employment whom he or she knows or reasonably suspects has been the victim of child abuse to report the known or suspected instance of child abuse to a child protective agency immediately, or as soon as practically possible, by telephone and to prepare and send a written report thereof within thirty-six (36) hours of receiving the information concerning the incident.

CCS will provide annual training on the mandated reporting requirements, using the online training module provided by the State Department of Social Services, to employees who are mandated reporters. Mandated reporter training will also be provided to employees hired during the course of the school year. This training will include information that failure to report an incident of known or reasonably suspected child abuse or neglect, as required by Penal Code section 11166, is a misdemeanor punishable by up to six (6) months confinement in a county jail, or by a fine of one-thousand dollars (\$1,000), or by both that imprisonment and fine.

All employees required to receive mandated reporter training must provide proof of completing the training within the first six (6) weeks of each school year or within the first six (6) weeks of that employee’s employment.

By acknowledging receipt of this Handbook, employees acknowledge they are childcare custodians and are certifying that they have knowledge of California Penal Code section 11166 and will comply with its provisions.

Criminal Background Checks

As required by law, all individuals working or volunteering at the School will be required to submit to a criminal background investigation. No condition or activity will be permitted that may compromise the School's commitment to the safety and the well-being of scholars taking precedence over all other considerations. Conditions that preclude working at the School include conviction of a controlled substance or sex offense, or a serious or violent felony. Additionally, should an employee, during his/her employment with the School, be charged or convicted of any offense, the employee must immediately report the charge or conviction to the Chief of Staff.

Tuberculosis Testing

All employees of the School must submit written proof from a physician of a risk assessment examination for tuberculosis (TB) within the last sixty (60) days. If TB risk factors are identified, a physician must conduct an examination to determine whether the employee is free of infectious TB. The examination for TB consists of an approved TB test, which, if positive, will be followed by an x-ray of the lungs, or in the absence of skin testing, an x-ray of the lungs. All employees will be required to undergo TB risk assessments and, if risk factors are found, the examination at least once every four (4) years. Volunteers may be required to undergo a TB examination as necessary. The TB risk assessment and, if indicated, the examination is a condition of initial employment with the School and the cost of the exam will be borne by the applicant.

Food handlers may be required to have annual TB exams. Documentation of employee and volunteer compliance with TB risk assessments and examinations will be kept on file in the office. This requirement also includes contract food handlers, substitute teachers, and student teachers serving under the supervision of an educator. Any entity providing scholar services to the School will be contractually required to ensure that all contract workers have had TB testing that shows them to be free of active TB prior to conducting work with School scholars.

Immigration Compliance

CCS will comply with applicable immigration law, including the Immigration Reform and Control Act of 1986 and the Immigration Act of 1990. As a condition of employment, every individual must provide satisfactory evidence of his or her identity and legal authority to work in the United States. However, CCS will not check the employment authorization status of current employees or applicants who were not offered positions with the School unless required to do so by law.

The School shall not discharge an employee or in any manner discriminate, retaliate, or take any adverse action (e.g., threatening to report the suspected citizenship or immigration status of an employee or a member of the employee's family) against any employee or applicant for employment because the employee or applicant exercised a right protected under applicable law. Further, the School shall not discriminate against any individual because he or she holds or presents a driver's license issued per Vehicle Code § 12801.9 to persons who have not established their federally-authorized presence in the United States. Finally, in compliance with the Immigrant Worker Protection Act, the School shall not allow a federal immigration enforcement agent to enter any nonpublic areas of the School without a judicial warrant, or voluntarily give consent to an agent to access, review or obtain employee records without a subpoena or judicial warrant.

Employment Qualifications

CCS's core academic teachers are required, as a condition of initial and continued employment, to hold a current California Commission on Teacher Credentialing certificate, permit, or other document equivalent to that which a teacher in other public schools would be required to hold.

It is the responsibility of each core academic teacher to ensure that credentials and permits are renewed in a timely manner and remain current. Upon renewal, the original document is to be submitted to Human Resources to be copied and filed in the employee's personnel file.

Professional Boundaries: Staff/Scholar Interaction Policy

CCS recognizes its responsibility to make and enforce all rules and regulations governing scholar and employee behavior to bring about the safest and most learning-conducive environment possible.

Corporal Punishment

Corporal punishment shall not be used as a disciplinary measure against any scholar. Corporal punishment includes the willful infliction of, or willfully causing the infliction of, physical pain on a scholar.

For purposes of this policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, scholars, staff or other persons or to prevent damage to property.

For clarification purposes, the following examples are offered for direction and guidance of School personnel:

A. Examples of PERMITTED actions (NOT corporal punishment)

1. Stopping a scholar from fighting with another scholar;
2. Preventing a scholar from committing an act of vandalism;
3. Defending yourself from physical injury or assault by a scholar;
4. Forcing a scholar to give up a weapon or dangerous object;
5. Requiring an athletic team to participate in strenuous physical training activities designed to strengthen or condition team members or improve their coordination, agility, or physical skills;
6. Engaging in group calisthenics, team drills, or other physical education or voluntary recreational activities.

B. Examples of PROHIBITED actions (corporal punishment)

1. Hitting, shoving, pushing, or physically restraining a scholar as a means of control;
2. Making unruly scholars do push-ups, run laps, or perform other physical acts that cause pain or discomfort as a form of punishment;
3. Paddling, swatting, slapping, grabbing, pinching, kicking, or otherwise causing physical pain.

Acceptable and Unacceptable Staff/Scholar Behavior

This policy is intended to guide all School faculty and staff in conducting themselves in a way that reflects the high standards of behavior and professionalism required of school employees and to specify the boundaries between scholars and staff.

Although this policy gives specific, clear direction, it is each staff member's obligation to avoid situations that could prompt suspicion by parents, scholars, colleagues, or school leaders. One viable standard that can be quickly applied, when you are unsure if certain conduct is acceptable, is to ask yourself, "Would I be engaged in this conduct if my family or colleagues were standing next to me?"

For the purposes of this policy, the term "boundaries" is defined as acceptable professional behavior by staff members while interacting with a scholar. Trespassing the boundaries of a scholar/teacher relationship is deemed an abuse of power and a betrayal of public trust.

Some activities may seem innocent from a staff member's perspective, but can be perceived as flirtation or sexual insinuation from a scholar or parent point of view. The objective of the following lists of acceptable and unacceptable behaviors is not to restrain innocent, positive relationships between staff and scholars, but to prevent relationships that could lead to, or may be perceived as, sexual misconduct.

Staff must understand their own responsibility for ensuring that they do not cross the boundaries as written in this policy. Disagreeing with the wording or intent of the established boundaries will be considered irrelevant for disciplinary purposes. Thus, it is crucial that all employees learn this policy thoroughly and apply the lists of acceptable and unacceptable behaviors to their daily activities. Although sincere, competent interaction with scholars certainly fosters learning, scholar/staff interactions must have boundaries surrounding potential activities, locations and intentions.

Duty to Report Suspected Misconduct

When any employee reasonably suspects or believes that another staff member may have crossed the boundaries specified in this policy, he or she must immediately report the matter to a school administrator. All reports shall be as confidential as possible under the circumstances. It is the duty of the administrator to investigate and thoroughly report the situation. Employees must also report to the administration any awareness or concern of scholar behavior that crosses boundaries or where a scholar appears to be at risk for sexual abuse.

Examples of Specific Behaviors

The following examples are not an exhaustive list:

Unacceptable Staff/Scholar Behaviors (Violations of this Policy)

- a. Giving gifts to an individual scholar that are of a personal and intimate nature.
- b. Kissing of any kind.
- c. Any type of unnecessary physical contact with a scholar in a private situation.
- d. Intentionally being alone with a scholar away from the school.
- e. Making or participating in sexually inappropriate comments.

- f. Sexual jokes.
- g. Seeking emotional involvement with a scholar for your benefit.
- h. Listening to or telling stories that are sexually oriented.
- i. Discussing inappropriate personal troubles or intimate issues with a scholar in an attempt to gain their support and understanding.
- j. Becoming involved with a scholar so that a reasonable person may suspect inappropriate behavior.

Unacceptable Staff/Scholar Behaviors without Parent and Supervisor Permission

(These behaviors should only be exercised when a staff member has parent and supervisor permission.)

- a. Giving scholars a ride to/from school or school activities.
- b. Being alone in a room with a scholar at school with the door closed.
- c. Allowing scholars in your home.

Cautionary Staff/Scholar Behaviors

(These behaviors should only be exercised when a reasonable and prudent person, acting as an educator, is prevented from using a better practice or behavior. Staff members should inform their supervisor of the circumstance and occurrence prior to or immediately after the occurrence)

- a. Remarks about the physical attributes or development of anyone.
- b. Excessive attention toward a particular scholar.
- c. Sending emails, text messages or letters to scholars if the content is not about school activities.

Acceptable and Recommended Staff/Scholar Behaviors

- a. Getting parents' written consent for any after-school activity.
- b. Obtaining formal approval to take scholars off school property for activities such as field trips or competitions.
- c. Emails, text, phone and instant messages to scholars must be very professional and pertaining to school activities or classes (Communication should be limited to school technology).
- d. Keeping the door open when alone with a scholar.
- e. Keeping reasonable space between you and your scholars.
- f. Stopping and correcting scholars if they cross your own personal boundaries.
- g. Keeping parents informed when a significant issue develops about a scholar.
- h. Keeping after-class discussions with a scholar professional and brief.
- i. Asking for advice from fellow staff or administrators if you find yourself in a difficult situation related to boundaries.
- j. Involving your supervisor if conflict arises with the scholar.
- k. Informing the Chief of Staff about situations that have the potential to become more severe.
- l. Making detailed notes about an incident that could evolve into a more serious situation later.
- m. Recognizing the responsibility to stop unacceptable behavior of scholars or coworkers.

- n. Asking another staff member to be present if you will be alone with any type of special needs scholar.
- o. Asking another staff member to be present when you must be alone with a scholar after regular school hours.
- p. Giving scholars praise and recognition without touching them.
- q. Pats on the back, high fives and handshakes are acceptable.
- r. Keeping your professional conduct, a high priority.
- s. Asking yourself if your actions are worth your job and career.

Policy Prohibiting Unlawful Harassment, Discrimination, and Retaliation

CCS is committed to providing a work and educational atmosphere that is free of unlawful harassment, discrimination, and retaliation. CCS's policy prohibits unlawful harassment, discrimination, and retaliation based upon: race (including traits historically associated with race, such as hair texture and hairstyle, including but not limited to braids, locks, and twists); color; gender (including gender identity, gender expression, and transgender identity, whether or not the employee is transitioning or has transitioned); sex (including pregnancy, childbirth, breastfeeding, and related medical conditions); religious creed (including religious dress and grooming practices); marital/registered domestic partner status; age (forty (40) and over); national origin or ancestry (including native language spoken and possession of a driver's license issued to persons unable to prove their presence in the U.S. is authorized by federal law); physical or mental disability (including HIV and AIDS); medical condition (including cancer and genetic characteristics); taking a leave of absence authorized by law; genetic information; sexual orientation; military and veteran status; or any other consideration made unlawful by federal, state, or local laws.

Employees, volunteers, unpaid interns, individuals in apprenticeship programs, and independent contractors shall not be harassed, or discriminated against or retaliated against, based upon the characteristics noted above.

CCS does not condone and will not tolerate unlawful harassment, discrimination, or retaliation on the part of any employee (including supervisors and managers) or third party (including independent contractors or other person with which the School does business). Supervisors and managers are to report any complaints of unlawful harassment to the Chief of Staff or designee.

When CCS receives allegations of unlawful harassment, discrimination, or retaliation, the Board (if a complaint is about the Superintendent & CEO) or the Chief of Staff or designee will conduct a fair, timely and thorough investigation that provides all parties an appropriate process and reaches reasonable conclusions based on the evidence collected. The investigation will be handled in as confidential a manner as possible, although complete confidentiality cannot be guaranteed. Complainants and witnesses shall not be subject to retaliation for making complaints in good faith or participating in an investigation. CCS is committed to remediating any instances where investigation findings demonstrate unlawful harassment, discrimination, or retaliation has occurred.

Prohibited Unlawful Harassment

- Verbal conduct such as epithets, derogatory jokes or comments or slurs;
- Physical conduct including assault, unwanted touching, intentionally blocking normal movement, or interfering with work because of sex, race or any other protected basis;

- Retaliation for reporting or threatening to report harassment; or
- Disparate treatment based on any of the protected classes above.

Prohibited Unlawful Sexual Harassment

CCS is committed to providing a workplace free of sexual harassment and considers such harassment to be a major offense, which may result in disciplinary action, up to, and including dismissal, of the offending employee.

Sexual harassment consists of sexual advances, request for sexual favors and other verbal or physical conduct of a sexual nature, regardless of whether or not the conduct is motivated by sexual desire, when: (1) submission to the conduct is either made explicitly or implicitly a term or condition of an individual's employment; (2) an employment decision is based upon an individual's acceptance or rejection of that conduct; and/or (3) that conduct interferes with an individual's work performance or creates an intimidating, hostile or offensive working environment.

It is also unlawful to retaliate in any way against an employee who has articulated a good faith concern about sexual harassment against him or her or against another individual.

All supervisors of staff will receive two (2) hours of sexual harassment prevention training within six (6) months of hire or their assumption of a supervisory position and every two (2) years thereafter. All other employees will receive one (1) hour of sexual harassment prevention training within (6) months of hire and every two (2) years thereafter. Such training will address all legally required topics, including information about the negative effects that abusive conduct has on both the victim of the conduct and others in the workplace, as well as methods to prevent abusive conduct undertaken with malice a reasonable person would find hostile, offensive, and unrelated to an employer's legitimate business interests. Abusive conduct includes but is not limited to repeated infliction of verbal abuse, such as the use of derogatory remarks, insults, and epithets, verbal or physical conduct that a reasonable person would find threatening, intimidating, or humiliating, or the gratuitous sabotage or undermining of a person's work performance. Supervisors shall also be trained on how to appropriately respond when the supervisor becomes aware that an employee is the target of unlawful harassment. Other staff will receive sexual harassment prevention training as required by law.

Each employee has the responsibility to maintain a workplace free from any form of sexual harassment. Consequently, should any individual, in particular those with supervisory responsibilities, become aware of any conduct that may constitute sexual harassment or other prohibited behavior, immediate action should be taken to address such conduct. Any employee who believes they have been sexually harassed or has witnessed sexual harassment is encouraged to immediately report such harassment to the Chief of Staff. See **Appendix A** for the "Harassment/Discrimination/Retaliation Complaint Form." See **Appendix B** for the general "Internal Complaint Form."

Sexual harassment may include, but is not limited to:

- Physical assaults of a sexual nature, such as:
 - Rape, sexual battery, molestation or attempts to commit these assaults and

- Intentional physical conduct that is sexual in nature, such as touching, pinching, patting, grabbing, brushing against another's body, or poking another's body.
- Unwanted sexual advances, propositions or other sexual comments, such as:
 - Sexually oriented gestures, notices, remarks, jokes, or comments about a person's sexuality or sexual experience.
 - Preferential treatment or promises of preferential treatment to an employee for submitting to sexual conduct, including soliciting or attempting to solicit any employee to engage in sexual activity for compensation or reward or disparate treatment for rejecting sexual conduct.
 - Subjecting or threats of subjecting an employee to unwelcome sexual attention or conduct or intentionally making performance of the employee's job more difficult because of the employee's sex.
- Sexual or discriminatory displays or publications anywhere at the workplace by employees, such as:
 - Displaying pictures, cartoons, posters, calendars, graffiti, objections, promotional materials, reading materials, or other materials that are sexually suggestive, sexually demeaning or pornographic or bringing to work or possessing any such material to read, display or view at work;
 - Reading publicly or otherwise publicizing in the work environment materials that are in any way sexually revealing, sexually suggestive, sexually demeaning or pornographic; and
 - Displaying signs or other materials purporting to segregate an employee by sex in an area of the workplace (other than restrooms or similar rooms).

The illustrations of harassment and sexual harassment above are not to be construed as an all-inclusive list of prohibited acts under this policy. Moreover, please note that while in most situations a personal relationship is a private matter, these relationships are not appropriate in a professional setting, particularly where one of the parties has management or supervisory responsibilities. As such, consensual relationships in the workplace may violate CCS policy.

Code of Ethics

General

The following Code of Ethics applies to all members of the School Community including volunteers and members of all decision-making teams, as well as all staff of CCS (collectively referred to as “members”).

Preamble

All members believe in the worth and dignity of human beings. All members recognize the supreme importance of the pursuit of truth, devotion to excellence, and the nurturing of democratic citizenship. All members regard as essential to these goals the protection of freedom to learn and to teach and the guarantee of equal educational opportunity for all. All members accept the responsibility to practice “education” according to the highest ethical standards.

Principle I: Commitment to the Scholar

All members must work to stimulate the spirit of inquiry, the acquisition of knowledge and understanding, and the thoughtful formulation of worthy goals. In fulfilling these goals, all members should:

- Encourage the scholars to take independent action in the pursuit of learning and provide access to varying points of view, and entrepreneurial goals and vision.
- Prepare subjects carefully, incorporating entrepreneurial curriculum and 21st century life skills. Present them to the scholar without distortion, and, within the limits of time and curriculum, give all points of view a fair hearing.
- Protect the health and safety of scholars.
- Honor the integrity of scholars and influence them through constructive criticism rather than by ridicule and harassment.
- Provide for participation in educational programs without regard to race, color, creed, sex, gender, orientation, national origin or any other protected classification - both in what is taught and how it is taught.
- Neither solicit nor involve scholars or their parents in schemes for commercial gain thereby ensuring that professional relationships with scholars shall not be used for private advantage.
- Keep in confidence information that has been obtained in the course of professional service, including scholar/parent’s address, phone number or any other contact information, unless disclosure serves professional purposes or is required by law.
- Not post on the website or share with others pictures or depictions of scholars unless a photo school waiver is on file with the School.

Principle II: Commitment to the Public

All members believe that democratic citizenship in its highest form requires dedication to the principles of our democratic heritage. All members share with all other citizens the responsibility for the development of sound public policy and assume full political and citizenship responsibilities. All members of staff bear particular responsibility for the development of policy relating to the extension of educational opportunities for all, and for interpretation of educational programs and policies to the public. In fulfilling these goals, all members:

- Have an obligation to support education and CCS, and not to misrepresent them in public discussion. When being critical in public, all members have an obligation not to distort the facts. When speaking or writing about policies, all members must take adequate precautions to distinguish members' private views from the official position of the charter school.
- Do not interfere with a colleague's exercise of political and citizenship rights and responsibilities.
- Ensure that institutional privileges shall not be used for private gain. Do not exploit scholars, their parents, colleagues, or the school system itself for private advantage. Do not accept gifts or favors that might impair or appear to impair professional judgment nor offer any favor, service, or thing of value to obtain special advantage.

Principle III: Commitment to the Profession

All members will exert every effort to raise standards, to improve service, to promote a climate in which the exercise of sound personal and professional judgment is encouraged, and to achieve conditions, which attract person's worthy of trust to careers in education. In fulfilling these goals, all members will:

- Accord just and equitable treatment to all members in the exercise of their rights and responsibilities.
- Not use coercive means or promise special treatment in order to influence professional decisions of colleagues.
- Not misrepresent one's own professional qualifications.
- Not misrepresent the professional qualifications of their colleagues; discuss these qualifications fairly and accurately when discussion serves professional purposes.
- Apply for, accept, offer, and assign positions or responsibility on the basis of professional preparation and legal qualifications.
- Use honest and effective methods of administering educational responsibilities; conduct professional business through proper channels; use time granted for its intended purposes; not misrepresent conditions of employment; live up to the letter and spirit of contracts.

