Supporting Information Relating to Agenda Items

The Superintendent & CEO is responsible for preparing all supporting information that may accompany each agenda topic originating from the administration or the Board.

The supporting information shall, to the extent possible, accompany the agenda and be delivered to the Board members concurrently with the agenda.

If supporting materials are distributed to Board members during a public meeting, such materials will be made available for public inspection at the meeting if prepared by the Superintendent & CEO or other school staff. In the event that the requested topic is placed on the agenda, the supporting information will provide background information for Board members to help expedite the Board's handling of the topic at the Board meeting.

Board Meetings

Open Session

All meetings of the Board shall be open to the public and the media, except that the Board may hold closed sessions as authorized by the Brown Act.

Public Participation at Meetings

Public comment generally: At a regular meeting, any person may address the Board concerning any item on the agenda and any other matters within the Board's subject matter jurisdiction. At a special meeting, any person may address the Board only concerning the items on the agenda. The total time devoted to presentations to the Board on all public comment (including agenda items and non-agenda items at regular meetings) shall not exceed 15 minutes, unless additional time is

granted by the Board. Members of the public may speak for up to two (2) minutes on agenda and/or non-agenda items. At the discretion of the Chair of the Board, the two (2) minute time limit may be extended to three (3) minutes.

Members of the public desiring Board action on an item are encouraged to seek placement of the issue on the Board agenda in accordance with this policy rather than presenting the matter during general public comment. This will facilitate discussion and expedite resolution since the Board cannot discuss items in a meeting that are not on the agenda. This policy is not intended to prevent the public from providing public comment in line with this policy.

Willful interruption of Board meeting: In the event that any meeting is willfully interrupted by a group(s) of persons so as to render the orderly conduct of such meeting unfeasible and order cannot be restored by the removal of individuals who are willfully interrupting the meeting, the Board may order the meeting room cleared and continue the session. Only matters appearing on the agenda may be considered in such a session. Representatives of the press or other media, if not participating in the disturbance, shall be allowed to attend any such session

Time for public comment: All public comment concerning all matters shall be heard prior to the Board's consideration of the agenda items.

Recording and/or broadcasting of meeting: Persons attending an open meeting have the right to record or broadcast the proceedings with an audio or video recorder or a still or motion picture camera unless the Board reasonably finds that the recording or broadcast cannot continue without noise, illumination or obstruction of view that constitutes, or would constitute a persistent disruption of the proceedings.

Requests to address the Board: Prior to the beginning of the meeting, members of the public seeking to address the Board on agenda and/or non-agenda items may complete a "Speaker Request Card" (located in the Board Meeting Room), and give it to the Chair of the Board, Board Secretary, or either of their designees.

Board Members at Meetings

Board discussion and action: No action or discussion shall be taken on any item not appearing on the posted agenda. However, at a regular meeting, Board members or staff may briefly respond to statements made or questions posed by persons during public comment. At regular meetings, a Board member may, on his/her own initiative or in response to a question posed by the public, ask a question for clarification, make a brief announcement or make a brief report on his/her own activities. Additionally, a Board member may provide a reference to staff or other resources for factual information, request staff to report back to the Board at a subsequent meeting concerning any matter, or take action to direct staff to place a matter of business on a future agenda.

Exceptions in regular meetings: In regular meetings, the Board may take action on items of business not appearing on the posted agenda if any of the following conditions apply: 1) A majority of the Board determines that an emergency situation exists as defined by the Brown Act; 2) A determination by a two-thirds vote of the Board members present at the meeting, or if less than two-thirds are present, a unanimous vote of those Board members present, that there is a need to take immediate action and that the need for action came to the attention of the Board after the agenda was posted; or 3) The item was properly posted for a prior meeting occurring

not more than five (5) calendar days prior to the date action is taken on the item, and at the prior meeting, the item was continued to the meeting at which action is being taken. If items are discussed under these conditions, the Chair of the Board shall publicly identify the item(s).

Closed session: Prior to holding any closed session, the Board shall disclose, in open session of the meeting, the basis for holding a closed session pursuant to Government Code Section 54954.5. The disclosure may take the form of a reference to the item(s) as they are listed by number or letter on the agenda. In the closed session, the Board may only consider the disclosed closed session agenda items.

After any closed session, the Board shall reconvene into open session prior to adjournment and make a report of any action taken in closed session and the vote or abstention of every Board member present thereon in accordance with Government Code Section 54957.1.

Minutes of Board Meetings

Open Session: Board meeting minutes shall include the time and place that the meeting was held; whether the meeting was annual, regular, special, or emergency and, if special or emergency, how authorized; the notice given; the names of directors present at the meeting, state all motions made, document the names of Board members making and seconding motions, and state the vote or abstention of each Board member present for each action taken. The minutes pertaining to open session may also record the recommendations of the administration and the general substance of the Board's discussion or the general substance of statements pertinent to Board's business made by members of the staff or public.

Closed Session: Minutes will not be taken during Closed Session.

Minutes for Emergency Meetings: Any time an emergency meeting is held, the minutes must provide a list of persons who were notified or attempted to be notified, a copy of the roll call vote, and any actions taken at the meeting. The minutes will be posted for a minimum of 10 days in a public place as soon after the meeting as possible.

Storing the minutes: The official minutes of the Board shall be kept digitally. The following documents shall be bound with the official minutes and referred to in the text of the minutes to which they apply:

- Original copies of all resolutions unless required by other agencies, in which case photocopies of the originals may be substituted;
- Original copies of all budget transfers;
- Copies of any document determined by the Board to be attached to the official minutes; and
- Other documents which, in the opinion of the Secretary, are necessary to fully substantiate or record Board action.

In addition to the official minutes, an additional copy of all minutes and attached documents shall be maintained at the Central Office. This set of minutes shall be bound, indexed by those categories detailed above and by subject.

Quorum Requirements

A majority of the directors then in office shall constitute a quorum of the Board, which is necessary for the Board to transact business. All motions, in order to pass, need positive action by at least a majority of the directors present at a duly held meeting at which a quorum is present. Should there be less than a majority of the Board present at the inception of any meeting, the meeting shall be adjourned.

Continuances and Adjournment

Continuances

Items appearing on agendas for regular meeting may be continued to another meeting, to be held within five (5) calendar days from the date of the originally posted meeting, without triggering the requirement that the agenda item be re-posted with the requisite notice.

Adjournment

The Board may adjourn any regular or special meeting to a time and place specified in an order of adjournment. Less than a quorum may so adjourn from time to time. If all members are absent from any regular meeting, the Board Secretary may declare the meeting adjourned to a stated time and place and he/she shall cause a written notice of adjournment to be given. A copy of the notice of adjournment shall be conspicuously posted on or near the door of the place where the regular or special meeting was held within 24 hours after the time of adjournment. When a regular meeting is adjourned, the resulting adjourned regular meeting is a regular meeting for all purposes. When an order of adjournment fails to state the hour at which the adjourned meeting is to be held, it shall be held at the hour specified for regular meetings.

SECTION 4 - BOARD GOVERNANCE - PUBLIC RECORDS REQUESTS – PUBLIC RECORDS ACT COMPLIANCE

Public Records

Public Records Defined

CCS provides the public with access to its public records in accordance with legal requirements. Public records are those writings containing information relating to the conduct of CCS' business that are prepared, owned, used or retained by CCS regardless of physical form or characteristics. Certain public records, however, are exempt from disclosure by express provision of law. These records will not be disclosed to the public. CCS may not deny disclosure of public records based on the purpose for which the record is being requested.

Records Exempt from Disclosure

Public access shall not be given to records listed as exempt from public disclosure in the California Public Records Act or other applicable statutes. Some of the more common exemptions are:

- Preliminary drafts, notes or inter/intra-school memoranda that are not retained by the Charter School in the ordinary course of business, when the public interest in withholding clearly outweighs the public interest in disclosure;
- Records pertaining to pending litigation to which CCS is a party or to claims filed against the CCS, which were created in connection with the litigation or claims and were intended to be confidential, until the pending litigation or claim has been finally adjudicated or otherwise settled.;
- Personnel, medical, or similar files, the disclosure of which would constitute an unwarranted invasion of personal privacy;
- Test questions, scoring keys and other examination data used to administer an examination for employment or academic examination, unless specifically authorized by law.
- The content of real estate appraisals or engineering or feasibility estimates and evaluations made for or by CCS relative to the acquisition of property, until all of the property has been acquired or all of the contract agreement obtained.
- Records, the disclosure of which is exempted or prohibited pursuant to federal or state law, including, but not limited to, provisions of the Evidence Code relating to privilege. This includes scholar records protected from disclosure under the Family Educational Rights and Privacy Act ("FERPA"), a federal statute that protects the privacy interests of parents and scholars with regard to education records;
- A document prepared by or for CCS that assesses its vulnerability to terrorist attack or other criminal acts intended to disrupt CCS operations and that is for distribution or consideration in a closed session.
- Records where, on the facts of the particular case, the public interest served by not disclosing the record clearly outweighs the public interest served by disclosure of the record.

CCS may, in its discretion and as permitted by law, waive the applicable exemption to the records. In this case, the disclosure constitutes a waiver for all requestors of that public record and will be open to public inspection.

Process for Requesting Public Records

Requests for Public Records

Any person wishing to inspect CCS' public records shall make the request, preferably in writing, to the: **Superintendent & CEO, CCS, 850 Hampshire Road Suite R, Thousand Oaks, CA 91361**. While a request need not be in writing, if the request is verbal, the requestor will be asked to reduce the request to writing so there is a written record of the records being requested. If the requestor chooses not to reduce the request to writing, the Superintendent & CEO or designee shall reduce the request to writing and confirm the request with the requestor. The request must reasonably describe an identifiable public record(s) and must be specific and focused.

To the extent reasonable under the circumstances, CCS will assist the requestor to make a focused and effective request by:

- Assisting the requestor in identifying records and information that are responsive to the request or to the purpose of the request, if stated.
- Describing the information technology and physical location in which the records exist.
- Providing suggestions for overcoming any practical basis for denying access to the records or information sought.

If CCS is unable to identify the requested information after making a reasonable effort to elicit additional clarifying information from the requestor that will help identify the record(s), CCS will not provide further assistance to the requestor.

Response to Public Records Request

The Superintendent & CEO will, within 10 days of receipt of the request, provide a written response to the requestor of public records. The written response shall contain the following information:

- Notice informing the requestor whether the request, in whole or in part, seeks copies of disclosable public records in the possession of CCS and the reasons for the determination.
- If the Charter School denies any request for records, in whole or in part, and the request was in writing, the notification of denial will set forth the names and titles or positions of each person responsible for the denial.
- The estimated date and time when the records will be made available.
- CCS may charge for copies of public records or other materials requested by individuals or groups. The charge, based on the direct cost of duplication, has been set by the Board of Directs at \$0.25 cents per page. The direct cost of duplication includes the pro rata expense of the copying equipment used and the pro rata expense in terms of staff time

required to produce the copy. It does not include the cost of locating, retrieving, or inspecting records.

- If the requestor seeks copies in electronic format, CCS may charge the requestor the direct cost of producing a copy of the record in that format. If, in order to comply with these requirements relating to electronic formatted records described below, CCS is required to produce a copy of an electronic record and the record is one that is produced only at otherwise regularly scheduled intervals or the request would require data compilation, extraction or programming to produce the record, CCS may charge the requestor the cost to construct a record, the cost of programming and computer services necessary to produce the record.
- In unusual circumstances, the Superintendent & CEO may extend the 10-day limit for up to 14 days by providing written notice to the requestor and setting forth the reasons for the extension and the date on which a determination is expected to be made. Unusual circumstances include, but only to the extent reasonably necessary to properly process the request, the following:
 - 1) The need to search for and collect the requested records from field facilities or other locations that are separate from the office processing the request;
 - 2) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records that are demanded in a single request;
 - 3) The need for consultation, which shall be conducted with all practicable speed, with another agency having a substantial interest in the determination of the request, or among two or more components of CCS having substantial subject matter interest therein;
 - 4) The need to compile data, to write programming language or a computer program, or to construct a computer report to extract data.

If an inspection is requested, any person shall have reasonable access, during normal business hours, to the public records of CCS within the requirements of state law. However, if records are not readily available, or if portions of the records to be inspected must be redacted to protect exempt material, then CCS must be given a reasonable period of time to perform these functions prior to inspection. Such records shall be examined in the presence of the staff member regularly responsible for their maintenance.

Records Inspections or Copies

Time and Place of Inspection: A person who has made a public records request may inspect the records after the date and time identified in the response to the request. Generally, records inspections may take place at **850 Hampshire Road Suite R, Thousand Oaks, CA 91361** during office hours of the Charter School, which are **8:00A.M. to 5:00 P.M.**

Electronic Formatted Records: If CCS has information that constitutes an identifiable public record not exempt from disclosure that is in an electronic format, and it has been requested in an electronic format, CCS will make that information available in an electronic format. CCS will make the information available for inspection in any electronic format in which it holds the information. If the requested format is one that CCS uses to create copies for its own use or for provision to other agencies, CCS will provide a copy of the electronic record. CCS will not,

however, provide electronic records in the electronic form in which it is held by CCS if its release jeopardizes or compromises the security or integrity of the original record or of any proprietary software in which it is maintained.

If CCS no longer has the record in electronic format, CCS will not reconstruct the record in electronic format.

Partial Disclosure: If the requested records are only partially disclosable as a portion of the record is exempt from disclosure, the reasonably segregable disclosable portion of the record(s) will be made available for inspection.

SECTION 5 – BOARD GOVERNANCE – RETENTION AND MANAGEMENT OF FILES AND RECORDS

Compass Charter Schools recognizes it is important to have procedures regarding retention of files and records, including which records should be kept and which can be destroyed.

Filing System, Record Class, Email, and Other Electronic Records

Unless necessary, records shall be kept by their originator or sender, not by the receiver; this helps avoid duplicate filing systems. Additionally, Compass Charter Schools shall:

- Keep all documentation and records for each year separate from those for other years.
- Label folders and use separate folders for different types of documents (e.g., keep invoices separate from bank reconciliation worksheets, and keep income tax returns separate from cash receipts).

Record Class

Compass Charter Schools shall adhere to the following record classes to optimize filing efficiency, records access, record classifications, and retention periods:

- **Class 1: Permanent Records.** Permanent records shall be kept indefinitely in accordance with statute or other written guidance.
- **Class 2: Optional/Temporary Records.** Optional records are any records worthy of temporary preservation not classified as Class 1, Permanent records.
- **Class 3: Disposable Records.** All records not classified as Class 1: Permanent, or Class 2: Optional/ Temporary, shall be classified as Class 3: Disposable.
- **Email Class Records.** Compass Charter Schools shall retain all email records of the Charter School for a maximum of one fiscal year beginning July 1 and ending June 30 of the year after the email was created. For example, if the email was created in February 2017, during fiscal year 2016-2017, the email would not be deleted until the end of the 2017-2018 fiscal year, or June 30, 2018. All emails older than one fiscal school year after the year the email was created shall be automatically deleted from the Charter School's email system, servers, backup servers, and any other electronic storage system as early as the first day of the subsequent fiscal school year. The subsequent fiscal school year is defined as beginning on July 1.
Should any email be determined to be retained longer than one fiscal year beyond the date the email was created, the email shall be archived in the email system, or printed and filed.
- **Other Electronic Records:** Other electronic records are electronic records saved on a hard drive, flash drive, or other electronic storage medium of the staff or individual who retains the record in its final form. Any electronic record not classified as Class 1: Permanent or Class 2: Optional/Temporary shall be classified as Class 3: Disposable. Once an electronic record is considered Class 3: Disposable, employees will conduct a reasonable search of all electronic sources of information (computer hard drives, flash drives, servers, compact discs and other electronic media) in their possession and shall delete those electronic records permanently.

Records Retention

Files shall be maintained for as long as necessary but only according to requirements set in the Charter School's records retention policy.

Copies of critical records that are vital to the Charter School's daily operations should be kept off site in case of disaster. This may include information needed to file insurance claims (e.g. asset lists, insurance contacts, policy numbers), financial data for tax purposes (e.g. wages paid, income and expenses), contact lists to inform or restart the business (e.g. vendors, customers, investors and employees), and other data to help rebuild the business (e.g. business plans, intellectual property, or proprietary information).

Destruction of Class 3: Disposable Records

Within three to six months after the end of each school year, all Class 3 records shall be destroyed. All records are to be preserved until they are deemed Class 3 records.

A list of records to be destroyed shall be circulated to all affected individuals for review and comment 30 days prior to destruction. The list of records destroyed shall be maintained permanently.

Destruction of the files or records may be performed by an independent, outside service to prevent reconstruction of the records. Disposal of records into the Charter School's trash shall not be allowed.

Disposal Period

All Class 3: Disposable records shall not be destroyed until after the third July 1 succeeding the completion of the Charter School's annual independent audit required by Education Code or of any other legally required audit, or after the ending date of any retention period required by any agency other than the State of California, whichever date is later. For example, if the June 30, 2015 annual independent audit were completed and issued by December 15, 2015, the third July 1 after completion of the audit would be July 1, 2018.

Unless otherwise specified in policy, all Class 3: Disposable records shall be destroyed during the third school year after the school year in which they originated (e.g., 2014-15 records may be destroyed after July 1, 2018).

When in doubt about when a record should be disposed of or destroyed, nonpermanent records shall not be destroyed until seven years after the end of the fiscal year in which the record was created. For example, if a document was created in February 2016, the end of the fiscal year is June 30, 2016; therefore, the document would not be destroyed until July 1, 2023 or later.

Examples of Class 1, 2 and 3 Records

Class 1: Permanent Records — Do Not Destroy

A. Annual Reports

- Official budget.
- Financial report of all funds.
- Audit of all funds.

D. Pupil Records

- The enrollment and scholarship records for each pupil.
- All records pertaining to any accident or injury involving a minor and for which a claim for damages has been filed as required by law, including any policy of liability insurance relating thereto, except that these records cease to be Class 1: Permanent records one year after the claim has been settled, or sooner if the statute of limitations has run out.
- Any record, file, document, or other material that contains information directly related to a scholar and is maintained by the Charter School is considered a pupil record.

E. Property and Insurance Records

- All detailed records related to land, buildings and equipment. In lieu of such detailed records, a complete property ledger may be classified as Class 1: Permanent, and the detailed records may then be classified as Class 3: Disposable, if the property ledger includes the following:
 - All fixed assets.
 - An equipment inventory.
- For each item of property, the date of acquisition or augmentation, the person from whom acquired, an accurate description or identification, and the amount paid. Comparable information is required if the unit is sold, lost, or otherwise disposed of.

F. Historical records.

- Annual reports
- School employee directories

- Employee newsletters and handbooks
- Educational objectives, Charter School goals and reaffirmation of loyalty
- Racial and ethnic surveys

- All identified or identifiable photos of Charter School people, places and events
- All unique or old documents or publications about the history of the Charter School

Class 2: Optional/Temporary Records

Any record worthy of temporary preservation but not classified as Class 1: Permanent may be classified as Class 2: Optional/Temporary and shall then be retained until reclassified as Class 3: Disposable.

If the Superintendent & CEO or Governing Board decide that classification should not be made, all records of the prior year may be classified as Class 2: Optional/Temporary, pending further review and classification within one year. Optional/Temporary records may include records considered useful for administrative, legal, fiscal or other purposes, and they may remain Optional/Temporary for a period of years.

Examples of Optional/Temporary records include:

A. Gross receipts

Gross receipts show the income received. The Charter School should keep supporting documents that show the amounts and sources of gross receipts, such as the following:

- Cash register tapes (e.g., for scholar store sales)
- Bank deposit slips
- Receipt books
- Invoices
- Credit card charge slips
- Forms 1099-MISC, Miscellaneous Income
- Other cash receipts such as cash count forms and receipt books

B. Inventory

Inventory is a record of any item purchased and resold to customers, even if it is for fundraising. If the Charter School is the manufacturer or producer of an item, the inventory includes the cost of all raw materials or parts purchased for manufacture. Supporting documents should show the amount paid and that the amount was for inventory. Documents that report the cost of inventory include the following:

- Canceled checks
- Cash register tape receipts
- Credit card sales slips and invoices

C. Expenses

Expenses are the costs incurred (other than the cost of inventory) to carry on the Charter School's business. Supporting documents should show the amount paid and that the amount was a business expense. Documents include the following:

- Canceled checks
- Cash register tapes
- Account statements

- Credit card sales slips
- Invoices
- Petty cash slips for small cash payments

D. Travel, transportation, entertainment, and gift expenses

- Specific recordkeeping rules apply to these expenses. For more information, see IRS Publication 463.

- Keep employment tax records for at least four years after the date the tax is due or is paid, whichever is later.

F. Assets

Assets are the property the Charter School owns and uses, such as real estate, machinery and furniture. The Charter School shall keep records that verify certain information about its assets.

Asset records should show the following information:

- When and how the asset was acquired
- Purchase price
- Cost of any improvements
- Deductions taken for depreciation
- Deductions taken for casualty losses, such as losses from fires or storms
- How the asset was used
- When and how the asset was disposed of
- Selling price
- Expenses of sale

The following documents may provide this information:

- Purchase and sales invoices
- Real estate closing statements
- Canceled checks

G. Other

- General ledger detail report
- All bank records (e.g., bank statements and bank reconciliations)
- All income tax returns
- All minutes of all charter school meetings

H. Record retention time limits – IRS nonprofit tax return standards

To help nonprofits follow its record retention requirements for documents related to filing nonprofit tax returns, the IRS provides guidance for how long records should be kept. Record retention time limits for income tax returns offer the best guidance because most recordkeeping is to comply with IRS requirements.

1. Records shall be kept for three years if situations 4, 5, and 6 below do not apply to the nonprofit.

2. If the Charter School files a claim for a credit or refund after having filed its return, records shall be kept for three years from the date the original return was filed or two years from the date the tax was paid, whichever is later.
3. If the Charter School files a claim for a loss from worthless securities or a deduction for bad debt, records shall be kept for seven years.
4. If the Charter School does not report income that it should have reported, and that income is more than 25% of its gross income shown on its return, records shall be kept for six years.
5. If the Charter School does not file a return, records shall be kept indefinitely.
6. If the Charter School files a fraudulent return, records shall be kept indefinitely.

Class 3: Disposable Records

All records not classified as Class 1: Permanent or Class 2: Optional/Temporary shall be classified as Class 3: Disposable, including but not limited to the following:

- Records essential to an audit, including those related to attendance, average daily attendance, or business or financial transactions (e.g., purchase orders, invoices, warrants, ledger sheets, canceled checks and stubs, and scholar body and cafeteria fund records), and detailed records used in the preparation of any other report.
- Teachers' registers may be classified as Class 3: Disposable only if all pupil information associated with the teachers' registers is retained in other records or if the pupil record information is removed from the teachers' register and is classified as Class 1: Permanent.
- Periodic reports including daily, weekly, and monthly reports, bulletins and instructions.

Federal Funds

United States Code, Title 20, Section 1232f (a) states:

Each recipient of federal funds under any applicable program through any grant, subgrant, cooperative agreement, loan, or other arrangement shall keep records which fully disclose the amount and disposition by the recipient, of those funds, the total cost of the activity for which the funds are used, the share of that cost provided from other sources, and other records as will facilitate an effective financial or programmatic audit. The recipient shall maintain such records for three years after the completion of the activities for which the funds are used.

Title 20, Section 1232f (b) states,

The Secretary and the Comptroller General of the United States, or any of their duly authorized representatives, shall have access, for the purpose of audit examination, to any records maintained by a recipient that may be related, or pertinent to, grants, subgrants, cooperative agreements, loans, or other arrangements to which reference is made in subsection (a) of this section, or which may relate to the compliance of the recipient with any requirement of any applicable program.

Electronic Records

For purposes of this policy, an electronic record is defined as a computer-generated record. This means an email, pdf, Microsoft Excel, Word, or PowerPoint file, JPEG, WAV, or other file created using computer software or hardware and stored in any electronic medium including but not limited to magnetic, tape, disc, or other type of drive device, or cloud-based storage. A paper

printout of an electronic record is not considered an electronic record.

Records Not Subject to Records Retention

The following are not considered records and therefore are not covered by the records retention policy and may be destroyed at any time by any member of the Charter School:

- Preliminary drafts and informal notes that have no further value to the Charter School.
- Personal notes and personal correspondence, including personal email correspondence, even if it is created or sent using a Charter School computer or on the Charter School's premises.
- Personal financial or tax information, or any other information of a purely personal nature, even if those records are kept on the Charter School's premises or on its computers.
- Advertisements, spam or junk email of any kind received by the Charter School or any Charter School employee or computer.
- Library books, magazines, and pamphlets not prepared by or for the Charter School.
- Textbooks, maps used for instruction, and other instructional materials.
- Any other document (paper or electronic, including email) that has nothing to do with the Charter School's business or with its scholars, teachers, management, other employees, or contractors.

Litigation Hold

In the event of a threatened or pending lawsuit, the Charter School may be required by law to retain records, including emails, beyond the established retention period so that they remain subject to legal discovery. Consult legal counsel if such a demand is received, and do not dispose of the records until advised by counsel.

CCS will develop and monitor its budget in accord with the annual budget development and monitoring calendar as specified below:

January – February

- The Board will work with the Superintendent & CEO, with the assistance of the Charter School's back office services provider, to review the Governor's proposed state budget for the upcoming fiscal year, and identify the likely range of revenues for the school's upcoming fiscal year (July 1-June 30).
- The Superintendent & CEO, with the assistance of the Charter School's back office services provider, reviews/prepares a set of proposed budget development principles for board review and approval.
- Develop rough planning budget for upcoming fiscal year, including projected enrollment and any proposed staffing changes.
- Develop five-year budget projection in accord with the schools' established strategic and growth plans.
- Ongoing monitoring and revision of current year budget.

- The Superintendent & CEO, working in conjunction with the Charter School's back office services provider, staff, Board members, and the Assistant Superintendent & Chief Financial Officer, prepares a formal budget plan for the upcoming fiscal year. The plan is reviewed by the Board.
- Ongoing monitoring and revision of current year budget.

May – June

- Superintendent & CEO, with the assistance of the Charter School's back office services provider, reviews revenue projections subsequent to the Governor's annual "May Revise" budget figures, fine-tunes the upcoming fiscal year budget to accommodate any changes. This budget will include monthly cash flow projections.
- The Board reviews and formally adopts a budget for the upcoming fiscal year before June 30. A copy of the final budget is provided to the charter-granting agency.
- Ongoing monitoring and revision of current year budget.

July – August

- Books for prior fiscal year are closed, all transactions are posted, and records are assembled for audit.
- Budget is reviewed subsequent to the adoption of the State Budget Act and necessary adjustments are made. A copy of the revised final budget is provided to the charter granting agency.

- Independent auditor performs audit of the just-closed fiscal year and prepares audit report for submission to the Board.

September – December

- At the end of the first full week of school, the Superintendent & CEO, with the assistance of the Charter School's back office services provider, reviews CCS's actual attendance figures and notifies the Board if actual attendance is below budget projections. If needed, the school's budget is again revised to match likely revenues.
- The Board reviews a copy of the audit. The Superintendent & CEO and Finance Committee, with the assistance of the Charter School's back office services provider, address any audit exceptions or adverse findings. Audit report and any follow-up plans are submitted to the charter authorizer and other entities, as required by law.
- The Superintendent & CEO, with the assistance of the Charter School's back office services provider, reviews current year actual versus budgeted revenues and expenditures after the second and fifth months of the school year and reports to the Finance Committee. The Board approves any needed changes to the annual budget.

Controls, Budget, and Fiscal Management: CCS will maintain in effect the following principles in its ongoing fiscal management practices to ensure that, (1) expenditures are authorized by and in accordance with amounts specified in the board-adopted budget, (2) the schools' funds are managed and held in a manner that provides a high degree of protection of the schools' assets, and (3) all transactions are recorded and documented in an appropriate manner.

Segregation of Duties: CCS will develop and maintain simple check request and purchase order forms to document the authorization of all non-payroll expenditures. All proposed expenditures must be approved by the Superintendent & CEO, or his/her designee, who will review the proposed expenditure to determine whether it is consistent with the Board-adopted budget and sign the payment request form. All transactions will be posted in a general ledger. The transactions will be posted on the ledger by the Assistant Superintendent & Chief Financial Officer or his/her assistant at the School site or as outsourced to a Board-approved back office provider or its outside accounting firm. To ensure segregation of recording and authorization, the Finance Coordinator may not co-sign check requests for purchase orders or checks for payment.

Banking Arrangements: CCS will maintain its accounts either in the County Treasury or at a federally insured commercial bank or credit union. Funds will be deposited in non-speculative accounts including federally-insured savings or checking accounts or invested in non-speculative federally-backed instruments or in the County's Pooled Money Investment Fund. If funds are held in accounts outside of the County Treasury, the Board must appoint and approve all individuals authorized to sign checks or warrants in accord with these policies. All checks must have the additional signature of the Superintendent & CEO. An approved vendor will reconcile the school's ledger(s) with its bank accounts or accounts in the county treasury on a monthly basis and prepare (1) a balance sheet, (2) a comparison of budgeted to actual revenues and expenditures to date, and (3) a cash flow statement. The Superintendent & CEO and the Board will regularly review these statements. The School will deposit all funds received as soon as practical upon receipt. All funds received shall be deposited or transferred into the school's accounts at the earliest possible convenience and in no event later than 48 hours after receipt.

Purchasing Procedures: When state and federal law do not provide for more stringent requirements, it is the policy of the Board that all purchases over \$50,000 must include documentation of a good faith effort to secure the lowest possible cost for comparable goods or services. The Superintendent & CEO or his/her designee shall not approve purchase orders or check requests lacking such documentation. Documentation shall be attached to all check and purchase order requests showing that at least three (3) vendors were contacted and such documentation shall be maintained for three (3) years.

- The Superintendent & CEO may authorize expenditures and may sign related contracts within the approved budget. The Governing Board must review all expenditures. This will be done via approval of a check register which lists all checks written during a set period of time and includes check #, payee, date, and amount. The Governing Board must also approve contracts over \$100,000.
- The Assistant Superintendent & Chief Financial Officer must approve all purchases. Purchase requisitions, authorizing the purchase of items greater than \$25,000, must be signed by the Superintendent & CEO and submitted with the related invoice.
- When approving purchases, the Assistant Superintendent & Chief Financial Officer must:
 - Determine if the expenditure is budgeted
 - Determine if funds are currently available for expenditures (i.e. cash flow)
 - Determine if the expenditure is allowable under the appropriate revenue source
 - Determine if the expenditure is appropriate and consistent with the vision, approved charter, school policies and procedures, and any related laws or applicable regulations
 - Determine if the price is competitive and prudent. All purchases over \$50,000 must include documentation of a good faith effort to secure the lowest possible cost for comparable goods or services
- Any individual making an authorized purchase on behalf of the Charter School must provide appropriate documentation of the purchase.
- Individuals other than those specified above are not authorized to make purchases without pre-approval.
- Individuals who use personal funds to make unauthorized purchases will not be reimbursed. Authorized purchases will be promptly reimbursed by a payroll reimbursement upon receipt of a reimbursement form and original receipt documenting the purchase.
- The Superintendent & CEO may authorize an individual to use a school credit card to make an authorized purchase on behalf of the Charter School, consistent with the guidelines and limitations provided by the Superintendent & CEO and/or Board.
 - Individuals who receive a school credit card must ensure the card is kept in a safe location.
 - If receipts are not available or are “missing,” the individual making the charge may submit an “Affidavit for a Lost Receipt” Form, otherwise they will be held personally responsible for payment.
 - Credit cards will bear the names of both CHARTER SCHOOL and the individual user.
 - Debit cards are not allowed.
 - All purchases must also comply with the Procurement and Contract Bidding Policy.

Petty Cash

- The Assistant Superintendent & Chief Financial Officer will manage the petty cash fund.
- The petty cash fund will be capped at \$1,000.
- All petty cash will be kept in a locked petty cash box in a locked drawer or file cabinet. Only the Assistant Superintendent & Chief Financial Officer and Superintendent & CEO will have keys to the petty cash box and drawer or file cabinet.
- All disbursements will require a completed and signed petty cash slip. A register receipt for all purchases must be attached to the petty cash slip.
- Assistant Superintendent & Chief Financial Officer will insure that the petty cash slip is properly completed and that a proper receipt is attached.
- At all times the petty cash box will contain receipts and cash totaling \$1,000. A register receipt must support the petty cash slip. SECTION 8 - FISCAL – PROCUREMENT AND CONTRACT BIDDING

I. General

The Board of Directors (“Board”) for Compass Charter Schools (“Charter School”) declares its intent for the Charter School to procure goods and services as well as bidding for construction projects such as new building and facility construction, reconstruction, rehabilitation, alterations and additions in a manner consistent with the guidelines set forth herein. The Charter School’s practices have been designed to give fair and equitable treatment to all persons who deal with the Charter School’s procurement system, to provide maximum economy in procurement activities, and to foster competition within the free enterprise system.

