III. Public Comment

A. Public Comment

Addressing the Council – Scholar Leadership Council meetings will be held in a civil, orderly and respectful manner. All public comments or questions should be addressed to the Council through the Chair of the Council. To ensure an orderly meeting and an equal opportunity for each speaker, persons wishing to address the Council must send a Speaker Request Message through the form of a text message or chat box message to Josue Garcia, Executive Assistant to the Superintendent (805-341-6053). Messages must contain speaker name, contact number or email, and subject matter and sent prior to the beginning of the Public Comment section of the meeting. Members of the public may address the Council on any matter relating to the school and have **three (3) minutes each** to do so. The total time of each subject will be fifteen (15) minutes, unless additional time is requested by a Council Member and approved by the Council.

The Council may not deliberate or take action on items that are not on the agenda. However, the Council may suggest direction to staff following a presentation. The Chair is in charge of the meeting and will maintain order, set the time limits for the speakers and the subject matter, and will have the prerogative to remove any person who is disruptive of the Council meeting. The Parent Advisory Council may place limitations on the total time to be devoted to each topic if it finds that the numbers of speakers would impede the Council's ability to conduct its business in a timely manner. The Scholar Leadership Council may also allow for additional public comment and questions after reports and presentations if it deems necessary.

IV. Reports

A. Staff Report

Mr. Lewis led the staff report by going over enrollment and re-enrollment number (2,080 scholars re-enrolled, 82% of scholar population). Mr. Lewis then mentioned new perspective scholar enrollment is 1,573 for the Fall, through our lottery system. The deadline to apply for the upcoming school year is Friday, April 23, and we will hold a public lottery on Tuesday, April 27 at 2pm. We also plan to be fully enrolled and fully staffed for the upcoming year by May, 2021.

Mr. Lewis then mentioned our two new scholarships: Loud and Proud and Rising Firebird, with the deadline to apply in early May. He also mentioned our last meeting will be in May. He also shared that the SLC will review the draft LCAP at the next SLC meeting. And finally, he shared that scholars will be invited to make nominations for the Scholar's Choice Employee of the Year Award in May.

Michael Effie asked how many graduating seniors there are in each of the three charters, along with the total number of seniors. Mr. Lewis mentioned he would get these numbers and add them to the minutes. * UPDATE. There are a total of 123 seniors currently enrolled at Compass, with 94 eligible for graduation (CCS of Los Angeles - 39, CCS of San Diego - 41, and CCS of Yolo - 14). There have also been a number of early graduates (11-grade scholars): CCS of LA - 1, CCS of SD - 2, and CCS of Yolo - 1; along with one scholar earning their Certificate of Completion.

V. Unfinished Business

A. 2020-21 SLC Survey

The Scholar Leadership Council reviewed the feedback from the Scholar Survey. The purpose today is to provide recommendations to staff based on the survey results.

Recommendations:

1. Review communication to scholars, including the content and layout of the Monday Morning Update (MMU).

1. New content and reminders of content.
2. Format by grade-level and/or grade-span.
3. Video news by scholars.
2. Review the promotion of the Scholar Leadership Council, both to scholars as well as staff.
 1. It was noted a teacher did not realize a scholar was the chair of the SLC.
 2. Look at promotion beyond the MMU, including Learning Labs.
 3. Consider sharing the minutes from meetings in the MMU.
3. Review the Scholar Survey.
 1. Consider adding questions for specific responses, such as 'How can we make X better?'
 2. Consider hosting focus groups, led by the SLC, of scholars after the survey has been released.

VI. New Business

A. Council Member Feedback

Ms. Madison Wilkes suggested we look into raising funds through a candy drive, to be able to attend the Australian Zoo and other engagement opportunities.

Mr. Michael Effie mentioned his concerns around virtual graduation and the communication/discussion around holding virtual graduation this year.

VII. Closing Items

A. Upcoming Meetings

The next (and final for the 2020-21 school year) Scholar Leadership Council Meeting will be held on Tuesday, May 11 at 2 pm.

B. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 2:59 PM.

Respectfully Submitted,
J. Garcia

Our Mission and Vision

MISSION STATEMENT

Our mission is to inspire and develop innovative, creative, self-directed learners, one scholar at a time.

VISION STATEMENT

Our vision is to create a collaborative virtual learning community, inspiring scholars to appreciate the ways in which arts and sciences nurture a curiosity for life-long learning, and prepare scholars to take responsibility for their future success.

Agenda

- Expanded Learning Opportunities Grant
 - What is it?
 - Compass Allocations
 - Seven Supplemental Instruction and Support Strategies
 - Ideation Session

- Q & A

Expanded Learning Opportunities Grant - What is it?

- The California Legislature provided \$6.6 billion in the Assembly Bill 86 COVID-19 relief package, including \$4.6 billion for Expanded Learning Opportunities (ELO) Grants.
- ELA's will receive an apportionment that represents 50% of their allocation for the ELO grants in May 2021.
- The other 50% will be received in August 2021.
- LEAs must implement a learning recovery program, that a minimum, provides supplemental instruction, support for social and emotional well-being, meals and snacks to specified student groups, as defined in Education Code Section 43522, who have faced adverse learning and social-emotional circumstances.
- ELO Grants must address and be expended only for seven specific supplemental instruction and support strategies.

Expanded Learning Opportunities Grant - What is it?

- Compass Allocations
- Compass Charter Schools of Los Angeles: \$96,167
- Compass Charter Schools of San Diego: \$141,355
- Compass Charter Schools of Yolo: \$61,530

The Seven Supplemental Instruction and Support Strategies

- Extending instructional learning time in addition to what is required for the school year by increasing the number of instructional days or minutes provided during the school year, providing summer school or intersessional instructional programs, or taking any other action that increases the amount of instructional time or services provided to students based on their learning needs.

- Accelerating progress to close learning gaps through the implementation, expansion, or enhancement of learning supports including, but not limited to, any of the following:
 - Tutoring or other one-on-one or small group learning supports provided by certificated or classified staff.
 - Learning recovery programs and materials designed to accelerate student academic proficiency or English language proficiency, or both.
 - Educator training, for both certificated and classified staff, in accelerated learning strategies and effectively addressing learning gaps, including training in facilitating quality and engaging learning opportunities for all students.

The Seven Supplemental Instruction and Support Strategies

- Integrated student supports to address other barriers to learning, such as the provision of health, counseling, or mental health services, access to school meal programs, before and after school programs, or programs to address student trauma and social-emotional learning, or referrals for support for family or student needs.
- Community learning hubs that provide students with access to technology, high-speed internet, and other academic supports.
- Supports for credit deficient students to complete graduation or grade promotion requirements and to increase or improve students' college eligibility.
- Additional academic services for students, such as diagnostic, progress monitoring, and benchmark assessments of student learning.
- Training for school staff on strategies, including trauma-informed practices, to engage students and families in addressing students' social-emotional health needs and academic needs.

The Seven Supplemental Instruction and Support Strategies

- Ideation
 - How can Compass best utilize these funds?