Whistleblower Policy

CCS requires its directors, officers, employees, and volunteers to observe high standards of ethics in the conduct of their duties and responsibilities within the School. As representatives of the School, such individuals must practice honesty and integrity in fulfilling all responsibilities and must comply with all applicable laws and regulations. The purpose of this policy is to create an ethical and open work environment, to ensure that the School has a governance and accountability structure that supports its mission, and to encourage and enable directors, officers, employees, and volunteers of the School to raise serious concerns about the occurrence of illegal or unethical actions within the School before turning to outside parties for resolution.

All directors, officers, employees, and volunteers of the School have a responsibility to report any action or suspected action taken within the School that is illegal, unethical or violates any adopted policy of the School, or local rule or regulation. Anyone reporting a violation must act in good faith,

without malice to the School or any individual at the School and have reasonable grounds for believing that the information shared in the report indicates that a violation has occurred. A person who makes a report does not have to prove that a violation has occurred. However, any report which the reporter has made maliciously or any report which the reporter has good reason to believe is false will be viewed as a serious disciplinary offense. No one who in good faith reports a violation, or who, in good faith, cooperates in the investigation of a violation shall suffer harassment, retaliation, or adverse employment action. Further, no one who in good faith discloses, who may disclose, or who the School believes disclosed or may disclose, information regarding alleged violations to a person with authority over the employee or another employee who had responsibility for investigating, discovering or correcting the purported violation shall suffer harassment, retaliation, or adverse employment action.

Drug- and Alcohol-Free Workplace

CCS complies with applicable Federal and State law regarding drug use while on the job with respect to all School employees. The School is concerned about the use of alcohol and drugs as it affects the workplace, the School community and the scholars which CCS serves. Use of these substances whether on or off the job can adversely affect an employee's work performance, efficiency, safety, and health, and therefore seriously impair the employee's value to the School and its scholars. In addition, the use or possession of these substances on the job constitutes a potential danger to the welfare and safety of other employees and scholars and exposes the School to the risks of property loss or damage or injury to other persons.

Furthermore, the use of prescription and/or over-the-counter drugs also may affect an employee's job performance and seriously impair the employee's value to CCS. Any employee who is using prescription or over-the-counter drugs that may impair the employee's ability to safely perform the job, or affect the safety or well-being of others, must notify a supervisor of such use immediately before starting or resuming work.

The following rules and standards of conduct apply to all employees either on CCS property or during the workday (including meal and rest periods). Behavior that violates this policy includes:

- Driving a School vehicle while under the influence of alcohol or drugs.
- Distribution, sale or purchase of any drug while on the job, or in the presence of scholars.
- Possession or use of alcohol or drugs while on the job, or in the presence of scholars.
- Being under the influence of alcohol or drugs while on the job.

Notwithstanding recent changes in California law and over-the-counter availability, marijuana (including all cannabis extracts such as CBD) remains an illegal Schedule I substance under federal law. As a result, and regardless of the drug or substance, employees who violate the aforementioned prohibitions will be subject to disciplinary action up to and including termination. CCS may also bring the matter to the attention of the appropriate law enforcement authorities.

In order to enforce this policy, CCS reserves the right to conduct searches of School property and to implement other measures necessary to deter and detect abuse of this policy. As such, employees do not have a reasonable expectation of privacy while on School property.

Confidential Information

All information relating to scholars, personal information, schools attended, addresses, contact numbers and progress information is confidential in nature, and may not be shared with or distributed to unauthorized parties, including other CCS parents unless permission is on file. All records concerning special education scholars shall be kept strictly confidential and maintained in a separate locked cabinet. Failure to maintain confidentiality may result in disciplinary action, up to and including release from at-will employment.

Conflict of Interest

All employees must avoid situations involving actual or potential conflict of interest. A conflict of interest is a situation in which an employee's personal interests (or those of the employee's friends or family) are inconsistent with the interests of CCS, so that the employee's ability to act solely in the best interests of CCS is placed in doubt, giving recognition to the frailties of human conscience and the instinctive force of self-interest.

An employee involved in any relationships or situations, which may constitute a conflict of interest, should immediately and fully disclose the relevant circumstances to the Superintendent & CEO, for a determination about whether a potential or actual conflict exists. If an actual or potential conflict is determined, the School may take whatever corrective action appears appropriate according to the circumstances.

In the case of outside employment, all full-time and part-time employees may not work or consult for other entities involved in the field of education without authorization from the Superintendent & CEO. No outside employment may impede the staff member's ability to fulfill his/her job responsibilities. Outside employment may not take place during regular employee hours. Failure to disclose facts shall constitute grounds for disciplinary action that may involve action up to and including termination from CCS.

Nepotism Policy

CCS is committed to a policy of employment and advancement based on qualifications and performance. Due to potential for perceived or actual conflicts, such as favoritism or personal conflicts from outside the work environment, which can be carried into the daily working relationship, CCS will hire or consider other employment actions concerning relatives of persons currently employed only if: a) candidates for employment will not be working directly for or supervising a relative; b) the relative will not be working within the same Division and or reporting to the same Supervisor; and c) candidates for employment will not occupy a position in the same line of authority in which employees can initiate or participate in decisions involving a direct benefit to the relative. Such decisions include hiring, retention, transfer, promotion, wages and leave requests. This policy applies to all current employees and candidates for employment, unless prior approval has been granted by the Superintendent & CEO.

Definitions: "Family member" is defined as one of the following: relationships by blood - parent, child, grandparent, grandchild, brother, sister, uncle, aunt, nephew, niece and first cousin; and relationships by marriage - husband, wife (as defined by state law), stepparent, stepchild, brother-in-law, sister-in-law, father-in-law, mother-in-law, son-in-law, daughter-in-law, half-brother, half-sister, uncle, aunt, nephew, niece, spouse/partner of any of the above and cohabitating couples or significant others. The hiring supervisor is responsible for ensuring policy compliance.

Department directors are responsible for monitoring changes in employee reporting relations after initial hire to ensure compliance with this policy. Employees are responsible for immediately reporting any changes to their supervisor. If any employee, after employment or change in employment, enters into one of the above relationships, one of the affected individuals must seek a transfer or a change in the reporting relationship. Such changes must be approved by the Superintendent & CEO. If a decision cannot be made by the affected employees within fourteen (14) days of reporting, reassignment will be made on direction of the department director and the Superintendent & CEO. No exception to this policy will be made without the written consent of the Superintendent & CEO.

Smoking

All School buildings and facilities are non-smoking facilities.

THE WORKPLACE

Employment Categories

The following are categories of employees that are used within this Handbook (herein “Employee Category”). More than one (1) Employee Category may apply to an employee.

Full-Time Employee

A full-time employee is an employee whose regular working hours are more than thirty-five (35) hours per week. Full-time employees are hired for an indefinite and unspecified duration of time. Full-time employees are eligible for all School employment benefits, as specified in the Employment Benefits provision of this Handbook.

Part-Time Employee

A part-time employee is an employee whose regular working hours are thirty-five (35) or fewer hours per week. Part-time employees are hired for an indefinite and unspecified duration of time. Part-time employees may be eligible for employment benefits (e.g., prorated), as specified in the Employment Benefits provision of this Handbook.

Temporary Employee

A temporary employee is an employee who is hired for a limited, but unspecified, period of time or for a specific project or set of projects. The introductory period is not applicable to temporary employees. Temporary employees are generally ineligible for School employment benefits, as specified in the Employment Benefits provision of this Handbook.

Exempt Employee

An exempt employee is an employee whose employment is not subject to the overtime and recordkeeping provisions of applicable law.

Non-Exempt Employee

A nonexempt employee is an employee whose employment is subject to the overtime and recordkeeping provisions of applicable law.

Salaried Non-Exempt Employee

The designation of an employee as “salaried, non-exempt” means that the employer is paying the employee a consistent salary that meets applicable minimum wage requirements instead of paying an hourly rate based on actual hours worked. In addition, and most importantly, the designation means the School determined that the employee’s primary job duties fail to meet the requirements for an exemption under applicable law and is classifying the employee as nonexempt.

Inactive Employees

An inactive employee is an employee who is currently on a leave of absence. When an inactive employee returns to work, the employee becomes an active employee.

Vacant Positions

CCS believes in providing opportunities for employees to advance within the organization. All new and vacant positions will be announced for internal applicants through the School's intranet and posted on the School website, including any job boards, for external applicants.

An employee in good standing will be considered as eligible if they meet the minimum qualifications for the position.

Work Schedule

Central Office

Hours of operation for the Central Office are 8:00 a.m. - 5:00 p.m., Monday through Friday, closed daily from 12:00 - 1:00 p.m. for lunch.

Non-Exempt Employees

The regular workday schedule for nonexempt employees is eight (8) hours; the regular workweek schedule is forty (40) hours.

Exempt Employees: Twelve-month

Twelve-month exempt employees are expected to be available during business hours of 8:00 a.m. - 5:00 p.m. and to commit whatever additional time is necessary to satisfactorily complete all job requirements. The School reserves the right to alter schedules as it may require.

Exempt Employees: Eleven-month

All teachers/educational facilitators, coordinators, and counselors are exempt employees as defined by applicable law. Work schedules will be reflective of their current scholar roster, will generally coincide with regular school hours, and may require a flexible work schedule, including work on weekends, as well as before and after the regular work year or hours of the work day. Work schedules may need to be adjusted throughout the school year to accommodate changes and to best serve the needs of their scholars.

Meal and Rest Periods

CCS provides nonexempt employees with ten (10) minute paid rest periods as required by applicable law. Nonexempt employees receive one (1) rest period for each four (4) hour work period or a "major fraction" of a work period (i.e. greater than two [2] hours). However, any nonexempt employee who works less than three and one-half (3½) hours in a day is not eligible to take a rest period. The number of rest periods received is as follows:

- Nonexempt employees who work between three and one-half (3½) and six (6) hours are entitled to one (1), ten (10) minute rest period.

- Nonexempt employees who work more than six (6) and up to ten (10) hours are entitled to two (2), ten (10) minute rest periods. Nonexempt employees who work more than ten (10) and up to twelve (12) hours are entitled to three (3), ten (10) minute rest periods.

A rest period is paid time when employees are relieved of all work duties and responsibilities. Rest periods may not be combined, added to a meal period, or taken at the very beginning or very end of the day. Insofar as practicable, rest periods should be in the middle of each work period. Employees must self-police their rest periods and ensure that they take their rest periods every day.

CCS also requires its employees in nonexempt positions to take a mandatory unpaid, uninterrupted meal period in accordance with California law, sixty (60) minutes per CCS policy. A meal period is an unpaid period when employees are relieved of all work duties and responsibilities, generally for the purpose of consuming a meal. During the meal period, employees may not perform any work-related activities. The meal period must be taken approximately in the middle of the workday but by no later than the end of the 5th hour of work. An employee may waive this meal period if the day's work will be completed in no more than six (6) hours, provided the employee and CCS mutually consent to the waiver in writing.

If a nonexempt employee is unable to take his/her meal or rest periods, or take them in a timely manner, the employee must notify his/her supervisor before or at the time the employee is unable to take the meal or rest period. Failure to follow this notification requirement may lead to discipline, at the School's discretion.

Lactation Accommodation

CCS accommodates lactating employees by providing a reasonable amount of break time to any employee who desires to express breast milk for an infant child. The break time shall, if possible, run concurrently with any break time already provided to the employee. Any break time provided to express breast milk that does not run concurrently with break time already provided to the non-exempt employee shall be unpaid.

CCS will make reasonable efforts to provide employees who need lactation accommodation with the use of a room or other private location that is located close to the employee's work area. Such room/location shall not be a bathroom, and shall have electricity. Employees shall also be given access to a sink with running water and a refrigerator. Employees with private offices will be required to use their offices to express breast milk. Employees who desire lactation accommodations should contact their supervisor to request accommodations.

Attendance and Tardiness

All employees, whether exempt or nonexempt, are expected to arrive at work consistently and on time. Absenteeism and tardiness negatively affect the School's ability to implement its educational program and disrupts consistency in scholars' learning.

If it is necessary to be absent or late for the start of the workday or any other work functions, including but not limited to required meetings or trainings, employees are expected to notify their immediate supervisor as soon as possible but no later than one-half (1/2) hour before the start of

the workday. If an employee is absent from work longer than one (1) day, he or she is expected to keep their immediate supervisor sufficiently informed of the situation. Time off requests must be entered using the Bamboo HR system.

As noted in the section of this Handbook concerning prohibited conduct, excessive or unexcused absences or tardiness may result in disciplinary action up to and including release from at-will employment with the School. Absence for more than three (3) consecutive days without notifying the Chief of Staff will be considered a voluntary resignation from employment.

Timecards/Records

By law, CCS is obligated to keep accurate records of the time worked by nonexempt employees. Such employees are required to utilize the School's timecard system.

Non-exempt employees must accurately clock in and out of their shifts using the Bamboo HR system, as this is the only way the payroll department knows how many hours each employee has worked and how much each employee is owed. The timecard indicates when the employee arrived and when the employee departed. All nonexempt employees must clock in and out for arrival and departure, for all paid work time including lunch.

Non-exempt employees are solely responsible for ensuring accurate timekeeping in the Bamboo HR system and remembering to record time worked. If an employee misses a time punch, the employee must complete a Punch Correction Form be signed by the employee, their immediate supervisor, and submitted to the Chief Financial Officer at the end of each pay period.

Non-exempt employees are prohibited from performing off-the-clock work, including but not limited to checking emails before/after work hours, performing work in the morning before logging in, and running School errands after logging out.

No one may record hours worked on another's time sheet. Any employee who violates any aspect of this policy may be subject to disciplinary action, up to and including release from at-will employment with the School.

Adjunct Duties

All exempt employees will be assigned adjunct duties at the School's discretion. Satisfactory performance of these duties is a condition of continued employment.

Use of Email, Voicemail and Internet Access

CCS permits employees to use its electronic mail, voicemail systems and Internet access subject to the following:

- Minimal personal use as long as it does not interfere with timely job performance and is consistent with law and appropriate protocols during work hours.
- The email system and Internet access is not to be used in any way that may be disruptive, offensive to others, or harmful to morale. For example, sexually explicit images, ethnic slurs, racial epithets, or anything else that may be construed as harassment or disparagement of others based on their race, national origin, sex, sexual orientation, age, religious beliefs or political beliefs may not be displayed or transmitted.

- The Internet may not be accessed on any school device outside of the United States.
- Employees may not attempt to gain access to another employee's personal file of email or voicemail messages or voicemail messages without the latter's express permission.
- School staff will not enter an employee's personal email files or voicemail unless there is a business need to do so. CCS retains a copy of all passwords; passwords unknown to the School may not be used. System security features, including passwords and delete functions, do not neutralize the School's ability to access any message at any time. Employees must be aware that the possibility of such access always exists.
- Employees may not change any preset user names and/or passwords established by CCS for access to School email, voicemail or software provided to the employee by the School.
- Employees may not change or alter in any way the email signature for school email as determined by the School. No additional extraneous content may be added to the email signature unless requested by the Superintendent & CEO.
- Employees should not use personal devices or email accounts for School-related communications. Such communications should only take place using School-issued devices and via the employee's CCS email account.

Social Media Policy

Permissions

At CCS, we believe in open communication and encourage you to share your work and passion with family, friends, co-workers, and your professional networks around the world. Whether you do so by participating in a blog, wiki, any social media platform, or any other form of online publishing or discussion is up to you. In order to assist you in making responsible decisions in your use of social media, and to avoid any conflicts or misunderstandings, we have come up with a few guidelines to provide helpful and practical advice for you when operating on the Internet as an identifiable employee of CCS and its brands.

This policy applies to all full-time staff, part-time staff, and external contractors employed or providing services at CCS. Each and every employee and/or contractor should use the supplemental CCS Social Media Handbook provided by the Marketing Department for additional guidance in administering the policy.

Guidelines

In the rapidly expanding world of electronic communication, social media can mean many things. Social media includes all means of communicating or posting information or content of any sort on the Internet, including to your own or someone else's web log or blog, journal or diary, personal website, social networking or affinity website, web bulletin board or a chat room, whether or not associated or affiliated with CCS, as well as any other form of electronic communication. Before creating any online content, please consider the following main guidelines:

- All employees and contractors must familiarize themselves with the CCS Social Media Handbook prior to posting any content on our social media platforms.
- You are personally responsible for the content you publish on our blog, website, or any other form of user-generated media.

- If an item features the statement “For Internal Use Only,” please do not forward to anyone outside of CCS or publish on any social media channel.
- Do not comment on work-related legal matters unless you are an official spokesperson, and have prior written authorization from the Superintendent & CEO.
- Please remember that the Internet never forgets, meaning everything you publish will be available for the world to see for a very long time and may come back to haunt you at a later time. If you are about to publish something that makes you even the slightest bit uncomfortable, please contact the Marketing Department for guidance and approval.

Always remember to consider some of the risks and rewards that are involved with posting content to social media. Keep in mind that any of your conduct that adversely affects your job performance, the performance of co-workers or contractors, or otherwise adversely affects people who work on behalf of CCS or CCS’ legitimate business interests, may result in disciplinary action up to and including termination.

Know and Follow the Rules

Carefully read these guidelines and the CCS Social Media Handbook and ensure your postings are consistent with these policies. Always make sure to respect your audience. Any and all inappropriate postings, including but not limited to discriminatory remarks, harassment, threats of violence, or similar inappropriate or unlawful conduct that would not be acceptable in the CCS workplace, will not be tolerated and may warrant disciplinary action, up to and including termination.

Be Respectful

Always be fair and courteous to fellow staff, scholars, and families of scholars, or people who work on behalf of or provide services to CCS. Also, keep in mind that you are more likely to resolve work related complaints by speaking directly with your co-workers or by utilizing our Open Door Policy than by posting complaints to a social media outlet. Using your public voice to harass or embarrass your co-workers, CCS, scholars, families, or any other CCS stakeholders is unacceptable and may subject you to disciplinary action, up to and including termination. Examples of such unacceptable conduct includes but is not limited to offensive posts meant to intentionally harm someone’s reputation, or posts that could contribute to a hostile work environment on the basis of race, sex, disability, religion or any other status protected by applicable law.

Make sure you are always honest and accurate when posting information or news, and if you make a mistake, correct it quickly. Be open about any previous posts you have altered.

Please respect copyright laws. If the material is not yours, don’t use it as it is that person’s choice to share his or her material with the world, not yours. Before posting someone else’s work, please check with the owner first and make sure you have the right to use or publish any data, images, videos, etc. When you make a reference to someone’s work, where possible, link back to the source.

Respect Confidentiality and Professional Boundaries

Maintain the confidentiality of all of CCS’ trade secrets, as well as private or confidential information. Trades secrets may include information regarding the development of systems,

processes, products, know-how and technology. Do not post internal reports, policies, procedures or other internal business-related, personnel, or scholar information which is or may be confidential in nature.

Do not create a link from your blog, website or other social networking site to any CCS website without identifying yourself as a CCS staff member. Please remember that anything you publish about CCS can potentially harm the School, including all internal media as well, like the intranet or any newsletters you send out. As soon as you act on the School's behalf by distributing information, you are responsible for upholding the School's image and fully complying with School policies. Please act responsibly when posting materials and if in doubt, contact the Marketing Department before you post or send said material.

Express only your personal opinions. Never represent yourself as a spokesperson for CCS. If CCS is a subject of the content you are creating, be clear and open about the fact that you are an employee and make it clear that your views do not represent those of CCS, fellow employees, scholars, parents, suppliers or people working on behalf of or providing services to CCS. If you publish a blog or post online related to the work you do or subjects associated with CCS, you must clearly state that you are not speaking on behalf of CCS. It is best to include a disclaimer such as "The postings on this site are my own and do not necessarily reflect the views of CCS."