Notwithstanding any provision of this policy, state or federal law shall be complied with to the extent this policy is inconsistent with state or federal law on any particular procurement decision or construction project.

II. Procurement Defined

Procurement for the purposes of this policy is defined as buying, purchasing, renting, leasing, or otherwise acquiring goods, services, or construction for the Charter School. It also includes all functions that pertain to the obtaining of any good, service, or construction for the Charter School, including complying with bidding procedures as described herein, as well as administering agreements for goods, services, or construction once established.

Procurement does not include expenditures that typically would not be reviewed by any system of hierarchy for approval, such as using a petty cash fund to purchase lunch for a group of teachers at a professional development seminar.

III. Procurement Policy

Any procurement of goods, services, or construction shall be made upon considering the totality of the circumstances surrounding the procurement, which may include but not be limited to price, quality, availability, timelines, reputation, and prior dealings.

No work, project, service, or purchase shall be split or separated into smaller work orders or projects for the purpose of evading the requirements of this policy.

IV. Professional Services Contracts

The Charter School may hire such professional services as are needed for the operation of the Charter School without complying with the bidding procedures described in Sections VII and VIII herein. Such professional services include, but are not limited to, the following professionals: attorneys, architects, accountants, engineers, accountants, construction management, administrative services, and financial advisors.

In selecting professionals for engagement, the Charter School may consider all relevant factors, including but not limited to experience, education, expertise, reputation, and cost.

The selection of professionals providing these services shall be within the sole discretion of the Board.

V. Construction Contracts

Procurement of construction and/or construction related services (other than those services which constitute professional services as described above in Section IV) must be made in accordance with the bidding procedures described herein. Additionally, when applicable, the Charter School shall comply with the prevailing wage laws applicable to certain construction and/or services that constitute a “public works” project as defined under the Labor Code. (Labor Code §§ 1720, 1720.2, and 1720.3.)

A “public works” project is defined as “construction, alteration, demolition, installation, or repair work done under contract and paid for in whole or in part out of public funds...” (Labor Code § 1720(a)(1).)

An outline of the additional requirements applicable to public works projects are further described in Section X.

VI. Guidelines for Selecting Contractors/Vendors

A. Prequalification Procedures

The Charter School may, but is not required to, establish prequalification procedures for any contract for which bids are required.

B. Suspended and Debarred Contractors/Subcontractors

The Charter School may not consider any contractor or subcontractor that is debarred, suspended or is otherwise excluded from bidding on, accepting, or performing any public works contracts, by the Division of Labor Standards Enforcement (“DLSE”) of the California Department of Industrial Relations (“DIR”).

The Charter School is required to vet any potential contractor or subcontractor for suspension or debarment before a contract may be awarded. A list of suspended and debarred contractors and subcontractors may be accessed through the DLSE Debarments Web Site at <http://www.dir.ca.gov/dlse/debar.html>.

VII. Informal Bidding and Contract Approval – Contracts up to \$50,000

All purchases over \$50,000 must include documentation of a good faith effort to secure the lowest possible cost for comparable goods or services of similar value. The Superintendent & CEO or designee shall not approve invoices, purchase orders, or check requests lacking such documentation. Documentation shall be attached to all invoices, purchase orders, and check requests indicating that at least three (3) contractors/vendors were contacted, and such documentation shall be maintained for three (3) years. Informal quotes or proposals for goods and/or services may be requested and received in writing by mail, email, facsimile, and/or verbally, such as by telephone, as long as properly documented.

Contracts for purchases of up to \$100,000 within the approved budget may be executed by the Superintendent & CEO without prior Board approval. The Governing Board must review all expenditures. This will be done via approval of a check register which lists all checks written during a set period of time and includes check #, payee, date, and amount.

The Governing Board must also approve contracts over \$100,000. The Assistant Superintendent of Business Services must approve all purchases.

VIII. Formal Bidding and Contract Approval – Contracts Over \$50,000

Unless state or federal law provides otherwise, contracts for the purchase of more than \$50,000 worth of equipment, materials or supplies to be furnished, sold, or leased to the Charter School, or contracts for more than \$50,000 worth of services or construction (excluding those professional services agreements enumerated in Section IV), shall be subject to the formal bidding requirements set forth herein.

If formal bidding is required, the Charter School shall utilize the following procedures:

A. Seeking Bids

The Charter School shall seek bids from those sources able to offer the best prices, consistent with quality, quantity, delivery, and service. To ensure that good value is received for funds expended, the request for bids shall be carefully designed to clearly and completely describe in detail the quality, delivery, and service required, and shall include the criteria that will be used to evaluate the offers and the relative weights given to the criteria. Further, the request for bids shall specify the date in which all bids must be received by the Charter School.

Notice of the request for bids may be provided in one or more of the following ways:

- (1) Publishing the request for bids in at least one newspaper of general circulation within the boundaries of each authorizer's County, once a week for at least [two (2) weeks] before the deadline for receiving bids;
- (2) Posting the request for bids on the Charter School's website or other electronic portal for at least [two (2) weeks] before the deadline for receiving bids; and/or
- (3) Directly submitting notice of the request for bids to an adequate number of qualified sources to permit reasonable competition consistent with the nature and purpose of this policy. Any list of potential contractors/vendors that is generated must be current and include enough qualified sources to ensure reasonable open and free competition.

B. Opening Bids

Bids may be opened only at the time and place prescribed by the Superintendent & CEO or designee. A bid that has been opened may not be changed for the purpose of correcting an error in the bid price. However, bidders retain the right to withdraw a bid due to a material mistake in the bid. After bids have been opened, they shall be available for inspection or copy by any interested party. The Charter School must maintain the bid document(s) for the duration of the contract and for three (3) years beyond the completion of the contract.

C. Contract Award

The Board, or any employee of the Charter School to whom responsibility has been delegated, shall award a competitively bid contract at the bid amount to the bidder offering the best value to the Charter School according to its selection criteria. The contract need not be awarded to the lowest responsible bidder. The selection criteria

may include the following factors:

- (1) Purchase price;
- (2) Reputation of the contractor/vendor and of the contractor's/vendor's goods and/or services;
- (3) Quality of the contractor's/vendor's goods and/or services;
- (4) Extent to which the goods and/or services meet the Charter School's needs;
- (5) Contractor's/vendor's record of past performance;
- (6) Contractor's/vendor's financial standing and capacity;
- (7) Contractor's/vendor's past relationship with the Charter School; and
- (8) Total long-term cost to the Charter School to acquire the goods and/or services.

Contracts over \$100,000 must be approved by the Board prior to execution by the Superintendent & CEO.

Any and all bids may be rejected if there is a sound, documented reason for doing so.

D. Protest by Bidders

A bidder may protest a bid award if he/she believes that the award was inconsistent with this policy, the bid's specifications, or was not in compliance with the law .

A protest must be filed in writing with the Superintendent & CEO or designee within five (5) business days after receipt of notification of the contract award. The bidder shall submit all documents supporting or justifying the protest. A bidder's failure to file the protest documents in a timely manner shall constitute a waiver of his/her right to protest the award of the contract.

The Superintendent & CEO or designee shall review the documents submitted with the bidder's claims and render a decision in writing within thirty (30) business days. The Superintendent & CEO or designee may also convene a meeting with the bidder to attempt to resolve the problem.

The bidder may appeal the Superintendent & CEO or designee's decision to the Board. The Superintendent & CEO or designee shall provide reasonable notice to the bidder of the time for Board consideration of the contract award. The Board's decision shall be final.

IX. Noncompetitive Proposals

A noncompetitive procurement proposal is the solicitation of a proposal from only one (1) source. Noncompetitive procurement proposals may only be used after the Charter School has solicited bids and/or proposals from at least three (3) sources, and has determined and documented that competition was inadequate. The Board, in its sole discretion, shall select the single source offering the best value to the Charter School according to its selection criteria list above. If a good, service, or construction is available only from a single source, this may also be documented to justify a noncompetitive proposal.

X. Public Works Projects and Prevailing Wage Requirements

When required by law, the Charter School shall comply with prevailing wage requirements.

XI. Mandatory Contract Terms

All contracts entered into with the Charter School must contain the following terms when applicable:

- (1) A ceiling price that the contractor/vendor exceeds at its own risk.
- (2) Retention of all required records by the contractor/vendor for three (3) years after the Charter School makes final payments and all other pending matters are closed.
- (3) Access by the Charter School or any of their duly authorized representatives to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract for the purpose of making audit, examination, excerpts, and transcriptions.
- (4) Administrative, contractual, or legal remedies in instances where contractors/vendors violate or breach contract terms, and the sanctions and penalties that are appropriate.
- (5) Termination for cause and for convenience by the Charter School, including the manner by which it will be affected and the basis for settlement.

XII. Maintenance of Records

The Charter School shall document specific actions for any procurement. These specific actions include, but are not limited to:

- (1) The rationale for the method of procurement.
- (2) The selection of contract type.
- (3) The selection or rejection of a contractor/vendor, and supporting rationale.
- (4) The basis for a contract price.

Documentation of each of these actions shall be prepared as the actions occur within any given instance of procurement.

Procurement records, accepted bid documents, and selected contracts will be retained by the Charter School for not less than three (3) years.

In addition to complying with all conditions herein, all contracts involving federal grants or other federal programs shall also fully comply with all applicable federal procurement guidelines related to such programs. Contracts for purchases of up to \$100,000 may be executed by the Executive Director without prior Board approval.

IX. Formal Bidding and Contract Approval – Contracts Over \$50,000

Contracts for the purchase of more than \$50,000 worth of equipment, materials or supplies to be furnished, sold, or leased to the Charter School, or contracts for more than \$50,000 worth of services or construction (excluding those professional services agreements described in Section V), shall be subject to the formal bidding requirements set forth herein.

If formal bidding is required, the Charter School shall utilize the following procedures:

A. Seeking Bids

The Charter School shall seek bids from those sources able to offer the best prices, consistent with quality, quantity, delivery, and service. To ensure that good value is received for funds expended, the request for bids shall be carefully designed to clearly and completely describe in detail the quality, delivery, and service required, and shall include the criteria that will be used to evaluate the offers and the relative weights given to the criteria. Further, the request for bids shall specify the date by which all bids must be received by the Charter School.

Notice of the request for bids may be provided in one or more of the following ways:

- (1) Publishing the request for bids in at least one newspaper of general circulation within the boundaries of Los Angeles, San Diego and Yolo Counties, once a week for at least two (2) weeks before the deadline for receiving bids;

- (2) Posting the request for bids on the Charter School's website or other electronic portal for at least two (2) weeks before the deadline for receiving bids; and/or
- (3) Directly submitting notice of the request for bids to an adequate number of qualified sources to permit reasonable competition consistent with the nature and purpose of this policy. Any list of potential contractors/vendors that is generated must be current and include enough qualified sources to ensure reasonable open and free competition.

B. Opening Bids

Bids may be opened only at the time and place prescribed by the Executive Director or designee. A bid that has been opened may not be changed for the purpose of correcting an error in the bid price. However, bidders retain the right to withdraw a bid due to a material mistake in the bid. After bids have been opened, they shall be available for inspection or copy by any interested party. The Charter School must maintain the bid document(s) for the duration of the contract and for three (3) years beyond the completion of the contract.

C. Contract Award

The Board, or any employee of the Charter School to whom responsibility has been delegated, shall award a competitively-bid contract at the bid amount to the bidder offering the best value to the Charter School according to its selection criteria. The contract need not necessarily be awarded to the lowest responsible bidder. The selection criteria may include the following factors:

- (1) Purchase price;
- (2) Reputation of the contractor/vendor and of the contractor's/vendor's goods and/or services;
- (3) Quality of the contractor's/vendor's goods and/or services;
- (4) Extent to which the goods and/or services meet the Charter School's needs;
- (5) Contractor's/vendor's record of past performance;
- (6) Contractor's/vendor's financial standing and capacity;
- (7) Contractor's/vendor's past relationship with the Charter School; and
- (8) Total long-term cost to the Charter School to acquire the goods and/or services.

Contracts over \$100,000 must be approved by the Board prior to execution by the Superintendent & CEO.

Any and all bids may be rejected if there is a sound, documented reason for doing so.

D. Protest by Bidders

A bidder may protest a bid award if he/she believes that the award was inconsistent with this policy, the bid's specifications, or was not in compliance with law.

A protest must be filed in writing with the Superintendent & CEO or designee within five (5) business days after receipt of notification of the contract award. The bidder shall submit all documents supporting or justifying the protest. A bidder's failure to file the protest documents in a timely manner shall constitute a waiver of his/her right to protest the award of the contract.

The Superintendent & CEO or designee shall review the documents submitted with the bidder's claims and render a decision in writing within thirty (30) business days. The Executive Director or designee may also convene a meeting with the bidder to attempt to resolve the problem.

The bidder may appeal the Superintendent & CEO or designee's decision to the Board. The Superintendent & CEO or designee shall provide reasonable notice to the bidder of the time for Board consideration of the contract award. The Board's decision shall be final.

X. Noncompetitive Proposals

A noncompetitive procurement proposal is the solicitation of a proposal from only one (1) source. Noncompetitive procurement proposals may only be used after the Charter School has solicited bids and/or proposals from at least three (3) sources, and has determined and documented that competition was inadequate. In those circumstances, the Board, in its sole discretion, may select the single source offering the best value to the Charter School according to its selection criteria list above. If a good, service, or construction is available only from a single source, this may also be documented to justify a noncompetitive proposal.

XI. Public Works Projects and Prevailing Wage Requirements

A. Mandatory Public Works Project Request for Bids Terms and Specifications

All requests for bids (or the "call for bids") and bid specifications for construction and/or services, which constitute a "public works" project ("Project"), issued and published by the Charter School, must contain the following terms and specifications when applicable:

(1) General Project Description as Public Work: In the call for bids, the Charter School must provide a general description of the work required for the Project and state that "the Project is classified as a 'public work,' as defined in Labor Code Section 1720, to which not less than the general prevailing rate of per diem wages for work of a similar character and the rates for overtime and holiday work in the locality in which the work is to be performed for each craft, classification or type of worker needed to execute the contract shall be paid to all workers employed on the Project in accordance with Labor Code Section 1771."

(2) Bid Closing Date: The Charter School must also specify in the call for bids the place the contractor's bids are to be received, and the time by which they shall be received.

The applicable general prevailing wage rates for any such public works project are available on the DIR website at <http://www.dir.ca.gov/OPRL/dprevagedetermination.htm>.

In lieu of specifying the rate of wages, the Charter School may include a statement in the call for bids and in the bid specifications that "copies of the prevailing rate of per diem wages are on file at its principal office and shall be made available to any interested part on request." (Labor Code § 1773.2.)

(4) Notice of DIR Enforcement: The Charter School shall specify in the call for bids that the Project is “subject to compliance monitoring and enforcement by the Department of Industrial Relations.” (Labor Code § 1771.4(a)(1).)

(5) Registered Contractor Notice: The Charter School shall provide notice in the call for bids that “a contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, or engage in the performance of any contract for public work, unless currently registered and qualified to perform public work pursuant to Section 1725.5.” The Charter School shall not accept a bid or enter into a contract or subcontract without proof of the contractor or subcontractor’s current registration to perform public work pursuant to Section 1725.5. (Labor Code § 1771.1.)

(6) Contractor/Vendor Bids: The Charter School shall require all contractor/vendor bids to expressly state that the contractor/vendor “will pay its workers the applicable prevailing wage rate in accordance with Labor Code Sections 1771 and 1774.”

B. Mandatory Public Works Project Contract Terms

All contracts for construction and/or services that constitute a “public works” project (“Project”) entered into with the Charter School must contain the following terms and provisions when applicable:

(1) General Project Description as Public Work: The Charter School must provide a general description of the work required for the Project and specify in the Project Contract that “the Project is classified as a ‘public work,’ as defined in Labor Code Section 1720, to which not less than the general prevailing rate of per diem wages for work of a similar character and the rates for overtime and holiday work in the locality in which the work is to be performed for each craft, classification or type of worker needed to execute the contract shall be paid to all workers employed on the Project in accordance with Labor Code Section 1771.”

(2) Prevailing Wage Rate: The Charter School is required to specify in the Project Contract the general rate of per diem wages as described in Section (B)(1) above. (Labor Code § 1773.2.) The general prevailing wage rate must be obtained from the Director of the DIR. The applicable general prevailing wage rates for any such public works project are available on the DIR Wage Determination website at <http://www.dir.ca.gov/OPRL/dprevagedetermination.htm>.

In lieu of specifying the rate of wages, the Charter School may include a statement in the Project Contract that “copies of the prevailing rate of per diem wages are on file at its principal office and shall be made available to any interested party on request.” (Labor Code § 1773.2.)

(3) Compensation Provision: The Charter School shall include a clause in the Project Contract that states, “In accordance with the provisions of Section 3700 of the Labor Code, every contractor will be required to secure the payment of compensation to his or her employees.” (Labor Code § 1860.)

(5) Underpayment of Prevailing Wage: The Project Contract must include a stipulation that states, “The difference between the prevailing wage rates and the amount paid to each worker for each calendar day or portion thereof for which each worker was paid less than the prevailing wage rate shall be paid to each worker by the contractor or subcontractor in accordance with Section 1775 of the Labor Code.” (Labor Code § 1775(a)(2)(E).)

(6) Apprenticeship Requirement: The Charter School must also include a provision in the Project Contract that effectuates Labor Code Section 1777.5, which requires the contractor to employ properly registered apprentices for the Project. Specifically, the contractual provision must fix the responsibility of compliance with the apprenticeship requirements under Section 1777.5 for all apprenticeable occupations with the prime contractor on the Project. (Labor Code § 1777.5(n).)

(7) 8-Hour Work Day: The Project Contract shall also include a clause establishing that “Eight hours labor constitutes a legal day’s work.” (Labor Code § 1810.)

(8) Payroll Record Contract Provisions: The Charter School shall include a stipulation in the Project Contract effectuating Labor Code Section 1776, which requires the contractor to maintain accurate certified payroll records that include the name, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each apprentice, worker, or other employee of the contractor in connection with the public work, and a written declaration of the employee verifying the truth of the payroll record. (Labor Code § 1776.)

The Charter School must designate the times the contractor and subcontractor are required to furnish the payroll records to the Compliance Monitoring Unit (“CMU”) of the DIR. (8 CCR § 16461(b).) The Project Contract shall specify that “the contractor and each subcontractor shall furnish the payroll record of wages paid as specified in Section 1776 directly to the Compliance Monitoring Unit (“CMU”) of the DIR on a monthly basis until the completion of the Project, or within 10 days of any separate request by the CMU.” (8 CCR § 16461(b).)

Further, the Project Contract must include a provision stating, “Contract payments shall not be made when payroll records are delinquent or inadequate.” (8 CCR § 16421(a)(6).)

XII. Mandatory Contract Terms

All contracts entered into with the Charter School must contain the following terms when applicable:

1. A ceiling price that the contractor/vendor exceeds at its own risk.
2. Retention of all required records by the contractor/vendor for three (3) years after the Charter School makes final payments and all other pending matters are closed.
3. Access by the Charter School or any of their duly authorized representatives to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract for the purpose of making audit, examination, excerpts, and transcriptions.

4. Administrative, contractual, or legal remedies in instances where contractors/vendors violate or breach contract terms, and the sanctions and penalties that are appropriate.
5. Termination for cause and for convenience by the Charter School, including the manner by which it will be effected and the basis for settlement.

XIII. Maintenance of Records

The Charter School shall document specific actions for any procurement. These specific actions include, but are not limited to:

1. The rationale for the method of procurement.
2. The selection of contract type.
3. The selection or rejection of a contractor/vendor, and supporting rationale.
4. The basis for a contract price.

Documentation of each of these actions shall be prepared as the actions occur within any given instance of procurement.

Procurement records, accepted bid documents, and selected contracts will be retained by the Charter School for not less than three (3) years.

No Board member or Charter School employee shall be financially interested in any contract made by the Board or in any contract made in their capacity as a Board member or Charter School employee.

No Board member or Charter School employee shall participate in the selection, award, or administration of a contract if a real or apparent conflict of interest would be involved. Such a conflict would arise when the Board member or Charter School employee, or any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ the Board member or Charter School employee, has a financial or other interest in the firm selected for an award. The Board member or Charter School employee shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, or parties to sub-agreements.

To the extent permitted by law, any Board member or Charter School employee who violates this section may be subject to penalties, sanctions, and other disciplinary actions.

XV. Reservation

The Charter School Procurement and Contract Bidding Policy shall be amended and updated if necessary to comply with changes in acceptable procurement practices.

SECTION 10– FISCAL – GIFT ACCEPTANCE

The purpose of the Donation Acceptance Policy is to delineate policies and guidelines governing the acceptance of donations by Compass Charter Schools, and to provide guidance to prospective donors relating to potential donations to the organization.

Although we appreciate any donor who is interested in donating to our organization, Compass Charter Schools will not engage in any of the following donation acceptance practices:

- Accepting any donation that violates federal, state or municipal laws;
- Accepting donations that require Compass Charter Schools to provide special consideration or treatment to any individual, donor, entity, etc.;
- Accepting donations that require the Compass Charter Schools to deviate from its normal hiring, promotion or contracting procedures;
- Accepting personal gifts in any cash amount, including gift certificates, coupons, entertainment tickets or the like; and
- Accepting donations from organizations whose mission or core activities may be in direct conflict with the mission of Compass Charter Schools or which may limit its ability to perform its functions as a California nonprofit public benefit corporation creating managing, operating, guiding, directing and promoting one or more California public charter schools.

Additionally, restricted gifts – gifts that are for a specific purpose – may be accepted into the general fund of Compass if the expenditure of such a gift complies with the legal use of public funds. Compass may open a separate bank account and keep separate funds outside the general fund for monies that are donated for purposes outside the Compass budget. For instance, the Board, in partnership with the Parent Advisory Council, may open a separate bank account and keep funds separate that are donated specifically for college scholarships for graduating Compass seniors. Any such fund shall be the ultimate responsibility of the Board of Directors.

The Superintendent & CEO will consult with the Board of Directors regarding all donations prior to acceptance. With that said, Compass Charter Schools respectfully reserves the right to refuse any donation it believes is not in the best interest of the organization. Additionally, Compass Charter Schools employees may not accept any donations on behalf of Compass Charter Schools without the prior consent of the Superintendent & CEO and Board of Directors.

All donations must be accepted by the Board of Directors at a regularly scheduled Board meeting.

SECTION 11 – FISCAL – FUNDRAISING

Compass Charter Schools (“CCS” or the “Charter School”) recognizes a desire and a need for fundraising. CCS also recognizes a need for restraint to prevent fundraising activities from becoming too numerous and overly demanding on employees, scholars, and the general public. The dedication and fundraising efforts of our parent community strengthen the ties which make us a caring place where the learning, success, and development of all scholars are deeply valued. CCS Governing Board (the “Board”) has the responsibility to monitor, supervise, and control all fundraising activities on campus and associated with official Charter School programs and activities. All fundraising activities must have prior written approval from the Board.

The Charter School Fundraising Policy stems from the following principles:

- Fundraising should be consistent with the mission and values of the CCS charter.
- Fundraising events should help develop and enrich the CCS community.
- Fundraisers should promote multiculturalism by including and incorporating a variety of cultural activities designed to appeal to diverse populations in the larger community.
- Fundraisers should promote scholars who are active in their learning, aware of their interests, and who seek to expand and explore their knowledge through dynamic collaboration with peers and teachers within an academic setting and the larger community.
- Fundraisers should promote and support education in science, math, humanities, and the arts.
- Fundraisers should reflect a positive image of CCS and should provide public relations in the community consistent with the CCS’s mission and values.

The Charter School Fundraising Policy strives to avoid:

- Partnerships with businesses or organizations that make a profit from fundraisers but do not share the philosophy and values of CCS.
- The promotion of excessive consumerism, marketing, advertising, or selling commercial products or services.
- Scholars doing door-to-door canvassing of any kind.
- The sale of junk foods, packaged sweets, sodas or other unhealthy products that are inconsistent with CCS’s School Wellness Policy. In general, fundraiser foods or beverages may not be sold on the Charter School campus during the school day or within 30 minutes after the end of the official school day.
- Raising funds from or promoting any religious products, events or holidays.

The Superintendent & CEO will ascertain that all fundraising events and activities are legal, all necessary permits are obtained, and the site, equipment, and activities are safe and accessible for all participants. Trash and recycling containers should be provided at all fundraising events.

Notice of fundraising events and activities should be disseminated electronically and/or posted in

central locations at the school. The Superintendent & CEO or designee shall approve all flyers and notices promoting fundraising events prior to distribution.

Voluntary Participation

All scholar and parent participation in CCS fundraising activities is voluntary. Participation in fundraising activities is not required for any scholar's participation in any educational activity or program. Further, CCS will not discriminate against a scholar in any way based on whether or not a scholar or his/her family participated in fundraising activities or contributed time or money to CCS. **However, scholars may be provided prizes or other recognition for voluntarily participating in fundraising activities.** Complaints regarding noncompliance with California Education Code sections 49010 *et seq.* may be filed under the Charter School's Uniform Complaint Procedures.

Corporate/Business Sponsorships and Donations

In recognition of the need to raise funds from additional sources, the Board will gratefully accept donations (actual and in-kind) to support CCS's programs and operations in accordance with the law and CCS policy.

Only those corporations and businesses whose products, services, and stances are in alignment with and share CCS's mission and philosophy will be accepted, at the discretion of the Board. Acceptance of such donations does not constitute endorsement of the business or sponsor and will be subject to the following terms:

In determining whether to accept gifts, donations and grants, the Board will consider the following:

- Items needed by CCS.
- Additional costs to CCS.
- Whether acceptance of the gift, donation, or grant is consistent with CCS fiscal policies including conflict of interest code.

Based on these and other factors identified, the Board may accept the proposed gift, donation, sponsorship, or grant.

Sec. 794), pupils in foster care or experiencing homelessness, and pupils requiring mental health supports.
 - h. The inclusion of a statement in each independent study agreement that independent study is an optional educational alternative in which no pupil may be required to participate. In the case of a pupil who is referred or assigned to any school, class or program pursuant to Education Code sections 48915 or 48917, the agreement also shall include the statement that instruction may be provided to the pupil through independent study only if the pupil is offered the alternative of classroom instruction.
 - i. SECTION 16 – CURRICULUM - CONCURRENT ENROLLMENT POLICY

Concurrent enrollment in another public or private K-12 school is prohibited at Compass Charter Schools (“CCS” or “the Charter School”). If a student (also referred to as a scholar) is found to be enrolled in two (2) schools, CCS will notify the scholar’s parents/guardians (also referred to as a Learning Coach) to clarify enrollment at CCS. If the scholar maintains concurrent enrollment, the scholar will be withdrawn from CCS in accordance with CCS’s board approved involuntary removal procedures.

Community College Courses

It is the policy of the CCS Board of Directors to support the concurrent enrollment of scholars in advanced scholastic or vocational education coursework at local community colleges. Scholars who wish to concurrently enroll in a community college must follow the requirements and procedures below.

Requirements:

- Scholars who have completed 9th grade are eligible for concurrent enrollment. Exceptions may be granted under special circumstances.
- Scholars must be in good academic standing at CCS and may not be considered truant.
- Scholars must meet the GPA, course, and age requirements for the college course(s) they wish to attend (this will vary by community college).
- Courses taken for dual credit are taken in addition to the scholar’s required course schedule at CCS.

Procedure:

- Scholars must notify the College & Career Readiness Counselor prior to enrolling in a college level course for dual credit purposes. Failure to do so will prevent scholars from receiving dual credit.
- Scholars must complete a Concurrent Enrollment Request Form, including a parent/guardian signature, and submit the form to the College & Career Readiness Counselor.
- The College & Career Readiness Counselor will determine if the scholar meets all requirements as described above. Upon recommendation by the College & Career Readiness Counselor, the Director of Counseling Services will make the final approval for concurrent enrollment.
- If the Director of Counseling Services denies the request for concurrent enrollment, the scholar may appeal the decision to the Assistant Superintendent & Chief Academic Officer. If the Assistant Superintendent & Chief Academic Officer denied the request, a final appeal may be heard by the governing board of CCS. The decision of the Board will be final.

Limitations:

- Initially, a scholar will be approved to take no more than two (2) community college courses at one time, in addition to the scholar’s CCS course(s).

- If the scholar successfully completes the initial course(s) with a 2.0 GPA or better and satisfactory attendance at CCS, the scholar will be eligible for another semester of concurrent/dual credit the following semester following the notification steps above.
- Eligibility for additional courses will also be determined based on scholar performance and the policies of the community college they are attending.

Credit for Community College Courses:

- Scholars are responsible for providing an official transcript from the community college verifying the grade earned at the conclusion of the college course. This information must be submitted to the CCS Records Department at the close of the college semester. Scholars are responsible for submitting the college transcript within the prescribed timelines in order for the college course to appear on the high school transcript. Submit college transcript to:

Compass Charter Schools
Attn: Records Department
850 Hampshire Road, Suite R
Thousand Oaks, CA 91361

- Credit will be granted for college level coursework depending on the community college units earned for each college course. Ten (10) high school credits will be awarded upon successful completion of each college course(s) with three (3) units or more unless scholar has elected to complete the course(s) for college credit only. If a scholar enrolls in a course for less than 3 units, HS dual credit amount will be determined based upon course evaluation from the College & Career Readiness Counselor. No dual credit is awarded for community college courses that are one (1) unit or less.
- Scholars will receive the same letter grade for the high school credit as is granted by the college. Dual credit courses will be calculated as a part of the scholar's regular GPA. College level courses will not be weighted for the purpose of appearing on the high school transcript and will be graded on a "4.0 - A scale". College courses will not carry weighted grade credit on the high school transcript.
- Colleges and Universities have their own policies regarding acceptance of dual credit. It is the parent's/scholar's responsibility to check with the university regarding acceptance of dual credit.
- All course(s) taken at the community college will appear on the scholar's official college credit transcript.

Costs and Fees:

- Any participation in community college courses is voluntary and is not required as part of CCS's educational program.
- Charter schools, school districts and county offices of education shall not expend funds for courses or instruction offered by private or public colleges or universities beyond that permitted in pursuit of a high school diploma.
- Parents/scholars are responsible for the cost of fees and course materials. This includes fees, textbooks and other instructional materials required for the course.
- Exception: fees and materials will be paid by CCS if:
 - The course is an elective course not offered by CCS and/or
 - The scholar qualifies for free or reduced price lunch.

SECTION 20 – SCHOLAR POLICY – IMMUNIZATION POLICY

Compass Charter Schools (“CCS” or the “Charter School”) will adhere to all laws related to legally required immunizations for entering students (also known as a scholars) pursuant to Health and Safety Code Sections 120325-120380, and Title 17, California Code of Regulations Sections 6000-6075.

Required Immunizations, Records and Reports

California law requires that an immunization record be presented to CCS staff before a child can be unconditionally enrolled in school. CCS requires written verification from a doctor or immunization clinic of the following immunizations:

Entering scholars who are not exempt will need the following immunization requirements:

Immunization	Dosage
Diphtheria, Pertussis, and Tetanus (DTaP)	Five (5) doses
Polio	Four (4) doses
Measles, Mumps, and Rubella (MMR)	Two (2) doses
Hepatitis B (Hep B)	Three (3) doses
Varicella (chickenpox)	Two (2) doses

NOTE: Four doses of DTaP are allowed if one was given on or after the fourth birthday. Three doses meet the requirement if at least one dose of Tdap, DTaP, or DTP vaccine was given on or after the seventh birthday (also meets the 7th-12th grade Tdap requirement). One or two doses of Td vaccine given on or after the seventh birthday count towards the requirement. Three doses of Polio are allowed if one was given on or after fourth birthday. MMR doses must be given on or after first birthday. Two doses of measles, two doses of mumps, and one dose of rubella vaccine meet the requirement, separately or combined. Combination vaccines (e.g., MMRV) meet the requirements for individual component vaccines.

