A. Public Comment

Addressing the Council – Scholar Leadership Council meetings will be held in a civil, orderly and respectful manner. All public comments or questions should be addressed to the Council through the Chair of the Council. To ensure an orderly meeting and an equal opportunity for each speaker, persons wishing to address the Council must send a Speaker Request Message through the form of a text message or chat box message to Miguel Aguilar, Executive Assistant to the Superintendent (805-807-8199). Messages must contain speaker name, contact number or email, and subject matter and sent prior to the beginning of the Public Comment section of the meeting. Members of the public may address the Council on any matter relating to the school and have **three (3) minutes each** to do so. The total time of each subject will be fifteen (15) minutes, unless additional time is requested by a Council Member and approved by the Council.

The Council may not deliberate or take action on items that are not on the agenda. However, the Council may suggest direction to staff following a presentation. The Chair is in charge of the meeting and will maintain order, set the time limits for the speakers and the subject matter, and will have the prerogative to remove any person who is disruptive of the Council meeting. The Parent Advisory Council may place limitations on the total time to be devoted to each topic if it finds that the numbers of speakers would impede the Council's ability to conduct its business in a timely manner. The Scholar Leadership Council may also allow for additional public comment and questions after reports and presentations if it deems necessary.

V. Reports

A. Staff Report

Mr. Lewis led the council in an overview of the Staff Report. He shared an overview of SB-98 and its impacts on the operating budget. Enrollment is capped by charter and programs based on staffing and SB-98 impacts. Many schools have implemented an enrollment cap for the first time due to the funding structure set by the state. There are over 2,000 scholars on the waitlist.

He also shared an update on experiences and measures to prevent Zoom bombing. After further review and reflection, Compass suspended all Zoom Learning Labs until further notice. This will allow time to review options to provide and conduct a safe virtual learning experience with and for our scholars.

VI. New Business

A. Council Member Feedback

Mr. Avery Stansbury suggested creating a social justice club due to the times that we are in. The club could increase cultural and social justice awareness.

Ms. KristiLynn Effie congratulated Elizabeth and Mick as they will both do a great job. She also shared that it's always wonderful to hear about CCS's growth.

Mr. Mick Effie shared his concerns with StudentSquare RSVP's, authorizations, and invites. Ms. Kate Vreeman shared that she experiences the same issues.

Ms. Elizabeth Christopher thanked the council for her nomination. She also suggested creating a sports club that expands the science and math behind sports.

VII. Closing Items

A. Upcoming Meetings

The next Scholar Leadership Council Meeting will be on Tuesday, November 10, 2020 at 2 pm.

The next Board of Directors Virtual Meeting will be on Sunday, November 29, 2020 at 10 am.

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 3:03 PM.

Respectfully Submitted,
J. Lewis