Using Social Media at Work

You are prohibited from using your personal social media while on work time or on equipment we provide, unless it is work-related as authorized by your immediate supervisor or consistent with the CCS Employee Handbook. All work-related posts should be made through social media accounts established for the posting of work-related posts only, separate from your personal social media accounts. Do not use CCS email addresses to register on social networks, blogs or other online tools utilized for personal use. Do not use your work social media accounts to post non-work related material including but not limited to personal family information or photos.

Retaliation is Prohibited

CCS prohibits retaliation against any employee for reporting a possible violation of this policy or for cooperating in an investigation. Any employee who engages in retaliation of any sort will be subject to disciplinary action, up to and including termination.

Technology Policy

Purpose

CCS may, in its sole discretion, provide computers and laptop computers or other hand-held or similar computing devices, as well as mobile devices, to certain employees for the express purpose of enhancing the productivity and operational efficiency of School-based and administrative activities, functions and instruction. The purpose of this policy is to establish general guidelines for the issuance and utilization of all such devices by officials, management and personnel within the School.

Guidelines

1. All computers and devices shall be used for the sole and express purpose of conducting official business and maintaining the operations of the School. Use of all such computers and devices is subject to the School's Computing and Internet Acceptable Use Policy.
2. An employee may be issued a computer or device for the performance of specific job-related duties and responsibilities and as determined by the Superintendent & CEO or his/her designee and has an "active" employment status; and Employee's job-related duties and responsibilities require regular and systematic use of a computer or device; or Employee is required to perform the majority of his/her duties away from his/her primary work location.
3. Persons not directly employed by the School, including but not limited to volunteers, retired employees, employees hired on a per diem basis, consultants, vendors, or employees on extended leave or with an employment status of "inactive," shall not be eligible for the issuance of any computer or device.
4. Although issued to an individual employee, all computers or devices are considered the property of the primary of CCS and shall be returned upon termination of employment with the School, or immediately upon request at any time by an official of the School.
5. Employees are expected to take all appropriate measures and precautions to prevent the loss, theft, damage and/or unauthorized use of services and shall include the following:
 - a. Keep all computers and devices in a locked and secured environment when not being used;
 - b. Do not leave the computer or device for prolonged periods of time in a vehicle, especially in extreme temperatures;
 - c. Keep food and drinks away from all computers and devices and work areas;
 - d. Do not leave the computer or device unattended at any time in an unsecured location; and
 - e. Keep the computer or device in sight at all times while in public places, such as public transportation, airports, restaurants, etc.
6. Should an employee's computer or device be lost or stolen, the employee MUST: (i) immediately report the incident to his/her immediate supervisor and the Director of IT; (ii) obtain an official police report documenting the theft or loss; and (iii) provide a copy of the police report to the Director of IT. If the employee fails to adhere to these procedures, the

employee will be held legally and financially responsible to the School for the replacement of such equipment.

7. For all warranty and non-warranty repairs and maintenance of all such computers and devices, the employee must contact the School IT Help Desk. All repairs and maintenance will and must be performed in accordance with the School's current repair and maintenance policies and procedures issued by the Office of Information Technology. For damage that is not covered by the School's warranty, the employee may be held responsible.
8. The School is under no legal, financial or other obligation to provide for a replacement computer or device to any employee whose computer or device is lost, stolen or damaged.
9. The School may add security and other tracking technology to any and all computers and devices issued by it and any and all such usage is subject to management review, monitoring and auditing by the School. Other audits may be performed on the usage and internal controls.
10. The IT Department will be responsible for issuance of all such computers and devices shall:
 - a. Maintain direct oversight of the inventory of equipment, service contracts, and internal controls for all computers and devices;
 - b. Fully enforce the specifications of this policy and other similar IT policies and procedures setting forth the parameters for the eligibility, approval, assignment, utilization, maintenance, and financial oversight of all such computers and devices under their direct control and supervision; and
 - c. Ensure compliance with regulatory policies and procedures as applicable.
11. Non-compliance with any policies or procedures regarding computers and devices issued by the School will result in appropriate disciplinary action and/or reimbursement of any and all costs to the School.
 - a. Employees are prohibited from changing any of the settings programmed into the computer or device itself, or the computer or device software, without prior approval from the Information Systems Specialist. This includes (without limitation) changing desktop settings, screensaver settings, clock settings, software settings, and the like. This also includes checking the "Remember Password" box to save a password in the computer, file server, and the like.
 - b. Employees are prohibited from downloading software of any kind without prior approval from the Information Systems Specialist. This includes desktop backgrounds, screensavers, anti-virus software, and the like.
 - c. Employees are advised not to save documents or files to any locations other than the CCS Google Drive. This includes saving to the desktop, local drives, USB drives, memory cards, CDs, DVDs, and the like. In the event your computer crashes, files not saved to the Google Drive cannot be recovered.
 - d. Employees are prohibited from accessing any school files from unsecured internet connections or internet connections outside the United States.

Employees acknowledge upon receipt of their computer or device, the computer or device is the property of CCS. Employees will agree to pay all costs associated with user-inflicted damage (as determined by manufacturer) to the computer or device, or its associated peripheral equipment, or its replacement costs should it be lost or stolen. The replacement cost for a laptop computer and/or mobile device will be determined by the fair market value replacement cost of comparable equipment to that which the employee was provided by the School.

CCS reserves the right to use and disclose any electronic, non-privileged communication on its Computer and Communications Systems without the permission of or any prior notice to any user,

including disclosure to law enforcement officials. Any person who discovers misuse of any of the Charter School's Computer and Communications Systems should immediately contact the Superintendent & CEO or his/her designee. Any user who violates any part of this policy will be subject to discipline, up to and including termination.

Computer and Device Care and Maintenance

- All computer stations are to be clean and well organized.
- All computers and devices must be maintained clean and damage free.
- There is to be no food or liquid on surfaces that share a computer or device.
- Care should be taken to prevent animal hair, dirt, fine substances and kids from damaging computers or devices.
- Mouse pads on stationary computers are to be used.
- Cleaning of equipment is to be conducted regularly.

Software License

Agreement Software is to be used according to the provisions of the license agreements. Unauthorized copies of software will not be made under any circumstances. Copying software other than for backup purposes is subject to administrative and/or disciplinary action, up to and including termination. Employees should be aware that civil and criminal penalties up to \$250,000.00 per work copied are possible. Any known misuse of software is to be reported to the Superintendent & CEO immediately.

Electronic Accounts

CCS also provides electronic accounts with where an Employee can access the School Internet connection, email addresses, software programs, and the like for authorized business purposes (herein "Electronic Accounts"). Electronic Accounts and all data stored on such are considered School property, even if the data is personal in nature. The School reserves the right to access, inspect, and monitor Electronic Accounts and any data stored on or transmitted through such, with or without notice. An Employee should not have any expectation of privacy or confidentiality in Electronic Accounts.

The School does not condone or endorse any material encountered on the Internet. An Employee accessing the Internet does so at the Employee's own risk and the School is not responsible for material encountered, viewed, or downloaded by the Employee from the Internet.

- a. **Username and Passwords**
An Employee must take all necessary precautions to safeguard the integrity and confidentiality of usernames or passwords related to the Employee's Electronic Accounts, whether the Electronic Account is created by the School or by the Employee.
- b. **Email Signatures**
Each Employee is required to use the School-owned email signature and email disclaimer assigned to the Employee when sending email messages from Employee's School-owned email address. In addition, an Employee may not amend any verbiage, graphic formatting, or text formatting in the Employee's email signature or email disclaimer without approval of the Superintendent & CEO.

Mobile Devices

CCS distributes School-owned mobile devices to employees as needed. Each employee who receives a mobile device (i) must keep the mobile device battery charged at all times; and (ii) may not alter any settings on any mobile device as outlined above. Although employees use mobile devices for work-related matters, whether these devices belong to the employee or are issued by CCS, employees are prohibited from using such devices for work-related matters while driving due to safety reasons. Employees may use hands-free equipment to make or answer calls while driving without violating this policy. However, safety must always be the employee's first priority. If, because of weather, traffic conditions, or any other reason, an employee is unable to concentrate fully on the road, the employee must either end the conversation, or pull over and safely park their vehicle before resuming the call. Employees must also utilize the password protection feature on mobile devices in order to safeguard any confidential School data which may be stored on their mobile device.

Personal Business

CCS facilities for handling mail and telephone calls are designed to accommodate School business. All personal mail must be directed to your home address and limit personal telephone calls to an absolute minimum. Long distance toll calls may not be made from the School's telephone system or your school issued mobile phone. If you need to make a personal call it should be made on a personal calling card or mobile phone. The School's material, time or equipment may not be used for personal projects.

Personal Appointments: Whenever possible, personal appointments should be made for either first thing in the morning or late in the afternoon. Appointments should have minimal impact on office hours and availability.

Personal Purchases/Orders: Employees will not have any personal purchases, orders, invoices, bank statements or mail sent to the School. No one is permitted to use the School's name or address for personal purchases, orders, invoices or mail. "Personal" is defined as purchases, orders, invoices or mail that is non-educational and is not intended for classroom use. This excludes items purchased for use at the School.

Personal Appearance/Standards of Dress

As educators, our commitment to excellence should be reflected in our appearance. In general, a business casual style is appropriate for all employees. It is understood that different clothing may be appropriate under certain circumstances and for different work assignments. Differences may be necessary because of the type of activity done, special days, office area assignments and other circumstances.

However, clothing that reveals cleavage, back, chest, stomach, or underwear is not appropriate for a place of business. Overall attention to modesty, professionalism, cleanliness and safety will be expected and required. Appropriate attire will demonstrate a high regard for education and the teaching profession, and will present an image consistent with job responsibilities and CCS's values and expectations.

Employees who report to work in unacceptable attire may be requested to leave work and return in acceptable attire.

Academic Freedom

Teachers must be free to think and to express ideas, free to select and employ materials and methods of instruction within the School's curriculum framework, free from undue pressures of authority, and free to act within his/her professional group. Such freedom should be used judiciously and prudently to the end that it is in concert with established community standards and promotes the free exercise of intelligence and scholar learning. Academic freedom is not absolute. It must be exercised within the basic ethical responsibilities of the teaching profession.

Those responsibilities include:

- An understanding of our democratic traditions and methods.
- A concern for the welfare, growth, maturity and development of children.
- The use of accepted scholastic methods.
- Application of good taste and judgment in selecting and employing materials and methods of instruction.
- Teachers must follow the California State Standards.

Professional Development

CCS believes in the continuing education of our staff. Professional Development funds will be allocated in the budget by division for the employees in that Division to use for either Professional Development, Conferences, Workshops, or Tuition Reimbursement. In order to qualify for these funds, the employee must:

- Commit to staying with CCS for at least one-year (1) post Professional Development training (where such commitment on the employee's end in no way alters/impairs the School's authority to release on an at-will basis). Employees who receive Professional Development funds and leave CCS either voluntarily or involuntarily will be required to reimburse CCS the full amount of Professional Development funds used. Repayment must be made immediately upon separation.
- All Professional Development Conferences or Workshops must directly relate to the Employee's current assignment. Employees will be expected to create a Professional Development presentation and or webinar from his/her conference/workshop within thirty (30) days of completion.

Employees may not leave early to attend courses, unless prior approval is granted by the Superintendent & CEO. Courses taken must directly relate to the employee's current position and the employee must be prepared to create projects on how his/her course work that will assist CCS in the future.

Media Contacts

Employees should not speak to the media on CCS' behalf without contacting the Marketing Department. All media inquiries should be directed to the Superintendent & CEO.

Health and Safety Policy

CCS is committed to providing and maintaining a healthy and safe work environment for all employees.

Employees are required to know and comply with the School's General Safety Rules and to follow safe and healthy work practices at all times. Employees are required to report any potential health or safety hazards, and all injuries or accidents immediately to the Chief Financial Officer.

In compliance with Proposition 65, the School will inform employees of any known exposure to a chemical known to cause cancer or reproductive toxicity.

Security Protocols

CCS has developed guidelines to help maintain a secure workplace. Be aware of unknown persons loitering in parking areas, walkways, entrances and exits and service areas. Report any suspicious persons or activities to the Chief Financial Officer. Employee desk or office should be secured at the end of the day. When an employee is called away from his or her work area for an extended length of time, valuable or personal articles should not be left around a workstation that may be accessible. The security of facilities as well as the welfare of employees depends upon the alertness and sensitivity of every individual to potential security risks. Employees should immediately notify the Chief Financial Officer when keys are missing or if security access codes or passes have been breached.

Key Procedures: When an employee loses a school office key, the following guidelines will be followed:

- 1st Incident: Written Warning
- 2nd Incident: Employee will pay for lost keys and all costs for re-keying
- 3rd Incident: Violation of Code of Ethics and appropriate disciplinary action

Occupational Safety

CCS is committed to the safety of its employees, vendors, contractors and the public and to providing a clear safety goal for management.

The prevention of accidents is the responsibility of every School supervisor. It is also the duty of all employees to accept and promote the established safety regulations and procedures. Every effort will be made to provide adequate safety training. If an employee is ever in doubt how to perform a job or task safely, assistance should be requested. Unsafe conditions must be reported immediately.

It is the policy of the School that accident prevention shall be considered of primary importance in all phases of operation and administration. CCS's management is required to provide safe and healthy working conditions for all employees and to establish and require the use of safe practices at all times.

Failure to comply with or enforce School safety and health rules, practices and procedures could result in disciplinary action up to and including possible termination.

Accident/Incident Reporting

It is the duty of every employee to immediately or as soon as is practical report any accident or injury occurring during work or on School premises so that arrangements can be made for medical or first aid treatment, as well as for investigation and follow-up purposes.

Reporting Fires and Emergencies

It is the duty of every employee to know how to report fires and other emergencies quickly and accurately. Employees should report any such emergency by calling management. In addition, all employees should know the local emergency numbers such as 911.

EMPLOYEE WAGES AND HEALTH BENEFITS

Payroll Withholdings

As required by law, the School shall withhold Federal Income Tax, State Income Tax, Social Security for nonexempt employees, State Teachers' Retirement System (STRS) for Teachers/Administration, and State Disability Insurance from each employee's pay as follows:

1. Federal Income Tax Withholding: The amount varies with the number of exemptions the employee claims and the gross pay amount.
2. State Income Tax Withholding: The same factors which apply to federal withholdings apply to state withholdings.
3. Nonexempt employees: The Federal Insurance Contribution Act (FICA) requires that a certain percentage of employee earnings be deducted and forwarded to the federal government, together with an equal amount contributed by the School, for purposes of funding Social Security and Medicare. Teachers do not contribute to Social Security because they are members of STRS.
4. State Disability Insurance (SDI): This state fund is used to provide benefits to those out of work because of illness or disability.
5. Exempt employees: Full-time administrators, teachers, and other employees performing creditable service as defined by applicable law are required to participate in STRS via payroll withholdings.

Overtime Pay

Whether an employee is exempt from or subject to overtime pay will be determined on a case-by-case basis and will be indicated in the employee's job description. Generally, teachers and administrators are exempt. Nonexempt employees may be required to work beyond the regularly scheduled workday or workweek as necessary. Only actual hours worked in a given workday or workweek can apply in calculating overtime for nonexempt employees. CCS will attempt to distribute overtime evenly and accommodate individual schedules. All overtime work must be previously authorized by the Chief Financial Officer. CCS provides compensation for all overtime hours worked by nonexempt employees in accordance with state and federal law as follows:

For employee's subject to overtime, all hours worked in excess of eight (8) hours in one workday or forty (40) hours in one workweek shall be treated as overtime. Compensation for hours in excess of forty (40) for the workweek or in excess of eight (8) and not more than twelve (12) for the workday, and for the first eight (8) hours on the seventh consecutive day in one workweek, shall be paid at a rate of one and one-half times the employee's regular rate of pay. Compensation for hours in excess of twelve (12) in one workday and an excess of eight (8) on the seventh consecutive workday of the workweek shall be paid at double the regular rate of pay.

Exempt employees may have to work hours beyond their normal schedules as work demands require. No overtime compensation will be paid to these exempt employees.

Paydays

All full and part-time employees of CCS are paid on the 10th and 25th of each month. When either of these days falls on a weekend or Holiday, employees are paid on the first workday preceding

the weekend or Holiday. Employees should report any errors in their paycheck to the Chief Financial Officer.

Wage Attachments and Garnishments

Under normal circumstances, the School will not assist creditors in the collection of personal debts from its employees. However, creditors may resort to certain legal procedures such as garnishments, levies or judgments that require the School, by law, to withhold part of an employee's earnings in their favor.

Employees are strongly encouraged to avoid such wage attachments and garnishments. If the School is presented with a second garnishment request concerning an employee, the Chief of Staff will discuss the situation with the employee.

Administrative Fees

CCS may charge employees up to \$1.50 per deduction as administrative costs associated with the enforcement of a garnishment order. This charge shall be deducted from the employee's wages, and not the deduction made for the garnishment order.

Expenses

Please note that any items (i.e. non consumable office supplies or any pre-approved books) that you have purchased and have been reimbursed become the property of CCS and must have CCS Property written on them.

The following items are purchased in bulk by the school and will not be reimbursed: ink cartridges; toner cartridges, books (unless with a prior approval); copy paper; office supplies; construction paper; transparency sheets and markers; wall clocks; facial tissue; paper towels; bandages.

Staff members are required to properly fill out a Purchase Request Form and to submit it along with an estimate of the purchase expense to their Supervisor prior to making any purchases.

Following the approved purchase, reimbursement information is entered into the Bamboo HR timesheet for exempt and nonexempt employees. The Additional Pay Expense feature allows employees to enter their previously approved expense reimbursements including all required backup such as the original receipts and /or Google Maps for mileage reimbursements (text only). Reimbursements must be entered into the Additional Pay Expense feature in Bamboo HR within seven (7) days of the purchase dates. The School will not honor reimbursement requests if submitted after the deadline. School related purchases should not be combined with any personal purchases. Separate receipts for the school purchases are required. Purchase Request Forms are available on Workplace and should be filled out electronically

Mileage Reimbursement

Mileage will only be reimbursed for official school business that has been approved in advance by the supervisor. At times employees may be required to use their personal car for business purposes. Reimbursement for the operating expenses of the car will be calculated by multiplying the number of miles traveled by the currently approved Standard Mileage Rate published by the IRS. Other expenses must be substantiated by receipts. The costs of commuting (travel between

home and the work site) will not be reimbursed. Any work-related travel in excess of fifty (50) miles each way will require a rental vehicle at the School's expense.

All CCS employees who use their cars for business purposes must have current and adequate automobile/liability insurance coverage. A copy of current car insurance must be provided to Human Resources. Employees must not transport volunteers or scholars in their personal vehicles. If transportation of this type is necessary, a rented vehicle must be used.

Mileage will be reimbursed for the round-trip distance between the employee's work site and the location of the business function being attended. If employees depart from or return to their home instead of their work site, only the miles in excess of the normal daily commute can be claimed as an expense. Mileage amounts must be verifiable through the use of commercially available websites (ex. Google Maps) using the "shortest route" option. Other expenses such as parking will be reimbursed at the actual costs. Original, itemized receipts must be provided. Only pre-approved mileage will be reimbursed. Staff members are required to properly fill out a Mileage Reimbursement Form and to enter the information along with the original receipts into the BambooHR Expense Management System within seven (7) days of the business trip. The School will not honor mileage reimbursement requests if submitted after the deadline.