Scholars entering 7th grade who are not exempt from the immunization requirements must show proof of the following immunizations:

Immunization	Dosage
Tetanus, reduced Diphtheria, and acellular Pertussis (Tdap)	One (1) dose

Additionally, scholars who are not exempt from the immunization requirements must show proof

of the following immunizations when advancing to the 7th grade:

Immunization	Dosage
Varicella	Two (2) Doses

NOTE: In order to begin 7th grade, scholars who had a valid personal belief exemption on file with a public or private elementary or secondary school in California before January 1, 2016 must meet all requirements for children 7-17 years old (i.e., polio, MMR, chickenpox/varicella and primary series for diphtheria, tetanus, and pertussis), **in addition to** the 7th grade requirements for Tdap and two (2) doses of Varicella (varicella requirement for seventh grade advancement expires after June 25, 2025).

Verification of immunizations will be completed with written medical records from the child's doctor or immunization clinic. Immunization records shall be part of the mandatory permanent pupil record and shall be kept in accordance with CCS's Educational Records and Scholar Information Policy. CCS will file a written report on the immunization status of all new entrants to CCS with the California Department of Public Health, on at least an annual basis, as required by law.

Any scholar leaving the United States for a short vacation to or long stay in any country considered by the Center of Disease Control and Prevention ("CDC") to have increased risk of TB exposure MUST contact the County Tuberculosis Clinic for a TB Screening upon return.

CCS shall immediately admit a foster child, as defined in Education Code § 48853.5(a), and a homeless child, as defined in Section 11434a(2) of Title 42 of the United States Code, even if the foster or homeless school's immunization records are not available or are missing. However, this does not alter CCS's obligation to obtain immunization records for foster and homeless scholars or to ensure the full immunization of foster and homeless scholars as required by law.

If CCS discovers that an admitted scholar who was previously believed to be in compliance with the immunization requirements is subsequently discovered to not be in compliance with either the unconditional admission requirements or the conditional admission requirements, CCS will notify the scholar's parent/guardian (also known as the Learning Coach) of: 1) the time period within which the doses must be received, which may be no more than ten (10) school days after notification; and 2) that the scholar shall continue in attendance only if the parent/guardian provides documentation that the immunization requirements have been met within the time period designated by the Charter School.(). If, within ten (10) school days of the notice, the child does not provide documentation of having received all required immunizations, CCS shall exclude this scholar from attendance. The scholar shall remain excluded from the CCS's campuses until the scholar is fully immunized as required by law. The scholar shall also be reported to the School Registrar.

The Superintendent & CEO, or designee, may arrange for a licensed physician or a qualified registered nurse to administer immunizations at CCS to any scholar whose Learning Coach has consented in writing.

Conditional Admittance

Scholars may be conditionally admitted in accordance with Health and Safety Code Section 120340 and Title 17, California Code of Regulations Section 6035. The Superintendent & CEO

or designee shall notify the scholar's Learning Coach of the date(s) by which the scholar must complete all the remaining doses. The Superintendent & CEO or designee shall review the immunization record of each scholar admitted conditionally at least every thirty (30) days from the date of admission until that scholar has received all the required immunizations or submitted an exemption. If a scholar conditionally admitted fails to fulfill the conditions of admission, CCS will prohibit the scholar from further attendance until that scholar has been fully immunized as required by law.

Documentary Proof

The Superintendent & CEO shall maintain the scholar's immunization information in the scholar's mandatory permanent record and shall file annual immunization status reports as required by the California Department of Public Health.

Exemptions from Immunization Requirements

All scholars must be fully immunized in accordance with the California Health and Safety Code and the California Code of Regulations and this Policy with the following exceptions:

1. Scholars who show proof of a medical exemption by a physician licensed to practice medicine in California pursuant to Health and Safety Code Section 120370.
 - a. Commencing January 1, 2021, the California Department of Public Health standardized medical exemption form shall be the only documentation of a medical exemption that the Charter School shall accept.
 - b. On and after July 1, 2021, the Charter School shall not unconditionally admit or readmit, or admit or advance any scholar to 7th grade, unless the scholar has been fully immunized or files a California Department of Public Health standardized medical exemption form as required by law.
 - c. Medical exemptions issued before January 1, 2020 will continue to remain valid until the child enrolls in the next grade span, defined below.
2. Scholars who are enrolled in a home-based private school or independent study program and do not receive any classroom-based instruction.
 - a. A scholar who has not received all of the required immunizations will not be eligible to attend classes at a Charter School resource center unless the scholar is otherwise exempt under #1 or #3.
3. Scholars who, prior to January 1, 2016, submitted a letter or affidavit on file at a private or public elementary or secondary school in California stating beliefs opposed to immunization, and who provides said letter or affidavit to the CCS, shall be allowed to enroll at the CCS without being fully immunized until the scholar enrolls in the next grade span pursuant to Health and Safety Code Section 120335(g);
 - a. "Grade span" means each of the following:
 1. Birth to Preschool.
 2. Kindergarten and grades 1 to 6, inclusive, including transitional kindergarten.
 3. Grades 7 to 12, inclusive.

If there is good cause to believe that a child has been exposed to a disease listed in subdivision (b) of Section 120335 and his or her documentary proof of immunization status does not show

proof of immunization against that disease, that child may be temporarily excluded from the School until the local health officer is satisfied that the child is no longer at risk of developing or transmitting the disease.

This Policy does not prohibit a pupil who qualifies for an individualized education program (“IEP”), pursuant to federal law and Education Code Section 56026, from accessing any special education and related services required by the scholar’s individualized education program.

SECTION 22 – SCHOLAR POLICY – SUICIDE PREVENTION POLICY

The Board of Directors of Compass Charter Schools recognizes that suicide is a leading cause of death among youth and should be taken seriously. To attempt to reduce suicidal ideation and behavior, and its impact on scholars and families, CCS has developed measures and strategies for suicide prevention, intervention, and postvention. This policy shall be reviewed and revised as indicated, at least annually.

In compliance with Education Code section 215, this policy has been developed in consultation with CCS and community stakeholders, school-employed mental health professionals (e.g. school counselors, psychologists, social workers, nurses), administrators, other staff members, learning coaches, scholars, local health agencies, mental health agencies and professionals, the county mental health plan, law enforcement, and community organizations in planning, implementing, and evaluating CCS' strategies for suicide prevention and intervention. CCS must work in conjunction with local government agencies, community-based organizations, and other community supports to identify additional resources.

Prevention and Instruction

Suicide prevention strategies may include, but not be limited to, efforts to promote a positive school climate that enhances scholars' feelings of connectedness with CCS and is characterized by caring staff and harmonious interrelationships among scholars.

CCS's instructional and scholar support program shall promote the healthy mental, emotional, and social development of scholars including, but not limited to, the development of problem-solving skills, coping skills, and resilience.

The Superintendent & CEO or designee may offer learning coaches education or information which describes the severity of the youth suicide problem, CCS's suicide prevention efforts, risk factors and warning signs of suicide, basic steps for helping suicidal youth, reducing the stigma of mental illness, and/or CCS and community resources that can help youth in crisis.

CCS's instructional curriculum may include information about suicide prevention, as appropriate or needed, taking into consideration the grade level and age of the scholars. If offered or included in CCS's instructional curriculum, suicide prevention instruction shall be designed to help scholars:

1. Identify and analyze signs of depression and self-destructive behaviors and understand how feelings of depression, loss, isolation, inadequacy, and anxiety can lead to thoughts of suicide.
2. Identify alternatives to suicide and develop coping, self-esteem, and resiliency skills.
3. Learn to listen, be honest, share feelings, and get help when communicating with friends who show signs of suicidal intent.
4. Identify trusted adults, CCS resources, and/or community crisis intervention resources where youth, including those at high risk, such as youth bereaved by suicide; youth with disabilities, mental illness, or substance use disorders; youth experiencing homelessness

or in out-of-home settings such as foster care; and lesbian, gay, bisexual, transgender, or questioning youth can get help, and recognize that there is no stigma associated with seeking mental health, substance abuse, gender identity, or other support services.

To ensure the policies regarding suicide prevention are properly adopted, implemented, and updated, CCS shall appoint an individual (or team) to serve as the suicide prevention point of contact for CCS. The suicide prevention point of contact for CCS and the Superintendent & CEO shall ensure proper coordination and consultation with the county mental health plan if a referral is made for mental health or related services on behalf of a scholar who is a Medi-Cal beneficiary. This policy shall be reviewed and revised as indicated, at least annually in conjunction with the previously mentioned community stakeholders.

Staff Development

CCS along with its partners, has carefully reviewed available staff training to ensure it promotes the mental health model of suicide prevention and does not encourage the use of the stress model to explain suicide.

Training shall be provided for all school staff members. It may also be provided, when appropriate, for other adults on campus (such as substitutes and intermittent staff, volunteers, interns, tutors, coaches, and afterschool staff). Training shall include the following:

1. All suicide prevention trainings shall be offered under the direction of mental health professionals (e.g., school counselors, school psychologists, other public entity professionals, such as psychologists or social workers) who have received advanced training specific to suicide. Staff training may be adjusted year-to-year based on previous professional development activities and emerging best practices.
2. At least annually, all staff shall receive training on the risk factors and warning signs of suicide, suicide prevention, intervention, referral, and postvention.
3. At a minimum, all staff shall participate in training on the core components of suicide prevention (identification of suicide risk factors and warning signs, prevention, intervention, referral, and postvention) at the beginning of their employment or annually.

Core components of the general suicide prevention training shall include:

- a. Suicide risk factors, warning signs, and protective factors.
- b. How to talk with a scholar about thoughts of suicide.
- c. How to respond appropriately to the youth who has suicidal thoughts. Such responses shall include constant supervision of any scholar judged to be at risk for suicide and an immediate referral for a suicide risk assessment.
- d. Emphasis on immediately referring (same day) any scholar who is identified to be at risk of suicide for assessment while staying under constant monitoring by staff member.
- e. Emphasis on reducing stigma associated with mental illness and that early prevention and intervention can drastically reduce the risk of suicide.
- f. Reviewing the data annually to look for any patterns or trends of the prevalence or occurrence of suicide ideation, attempts, or death. Data from the California School Climate, Health, and Learning Survey (Cal-SCHLS) should also be analyzed to identify school climate deficits and drive program development. See the Cal-SCHLS Web site at <http://cal-schls.wested.org/>.

- g. Information regarding groups of scholars judged by the school, and available research, to be at elevated risk for suicide. These groups include, but are not limited to, the following:
 - i. Youth affected by suicide.
 - ii. Youth with a history of suicide ideation or attempts.
 - iii. Youth with disabilities, mental illness, or substance abuse disorders.
 - iv. Lesbian, gay, bisexual, transgender, or questioning youth.
 - v. Youth experiencing homelessness or in out-of-home settings, such as foster care.
 - vi. Youth who have suffered traumatic experiences.
4. In addition to initial orientations to the core components of suicide prevention, ongoing annual staff professional development for all staff may include the following components:
- a. The impact of traumatic stress on emotional and mental health.
 - b. Common misconceptions about suicide.
 - c. Charter School and community suicide prevention resources.
 - d. Appropriate messaging about suicide (correct terminology, safe messaging guidelines).
 - e. The factors associated with suicide (risk factors, warning signs, protective factors).
 - f. How to identify youth who may be at risk of suicide.
 - g. Appropriate ways to interact with a youth who is demonstrating emotional distress or is suicidal. Specifically, how to talk with a scholar about their thoughts of suicide and (based on CCS guidelines) how to respond to such thinking; how to talk with a scholar about thoughts of suicide and appropriately respond and provide support based on CCS guidelines.
 - h. Charter School-approved procedures for responding to suicide risk (including multi-tiered systems of support and referrals). Such procedures should emphasize that the suicidal scholar should be constantly supervised until a suicide risk assessment is completed.
 - i. Charter School-approved procedures for responding to the aftermath of suicidal behavior (suicidal behavior postvention).
 - j. Responding after a suicide occurs (suicide postvention).
 - k. Resources regarding youth suicide prevention.
 - l. Emphasis on stigma reduction and the fact that early prevention and intervention can drastically reduce the risk of suicide.
 - m. Emphasis that any scholar who is identified to be at risk of suicide is to be immediately referred (same day) for assessment while being constantly monitored by a staff member.

Employee Qualifications and Scope of Services

Employees of CCS must act only within the authorization and scope of their credential or license. While it is expected that school professionals are able to identify suicide risk factors and warning signs, and to prevent the immediate risk of a suicidal behavior, treatment of suicidal ideation is typically beyond the scope of services offered in the school setting. In addition, treatment of the mental health challenges often associated with suicidal thinking typically requires mental health resources beyond what schools are able to provide.

Intervention and Emergency Procedures

CCS designates the following administrators to act as the primary and secondary suicide prevention liaisons:

1. Director of Counseling Services
2. School counselor

Whenever a staff member suspects or has knowledge of a scholar's suicidal intentions, they shall promptly notify the primary designated suicide prevention liaison. If this primary suicide prevention liaison is unavailable, the staff shall promptly notify the secondary suicide prevention liaison.

The suicide prevention liaison shall immediately notify the Superintendent & CEO or designee, who shall then notify the scholar's parent/guardian as soon as possible if appropriate and in the best interest of the scholar. Determination of notification to parents/guardians/caregivers should follow a formal initial assessment to ensure that the scholar is not endangered by parental notification.

The suicide prevention liaison shall also refer the scholar to mental health resources at CCS or in the community.

When a scholar is in imminent danger (has access to a gun, is on a rooftop, or in other unsafe conditions), a call shall be made to 911.

Scholars shall be encouraged to notify a teacher, administrator, counselor, or other adult when they are experiencing thoughts of suicide or when they suspect or have knowledge of another scholar's suicidal intentions. CCS staff should treat each report seriously, calmly, and with active listening and support. Staff should be non-judgmental to scholars and discuss with the scholar, and parent/guardian, about additional resources to support the scholar.

Every statement regarding suicidal intent shall be taken seriously. Whenever a staff member suspects or has knowledge of a scholar's suicidal intentions, he/she shall promptly notify the primary or secondary suicide prevention liaisons.

Although any personal information that a scholar discloses to a school counselor shall generally not be revealed, released, referenced, or discussed with third parties, the School counselor and Director of Counseling Services shall report to the scholar's learning coach (parents/guardians/caregivers) when he/she has reasonable cause to believe that disclosure is necessary to avert a clear and present danger to the health, safety, or welfare of any scholar when appropriate and in the best interest of the scholar. Determination of notification to parents/guardians/caregivers should follow a formal initial assessment to ensure that the scholar is not endangered by parental notification.

In addition, the counselor may disclose information of a personal nature to psychotherapists or other health care providers for the sole purpose of referring the scholar for treatment. The School counselor or Director of Counseling Services may also refer the scholar to mental health resources at CCS or in the community.

When a suicide attempt or threat is reported, on campus or at a school-related activity, the suicide prevention liaison shall, at a minimum:

1. Ensure the scholar's physical safety by one or more of the following, as appropriate:
 - a. Securing immediate medical treatment if a suicide attempt has occurred.
 - b. Securing law enforcement and/or other emergency assistance if a suicidal act is being actively threatened.
 - c. Keeping the scholar under continuous adult supervision until the parent/guardian and/or appropriate support agent or agency can be contacted and has the opportunity to intervene.
 - d. Remaining calm, keeping in mind the scholar is overwhelmed, confused, and emotionally distressed.
 - e. Moving all other scholars out of the immediate area.
 - f. Not sending the scholar away or leaving him/her alone, even to go to the restroom.
 - g. Providing comfort to the scholar, listening and allowing the scholar to talk and being comfortable with moments of silence.
 - h. Promising privacy and help, but not promising confidentiality.

1. Document the incident in writing as soon as feasible.

2. Follow up with the parent/guardian and scholar in a timely manner to provide referrals to appropriate services as needed and coordinate and consult with the county mental health plan if a referral is made for mental health or related services on behalf of a scholar who is a Medi-Cal beneficiary.

3. After a referral is made, CCS shall verify with the parent/guardian that the follow up treatment has been accessed. Parents/guardians will be required to provide documentation of care for the scholar. If parents/guardians refuse or neglect to access treatment for a scholar who has been identified to be at risk for suicide or in emotional distress, the suicide prevention liaisons shall meet with the parent to identify barriers to treatment (e.g., cultural stigma, financial issues) and work to rectify the situation and build understanding of care. If follow up care is still not provided, CCS may contact Child Protective Services.

4. Provide access to counselors or other appropriate personnel to listen to and support scholars and staff who are directly or indirectly involved with the incident at CCS.

5. Provide an opportunity for all who respond to the incident to debrief, evaluate the effectiveness of the strategies used, and make recommendations for future actions.

In the event a suicide occurs or is attempted on the CCS campus, the suicide prevention liaison shall follow the crisis intervention procedures contained in CCS's safety plan. After consultation with the Superintendent & CEO or designee and the scholar's parent/guardian about facts that may be divulged in accordance with the laws governing confidentiality of scholar record information, the Superintendent & CEO or designee may provide scholars, parents/guardians, and staff with information, counseling, and/or referrals to community agencies as needed. CCS staff may receive assistance from CCS counselors or other mental health professionals in determining how best to discuss the suicide or attempted suicide with scholars.

In the event a suicide occurs or is attempted off the CCS campus and unrelated to school activities, the Superintendent & CEO or designee shall take the following steps to support the

scholar:

1. Contact the parent/guardian and offer support to the family.
2. Discuss with the family how they would like CCS to respond to the attempt while minimizing widespread rumors among teachers, staff, and scholars.
3. Obtain permission from the parent/guardian to share information to ensure the facts regarding the crisis are correct.
4. The suicide prevention liaisons shall handle any media requests.
5. Provide care and determine appropriate support to affected scholars.
6. Offer to the scholar and parent/guardian steps for re-integration to school. Re-integration may include obtaining a written release from the parent/guardian to speak with any health care providers; conferring with the scholar and parent/guardian about any specific requests on how to handle the situation; informing the scholar's teachers about possible days of absences; allowing accommodations for make-up work (being understanding that missed assignments may add stress to the scholar); appropriate staff maintaining ongoing contact with the scholar to monitor the scholar's actions and mood; and working with the parent/guardian to involve the scholar in an aftercare plan.

Supporting Scholars during or after a Mental Health Crisis

Scholars shall be encouraged through the education program and in CCS activities to notify a teacher, the Superintendent & CEO, another CCS administrator, psychologist, CCS counselor, suicide prevention liaisons, or other adult when they are experiencing thoughts of suicide or when they suspect or have knowledge of another scholar's suicidal intentions. CCS staff should treat each report seriously, calmly, and with active listening and support. Staff should be non-judgmental to scholars and discuss with the scholar, and parent/guardian, about additional resources to support the scholar.

Responding After a Suicide Death (Postvention)

A death by suicide in the school community (whether by a scholar or staff member) can have devastating consequences on the school community, including scholars and staff. CCS shall follow the below action plan for responding to a suicide death, which incorporates both immediate and long-term steps and objectives:

The suicide prevention liaison shall:

Coordinate with the Superintendent & CEO to:

1. Confirm death and cause;
2. Identify a staff member to contact the deceased's family (within 24 hours);
3. Enact the Suicide Postvention Response; and
4. Notify all staff members (ideally in-person or via phone, not via e-mail or mass notification).

Coordinate an all-staff meeting, to include:

1. Notification (if not already conducted) to staff about suicide death;
2. Emotional support and resources available to staff;
3. Notification to scholars about suicide death and the availability of support services (if this is the protocol that is decided by administration); and
4. Share information that is relevant and that which you have permission to disclose.

Prepare staff to respond to the needs of scholars regarding the following:

1. Review of protocols for referring scholars for support/assessment;
2. Talking points for staff to notify scholars; and
3. Resources available to scholars (on and off campus).

Identify scholars significantly affected by suicide death and other scholars at risk of imitative

behavior.

Identify scholars affected by suicide death but not at risk of imitative behavior.

Communicate with the larger school community about the suicide death.

Consider funeral arrangements for family and school community.

Respond to memorial requests in respectful and non-harmful manner; responses should be handled in a thoughtful way and their impact on other scholars should be considered.

Identify media spokesperson if needed.

Include long-term suicide postvention responses:

1. Consider important dates (i.e., anniversary of death, deceased birthday, graduation, or other significant event) and how these will be addressed
2. Support siblings, close friends, teachers, and/or scholars of deceased
3. Consider long-term memorials and how they may impact scholars who are emotionally vulnerable and at risk of suicide

Scholar Identification Cards

CCS will include the telephone number for the National Suicide Prevention Lifeline (1-800-273-8255) and the National Domestic Violence Hotline (1-800-799-7233) on all scholar identification cards. CCS will also include the number for the Crisis Text Line which can be accessed by texting HOME to 741741 and a local suicide prevention hotline on all scholar identification cards.

Board Policy #: 23

Adopted/Ratified: March 28, 2021

Revision Date: August 11, 2021

SECTION 23 – SCHOLAR POLICY – MISSED ASSIGNMENTS AND INVOLUNTARY REMOVAL POLICY

Per California Education Code section 51747, Compass Charter Schools (“CCS” or the “Charter School”) maintains a board policy establishing the following the number of missed assignments that will be allowed before an evaluation is conducted to determine whether it is in the best interest of the scholar to remain in independent study:

When an Online or Options Learning Program scholar fails to complete five (5) assignments during any period of five (5) school days, the Superintendent & CEO or designee shall conduct an evaluation to determine whether it is in the best interests of the pupil to remain in independent study. An “assignment” constitutes the following: assigned schoolwork, completion of activity logs, and attendance at required meetings with the supervising teacher and other staff.

Evaluation After Missed Assignments

After reaching the number of missed assignments specified above during any period of five (5) school days, an evaluation will be conducted by the Superintendent & CEO and/or designee and supervising teacher to determine whether it is in the best interests of the scholar to remain enrolled in independent study.

The Evaluation After Missed Assignments may include but is not limited to the review of the following:

- 1) Attendance based on completion of assignments as quantified by the assigned supervising teacher;
- 2) Demonstration of skills on assignments;
- 3) Standardized test scores;
- 4) Written tests and reports if appropriate;
- 5) Oral or written presentations;
- 6) Scholar’s attitude toward learning and achievement;
- 7) Punctual attendance at scheduled appointments;
- 8) Ability to meet scheduled appointments;
- 9) Preparedness for scheduled appointments;
- 10) Scholar demonstration of adequate and appropriate progress toward
- 11) Common Core State Standards;
- 12) Appropriate learning environment; and/or
- 13) Parent(s) ability to support scholar learning in the home.

As part of the evaluation process, the scholar, parent(s), guardian(s), or if the scholar is a foster child or youth or a homeless child or youth, the scholar’s educational rights holder (all generally referred throughout as “Parent(s)”) will be invited to present evidence to the individual(s) conducting the Evaluation After Missed Assignments meeting. During this meeting, the Charter School will determine whether it is in the best interest of the scholar to remain in independent study. A written record of the findings of any evaluation made pursuant to this Policy shall be

maintained in the scholar's mandatory interim record. The record shall be maintained for a period of three (3) years from the date of the evaluation and, if the scholar transfers to another California public school, the record shall be forwarded to that school.

Evaluation of Educational Progress

In the event Scholar's educational progress falls below satisfactory levels as determined by the Charter School's Scholar Success Team Policy and Missed Assignment Policy which considers ALL of the following indicators:

- i. The pupil's achievement and engagement in the independent study program, as indicated by the pupil's performance on applicable pupil-level measures of pupil achievement and pupil engagement set forth in Education Code Section 52060(d) paragraphs (4) and (5).
- ii. The completion of assignments, assessments, or other indicators that evidence that the pupil is working on assignments.
- iii. Learning required concepts, as determined by the supervising teacher.
- iv. Progressing toward successful completion of the course of study or individual course, as determined by the supervising teacher.
- v. The Charter School may also consider the following in determining satisfactory progress:
 1. The required diagnostic assessment which is administered three times per year; or
 2. Scholars' semester grades as determined by the supervising teacher; or Data gathered during monthly Connections Meetings.

Tied Reengagement Strategies and Charter School Conference

The Charter School has adopted tiered reengagement strategies for all scholars who are not generating attendance for more than three (3) school days or 60% of the instructional days in a school week, or who are in violation of the written agreement pursuant to Education Code section 51747(g).¹ These procedures are as follows:

- 1) Verification of current contact information for each enrolled scholar.
- 2) Notification to parents or guardians of lack of participation within one (1) school day of the absence or lack of participation.
- 3) Outreach from the Charter School to determine scholar needs including connection with health and social services as necessary.

When the Evaluation of Educational Progress described above is triggered to consider whether remaining in independent study is in the best interest of the scholar, a scholar-parent-education conference shall be required to review a scholar's written agreement and reconsider the independent study program's impact on the scholar's achievement and well-being. This conference shall be a meeting involving, at a minimum, all parties who signed the scholar's written independent study agreement.

Additional Consideration for Scholars with a Section 504 Plan or IEP

If the Charter School recommends removal from independent study as a result of the Evaluation After Missed Assignments, above, and the scholar has a Section 504 Plan or individualized

education program (“IEP”), the Charter School shall schedule an IEP meeting or Section 504 meeting (as applicable) following applicable legal timelines, to determine the following:

- 1) Whether the missed assignments were caused by or had a direct and substantial relationship to the scholar’s disability; or
- 2) Whether the missed assignments were the direct result of the Charter School’s failure to implement the IEP or Section 504 Plan, as applicable.

If the answer to either (1) or (2), above, is yes, then the missed assignments are a manifestation of the scholar’s disability and the Charter School will follow applicable state and federal laws to ensure that the scholar is offered a free appropriate public education.

If the answer to both (1) and (2), above, is no, then the scholar may be removed from independent study consistent with this Policy.

This meeting may be combined with the Evaluation After Missed Assignments meeting, referenced above, at the discretion of the Charter School.

Notice of Decision and Opportunity to Request a Hearing Prior to Removal

Once the Evaluation is complete, if it is determined that it is not in the best interest of the scholar to remain enrolled in the independent study program, the Parent(s) shall be notified in writing of the Charter School’s intent to remove the scholar as it is not in their best interest to remain in independent study. The Notice shall be in the native language of the Parent(s) and provided no less than five (5) schooldays before the effective date of scholar’s removal. The Notice shall include the following:

- 1) The School’s intent to remove the scholar as it is not in their best interest to remain in independent study.
- 2) The opportunity of the Parent(s) to request a hearing that follows the same procedures as the Charter School’s disciplinary hearing. Parent(s) (or the scholar if over 18) must submit the request for hearing writing within five (5) calendar days from the date of the Notice.
- 3) If Parent(s) or scholar over 18 requests a hearing:
 - a. It will be scheduled following the Charter School’s expulsion hearing procedures as outlined in the Charter School’s approved Charter and Suspension and Expulsion policy.
 - b. The scholar shall remain enrolled and shall not be removed until the Charter School issues a final decision.
 - c. If as a result of the hearing the scholar is disenrolled, notice will be sent to the scholar’s last known district of residence within thirty (30) calendar days.
 - d. A hearing decision not to disenroll the scholar does not prevent the Charter School from making a similar recommendation in the future should scholar truancy occur or re-occur.

- 4) If no hearing is requested, the scholar shall be removed from the school on the date listed on the notice.

Board Policy #: 25

Adopted/Ratified: October 3, 2019

Revision Date: August 11, 2021

SECTION 25 – SCHOLAR POLICY – EDUCATION OF HOMELESS CHILDREN AND YOUTH POLICY

The Compass Charter School’s (“CCS” or the “Charter School”) Board of Directors desires to ensure that homeless children and youth are provided with equal access to its educational program, have an opportunity to meet the same challenging State academic standards, are provided a free and appropriate public education, are not stigmatized or segregated on the basis of their status as homeless, and to establish safeguards that protect homeless scholars from discrimination on the basis of their homelessness.

Definition of Homeless Children and Youth

The term “homeless children and youth” means individuals who lack a fixed, regular and adequate nighttime residence and includes children and youths who (42 U.S.C. § 11434a):

1. Are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; or are abandoned in hospitals;
2. Have a primary nighttime residence that is a public or private place not designed for or ordinarily used as regular sleeping accommodations for human beings;
3. Are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings; and/or
4. Migratory children and unaccompanied youth (youth not in the physical custody of a parent or guardian) may be considered homeless if they meet the above definition of “homeless.”

Homeless status is determined in cooperation with the parent or guardian. In the case of unaccompanied youth, status is determined by the School Liaison.

School Liaison

The Superintendent & CEO designates the following staff person as the School Liaison for homeless scholars (42 U.S.C. §§11432(g)(1)(J)(ii)):

Karla Gonzalez | McKinney-Vento Liaison
850 Hampshire Road, Suite R
Thousand Oaks, California 91361
(818) 372-0620
kgonzalez@compasscharters.org

The School Liaison shall ensure that the following requirements are fulfilled by the Charter School (42 U.S.C. § 11432(g)(6)):

1. Homeless scholars are identified by school personnel and through outreach and coordination activities with other entities and agencies.
2. Homeless scholars enroll in and have a full and equal opportunity to succeed at CCS.
3. Homeless scholars and families receive educational services for which they are eligible, including: services through Head Start programs (including Early Head Start programs) under the Head Start Act; early intervention services under part C of the Individuals with Disabilities Education Act (“IDEA”); any other preschool programs administered by CCS if any; and referrals to health care services, dental services, mental health services, substance abuse services, housing services, and other appropriate services.
4. Parents/guardians are informed of the educational and related opportunities available to their children and are provided with meaningful opportunities to participate in the education of their children.
5. Public notice of the educational rights of homeless children is disseminated at places frequented by parents or guardians of such youths, and unaccompanied youths, including schools, shelters, public libraries, and soup kitchens, and in a manner and form understandable to the parents and guardians of homeless youth and unaccompanied youth.
6. Enrollment/admissions disputes are mediated in accordance with law, CCS charter, and Board policy.
7. Parents/guardians and any unaccompanied youth are fully informed of all transportation services, as applicable.
8. School personnel providing services receive professional development and other support.
9. The School Liaison collaborates with State coordinators and community and school personnel responsible for the provision of education and related services to homeless children and youths.
10. Unaccompanied youth are enrolled in school; have opportunities to meet the same challenging State academic standards as the State establishes for other children and youth; and are informed of their status as independent scholars and that the youths may obtain assistance from the School Liaison to receive verification of such status for the purposes of the Free Application for Federal Student Aid.

The California Department of Education publishes a list of the contact information for the Homeless Education Liaisons in the state, which is available at: <https://www.cde.ca.gov/sp/hs/>

Enrollment

CCS shall immediately admit/enroll the scholar for which the Charter School is a School of Origin. “School of Origin” means the school that the child or youth attended when permanently housed or the school in which the child or youth was last enrolled. CCS shall also immediately enroll a homeless youth who seeks to enroll in the Charter School, if the youth would otherwise be eligible to attend and subject to CCS’s capacity and pursuant to the procedures stated in the

CCS charter and Board policy. A homeless youth who is enrolled will have the right to attend classes and participate fully in school activities, including extracurricular activities.

The youth shall be immediately enrolled even if the scholar lacks records normally required for enrollment (such as previous academic records, records of immunizations, other required health records, proof of residency) or has missed application or enrollment deadlines during any period of homelessness. Records will immediately be requested from the previous school. (42 U.S.C. § 11432(g)(3)(C); Education Code Section 48850(a)(3)(A).)

If the scholar needs to obtain immunizations or does not possess immunization or other medical records, the Superintendent & CEO or designee shall refer the parent/guardian to the School Liaison. The School Liaison shall assist the parent/guardian in obtaining the necessary immunizations or records for the scholar. (42 U.S.C. § 11432(g)(3)(C).)

A homeless youth may remain in the scholar's school of origin for the entire period for which the youth is homeless. If a youth obtains permanent housing during an academic year, the youth will be permitted to remain in the school of origin through the end of the academic year.

Enrollment Disputes

If a dispute arises over admissions/enrollment, the scholar shall be immediately admitted (subject to Charter School's capacity and pursuant to the procedures stated in the Charter School charter and Board policy), pending final resolution of the dispute, including all available appeals. (42 U.S.C. § 11432(g)(3)(E).)