Reimbursement Claim Process

All employees must comply with the Reimbursement Claim process for any material purchases or travel expenses. Prior to making a purchase, employees must complete the purchase request form, to include, reason for purchase, estimated cost and include amount not to exceed, and submit to supervisor no less than five (5) days prior to purchase. **EMPLOYEES ARE PROHIBITED FROM MAKING A PURCHASE UNTIL THEY HAVE RECEIVED PRIOR APPROVAL.**

After you have received approval and purchased items, complete the description section for items purchased, attach original receipt (copies shall not be accepted), sign and submit the claim form to your supervisor for approval. If the supervisor approves, the form will be routed to the Finance Department for review and final processing. Reimbursements are made directly through payroll.

The School either incurs the actual cost of travel expenses for the cost of travel expenses, when (i) the School requests that the Employee travel to a conference; (ii) the expense is incurred within the scope of Employee's employment; and (iii) the expense was made on behalf of the Employee (and no other persons) unless approved in advance and in writing by the Superintendent & CEO. Each Employee must provide original receipts for travel expenses to the School's Finance Office within five (5) calendar days of the Employee's return from travel.

The School either incurs the cost for the actual cost of lodging and applicable taxes, but not the cost of gratuity or incidental items. Lodging is arranged by the School, at the School's discretion.

Meals and Incidental Expenses

Employees in travel status on School business - are reimbursed up to the per diem rate for travel related meal expenses for their travel destination. Receipts are required for reimbursement of travel meals using per diem rates.

Meals - Conferences

The School does not reimburse meals included with a conference. If a conference includes meals, then the School reimburses only the meals where the traveler incurred an expense. If the meal provided is on the first or last day of travel the per diem should be reduced by the meal provided, then multiplied by 75%.

The School either incurs the cost or reimburses the employee for the actual cost of breakfast not to exceed \$16.00 per day; lunch not to exceed \$17.00 per day, and dinner not to exceed \$26.00 per day, and the actual cost of tax and gratuity for such. The School incurs the actual cost of these items, not to exceed \$59.00 per day, non-cumulative and non-compounding. The School does not reimburse the Employee for the purchase of any alcohol. Employee receipts for meals should not include food for anyone outside of CCS staff. Any purchase of alcohol must be on a separate receipt and is not eligible for reimbursement.

If an employee has agreed to attend a conference, the fee has been paid by the School, and the employee cannot attend he/she must: (1) advise his/her supervisor as soon as possible; and (2) assist in arranging for another employee to attend in his/her place. An employee who fails to attend conferences that have been paid for by the School shall lose his/her ability to attend such conferences and be responsible for reimbursing the School for the cost associated therewith. Exceptions will be made at the discretion of the Superintendent & CEO or his/her designee.

Payment for Meals

Tips should be no more than 20% of the bill. Any tips considered excessive will not be reimbursed. As a general rule, employees should not tip more than they would on a personal trip and tip only to the level of service received. Also, employees must check their receipt prior to adding a tip to avoid over-tipping. Expense invoices must include an itemized business meal receipt, which includes the total amount plus tip.

Incidentals

Employees may include the daily incidental amount of \$5.00 when determining the maximum M&IE rates. Gratuities for baggage carriers, porters, hotel staff (bellhops and house cleaners), as well as ATM fees, bank fees, and check cashing fees are included in the daily incidental amount. As applicable, receipts must be provided to obtain reimbursement.

Employees will be required to submit a written itemized summary of their incidentals on behalf of business for CCS, on a form provided by the school.

Health Care Insurance Coverage for Regular, Full-Time Employees

CCS offers certain insurance benefits that may include medical, dental, vision, and disability insurance benefits to its regular, full-time employees. Regular, full-time employees can access the summary descriptions of the School's benefit plans through the online benefit enrollment system, Ease. Available benefit plans may vary and may change from time to time. Affected employees will be advised of any such changes as required by applicable law. All new employees will become eligible for medical benefits on the 1st of the month following thirty (30) days of employment. Part-time employees may be eligible for benefits per the School's policy and applicable law.

State Disability Insurance

Each employee contributes to the State of California to provide disability insurance mandated by state law. Contributions are made through payroll deduction. Disability insurance is payable when you cannot work because of illness or injury not caused by employment at the School or when you are entitled to temporary workers' compensation at a rate less than the daily disability benefit amount. Specific rules and regulations governing disability are available from the Chief of Staff.

Retirement, Life Insurance and Other School-Sponsored Benefits

CCS offers certain school-sponsored benefits that may include retirement and life insurance to its regular, full-time employees. Regular, full-time employees can access summary descriptions of the School's benefit plans through the online benefit enrollment system, Ease. Available benefit plans may vary and may change from time to time within the sole discretion of the School. Affected employees will be advised of any such changes as required by applicable law.

COBRA Benefits

When coverage under the School's medical and/or dental plans ends, employees or their dependents can continue coverage for eighteen (18) or thirty-six (36) months, depending upon the reason benefits ended. To continue coverage, an employee must pay the full cost of coverage – the employee contribution and the School's previous contribution plus a possible administrative charge.

Medical coverage for an employee, his/her spouse, and eligible dependent children can continue for up to eighteen (18) months if coverage ends because:

- Employment ends, voluntarily or involuntarily, for any reason other than gross misconduct; or
- Hours of employment are reduced below the amount required to be considered a full-time employee or part-time, making an employee ineligible for the plan.

This eighteen (18) month period may be extended an additional eleven (11) months in cases of disability subject to certain requirements. This eighteen (18) month period may also be extended an additional eighteen (18) months if other events (such as a divorce or death) occur subject to certain requirements.

An employee's spouse and eligible dependents can continue their health coverage for up to thirty-six (36) months if coverage ends because:

- The employee dies while covered by the plan;
- The employee and his/her spouse become divorced or legally separated;
- The employee becomes eligible for Medicare coverage, but his/her spouse has not yet reached age sixty-five (65); or
- The employee's dependent child reaches an age which makes him or her ineligible for coverage under the plan.

Rights similar to those described above may apply to retirees, spouses and dependents if the employer commences a bankruptcy proceeding and those individuals lose coverage.

CCS will notify employees or their dependents if coverage ends due to termination or a reduction in work hours. If an employee becomes eligible for Medicare, divorced or legally separated, dies,

or when a dependent child no longer meets the eligibility requirements, the employee or a family member are responsible for notifying the School within thirty (30) days of the event. CCS will then notify the employee or his/her dependents of the employee's rights.

Health coverage continuation must be elected within sixty (60) days after receiving notice of the end of coverage, or within sixty (60) days after the event causing the loss, whichever is later.

There are certain circumstances under which coverage will end automatically. This happens if:

- Premiums for continued coverage are not paid within thirty (30) days of the due date;
- The employee (or his/her spouse or child) become covered under another group health plan which does not contain any exclusion or limitation with respect to any pre-existing condition the employee (or the employee's spouse or child, as applicable) may have;
- CCS stops providing group health benefits;
- The employee (or the employee's spouse or child) become entitled to Medicare; or
- The employee extended coverage for up to twenty-nine (29) months due to disability and there has been a final determination that the employee is no longer disabled.

PERSONNEL EVALUATION AND RECORD KEEPING

Employee Reviews and Evaluations

Employees will complete quarterly Performance Plans through BambooHR at which time they will meet and discuss with their supervisor to set SMART goals and schedule training. Performance Plans are intended to make employees aware of their progress, areas for improvement, and objectives or goals for future work performance. The School's evaluation system will in no way alter the employment at-will relationship.

Due dates for employee Performance Plan submission can be found on the School's master calendar.

Performance pay criteria percentages, which will include all the above criteria, will be used in consideration of annual compensation increases and retention.

Personnel Files and Record Keeping Protocols

At the time of employment, an electronic personnel file is established for each employee. It is each employee's responsibility to keep the Human Resources Department advised of changes that should be reflected in their personnel file. Such changes include: change in address, telephone number, marital status, number of dependents and person(s) to notify in case of emergency. Prompt notification of these changes is essential and will enable the School to contact an employee should the change affect their other records.

Employees have the right to inspect documents in their personnel file, as provided by law, in the presence of a School representative, at a mutually convenient time. Employees also have the right to obtain a copy of their personnel file as provided by law. Employees may add comments to any disputed item in the file. CCS will restrict disclosure of personnel files to authorized individuals within the School. A request for information contained in the personnel file must be directed to the Chief of Staff. Only the Chief of Staff or designee is authorized to release information about current or former employees. Disclosure of information to outside sources will be limited. However, the School will cooperate with requests from authorized law enforcement or local, state or federal agencies conducting official investigations or as otherwise legally required. Copies of an employee's personnel file can be provided upon request. A fee of .25 cents per page will be charged to the employee. Requests for digital copies of an employee file will be provided at no cost.

Credible complaints of substantiated investigations into or discipline for egregious misconduct will not be expunged from an employee's personnel file unless the complaint is heard by an arbitrator, administrative law judge, or the Board and the complaint is deemed to be false, not credible, unsubstantiated or a determination was made that discipline was not warranted.

HOLIDAYS, VACATIONS AND LEAVES

Holidays

An employee who qualifies to receive pay for a holiday will receive one (1) day of pay at the employee's regular rate of pay. To qualify to receive pay for a holiday, an employee must meet the following conditions:

1. Be a full-time and active employee on the date of the School holiday;
2. Work all hours that the employee is scheduled to work on the last regular working day before, and the first regular working day after the holiday, unless the employee is on an approved official leave of absence (including but not limited to an unpaid leave of absence, Catastrophic Illness & Injury Leave, FMLA, CFRA, Pregnancy Disability Leave, Military and Military Spousal Leave of Absence, Bereavement Leave, and Jury Duty or Witness Leave).

If an employee requests sick time on the day before or after a school holiday, medical certification should be submitted to the Chief of Staff for review.

Regular full-time and salaried exempt employees will receive the following twenty-eight (28) paid holidays:

- Independence Day (twelve-month staff)
- Labor Day
- Yom Kippur
- Columbus/Indigenous People's Day
- Veteran's Day
- Thanksgiving Break
- Winter Break
- Martin Luther King Jr.'s Birthday
- President's Day
- Spring Break
- Memorial Day

When a holiday falls on a Saturday, the preceding Friday will be celebrated as the holiday; if it falls on a Sunday, the following Monday will be celebrated as the holiday. When Christmas falls on a Saturday, the Day before Christmas will be celebrated on Thursday. If Christmas falls on a Sunday or Monday, the day before Christmas will be celebrated on the preceding Friday.

Employee holidays, professional development, and school days are outlined in the School Calendar.

Floating Holidays

Regular full-time and salaried exempt employees will receive two (2) floating paid holidays per year in addition to CCS's regular paid holidays. These two (2) floating holidays may be used only for the employee's birthday and work anniversary.

Employee use of a floating holiday for their birthday or work anniversary must be scheduled and approved in advance by their immediate supervisor. Floating holidays for either purpose must be

utilized within thirty (30) days of the employee's birthday or anniversary or the holiday will be forfeited.

If unused, floating holidays do not accrue nor will they be cashed out upon separation from employment.

Vacation

While the School recognizes the importance of vacation time as a period of rest and rejuvenation away from the job, vacations must be scheduled with due consideration for "peak traffic periods" in the school.

For full-time twelve (12) month employee vacation will accrue as follows:

- One (1) to four (4) years of employment: Ten (10) days of paid vacation per year (3.33 hours per pay period)
- Five (5) years or more: Fifteen (15) days of paid vacation per year (5.0 hours per pay period)

No employee will receive pay in lieu of vacation during employment. Vacation does not accrue during an unpaid leave of absence or on disability salary continuation.

Employees cannot use paid vacation leave until the ninetieth (90th) calendar day following the employee's start date. Employees must request the use of vacation days through the Bamboo system at least two (2) weeks prior to scheduled use in one-hour increments. It is advised to wait to book travel until the immediate supervisor has granted the use of vacation time.

Vacation time may not be utilized before it is earned. An employee whose employment terminates will be paid for accrued unused vacation days. Vacation can accrue up to a maximum of one and a half times (1.5) their annual vacation accrual for full-time twelve (12) month employees. Once this cap is reached, no further vacation will accrue until some vacation is used. When some vacation is used, vacation compensation will begin to accrue again. There is no retroactive grant of vacation compensation for the period of time the accrued vacation compensation was at the cap.

Unpaid Leave of Absence

CCS recognizes that special situations may arise where an employee must leave his or her job temporarily. At its discretion, the School may grant employees leaves of absence. Any unpaid leave of absence must be approved in advance by the School.

The granting of a leave of absence always presumes the employee will return to active work by a designated date or within a specific period.

During a Family and Medical Leave Act, California Family Rights Act leave, and/or Pregnancy Disability Leave, the employee's medical and dental benefits will remain in force, provided the employee pays the appropriate premiums. Otherwise, benefits are terminated the month any other type of leave begins. If an employee fails to return from a leave and is subsequently terminated, the employee is entitled to all earned but unused vacation pay, provided that the vacation pay was earned prior to the commencement of leave. No vacation time is accrued during any type of unpaid leave of absence.

Sick Leave

CCS offers paid sick leave to its employees. Sick leave may be taken to receive preventive care (including annual physicals or flu shots) or to diagnose, treat, or care for an existing health condition. Employees may also use sick leave to assist a family member (i.e., children, parents, spouses/domestic partners/designated person, grandparents, grandchildren, or siblings), or any individual related by blood or affinity whose close association with the employee is the equivalent of a family relationship, who must receive preventative care or a diagnosis, treatment, or care for an existing health condition. Employees may also take paid sick leave to receive medical care or other assistance to address instances of mental health, domestic violence, sexual assault, or stalking. Paid sick leave is also available for bone marrow or organ donation by an employee or their family member, to provide care for a guide, signal or service dog of an employee of their family member, or if CCS or an employee's child care provider's business is closed due to a public health emergency, an accident involving the employee's person or property or the person or property of an immediate family member, adoption of a child, the birth of child making it necessary for an employee who is the parent of the child to be absent from their position during work hours, personal legal matters, religious observances, and business matters that cannot be conducted outside of the workday

Paid sick leave is available to all CCS employees. All full-time employees shall accrue one day per month which will accrue at the rate of four (4) hours per pay period. Part-time employees will accrue sick leave on a pro-rated basis but will never receive less than twenty-four (24) hours of sick leave per year.

Employees cannot use paid sick leave until the ninetieth (90th) calendar day following the employee's start date. Sick leave must be taken by eligible employees in increments of one (1) hour. Unused, accrued sick leave carries over from year-to-year up to a cap of one hundred and twenty (120) hours for full-time employees, and eighty (80) hours for all other employees.

Employees absent three (3) or more consecutive days due to illness may be required to submit medical evidence of illness to Human Resources. The School may also require medical evidence of an employee's fitness to return to work.

Once an employee has exhausted sick leave, the employee may continue on an unpaid medical leave depending upon the facts and circumstances of the employee's basis for leave beyond accrued sick leave. Employee requests for unpaid medical leave must be approved in advance by the School at least fifteen (15) days in advance.

Sick leave is not to be used as vacation leave. Unused sick leave is not paid out upon termination of employment.

Catastrophic Injury/Illness Leave

Catastrophic injury or illness is defined as a life-threatening injury or illness of an employee which totally incapacitates the employee from work, or of an employee's family member (e.g., spouse/partner, child, or parent), as verified by a licensed physician and which forces the employee to exhaust all leave time earned by that employee, resulting in the loss of compensation for the employee. Conditions that are short-term in nature (e.g., the flu, back pain, a broken limb, etc.) are not catastrophic. Acute chronic illnesses or injuries, such as cancer or major surgery, which result in intermittent absences from work, and which are long-term in nature and require

long recuperation periods, may be considered catastrophic. The catastrophic leave program shall be implemented as follows:

1. Eleven (11) month employees may donate one (1) sick leave day per fiscal year and twelve (12) month employees may donate two (2) sick leave days per fiscal year to a sick leave bank for employees suffering a catastrophic illness/injury; however, each eleven (11) month employee must retain at least six (6) sick leave days, and each twelve (12) month employee must retain at least ten (10) sick leave days, for his/her own account. All transfers of sick leave are irrevocable.
2. Catastrophic leave requests must be submitted in writing to the School. Any employee requesting to receive donated sick leave under this program shall first exhaust all paid leave he/she has accrued.
3. The Superintendent & CEO shall determine whether or not to grant a request for catastrophic leave based on verification by a medical doctor as to the nature of the illness or injury, anticipated length of absence, and the prognosis for recovery. There is no right to receive catastrophic leave donations. The Superintendent & CEO may in his/her unreviewable discretion decline an employee's request for catastrophic leave benefits for any reason.
4. All information provided by the employee requesting catastrophic leave shall be held in strict confidence by the School and shall be isolated from other employment records as required by applicable law.
5. The number of sick days that can be received by an employee from the catastrophic leave bank is limited to twenty (20) per fiscal year.
6. If an employee is also receiving any form of disability benefits, which is paid on a weekly basis, the total amount of catastrophic leave pay the employee may receive on a weekly basis, when added to the amount of disability benefits the employee is receiving, shall not exceed the employee's total weekly salary. Employees must disclose to the School whether they are receiving any such disability benefits.
7. Any reinstatement rights for employees utilizing catastrophic leave shall be in accordance with applicable law.
8. Participation in this program is voluntary. Recipient employees shall not offer anything of value to another employee in exchange for donating leave. Likewise, donating employees shall not receive anything of value from another employee in exchange for donating leave.
9. Sick pay accrues during any period of unpaid leave only until the end of the month in which unpaid leave began.

Employment during Leave

No employee, including employees on Catastrophic Illness/Injury leave, may accept employment with any other employer without the School's written permission. An employee who accepts such employment without written permission will be deemed to have resigned from employment.

Family Care and Medical Leave

This policy explains how the School complies with the federal Family and Medical Leave Act ("FMLA") and the California Family Rights Act ("CFRA"), both of which require the School to permit each eligible employee to take up to twelve (12) workweeks (or twenty-six (26) workweeks where indicated) of FMLA/CFRA leave in any twelve (12) month period for the purposes enumerated below.

Employee Eligibility Criteria

To be eligible for FMLA/CFRA leave, the employee must have been employed by the School for a total of at least twelve (12) months, worked at least 1,250 hours during the twelve (12) month period immediately preceding commencement of the leave, and work at a location where the School has at least fifty (50) employees within seventy-five (75) miles, (except for purposes of CFRA where the School must only have at least five (5) employees).

Events That May Entitle an Employee to FMLA/CFRA Leave

The twelve (12) week (or twenty-six (26) workweeks where indicated) FMLA/CFRA allowance includes any time taken (with or without pay) for any of the following reasons:

1. To care for the employee's newborn child or a child placed with the employee for adoption or foster care. Leaves for this purpose must conclude twelve (12) months after the birth, adoption, or placement. If both parents are employed by the School, they each will be entitled to a separate twelve (12) weeks of leave for this purpose, which cannot be loaned or otherwise assigned from one employee to the other.
2. Because of the employee's own serious health condition (including a serious health condition resulting from an on-the-job illness or injury) that makes the employee unable to perform any one or more of the essential functions of his or her job (other than a disability caused by pregnancy, childbirth, or related medical conditions, which is covered by the School's separate pregnancy disability policy).
 - a. A "serious health condition" is an illness, injury (including, but not limited to, on-the-job injuries), impairment, or physical or mental condition of the employee or a child, parent, or spouse of the employee that involves either inpatient care or continuing treatment, including, but not limited to, treatment for substance abuse.
 - b. "Inpatient care" means a stay in a hospital, hospice, or residential health care facility, any subsequent treatment in connection with such inpatient care, or any period of incapacity. A person is considered an "inpatient" when a health care facility formally admits him/her to the facility with the expectation that he/she will remain at least overnight and occupy a bed, even if it later develops that such person can be discharged or transferred to another facility and does not actually remain overnight.
 - c. "Incapacity" means the inability to work, attend school, or perform other regular daily activities due to a serious health condition, its treatment, or the recovery that it requires.
 - d. "Continuing treatment" means ongoing medical treatment or supervision by a health care provider.
3. To care for a spouse, domestic partner, child, or parent with a serious health condition. A qualifying family member may also include a grandparent, grandchild, or sibling for CFRA purposes.
4. When an employee is providing care to a spouse, son, daughter, parent, or next of kin who is a covered Armed Forces service member with a serious injury or illness, the employee may take a maximum of twenty-six (26) weeks of additional FMLA leave in a single twelve (12) month period to provide said care. CFRA does not provide leave specific to caring for a service member.
5. For any "qualifying exigency" because the employee is the spouse, son, daughter, or parent of an individual on active military duty, or an individual notified of an impending call

or order to active duty, in the Armed Forces. For CFRA purposes, this may also include a domestic partner.