The parent/guardian shall be provided with a written explanation of the admission/enrollment decision, including an explanation of the parent/guardian's right to appeal the decision. The parent/guardian shall also be referred to the School Liaison. (42 U.S.C. § 11432(g)(3)(E).)

The School Liaison shall carry out the Board-adopted dispute resolution and complaint process as expeditiously as possible after receiving notice of the dispute. (42 U.S.C. § 11432(g)(3)(E).)

Comparable Services

Each homeless child or youth shall promptly be provided services comparable to services offered to other scholars in CCS such as (42 U.S.C. § 11432(g)(4)):

- Transportation services
- Educational services for which the child or youth meets eligibility criteria, such as educational programs for scholars with disabilities and educational programs for scholars with limited English proficiency
- Programs in vocational and technical education
- Programs for gifted and talented scholars
- Charter School nutrition programs

Transportation

In the event that CCS provides transportation services to all CCS scholars, CCS shall provide comparable transportation services to each homeless child or youth attending CCS, as noted above. (42 U.S.C. § 11432(g)(4).)

If CCS does not otherwise provide transportation services to all CCS scholars, CCS shall ensure that transportation is provided for homeless scholars to and from CCS, at the request of the parent or guardian (or School Liaison) if CCS is the scholar's school of origin. (42 U.S.C. § 11432(g)(1)(J).) Transportation provided by CCS will be adequate and appropriate for the Scholar's situation, but CCS does not commit to any one method of transportation for all youth.

Professional Development

All administrators, teachers and employees of CCS will be provided professional development on the identification, services, and sensitivity necessary when dealing with homeless children and youth. (42 U.S.C. § 11433(d)(3).) All identified or suspected homeless children and youth will be referred to the School Liaison.

High School Graduation Requirements

Homeless scholars who transfer to the CCS any time after the completion of their second year of high school shall be exempt from any of the Charter School's graduation requirements that are in excess of the California minimum graduation requirements specified in Education Code section 51225.3 ("additional graduation requirements") unless CCS makes a finding that the scholar is reasonably able to complete the Charter School's graduation requirements by the end of the scholar's fourth year of high school.

To determine whether a homeless scholar is in their third or fourth year of high school, either the number of credits the scholar has earned to the date of transfer or the length of the scholar's school enrollment may be used, whichever will qualify the scholar for the exemption.

Within thirty (30) calendar days of the date that a scholar who may qualify for exemption under the above requirements transfers into the Charter School, the Charter School shall notify the scholar, the scholar's educational rights holder, and the Charter School Liaison of the availability of the exemption and whether the scholar qualifies for an exemption.

The Charter School shall notify scholars who are exempted from the Charter School's additional graduation requirements and the scholar's educational rights holder of how any of the requirements that are waived will affect the scholar's ability to gain admission to a postsecondary educational institution and provide information about transfer opportunities available through the California Community Colleges.

The Charter School shall not require any scholar who would otherwise be entitled to remain in attendance at the Charter School to accept the exemption from the Charter School's additional graduation requirements or deny the scholar enrollment in, or the ability to complete, courses for which the scholar is otherwise eligible. The Charter School shall not revoke an exemption and shall grant an eligible scholar's request for the exemption at any time if the scholar qualifies, regardless of whether the scholar previously declined the exemption. An eligible scholar's exemption from the Charter School's additional graduation requirements will continue to apply while the scholar is enrolled in the Charter School or if the scholar transfers to another school even after the scholar no longer meets the definition of a homeless child.

The Charter School shall not require or request that a scholar transfer schools in order to qualify the scholar for the exemption. Nor shall a scholar, a scholar's parent/guardian or educational rights holder, or a scholar's social worker or probation officer request a transfer solely to qualify for an exemption from the Charter School's additional graduation requirements.

If a scholar who is exempted from the Charter School's additional graduation requirements completes the California minimum coursework requirements specified in Education Code section 51225.3 before the end of the scholar's fourth year of high school and would otherwise be entitled to remain in attendance at the Charter School, the Charter School shall not require or request that the scholar graduate before the end of the scholar's fourth year of high school.

If the Charter School determines the scholar is reasonably able to complete the Charter School's graduation requirements by the end of the scholar's fifth year of high school, the Charter School shall do the following:

1. Inform the scholar of the scholar's option to remain at the Charter School for a fifth year to complete the Charter School's graduation requirements.
2. Inform the scholar, and the educational rights holder for the scholar, about how remaining in school for a fifth year to complete the Charter School's graduation requirements will affect the scholar's ability to gain admission to a postsecondary educational institution.
3. Provide information to the scholar about transfer opportunities available through the California Community Colleges.
4. Permit the scholar to stay at the Charter School for a fifth year to complete the Charter School's graduation requirements upon agreement with the scholar, if the scholar is 18 years of age or older, or, if the scholar is under 18 years of age, upon agreement with the educational rights holder for the scholar.

Acceptance of Course Work

The Charter School will accept any coursework satisfactorily completed at any public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency by a homeless scholar.

The Charter School will provide homeless scholars credit for the partial completion of courses taken while attending a public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency. If the scholar did not complete the entire course, the Charter School shall not require the scholar to retake the portion of the course the scholar completed unless the Charter School, in consultation with the holder of educational rights for the scholar, finds that the scholar is reasonably able to complete the requirements in time to graduate from high school. When partial credit is awarded in a particular course, the homeless scholar shall be enrolled in the same or equivalent course, if applicable, so that the scholar may continue and complete the entire course. These scholars shall not be prevented from taking or retaking a course to meet California State University or the University of California admission eligibility requirements.

Notice

For any homeless scholar who seeks enrollment at the Charter School, written notice will be provided to the parent/guardian at the time of enrollment and at least twice annually while the scholar is enrolled at the School in alignment with the law. (42 U.S.C. § 11432(e)(3)(C).)

Annual Policy Review

The Charter School shall annually review and revise any policies that may act as barriers to the identification of homeless children and youths or the enrollment of homeless children and youths at the Charter School. In reviewing and revising such policies, consideration shall be given to

issues concerning transportation, immunization, residency, birth certificates, school records and other documentation, and guardianship. Special attention shall be given to ensuring the identification, enrollment, and attendance of homeless children and youths who are not currently attending school.

Board Policy #: 26

Adopted/Ratified: October 3, 2019

Revision Date: August 11, 2021

SECTION 26 -- SCHOLAR POLICY – EDUCATION FOR FOSTER AND MOBILE YOUTH

Introduction

The Governing Board of Compass Charter Schools (“CCS” or the “Charter School”) recognizes that Foster and Mobile Youth may face significant barriers to achieving academic success due to their family circumstances, disruption to their educational program, and their emotional, social, and other health needs. To enable such scholars to achieve state and charter school academic standards, the Charter School shall provide them with full access to the Charter School’s educational program and implement strategies identified as required by law and necessary for the improvement of the academic achievement of foster youth in the Charter School’s local control and accountability plan (“LCAP”).

Definitions

- *Foster youth* means a child who has been removed from their home pursuant to California Welfare and Institutions Code section 309, and/or is the subject of a petition filed under Welfare and Institutions Code sections 300 or 602, . This includes children who are the subject of cases in dependency court and juvenile justice court.
- *Former juvenile court school pupil* means pupil who, upon completion of the pupil’s second year of high school, transfers from a juvenile court school to the Charter School.
- *Child of a military family* refers to a scholar who resides in the household of an active duty military member.
- *Currently Migratory Child* refers to a child who, within the last 12-months, has moved with a parent, guardian, or other person having custody to the Charter School from another Local Educational Agency (“LEA”), either within California or from another state, so that the child or a member of the child’s immediate family might secure temporary or seasonal employment in an agricultural or fishing activity, and whose parents or guardians have been informed of the child’s eligibility for migrant education services. “Currently Migratory Child” includes a child who, without the parent/guardian, has continued to migrate annually to secure temporary or seasonal employment in an agricultural or fishing activity.
- *Pupil participating in a newcomer program* means a pupil who is participating in a program designed to meet the academic and transitional needs of newly arrived immigrant pupils that has as a primary objective the development of English language proficiency.
- *Educational Rights Holder (“ERH”)* means a parent, guardian, responsible adult appointed by a court to make educational decisions for a minor pursuant to Welfare and

Institutions Code sections 319, 361 or 726, or a person holding the right to make educational decisions for the pupil pursuant to Education Code section 56055.

- *School of origin* means the school that the foster youth attended when permanently housed or the school in which the foster youth was last enrolled. If the school the foster youth attended when permanently housed is different from the school in which the scholar was last enrolled, or if there is some other school that the foster youth attended within the immediately preceding 15 months, the Charter School liaison for foster youth, in consultation with and with the agreement of the foster youth and the ERH for the youth, shall determine, in the best interests of the foster youth, the school that shall be deemed the school of origin.
- *Best interests* means that, in making educational and school placement decisions for a foster youth, consideration is given to, among other factors, the opportunity to be educated in the least restrictive educational program and the foster youth's access to academic resources, services, and extracurricular and enrichment activities that are available to all Charter School scholars.

Within this Policy, foster/juvenile court youth, former juvenile court school pupils, a child of a military family, a currently migratory child, and a pupil participating in the newcomer program will be referred to collectively as “Foster and Mobile Youth.”

Foster and Mobile Youth Liaison

In order to help facilitate the enrollment, placement, and transfer of Foster and Mobile Youth to the Charter School, the Governing Board shall designate a Foster and Mobile Youth liaison. The Governing Board designates the following position as the Charter School’s liaison for Foster and Mobile Youth:

Karla Gonzalez | McKinney-Vento Liaison
850 Hampshire Road, Suite R
Thousand Oaks, California 91361
(818) 372-0620
kgonzalez@compasscharters.org

The Foster and Mobile Youth Liaison shall be responsible for the following:

1. Ensure and facilitate the proper educational placement, enrollment in the Charter School, and checkout from the Charter School of Foster and Mobile Youth.
2. Ensure proper transfer of credits, records, and grades when Foster and Mobile Youth transfer to or from the Charter School.
3. When a foster youth is enrolling in the Charter School, the Foster and Mobile Youth Liaison shall contact the school last attended by the scholar, within two (2) business days, to obtain all academic and other records. The last school attended by the foster youth shall provide all required records to the new school regardless of any outstanding fees, fines, textbooks, or other items or moneys owed to the school last attended. When a foster youth is transferring to a new school, the Foster and Mobile Youth Liaison shall provide the scholar's records to the new school within two (2) business days of receiving the new school's request, regardless of any outstanding fees, fines, textbooks, or other items or moneys owed to the Charter School.

4. When required by law, notify the foster youth's attorney and the appropriate representative of the county child welfare agency at least ten (10) calendar days preceding the date of the following:
 - An expulsion hearing for a discretionary act under the Charter School's charter.
 - Any meeting to extend a suspension until an expulsion decision is rendered if the decision to recommend expulsion is a discretionary act under the Charter School's charter. The foster youth's attorney and the agency representative will be invited to participate.
 - A manifestation determination meeting prior to a change in the foster youth's placement, if the change in placement is due to an act for which the recommendation for expulsion is discretionary and the scholar is a scholar with a disability under state and federal special education laws. The foster youth's attorney and the agency representative will be invited to participate.
5. As needed, make appropriate referrals to ensure that scholars in foster care receive necessary special education services and services under Section 504 of the federal Rehabilitation Act of 1973.
6. As needed, ensure that scholars in foster care receive appropriate school-based services, such as counseling and health services, supplemental instruction, and after-school services.
7. Develop protocols and procedures for creating awareness for Charter School staff, including but not limited to coordinator, counselors, directors, enrollment team, and teachers, of the requirements for the proper enrollment, placement, and transfer of foster youth.
8. Collaborate with the county placing agency, social services, probation officers, juvenile court officers, and other appropriate agencies to help coordinate services for the Charter School's foster youth.
9. Monitor the educational progress of foster youth and provide reports to the Superintendent & CEO or designee and the Governing Board based on indicators identified in the Charter School's local control and accountability plan.
10. This Policy does not grant the Foster and Mobile Youth Liaison authority that supersedes the authority granted under state and federal law to a parent or legal guardian retaining educational rights, a responsible person appointed by the court to represent the child pursuant to Welfare and Institutions Code sections 319, 361 or 726, a surrogate parent, or a foster parent exercising authority under Education Code section 56055. The role of the Foster and Mobile Youth Liaison is advisory with respect to placement options and determination of the school of origin.

School Stability and Enrollment

The Charter School will work with foster youth and their ERH to ensure that each foster youth is placed in the least restrictive educational programs and has access to the academic resources, services, and extracurricular and enrichment activities that are available to all scholars, including, but not limited to, interscholastic sports. All decisions regarding a foster youth's education and placement will be based on the best interest of the child and shall consider, among other factors, educational stability and the opportunity to be educated in the least restrictive educational setting necessary to achieve academic progress.

Foster youth, currently migratory children, and children of military families have the right to remain in their school of origin if it is their best interest. The Charter School will immediately enroll a foster youth, a currently migratory child, or child of a military family seeking

reenrollment in the Charter School as their school of origin.

A foster youth, currently migratory child, or child of a military family who seeks to transfer to the Charter School will be immediately enrolled (subject to the Charter School's capacity, if the Charter School is not the scholar's school of origin, and pursuant to the procedures stated in the Charter School's charter and Board policy) even if the scholar has outstanding fees, fines, textbooks, or other items or monies due to the school last attended or is unable to meet normal enrollment documentation or school uniform requirements (e.g. producing medical records or academic records from a previous school). At the initial detention or placement, or any subsequent change in placement, the foster youth may continue in their school of origin for the duration of the court's jurisdiction.

A currently migratory child or child of a military family may continue in their school of origin as long as the scholar meets the definition of a currently migratory child or child of a military family as described above. Foster youth, currently migratory children, and children of military families have the right to remain in their school of origin following the termination of the court's jurisdiction or termination of the child's status as a currently migratory child or child of a military family, as follows:

1. For scholars in Kindergarten through eighth grade, inclusive, the scholar will be allowed to continue in the school of origin through the duration of the academic year in which the scholar's status changed.
2. For scholars enrolled in high school, the scholar will be allowed to continue in the school of origin through graduation.

If the foster youth, currently migratory child or child of a military family is transitioning between school grade levels, the youth shall be allowed to continue in the district of origin in the same attendance area to provide the youth the benefit of matriculating with their peers in accordance with the established feeder patterns of school districts. A scholar who is transitioning to a middle school or high school shall be allowed to enroll in the school designated for matriculation in another school district.

The Foster and Mobile Youth Liaison may, in consultation with and with the agreement of the foster youth and the ERH for the foster youth, recommend that the foster youth's right to attend the school of origin be waived and the scholar be enrolled in any district school that the scholar would otherwise be eligible to attend as a resident of the school district or in the Charter School consistent with current enrollment procedures. All decisions shall be made in accordance with the foster youth's best interests.

Prior to making any recommendation to move a foster youth from their school of origin, the Foster and Mobile Youth Liaison shall provide the foster youth and the foster youth's ERH with a written explanation of the basis for the recommendation and how the recommendation serves the foster youth's best interests.

If any dispute arises regarding a foster youth's request to remain in the Charter School as the foster youth's school of origin, the foster youth has the right to remain in the Charter School pending resolution of the dispute. The dispute shall be resolved in accordance with the existing Charter School dispute resolution process.

Transportation

The Charter School shall not be responsible for providing transportation to allow a foster youth to attend school, unless there is an agreement with a local child welfare agency that the Charter School assumes part or all of the transportation costs in accordance with Section 6312(c)(5) of Title 20 of the United States Code, or unless required by federal law. The Charter School is not prohibited from providing transportation, at its discretion, to allow a foster youth to attend school.

In accordance with Section 6312(c)(5) of Title 20 of the United States Code, the Charter School shall collaborate with local child welfare agencies to develop and implement clear written procedures to address the transportation needs of foster youth to maintain them in their school of origin, when it is in the best interest of the youth.

For any scholar who has an Individualized Education Program (“IEP”), the scholar’s IEP team will determine if the scholar requires special education transportation as a related service regardless of the scholar’s status.

Effect of Absences on Grades

The grades of a foster youth shall not be lowered for any absence from the Charter School that is due to either of the following circumstances:

1. A decision by a court or placement agency to change the scholar's placement, in which case the scholar's grades shall be calculated as of the date the scholar left school.
2. A verified court appearance or related court-ordered activity.

Transfer of Coursework and Credits

The Charter School shall accept coursework satisfactorily completed by a Foster and Mobile Youth while attending another public school**², a juvenile court school, a charter school, a school in a country other than the United States, or a nonpublic, nonsectarian school or agency even if the scholar did not complete the entire course and shall issue that scholar full or partial credit for the coursework completed.

If the Foster and Mobile Youth did not complete the entire course, the scholar shall be issued partial credit for the coursework completed and shall not be required to retake the portion of the course that the scholar completed at another school, unless the Charter School, in consultation with the scholar’s ERHS, finds that the foster youth is reasonably able to complete the requirements in time to graduate from high school. Whenever partial credit is issued to a Foster and Mobile Youth in any particular course, the scholar shall be enrolled in the same or equivalent course, if applicable, so that the scholar may continue and complete the entire course.

In no event shall the Charter School prevent a Foster and Mobile Youth from taking or retaking a course to meet the eligibility requirements for admission to the California State University or the University of California.

² For purposes of coursework completed by a scholar who is a child of a military family, “public school” includes schools operated by the United States Department of Defense.

Applicability of Graduation Requirements

To obtain a high school diploma from the Charter School, scholar must complete all courses required by the Charter School, and fulfill any additional graduation requirements prescribed by the Board.

However, Foster and Mobile Youth who transfer to the Charter School any time after the completion of their second year of high school, and scholars participating in a newcomer program who are in their third or fourth year of high school, shall be exempt from any of the Charter School's graduation requirements, that are in excess of the California minimum graduation requirements specified in Education Code section 51225.3 ("additional graduation requirements") unless the Charter School makes a finding that the scholar is reasonably able to complete the Charter School's graduation requirements by the end of the scholar's fourth year of high school. To determine whether a Foster and Mobile Youth is in their third or fourth year of high school, either the number of credits the scholar has earned to the date of transfer or the length of the scholar's school enrollment may be used, whichever will qualify the scholar for the exemption. For a pupil participating in a newcomer program, enrollment in grade 11 or 12 may be used to determine whether the scholar is in their third or fourth year of high school. Within thirty (30) calendar days of the date that a scholar who may qualify for exemption under the above requirements transfers into the Charter School, the Superintendent & CEO or designee shall notify the foster youth, the ERH, and where applicable, the foster youth's social worker or probation officer of the availability of the exemption and whether the foster youth qualifies for the exemption. If the Charter School fails to provide timely notice of the availability of the exemption, the Foster and Mobile Youth shall be eligible for the exemption from the additional graduation requirements once notified, even if that notification occurs after the termination of the court's jurisdiction over the scholar, if the foster youth otherwise qualifies for the exemption.

If a scholar in foster care is exempted from the Charter School's additional graduation requirements pursuant to this Policy and completes the statewide coursework requirements specified in Education Code section 51225.3 before the end of their fourth year of high school and that scholar would otherwise be entitled to remain in attendance at Charter School, Charter School shall not require or request that the scholar graduate before the end of their fourth year of high school.

The Superintendent & CEO or designee shall notify a Foster and Mobile Youth and their ERH if the Charter School grants an exemption from the additional graduation requirements, how any requirements that are waived will affect the foster youth's ability to gain admission to a postsecondary educational institution and shall provide information about transfer opportunities available through the California Community Colleges.

A Foster and Mobile Youth who would otherwise be entitled to remain in attendance at the Charter School shall not be required to accept the exemption from additional graduation requirements or be denied enrollment in, or the ability to complete, courses for which the scholar is otherwise eligible, including courses necessary to attend an institution of higher education, regardless of whether those courses are required for statewide graduation requirements.

If an eligible scholar is not exempted from additional graduation requirements or has previously declined the exemption pursuant to this Policy, the Charter School shall exempt the scholar at

any time if an exemption is requested by the foster youth and the foster youth qualifies for the exemption. Likewise, if the foster youth is exempted, the Charter School may not revoke the exemption.

If a Foster and Mobile Youth is exempted from additional graduation requirements pursuant to this section, the exemption shall continue to apply after the termination of the court's jurisdiction over the scholar or after the termination of circumstances which make the scholar eligible while he or she is enrolled in school or if the scholar transfers to another school, including a charter school, or school district.

The Charter School shall not require or request a Foster and Mobile Youth to transfer schools in order to qualify for an exemption from additional graduation requirements, and no Foster and Mobile Youth or any person acting on behalf of a Foster and Mobile Youth may request a transfer solely to qualify for an exemption from the Charter School's additional graduation requirements.

Upon making a finding that a Foster and Mobile Youth is reasonably able to complete the Charter School graduation requirements within the scholar's fifth year of high school, the Superintendent & CEO or designee shall:

1. Inform the scholar and the scholar's ERH of the scholar's option to remain in school for a fifth year to complete the Charter School's graduation requirements, consistent with the laws regarding continuous enrollment and satisfactory progress for Charter School scholars over age 19.
2. Inform the scholar and scholar's ERH how remaining in school for a fifth year will affect the scholar's ability to gain admission to a postsecondary educational institution.
3. Provide information to the scholar about transfer opportunities available through the California Community Colleges.
4. Upon agreement with the scholar or, if the scholar is under 18 years of age, the ERH, permit the scholar to stay in school for a fifth year to complete the Charter School's graduation requirements.

If a juvenile court youth satisfies the requirements for high school graduation while enrolled at a juvenile court school but has elected to decline the issuance of the diploma for the purpose of taking additional coursework, the Charter School will not prevent the juvenile court youth from enrolling in the Charter School and pursuing additional coursework if requested by the youth or by the youth's ERH.

Eligibility for Extracurricular Activities

A scholar who is in foster care whose residence changes pursuant to a court order or decision of a child welfare worker shall be immediately deemed to meet all residency requirements for participation in interscholastic sports or other extracurricular activities.

Waiver of Fees for Afterschool Programs

The Charter School shall not charge any scholar who the Charter School knows is currently in foster care any family fees associated with an After-School Education and Safety ("ASES") Program operated by the Charter School.

Scholar Records

When the Charter School receives a transfer request and/or scholar records request for the educational information and records of a foster youth from a new LEA, the Charter School shall provide these scholar records within five (5) business days. The Charter School shall compile the complete educational record of the scholar, including but not limited to a determination of seat time, full or partial credits earned, current classes and grades, immunization and other records, and, if applicable, a copy of the scholar's special education records including assessments, IEPs, and/or 504 plans. All requests for scholar records will be shared with the Foster and Mobile Youth Liaison, who shall be aware of the specific educational record keeping needs of Foster and Mobile Youth.

In accordance with the Charter School's Educational Records and Scholar Information Policy, under limited circumstances, the Charter School may disclose scholar records or personally identifiable information contained in those records to certain requesting parties including but not limited to a foster family agency and state and local authorities within a juvenile justice system, without parental consent.

Complaints of Noncompliance

Complaints of noncompliance with this Policy shall be governed by the Charter School's Uniform Complaint Procedures. A copy of the Uniform Complaint Policy and Procedures is included within this Policy Manual in Section 39.

2. **Personally Identifiable Information**

Personally identifiable information (“PII”) is information about a scholar that is contained in his or her education records that cannot be disclosed without compliance with the requirements of the Family Educational Rights and Privacy Act of 2001 (“FERPA”). PII includes, but is not limited to: a scholar’s name; the name of a scholar’s parent or other family member; the address of a scholar or scholar’s family; a personal identifier, such as the scholar’s Social Security number, scholar number or biometric record; other indirect identifiers, such as the scholar’s date of birth, place of birth, and mother’s maiden name; other information that, alone or in combinations, is linked or linkable to a specific scholar that would allow a reasonable person in the school community, who does not have personal knowledge of the relevant circumstances, to identify the scholar with reasonable certainty; or information requested by a person who CCS reasonably believes knows the identity of the scholar to whom the education record relates.

3. **Directory Information**

CCS may disclose the PII that it has designated as directory information, consistent with the terms of the annual notice provided by CCS pursuant to FERPA (20 U.S.C. § 1232g). CCS has designated the following information as directory information:

4. **Parent**

Parent means a parent of a scholar and includes a natural parent, a guardian, or an individual acting as a parent in the absence of a parent or a guardian.

5. **Eligible Scholar**

Eligible scholar means a scholar who has reached eighteen (18) years of age.

6. **School Official**

A school official is a person employed by CCS as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the Board of Directors of CCS. A school official also may include a volunteer for CCS or an independent contractor, consultant, or vendor of CCS or other party who performs an institutional service or function for which CCS would otherwise use its own employees and who is under the direct control of CCS with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, therapist, or provider of digital educational platforms and services; a parent or scholar volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, scholar, or other volunteer assisting another school official in performing their tasks.

7. **Legitimate Educational Interest**

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

II. DISCLOSURE OF DIRECTORY INFORMATION

At the beginning of each school year, CCS shall provide parents and eligible scholars with a notice containing the following information: 1) The type of PII it designates as directory information; 2) The parent's or eligible scholar's right to require that CCS not release "directory information" without obtaining prior written consent from the parent or eligible scholar; and 3) The period of time within which a parent or eligible scholar must notify CCS in writing of the categories of "directory information" that it may not disclose without the parent's or eligible scholar's prior written consent. CCS will continue to honor a valid request to opt out of the disclosure of a former scholar's directory information made while the former scholar was in attendance unless the scholar rescinds the opt out request.

III. ANNUAL NOTIFICATION TO PARENTS AND ELIGIBLE SCHOLARS

At the beginning of each school year, in addition to the notice required for directory information, CCS shall provide eligible scholars currently in attendance and parents of scholars currently in attendance with a notice of their rights under the FERPA. The notice shall inform the parents and eligible scholars that they have the right to:

1. Inspect and review the scholar's education records;

2. Seek amendment of the scholar's education records that the parent or eligible scholar believes to be inaccurate, misleading or otherwise in violation of the scholar's privacy rights;
3. Consent to disclosures of PII contained in the scholar's education records, except to the extent that disclosure is permitted without prior written consent pursuant to FERPA;
4. File with the U.S. Department of Education a complaint concerning alleged failures by CCS to comply with the requirements of FERPA and its promulgated regulations; and
5. Request that CCS not release scholar names, addresses and telephone listings to military recruiters or institutions of higher education without prior written parental consent.

The notice must also include the following:

1. The procedure for exercising the right to inspect and review educational records;
2. The procedure for requesting amendment of records;
3. A statement that CCS forwards education records to other agencies or institutions that have requested the records and in which the scholar seeks or intends to enroll or is already enrolled so long as the disclosure is for purposes related to the scholar's enrollment or transfer; and
4. The criteria for determining who constitutes a school official and what constitutes a legitimate educational interest.

IV. PARENTAL AND ELIGIBLE STUDENT RIGHTS RELATING TO EDUCATION RECORDS

Parents and eligible scholars have the right to review the scholar's education records. In order to do so, parents and eligible scholars shall submit a request to review education records in writing to the Superintendent & CEO. Within five (5) business days, CCS shall comply with the request.

1. Copies of Education Records

CCS will provide copies of requested documents within five (5) business days of a written request for copies. CCS may charge reasonable fees for copies it provides to parents or eligible scholars. However, no charge shall be made for furnishing (1) up to two transcripts of former scholars' records or (2) up to two verifications of various records of former scholars. The charge will not include a fee to search for or to retrieve the education records.

2. Request for Amendment to Education Records

Following the inspection and review of a scholar's education record, a parent or eligible scholar may file a written request with the Superintendent & CEO to correct or remove any information in the scholar's education record that is any of the following:

- (1) Inaccurate.
- (2) Misleading.
- (3) In violation of the privacy rights of the scholar.

CCS will respond within thirty (30) days of the receipt of the request to amend. CCS's response will be in writing and if the request for amendment is denied, CCS will set forth the reason for the denial and inform the parent or eligible scholar of their right to a hearing challenging the content of the education record.

If the Superintendent & CEO sustains any or all of the allegations, he or she must order the correction or the removal and destruction of the information. The

Superintendent & CEO or designee must then inform the parent or eligible scholar of the amendment in writing.

3. Hearing to Challenge Education Record

If CCS denies a parent or eligible scholar's request to amend an education record, the parent or eligible scholar may, within thirty (30) days of the denial, request in writing that the parent or eligible scholar be given the opportunity for a hearing to challenge the content of the scholar's education record on the grounds that the information contained in the education record is: inaccurate, misleading, or in violation of the privacy rights of the scholar.

The Superintendent & CEO or the Board Chair may convene a hearing panel to assist in making determinations regarding educational record challenges provided that the parent has given written consent to release information from the pupil's records to the members of the panel convened. The hearing panel shall consist of the following persons:

- (1) The Superintendent of a public school other than the public school at which the record is on file;
- (2) A certificated CCS employee; and
- (3) A parent appointed by the Superintendent or by the Board of Directors, depending upon who convenes the panel.

The hearing to challenge the education record shall be held within thirty (30) days of the date of the request for a hearing. Notice of the date, time and place of the hearing will be sent by CCS to the parent or eligible scholar no later than twenty (20) days before the hearing.

The hearing will be conducted by the Superintendent & CEO or designee, who shall not be required to use formal rules of evidence or procedure. The parent or eligible scholar will be given a full and fair opportunity to present evidence relevant to the issues relating to the challenge to the education record. The parent or eligible scholar may also, at their own expense, be assisted or represented by one or more individuals of their choice, including an attorney. The decision of the Superintendent & CEO or designee will be based solely on the evidence presented at the hearing and is final. Within thirty (30) days after the conclusion of the hearing, CCS's decision regarding the challenge will be made in writing and will include a summary of the evidence and the reasons for the decision.

If, as a result of the hearing, CCS decides that the information is inaccurate, misleading, or in violation of the privacy rights of the scholar, it will amend the record accordingly and inform the parent or eligible scholar of the amendment in writing.

If, as a result of the hearing, CCS decides that the information in the education record is not inaccurate, misleading, or in violation of the privacy rights of the scholar, it shall inform the parent or eligible scholar of the right to place a statement in the record commenting on the contested information in the record or

stating why they disagree with the decision of CCS, or both. If CCS places a statement by the parent or eligible scholar in the education records of a scholar, it will maintain the statement with the contested part of the record for as long as the record is maintained and disclose the statement whenever it discloses the portion of the record to which the statement relates.

V. DISCLOSURE OF EDUCATION RECORDS AND DIRECTORY INFORMATION

CCS must have a signed and dated written consent from the parent or eligible scholar before releasing any non-directory information from a scholar's education record except as provided below. The written permission must specify the records that may be disclosed, the purpose of the disclosure and the party or class of parties to whom the disclosure may be made. When disclosure is made pursuant to written permission, the parent or eligible scholar may request a copy of the disclosed records and CCS shall provide the requestor with a copy of the records disclosed upon request. Signed and dated written consent may include a record and signature in electronic form if it identifies and authenticates a particular person as the source of the electronic consent and indicates such person's approval of the information contained in the electronic consent.

CCS will only disclose PII on the condition that the receiving party not disclose the information to any party without the prior written consent of the parent or eligible scholar and that the receiving party use the information for the purposes for which the disclosure was made. This restriction does not apply to disclosures that fall within the disclosure exceptions listed below. CCS must maintain the appropriate records related to these disclosure exceptions, as described below. Except for disclosures pursuant to a warrant, judicial order or lawfully issued subpoena, or directory information or to parents or eligible scholars, CCS will inform a receiving party of the requirement that the party not disclose the information to any other party without the prior written consent of the parent or eligible scholar and that the receiving party use it for the purpose for which the disclosure was made. Note specifically that CCS will not release information to third parties for immigration-enforcement purposes, except as required by law or court order.