Amount of FMLA/CFRA Leave Which May Be Taken

1. FMLA/CFRA leave can be taken in one (1) or more periods, but may not exceed twelve (12) workweeks total for any purpose in any twelve (12) month period, as described below, for any one, or combination of the above-described situations. "Twelve workweeks" means the equivalent of twelve (12) of the employee's normally scheduled workweeks. For a full-time employee who works five (5) eight-hour days per week, "twelve workweeks" means sixty (60) working and/or paid eight (8) hour days.
2. In addition to the twelve (12) workweeks of FMLA/CFRA leave that may be taken, an employee who is the spouse, son, daughter, parent, or next of kin of a covered Armed Forces service member may also be entitled to a total of twenty-six (26) workweeks of FMLA leave during a twelve (12) month period to care for the service member.
3. The "twelve-month period" in which twelve (12) weeks of FMLA and CFRA leave may be taken is the twelve (12) month period immediately preceding the commencement of any FMLA/CFRA leave.
4. If a holiday falls within a week taken as FMLA/CFRA leave, the week is nevertheless counted as a week of FMLA/CFRA leave. If, however, the School's business activity has temporarily ceased for some reason and employees are generally not expected to report for work for one or more weeks, such as the Winter Break, Spring Break, or Summer Vacation, the days the School's activities have ceased do not count against the employee's FMLA or CFRA leave entitlement. Similarly, if an employee uses FMLA/CFRA leave in increments of less than one (1) week, the fact that a holiday may occur within a week in which an employee partially takes leave does not count against the employee's leave entitlement unless the employee was otherwise scheduled and expected to work during the holiday.

Pay during FMLA/CFRA Leave

1. An employee on FMLA/CFRA leave because of his/her own serious health condition must use all accrued paid sick leave at the beginning of any otherwise unpaid FMLA/CFRA leave period. If an employee is receiving a partial wage replacement benefit during the FMLA/CFRA leave, the School and the employee may agree to have School-provided paid leave, such as vacation or sick time, supplement the partial wage replacement benefit unless otherwise prohibited by law.
2. An employee on FMLA/CFRA leave for baby-bonding or to care for a qualifying family member with a serious health condition may use any or all accrued sick leave at the beginning of any otherwise unpaid FMLA/CFRA leave.
3. If an employee has exhausted his/her sick leave, leave taken under FMLA/CFRA shall be unpaid leave.
4. The receipt of sick leave pay or State Disability Insurance benefits will not extend the length of the FMLA or CFRA leave. Sick pay accrues during any period of unpaid FMLA or CFRA leave only until the end of the month in which unpaid leave began.

Health Benefits

The provisions of the School's various employee benefit plans govern continuing eligibility during FMLA/CFRA leave, and these provisions may change from time to time. The health benefits of

employees on FMLA/CFRA leave will be paid by the School during the leave at the same level and under the same conditions as coverage would have been provided if the employee had been continuously employed during the leave period. When a request for FMLA/CFRA leave is granted, the School will give the employee written confirmation of the arrangements made for the payment of insurance premiums during the leave period.

If an employee is required to pay premiums for any part of his/her group health coverage, the School will provide the employee with advance written notice of the terms and conditions under which premium payments must be made.

CCS may recover the health benefit costs paid on behalf of an employee during his/her FMLA/CFRA leave if:

1. The employee fails to return from leave after the period of leave to which the employee is entitled has expired. An employee is deemed to have "failed to return from leave" if he/she works less than thirty (30) days after returning from FMLA/CFRA leave; and
2. The employee's failure to return from leave is for a reason other than the continuation, recurrence, or onset of a serious health condition that entitles the employee to FMLA/CFRA leave, or other circumstances beyond the control of the employee.

Seniority

An employee on FMLA/CFRA leave remains an employee and the leave will not constitute a break in service. An employee who returns from FMLA/CFRA leave will return with the same seniority he/she had when the leave commenced.

Medical Certifications

1. An employee requesting FMLA/CFRA leave because of his/her own or a relative's serious health condition must provide medical certification from the appropriate health care provider on a form supplied by the School. Absent extenuating circumstances, failure to provide the required certification in a timely manner (within fifteen (15) days of the School's request for certification) may result in denial of the leave request until such certification is provided.
2. The School will notify the employee in writing if the certification is incomplete or insufficient, and will advise the employee what additional information is necessary in order to make the certification complete and sufficient. The School may contact the employee's health care provider to authenticate a certification as needed.
3. If the School has reason to doubt the medical certification supporting a leave because of the employee's own serious health condition, the School may request a second opinion by a health care provider of its choice (paid for by the School). If the second opinion differs from the first one, the School will pay for a third, mutually agreeable, health care provider to provide a final and binding opinion.
4. Recertifications are required if leave is sought after expiration of the time estimated by the health care provider. Failure to submit required recertifications can result in termination of the leave.

Procedures for Requesting and Scheduling FMLA/CFRA Leave

1. An employee should request FMLA/CFRA leave by completing a Request for Leave form and submitting it to the Chief of Staff. An employee asking for a Request for Leave form will be given a copy of the School's then- current FMLA/CFRA leave policy.
2. Employees should provide not less than thirty (30) days' notice for foreseeable childbirth, placement, or any planned medical treatment for the employee or his/her qualifying family member. Failure to provide such notice is grounds for denial of a leave request, except if the need for FMLA/CFRA leave was an emergency or was otherwise unforeseeable.
3. Where possible, employees must make a reasonable effort to schedule foreseeable planned medical treatments so as not to unduly disrupt the School's operations.
4. If FMLA/CFRA leave is taken because of the employee's own serious health condition or the serious health condition of the employee's qualifying family member, the leave may be taken intermittently or on a reduced leave schedule when medically necessary, as determined by the health care provider of the person with the serious health condition.
5. If FMLA/CFRA leave is taken because of the birth of the employee's child or the placement of a child with the employee for adoption or foster care, the minimum duration of leave is two (2) weeks, except that the School will grant a request for FMLA/CFRA leave for this purpose of at least one day but less than two (2) weeks' duration on any two (2) occasions.
6. If an employee needs intermittent leave or leave on a reduced leave schedule that is foreseeable based on planned medical treatment for the employee or a family member, the employee may be transferred temporarily to an available alternative position for which he or she is qualified that has equivalent pay and benefits and that better accommodates recurring periods of leave than the employee's regular position.
7. The School will respond to an FMLA/CFRA leave request no later than five (5) business days of receiving the request. If an FMLA/CFRA leave request is granted, the School will notify the employee in writing that the leave will be counted against the employee's FMLA/CFRA leave entitlement. This notice will explain the employee's obligations and the consequences of failing to satisfy them.

Return to Work

1. Upon timely return at the expiration of the FMLA/CFRA leave period, an employee is entitled to the same or a comparable position with the same or similar duties and virtually identical pay, benefits, and other terms and conditions of employment unless the same position and any comparable position(s) have ceased to exist because of legitimate business reasons unrelated to the employee's FMLA/CFRA leave.
2. When a request for FMLA/CFRA leave is granted to an employee, the School will give the employee a written guarantee of reinstatement at the termination of the leave (with the limitations explained above).
3. Before an employee will be permitted to return from FMLA/CFRA leave taken because of his/her own serious health condition, the employee must obtain a certification from his/her health care provider that he/she is able to resume work.
4. If an employee can return to work with limitations, the School will evaluate those limitations and, if possible, will accommodate the employee as required by law. If accommodation cannot be made, the employee will be medically separated from the School.

Employment during Leave

No employee, including employees on FMLA/CFRA leave, may accept employment with any other employer without the School's written permission. An employee who accepts such employment without the School's written permission will be deemed to have resigned from employment at the School.

Pregnancy Disability Leave

This policy explains how the School complies with the California Pregnancy Disability Act, which requires the School to give each female employee an unpaid leave of absence of up to four (4) months per pregnancy, as needed, for the period(s) of time a woman is actually disabled by pregnancy, childbirth, or related medical conditions.

Employee Eligibility Criteria

To be eligible for pregnancy disability leave, the employee must be disabled by pregnancy, childbirth, or a related medical condition and must provide appropriate medical certification concerning the disability.

Events That May Entitle an Employee to Pregnancy Disability Leave

The four (4)-month pregnancy disability leave allowance includes any time taken (with or without pay) for any of the following reasons:

1. The employee is unable to work at all or is unable to perform any one or more of the essential functions of her job without undue risk to herself, the successful completion of her pregnancy, or to other persons because of pregnancy or childbirth, or because of any medically recognized physical or mental condition that is related to pregnancy or childbirth (including severe morning sickness); or
2. The employee needs to take time off for prenatal care.

Duration of Pregnancy Disability Leave

Pregnancy disability leave may be taken in one or more periods, but not to exceed four months total. "Four months" means the number of days the employee would normally work within four months. For a full-time employee who works five (5) eight (8) hour days per week, four (4) months means 693 hours of leave (40 hours per week times 17 1/3 weeks).

For employees who work more or less than forty (40) hours per week, or who work on variable work schedules, the number of working days that constitutes four (4) months is calculated on a pro rata or proportional basis. For example, for an employee who works twenty (20) hours per week, "four months" means 346.5 hours of leave entitlement (20 hours per week times 17 1/3 weeks). For an employee who normally works forty-eight (48) hours per week, "four months" means 832 hours of leave entitlement (48 hours per week times 17 1/3 weeks).

At the end or depletion of an employee's pregnancy disability leave, an employee who has a physical or mental disability (which may or may not be due to pregnancy, childbirth, or related medical conditions) may be entitled to reasonable accommodation. Entitlement to additional leave must be determined on a case-by case basis, taking into account a number of considerations

such as whether an extended leave is likely to be effective in allowing the employee to return to work at the end of the leave, with or without further reasonable accommodation, and whether or not additional leave would create an undue hardship for the School. The School is not required to provide an indefinite leave of absence as a reasonable accommodation.

Pay during Pregnancy Disability Leave

1. An employee on pregnancy disability leave must use all accrued paid sick leave and may use any or all accrued vacation time at the beginning of any otherwise unpaid leave period.
2. The receipt of vacation pay, sick leave pay, or state disability insurance benefits, will not extend the length of pregnancy disability leave.
3. Vacation and sick pay will continue to accrue during any period of unpaid pregnancy disability leave only until the end of the month in which the unpaid leave began.

Health Benefits

CCS shall provide continued health insurance coverage while an employee is on pregnancy disability leave consistent with applicable law. The continuation of health benefits is for a maximum of four (4) months in a twelve (12)-month period. CCS can recover premiums that it already paid on behalf of an employee if both of the following conditions are met:

1. The employee fails to return from leave after the designated leave period expires.
2. The employee's failure to return from leave is for a reason other than the following:
 - The employee is taking leave under the California Family Rights Act.
 - There is a continuation, recurrence or onset of a health condition that entitles the employee to pregnancy disability leave.
 - There is a non-pregnancy related medical condition requiring further leave.
 - Any other circumstance beyond the control of the employee.

Seniority

An employee on pregnancy disability leave remains an employee of the School and a leave will not constitute a break in service. When an employee returns from pregnancy disability leave, she will return with the same seniority she had when the leave commenced.

Medical Certifications

1. An employee requesting a pregnancy disability leave must provide medical certification from her healthcare provider. Failure to provide the required certification in a timely manner (within fifteen (15) days of the leave request) may result in a denial of the leave request until such certification is provided.
2. Recertifications are required if leave is sought after expiration of the time estimated by the healthcare provider. Failure to submit required recertification can result in termination of the leave.

Requesting and Scheduling Pregnancy Disability Leave

1. An employee should request pregnancy disability leave by completing a Request for Leave form and submitting it to the Chief of Staff. An employee asking for a Request for Leave form will be referred to the School's then current pregnancy disability leave policy.
2. Employee should provide not less than thirty (30) days' notice or as soon as is practicable, if the need for the leave is foreseeable. Failure to provide such notice is grounds for denial of the leave request, except if the need for pregnancy disability leave was an emergency and was otherwise unforeseeable.
3. Where possible, employees must make a reasonable effort to schedule foreseeable planned medical treatments so as not to unduly disrupt the School's operations.
4. Pregnancy disability leave may be taken intermittently or on a reduced leave schedule when medically advisable, as determined by the employee's healthcare provider.
5. If an employee needs intermittent leave or leave on a reduced leave schedule that is foreseeable based on planned medical treatment, the employee may be transferred temporarily to an available alternative position for which he or she is qualified that has equivalent pay and benefits that better accommodates recurring periods of leave than the employee's regular position.
6. The School will respond to a pregnancy disability leave request within ten (10) days of receiving the request. If a pregnancy disability leave request is granted, the School will notify the employee in writing and leave will be counted against the employee's pregnancy disability leave entitlement. This notice will explain the employee's obligations and the consequences of failing to satisfy them.

Return to Work

1. Upon timely return at the expiration of the pregnancy disability leave period, an employee is entitled to the same position unless the employee would not otherwise have been employed in the same position at the time reinstatement is requested. If the employee is not reinstated to the same position; she must be reinstated to a comparable position unless one of the following is applicable:
 - a. The employer would not have offered a comparable position to the employee if she would have been continuously at work during the pregnancy disability leave.
 - b. There is no comparable position available, to which the employee is either qualified or entitled, on the employee's scheduled date of reinstatement or within sixty (60) calendar days thereafter. The School will take reasonable steps to provide notice to the employee if and when comparable positions become available during the sixty (60) day period.
A "comparable" position is a position that involves the same or similar duties and responsibilities and is virtually identical to the employee's original position in terms of pay, benefits, and working conditions.
2. When a request for pregnancy disability leave is granted to an employee, the School will give the employee a written guarantee of reinstatement at the end of the leave (with the limitations explained above).
3. In accordance with CCS policy, before an employee will be permitted to return from a pregnancy disability leave of three (3) days or more, the employee must obtain a certification from their healthcare provider that they are able to resume work.
4. If the employee can return to work with limitations, the School will evaluate those limitations and, if possible, will accommodate the employee as required by law. If

accommodation cannot be made, the employee will be medically separated from the School.

Employment during Leave

No employee, including employees on pregnancy disability leave, may accept employment with any other employer without the School's written permission. An employee who accepts such employment without written permission will be deemed to have resigned from employment.

Industrial Injury Leave (Workers' Compensation)

CCS, in accordance with State law, provides insurance coverage for employees in case of work-related injuries. The workers' compensation benefits provided to injured employees may include:

- Medical care;
- Cash benefits, tax-free to replace lost wages; and
- Vocational rehabilitation to help qualified injured employees return to suitable employment.

To ensure employees receive any workers' compensation benefits to which they may be entitled, employees will need to:

- Immediately report any work-related injury to the Chief Financial Officer;
- Seek medical treatment and follow-up care if required;
- Complete a written Employee's Claim Form (DWC Form 1) and return it to the Chief of Staff; and
- Provide the School with a certification from a health care provider regarding the need for workers' compensation disability leave as well as the employee's eventual ability to return to work from the leave.

It is the School's policy that when there is a job-related injury, the first priority is to ensure that the injured employee receives appropriate medical attention. CCS, with the help of its insurance carrier has selected medical centers to meet this need. Each medical center was selected for its ability to meet anticipated needs with high quality medical service and a location that is convenient to the School's operation.

- If an employee is injured on the job, he/she is to go or be taken to the approved medical center for treatment. If injuries are such that they require the use of emergency medical systems ("EMS") such as an ambulance, the choice by the EMS personnel for the most appropriate medical center or hospital for treatment will be recognized as an approved center.
- All accidents and injuries must be reported to the Chief Financial Officer and to the individual responsible for reporting to the School's insurance carrier. Failure by an employee to report a work-related injury by the end of his/her shift could result in loss of insurance coverage for the employee. An employee may choose to be treated by his/her personal physician at his/her own expense, but he/she is still required to go to the School's approved medical center for evaluation. All job-related injuries must be reported to the appropriate State Workers' Compensation Bureau and the insurance carrier.
- When there is a job-related injury that results in lost time, the employee must have a medical release from the School's approved medical facility before returning to work.
- Any time there is a job-related injury, the School's policy requires drug/alcohol testing along with any medical treatment provided to the employee.

Military and Military Spousal Leave of Absence

CCS shall grant a military leave of absence to any employee who must be absent from work due to service in the uniformed services in accordance with the Uniformed Services Employment and Re- Employment Rights Act of 1994 ("USERRA"). All employees requesting military leave must provide advance written notice of the need for such leave, unless prevented from doing so by military necessity or if providing notice would be impossible or unreasonable.

If military leave is for thirty (30) or fewer days, the School shall continue the employee's health benefits. For service of more than thirty (30) days, employees shall be permitted to continue their health benefits at their option through COBRA. Employees are entitled to use accrued vacation or paid time off as wage replacement during time served, provided such vacation/paid time off accrued prior to the leave.

Except for employees serving in the National Guard, CCS will reinstate those employees returning from military leave to their same position or one of comparable seniority, status, and pay if they have a certificate of satisfactory completion of service and apply within ninety (90) days after release from active duty or within such extended period, if any, as required by law. For those employees serving in the National Guard, if he or she left a full-time position, the employee must apply for reemployment within forty (40) days of being released from active duty, and if he or she left part-time employment, the employee must apply for reemployment within five (5) days of being released from active duty.

An employee who was absent from work while fulfilling his or her covered service obligation under the USERRA or California law shall be credited, upon his or her return to the School, with the hours of service that would have been performed but for the period of absence from work due to or necessitated by USERRA-covered service. Exceptions to this policy will occur wherever necessary to comply with applicable laws.

CCS shall grant up to ten (10) days of unpaid leave to employees who work more than twenty (20) hours per week and who are spouses of deployed military servicemen and servicewomen. The leave may be taken when the military spouse is on leave from deployment during a time of military conflict. To be eligible for leave, an employee must provide the School with (1) notice of intention to take military spousal leave within two (2) business days of receiving official notice that the employee's military spouse will be on leave from deployment, and (2) documentation certifying that the employee's military spouse will be on leave from deployment during the time that the employee requests leave.

Bereavement Leave

Each full-time employee will be provided with three (3) paid bereavement days for family members. Family members will be defined as members of the employee's or spouse's immediate family which means the parents, grandparents, spouse, significant other, child or grandchild, brother, sister, (step or foster) or any other living in the immediate household of the employee.

If an employee requires more than the three (3) days off for bereavement leave, the employee may use accrued sick and/or vacation days.

Jury Duty or Witness Leave

Jury and Witness leave is provided for any employee who is called to serve jury or witness duty in any court during regularly assigned working hours. Prior notification to and approval by the Human Resources Department is required. The School will pay an employee up to fifteen (15) of days paid per jury service term.

If an employee is asked to use the call-in jury system and he/she is not selected to appear the next morning, the employee must report to work. The employee must notify HR if he/she has been selected to serve on a jury and if possible to notify how long the trial may last in order to plan ahead.

As a reminder as of August 2004, in an effort to avoid duplicate payment of public funds, California Superior Court jurors employed by a government entity (including school districts) who receive their regular compensation during jury service may not be paid daily jury duty fees by the court (California Code of Civil Procedure, Section 215). Hence, when completing the juror affidavit questionnaire, it is your responsibility to check the "Government/Public Employee" box (rather than "Employed"). This alerts the court to withhold payment of jury fees (although you will still receive mileage reimbursement, unless you have elected to waive it).

Note: Employees summoned to United States District Court are entitled to jury fees. Therefore, in accordance with current employee agreements, an amount equal to the jury fees paid by the court will automatically be withheld from the employee's subsequent pay.

Employees must provide a copy of Jury Summons or Witness Subpoena when requesting Jury Duty Leave and must submit employer paperwork received from the court at the completion of jury service. Employees must request time off for Jury Service using the BambooHR system.

Voting Time Off

If an employee does not have sufficient time outside of working hours to vote in an official state-sanctioned election, the employee may take off enough working time to vote. Such time off shall be taken at the beginning or the end of the regular working shift, whichever allows for more free time and the time taken off shall be combined with the voting time available outside of working hours to a maximum of two (2) hours combined. Under these circumstances, an employee will be allowed a maximum of two (2) hours of time off during an election day without loss of pay. When possible, an employee requesting time off to vote shall give their immediate supervisor at least two (2) days' notice.

School Appearance and Activities Leave

As required by law, CCS will permit an employee who is a parent or guardian (including a stepparent, foster parent, or grandparent) of school children, from kindergarten through grade twelve (12), or a child enrolled with a licensed child care provider, up to forty (40) hours of unpaid time off per school year (up to eight (8) hours in any calendar month of the school year) to participate in activities of a child's school or child care. If more than one (1) parent or guardian is an employee of CCS, the employee that first provides the leave request will be given the requested time off. Where necessary, additional time off will also be permitted where the school requires the employee(s) appearance.

The employee requesting school leave must provide reasonable advance notice of the planned absence. The employee must use accrued but unused paid leave (e.g., vacation or sick leave) to be paid during the absence.

When requesting time off for school activities, the employee must provide verification of participation in an activity as soon as practicable. When requesting time off for a required appearance, the employee(s) must provide a copy of the notice from the child's school requesting the presence of the employee.

Bone Marrow and Organ Donor Leave

As required by law, eligible employees who require time off to donate bone marrow to another person may receive up to five (5) workdays off in a 12-month period. Eligible employees who require time off to donate an organ may receive up to sixty (60) workdays off in a twelve (12) month period.

To be eligible for bone marrow or organ donation leave ("Donor Leave"), the employee must have been employed by the School for at least ninety (90) days immediately preceding the Donor Leave.

An employee requesting Donor Leave must provide written verification to the School that he or she is a donor and that there is a medical necessity for the donation of the organ or bone marrow.

Up to five (5) days of leave for bone marrow donation, and up to thirty (30) days of leave for organ donation, may be paid provided the employee first uses five (5) days of accrued paid leave for bone marrow donation and two (2) weeks of accrued paid leave for organ donation. If the employee has an insufficient number of paid leave days available, the leave will otherwise be paid.

Employees returning from Donor Leave will be reinstated to the position held before the leave began, or to a position with equivalent status, benefits, pay and other terms and conditions of employment. The School may refuse to reinstate an employee if the reason is unrelated to taking a Donor Leave. A Donor Leave is not permitted to be taken concurrently with an FMLA/CFRA Leave.

Victims of Abuse Leave

CCS provides reasonable and necessary unpaid leave and other reasonable accommodations to employees who are victims of domestic violence, sexual assault, or stalking. Such leave may be taken to attend legal proceedings or to obtain or attempt to obtain any relief necessary, including a restraining order, to ensure the employee's own health, safety or welfare, or that of the employee's child or children. Employees may also request unpaid leave for the following purposes:

- Seek medical attention for injuries caused by domestic violence, sexual assault, or stalking.
- Obtain services from a domestic violence shelter, program, or rape crisis center.
- Obtain psychological counseling for the domestic violence, sexual assault, or stalking.
- Participate in safety planning, such as relocation, to protect against future domestic violence, sexual assault, or stalking.

To request leave under this policy, an employee should provide CCS with as much advance notice as practicable under the circumstances. If advance notice is not possible, the employee requesting leave under this policy should provide CCS one (1) of the following certifications upon returning back to work:

1. A police report indicating that the employee was a victim of domestic violence, sexual assault, or stalking.
2. A court order protecting the employee from the perpetrator or other evidence from the court or prosecuting attorney that the employee appeared in court.
3. Documentation from a licensed medical professional, domestic violence or sexual assault counselor, licensed health care provider, or counselor showing that the employee's absence was due to treatment for injuries or abuse from domestic violence, sexual assault, or stalking.

Employees requesting leave under this policy may choose to use accrued paid leave. In addition, CCS will provide reasonable accommodations to employees who are victims of domestic violence, sexual assault or stalking for the employees' safety while at work. To request an accommodation under this policy, an employee should contact Human Resources.

Returning from Leave of Absence

Employees cannot return from a medical leave of absence without first providing a sufficient doctor's return to work authorization.

When business considerations require, the job of an employee on leave may be filled by a temporary or regular replacement. An employee should give the Chief of Staff thirty (30) days' notice before returning from leave. Whenever the School is notified of an employee's intent to return from a leave, the School will attempt to place the employee in his former position or in a comparable position with regard to salary and other terms and conditions for which the employee is qualified. However, re-employment cannot always be guaranteed. If employees need further information regarding Leaves of Absence, they should be sure to consult the Chief of Staff.

DISCIPLINE AND TERMINATION OF EMPLOYMENT

Rules of Conduct

The following conduct is prohibited and will not be tolerated by the School. This list of prohibited conduct is illustrative only and applies to all employees of the School; other types of conduct that threaten security, personal safety, employee welfare and the School's operations also may be prohibited. Further, the specification of this list of conduct in no way alters the at-will employment relationship as to at-will employees of the School. If an employee is working under a contract with the School which grants procedural rights prior to termination, the procedural terms in the contract shall apply.

1. Insubordination - refusing to perform a task or duty assigned or act in accordance with instructions provided by an employee's manager or proper authority.
2. Inefficiency - including deliberate restriction of output, carelessness or unnecessary wastes of time or material, neglect of job, duties or responsibilities.
3. Unauthorized soliciting, collecting of contributions, distribution of literature, written or printed matter is strictly prohibited on School property by non-employees and by employees. This rule does not cover periods of time when employees are off their jobs, such as lunch periods and break times. However, employees properly off their jobs are prohibited from such activity with other employees who are performing their work tasks.
4. Acceptance, from any source, of a reward, gift, or other form of remuneration in excess of \$100.00, in addition to regular compensation to all staff.
5. Damaging, defacing, unauthorized removal, destruction or theft of another employee's property or of School property.
6. Fighting or instigating a fight on School premises.
7. Violations of the drug and alcohol policy including using, possessing, dealing, distributing, or being under the influence of intoxicating beverages, non-prescribed drugs or any unlawful drugs while on duty or at a work location.
8. Actions which constitute an unwholesome influence on scholars or other staff members, such as harassment, which includes sexual harassment.
9. Using or possessing firearms, weapons or explosives of any kind on School premises.
10. Gambling on School premises.
11. Tampering with or falsifying any report or record including, but not limited to, personnel, absentee, sickness or production reports or records, specifically including applications for employment and timecards.
12. Electronically clocking for another employee or permitting or arranging for another employee to record your clock time.
13. Use of profane, abusive or threatening language in conversations with other employees and/or intimidating or interfering with other employees.
14. Conducting personal business during business hours and/or unauthorized use of telephone lines for personal calls.
15. Excessive absenteeism or tardiness excused or unexcused.
16. Posting any notices on School premises without prior written approval of management, unless posting is on a School bulletin board designated for employee postings.
17. Immoral or indecent conduct.
18. Conviction of a criminal act, especially a felony, or conviction of a misdemeanor involving moral turpitude.
19. Engaging in sabotage or espionage (industrial or otherwise)
20. Violation of the sexual harassment policy.
21. Violation of the School's policies regarding discrimination, harassment, or retaliation.

22. Failure to report a job-related accident to the employee's manager or failure to take or follow prescribed tests, procedures or treatment.
23. Sleeping during work hours.
24. Release of confidential information relating to staff, scholars or CCS without prior authorization from the Human Resources Department and/or the Superintendent & CEO.
25. Any other conduct detrimental to other employees or the School's interests or its efficient operations.
26. Any willful act of conduct undertaken in bad faith, either during or outside of duty hours, which is of such a nature that causes discredit to the School.
27. Violation of any federal, state or local laws affecting the School or the employee's employment or fitness for employment with the School.
28. Failure to comply with the School's safety protocols and procedures.
29. Refusal to speak to supervisors or other employees.
30. Dishonesty.
31. Failure to possess or maintain the credential/certificate required of the position.

For employees who possess an employment contract which provides for other than at-will employment, the procedures and process for termination during the contract shall be specified in the contract.

Off-Duty Conduct

While the School does not seek to interfere with the off-duty and personal conduct of its employees, certain types of off-duty conduct may interfere with the School's legitimate business interests. For this reason, employees are expected to conduct their personal affairs in a manner that does not adversely affect the School or its own integrity, reputation, or credibility. Illegal or immoral off-duty conduct by an employee that adversely affects the School's legitimate business interests or the employee's ability to perform his or her work will not be tolerated.

While employed by the School, employees are expected to devote their energies to their jobs with the School. For this reason, second jobs are strongly discouraged. The following types of additional employment elsewhere are strictly prohibited:

- Additional employment that conflicts with an employee's work schedule, duties, and responsibilities at our School.
- Additional employment that creates a conflict of interest or is incompatible with the employee's position with our School.
- Additional employment that impairs or has a detrimental effect on the employee's work performance with our School.
- Additional employment that requires the employee to conduct work or related activities on the School's property during the employer's working hours or using School facilities and/or equipment; and
- Additional employment that directly or indirectly competes with the business or the interests of our School.

Employees who wish to engage in additional employment that may create a real or apparent conflict of interest must submit a written request to the School explaining the details of the additional employment. If the additional employment is authorized, the School assumes no responsibility for it. CCS shall not provide workers' compensation coverage or any other benefit for injuries occurring from or arising out of additional employment. Authorization to engage in additional employment can be revoked at any time.

Termination of Employment

Should it become necessary for an employee to terminate their at-will employment with the School, employees should notify the Chief of Staff regarding their intention as far in advance as possible. At least two (2) weeks' notice is expected whenever possible.

When an employee terminates their at-will employment, they will be entitled to all earned but unused vacation pay. If an employee is participating in the medical and/or dental plan, they will be provided information on their rights under COBRA.

INTERNAL COMPLAINT REVIEW

The purpose of the “Internal Complaint Review Policy” is to afford all employees of the School the opportunity to seek internal resolution of their work-related concerns. All employees have free access to the Chief of Staff or Board of Directors to express their work-related concerns.

Specific complaints of unlawful harassment, discrimination, and retaliation are addressed under the School’s “Policy Prohibiting Unlawful Harassment, Discrimination, and Retaliation.”

Internal Complaints

(Complaints by Employees Against Employees)

This section of the policy is for use when a School employee raises a complaint or concern about a coworker.

If reasonably possible, internal complaints should be resolved at the lowest possible level, including attempts to discuss/resolve concerns with the immediate supervisor. However, in the event an informal resolution may not be achieved or is not appropriate, the following steps will be followed by the Chief of Staff or designee:

1. The complainant will bring the matter to the attention of the Chief of Staff as soon as possible after attempts to resolve the complaint with the immediate supervisor have failed or if not appropriate.
2. The complainant will reduce his or her complaint to writing, indicating all known and relevant facts. The Chief of Staff or designee will then investigate the facts and provide a solution or explanation.
3. If the complaint is about the Chief of Staff, the complainant may file his or her complaint in writing to the Superintendent & CEO. The Superintendent & CEO or designee will then investigate the facts and provide a solution or explanation.
4. If the complaint is about the Superintendent & CEO, the complainant may file his or her complaint in writing to the Chair of the Board of Directors, who will then confer with the Board and may conduct a fact-finding or authorize a third party investigator on behalf of the Board. The Board Chair or investigator will report his or her findings to the Board for review and action, if necessary.

This policy cannot guarantee that every problem will be resolved to the employee’s satisfaction. However, the School values each employee’s ability to express concerns and the need for resolution without fear of adverse consequences to employment.

Policy for Complaints Against Employees

(Complaints by Third Parties Against Employees)

This section of the policy is for use when a non-employee raises a complaint or concern about a School employee.

If complaints cannot be resolved informally, complainants may file a written complaint with the Chief of Staff or Superintendent & CEO (if the complaint concerns the Chief of Staff) as soon as possible after the events that give rise to the complainant’s concerns. The written complaint should set forth in detail the factual basis for the complaint.

In processing the complaint, Chief of Staff (or designee) shall abide by the following process:

1. The Chief of Staff or designee shall use his or her best efforts to talk with the parties identified in the complaint and to ascertain the facts relating to the complaint.
2. In the event that the Chief of Staff (or designee) finds that a complaint against an employee is valid, the Chief of Staff (or designee) may take appropriate disciplinary action against the employee. As appropriate, the Chief of Staff (or designee) may also simply counsel/reprimand employees as to their conduct without initiating formal disciplinary measures.
3. The Chief of Staff's (or designee) decision relating to the complaint shall be final unless it is appealed to the Superintendent & CEO. The decision of the Superintendent & CEO shall be final.

General Requirements

1. Confidentiality: All complainants will be notified that information obtained from the complainants and thereafter gathered will be maintained in a manner as confidential as possible, but in some circumstances absolute confidentiality cannot be assured.
2. Non-Retaliation: All complainants will be advised that they will be protected against retaliation as a result of the filing of any complaints or participation in any complaint process.
3. Resolution: The Board (if a complaint is about the Superintendent & CEO) or the Chief of Staff or designee will investigate complaints appropriately under the circumstances and pursuant to the applicable procedures, and if necessary, take appropriate remedial measures to ensure effective resolution of any complaint.

AMENDMENT TO EMPLOYEE HANDBOOK

This Employee Handbook contains the employment policies and practices of the School in effect at the time of publication.

CCS reserves the right to amend, delete or otherwise modify this Handbook at any time provided that such modifications are in writing and duly approved by the employer.

Any written changes to the Handbook will be distributed to all employees. No oral statements can in any way alter the provisions of this Handbook.

APPENDIX A

Harassment/Discrimination/Retaliation Complaint Form

It is the policy of the School that all of its employees be free from harassment, discrimination, and retaliation. This form is provided for you to report what you believe to be harassment, discrimination, or retaliation so that the School may investigate and take appropriate disciplinary or other action when the facts show that there has been harassment, discrimination, or retaliation.

If you are an employee of the School, you may file this form with the Chief of Staff or Superintendent & CEO.

Please review the School's policies concerning harassment, discrimination, and retaliation for a definition of such unlawful conduct and a description of the types of conduct that are considered unlawful.

CCS will undertake every effort to handle the investigation of your complaint in a confidential manner. In that regard, the School will disclose the contents of your complaint only to those persons having a need to know. For example, to conduct its investigation, the School will need to disclose portions of your factual allegations to potential witnesses, including anyone you have identified as having knowledge of the facts on which you are basing your complaint, as well as the alleged offender.

In signing this form below, you authorize the School to disclose to others the information you have provided herein, and information you may provide in the future. Please note that the more detailed information you provide, the more likely it is that the School will be able to address your complaint to your satisfaction.

Charges of harassment, discrimination, and retaliation are taken very seriously by the School both because of the harm caused by such unlawful conduct, and because of the potential sanctions that may be taken against the offender. It is therefore very important that you report the facts as accurately and completely as possible and that you cooperate fully with the person or persons designated to investigate your complaint.

Review and Approval of the Staff Compensation Policy

Section: XII. Executive
Item: C. Review and Approval of the Staff Compensation Policy
Purpose: Vote
Submitted by: J.J. Lewis
Related Material: SECTION 7 - Staff Compensation Policy.pdf

RECOMMENDATION:

A motion to approve the Staff Compensation Policy.

Board Policy #: 7

Adopted/Ratified: March 28, 2021

Revision Date:

SECTION 7 – FISCAL – STAFF COMPENSATION

1. Purpose

- a. The Compass Charter Schools (“Compass”) Board of Directors recognizes that an attractive compensation package is necessary to attract and retain valuable employees to Compass Charter Schools. The purpose of this policy is to ensure that compensation for Compass employees is transparent, equitable, fiscally responsible, and aligned with the Compass budgeting philosophy.
- b. The Compass Board further recognizes that an annual review of the compensation structure of all top level persons employed by the Charter Schools is necessary to ensure that the Charter Schools’ compensation plan is aligned with that of similar schools in the areas where Compass operates.

2. Teacher Compensation

- a. A salary pay scale will be developed and reviewed annually by the Board. Rates of pay at similar schools in the areas where Compass schools operate will be considered during the development and review of the pay scale for Compass.
- b. Teachers having or earning a graduate degree in Education will be paid an additional amount for their degree. The amount of graduate degree additional pay will be included on the salary pay scale.
- c. The Board will adopt a budget target percentage for teacher compensation. Area averages in the areas where Compass operates will be considered when determining this target percentage. Salary increases or beginning salary offerings which result in material increases beyond the budget target percentages shall not be approved without written approval by the Superintendent & CEO.
- d. Performance considerations shall be presented to the Board by the Superintendent & CEO annually. Performance considerations for salary increases may include:
 - i. Significant change in responsibility, training level, or credential,
 - ii. Percentage of scholars attaining at least one year’s worth of growth as shown by standardized tests or other types of classroom assessments,
 - iii. Percentage of scholars scoring proficient or better on standardized tests or other types of classroom assessments,
 - iv. Personnel, peer, and self-evaluation including personal goals met, and/or
 - v. Surveys of parents and scholars regarding performance.

- e. Fiscal considerations for salary increases will include:
 - i. Excess or deficiency in budget,
 - ii. Cost of living adjustment in budget,
 - iii. Budget target percentage available for compensation increases, and
 - iv. Having adequate funds to manage cash flow needs in the event that the State defers apportionment payments.

3. Administrative Compensation

- a. A salary pay scale will be developed and reviewed annually by the Board. Rates of pay at similar schools in the areas Compass schools operate will be considered during the development and review of the pay scale for Compass.
- b. The Board will adopt a budget target percentage for administrative compensation. Area averages in the areas Compass operates will be considered when determining this target percentage. Salary increases or beginning salary offerings which result in material increases beyond the budget target percentages shall not be approved without written explanation by the Superintendent & CEO.
- c. Performance considerations for salary increases may include:
 - i. Significant change in responsibility, training level, or credential,
 - ii. Personnel, peer, and self-evaluation including personal goals met, and/or
 - iii. Surveys of parents and scholars regarding performance.
- d. Fiscal considerations for salary increases will include:
 - i. Excess or deficiency in budget,
 - ii. Cost of living adjustment in budget,
 - iii. Budget target percentage available for compensation increases, and
 - iv. Having adequate funds to manage cash flow needs in the event that the State defers apportionment payments.