CCS will disclose education records, without prior written consent of the parent or eligible scholar, to the following parties:

1. School officials who have a legitimate educational interest as defined by 34 Code of Regulations ("C.F.R.") Part 99;
2. Other schools to which a scholar seeks or intends to enroll so long as the disclosure is for purposes related to the scholar's enrollment or transfer. When a scholar transfers schools, CCS will mail the original or a copy of a scholar's cumulative file to the receiving district or private school within ten (10) school days following the date the request is received from the public school or private school where the pupil intends to enroll. CCS will make a reasonable attempt to notify the parent or eligible scholar of the request for records at their last known address, unless the disclosure is initiated by the parent or eligible scholar. Additionally, CCS will give the parent or eligible scholar, upon request, a copy of the record that was disclosed and give the parent or eligible scholar, upon request, an opportunity for a hearing pursuant to Section (IV)(3) above;
3. Certain government officials listed in 20 U.S.C. § 1232g(b)(1) in order to carry out lawful functions;

4. Appropriate parties in connection with a scholar's application for, or receipt of, financial aid if it is necessary to determine eligibility, amount of aid, conditions for aid or enforcing the terms and conditions of the aid;

6. Accrediting organizations in order to carry out their accrediting functions;
7. Parents of a dependent scholar as defined in section 152 of the Internal Revenue Code of 1986;
8. Individuals or entities, in compliance with a judicial order or lawfully issued subpoena. Subject to the exceptions found in 34 C.F.R. § 99.31(a)(9)(i), reasonable effort must be made to notify the parent or eligible scholar of the order or subpoena in advance of compliance, so that the parent or eligible scholar may seek a protective order;
9. Persons who need to know in cases of health and safety emergencies;
10. State and local authorities, within a juvenile justice system, pursuant to specific State law;
11. A foster family agency with jurisdiction over a currently enrolled or former scholar, a short-term residential treatment program staff responsible for the education or case management of a scholar, and/or a caregiver (regardless of whether the caregiver has been appointed as the pupil's educational rights holder) who has direct responsibility for the care of the scholar, including a certified or licensed foster parent, an approved relative or nonrelated extended family member, or a resource family, may access the current or most recent records of grades, transcripts, attendance, discipline, and online communication on platforms established by CCS for scholar and parents, and any individualized education program ("IEP") or Section 504 plan that may have been developed or maintained by CCS; and/or
12. A victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense. The disclosure may only include the final results of the disciplinary proceedings conducted by CCS with respect to that alleged crime or offense. CCS may disclose the final results of the disciplinary proceeding, regardless of whether CCS concluded a violation was committed.

VI. RECORD KEEPING REQUIREMENTS

CCS will maintain a record of each request for access to and each disclosure of PII from the education records of each scholar for as long as the records are maintained. For each request, the record must include the following information: the parties who have requested or received the information and the legitimate interests the parties had in requesting or obtaining the information.

For disclosures of PII to institutions that make disclosures of the information on behalf of CCS in accordance with 34 C.F.R. § 99.33(b), the record must include the names of the additional parties to which the receiving party may disclose the information on behalf of CCS and the legitimate interests that each of the additional parties has in requesting or obtaining the information.

These record keeping requirements do not apply to requests from or disclosure to parents or eligible scholars, CCS officials with a legitimate purpose of inspecting the records, a party with written consent from the parent or eligible scholar, a party seeking directory information, or a party seeking or receiving the records as directed by a court order or subpoena.

The records relating to disclosures of personally identifiable scholar information may be inspected by parents and eligible scholars, CCS officials (or their assistants) responsible for the custody of the records, and parties authorized by regulations for the purpose of auditing the recordkeeping procedures of CCS.

Scholar cumulative records may not be removed from the premises of CCS, unless the individual removing the record has a legitimate educational interest, and is authorized by the Superintendent & CEO, or by a majority of a quorum of the Board of Directors at a duly agenda meeting. Employees who remove scholar cumulative records or other scholar records from the CCS premises without a legitimate educational interest and authorization may be subject to discipline. Employees are permitted to take scholar work-product, or other appropriate scholar records, off premises without authorization for legitimate academic purposes (e.g. grading work-product, assigning credit, reviewing materials for classroom discussion, etc.)

Board Policy #: 28

Adopted/Ratified: October 3, 2019

Revision Date: August 11, 2021

SECTION 28 – SCHOLAR POLICY – MATHEMATICS PLACEMENT POLICY

This Policy of the Compass Charter Schools Board of Directors (“Board”) has been adopted to establish a fair, objective, and transparent protocol for placement in mathematics courses for scholars entering 9th grade, in order to ensure the success of every scholar and to meet the Legislative intent of the California Mathematics Placement Act of 2015.

1. In determining the mathematics course placement for entering 9th grade scholars, CCS systematically takes multiple objective academic measures of scholar performance into consideration, including:
 - a. Statewide mathematics assessments, including interim and summative assessments through the California Assessment of Student Performance and Progress (“CAASPP”).
 - b. Internal assessments that are aligned to state-adopted content standards in mathematics.
 - c. Classroom assignments and grades.
 - d. Final grade in mathematics on the scholar’s official, end of the year 8th grade report card.
 - e. Results from all internal assessments, including at least one (1) placement checkpoint within the first month of the school year as described in Section 2, below.
2. CCS will provide at least one (1) placement checkpoint within the first month of the school year to ensure accurate placement and permit reevaluation of individual scholar progress. All mathematics teachers responsible for teaching 9th grade scholars will assess the mathematics placements for each 9th grade scholar assigned to the teacher’s mathematics class. The teacher’s assessment will take into consideration factors which may include, but are not limited to, the scholar’s assignments, quizzes, tests, exams, grades, participation, and any comments provided by the scholar, the scholar’s parent/legal guardian, and/or the scholar’s other teachers regarding the scholar’s mathematics placement. Based on the assessment, the teacher will then recommend that the scholar remain in the current mathematics placement or be transferred to another mathematics placement, in which case the teacher shall specify the mathematics course or level recommended for the scholar.
3. The CCS Superintendent & CEO, or designee, shall examine aggregate scholar placement data annually to ensure that scholars who are qualified to progress in mathematics courses based on their performance on objective academic measures included in Section 1 of this Policy are not held back in a disproportionate manner on the basis of their race, ethnicity, gender, or socioeconomic background. CCS shall annually report the aggregate results of this examination to the CCA Board.

4. CCS offers clear and timely recourse for each scholar and the scholar's parent or legal guardian who questions the scholar's placement, as follows:
 - a. A parent/legal guardian of any 9th grade scholar may submit a written request to the CCS Superintendent & CEO, or his or her designee, that:
 - i. Requests information regarding how the scholar's mathematics placement was determined. Within five (5) days of receipt of the written request, the CCS Superintendent & CEO or designee shall respond in writing to the parent/legal guardian's request by providing the information, including the objective academic measures that CCS relied upon in determining the scholar's mathematics placement.
 - ii. Requests that the scholar retake the internal math assessment, in which case the Superintendent & CEO or designee will attempt to facilitate the retest within two (2) weeks.
 - iii. Requests that the scholar retake the 8th grade end of course final mathematics assessment, in which case the Superintendent & CEO or designee will attempt to facilitate the retest within two (2) weeks.
 - iv. Requests reconsideration of the scholar's mathematics placement based on objective academic measures. Within five (5) school days of receipt of the written request, the CCS Superintendent & CEO or designee shall respond in writing to the parent/legal guardian's request. The Superintendent & CEO or designee and the scholar's mathematics teacher must assess the objective academic measures provided by the parent in conjunction with the objective academic measures identified in Section 1 and 2 of this Policy. Based on this assessment, the Superintendent & CEO or designee must determine whether the most appropriate mathematics placement for the scholar is the scholar's current placement or another placement, in which case the Superintendent & CEO shall specify the mathematics course or level recommended for the scholar. The Superintendent & CEO's or designee's response must provide the determination as well as the objective academic measures that the Superintendent & CEO or designee relied upon in making that determination.
 - b. Notwithstanding the foregoing, if the Superintendent & CEO or designee requires additional time to respond to a parent/legal guardian's request, the Superintendent & CEO or designee will provide a written response indicating that additional time is needed. In no event shall the Superintendent & CEO's or designee's response time exceed one (1) month.
 - c. If, after reconsideration of the scholar's mathematics placement by the Superintendent & CEO's or designee, the parent/legal guardian is dissatisfied with the scholar's mathematics placement, the parent/legal guardian may choose to sign a voluntary waiver requesting that the scholar be placed in another mathematics course against the professional recommendation of the Superintendent & CEO or designee, acknowledging and accepting responsibility for this placement.
5. CCS shall ensure that this Mathematics Placement Policy is posted on its website.
6. This Policy is adopted pursuant to the Mathematics Placement Act of 2015, enacted as Education Code Section 51224.7.

CCS will promptly and thoroughly investigate any complaint of harassment and take appropriate corrective action, if warranted.

The lack of English language skills will not be a barrier to admission or participation in CCS’s programs or activities. CCS prohibits retaliation against anyone who files a complaint or who participates in a complaint investigation.

The Charter School's Nondiscrimination Statement relevant to employees is located within CCS's Employee Handbook.

SECTION 32 – SCHOLAR POLICY – SCHOLAR SUCCESS TEAM POLICY

The Board of Directors of Compass Charter Schools (“CCS” or the “Charter School”) recognizes there are scholars who may need additional support within the classroom both academically and behaviorally.

A Scholar Study Team (“SST”) process utilizes a team of Charter School staff dedicated to identifying and supporting scholars who exhibit academic or behavioral problems by providing early systematic assistance to scholar and connect them to appropriate interventions and supports through the regular instructional setting.

An SST uses a systematic problem-solving approach to assist scholars with concerns which are interfering with success. The SST clarifies problems and concerns; develops strategies and organizes resources; provides a system for school accountability; and serves to assist and counsel the parent, teacher and scholar.

The SST process is a function of the general education program. All scholars can benefit from an SST, including but not limited to, those scholars achieving below or above grade level and scholars who have experienced emotional trauma, behavioral issues, or language issues.

Referral to an SST

A scholar may be referred to the SST process for any reason, including, but not limited to:

1. Lack of academic progress;
2. Increasing behavioral concerns;
3. Consideration for retention;
4. Attendance/truancy issues;
5. Parent concerns; and/or
6. Any other reason appearing to impact a scholar’s access to education.

Any CCS teacher, staff member, or parent/guardian who has a concern for a scholar can refer that scholar to the SST for consideration.

SST Meeting

The purpose of the SST is to discuss issues and concerns related to a scholar’s performance, identify intervention strategies which may help a scholar succeed, and monitor his or her progress to ensure learning and development. The team may suggest regular program interventions and/or support services available to all scholars. The SST may suggest and offer different supports that may include monitoring scholar progress, developing intervention plans, referring scholars to intervention services (e.g. reading or math specialists, counseling, etc.) and implementing increasing tiers of school-based intervention services, as necessary.

Anyone who is connected with the scholar can be included in the SST to provide information to share about the scholar’s strengths, concerns and strategies which have been used in the past.

These people may include, but are not limited to, teachers, coordinators, directors, parents/guardians, counselors, doctors, administration, social workers, specialists, and/or law enforcement. The meeting is designed to bring out the best in the people involved.

The CCS SST meeting steps include, but are not limited to, the following:

1. Team members introduce themselves and their roles
2. Purpose and process of the meeting are stated
3. Timekeeper is appointed
4. Strengths of the scholar are identified
5. Concerns are discussed, clarified and listed
6. Pertinent information and modifications are listed
7. Concerns are synthesized with one or two chosen for focus
8. Strategies to deal with concerns are chosen; options are brainstormed
9. Team chooses best strategies to carry into actions
10. Individuals make commitments to actions
11. Person responsible and timelines for actions are recorded
12. Formalization of an SST intervention plan
13. Follow-up meeting date is set

Follow-up after an SST

After implementation of an SST intervention plan and follow up meeting, if the scholar continues to exhibit academic and/or behavioral concerns and/or should the scholar need additional supports, the SST may discuss making revisions to the scholar's intervention plan and/or providing the scholar with additional supports, or if necessary, the SST may refer the scholar for assessment for special education services and/or a Section 504 accommodation plan as applicable.

SECTION 33 – SCHOLAR POLICY – SECTION 504: POLICY, PROCEDURES, AND PARENT RIGHTS REGARDING IDENTIFICATION, EVALUATION AND EDUCATION

A. SECTION 504 POLICY

The Board of Directors of Compass Charter Schools recognizes the need to identify and evaluate scholars with disabilities in order to provide them with a free, appropriate public education and its legal responsibility to ensure that “no qualified person with a disability shall, solely by reason of her or his disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.” This Policy and the related administrative regulations have been developed to ensure the implementation of Section 504 of the Rehabilitation Act of 1973 (“Section 504”), and its implementing regulations as amended, which pertains to public schools. The intent is to ensure that all scholars with disabilities, who are eligible under Section 504, are identified and evaluated and have access to a free, appropriate public education (“FAPE”).

Under Section 504, individuals with physical or mental impairments that substantially limits one or more major life activities, including learning, are entitled to receive regular or special education and/or related aids and services designed to meet their individual needs as adequately as the needs of nondisabled scholars are met. Major Life Activities include functions such as caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, and working, as well as the operation of a major bodily functions, including functions of the immune system, normal cell growth, digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions. Scholars may be disabled and entitled to services under Section 504 even though they are not eligible for services pursuant to the Individuals with Disabilities Education Act Improvement Act of 2004 (“IDEA”).

The Superintendent & CEO or designee shall ensure that this policy and set of procedures is implemented and followed. Whenever there is reason to believe that, because of a disability, a scholar needs regular or special education and/or related aids and services (and the scholar has not been found eligible under IDEA) that scholar will be evaluated under this policy’s corresponding procedures.

A Section 504 Team will be convened to determine the scholar’s need for regular or special education and/or related aids and services. The 504 Team will include persons knowledgeable about the Section 504 standards, the scholar’s individual needs and school history, the meaning of evaluation data, and placement options. The scholar’s parent/guardian shall be invited to participate in this 504 Team and shall receive notice of procedural safeguards guaranteed by law.

If CCS does not assess a scholar after a parent has requested an assessment, the Charter School shall provide notice of the parent’s/guardian’s procedural safeguards. CCS shall not retaliate in any way against parents/guardians or scholars who exercise any rights under the procedural safeguards and/or Section 504.

If the scholar, due to disability, is found to require regular or special education and/or related aids and services under Section 504, the Section 504 Team shall develop a 504 plan for the provision of such services to the scholar. The scholar shall be educated with nondisabled scholars to the maximum extent appropriate to the scholar's individual needs. The scholar's parent/guardian shall be provided a copy of the 504 plan and shall receive notice of procedural safeguards guaranteed by law. CCS shall periodically review the scholar's progress and placement.

CCS does not discriminate on the basis of disability or any other characteristic protected under law. CCS will implement this policy through its corresponding procedures.

B. SECTION 504 PROCEDURES

A. Definitions

1. **Academic Setting** – the regular, educational environment operated by CCS.
2. **Individual with a Disability under Section 504** – An individual who:
 - a. has a physical or mental impairment that substantially limits one or more major life activities;
 - b. has a record of such an impairment; or
 - c. is regarded as having such an impairment.
3. **Evaluation** – procedures used to determine whether a scholar has a disability as defined within these Procedures, and the nature and extent of the services that the scholar needs. The term means procedures used selectively with an individual scholar and does not include basic tests administered to, or procedures used with all scholars in a school, grade or class.
4. **504 Plan** – is a plan developed to identify and document the scholar's needs for regular or special education and related aids and services for participation in educational programs, activities, and school-sponsored events.
5. **Free Appropriate Public Education** – the provision of regular or special education and related aids and services that are designed to meet the individual needs of persons with disabilities as adequately as the needs of persons without disabilities are met.
6. **Major Life Activities** – Functions such as caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, sitting, reaching, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, interacting with others, and working. A major life activity also includes the operation of a major bodily function, including but not limited to, functions of the immune system, special sense organs and skin, normal cell growth, digestive, genitourinary, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, hemic, lymphatic, musculoskeletal, and reproductive functions.

a. Any mental or psychological disorder, such as intellectual disability, organic brain syndrome, emotional or mental illness, and specific learning disabilities.

8. **504 Coordinator** – The Special Education Program Specialist shall serve as the Charter School’s Section 504 Coordinator. The parents or guardians may request a Section 504 due process hearing from or direct any questions or concerns to the Section 504 Coordinator at (805) 413-6657.

10. **Is regarded as having an impairment** - means

a. An individual meets the requirement of 'being regarded as having such an impairment' if the individual establishes that he or she has been subjected to an action prohibited under this Act because of an actual or perceived physical or mental impairment whether or not the impairment limits or is perceived to limit a major life activity.

b. Being regarded as having an impairment shall not apply to impairments that are transitory and minor. A transitory impairment is an impairment with an actual or expected duration of 6 months or less.

B. Referral, Assessment and Evaluation Procedures

1. CCS will evaluate any scholar who, because of disability, needs or is believed to need regular or special education and/or related aids and services.

2. A scholar may be referred by anyone, including a parent/guardian, teacher, other school employee or community agency, for consideration as to whether the scholar qualifies as a scholar with disabilities under Section 504. Requests for evaluation shall be made in writing, and a copy of said request will remain in the scholar’s file regardless of the final determination. This referral should be made to the Section 504 Coordinator who will convene a 504 Team. Any requests made to another School employee will be forwarded to the Section 504 Coordinator.

3. CCS has the responsibility to ensure that scholars with disabilities are evaluated. Therefore, it is important that scholars who have or may have a disability are referred to the Section 504 Coordinator so that the assessment process is initiated.

4. The 504 Team convened by the Section 504 Coordinator will be composed of the scholar’s parents/guardians and other persons knowledgeable about the scholar (such as the scholar’s regular education teachers), the scholar’s school history, the scholar’s individual needs (such as a person knowledgeable about the scholar’s disabling condition), the meaning of evaluation data, the options for placement and services, and the legal requirements for least restrictive environment and comparable facilities.

5. The 504 Team shall promptly consider the referral and determine what assessments are needed in all suspected areas of disability to evaluate whether the scholar is a

scholar with a disability under Section 504 and what special needs the scholar may have. The decision regarding what assessments shall be undertaken shall be based on a review of the scholar's school records (including academic, social and behavioral records), any relevant medical records, and the scholar's needs. Scholars requiring assessment shall be provided appropriate assessments administered by qualified assessment specialists.

6. The 504 Team will consider the following information in its evaluation of the scholar:
 - a. Tests and other evaluation materials that have been validated for the specific purpose for which they are used and are administered by trained personnel;
 - b. Tests and other evaluation materials including those tailored to assess specific areas of educational need and not merely those which are designed to provide a single general intelligence quotient; and
 - c. Tests are selected and administered so as to best ensure that, when a test is administered to a scholar with impaired sensory, manual, or speaking skills, the test results accurately reflect the scholar's aptitude or achievement level or whatever factor the test purports to measure, rather than reflecting the scholar's impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure.)
7. The evaluation of the scholar must be sufficient for the 504 Team to accurately and completely describe:
 - a. the nature and extent of the disabilities;
 - b. the scholar's special needs
 - c. the impact upon the scholar's education
8. what regular or special education and/or related aids and services are appropriate to ensure that the scholar receives a free appropriate public education. All significant factors relating to the learning process for that scholar, including adaptive behavior and cultural and language background, must be considered. The evaluation may include, but is not limited to, classroom and playground observation, performance-based testing, academic assessment information, and data offered by the scholar's teachers and parent/guardian.
 - a. Mitigating measures cannot be considered when evaluating whether or not a scholar has a substantially limiting impairment. Mitigating measures could include medications, prosthetic devices, assistive devices, or learned behavioral or adaptive neurological modifications a scholar uses to eliminate or reduce the effects of an impairment.
9. The parents/guardians shall be given an opportunity in advance of 504 Team meetings to examine assessment results and all other relevant records.
10. If a request for evaluation is denied, the 504 Team shall inform the parents/guardians in writing of this decision and of their procedural rights as described below.

C. 504 PLAN

1. When a scholar is identified as having a disability within the meaning of Section 504, the 504 Team shall determine what, if any, services are needed to ensure that the

scholar receives a FAPE.

2. The 504 Team responsible for making the placement decision shall include the parents/guardians and other persons knowledgeable about the child, the meaning of the evaluation data, and the placement options.
3. For each identified eligible scholar, the 504 Team will develop a 504 Plan describing the scholar's disability and the regular or special education and/or related aids and services needed. The Plan will specify how the special education and/or related aids and services will be provided to the eligible scholar and by whom. The 504 Plan will also identify the person responsible for ensuring that all the components of the Plan are implemented.
4. The scholar's teacher and any other staff who are to provide services to the scholar or who are to make modifications in the classroom for the scholar shall be informed of the services or modifications necessary for the scholar and, if appropriate, provided a copy of the 504 Plan. A copy of this plan shall be kept in the scholar's cumulative file in a manner that limits access to those persons involved in the 504 process and/or the provision of services and modifications.
5. The eligible scholar shall be placed in the regular education environment unless it is demonstrated that the scholar's needs cannot be met in the regular education environment with supplementary aids and services. The scholar shall be educated with scholars who are not disabled to the maximum extent appropriate to his/her individual needs.
6. The referral, assessment, evaluation and placement process will be completed within a reasonable time. It is generally not reasonable to exceed fifty (50) school days in completing this process.
7. The parents/guardians shall be notified in writing of the final decision concerning the scholar's identification as a person with disabilities, the educational program and services to be provided, if any, and of the Section 504 procedural safeguards, as described below, including the right to an impartial hearing to challenge the decision.
8. If the 504 Team determines that the scholar has a disability but that no special services are necessary for the scholar, the 504 Plan shall reflect the identification of the scholar as a person with a disability under Section 504 and shall state the basis for the decision that no special services are presently needed.
9. The 504 Plan shall include a schedule for annual review of the scholar's needs and indicate that this review may occur more frequently at the request of the parent/guardian or school staff.
10. CCS shall immediately implement a scholar's prior 504 Plan, when a scholar enrolls at the School. Within thirty (30) days of starting school, CCS shall schedule a 504 Team meeting to review the existing 504 Plan. CCS shall request a copy of the prior 504 plan from both the prior school and the parent/guardian.

D. Review of the Scholar's Progress

1. The 504 Team shall monitor the progress of the eligible scholar and the effectiveness of the scholar's 504 Plan. According to the review schedule set out in the scholar's 504 Plan, the 504 Team shall annually determine whether the services and modifications are appropriate.
2. A reevaluation of the scholar's needs shall be conducted before any subsequent significant change in placement.

E. Procedural Safeguards

1. Parents/guardians shall be notified in writing of all decisions regarding the identification, evaluation or educational placement of scholars with disabilities or suspected disabilities. Notifications shall include a statement of their rights to:
 - Examine relevant records
 - Have an impartial hearing with an opportunity for participation by the parents/guardians and their counsel
 - Have the right to file a Uniform Complaint pursuant to school policy
 - Seek review in federal court if the parents/guardians disagree with the hearing decision.
2. Notifications shall also set forth the procedures for requesting an impartial hearing. Requests shall be made to the following:

Dawn Anglemyer | Scholar Support Coordinator
850 Hampshire Road, Suite R
Thousand Oaks, California 91361
(805) 341-1656
danglemyer@compasscharters.org

Notifications shall also advise that reimbursement for attorney's fees is available only as authorized by law.

3. The Superintendent & CEO or designee shall maintain a list of impartial hearing officers who are qualified and willing to conduct Section 504 hearings. To ensure impartiality, such officers shall not be employed by or under contract with CCS or employed by the El Dorado County Charter SELPA or the County Office of Education of the county in which the Charter School is located in any capacity other than that of hearing officer and shall not have any professional or personal involvement that would affect their impartiality or objectivity in the matter.
4. If a parent/guardian disagrees with the identification, evaluation or educational placement of a scholar with disabilities under Section 504, he/she may request a hearing to initiate due process procedures. The parent/guardian shall set forth in writing his/her request for a hearing. A request for hearing should include:

- The specific decision or action with which the parent/guardian disagrees.
 - The changes to the 504 Plan the parent/guardian seeks.
 - Any other information the parent/guardian believes is pertinent.
5. Within five (5) calendar days of receiving the parent/guardian’s request for a hearing, CCS may offer the parent/guardian an optional alternative dispute resolution process. However, the timeline for the hearing shall remain in effect unless it is extended by mutual written agreement of the parent/guardian and the Charter School. Alternative dispute resolution options include:
 - Mediation by a neutral third party.
 - Review of the 504 Plan by the Superintendent & CEO or designee.
 6. Within ten (10) calendar days of receiving the parent/guardian’s request, the Superintendent & CEO or designee shall select an impartial hearing officer. These 10 days may be extended for good cause or by mutual agreement of the parent/guardian and Superintendent & CEO.
 7. Within thirty-five (35) calendar days of the selection of the hearing officer, the due process hearing shall be conducted. These thirty-five (35) days may be extended for good cause or by mutual agreement of the parent/guardian and Superintendent & CEO.
 8. The parent/guardian and the Charter School shall be afforded the rights to:
 - Be accompanied and advised by counsel and by individuals with special knowledge or training related to the individual needs of scholars who are qualified as having a disability under Section 504.
 - Present written and oral evidence.
 - Question and cross-examine witnesses.
 - Receive written findings by the hearing officer.
 9. The hearing officer shall issue a written decision within ten (10) calendar days of the hearing.
 10. If desired, either party may seek a review of the hearing officer’s decision by a federal court. The decision shall be implemented unless the decision is stayed, modified or overturned by a court.
 11. CCS shall not retaliate in any way against parents/guardians or scholars who exercise any rights under the procedural safeguards and/or Section 504.

F. Suspension and Expulsion, Special Procedures for Scholars with Disabilities

CCS shall follow the suspension and expulsion policy and procedures as set forth in the charter. A pupil who is qualified for services under Section 504 of the Rehabilitation Act of 1973 is subject to the same grounds for disciplinary action, including suspension and expulsion, and is accorded the same due process procedures applicable to regular education pupils except when federal and state law mandates additional or different procedures. CCS will follow Section 504 and all applicable

federal and state laws when imposing any form of discipline on a pupil identified as an individual with disabilities or for whom the School has a basis of knowledge of a suspected disability or who is otherwise qualified for such services or protections in according due process to such pupils. The following procedures shall be followed when a scholar with a disability is considered for suspension or expulsion. These procedures will be updated if there is a change in the law.

1. Services During Suspension

Scholars suspended for more than ten (10) school days in a school year shall continue to receive services so as to enable the scholar to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the child's 504 Plan; and receive, as appropriate, a functional behavioral assessment (“FBA”) and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur. These services may be provided in an interim alternative educational setting.

2. Procedural Safeguards/Manifestation Determination

Within ten (10) school days of a recommendation for expulsion or any decision to change the placement of a child with a disability because of a violation of a code of scholar conduct, CCS, the parent, and relevant members of the 504 Team shall review all relevant information in the scholar's file, including the child's 504 Plan, any teacher observations, and any relevant information provided by the parents to determine:

- a. If the conduct in question was caused by, or had a direct and substantial relationship to, the child's disability; or
- b. If the conduct in question was the direct result of the local educational agency's failure to implement the 504 Plan.
- c. If CCS, the parent, and relevant members of the 504 Team determine that either of the above is applicable for the child, the conduct shall be determined to be a manifestation of the child's disability.
- d. If CCS, the parent, and relevant members of the 504 Team make the determination that the conduct was a manifestation of the child's disability, the 504 Team shall:
 - e. Conduct an FBA and implement a behavioral intervention plan (“BIP”) for such child, provided that CCS had not conducted such assessment prior to such determination before the behavior that resulted in a change in placement;
 - f. If the child has a BIP, review the BIP and modify it, as necessary, to address the behavior; and
 - g. Return the child to the placement from which the child was removed, unless the parent and CCS agree to a change of placement as part of the modification of the BIP.
- h. If CCS, the parent, and relevant members of the 504 team determine that the behavior was not a manifestation of the scholar’s disability and that the conduct in question was not a result of the failure to implement the 504 Plan, then CCS may apply the relevant disciplinary procedures to children with disabilities in the same manner and for the same duration as the procedures would be applied to scholars without disabilities.

3. Appeals

The parent/guardian of a child with a disability under a 504 Plan who disagrees with any decision regarding placement, or the manifestation determination, or if CCS believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, either party may request to utilize the appeal process outlined in the Procedural Safeguards section of these Procedures.

When an appeal relating to the placement of the scholar or the manifestation determination has been requested by either the parent or CCS, the scholar shall remain in the interim alternative educational setting pending the decision of the hearing officer in accordance with state and federal law, including 20 U.S.C. Section 1415(k) until the expiration of the forty-five (45) day time period provided for in an interim alternative educational setting, unless the parent and CCS agree otherwise.

4. Special Circumstances

CCS personnel may consider any unique circumstances on a case-by-case basis when determining whether to order a change in placement for a child with a disability who violates a code of scholar conduct.

The Superintendent & CEO or designee may remove a scholar to an interim alternative educational setting for not more than forty-five (45) days without regard to whether the behavior is determined to be a manifestation of the scholar's disability in cases where a scholar:

- a. Carries or possesses a weapon, as defined in 18 U.S.C. § 930, to or at school, on school premises, or to or at a school function;
- b. Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function; or
- c. Has inflicted serious bodily injury, as defined by 20 U.S.C. § 1415(k)(7)(D), upon a person while at school, on school premises, or at a school function.

5. Interim Alternative Educational Setting

The scholar's interim alternative educational setting shall be determined by the scholar's 504 Team.

6. Procedures for Scholars Not Yet Eligible for Special Education Services

A scholar who has not been identified as an individual with disabilities pursuant to the IDEA 2004 and who has violated CCS's disciplinary procedures may assert the procedural safeguards granted under these Procedures only if CCS had knowledge that the scholar had a disability was disabled before the behavior occurred.

CCS shall be deemed to have knowledge that the scholar had a disability if one of the following conditions exists:

- a. The parent/guardian has expressed concern in writing, or orally if the parent/guardian does not know how to write or has a disability that prevents a written statement, to CCS supervisory or administrative personnel, or to one of the child's teachers, that the scholar is in need of special education or related services.
- b. The parent has requested an evaluation of the child.

- c. The child's teacher, or other CCS personnel, has expressed specific concerns about a pattern of behavior demonstrated by the child, directly to the Director of Special Education or to other CCS supervisory personnel.
- d. If CCS knew or should have known the scholar had a disability under any of the three (3) circumstances described above, the scholar may assert any of the protections available to IDEA 2004-eligible children with disabilities, including the right to stay-put.
- e. If CCS had no basis for knowledge of the scholar's disability, it shall proceed with the proposed discipline. CCS shall conduct an expedited evaluation if requested by the parent/guardian; however, the scholar shall remain in the education placement determined by CCS pending the results of the evaluation.

CCS shall not be deemed to have knowledge of that the scholar had a disability if the parent has not allowed an evaluation, refused services, or if the scholar has been evaluated and determined to not be eligible.

The Board of Directors of Compass Charter School respects scholars' rights to express ideas and opinions, take stands, and support causes, whether controversial or not, through their speech, writing, printed materials, including the right of expression in official publications, and/or the wearing of buttons, badges and other insignia.

A. On-Campus Expression

Scholar free speech rights include, but are not limited to, the use of bulletin boards, the distribution of printed materials or petitions, the wearing of buttons, badges, and other insignia, and the right of expression in official publications, whether or not the publications or other means of expression are supported financially by the school or by use of school facilities. Scholar expression on the Charter School website and online media shall generally be afforded the same protections as print media within the Policy.

Scholar freedom of expression shall be limited only as allowed by state and federal law in order to maintain an orderly school environment and to protect the rights, health, and safety of all members of the school community. Unprotected Expression includes the following:

1. **Obscenity:** when the (1) average person applying current community standards finds the work as a whole appeals to the prurient interest, (2) the work is patently offensive, and (3) the work lacks serious literary, artistic, political, or scientific value. Examples include pornography or sexually explicit material.
2. **Defamation:** Libel (written defamation) and Slander (oral defamation), which includes but is not limited to inaccurately attributing a statement to another, either on purpose for public officials (which includes Charter School staff) or by mistake for private officials, that mischaracterizes the statement.

4. **Harassment (including sexual harassment), Intimidation and/or Bullying:** severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act. Bullying includes one or more acts committed by a scholar or group of scholars that may constitute sexual harassment, hate violence, or creates an intimidating and/or hostile educational environment, directed toward one or more

scholars that has or can be reasonably predicted to have the effect of one or more of the following: (1) placing a reasonable scholar or scholars in fear of harm to that scholar's or those scholars' person or property, (2) causing a reasonable scholar to experience a substantially detrimental effect on his or her physical or mental health, (3) causing a reasonable scholar to experience a substantial interference with his or her academic performance, (4) causing a reasonable scholar to experience a substantial interference with his or her ability to participate in or benefit from the services, activities, or privileges provided by the Charter School.

5. **Fighting Words:** words likely to cause (1) the average person to fight or (2) the creation of a clear and present danger of violence, unlawful acts in violation of lawful school regulations, or the substantial disruption of school.
6. **Vulgarity and/or Profanity:** the continual use of curse words by a scholar, even after warning.
7. **Violating Privacy:** publicizing or distributing confidential or private material without permission.

Distribution of Circulars, Un-Official Newspapers, and Other Printed Matter

Free inquiry and exchange of ideas are essential parts of a democratic education. Scholars shall be allowed to distribute circulars, leaflets, newspapers, and pictorial or other printed matter, and to circulate petitions, subject to the following specific limitations:

1. Leaflets, pictorial and other printed matter to be distributed shall be submitted to the Charter School Superintendent & CEO or designee at least one (1) school day prior to distribution. The Charter School Superintendent & CEO or designee shall review material submitted in a reasonable amount of time and shall allow the approved material to be distributed according to the time and manner established by this Policy. Any scholar may appeal the decision of the Charter School Superintendent & CEO or designee to the Board who shall render a decision within a reasonable period of time after receipt of the appeal. The appeal by the scholar must be made within five (5) school days from the time the unsatisfactory decision was rendered.
2. Distribution, free or for a fee, may take place before school, after school, and/or during lunch provided there is no substantial disruption in the school programs (as determined by the Charter School Superintendent & CEO). Distribution may not occur during instructional time and should not occur in locations that disrupt the normal flow of traffic within the school or at school entrances.
3. The manner of distribution shall be such that coercion is not used to induce scholars to accept the printed matter or to sign petitions.
4. The solicitation of signatures must not take place in instructional classes or school offices, nor be substantially disruptive to the school program (as determined by the Charter School Superintendent & CEO or designee).

The Charter School Superintendent & CEO or designee shall work with scholar government representatives in the development of these procedures. Scholar responsibilities shall be

emphasized.

Official School Publications

Scholar editors of official school publications shall be responsible for assigning and editing the news, editorial, and feature content of their publications subject to the limitations of this Policy. However, it shall be the responsibility of the journalism staff adviser(s) of scholar publications to supervise the production of the scholar staff, to maintain professional standards of English and journalism, and to maintain the provisions of this Policy.³ The journalism staff adviser(s) shall help the scholar editors judge the literary value, newsworthiness and propriety of materials submitted for publication.

There shall be no prior restraint of material prepared for official school publications except insofar as it violates this Policy. CCS officials shall have the burden of showing justification without undue delay prior to a limitation of scholar expression under Policy. If the journalism staff adviser(s) consider material submitted for publication to violate this Policy, he or she will notify the scholar without undue delay and give specific reasons why the submitted material may not be published. The scholar should be given the opportunity to modify the material or appeal the decision of the journalism staff adviser to the Charter School Superintendent & CEO.

Buttons, Badges, and Other Insignia of Symbolic Expression

Scholars shall be permitted to wear buttons, badges, armbands, and other insignia as a form of expression, subject to the prohibitions enumerated in this Policy.

Use of Bulletin Boards

Scholars will be provided with bulletin boards, upon request and subject to availability, for use in posting scholar materials on campus locations convenient to scholar use. Where feasible, the location and quantity of such bulletin boards shall be by mutual agreement of scholar government representatives and CCS administration. Posted material must be in compliance with other sections of this Policy, particularly regarding the distribution of materials and prohibited speech. Scholars may not post or distribute materials regarding the meetings of non-curricular scholar-initiated groups.

Organized Demonstrations

Scholars have the right to lawful organized on-campus demonstrations, subject to the provisions of this Policy and applicable law. Demonstrations that incite scholars to create a clear and present danger of the commission of unlawful acts on school premises or the violation of lawful school regulations, or demonstrations that substantially disrupt the orderly operation of the school are prohibited.

No organized demonstrations by school groups may take place during school hours off the school campus unless sanctioned by school authorities and supervised by a designated school authority. No individual scholar may demonstrate in the name of the Charter School or as an official school group at any time unless authorized by the Charter School to participate in the activity.

Missing school to attend an organized demonstration is not an excused absence. The Charter

³ “Official school publications” refers to material produced by scholars in the journalism, newspaper, yearbook, or writing classes and distributed to the scholar body either free or for a fee.

School will follow its Attendance Policy when determining consequences for scholars which may include but are not limited to detention, a low grade for a missed test, or receiving a truancy letter. The Charter School will follow its Suspension and Expulsion Policy when determining consequences for scholars if Charter School policy is violated.

B. Off-Campus Expression

Off-campus scholar expression, including but not limited to scholar expression on off-campus internet web sites, is generally constitutionally protected but shall be subject to discipline when such expression poses a threat to the safety of other scholars, staff, or school property, or substantially disrupts the educational program. The Charter School Superintendent & CEO or designee shall document the impact the expression had or could be expected to have on the educational program.

C. Enforcement

1. Scholars who are considering actions in the areas covered by this Policy should be informed of the possible consequences of their action under each specific circumstance. The Charter School Superintendent & CEO shall ensure that due process is followed when resolving disputes regarding scholar freedom of expression.
2. This Policy does not prohibit or prevent the CCS Governing Board from adopting otherwise valid rules and regulations relating to oral communications by scholars upon the CCS campus.
3. No CCS employee shall be dismissed, suspended, disciplined, reassigned, transferred, or otherwise retaliated against solely for acting to protect a scholar engaged in the conduct authorized under this Policy, or refusing to infringe upon conduct that is authorized under this Policy, the First Amendment to the United States Constitution, or Section 2 of Article I of the California Constitution.
4. CCS shall not make or enforce a rule subjecting a high school scholar to disciplinary sanctions solely on the basis of conduct that is speech or other communication that, when engaged in outside of the campus, is protected from governmental restriction by the First Amendment to the United States Constitution or Section 2 of Article I of the California Constitution.

D. Complaints

A scholar who feels his/her freedom of expression was unconstitutionally limited and/or limited on the basis of discrimination may file a complaint with CCS through following the Charter School's General Complaint Policies and Procedures.

Board Policy #: 36

Adopted/Ratified: October 3, 2019

SECTION 36 – SCHOLAR POLICY –SCHOLAR USE OF TECHNOLOGY POLICY

The Board of Directors of Compass Charter Schools finds that new technologies are modifying the way in which information may be accessed, communicated and transferred. Those changes also alter instruction and scholar learning. The Charter School offers scholars access to technologies that may include reimbursement of Internet access, electronic mail, and equipment, such as computers, tablets, or other multimedia hardware. By its adoption of this Policy, the Board intends that technological resources provided by the Charter School be used in a safe, responsible, and proper manner in support of the instructional program and for the advancement of scholar learning.

Educational Purpose

Use of Charter School equipment and access to the Internet via Charter School equipment and resource networks is intended to serve and pursue educational goals and purposes. Scholar use of the Internet is therefore limited to only those activities that further or enhance the delivery of education. Scholars and staff have a duty to use Charter School resources only in a manner specified in the Policy.

“Educational purpose” means classroom activities, research in academic subjects, career or professional development activities, Charter School approved personal research activities, or other purposes as defined by the Charter School from time to time.

“Inappropriate use” means a use that is inconsistent with an educational purpose or that is in clear violation of this policy and the Acceptable Use Agreement.

Notice and Use

The Charter School shall notify scholars and parents/guardians about authorized uses of Charter School computers, user obligations and responsibilities, and consequences for unauthorized use and/or unlawful activities.

Before a scholar is authorized to use the Charter School's technological resources, the scholar and his/her parent/guardian shall sign and return the Acceptable Use Agreement specifying user obligations and responsibilities. In that agreement, the scholar and his/her parent/guardian shall agree not to hold the Charter School or any Charter School staff responsible for the failure of any technology protection measures, violations of copyright restrictions, or user mistakes or negligence. They shall also agree to indemnify and hold harmless the Charter School and Charter School personnel for any damages or costs incurred.

Safety

The Charter School shall ensure that all Charter School computers with Internet access have a technology protection measure that blocks or filters Internet access to websites that have no educational purpose and/or contain visual depictions that are obscene, constitute child pornography, or that are harmful to minors. While the Charter School is able to exercise reasonable control over content created and purchased by the Charter School, it has limited

control over content accessed via the internet and no filtering system is 100% effective. Neither the Charter School nor its staff shall be responsible for the failure of any technology protection measures, violations of copyright restrictions, or user mistakes, misuse or negligence.

To reinforce these measures, the Superintendent & CEO or designee shall implement rules and procedures designed to restrict scholars' access to harmful or inappropriate matter on the Internet and to ensure that scholars do not engage in unauthorized or unlawful online activities. Staff shall monitor scholars while they are using online services and may have teacher aides, scholar aides, and volunteers assist in this monitoring.

The Superintendent & CEO or designee also shall establish regulations to address the safety and security of scholars and scholar information when using email, chat rooms, and other forms of direct electronic communication.

The Superintendent & CEO or designees shall provide age-appropriate instruction regarding safe and appropriate behavior on social networking sites, chat rooms, and other Internet services. Such instruction shall include, but not be limited to, maintaining the scholar's online reputation and ensuring their personal safety by keeping their personal information private, the dangers of posting personal information online, misrepresentation by online predators, how to report inappropriate or offensive content or threats, behaviors that constitute cyberbullying, and how to respond when subjected to cyberbullying as defined in the Charter School's charter. Scholars are expected to follow safe practices when using Charter School technology.

Scholars shall not use the Internet to perform any illegal act or to help others perform illegal acts. Illegal acts include, but are not limited to, any activities in violation of local, state, and federal law and/or accessing information designed to further criminal or dangerous activities. Such information includes, but is not limited to, information that if acted upon could cause damage, present a danger, or cause disruption to the Charter School, other scholars, or the community. Damaging, debilitating or disabling computers, computer networks or systems through the intentional or overuse of electronic distribution or the spreading of computer viruses or other harmful programs shall be prohibited. Any unauthorized online access to other computers by means of hacking into other computers, downloading hacker tools such as port scanners and password crackers designed to evade restrictions shall also be strictly prohibited.

Scholar use of Charter School computers to access social networking sites is not prohibited, but access is limited to educational purposes only. To the extent possible, the Superintendent & CEO or designee shall block access to such sites on Charter School computers with Internet access.

The Superintendent & CEO or designee shall oversee the maintenance of the Charter School's technological resources and may establish guidelines and limits on their use.

All employees shall receive a copy of this policy and the accompanying Acceptable Use Agreement describing expectations for appropriate use of the system and shall also be provided with information about the role of staff in supervising scholar use of technological resources. All employees shall comply with this policy and the Acceptable Use Agreement, in addition to any separate policies governing employee use of technology.

Scholar use of Charter School's computers, networks, and Internet services is a privilege, not a right. Compliance with the Charter School's policies and rules concerning computer use is

mandatory. Scholars who violate these policies and rules may have their computer privileges limited and may be subject to discipline, including but not limited to suspension or expulsion per school policy.

ACCEPTABLE USE AGREEMENT

The Charter School believes that providing access to technology enhances the educational experience for scholars. However, scholar use of Charter School computers, networks, and Internet services is a privilege, not a right. To make that experience successful for everyone, scholars must abide by the following terms and conditions:

1. **Security.** Scholars shall not impair the security of Charter School technology resources. Scholars are expected to:
 - a. Safeguard all personal passwords. Scholars should not share passwords with others and should change passwords frequently. Scholars are expected to notify an administrator immediately if they believe their scholar account has been compromised.
 - b. Access technology only with their account or with a shared account as directed by their teacher and not to allow others to use their account or to use the accounts of others, with or without the account owner's authorization.

2. **Authorized Use.** Scholars may use Charter School technology resources when directed by a teacher, when technology has been designated for open scholar use (e.g., computers in the library), and for other educational purposes.

3. **Protection Measures.** While the Charter School is able to exercise reasonable control over content created and purchased by the Charter School, it has limited control over content accessed via the internet and no filtering system is 100% effective. Neither the Charter School nor its staff shall be responsible for the failure of any technology protection measures, violations of copyright restrictions, or user mistakes, misuse or negligence. The scholar and parent agree not to hold the Charter School or any Charter School staff responsible for the failure of any technology protection measures, violations of copyright restrictions, or user mistakes, misuse or negligence. They also agree to indemnify and hold harmless the Charter School and Charter School personnel for any damages or costs incurred.

4. **Inappropriate Use.** Charter School technology, hardware, software and bandwidth are shared and limited resources and all users have an obligation to use those resources responsibly. Scholars are provided access to the Charter School technology primarily for educational purposes. Scholars shall not use Charter School technology or equipment for personal activities or for activities that violate Charter School policy or local law. These include but are not limited to:
 - a. Playing games or online gaming.
 - b. Downloading software, music, movies or other content in violation of licensing requirements, copyright or other intellectual property rights.
 - c. Installing software on Charter School equipment without the permission of an educational facilitator or other authorized Charter School staff person.
 - d. Downloading, viewing or sharing inappropriate content, including pornographic, defamatory or otherwise offensive material.

- e. Conducting any activity that is in violation of Charter School policy or local, state or federal law.
- f. Engaging in any activity that is harmful to other scholar(s), including the use of technology to harass, intimidate, bully or otherwise disrupt the educational process.
- g. Conducting for-profit business.
- h. Using hacking tools on the network or intentionally introducing malicious code or viruses into the Charter School's network.
- i. Using any software or proxy service to obscure either the scholar's IP address or the sites that the scholar visits.
- j. Disabling, bypassing, or attempting to disable or bypass any system monitoring, filtering or other security measures.
- k. Accessing or attempting to access material or systems on the network that the scholar is not authorized to access.

5. No Expectation of Privacy. Scholar acknowledges that computer equipment, Internet access networks, email accounts, and any other technology resources are owned by Charter School and provided to scholars for educational purposes. The Charter School may require staff to monitor and supervise all access to computer equipment, Internet access networks, and email accounts. To facilitate monitoring of activities, computer screens may be positioned so that they are visible to the staff member supervising the scholars. The Charter School reserves the right to access stored computer records and communications, files, and other data stored on Charter School equipment or sent over Charter School networks. Such communications, files, and data are not private and may be accessed during routine system maintenance; during inspection of Charter School equipment at the end of the school year/term or agree to use period; and review of individual files or monitoring of individual activity when there is a reasonable suspicion that the scholar is engaging in an inappropriate use.

6. Disruptive Activity. Scholars should not intentionally interfere with the performance of the Charter School's network or intentionally damage any Charter School technology resources.

7. Unauthorized Networks. Scholars may not create unauthorized wireless networks to access the Charter School's network. This includes establishing wireless access points, wireless routers and open networks on personal devices.

8. Consequences of Inappropriate Use. Scholars who violate this Agreement will be subject to discipline, which may include loss of access to Charter School technology resources and/or other appropriate disciplinary or legal action in accordance with the Charter School Policy and applicable laws.

9. Technology Systems/Equipment Care. Scholars are not permitted to have food or drink near computers/other technology and must keep equipment and assigned areas free of vandalism.

After reading the Scholar Use of Technology Policy and the Acceptable Use Agreement, please complete this form to indicate that you agree with the terms and conditions provided. The signature of both the scholar and parent/guardian are mandatory before access may be granted to

the technologies available. This document, which incorporates the Use Procedure, reflects the entire agreement and understanding of all parties.

As a user of Charter School technologies, I have read Scholar Use of Technology Policy and hereby agree to comply with it and the Acceptable Use Agreement.

I understand that computer use is a privilege and not a right. I understand that if I violate this policy in any way, I will be subject to a referral and possible suspension. I understand that the parent or guardian of a minor scholar shall be liable for the replacement cost for property the Charter School loaned to the scholar that the scholar fails to return or that is willfully cut, defaced or otherwise damaged, up to an amount not to exceed ten thousand dollars (\$10,000), adjusted annually for inflation. When the minor and parent are unable to pay for the damages, the Charter School will provide a program of voluntary work for the minor in lieu of the payment of monetary damages. A scholar over the age of majority shall be liable for the same. (Ed. Code 48904).

SECTION 37 - SCHOLAR POLICY – TITLE IX, HARASSMENT, INTIMIDATION, DISCRIMINATION, AND BULLYING POLICY

Discrimination, sexual harassment, harassment, intimidation, and bullying are all disruptive behaviors, which interfere with scholars' ability to learn and negatively affect scholar engagement, diminish school safety, and contribute to a hostile school environment. As such, Compass Charter Schools prohibits any acts of discrimination, sexual harassment, harassment, intimidation, and bullying altogether. This policy is inclusive of instances that occur on any area of the school campus, at school-sponsored events and activities, regardless of location, through school-owned technology, and through other electronic means.

As used in this policy, discrimination, sexual harassment, harassment, intimidation, and bullying are described as the intentional conduct, including verbal, physical, written communication or cyber-bullying, including cyber sexual bullying, based on the actual or perceived characteristics of disability, pregnancy, gender, gender identity, gender expression, nationality, ancestry, race or ethnicity, immigration and citizenship status, religion, religious affiliation, sexual orientation, childbirth or related medical conditions, marital status, age, or association with a person or group with one or more of these actual or perceived characteristics or any other basis protected by federal, state, local law, ordinance or regulation. In addition, bullying encompasses any conduct described in the definitions set forth in this Policy. Hereafter, such actions are referred to as "misconduct prohibited by this Policy."

To the extent possible, CCS will make reasonable efforts to prevent scholars from being discriminated against, harassed, intimidated, and/or bullied, and will take action to investigate, respond, address and report on such behaviors in a timely manner. CCS school staff that witness acts of misconduct prohibited by this Policy will take immediate steps to intervene when safe to do so.

Moreover, CCS will not condone or tolerate misconduct prohibited by this Policy by any employee, independent contractor or other person with which CCS does business, or any other individual, scholar, or volunteer. This Policy applies to all employees, scholars, or volunteer actions and relationships, regardless of position or gender. CCS will promptly and thoroughly investigate any complaint of such misconduct prohibited by this Policy and take appropriate corrective action, if warranted.

Revision Date:

SECTION 38 – SCHOLAR POLICY –TOBACCO-FREE SCHOOL POLICY

Ample research has demonstrated the health hazards associated with the use of tobacco products, including smoking and the breathing of secondhand smoke. Compass Charter Schools provides instructional programs designed to discourage scholars from using tobacco products. The Board recognizes that smoking and other uses of tobacco and nicotine products constitute a serious public health hazard and are inconsistent with the goals of all CCS to provide a healthy environment for scholars and staff.

CCS employees are expected to serve as models for good health practices that are consistent with these instructional programs.

In the best interest of scholars, employees, and the general public, the CCS's Board therefore prohibits the use of tobacco products at all times on CCS property and in CCS vehicles. This prohibition applies to all employees, scholars, visitors, and other persons at the Charter School or at a Charter School-sponsored activity or athletic event. It applies to any meeting on any property owned, leased, or rented by or from CCS. It also applies to any scholar while under the supervision and control of Charter School employees.

The products prohibited include any product containing tobacco or nicotine, including, but not limited to, cigarettes, cigars, little cigars, chewing tobacco, pipe tobacco, snuff, chew, clove cigarettes, betel, electronic cigarettes, electronic hookahs, and other vapor-emitting devices, with or without nicotine content, that mimic the use of tobacco products.

This Policy does not prohibit the use or possession of prescription products, nicotine patches, nicotine gum or a nicotine replacement product or cessation aids that have been approved by the United States Food and Drug Administration.

Smoking or use of any tobacco-related product or disposal of any tobacco-related waste is prohibited within 25 feet of any playground, except on a public sidewalk located within 25 feet of the playground. Smoking or use of any tobacco-related product is also prohibited within 250 feet of the youth sports event in the same park or facility where a youth sports event is taking place. In addition, any form of intimidation, threat, or retaliation against a person for attempting to enforce this Policy is prohibited.

The Superintendent & CEO or designee shall inform scholars, parents/guardians, employees, and the public about this Policy. All individuals on CCS's premises share in the responsibility of adhering to this Policy. Additionally, CCS will post signs stating "Tobacco use is prohibited" prominently at all entrances to Charter School property.

The Superintendent & CEO or designee shall maintain a list of clinics and community resources that may assist employees who wish to stop using tobacco products.

The Superintendent & CEO or designee may disseminate this information through annual written

notifications, district and school web sites, scholar handbooks, and/or other appropriate methods of communication.

Appropriate Charter School officials will monitor CCS property and facilities for compliance with this Board Policy. The Superintendent & CEO shall develop and maintain procedures to resolve grievances that may result from alleged non-compliance.

Any CCS employee or scholar who violates this Policy shall be asked to refrain from smoking and shall be subject to disciplinary action as appropriate.

Any other person who violates this Tobacco-Free Schools Policy shall be informed of this Policy and asked to refrain from smoking. If the person fails to comply with this request, the Superintendent & CEO or designee may:

1. Direct the person to leave school property.
2. Request local law enforcement assistance in removing the person from the Charter School premises.
3. If the person repeatedly violates the Tobacco-Free Schools Policy, prohibit him/her from entering Charter School property for a specified period of time.

The Superintendent & CEO or designee shall not be required to physically eject a non-employee or non-scholar who is smoking or to request that the non-employee or non-scholar refrain from smoking under circumstances involving a risk of physical harm to the Charter School or any employee.

This complaint procedure is adopted to provide a uniform system of complaint processing for the following types of complaints:

- (1) Complaints of unlawful discrimination, harassment, intimidation or bullying against any protected group, including actual or perceived discrimination, on the basis of the actual or perceived characteristics of age, ancestry, color, mental disability, physical disability, ethnic group identification, gender expression, gender identity, gender, genetic information, immigration status/citizenship, marital status, medical condition, nationality, national origin, race or ethnicity, religion, sex, or sexual orientation, or on the basis of a person's association with a person or group with one or more of these actual or perceived characteristics in any Charter School program or activity.

Unlawful discrimination, harassment, intimidation or bullying complaints shall be investigated in a manner that protects (to the greatest extent reasonably possible) the confidentiality of the parties and the integrity of the process. The Charter School cannot guarantee anonymity of the complainant. This includes keeping the identity of the complainant confidential. However, the Charter School will attempt to do so as appropriate. The Charter School may find it necessary to disclose

information regarding the complaint/complainant to the extent necessary to carry out the investigation or proceedings, as determined by the Superintendent & CEO or designee on a case-by-case basis.

The Charter School prohibits any form of retaliation against any complainant in the complaint process, including but not limited to a complainant's filing of a complaint or the reporting of instances of unlawful discrimination, harassment, intimidation or bullying. Such participation shall not in any way affect the status, grades or work assignments of the complainant.

Compliance Officer

The Board of Directors designates the following compliance officer(s) to receive and investigate complaints and to ensure the Charter School's compliance with law:

J.J. Lewis | Superintendent & CEO
850 Hampshire Road, Suite R
Thousand Oaks, California 91361
(818) 824-6233

The Superintendent & CEO or designee shall ensure that employees designated to investigate complaints are knowledgeable about the laws and programs for which they are responsible. Designated employees may have access to legal counsel as determined by the Superintendent & CEO or designee.

Should a complaint be filed against the Superintendent & CEO, the compliance officer for that case shall be the Chair of the Charter School Board of Directors.

Notifications

The Charter School shall annually provide written notification of the Charter School's uniform complaint procedures to employees, scholars, parents and/or guardians, advisory committees, private school officials, and other interested parties (e.g., Adult Education).

The annual notice shall be in English. Pursuant to Education Code Section 48985, if fifteen (15) percent or more of the pupils enrolled in the Charter School speak a single primary language other than English, this annual notice will also be provided to the parent or guardian of any such pupils in their primary language.

The Superintendent & CEO or designee shall make available copies of the Charter School's uniform complaint procedures free of charge.

The annual notice shall include the following:

- (f) A statement that copies of the local educational agency complaint procedures shall be available free of charge.

Procedures

The following procedures shall be used to address all complaints which allege that the Charter School has violated federal or state laws or regulations governing educational programs. The Compliance Officer shall maintain a record of each complaint and subsequent related actions.

All parties involved in allegations shall be notified when a complaint is filed, when a complaint meeting or hearing is scheduled, and when a decision or ruling is made.

STEP 1: FILING OF COMPLAINT

Any individual, public agency, or organization may file a written complaint of alleged noncompliance by the Charter School.

A complaint alleging unlawful discrimination, harassment, intimidation or bullying shall be initiated no later than six (6) months from the date when the alleged unlawful discrimination, harassment, intimidation or bullying occurred, or six (6) months from the date when the complainant first obtained knowledge of the facts of the alleged unlawful discrimination, harassment, intimidation or bullying. A complaint may be filed by a person who alleges that he/she personally suffered unlawful discrimination, harassment, intimidation or bullying or by a person who believes that an individual or any specific class of individuals has been subjected to unlawful discrimination, harassment, intimidation or bullying.

Pupil fee complaints shall be filed not later than one (1) year from the date the alleged violation occurred.

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and date stamp.

If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, the Charter School staff shall assist him/her in the filing of the complaint.

STEP 2: MEDIATION

Within three (3) days of receiving the complaint, the Compliance Officer may informally discuss with the complainant the possibility of using mediation. If the

complainant agrees to mediation, the Compliance Officer shall make arrangements for this process.

Before initiating the mediation of an unlawful discrimination, harassment, intimidation or bullying complaint, the Compliance Officer shall ensure that all parties agree to make the mediator a party to related confidential information.

If the mediation process does not resolve the problem within the parameters of law, the Compliance Officer shall proceed with his/her investigation of the complaint.

The use of mediation shall not extend the Charter School's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time.

STEP 3: INVESTIGATION OF COMPLAINT

The Compliance Officer is encouraged to hold an investigative meeting within five (5) days of receiving the complaint or an unsuccessful attempt to mediate the complaint. This meeting shall provide an opportunity for the complainant and/or his/her representative to repeat the complaint orally.

The complainant and/or his/her representative shall have an opportunity to present the complaint and evidence or information leading to evidence to support the allegations in the complaint.

A complainant's refusal to provide the Charter School's investigator with documents or other evidence related to the allegations in the complaint, or his/her failure or refusal to cooperate in the investigation or his/her engagement in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegation.

The Charter School's refusal to provide the investigator with access to records and/or other information related to the allegation in the complaint, or its failure or refusal to cooperate in the investigation or its engagement in any other obstruction of the investigation, may result in a finding, based on evidence collected, that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

STEP 4: RESPONSE

Unless extended by written agreement with the complainant, the Compliance Officer shall prepare and send to the complainant a final written decision of the Charter School's investigation and disposition, as described in Step 5 below, within sixty (60) days of the Charter School's receipt of the complaint.

STEP 5: FINAL WRITTEN DECISION

The Charter School's decision shall be in writing and sent to the complainant. The Charter School's decision shall be written in English and in the language of the complainant whenever feasible or as required by law.

The decision shall include:

1. The findings of fact based on evidence gathered.
2. The conclusion(s) of law.
3. Disposition of the complaint.
4. Rationale for such disposition.
5. Corrective actions, if any are warranted.
6. Notice of the complainant's right to appeal the Charter School's decision within fifteen (15) days to the CDE and procedures to be followed for initiating such an appeal.
7. For unlawful discrimination, harassment, intimidation or bullying complaints arising under state law, notice that the complainant must wait until sixty (60) days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies.
8. For unlawful discrimination, harassment, intimidation or bullying complaints arising under federal law such complaint may be made at any time to the U.S. Department of Education, Office for Civil Rights.

If an employee is disciplined as a result of the complaint, the decision shall simply state that effective action was taken and that the employee was informed of the Charter School's expectations. The report shall not give any further information as to the nature of the disciplinary action.

Appeals to the California Department of Education

If dissatisfied with the Charter School's decision, the complainant may appeal in writing to the CDE within fifteen (15) days of receiving the Charter School's decision. When appealing to the CDE, the complainant must specify the basis for the appeal of the decision and whether the facts are incorrect and/or the law has been misapplied. The appeal shall be accompanied by a copy of the locally filed complaint and a copy of the Charter School's decision.

Upon notification by the CDE that the complainant has appealed the Charter School's decision, the Superintendent & CEO or designee shall forward the following documents to the CDE:

1. A copy of the original complaint.
2. A copy of the decision.
3. A summary of the nature and extent of the investigation conducted by the Charter School, if not covered by the decision.

4. A copy of the investigation file, including but not limited to all notes, interviews, and documents submitted by all parties and gathered by the investigator.
5. A report of any action taken to resolve the complaint.
6. A copy of the Charter School's complaint procedures.
7. Other relevant information requested by the CDE.

The CDE may directly intervene in the complaint without waiting for action by the Charter School when one of the conditions listed in Title 5, California Code of Regulations, Section 4650 exists, including cases in which the Charter School has not taken action within sixty (60) days of the date the complaint was filed with the Charter School.

Civil Law Remedies

A complainant may pursue available civil law remedies outside of the Charter School's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For unlawful discrimination, harassment, intimidation or bullying complaints arising under state law, however, a complainant must wait until sixty (60) days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the Charter School has appropriately, and in a timely manner, apprised the complainant of his/her right to file a complaint in accordance with Title 5, California Code of Regulations, Section 4622.

Compass Charter Schools (“CCS” or the “Charter School”) has adopted this General Complaint Policy to address concerns about CCS generally and/or regarding specific CCS employees. For complaints regarding harassment, discrimination, unlawful tuition, or other specific perceived violations of state or federal laws, please refer to the Charter School’s Title IX, Harassment, Intimidation, Discrimination, and Bullying Policy Anti-Discrimination and/or the Charter School’s Uniform Complaint Procedures. For all other complaints, this Policy, the General Complaint Form, and accompanying procedures will be appropriate. For any questions regarding the application of this Policy or CCS’s other policies, please contact the Superintendent & CEO, J.J. Lewis, at 818-824-6233 or jlewis@compasscharters.org.

INTERNAL COMPLAINTS

(Complaints by Employees against Employees)

This section of the Policy is for use when a CCS employee raises a complaint or concern about a co-worker.

If reasonably possible, internal complaints should be resolved at the lowest possible level, including attempts to discuss/resolve concerns with the immediate supervisor. However, in the event an informal resolution may not be achieved or is not appropriate, the following steps will be followed:

1. The complainant will bring the matter to the attention of the Superintendent & CEO as soon as possible after attempts to resolve the complaint with the immediate supervisor have failed or if not appropriate. The complainant will reduce his or her complaint to writing by completing the General Complaint Form, below, indicating all known and relevant facts. The Superintendent & CEO (or designee) will then investigate the facts and provide a solution or explanation; or
2. If the complaint is about the Superintendent & CEO, the complainant may file his or her complaint using the General Complaint Form, below, to the Chair of the Board of Directors (“Board”), who will then confer with the Board and may conduct a fact-finding or authorize a third-party investigator on behalf of the Board. The Chair or investigator will report his or her findings to the Board for review and action, if necessary.

This Policy cannot guarantee that every problem will be resolved to the employee’s satisfaction. However, CCS values each employee’s ability to express concerns and the need for resolution without fear of adverse consequence to employment.

POLICY FOR COMPLAINTS GENERALLY

(General Complaints by Third Parties against CCS or CCS Employees)

This section of the Policy is for use when either a complaint does not fall under other complaint procedures or a third party (non-employee) raises a complaint or concern about CCS generally or a CCS employee.

If reasonably possible, internal complaints should be resolved at the lowest possible level, including attempts to discuss/resolve concerns with the CCS employee directly. However, in the event an informal resolution may not be achieved or is not appropriate, the following steps will be followed:

1. Complainants may file a written complaint using the General Complaint Form, below, with the office of the Superintendent & CEO as soon as possible after the events that give rise to the complainant's concerns. The written complaint should set forth in detail the factual basis for the complaint;
2. The Superintendent & CEO (or designee) shall use his or her best efforts to ascertain the facts relating to the complaint. Where applicable, the Superintendent & CEO (or designee) shall talk with the parties identified in the complaint or persons with knowledge of the particulars of the complaint to ascertain said facts; and
3. In the event that the Superintendent & CEO (or designee) finds that a complaint is valid, the Superintendent & CEO (or designee) may take appropriate action to resolve the problem. Where the complaint is against an employee of CCS, the Superintendent & CEO (or designee) may take disciplinary action against the employee. As appropriate, the Superintendent & CEO (or designee) may also simply counsel/reprimand employees as to their conduct without initiating formal disciplinary measures. The Superintendent & CEO's (or designee's) decision relating to the complaint shall be final.
4. If the complaint is about the Superintendent & CEO, the complainant may file his or her complaint in using the General Complaint Form, below, to the Chair of the Board, who will then confer with the Board and may conduct a fact-finding or authorize a third-party investigator on behalf of the Board. The Chair or investigator will report his or her findings to the Board for review and further action, if deemed necessary by the Board.