4. Support Staff Compensation

- a. An hourly wage scale will be developed and reviewed annually by the Board. Rates of pay at similar schools in the area will be considered during the development and review of the scale for Compass.
- b. The Board will adopt a budget target percentage for support staff compensation. Area averages in the areas where Compass operates will be considered when determining this target percentage. Hourly rate increases and staffing which result in material increases beyond the budget target percentages shall not be approved without written explanation by the Superintendent/CEO.
- c. Performance considerations for hourly wage increases may include:
 - i. Significant change in responsibility, training level, or credential,
 - ii. Personnel, peer, and self-evaluation including personal goals met, and/or
 - iii. Surveys of parents and scholars regarding performance.
- d. Fiscal considerations for salary increases will include:
 - i. Excess or deficiency in budget,
 - ii. Cost of living adjustment in budget,
 - iii. Budget target percentage available for compensation increases, and
 - iv. Having adequate funds to manage cash flow needs in the event that the State defers apportionment payments.

5. Benefits Package

- a. Benefits will be offered to faculty and staff according to applicable law.
- b. The Board will adopt a budget target percentage for benefits compensation. Area averages in the areas where Compass operates will be considered when determining this target percentage.
- c. Benefits may be increased by the Board as budget target percentages allow.

6. Compensation Rate Benchmarks

- a. Compensation for all employees shall be benchmarked at the fiftieth (50th) percentile of comparable public schools and charter networks.

7. One-Time Monies

- a. When one-time monies are received, they will not be included in the calculation of the target percentages for teacher compensations, administrative compensation, support staff compensation or benefits package.
- b. If one-time monies are received and allocated by the Board for compensation it will be in the form of a one-time stipend or bonus and only as may be allowed by law.
- c. It is the goal of the Board that one-time monies will not be used for any recurring expenses beyond the year in which they are received.

8. Cost of Living Adjustments/Differential Pay

- a. When a cost of living adjustment is made to state funding, the percentage of the adjustment will be implemented in employee compensation rates if the Board determines that there are not other budgetary needs.
- b. There will be no differential in pay to employees based on location of work.

9. Mid-Year Budget Adjustments

- a. If, as a result of a State Budget revision, base revenue changes downward during the fiscal year, then the Board reserves the right to adjust compensation downward.
- b. Mid-year revenue increases will be handled in the same manner as one-time monies if any compensation increases are granted.

10. Fiscal Emergencies/ADA Decline

- a. If the Compass Charter Schools are in circumstances that are determined to be a fiscal emergency by the Board, compensation increases for all employees may be frozen during the period of the emergency, and existing compensation may be re-evaluated for the duration of the emergency.

11. Annual Compensation Review for the Superintendent & CEO

- a. Process for Compensation Review
 - i. The process shall include three elements:
 1. Review and approval by the Board;
 2. Use of data as to comparable compensation;
 3. Performance
- b. Review and Approval
 - i. The compensation of the Superintendent & CEO is reviewed and approved by the Board during open session at a regular meeting of the board. Persons with conflicts of interest with respect to the compensation

Page 4 of 4

arrangement at issue shall not be involved in this review and approval.

- c. Use of Data as to Comparable Compensation
 - i. The compensation of the Superintendent & CEO is reviewed and approved using data as to comparable compensation for similarly qualified persons in functionally comparable positions at similarly situated organizations.
- d. Contemporaneous Documentation and Recordkeeping
 - i. There is contemporaneous documentation and recordkeeping with respect to the deliberations and decisions regarding the compensation arrangement.

Instructions

The LCAP Federal Addendum is meant to supplement the LCAP to ensure that eligible LEAs have the opportunity to meet the Local Educational Agency (LEA) Plan provisions of the ESSA.

The LCAP Federal Addendum Template must be completed and submitted to the California Department of Education (CDE) to apply for ESSA funding. LEAs are encouraged to review the LCAP Federal Addendum annually with their LCAP, as ESSA funding should be considered in yearly strategic planning.

The LEA must address the Strategy and Alignment prompts provided on the following page.

Each provision for each program must be addressed, unless the provision is not applicable to the LEA.

In addressing these provisions, LEAs must provide a narrative that addresses the provision **within the LCAP Federal Addendum Template.**

Under State Priority Alignment, state priority numbers are provided to demonstrate where an ESSA provision aligns with state priorities. This is meant to assist LEAs in determining where ESSA provisions may already be addressed in the LEA's LCAP, as it demonstrates the LEA's efforts to support the state priorities.

The CDE emphasizes that **the LCAP Federal Addendum should not drive LCAP development.** ESSA funds are supplemental to state funds, just as the LCAP Federal Addendum supplements your LCAP. LEAs are encouraged to integrate their ESSA funds into their LCAP development as much as possible to promote strategic planning of all resources;

however, this is not a requirement. In reviewing the LCAP Federal Addendum, staff will evaluate the LEA's responses to the ESSA plan provisions. There is no standard length for the responses. LEAs will be asked to clarify insufficient responses during the review process.

California's ESSA State Plan significantly shifts the state's approach to the utilization of federal resources in support of underserved student groups. This LCAP Federal Addendum provides LEAs with the opportunity to document their approach to maximizing the impact of federal investments in support of underserved students.

The implementation of ESSA in California presents an opportunity for LEAs to innovate with their federally-funded programs and align them with the priority goals they are realizing under the state's Local Control Funding Formula (LCFF).

LCFF provides LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The LCAP planning process supports continuous cycles of action, reflection, and improvement.

Please respond to the prompts below, and in the pages that follow, to describe the LEA's plan for making the best use of federal ESEA resources in alignment with other federal, state, and local programs as described in the LEA's LCAP.

Strategy

Explain the LEA's strategy for using federal funds to supplement and enhance local priorities or initiatives funded with state funds, as reflected in the LEA's LCAP. This shall include describing the rationale/evidence for the selected use(s) of federal funds within the context of the LEA's broader strategy reflected in the LCAP.

Compass Charter Schools of Yolo (CCS) is a free, nonclassroom-based, public charter school which is directly funded by the State of California and the federal government. CCS of Yolo provides 21st century online and home study learning programs authorized by Winters Joint USD for scholars (students) in grades TK-12 who reside in Yolo County and its adjacent counties and wish to pursue high-quality, and rigorous instructional programs via virtual learning.

CCS of Yolo uses its federal funding to supplement instructional programs for its scholars. The processes that are in place to ensure funds from state and federal funds are used in a coherent manner to support achievement of the Compass mission, vision, and our core values of Achievement, Respect, Teamwork, Integrity, and Communication (ARTIC). The goals for all scholars are to remain transparent regarding all fiscal expenditures, especially state and federal funds. The Parent Advisory Council (PAC) will review and approve the Local Control and Accountability (LCAP) annually prior to submission to the Board of Directors for final adoption. The 2020-21 School Plan for Student Achievement (SPSA) has been developed to meet the federal requirements for this academic year due to the 1-year suspension of the LCAP as the result of the global health pandemic.

CCS of Yolo's scholar population is comprised of socioeconomically disadvantaged (33.20%) and English Learners (1.20%). CCS of Yolo makes it a priority to develop major actions in the SPSA to support all scholars, but especially scholars who are socioeconomically disadvantaged and/or English Learners and/or Foster Youth (0.20%). The overarching goals for CCS of Yolo include the following: Scholars will increase academic achievement, increase scholar retention and scholar and parent (learning coach) engagement and involvement, increase academic achievement and engagement for scholars in special populations to include English Learners (EL), Foster Youth (FY), Homeless Youth (HY), Socioeconomically Disadvantaged scholars (SED), and Students with Disabilities (SWD), and increase college and career readiness for scholars in high school.

The major priority areas at CCS of Yolo are personalization, blended learning, data-driven instruction, Multi-Tier System of Supports (MTSS), and supervising teachers (STs). The personalized learning model to the scholars includes virtual instruction and differentiated instruction for the scholars at their

instructional level during learning labs. Differentiated instruction may include the scholars working with tutors, working on an adaptive online learning program like Edgenuity, iStation, ThinkingStorm, or others.

The major actions included in the SPSA for all scholars are to improve academic achievement, scholar and learning coach engagement and involvement, focus on scholars in special subgroups and increase college and career readiness. The increased or improved services for socioeconomically disadvantaged scholars, foster youth and English Learners to improve proficiency include personalized learning plans, through the learning labs, access to MTSS strategies for support and interventions, tutoring by ST's and educational facilitators through support sessions and online through ThinkingStorm, learning lab materials, and online learning programs. The increased or improved services to provide access to state standards curriculum taught by appropriately assigned, highly qualified STs include meaningful professional development, administration and analysis of internal and external assessments, and new ST coaching and support. All STs will receive professional development sessions on curriculum, MTSS, Social-Emotional Learning (SEL), Positive Behavior Interventions and Supports (PBIS) in virtual instruction, writing and scoring constructed responses, data analysis and informing instruction, pacing guides, grading and communication with scholars and learning coaches, strategies for ELs, SWD, FY and HY, SED and culturally relevant proficiency. All of CCS of Yolo's instructional staff will attend the Advancement Via Individual Determination (AVID) Digital XP Conference, while some ST's and administrators will attend conferences like Digital Learning and Advanced Placement and CUE. One key aspect is to ensure attendance and incentivize attendance and participation which will increase retention of scholars in grade spans by supporting scholar and learning coach engagement. Learning coaches will have the opportunity to attend the Learning Coach Academy, serve as a Learning Coach Ambassador, and attend council and Board meetings. CCS of Yolo will make accommodations for learning coaches of scholars in special populations so every learning coach can participate. Moreover, CCS of Yolo will expand the Award Recognition Program to increase scholar and learning coach engagement. Extracurricular activities will include scholar clubs, workshops, transition meetings and online counseling sessions starting in grade 4 to support the social emotional well-being of scholars. Communication via Parent Square will continue to reach out to learning coaches and scholars to increase engagement with our weekly Monday Morning Updates, quarterly newsletter, the Compass Chronicle, and engagement slides in ST's learning labs and ST composed weekly newsletters.

In order to increase academic achievement and engagement for scholars in special populations including EL, SED, SWD, HY and FY, CCS of Yolo will provide enhanced identification with the continuation of its MTSS to support all scholars. Tier 1 includes all core instruction held in various subjects for all grade levels. These can include regularly scheduled grade level subject specific synchronous learning labs or specialized workshops offered to support a range of skills necessary for scholar success. Scholars qualified for receiving Tier 2 and Tier 3 supports are offered additional interventions using synchronous online small group or one-on-one tutoring sessions in conjunction with Edgenuity and iStation. Scholars qualify for Tier 2 and 3 supports based on data gathered through diagnostic assessments and observations by their instructional staff and Learning Coaches. Progress is monitored at regular intervals and referrals for additional assessments or interventions are made as needed. The scholars who are identified as English Learners will be supported in various ways, including live support sessions, appropriate assessments such as the ELPAC, strategic lesson design including research-based English Language Learning strategies, differentiated instruction, new ELD curriculum through Lexia, English learner focused synchronous online learning labs, and surveys to STs for additional support needs. Scholars with Exceptional Need (Section 504 Plans and Individualized Education Plans) will be supported by the Scholar Support Coordinator (SSC) and Special Education Department (SPED). The Scholar Support Coordinator will ensure the scholars with 504 Plans can access the general education program with the accommodations specified in their individual 504 Plan. 504 meetings are reviewed annually to ensure current needs

are being addressed. The SSC monitors and supports 504 scholars and families to ensure they have the accommodations in place in order to access the general education curriculum. The SSC also works with the Academic Services staff to monitor data and coordinate SST support meetings. Scholars with Individualized Education Plans (IEPs) are supported by the SPED Department. The supports vary depending on scholar needs as identified in their IEP and this includes an array of services determined by the IEP team. IEP meetings are held at least annually and reassessed triennially to ensure current needs are being addressed. CCS of Yolo's McKinney-Vento Liaison will continue to provide support to Foster Youth and scholars experiencing homelessness by connecting with their families at least quarterly to determine their needs and will continue to provide appropriate community resources to families as needed which may include but are not limited to childcare referrals, counseling referrals for scholars, earbuds, emergency shelter referrals, food and clothing resources, housing assistance referrals, and so much more.

To increase college and career readiness, the increased or improved services include access and connections to college preparation exams and preparation courses. In addition, middle and high school scholars work in conjunction with the Counseling Services Department to ensure they are meeting graduation requirements and are prepared for life after high school. Counselors map out a four-year plan for high schoolers and connect with each scholar to review and discuss the scholar's plan for meeting graduation and college-and career-readiness standards. Our College and Career Readiness Counselor regularly holds live sessions on topics such as concurrent enrollment, building a resume, and post-graduation options. Our school counselors continue to provide scholars with direct and indirect services to support their academic, social/emotional, and career development needs. Counselors have prioritized ensuring scholars have a sense of belonging, connection and support for academic success. Case Managers in our special education program continue to support scholars virtually through the delivery of their IEP goals. All high school scholars are given the option to enroll in a-g courses. The Accelerate Education curriculum is a-g approved, and utilized by scholars in both our Online Learning and Options Learning Programs. Options Learning Program scholars may also choose to take a-g approved courses using our adopted curriculum or approved curriculum from one of our approved community providers. The AVID program will be enhanced to support the scholars who are in special populations especially scholars who are nearly meeting standard mastery, the first in the family to attend college, and those without rigorous academic support at home.

The decisions made about the use of supplemental federal funds are discussed at the school level through the PAC. The council discusses academic performance, supplemental services and areas to make improvements with Title funds as part of the LCAP conversations at the first meeting in the fall and at the final meeting in the spring. The learning coaches also participate in an annual survey which provides feedback on the goals and services. The STs and staff actively participate in the decision-making process throughout the year and during LCAP workshops. The decisions take into account the needs of CCS of Yolo based on scholar achievement data which include SBAC, ELPAC, internal assessments, work completion and attendance and scholar demographic data to include the significant subgroups of Black or African American, Latino, White, Two or More Races, socioeconomically disadvantaged, scholars with disabilities, and English learners. This scholar achievement data and scholar demographic data is used as a basis for making decisions about the use of supplemental federal funds and the development of policies on basic core services.

The activities supported with federal funds will be evidenced by achievement data for all scholars, English learners, foster youth, socioeconomically disadvantaged scholars and low-achieving scholars. The SPSA goals were designed for all scholars to improve proficiency in key content areas of increasing academic achievement, increasing scholar retention and scholar and learning coach engagement and involvement, increasing academic achievement and engagement for scholars in special populations to include English Learners (EL), Foster Youth (FY), Homeless Youth (HY),

Socioeconomically Disadvantaged scholars (SED), and Students with Disabilities (SWD), and increasing college and career readiness for scholars in high school.

Alignment

Describe the efforts that the LEA will take to align use of federal funds with activities funded by state and local funds and, as applicable, across different federal grant programs.

Compass Charter Schools (CCS) of Yolo's mission is to inspire and develop innovative, creative, self-directed learners, one scholar (student) at a time. Our vision is to create a collaborative virtual learning community, inspiring scholars to appreciate the ways in which arts and sciences nurture a curiosity for life-long learning, and prepare scholars to take responsibility for their future success.

CCS of Yolo supports its scholars, learning coaches (parent/guardian), supervising teachers (ST's), staff and community through our core values of Achievement, Respect, Teamwork, Integrity, and Communication (ARTIC). The mission is communicated throughout the Local Education Agency (LEA) by including it on the school's website, discussing it at staff meetings, learning coach meetings, and discussing it with scholars. The scholars know that they receive extra help from tutors, STs who care about them, and their learning coaches who are engaged at the school.

The processes that are in place to ensure funds from state and federal funds are used in a coherent manner to support achievement of CCS of Yolo's mission and vision and the goals for all scholars are to remain transparent in regard to all fiscal expenditures, especially state and federal funds. The Parent Advisory Council (PAC) will review and approve the Local Control and Accountability (LCAP) prior to submission. The PAC will receive quarterly benchmark data (internal assessments and attendance) for all scholars and significant subgroups to ensure that progress is being made and the achievement gap is being closed. CCS of Yolo will utilize the systems created to review what the scholars are doing, what the STs are doing, how the scholars and STs are interacting with each other and with the core content, and what the instructional content looks like. The teams will review work completion during learning periods, feedback provided to scholars, quarterly benchmarks, attendance rates, and personalized learning plans. The Leadership Team will implement specific reporting systems to collect these specific data points to monitor scholar growth and progress. As strengths are identified through these reporting systems and Professional Learning Communities (PLCs), the PLC teams will reflect on the factors that are making progress possible. As areas of opportunity for growth are identified, the PLC teams will reflect and evaluate the evidence-based strategies implemented to effectively promote academic growth and progress. Through the continued evaluation of these strategies, those which are not effectively showing scholars growth will be discontinued or replaced with evidence-based strategies and/or interventions. CCS of Yolo has a comprehensive Multi-Tiered System of Supports (MTSS) framework, supported by the Advancement Via Individual Determination (AVID) mindset, whereby scholars needing Tier 2 or Tier 3 support are invited to tutoring sessions to address math and reading skill gaps whereby tutors use supplemental curriculum through Istation and Edgenuity to address scholar needs. Scholars qualify for Tier 2 and 3 supports based on data gathered through diagnostic assessments and observations by the instructional staff and learning coaches. These can include regularly scheduled grade level subject specific synchronous learning labs or specialized workshops offered to support a range of skills necessary for scholar success. Tier 1 includes all core instruction held in various subjects for all grade levels. Progress is monitored at regular intervals and referrals for additional assessments or interventions are made as needed. The effectiveness is determined by course progress and improvement on supplemental assessments and benchmark data. Scholars will complete the diagnostic assessment three times a year to show

growth. After each diagnostic assessment, scholars will be assigned to a specific Individualized Learning Plan (ILP) tutoring group and will complete the ILP curriculum to close skill gaps in reading and math. The STs will monitor scholars' completion of these assignments, tutoring attendance in reading and math, curriculum completion, and growth through data analysis of each assessment. The Assessment Coordinator will collect and disseminate the data from each diagnostic assessment to the STs, Scholar Success Coordinator, and tutors. Tutors under the MTSS framework will provide targeted, 30-minute synchronous sessions that target specific skill gaps, as indicated in the diagnostic assessment and ILP supplemental curriculum to provide additional support and instruction to address needs. The LEA will monitor the effectiveness and implementation of this program by collecting specific data of at-risk scholars determined through diagnostic assessment tier identification and academic progress to meet standards and close skill gaps from the supervising teachers bi-monthly. Likewise, the LEA will collect and share data collected from the Scholar Success Coordinator that will show scholar growth through diagnostic assessments, ILP course completion, and tutoring participation. Each learning coach will receive updated progress information about the academic growth of his/her child every eight weeks. The Superintendent will present the scholar achievement data quarterly for all subgroups and significant subgroups to the Board of Directors. This process ensures that the state and federal funds are used in a coherent manner.

The scholar group data drives decision-making about the use of state and federal sources because the scholars with the greatest need in addition to the scholars who are identified as at-risk are the scholars who generate these funds. As the stakeholders meet to determine the schoolwide goals, it is the review of scholar achievement data which determines the types of activities that should be provided to increase scholar achievement. The annual achievement results of scholar group data help the stakeholders to determine which activities were effective in the prior year, and which activities need to be expanded, changed or replaced. This is a powerful process of continuous improvement. It is imperative to utilize these funds to supplement and enhance the core program so there are instances when the core program has evolved to better provide the basic program.

The processes in place to ensure that activities funded from various state and federal sources are not duplicative and support common outcomes are designed to enhance the basic program. The core program has been developed to provide high quality, standards-aligned curriculum to all scholars. The PAC, ST's, staff and learning coaches provide input on the core program, then make decisions based on differentiated needs of the scholars based on scholar achievement data and scholar demographic data. This ensures that the activities are not duplicative, yet support the common outcomes.