GENERAL REQUIREMENTS

Confidentiality: All complainants will be notified that information obtained from the complainants and thereafter gathered will be maintained in a manner as confidential as possible, but in some circumstances absolute confidentiality cannot be assured.

Non-Retaliation: All complainants will be advised that they will be protected against retaliation as a result of the filing of any complaints or participation in any complaint process.

Resolution: The Board, Superintendent & CEO, or designee will investigate complaints appropriately under the circumstances and pursuant to the applicable procedures, and if necessary, take appropriate remedial measures to ensure effective resolution of any complaint.

Board Policy #: 41

Adopted/Ratified: September 27, 2020

Revision Date:

SECTION 41 – SCHOLAR POLICY – DIGITAL SIGNATURE POLICY

Compass Charter Schools (the “Charter School”) has adopted this Digital Signature Policy to increase productivity and ensure convenient, timely and appropriate access to Charter School information by using digital signature technology to collect and preserve signatures on documents quickly, securely, and efficiently.

The legality and use of digital signatures are governed by 15 U.S.C. Sections 7001, *et seq.* Government Code Section 16.5; and Civil Code Sections 1633.1, *et seq.*

This Policy establishes when digital signature technology may replace a hand-written signature, with the goal of encouraging the use of paperless, electronic documents whenever appropriate and allowed by law. This Policy applies to all signatures used in processing various Charter School documents and assumes the signee has been given the authority to sign as determined by the Board of Directors.

While the use of digital signatures is suggested and encouraged, this Policy does not require the use of digital signatures, nor can the Charter School mandate that any third party signing a document use digital signatures.

This Policy applies to documents requiring a signature of any person where the signature is intended to show authorship, approval, authorization, or certification, as allowed by law. Affixing a digital signature to a document in a manner consistent with this Policy shall satisfy the Charter School’s requirements for signing a document. As used in this Policy, the term "signature" includes using initials on a document instead of a signature.

REQUIREMENTS OF A DIGITAL SIGNATURE

A digital signature means an electronic identifier, created by computer, intended by the party using it to have the same force and effect as the use of a manual signature. For purposes of this section, a digital signature is a type of “electronic signature” as defined in Civil Code Section 1633.2(h).

The use of a digital signature is permitted and shall have the same force and effect as the use of a “wet” or manual signature if all the following criteria are met:

1. The digital signature is unique to the person using it.
2. The digital signature is capable of verification.
3. The digital signature is under the sole control of the person using it.
4. The digital signature is linked to the data in such a manner that if the data is changed after the digital signature is affixed, the electronic signature is invalidated.

COMMON TYPES OF DOCUMENTS

This Policy is intended permit the use of digital signatures to the greatest extent permitted by law. Examples of common types of documents for which digital signatures are permitted include purchase orders, contracts not requiring Board approval, and certain special education notice requirements. The Charter School shall work with legal counsel to determine where applicable laws permit a digital signature to be used.

DOCUMENTS INVOLVING OTHER PARTIES

In the case of contracts or transactions which must be signed by outside parties, each party to the agreement must agree in advance to the use of a digital signature. No party to a contract or other document may be forced to accept a digital signature; they must be permitted to decide either way. Such consent may be withdrawn by the other party at any time such that future documents must be signed in hardcopy format.

When a document is digitally signed by all parties, the Charter School shall provide a copy of the digitally-signed document to the other parties in an electronic format that is capable of being retained and printed by the other parties.

STORAGE AND ARCHIVING OF DIGITALLY-SIGNED DOCUMENTS

If a document exists only electronically, steps shall be taken by the Charter School to ensure that a fixed version of the final document is stored consistent with document retention policies and any applicable law.

DIGITAL SIGNATURE SOLUTION PROVIDERS

The Charter School shall work with legal counsel to determine acceptable technologies and digital signature providers consistent with current state legal requirements and industry best practices to ensure the security and integrity of the data and the signature. An approved list of Digital Signature Certification Authorities certified by the California Secretary of State for use by public entities is maintained at the following web site. <https://www.sos.ca.gov/administration/regulations/current-regulations/technology/digital-signatures/approved-certification-authorities>⁴.

⁴ Effective 4/22/2020, the requirement for certification of digital signatures is not in effect due to emergency regulations. These emergency regulations remain in effect through 10/20/2020, or until that date is extended or the emergency regulations are made permanent by regulatory action. Therefore, at the time of the drafting of this Policy, this list is not active.

Letter from The Superintendent & CEO

Dear Scholars and Learning Coaches:

We are happy you have chosen to make Compass Charter Schools (“CCS,” “Compass,” “Charter School,” or the “School”) your school of choice. I am proud to be the Superintendent & CEO of CCS, and I am looking forward to working with our staff to provide a quality non-classroom-based independent study program to every scholar we serve. Everyone here at CCS is committed to creating a nurturing environment as we work with you to meet the learning needs of your scholar(s).

CCS Vocabulary

Like any school, CCS has its own unique culture. To help you understand part of the culture of CCS it is important you understand our use of the following key terms:

Learning Coach - Parents and guardians are known as the “Learning Coach” for their children and they are an integral part of their children’s success at CCS. Since we are an independent study school, much of the learning is facilitated by the learning coach.

Scholar - At CCS we choose to refer to each student as a “scholar.” Scholar is defined as a person who is highly educated or has an aptitude for study; a distinguished academic. We refer to students as scholars because we want to emphasize our commitment to helping every individual be academically successful.

Learning Management System (“LMS”) - is a computer program used to deliver education courses from the teacher to the scholar. It helps keep the learning organized and allow the teacher to create, adjust, and assign lessons and grades to the scholar.

Learning Period (“LP”) - The span of time between which a scholar and teacher connect to review the learning for that time period. The span of time between which work assignments begin and when they are given to the teacher for evaluation.

Student Information System (“SIS”) - The system that Compass uses to manage the data of each scholar such as attendance, grades, courses, enrollment information, etc. The system used by CCS is called School Pathways.

Western Association of Schools and Colleges (“WASC”) - A committee of educators from within the region who evaluate and approve schools for accreditation based on the organization's criterion. One of their purposes is to ensure educational best practices. University of California schools has a policy that requires all schools to be accredited in order to establish and maintain an “A-G” course list.

Charter – a written document, much like a contract, that outlines the rights and obligations of a non-profit organization, company or school. In the case of charter schools, it is often a school district who approves the charter (in compliance with state laws). The charter allows a charter school to operate with some freedoms that district schools do not have, however strong academic results and promises made in the charter must be met as part of that contract.

Board Policy Manual – a written document including all of the Charter School’s board approved policies. It can be located on our website by clicking “About Us” -> “Governance” -> “Board of Directors” -> “Board Policy Manual.”

At CCS, we work diligently to provide a high quality of support to both our scholars and their families. To that end, we are proud of the extremely positive feedback we receive from parents and scholars. As a charter school, it is important that we all work together for the future of our scholars. Compass Charter Schools of Los Angeles, Compass Charter Schools of San Diego and Compass Charter Schools of Yolo are proud to be building excellence with our district partners, Acton-Agua Dulce Unified School District, Mountain Empire Unified School District and Winters Joint Unified School District.

We have a great leadership team:

Dr. Aviva Ebner, our Assistant Superintendent & Chief Academic Officer

Online Learning Program

Mrs. Janae Smith, our Director

Mrs. Jennifer Tatum, our Online K-8 Coordinator

Mrs. Elaine Amari, our Online High School Coordinator

I encourage you to visit our website’s About Us -> *Meet Our Team* page to learn more about our terrific teachers along with great support staff who are here to help guide your educational experience at Compass Charter Schools!

Thank you again for choosing CCS. We look forward to being part of your and your scholar’s educational journey!

Forever Loud & Proud,

J.J. Lewis, M.Ed.

Pledge of Excellence

CCS signed onto the Independent Study Pledge of Excellence in 2016. Its purpose is to establish a consistent, transparent approach to responsible charter school management across all of the member schools. The Code of Conduct is a pledge to employees, families and the public that member charter schools will conduct business in an honest, legal and ethical manner.

All members adhere to the provisions of the pledge. Commitment to ethical professional conduct is the goal of these schools. The Code is intended to serve as a basis for ethical decisions in the running of these charter schools. The Pledge reads:

“Independent study in the state of California is defined as non-classroom based instruction. Non-classroom based instruction includes, but is not limited to, independent study, home study, work study, distance and computer-based education.

We the undersigned pledge to the following in the operation and management of our charter schools offering independent study:

1. As operators of high-quality public charter schools offering independent study, we stand united behind the elements of integrity, trust, quality, and value in the operation of our schools. We know that offering personalized learning options meets the scholar where they are, aligns with what they individually need, while creating an academic program that is relevant, rigorous, and aligned to 21st Century learning.
2. As operators of high-quality public charter schools offering independent study, we stand united in managing schools that are fiscally responsible in the use of public tax dollars in our care. We value the use of independent auditors that review our financial and operational activities annually and showcase reports that are exception---free. This speaks to the commitment that we hold on financial accountability and operational integrity.

3. As operators of high-quality public charter schools offering independent study, we stand united in our efforts to operate schools that model strong integrity, value and utilize solid business practices, and abide by all rules and regulations placed upon us by school districts, regional Offices of Education, and the California Department of Education.
4. As operators of high-quality public charter schools offering independent study, we stand united believing that the actions of a few rogue charter school operators do not reflect, align, or mirror anything about our programs. Having individuals or the media drawing comparisons speaks to either the fact that they don't know what we do or they are acting on rumor and innuendo in these conversations.
5. As operators of high-quality public charter schools offering independent study, we stand united in stating clearly that we are here for one purpose: educating students. Our resource centers, school sites, and classrooms are solely for the purpose of academic programming for the benefit of students in our care. Our commitment to students does not center on money, influence, or politics.
6. As operators of high-quality public charter schools offering independent study, we stand united in offering high quality programs that exist to offer innovative and tested methods of instruction and self-paced learning. We have proof by our results that we are helping students to think, communicate, and achieve.
7. As operators of high-quality public charter schools offering independent study, we stand united in following the state law in the operation of resource centers and school sites.

Our commitment to excellence is unwavering and our focus on scholars is what motivates us to create, manage, and grow public charter schools within the space of independent study.”

Description of Program

CCS is one of California's leading public charter schools serving scholars throughout the state in transitional kindergarten (“TK”), kindergarten, and grades one (1) through twelve (12). We are an independent study program. We recognize that in education one size does not fit all and have two (2) great programs to serve scholars, the Options Learning Program and the Online Learning Program. This Scholar Handbook is specific to the Online Learning Program, which serves scholars in kindergarten and grades one (1) through twelve (12). CCS is designed and organized to serve scholars and families who have chosen a unique educational setting that can meet an individual scholar’s needs.

A prospectus, including a description of the curriculum along with titles, descriptions, and instructional aims of every course offered by CCS, is available for review upon request. Please note that, pursuant to law, the Charter School may charge for the prospectus in an amount not to exceed the cost of duplication.

CCS is an academic program, and we are proud of the rich, rigorous, standards-based program we provide. Because we are a virtual school, we utilize many digital tools and platforms. For example, parent workshops, clubs, parent teacher conferences, and live, academic instruction are conducted virtually. These digital tools allow us to enhance our scholars’ learning, as well as the relationships and communication we have with them and each other. While a virtual community is important to us, we also seek to build in-person communities with a variety of enrichment events, workshops, and field trips.

Enrollment Requirements

General Requirements

- A scholar must be five (5) years of age on or before September 1st in order to be admitted to kindergarten at any time during that school year. For those young scholars who will turn five between September 2 and December 2, they can enroll in Transitional Kindergarten through the Options Learning Program. A scholar's age cannot exceed 19 years for initial enrollment unless the scholar has been continuously enrolled in a public school while 19 years of age and making satisfactory progress toward graduation; if a scholar was not attending public school at any time after his/her 19th birthday, he/she may not enroll with CCS.
- A scholar must have completed the CCS enrollment process, submitted the applicable compliance documents, and signed a Master Agreement prior to starting courses.
- In accordance with Education Code Section 51747.3, a scholar must reside within the county in which the specific CCS school of anticipated enrollment is authorized, or a contiguous county to the county in which the CCS school of anticipate enrollment is authorized.
- A scholar may only be enrolled in CCS and not concurrently enrolled in another school, public or private (unless prior permission is given for a community college).

Immunization Requirements

Pursuant to the California Health and Safety Code and the California Code of Regulations, children must provide proof of having received required immunizations (shots) before they can attend school unless they meet the requirements for an exemption. Immunization records are required for all incoming scholars. Verification of immunizations will be completed with written medical records from the child's doctor or immunization clinic. To ensure a safe learning environment for all scholars, the Charter School follows and abides by the health standards set forth by the state of California. The immunization status of all scholars will be reviewed periodically. Those scholars who do are not in compliance with State guidelines must be excluded from classroom-based instruction until the requirements are met unless otherwise exempt. Scholars who have been exposed to a communicable disease for which they have not been immunized may be excluded from classroom-based instruction at the discretion of the Charter School.

These required immunizations include:

At least one dose of pertussis-containing vaccine is required on or after the 7th birthday.</p>

Learning coaches are asked to provide proof of immunizations upon registration in order to maintain updated records. All scholars must be fully immunized in accordance with the California Health and Safety Code and the California Code of Regulations with the following exceptions:

1. Scholars who show proof of a medical exemption by a physician licensed to practice medicine in California pursuant to Health and Safety Code Section 120370;
 - Commencing January 1, 2021, the California Department of Public Health standardized medical exemption form shall be the only documentation of a medical exemption that the School shall accept.
 - On and after July 1, 2021, the School shall not unconditionally admit or readmit, or admit or advance any student to 7th grade, unless the student has been fully immunized or files a California Department of Public Health standardized medical exemption form as required by law.
 - Medical exemptions issued before January 1, 2020 will continue to remain valid until the child enrolls in the next grade span, defined below.
2. Scholars who are enrolled in a home-based private school or independent study program and do not receive any classroom-based instruction.
 - A scholar who has not received all of the required immunizations will not be eligible to attend classes at a Charter School resource center unless the student is otherwise

exempt under #1 or #3.

3. Scholars who, prior to January 1, 2016, submitted a letter or affidavit on file at a private or public elementary or secondary school in California stating beliefs opposed to immunization, and who provides said letter or affidavit to the CCS, shall be allowed to enroll at the CCS without being fully immunized until the scholar enrolls in the next grade span pursuant to Health and Safety Code Section 120335(g);
 - o "Grade span" means each of the following:
 - a. Birth to Preschool.
 - b. Kindergarten and grades 1 to 6, inclusive, including transitional kindergarten.
 - c. Grades 7 to 12, inclusive.

If there is good cause to believe that a child has been exposed to a disease listed in subdivision (b) of Section 120335 and documentary proof of immunization status does not show proof of immunization against that disease, that child may be temporarily excluded from classroom-based instruction until the local health officer is satisfied that the child is no longer at risk of developing or transmitting the disease.

CCS shall immediately admit a foster child, as defined in Education Code § 48853.5(a), and a homeless child, as defined in Section 11434a(2) of Title 42 of the United States Code, regardless of whether the foster or homeless child's immunization records are not available or are missing. However, this does not alter CCS's obligation to obtain immunization records for foster and homeless scholars or to ensure the full immunization of foster and homeless students as required by law.

This Policy does not prohibit a pupil who qualifies for an individualized education program ("IEP"), pursuant to federal law and Education Code Section 56026, from accessing any special education and related services required by the scholar's individualized education program.

Any scholar leaving the United States for a visit to any country considered by the Center of Disease Control and Prevention ("CDC") to have an increased risk of TB exposure MUST call the County Tuberculosis Clinic for a TB Screening upon return.

Oral Health Exam Requirements

California law states your scholar must have an oral health assessment by May 31 of their kindergarten year or, if the scholar was not previously enrolled in kindergarten in a public school, their first-grade year. A California licensed dental professional operating within their scope of practice must perform the check-up and fill out our oral health assessment form. If your scholar had a dental check-up in the 12 months before they started school, ask your dentist to fill out the oral health assessment form required for enrollment. If you are unable to get a dental check-up for your scholar, a waiver is available upon request.

Diabetes

The Charter School will provide an information sheet regarding type 2 diabetes to the parent or guardian of incoming 7th grade scholars, pursuant to Education Code Section 49452.7. The information sheet shall include, but shall not be limited to, all of the following:

- A description of type 2 diabetes.
- A description of the risk factors and warning signs associated with type 2

- diabetes.
- A recommendation that scholars displaying or possibly suffering from risk factors or warning signs associated with type 2 diabetes should be screened for type 2 diabetes.
- A description of treatments and prevention of methods of type 2 diabetes.
- A description of the different types of diabetes screening tests available.

A copy of the information sheet regarding type 2 diabetes is available at:

<https://www.cde.ca.gov/ls/he/hn/type2diabetes.asp>.

Physical Examinations and Right to Refuse

All pupils must complete a health screening examination on or before the 90th day after the pupil's entrance into first grade or such pupils must have obtained a waiver pursuant to Health and Safety Code Sections 124040 and 124085. This examination can be obtained from your family physician or possibly through the services provided by your County Health Department. Information and forms are distributed to scholars enrolled in kindergarten, or a California public school for the first time. If your child's medical status changes, please provide the teacher with a physician's written verification of the medical issue, especially if it impacts in any way your child's ability to perform schoolwork.

A parent/guardian having control or charge of any child enrolled in CCS may file annually with the Superintendent & CEO a written and signed statement stating that the parent/guardian will not consent to a physical examination of the child. Thereupon the child shall be exempt from any physical examination, but whenever there is a good reason to believe that the child is suffering from a recognized contagious or infectious disease, the child shall be sent home and shall not be permitted to return for classroom-based instruction until the school authorities are satisfied that any contagious or infectious disease does not exist.

California Healthy Kids Survey

The Charter School will administer the California Healthy Kids Survey ("CHKS") to scholars in grades 5, 7, 9, and 11 whose parent or guardian provides written permission. California Education Code sections 51513 and 51938(c) specify that parent or guardian consent be granted before scholars are given questionnaires or surveys asking about personal beliefs or practices that include health behavior and risks. There are two (2) kinds of parent or guardian consent: passive and active.

- Active Consent requires that a parent or legal guardian be notified in writing and gives written permission for the scholar to participate in the survey. Active consent is required of the fifth grade CHKS survey.
- Passive Consent requires that a parent or legal guardian be notified in writing about the survey and is given the opportunity to review the survey. Parents need to notify the school if they do not want their child to participate in the survey. Passive consent is required for CHKS survey administered to scholars in grades seven through twelve.

The CHKS is an anonymous, confidential survey of school climate and safety, scholar wellness, and youth resiliency that enables the Charter School to collect and analyze data regarding local youth health risks and behaviors, school connectedness, school climate, protective factors, and school violence.

Mental Health Services

CCS recognizes that unidentified and unaddressed mental health challenges can lead to poor academic performance, increased likelihood of suspension and expulsion, chronic absenteeism, scholar attrition, homelessness, incarceration, and/or violence. Access to mental health services at CCS and in our community is not only critical to improving the physical and emotional safety of scholars, but it also helps address barriers to learning and provides support so that all scholars can achieve success in school and life. The following resources are available to your scholar:

Available through CCS:

- **School-based counseling services** – your scholar is encouraged to directly connect with their school counselor. Our team of school counselors are trained and qualified to provide education, prevention, intervention and referral services to scholars and their families. Each counselor works directly with scholars in various capacities to foster positive growth while also offering support to learning coaches with managing emotions, coping with crises, overcoming barriers to learning, as well as, providing relevant academic, college career readiness, and social emotional development. Although our school counselors do not provide long-term mental health therapy, we do provide a comprehensive school counseling program designed to meet the equitable needs of all scholars.
- **Special education services** – if you believe your child may have a disability, you are encouraged to directly contact the Special Education Department at (855) 937-4227 to request an evaluation.

Available in the Community:

- Community resources are listed on the school website under Counseling Services.

Available Nationally:

- National Suicide Prevention Hotline - This organization provides confidential support for adults and youth in distress, including prevention and crisis resources. Available 24 hours at (800) 273-8255.
- Crisis Text Line - Text HOME to 741741- Crisis Text Line fields messages about suicidal thoughts, abuse, sexual assault, depression, anxiety, bullying and more.
- The Trevor Project - This organization provides suicide prevention and crisis intervention for LGBTQ youth between the ages of 13 and 24. Available at (866) 488-7386 or visit <https://www.thetrevorproject.org/>.
- Big Brothers/Big Sisters of America – This organization is a community- based mentorship program. Community-specific program information can be found online at <https://www.bbbs.org> or by calling (813) 720-8778.

Human Trafficking Prevention

California has the highest number of incidents of human trafficking in the U.S., and all scholars may be vulnerable. CCS believes it is a priority to inform our scholars about (1) prevalence, nature of and strategies to reduce the risk of human trafficking, techniques to set healthy boundaries, and how to

safely seek assistance, and (2) how social media and mobile device applications are used for human trafficking.

In accordance with the California Healthy Youth Act, CCS will provide age-appropriate instruction on the prevention of human trafficking, including sexual abuse, assault, and harassment. You have the right to excuse your child from all or part of the instruction on the prevention of human trafficking. In accordance with the California Healthy Youth Act, CCS will provide age-appropriate instruction on the prevention of human trafficking, including sexual abuse, assault, and harassment. You have the right to excuse your child from all or part of instruction on prevention of human trafficking. If you choose to opt out your child from all or part of the instruction, send an email to your scholar's supervising teacher stating so. Your consent for this instruction is NOT required. If we do not receive a written request to excuse your child, your child will be included in the instruction.

Information and materials for parents/guardians about the curriculum and resources on prevention of human trafficking and abuse, including sexual abuse, assault, and harassment are available on CCS's website for your review.

Tobacco-Free Schools

Ample research has demonstrated the health hazards associated with the use of tobacco products, including smoking and the breathing of secondhand smoke. Charter School provides instructional programs designed to discourage scholars from using tobacco products. The Charter School's Governing Board recognizes that smoking and other uses of tobacco and nicotine products constitute a serious public health hazard and are inconsistent with the goals of all Charter Schools to provide a healthy environment for scholars and staff.

In the best interest of scholars, employees, and the general public, the Board therefore prohibits the use of tobacco products at all times on Charter School property and in Charter School vehicles. This prohibition applies to all employees, scholars, visitors, and other persons at school or at a school-sponsored activity or athletic event. It applies to any meeting on any property owned, leased, or rented by or from Charter School.

Smoking or use of any tobacco-related product or disposal of any tobacco-related waste is prohibited within 25 feet of any playground, except on a public sidewalk located within 25 feet of the playground. Smoking or use of any tobacco-related product is also prohibited within 250 feet of the youth sports event in the same park or facility where a youth sports event is taking place. In addition, any form of intimidation, threat, or retaliation against a person for attempting to enforce this policy is prohibited.

The Superintendent & CEO or designee shall inform scholars, parents/guardians, employees, and the public about this policy. All individuals on Charter School premises share in the responsibility of adhering to this policy. Additionally, Charter School will post signs stating "Tobacco use is prohibited" prominently at all entrances to school property. A copy of the complete Policy is available upon request at the Central Office and on the School's website within the Board Policy Manual.

Surveys About Personal Beliefs

Unless you, the parent or guardian, give written permission, your child will not be given any test, questionnaire, survey, or examination containing any questions about your child's, or their parents' or guardians' personal beliefs or practices in sex, family life, morality, or religion.

Free and Reduced-Price Meals

Pursuant to California Law, CCS will provide each scholar who meets federal eligibility criteria for free or reduced-price meals with at least one (1) free or reduced-price, nutritionally adequate meal per each school day on which the eligible scholar is scheduled for two (2) or more hours of educational activities at a school site, resource center, meeting space or other satellite facility operated by CCS. Applications for free or reduced-price meals are included in the enrollment and re-enrollment process. All families are encouraged to complete the application form in order to include as many eligible students as possible. Completed application forms can be returned to the Central Office.

The Charter School also maintains a School Wellness Policy pursuant to state and federal requirements. A copy of the complete Policy is available upon request at the main office and on the school website within the CCS Board Policy Manual.

Income and Household Size Survey

Public schools may qualify for several federal and state grants based on annual population demographics. By completing this survey during the enrollment and re-enrollment process families can help the Charter School attain additional resources necessary to serve all scholars. Generally, schools with families that have eligible incomes based on the free and reduced lunch qualifiers may support these additional grants. Please note, funding determinations are based upon the total number of scholars that qualify. The information submitted in this survey is a confidential educational record and therefore protected by all relevant federal and state privacy laws that pertain to educational records including, without limitation, the Family Educational Rights and Privacy Act of 1974 (FERPA), as amended (20 U.S.C. § 1232g; 34 CFR Part 99); Title 2, Division 4, Part 27, Chapter 6.5 of the California Education Code, beginning at Section 49060 et seq.; the California Information Practices Act (California Civil Code Section 1798 et seq.) and Article 1, Section 1 of the California Constitution.

School Safety Plan

The Charter School has established a Comprehensive School Safety Plan. The Plan is available upon request at the Central Office and on the school website within the CCS Board Policy Manual.

Pregnant and Parenting Scholars

The Charter School recognizes that pregnant and parenting pupils are entitled to accommodations that provide them with the opportunity to succeed academically while protecting their health and the health

of their children. A pregnant or parenting pupil is entitled to eight (8) weeks of parental leave, or more if deemed medically necessary by the pupil's physician, which the pupil may take before the birth of the pupil's infant if there is a medical necessity and after childbirth during the school year in which the birth takes place, inclusive of any mandatory summer instruction, in order to protect the health of the pupil who gives or expects to give birth and the infant, and to allow the pregnant or parenting pupil to care for and bond with the infant. The Charter School will ensure that absences from the pupil's regular school program are excused until the pupil is able to return to the regular school program or an alternative school program.

Upon return to school after taking parental leave, a pregnant or parenting pupil will be able to make up work missed during the pregnant or parenting scholar's leave, including, but not limited to, makeup work plans and re-enrollment in courses. Notwithstanding any other law, a pregnant or parenting pupil may remain enrolled for a fifth year of instruction in the Charter School if it is necessary in order for the pupil to be able to complete any graduation requirements, unless the Charter School determines that the pupil is reasonably able to complete the graduation requirements in time to graduate from high school by the end of the pupil's fourth year of high school.

Complaints of noncompliance with laws relating to pregnant or parenting pupils may be filed under the Uniform Complaint Procedures ("UCP") of the Charter School. The complaint may be filed in writing with the compliance officer:

J.J. Lewis | Superintendent & CEO
 850 Hampshire Road, Suite R
 Thousand Oaks, California 91361
 (818) 824-6233
jlewis@compasscharters.org

A copy of the UCP is available upon request at the Central Office and on the school website within the CCS Board Policy Manual. For further information on any part of the complaint procedures, including filing a complaint or requesting a copy of the complaint procedures, please contact the Superintendent & CEO.

Master Agreement

To attend CCS, each scholar, Parent/Legal Guardian, and supervising teacher shall sign a Master Agreement ("MA") following a meeting with ST prior to the first day of courses each school year. This is a legal document and must be signed, dated, and returned to CCS. No scholar or Learning Coach will have access to the curriculum until the MA is signed and returned. Failure to sign and return an MA within the first three (3) days of starting courses will result in a mandatory meeting with the Superintendent & CEO or designee. The signed MA is the agreement that the scholar and Learning Coach sign to demonstrate their intention to continue enrollment in CCS. All scholars enrolled in CCS must sign a new Master Agreement each school year.

An addendum or updated MA must be submitted if changes are made in courses, supervising teacher, or grade level during the school year. This document also requires that each scholar, Parent/Legal Guardian, and supervising teacher sign thus approving the changes.

Teacher Qualification Information

As the Charter School receives Title I federal funds through the Elementary and Secondary Education Act (“ESEA”), as reauthorized and amended by the Every Student Succeeds Act (“ESSA”), all parents or guardians may request information regarding the professional qualifications of classroom teachers and/or paraprofessionals, including at a minimum:

1. Whether the student’s teacher:
 - a. Has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
 - b. Is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and
 - c. Is teaching in the field of discipline of the certification of the teacher; and
2. Whether the child is provided services by paraprofessionals and, if so, their qualifications.

Upon request, the Charter School will provide the information to the parents/guardians in a timely manner. Parents/guardians may contact the Superintendent & CEO at (855) 937-4227 info@compasscharters.org to obtain this information.

Internet Service

Participation in CCS requires an Internet connection. Basic Internet service is available free of charge for all enrolled scholars who wish to utilize it. Learning Coaches who wish to request Internet service reimbursement will need to fill out the appropriate forms which are available on the school website. Alternatively, a Learning Coach may opt to independently purchase an internet connection. An internet connection is required because the nature of the CCS program requires that scholars and Learning Coaches and scholars log onto the online school each day to receive curriculum, lesson plans, school communications, and other necessary resources, as well as to log attendance and submit assignments.

Internet Safety Policy

It is the policy of CCS to: (a) prevent user access over its computer network to, or transmission of, inappropriate material via Internet, electronic mail, or other forms of direct electronic communications; (b) prevent unauthorized access and other unlawful online activity; (c) prevent unauthorized online disclosure, use, or dissemination of personal identification information of minors; and (d) comply with the Children’s Internet Protection Act. The complete CCS scholar Student Use of Technology Policy is available at the Central Office and on the school website within the CCS Board Policy Manual.

Computers

CCS has computers available for loan free of charge to all Learning Coaches seeking a computer for their scholar(s)’s use during the school year. Learning Coaches who wish to borrow a computer from CCS will need to fill out the appropriate forms which are available on the school website. All requests for loaner computers shall be honored. Faculty, staff, or other scholars shall not be notified that a scholar is using a loaner computer unless such disclosure is necessary for maintenance and asset management. Learning Coaches will be expected to monitor their scholar’s use of the loaned computer to ensure appropriate

use for educational purposes. Please be advised that the computer remains school property and there is no reasonable expectation of privacy. When a scholar graduates or disenrolls from CCS, the loaner computer (and all other school property) must be returned.

Grade Level Placement Policy

Grade Level Placement Policy

A scholar's grade level is determined upon initial enrollment and is written on the Master Agreement.

K - 8th Grade

- Incoming scholars will be placed at their age-appropriate grade level, but not below or above grade level, unless the previous school has officially approved a retention or promotion.
- If the grade level placement the learning coach desires differs from that indicated in the prospective assignment, the situation must be discussed with the Director of Online learning prior to making the change on the Master Agreement. The Director will make a recommendation for the Superintendent & CEO or designee who shall make the final decision.

Middle School (6th-8th Grade)

An incoming 6-8th grade scholar must provide the most recent report card and current progress report, if enrolling during the school year, in order to determine appropriate placement. Failure to do so does not delay enrollment, but will delay the appropriate placement of the scholar into courses. If a scholar has not attended school for an entire academic year or more, appropriate placement will be reviewed by the Director of Online Learning and Director of Counseling Services. Scholars may be required to take assessments to determine appropriate placement.

High School (9th-12th Grade)

An incoming 9-12th grade scholar must provide official transcripts, the most recent report card, and current progress report (if enrolling during the school year), in order to determine appropriate placement. Failure to do so does not delay enrollment, but will delay the appropriate placement of the scholar into courses.

Upon enrollment, high school scholars will be placed into courses according to the credits the scholar has earned at previous schools and takes into account appropriate course level sequencing in order to meet graduation requirements.

Policy on Promotion and Retention

Policy on Promotion and Retention

Promotion to the next grade level is dependent upon the grades earned. Scholars must pass a minimal number of core curriculum courses (i.e. mathematics, science, social science, and language arts) and successfully complete any prescribed school year academic instructional support programs. Scholars who are at risk of retention will be provided with programs of supplemental instruction during the school year. Scholars who do not make satisfactory progress each year are at risk of being retained.

For scholars qualified under the Individuals with Disabilities Education Act (“IDEA”), any decisions regarding retention or promotion will be made by the Individualized Education Program (“IEP”) team in an IEP meeting. For scholars with a Section 504 Plan, any decisions will be made by the Section 504 team in a 504 meeting.

If a parent/guardian is initiating a request for a retention consultation, such a request must be made in writing to the scholar’s supervising teacher and the program Director.