The information about the school and organization's priorities are communicated to stakeholders include posting on the website, holding LCAP workshops for families, notifying parents of Title I programs in the Scholar Handbook, reviewing and approving the LCAP at the PAC, discussing the LCAP goals a minimum of quarterly with ST's and staff as they begin to review scholar achievement data, posting the annual LCAP with the Federal Addendum on the website, reviewing the monthly financial reports at a regularly scheduled Board meeting, and listing it in the Annual Report.

CCS of Yolo ensures that school plans are aligned with the goals and priorities by reviewing the LCAP and the Federal Addendum with the PAC. Learning Coaches serve as executive officers on the committee and receive annual training on their duty to develop the LCAP, approve the federal restricted funds, approve the LCAP and Federal Addendum, and allow the learning coaches to propose suggestions and questions.

ESSA Provisions Addressed Within the LCAP

Within the LCAP an LEA is required to describe its goals, and the specific actions to achieve those goals, for each of the LCFF state priorities. In an approvable LCAP it will be apparent from the descriptions of the goals, actions, and services how an LEA is acting to address the following ESSA provisions through the aligned LCFF state priorities and/or the state accountability system.

TITLE I, PART A

Monitoring Student Progress Towards Meeting Challenging State Academic Standards

ESSA SECTION	STATE PRIORITY ALIGNMENT
1112(b)(1) (A–D)	1, 2, 4, 7, 8 <i>(as applicable)</i>

Describe how the LEA will monitor students' progress in meeting the challenging state academic standards by:

- (A) developing and implementing a well-rounded program of instruction to meet the academic needs of all students;
- (B) identifying students who may be at risk for academic failure;
- (C) providing additional educational assistance to individual students the LEA or school determines need help in meeting the challenging State academic standards; and
- (D) identifying and implementing instructional and other strategies intended to strengthen academic programs and improve school conditions for student learning.

Overuse in Discipline Practices that Remove Students from the Classroom

ESSA SECTION	STATE PRIORITY ALIGNMENT
1112(b)(11)	6 <i>(as applicable)</i>

Describe how the LEA will support efforts to reduce the overuse of discipline practices that remove students from the classroom, which may include identifying and supporting schools with high rates of discipline, disaggregated by each of the student groups, as defined in Section 1111(c)(2).

Career Technical and Work-based Opportunities

ESSA SECTION	STATE PRIORITY ALIGNMENT
1112(b)(12)(A–B)	2, 4, 7 <i>(as applicable)</i>

If determined appropriate by the LEA, describe how such agency will support programs that coordinate and integrate:

- (A) academic and career and technical education content through coordinated instructional strategies, that may incorporate experiential learning opportunities and promote skills attainment important to in-demand occupations or industries in the State; and
- (B) work-based learning opportunities that provide students in-depth interaction with industry professionals and, if appropriate, academic credit.

TITLE II, PART A

Title II, Part A Activities

ESSA SECTION	STATE PRIORITY ALIGNMENT
2102(b)(2)(A)	1, 2, 4 (<i>as applicable</i>)

Provide a description of the activities to be carried out by the LEA under this Section and how these activities will be aligned with challenging State academic standards.

TITLE III, PART A

Parent, Family, and Community Engagement

ESSA SECTION	STATE PRIORITY ALIGNMENT
3116(b)(3)	3, 6 (<i>as applicable</i>)

Describe how the eligible entity will promote parent, family, and community engagement in the education of English learners.

ESSA Provisions Addressed in the Consolidated Application and Reporting System

An LEA addresses the following ESSA provision as part of completing annual reporting through the Consolidated Application and Reporting System (CARS).

TITLE I, PART A

Poverty Criteria

ESSA SECTION	STATE PRIORITY ALIGNMENT
1112(b)(4)	N/A

Describe the poverty criteria that will be used to select school attendance areas under Section 1113.

ESSA Provisions Not Addressed in the LCAP

For the majority of LEAs the ESSA provisions on the following pages do not align with state priorities. **Each provision for each program provided on the following pages must be addressed**, unless the provision is not applicable to the LEA. In addressing these provisions, LEAs must provide a narrative that addresses the provision **within this addendum**.

As previously stated, the CDE emphasizes that the LCAP Federal Addendum should not drive LCAP development. ESSA funds are supplemental to state funds, just as the LCAP Federal Addendum supplements your LCAP. LEAs are encouraged to integrate their ESSA funds into their LCAP development as much as possible to promote strategic planning of all resources; however, this is not a requirement. In reviewing the LCAP Federal Addendum, staff will evaluate the LEA's responses to the ESSA plan provisions. There is no standard length for the responses. LEAs will be asked to clarify insufficient responses during the review process.

TITLE I, PART A

Educator Equity

ESSA SECTION 1112(b)(2)

Describe how the LEA will identify and address, as required under State plans as described in Section 1111(g)(1)(B), any disparities that result in low-income students and minority students being taught at higher rates than other students by ineffective, inexperienced, or out-of-field teachers.

THIS ESSA PROVISION IS ADDRESSED BELOW:

Not Applicable for Charter Schools

Parent and Family Engagement

ESSA SECTIONS 1112(b)(3) and 1112(b)(7)

Describe how the LEA will carry out its responsibility under Section 1111(d).

Describe the strategy the LEA will use to implement effective parent and family engagement under Section 1116.

THIS ESSA PROVISION IS ADDRESSED BELOW:

Compass Charter Schools (CCS) of Yolo develops and evaluates the Title I Parent Engagement Policy by engaging with the learning coaches during Coffee with Compass, quarterly Parent Town Halls, and the Parent Advisory Council (PAC). Developing the Parent Engagement Policy is aligned to the process with the LCAP stakeholder involvement process as evidenced by frequent meetings with learning coaches (parents), sharing the development of the policy and the LCAP with the PAC.

CCS of Yolo provides the Learning Coach Academy for all new learning coaches. Learning Coaches attending the Learning Coach Academy attend workshops on Understanding State Standards and assessments including SBAC and ELPAC, Title I Parent Rights Meetings, How to Help your Child be Successful, Accessing the Online Learning Tools, How to Prepare for Parent Conferences, Preparing for College and Career, and Social-Emotional Learning. CCS of Yolo provides materials during these

workshops in both English and Spanish. CCS of Yolo also engages learning coaches by honoring the academic success of each scholar's individual goals and celebrations of academic achievements, academic growth, regular attendance, and scholar of the month at award recognitions.

CCS of Yolo provides meaningful professional development to administrators, STs and staff on building learning coach relationships and valuing learning coaches as partners. This has included working with staff to develop meaningful opportunities at the school for learning coaches to include completing Learning Coach Academy sessions, volunteering for events, chaperoning field trips and serving as learning coach ambassadors.

CCS of Yolo integrates learning coach involvement as leaders by encouraging, but not requiring, Learning Coach Partnership Hours. Learning Coaches can satisfy their Partnership Hours by participating in academic achievement (i.e. Learning Coach Academy, teacher conferences, serving on a committee or council), school community (i.e. attending community meetings, helping and attending special events, chaperoning field trips), and education advocacy (i.e. attending Parent Leadership meetings or school hearings). All information about learning workshops, programs, meetings and activities are posted on the school's website, schoolwide emails and phone calls, newsletters and reminders in English and Spanish. CCS of Yolo will add another language as the need arises. CCS of Yolo makes accommodations for learning coaches with disabilities and learning coaches of migrant scholars so that they can actively participate in the school which includes home visits. CCS of Yolo will focus on scholar learning, individual goals for the scholar and investing in families especially learning coaches with disabilities and learning coaches of migrant scholars. The process of addressing requests from learning coaches of Title I scholars for additional supports includes a parent conference to review the supports currently being provided to the scholar, what additional supports are necessary to address the scholar's specific needs, and developing a plan to support the scholar if necessary. Parents also lead community activities and initiatives throughout the year.

Schoolwide Programs, Targeted Support Programs, and Programs for Neglected or Delinquent Children

ESSA SECTIONS 1112(b)(5) and 1112(b)(9)

Describe, in general, the nature of the programs to be conducted by the LEA's schools under sections 1114 and 1115 and, where appropriate, educational services outside such schools for children living in local institutions for neglected or delinquent children, and for neglected and delinquent children in community day school programs.

Describe how teachers and school leaders, in consultation with parents, administrators, paraprofessionals, and specialized instructional support personnel, in schools operating a targeted assistance school program under Section 1115, will identify the eligible children most in need of services under this part.

THIS ESSA PROVISION IS ADDRESSED BELOW:

Compass Charter Schools (CCS) of Yolo provides programs and services to the scholars including personalization, blended learning, data-driven instruction, Multi-Tier System of Supports (MTSS), and supervising teachers (STs). The personalized learning model to the scholars includes virtual instruction and differentiated instruction for the scholars at their instructional level during learning labs. Differentiated instruction may include the scholars working with tutors, working on an adaptive online learning program like Edgenuity, iStation, ThinkingStorm, or others. These schoolwide services support academically at-risk scholars by increasing literacy and numeracy skills by increasing ELPAC

scores to 3 or 4 for English Learners, SBAC ELA scores, SBAC Math scores and graduation rates. The importance of increasing these scores ensures that scholars are meeting or exceeding grade level mastery which helps close achievement gaps. Title I funds used for MTSS curriculum and tutors support scholars who are at risk of not meeting state standards. During learning labs, scholars engage in collaborative activities guided by the STs. CCS of Yolo also receives support from our Scholar Success Coordinators and our English Learner Support Coordinator to support and monitor the growth of scholars.

The Parent Advisory Council (PAC) works diligently to review scholar achievement and make recommendations for services like online tutoring, ensuring the Principal monitors the implementation of math curriculum scope and sequence, and differentiated math groups to provide small group instruction during support sessions. The PAC completes an annual needs assessment in the development of the annual Local Control and Accountability Plan and reviews the effectiveness of the prior year plan in order to determine which services should continue, change or be replaced.

Homeless Children and Youth Services

ESSA SECTION 1112(b)(6)

Describe the services the LEA will provide homeless children and youths, including services provided with funds reserved under Section 1113(c)(3)(A), to support the enrollment, attendance, and success of homeless children and youths, in coordination with the services the LEA is providing under the McKinney-Vento Homeless Assistance Act (42 United States Code 11301 et seq.).

THIS ESSA PROVISION IS ADDRESSED BELOW:

Compass Charter Schools (CCS) of Yolo has a McKinney-Vento Liaison who provides outreach to families and coordinates services between the family and other agencies. CCS of Yolo is committed to providing a high-quality education with all the support necessary to ensure that youth experiencing homelessness have the opportunity to succeed. In order to help youth experiencing homeless, the McKinney-Vento Liaison will assist in procuring referrals to health, dental, mental health, substance abuse services, housing services, and any other appropriate services. The McKinney-Vento Liaison will assist the learning coaches with enrolling the scholar, obtaining necessary immunizations or immunization records. The McKinney-Vento Liaison will encourage learning coaches to be involved in their child's education and ensure that learning coaches are informed of educational and related opportunities to assist their child to be academically successful. CCS of Yolo provides loaner laptops and mobile hotspots to scholars that do not have access to devices and consistent internet access. Technical support has been offered through our ZoHo Helpdesk, which provides scholars assistance using their devices, connecting to the internet and accessing their classes/curriculum.

Student Transitions

ESSA SECTIONS 1112(b)(8) and 1112(b)(10) (A–B)

Describe, if applicable, how the LEA will support, coordinate, and integrate services provided under this part with early childhood education programs at the LEA or individual school level, including plans for the transition of participants in such programs to local elementary school programs.

Describe, if applicable, how the LEA will implement strategies to facilitate effective transitions for students from middle grades to high school and from high school to postsecondary education including:

- (A) through coordination with institutions of higher education, employers, and other local partners; and
- (B) through increased student access to early college high school or dual or concurrent enrollment opportunities, or career counseling to identify student interests and skills.

THIS ESSA PROVISION IS ADDRESSED BELOW:

Compass Charter Schools (CCS) of Yolo supports transitions to include preschool to elementary school or home/daycare to elementary school, elementary school to middle school, middle school to high school, and high school to college or career. The scholars attend college and career focused field trips and participate in experiential learning. The goal is to have a smooth transition by empowering and recognizing that the learning coaches are the child's first teacher. The school recognizes learning coaches as partners and encourages learning coaches to be leaders. CCS of Yolo recognizes that children learn attitudes about school from the learning coaches; therefore, as learning coaches are excited, positive and supported by CCS of Yolo, the child's transition to school will be smooth. CCS of Yolo hosts an Orientation, Transition Meetings, Parent Conferences, events and activities, and multiple events like Learning Coach Academy, Scholar Leadership Council, Parent Advisory Council and onboarding support.

Additional Information Regarding Use of Funds Under this Part

ESSA SECTION 1112(b)(13) (A–B)

Provide any other information on how the LEA proposes to use funds to meet the purposes of this part, and that the LEA determines appropriate to provide, which may include how the LEA will:

- (A) assist schools in identifying and serving gifted and talented students; and
- (B) assist schools in developing effective school library programs to provide students an opportunity to develop digital literacy skills and improve academic achievement.

TITLE II, PART A

Professional Growth and Improvement

ESSA SECTION 2102(b)(2)(B)

Provide a description of the LEA's systems of professional growth and improvement, such as induction for teachers, principals, or other school leaders and opportunities for building the capacity of teachers and opportunities to develop meaningful teacher leadership.

THIS ESSA PROVISION IS ADDRESSED BELOW:

Compass Charter Schools (CCS) of Yolo provides a strategic plan to onboard new supervising teachers (ST's) as well as a plan that provides professional growth and improvement for current ST's, staff, and administrators. All CCS of Yolo ST's and staff take part in professional development activities which include summer training that emphasizes foundational knowledge in CCS culture across academic programs and departments. CCS of Yolo provides training in effective planning, including daily lessons, units, and yearlong plans. In addition, the program in the summer introduces foundational components of the CCS of Yolo's program which is especially helpful for new STs, including the use of data, instructional techniques, and the scope and sequence of curricula. All staff complete annual required training including mandated reporter training. New STs will be offered to clear their credential through an Induction Program, a veteran ST who will serve as a mentor and support meetings once a week for the first month, then once a month for the first 5 months. All STs will be provided professional development sessions on curriculum, Multi-Tier System of Supports (MTSS), Advancement Via Individual Determination (AVID) Social-Emotional Learning (SEL), Positive Behavior Interventions and Supports (PBIS) in virtual instruction, writing and scoring constructed responses, data analysis and informing instruction, pacing guides, grading and communication with parents and learning coaches, strategies for ELs, SWD, FY and HY, SED and culturally relevant proficiency. Some STs and administrators will attend conferences like the CCSA Conference, CUE Conference, Digital Learning Annual Conference, AVID National Conference and Advanced Placement. The professional development sessions are differentiated by subject, grade, program and focus on skill-building to maximize ST time. Scholars benefit from this higher-level professional development that their teachers receive.

CCS of Yolo builds leadership capacity of STs, principals and school leaders by providing opportunities for STs to facilitate professional development sessions for other STs, mentoring new STs and ST leaders who are interested in administration, and providing additional professional development previously mentioned beyond the sessions provided by CCS of Yolo. The administrators attend workshops like "Effectiveness through Understanding," "Communication and Collaborative Problem Solving," and "Staff Motivation and Development." Also, administrators attend an intensive series of workshops on topics like instructional coaching including observation and feedback, data driven instruction, and providing meaningful professional development.

CCS of Yolo dedicates time throughout the school year for staff professional development. The Assistant Superintendent and Chief Academic Officer ensures participation by verifying sign-in, and most importantly, observing strategies during Learning Labs, analyzing data and determining that professional growth is occurring and improvements in ST capacity and scholar achievement is realized. The Assistant Superintendent and Chief Academic Officer will make adjustments to the professional development sessions to ensure continuous improvement.

Prioritizing Funding

ESSA SECTION 2102(b)(2)(C)

Provide a description of how the LEA will prioritize funds to schools served by the agency that are implementing comprehensive support and improvement activities and targeted support and

improvement activities under Section 1111(d) and have the highest percentage of children counted under Section 1124(c).

THIS ESSA PROVISION IS ADDRESSED BELOW:

Data and Ongoing Consultation to Support Continuous Improvement

ESSA SECTION 2102(b)(2)(D)

Provide a description of how the LEA will use data and ongoing consultation described in Section 2102(b)(3) to continually update and improve activities supported under this part.

THIS ESSA PROVISION IS ADDRESSED BELOW:

The use of data and ongoing consultation is a cornerstone of Compass Charter Schools (CCS) of Yolo. Learning how to better utilize data enables supervising teachers (STs) to improve instructional practices and better serve all scholars. CCS of Yolo examines data a minimum of four times per year to review a variety of internal and external assessments to determine progress and areas of opportunities. These assessments include: cumulative assessments four times per year, internal assessments three times per year, attendance, graduation rates, and the annual SBAC and ELPAC assessments. During data analysis, with the support of the Assessment Coordinator and Assessment ToSAs, the administrators help STs analyze their scholars' assessment data to identify areas of common areas of opportunities. Finally, the STs then revise lesson plans to focus on the areas of opportunities. The Leadership Team assesses the impact of these data analysis. Since data analysis is scheduled a minimum of four times per year, the progress is measured frequently. The foundational piece of the ongoing professional development is customized, targeted one-on-one coaching provided by the Assistant Superintendent and Chief Academic Officer to all STs. This helps all STs better instruct all scholars, including English Learners and scholars with disabilities. Moreover, CCS of Yolo has developed time for content and grade level collaboration including STs and administrators in order to make rapid movement based on recent data to achieve academic goals and address school culture needs. Other stakeholders are aware and supportive of this process and review the positive growth that this professional development model achieves. This process ensures that the uses of Title II funds are based on data-driven decisions which work in coordination with other funding and programs supporting scholars' academics, social-emotional wellness and personal success.

THIS ESSA PROVISION IS ADDRESSED BELOW:

Compass Charter Schools (CCS) of Yolo developed this Federal Addendum in consultation with learning coach (parents) leaders during Parent Advisory Council (PAC) meetings, supervising teachers (STs) during professional development sessions, with scholars (students) during Scholar Leadership Council (SLC) meetings, and with the Leadership Team reviewing the most common strategies or obstacles to success. All stakeholders which includes STs, learning coaches, scholars, staff and administrators complete an annual needs assessment in the development of the annual Local Control and Accountability Plan and review the effectiveness of the prior year plan in order to determine which services should continue, change or be replaced. One benefit that CCS of Yolo experiences is being part of the Charter Management Organization of Compass Charter Schools which allows the individual schools to collaborate on supports and resources needed.

CCS of Yolo is committed to an engaging and supportive learning environment that supports academic achievement through social-emotional learning (SEL) and safety training. CCS of Yolo follows a rigorous calendar of staff training, safety team meetings and professional development. In order to ensure that the scholars are safe and healthy, CCS of Yolo has implemented powerful Positive Behavior Intervention and Supports supported by the counselors. The SEL supports have been found to decrease suspension rates, prevent violence, and increase self-esteem and self-regulation. In addition, CCS of Yolo has hired Scholar Success Coordinators to ensure the scholars get the support they need. The long-term benefits of this support will include drug and violence prevention, suicide prevention, conflict resolution and fewer mental health issues caused by trauma.

CCS of Yolo incorporates homeschool and virtual platforms to provide the core curriculum and use additional online platforms to provide targeted instruction for the scholars. The benefit of using technology like this supports each scholar at his/her own level. It provides another format to ensure the core curriculum is differentiated in a way that support the scholars' interests, allows them to interact with the platform individually at his/her own level and provides digital texts that can define words, allow scholars to take notes or refer to the text, it also reads it to the scholar (text to speech) and alerts the scholar of any misspellings. The goal of using technology to supplement the core program ensures that personalized instruction is provided.