The complete CCS scholar Promotion and Retention Policy is available at the Central Office or on the school website within the CCS Board Policy Manual.

Benchmark Testing

All scholars will be required to take a benchmark assessment in math and reading in order to determine a baseline of proficiency levels at the beginning of the school year. They will be assessed again at the start of the second semester, and again at the end of the school year. Pursuant to CCS’s Independent Study Board Policy, scholars are required to participate in benchmark assessments, as detailed in the Master Agreement, in order to determine satisfactory educational progress. If a scholar fails to or declines to participate in benchmark assessments, this will trigger CCS to conduct an evaluation to determine whether it is in the best interests of the scholar to remain in independent study.

If the scholar has not attended school for an entire academic year or more, appropriate placement will be reviewed by the Director of Counseling Services, Coordinator, and Director of Online Learning. Scholars may be required to take additional assessments to determine appropriate placement.

- Work in partnership with CCS teachers and counselors to support the scholar.
- Ensure school property is treated with respect.
- Support the scholar in attending state-mandated testing.
- Establish "rewards" and "consequences" for meeting or not meeting expectations. Setting and reaching goals and then celebrating those goals can motivate scholars toward success.
- Participate in parent/Learning Coach conferences in both the fall and spring semesters with scholars' teachers.

Virtual Classroom and Session Expectations

CCS will follow discipline procedures, including suspension and expulsion procedures, in accordance with the CCS charter and the Charter School policy as it pertains to violations to any of the following expectations:

- Login using CCS email address for virtual sessions held via Zoom
- Respect opinions and privacy of others during web-based discussions.
- Refrain from posting anonymous messages unless authorized by the teacher.
- Use only your own username and password, and do not share these with anyone.
- Do not post personal information including: Phone number, YouTube, Facebook, etc.
- Do not download, transmit or post material that is intended for personal gain or profit.

- Do not upload or post any software on CCS instructional computing resources that are not specifically required for your assignments and approved by your teacher.
- Do not post any audio, video, or other non-instructional files to any CCS server.
- Avoid using sarcasm, jargon, and slang, and never use derogatory or foul language.
- Limit use of communications expressed in all capital letters, as this can be considered yelling.
- Do not broadcast online discussions, and never reveal other people's email addresses.

A copy of the Charter School’s full Suspension and Expulsion Policy is available on the Charter School website or at the Central Office, as well as within this Handbook.

Attendance

Attendance is important for the success of a scholar. If a scholar does not attend school, then a scholar cannot succeed in their courses. Attendance at an online school looks very different than that at a brick and mortar school.

Independent study attendance credit is based upon the scholar’s daily engagement in instructional activities required by the school (assignments) on days that school is in session (Monday through Friday, non-holidays) and further determined based upon the time value of the scholar’s work product, judged at the discretion of the supervising credentialed teacher. A copy of the Charter School’s full Independent Study Policy is available on the School website within the CCS Board Policy Manual or at the Central Office.

Activity Logs

The Learning Coach and scholar must ensure that activity logs are accurate, marking activity each day in the relevant subject areas. Activities may include virtual course sessions, outside course sessions, lessons at home, field trips, etc. This log is a mandatory requirement and must be updated and signed each Learning Period.

Blanks on the activity log from lack of educational activity for the day are considered unexcused absences.

Work Sample Requirements

In order for attendance credit to be given, representative work samples must be emailed to the teacher when requested and in accordance with the frequency, time, and manner specified in the Independent Study Board Policy and the applicable provisions of the Master Agreement. Work samples need to be submitted to the assigned supervising teacher each learning period.

If the teacher requires further or alternate samples to determine attendance or grades, those must be provided within three (3) days of the request.

Teachers will give scholars due dates and the quantity and descriptions of work samples that should be submitted in accordance with the Independent Study Board Policy.

It is essential that these work samples are submitted on time. Failure to do so can result in academic or disciplinary sanctions.

Virtual Classroom Attendance “Learning Labs”

All CCS teachers provide live, Learning Labs each week within each content area and/or grade level. The sessions allow scholars to interact with their teachers and be instructed in real time. All scholars are expected to participate in the Learning Lab sessions for each of their courses.

Q&A Sessions/Office Hours

The remaining days of web-based instruction hosted by teachers are “office hours” or Q&A sessions. Teachers host regularly scheduled Q&A sessions each week where scholars can receive tutoring and assistance on coursework in real time. Scholars are also encouraged to schedule appointments outside of the scheduled Q&A if the teacher’s schedule does not work with theirs or if they need additional support.

Animal Dissections

Scholars at the Charter School may perform animal dissections as part of the science curriculum. Any scholar who provides his or her teacher with a written statement, signed by his or her parent/guardian, specifying the scholar’s moral objection to dissecting or otherwise harming or destroying animals, or any parts thereof, may be excused from such activities if the teacher believes that an adequate alternative education project is possible. The alternative education project shall require a comparable time and effort investment by the scholar. It shall not, as a means of penalizing the scholar, be more arduous than the original education project. The scholar shall not be discriminated against based upon his or her moral objection to dissecting or otherwise harming or destroying animals, or any parts thereof.

Missed Assignments/Truancy

As per the independent study policy, after five [5] missed assignments, in five [5] school days, the scholar will be considered truant and an evaluation will be conducted by CCS to determine whether it is in the best interest of the pupil to remain in independent study. Similarly, if the ST determines that satisfactory educational progress is not being made, the ST shall notify the scholar and learning coach and conduct an evaluation pursuant to the Independent Study Policy to determine whether it is in the best interest of the scholar to remain in the program.

The Learning Coach is expected to check the Learning Management System (“LMS”) account daily to ensure the scholar is logging in daily and progressing through courses at an appropriate pace. Additionally, the Learning Coach must ensure their scholar is submitting work, as specified on the pacing guide. Work should be turned in consistently throughout the program or the scholar may get too far behind and not be able to pass their course.

Parent/Teacher Conferences

Learning Coaches and scholars will plan to attend Parent/Teacher Conferences (“PTCs”) each semester with the supervising teacher to create scholar goals to ensure scholar success. Learning Coaches, scholars, and supervising teachers will monitor goal progress throughout the semester.

Teachers are available to conference with Learning Coaches and scholars in addition to these formal PTCs throughout the semester and school year by request.

State Standardized Tests

As attendees of a public charter school, our scholars participate in the following state standardized tests:

- Grade 5, 8, 11 and 12 - California Science Test (“CAST”). Grade 12 scholars will take the CAST if they have not previously taken it.
- Grades 3-8, and 11 - SBAC Testing (aka California Assessment of Student Performance and Progress: “CAASPP”) - ELA and math
- Grade 5, 7, 9 - Physical Fitness Test (“PFT”)
- English Language Learners: English Language Proficiency Assessments for California (“ELPAC”)

These examinations provide CCS with information for evaluation and future planning. These exams also indicate CCS’s effectiveness in carrying out its educational mission. Participation rates are critical to the success of our school. According to recent changes promulgated by the Every Student Succeeds Act (“ESSA”), signed into law in December 2015, a public school is required to achieve a participation rate of 95% on any state testing. If a school has less than 95% of its scholars participate in any assessment, the school receives a serious penalty by the state of California or federal government.

CCS administers all state standardized tests at sites geographically placed among our scholar locations. A testing schedule will be provided to our Learning Coaches. Individual scholar performance results on statewide assessments will be distributed to both Learning Coaches and teachers in a timely manner once released from the state. For more information on Testing & Accountability, visit the California Department of Education (“CDE”)’s web page at <http://www.cde.ca.gov/ta/>. Notwithstanding any other provision of law, a Learning Coach’s written request to CCS officials to excuse their scholar from any or all parts of the CAASPP assessments, including CAST, shall be granted.

Tests Proctored by Agencies Other Than CCS

Advanced Placement (“AP”)

A program offering college-level curricula and examinations to high school scholars. American colleges and universities often grant placement and course credit to scholars who obtain high scores (typically scores of 3 or better) on the examinations. The AP curriculum for each of the various subjects is created for the College Board by a panel of experts and college-level educators in that field of study. For questions on AP testing, registration and locations please speak with the AP Coordinator.

Preliminary Scholastic Aptitude Test (“PSAT”/”NMSQT”)

A shorter version of the SAT and is usually taken in the junior year as practice for the SAT and is used to determine National Merit Scholars. This exam is only administered in October. For questions on PSAT testing, registration, fee waivers and locations please contact the College & Career Readiness Counselor.

Scholastic Aptitude Test (“SAT”)

A nationwide test used by most institutions to help determine college and university admission eligibility. The SAT is offered and administered by the College Board. It is the scholar’s responsibility to register and pay for this test. The test may be taken more than once. There are several different test dates between August and June. Scholars are encouraged to take the SAT as early as May or June of their junior year. Apply online at www.collegeboard.com. For questions on SAT testing, registration, fee waivers and locations please contact the College & Career Readiness Counselor.

SAT Subject Tests

Tests administered by the College Board, in specific subjects. Scholars should consult specific college catalogs to find out if the subject tests are necessary for admission. There are several test dates between August and June. Apply online at www.collegeboard.com. For questions on SAT Subject testing, registration, fee waivers and locations please contact the College & Career Readiness Counselor.

American College Test (“ACT”)

A nationwide test used by most institutions to help determine college and university admission eligibility. The ACT test content consists of English, math, reading, and science. There is also a writing test. Many colleges require the writing portion to be completed. There are several dates between September and July (different dates than the SAT). Scholars may take the test more than once. Apply online at www.actstudent.org. For questions on ACT testing, registration, fee waivers and locations please contact the College & Career Readiness Counselor.

Contact Information & Communication Procedures

Methods of Communication

Reliable contact information is required for all Learning Coaches and for scholars.

Email Expectations

- For the protection and safety of our staff and scholars, all scholars must use their school-issued CCS scholar email for all communication, access to live sessions via Zoom, CCS online platforms such as Google Classroom, virtual workshops, engagement events, and more.
- We request that scholars (6-12th) and learning coaches use separate email addresses for email communication. The CCS issued email address is to be the primary email for all scholar communications (including 6-12). Learning coaches will need to use their own email addresses for email communication and cannot use the scholar’s email address to communicate.
- All scholars are expected to communicate respectfully with school staff and peers through all methods of communication by using appropriate language. Failure to do so may result in disciplinary action.
- Scholars are expected to reply to communication from school personnel within 24 hours.
- All scholars must include their name and grade when they are emailing school staff.

Unable to Contact

Regular communication with CCS teachers is essential at CCS. If you are planning to be unavailable to communicate with your scholar’s teacher for a period of time, please notify the teacher so that proper arrangements to monitor your scholar's progress and attendance can be made.

Notification Regarding Change of Contact Information

As stated in the Master Agreement Acknowledgement of Responsibilities, it is the responsibility of parents, guardians or adult foster care caregiver to inform the school of any change of address, telephone number or emergency information. Parents must provide a manner to receive both written

(U.S. Mail) and oral communication (telephone, cell, email) regarding their child(ren). For the protection of the scholar's health and welfare, and to facilitate immediate communication with the parent/legal guardian or caregiver, CCS, in accordance with Education Code Section 49408, requires the parent/legal guardian to provide current emergency information in the online enrollment application at the time of enrollment. Every parent/legal guardian or caregiver must complete an online enrollment application for each scholar at the time of enrollment. Emergency information should include, but is not limited to the following:

- Home address and current telephone, including cell phone
- Employment/business addresses and phone numbers
- Relative/Friend's name, address, and telephone numbers authorized to pick up and care for the scholar in an emergency situation, if the parent/legal guardian cannot be reached.

This information must be updated with the Records Department within five (5) business days to ensure timely communication with CCS staff. In order to request change of contact information, the learning coach must complete the Change of Contact Information Form which is located on the Schools' website.

Parents of scholars with disabilities should also have the name of any other designated adult who can receive their child in case of an emergency. Scholars will only be released to a person listed on the emergency card unless the parent/legal guardian has provided written authorization on a case by case basis during testing and/ or other engagement or enrichment events. Parents are required to update this information at least twice per school year. The emergency phone number for the parents and relatives/friends and all other information, such as name or address can be changed through the Change of Information Form found on our website.

Proof of Residency

Learning Coaches must notify the Records Department to provide a proof of new residence. A form to submit these changes can be found on the School's website under Parent/Scholar Resources. Learning Coaches must complete the [Change of Information Form](#) to update their address and provide an updated proof of residence attached or emailed to records@compasscharters.org.

Academic Program

AVID

Advancement Via Individual Determination ("AVID"), is a college readiness system for elementary-aged scholars through higher education that is designed to increase school-wide learning and performance. The AVID College Readiness System ("ACRS") accelerates scholar learning, uses research-based methods of effective instruction, provides meaningful and motivational professional learning, and acts as a catalyst for systemic reform and change. While typically found in brick-and-mortar schools, Compass is proud to be one of a select few who are offering this program online.

The AVID curriculum, based on rigorous standards, is driven by the Writing, Inquiry, Collaboration, Organization and Reading ("WICOR") method. AVID curriculum is used in AVID elective courses and in content-area courses (English language arts, math, science, and social studies) in AVID schools. Our teachers use AVID strategies in both their Learning Labs and Q&A sessions.

Scholar Recognition

- Core Values (ARTIC) Awards are designed to celebrate scholars who exemplify CCS' ARTIC Values. These are awarded by teacher recommendation two times per year, once in the first semester and once in the second semester.

This will be awarded at the end of the school year.

Additional information about our recognition program can be found on our website. For the most up to date list of our scholar awards, please visit the Parent & Scholars section of our website.

Progress Monitoring/Reports

“Snapshots” of scholar progress can be viewed in the Parent Scholar Portal and/or shared by teachers on an ongoing basis.

Quarterly progress reports are sent for all scholars who are “at risk” of not earning 70% in courses. These quarterly reports are sent by the grade level administrator. Follow up meetings may be required once these progress reports are sent to scholars and learning coaches.

Multi-Tiered System of Support

A Multi-Tiered System of Supports (“MTSS”), including Response to Intervention (“RTI”), Social Emotional Learning (“SEL”), and Positive Behavioral Intervention and Supports (“PBIS”), is a systematic multi-tiered model which targets behavioral, social, emotional, and academic support for scholars. MTSS establishes a process for providing increasing levels of instructional time and intensity whereby the needs of all learners are identified and supported early and effectively.

MTSS provides high quality standards-based core instruction and the use of data to identify scholars for appropriate acceleration and intervention. The MTSS model advances academic and behavioral achievement through frequent progress monitoring, ongoing data collection and analyses as well as providing immediate, evidence-based intervention.

In order to best support our scholars and ensure they are achieving academically and socially/emotionally, scholars receive support from different Tiers throughout the framework.

The three (3) components within the CCS MTSS framework are:

- Assessments
- Internal Benchmark Assessments
- CAASPP State Testing

High-Quality, Evidence-Based Instruction

- Tier 1 - Core Instruction (80%--universal interventions)
- Tier 2 - Supplemental Instruction (15%--targeted group interventions)
- Tier 3 - Intensive Instruction (5%--intensive individual interventions)

Data-Based Decision Making

- Leadership meets regularly to assure outcomes are achieved.
- Academic support sessions, social emotional learning, and behavioral groupings are provided on

a regular-basis and supported by the Scholar Success Coordinator. Scholars invited to these support sessions are encouraged to attend.

Grades

The grade in any given course represents the degree to which the scholar has met the standards and achieved the goals of the course. Grades reflect the quality of the scholar's work and the scholar's degree of mastery of academic standards. The semester grade reflects the cumulative achievement for the entire semester. Attendance and participation are contributing factors in meeting the standards and earning a grade.

Teachers are responsible for setting objective standards for grading assignments and shall make these standards known to the Learning Coaches and scholars. Teachers are responsible for assigning grades to the scholars in their courses. Once assigned, a grade shall be final unless it comes to light that the scholar engaged in fraud or cheating, or if a mistake was made by the teacher assigning the grade. If the scholar or Learning Coach want to challenge a grade, they may follow the process outlined within the School's Educational Records and Scholar Information Policy which is located within the CCS Board Policy Manual.

Kindergarten-5th Grading Policy

Scholars' final grades will be reported according to the following scale:

- 4- Exceeds:** Scholars exceed standards and expectations. Scholars are on track to move on to the next grade level.
- 3- Meets:** Scholars meet standards and expectations. Scholars are on track to move on to the next grade level.
- 2- Nearly Meets:** Scholars nearly meet standards and expectations. This may result in a scholar being retained at their current grade level or will be asked to complete the remainder of the course work the following school year.
- 1- Does Not Meet:** Scholars have completed below 59% of subject units and does not meet standards and expectations. This may result in a scholar being retained at their current grade level or will be asked to complete the remainder of the course work the following school year.

6-8 Grading Policy

Middle School Course Placement

All middle school scholars are required to enroll in four (4) academic courses (English, mathematics, science, social science), physical education and one elective course each semester of the academic school year.

Middle School Course Scheduling

Our middle school academic program utilizes semester scheduling. No extensions are provided and all end dates are final.

Middle School Grading Scale

A standard percentage scale is used school wide to determine grades. This ensures a standard of excellence toward which each scholar may strive to achieve. CCS does not use a plus/minus grading scale.

B	80-89	3
C	70-79	2
D	60-69	1
F	BELOW 60	0

Withdrawn (“W”) - This grade will be given when a scholar withdraws from CCS prior to completing 100% of the coursework.

Middle School Subject Requirements

An updated course list can be found on the School’s website.

High School Course Scheduling

When selecting courses each year, remember that course selection is a collaborative process that involves the scholar, Learning Coach, and counselor to ensure proper placement. Our academic program utilizes semester scheduling. No extensions are provided and all end dates are final.

High School Grading Scale

Credit is earned for cumulative grades of A through D in all courses. Each semester course receives 5 credits for each course passed. Honors and Advanced Placement courses are weighted on a 5.0 scale. CCS does not use a plus/minus grading scale.

LETTER GRADE	PERCENTAGE	COLLEGE PREP	HONORS/AP
	Unweighted GPA	Weighted GPA	
A	90-100	4	5
B	80-89	3	4
C	70-79	2	3
D	60-69	1	1
F	BELOW 60	0	0

Withdrawn (“W”)- This grade will be given when a scholar withdraws from CCS prior to completing 100% of the coursework.

Incomplete (“I”) grades will be granted only under extenuating circumstances and must be brought by the ST to the Director of Online Learning and Director of Counseling Services who shall make the final decision.

Final Exam Policy

All scholars in grades 9-12 are required to take all end of unit or module exams as well as semester final examinations in all courses. Scholars may not “test out” of courses by only taking a final examination.

Repeat Policy

Scholars may repeat a course to improve their GPA only if the original grade was a D or F. To be accepted by the UC/CSU system, scholars may repeat the course only once. Once a course has been repeated, the grade earned in the original course will remain on the transcript, but will display with the CCS repeat code, as well as “0.00” credits earned. The original course will not be included in the computation of the GPA. The course taken to remediate the D or F will be displayed with the grade and credits earned.

High School Course Placement Guidelines

Course placement is based upon review of scholar’s assessments, transcripts, and teacher recommendations. All scholars must meet specific course prerequisites for all subject areas.

Advanced Placement

According to the College Board, Advanced Placement (“AP”) is for ALL scholars—but scholars should be ready. Scholars do not need to be top of the course to be an AP scholar, but they will want to be prepared for the AP course they choose. Some AP courses have recommended courses they should take first, and all AP courses ask that they come willing to do their best work.

9th Grade CCS Math Placement Policy

CCS recognizes that scholar achievement in math is important for preparing scholars for success after high school. The purpose of this policy is to create a fair, objective, and transparent procedure for placement in math courses for scholars entering 9th grade, in order to ensure the success of every scholar and to meet the Legislative intent of the California Mathematics Placement Act of 2015. CCS’ complete policy is located within the CCS Board Policy Manual.

In determining the mathematics course placement for entering 9th grade scholars, Compass Charter Schools systematically takes multiple objective academic measures of the scholar’s performance into consideration, including:

- Statewide mathematics assessments, including interim and summative assessments through the California Assessment of Student Performance and Progress (“CAASPP”)
- Internal assessments that are aligned to state-adopted content standards in mathematics.
- Classroom assignments and grades.

- Final grade in mathematics on the scholar's official, end of the year 8th grade report card.
- Results from all placement checkpoints, including at least one (1) placement checkpoint within the first month of the school year.

The Superintendent & CEO, or designee, shall examine aggregate scholar placement data annually to ensure that scholars who are qualified to progress in mathematics courses based on their performance on objective academic measures included in this policy are not held back in a disproportionate manner on the basis of their race, ethnicity, gender, or socioeconomic background. Compass Charter Schools shall annually report the aggregate results of this examination to the Board of Directors.

Course Schedule Changes

Scholars need to plan their schedule carefully since schedule changes can only be processed within the first ten (10) from the start of the semester. Any additional schedule changes after this time frame will be reviewed on an individual basis.

Acceptable course schedule changes:

- Improper course placement
- Credit previously earned for the course
- Course prerequisites not met

ACOP – Accelerated Course Options Program

This program allows scholars to accelerate and advance academically or recover unearned credits in their high school courses by adding additional credits to their schedule per semester. A scholar may add an additional course to their schedule no later than four (4) weeks prior to the end of a semester (eligibility is dependent upon 75% completion in all other courses with good academic standing).

A scholar may add two (2) additional courses to their schedule no later than eight (8) weeks prior to the end of semester (eligibility is dependent upon 50% completion in all other courses with good academic standing).

Counselor approval required to participate in the program.

Counselor may approve a special circumstance request when a scholar may be eligible for additional course(s).

Community College Courses

In some cases, it is possible for high school scholars who have completed 9th grade to enroll concurrently at a community college. Please see the School's complete Concurrent Enrollment Policy for additional information about taking community college courses. The complete policy can be found on the School's website in the Board Policy Manual.

A-G Requirements

The University of California ("UC") must approve courses to meet A-G subject requirements that appear on the institution's A-G course list. UC schools and California State Universities ("CSU") check if freshmen applicants have taken courses from the A-G course list to meet admission requirements. 15 year-long courses must be completed with a C or better and 11 courses must be completed before the

senior year. (Note: Scholars will only be awarded A-G credit for courses and providers included in the [Compass Charter Schools A-G Course Lists](#))

Cal Grant Program for College

A Cal Grant is money for college that does not have to be paid back. To qualify, a scholar must meet the eligibility and financial requirements as well as any minimum grade point average (“GPA”) requirements. Cal Grants can be used at any University of California, California State University, or California Community College. Some independent and career colleges or technical schools in California also take Cal Grants.

In order to assist scholars applying for financial aid, all 12th grade scholars are automatically considered a Cal Grant applicant and each 12th grade scholar’s GPA will be submitted to the California Student Aid Commission (“CASC”) electronically by a school. A scholar, or the parent/guardian of a scholar under 18 years of age, may complete a form to indicate that they do not wish for the school to electronically send CASC the scholar’s GPA. Until a scholar turns 18 years of age, only the parent/guardian may opt out for the scholar. Once a scholar turns 18 years of age, only the scholar may opt themselves out, unless the parent/guardian remains their educational rights holder, and can opt in if the parent/guardian had previously decided to opt out the scholar. All 12th grade scholars’ GPA will be sent to CASC by October 1 of each year. Scholars currently in eleventh (11th) grade will be deemed a Cal Grant applicant, unless the scholar (or parent, if the scholar is under 18) has opted out by or before February 1.

CCS CEEB Codes

A CEEB code is a standardized ID number that is assigned to a high school, college or university. These codes are used to identify the high school a scholar attends. The CEEB code is needed for college entrance exams such as the SAT or ACT.

Compass Charter Schools CEEB Code

Compass Charter Schools of Los Angeles	054907
Compass Charter Schools of San Diego	054738
Compass Charter Schools of Yolo	053634

NCAA – The National Collegiate Athletic Association

The National Collegiate Athletic Association (“NCAA”) is an athletic association that consists of three (3) divisions (division I, II, and III) and oversees 23 college sports. For current NCAA academic requirements, visit eligibilitycenter.org. CCS scholars are eligible for scholarships to play sports at the collegiate level.

Information Regarding Financial Aid

The Charter School shall ensure that each of its students receives information on how to properly complete and submit the Free Application for Federal Student Aid (FAFSA) or the California Dream Act Application, as appropriate, at least once before the student enters 12th grade 12. The Charter School will provide a paper copy of the FAFSA or the California Dream Act Application upon request.

- The FAFSA form and information regarding the FAFSA are available at:
 - <https://studentaid.gov/h/apply-for-aid/fafsa>
- The California Dream Act Application and information regarding the California Dream Act is available at:
 - <https://www.csac.ca.gov/post/resources-california-dream-act-application>

Additional Information about the Academic Program

Concurrent/Dual Credit Enrollment

Concurrent enrollment in another public or private K-12 school is prohibited at CCS. If a scholar is found to be enrolled in two (2) schools he/she will be withdrawn from CCS using the involuntary removal process outlined within this handbook.

Transfer Credits

Transfer credits are awarded based upon official transcripts from previous schools. Transcript analysis may require CCS to perform research and contact previous schools to determine eligibility of transfer credits.

Home School Credit Transfer

All scholars from non-accredited/independent homeschool situations must provide records which include transcript (showing courses completed), a description of the curriculum, a copy of the Private School Affidavit, and work samples for review by CCS administration.

International Records

International records may require translation and/or evaluation prior to being considered for transfer credits. International transcripts and supporting documentation will be reviewed in order to grant appropriate credit for subjects studied in other countries. The transcripts must show that subjects were

studied at the secondary level. Credits will be granted for subject's equivalent to the courses listed in the course catalog in meeting graduation requirements.

Transcripts/Records

To request transcripts and/or records, please submit a completed request form located on our website. Transcript requests are processed within ten (10) business days and records within five (5) business days. Outstanding CCS fees and/or materials may delay processing of request.

Transcripts reflect both a weighted and unweighted grade point average (GPA):

- Traditionally, GPA is calculated on an unweighted scale. Unweighted GPA is measured on a scale of 0 to 4.0. It doesn't take the difficulty of a scholar's coursework into account. An unweighted GPA represents a 4.0 whether it was earned in an honors course or a lower level course.

Weighted GPA takes into account course difficulty rather than providing the same letter grade to GPA conversion for every scholar. Weighted GPA is measured on a scale of 0 to 5.0 and is only provided for Advanced Placement and Honors level courses. Note: CCS policy is to not rank scholars by GPA.

Work Permits

Scholars under the age of 18 must obtain a work permit from CCS after securing an opportunity for employment. Please visit <https://www.cde.ca.gov/ci/ct/we/workpermitsforstudents.asp>, https://www.dir.ca.gov/dlse/Application_for_Entertainment_Work_Permit_for_Minor.htm for more information. You can also see the School's complete Work and Entertainment Permit Policy for additional information about obtaining a work permit. The complete policy can be found on the School's website in the Board Policy Manual.

English Language Development ("ELD")

Compass is committed to the success of its English Learners ("EL's") and support will be offered both within academic courses and in supplemental settings for scholars who need additional support for English language learning. Compass will meet all applicable legal requirements for EL's as they pertain to annual notification to parents, scholar identification, placement, program options, EL and core content instruction, teacher qualifications and training, reclassification to fluent English proficient status, monitoring and evaluating program effectiveness, and standardized testing requirements. Compass will implement policies to assure proper placement, evaluation, and communication regarding EL's and the rights of scholars and parents.

Adult Scholars (18 Years of Age and Older)

Scholars who are 18 years of age or older have many legal rights and responsibilities, such as the ability to sign legal documents, including but not limited to medical releases and IEPs. However, adult scholars must continue to follow policies in place for all scholars at CCS, including attendance and discipline policies.

In order for CCS to release any information related to the adult scholar's academics to their designated Learning Coach and/or parent(s)/guardians, we must first receive permission from the adult scholar to

do so. This release form can be found on our parent/scholar portal or by contacting the Records Department.

California Healthy Youth Act

The California Healthy Youth Act requires that comprehensive sexual health education and human immunodeficiency virus (“HIV”) prevention education be taught to scholars at least once in middle school and once in high school, beginning no later than grade seven. Instruction and materials must be medically accurate, objective, age-appropriate and inclusive of all scholars, as defined by law. The law requires that instruction and materials must encourage scholars to communicate with parents, guardians or other trusted adults about human sexuality. Learning Coaches can preview the School Health course syllabus and scope and sequence by request.

The Charter School offers comprehensive sexual health education to its scholars in grades 7-12. A Learning Coach/parent or guardian of a scholar has the right to excuse their child from all or part of comprehensive sexual health education, HIV prevention education, and assessments related to that education through a passive consent (“opt-out”) process. The Charter School does not require active parental consent (“opt-in”) for comprehensive sexual health education and HIV prevention education. Parents and guardians may:

- Inspect written and audiovisual educational materials used in comprehensive sexual health education and HIV prevention education.
- Excuse their child from participation in comprehensive sexual health education and HIV prevention education in writing to the Charter School.
- Be informed whether the comprehensive sexual health or HIV/AIDS prevention education will be taught by Charter School personnel or outside consultants. When the Charter School chooses to use outside consultants or to hold an assembly with guest speakers to teach comprehensive sexual health or HIV/AIDS prevention education, be informed of:
 - The date of the instruction
 - The name of the organization or affiliation of each guest speaker
 - Request a copy of Education Code sections 51930 through 51939.

Anonymous, voluntary, and confidential research and evaluation tools to measure scholar’s health behaviors and risks (including tests, questionnaires, and surveys containing age-appropriate questions about the scholar’s attitudes concerning or practices relating to sex) may be administered to scholars in grades 7-12. A Learning Coach has the right to excuse their child from the test, questionnaire, or survey through a passive consent (“opt-out”) process. Learning Coaches shall be notified in writing that this test, questionnaire, or survey is to be administered, given the opportunity to review the test, questionnaire, or survey if they wish, notified of their right to excuse their child from the test, questionnaire, or survey, and informed that in order to excuse their child they must state their request in writing to the Charter School.

A scholar may not attend any course in comprehensive sexual health education or HIV prevention education, or participate in any anonymous, voluntary, and confidential test, questionnaire, or survey on scholar health behaviors and risks, if the Charter School has received a written request from the scholar’s parent or guardian excusing the scholar from participation. An alternative educational activity

shall be made available to scholars whose parents or guardians have requested that they not receive the instruction or participate in the test, questionnaire, or survey.

Scholars with Special Needs

CCS is dedicated to the belief that all scholars can learn and must be guaranteed equal opportunity to become contributing members of the academic environment and society. CCS provides special education instruction and related services in accordance with the Individuals with Disabilities in Education Improvement Act (“IDEA”), California Education Code requirements, and applicable policies and procedures of the El Dorado County Charter SELPA. These services are available for special education scholars enrolled at CCS. We offer high quality educational programs and services for all of our scholars in accordance with the assessed needs of each scholar. CCS collaborates with Learning Coaches, scholars, teachers, and other agencies, as may be indicated, in order to appropriately serve the educational needs of each scholar.

CCS recognizes its legal responsibility to ensure that no qualified person with a disability shall, on the basis of disability, be excluded from participation, be denied the benefits of, or otherwise subjected to discrimination under any program of the School. Any scholar who has an objectively identified disability which substantially limits a major life activity, including, but not limited to learning, is eligible for accommodations by CCS. The Learning Coach of any scholar suspected of needing or qualifying for accommodations under Section 504 may make a referral for an evaluation to the Director of Special Education at (855) 937-4227.

Pursuant to the IDEA and relevant state law, CCS is responsible for identifying, locating, and evaluating children enrolled at CCS with known or suspected disabilities to determine whether a need for special education and related services exists. This includes children with disabilities who are homeless or foster youth. The Charter School shall not deny nor discourage any student from enrollment solely due to a disability. If you believe your child may be eligible for special education services, please contact the Director of Special Education at (855) 937-4227.

A copy of the School’s Section 504 Policies and Procedures and the School’s Special Education Policy is available upon request at the Central Office and on the School’s website within the CCS Board Policy Manual.

Education of Homeless Scholars

“The term “homeless children and youth” means individuals who lack a fixed, regular and adequate nighttime residence. It includes children and youths who (42 U.S.C.§ 11434a):

1. Are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; or are abandoned in hospitals;
2. Have a primary nighttime residence that is a public or private place not designed for or ordinarily used as regular sleeping accommodations for human beings;
3. Are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings; and

4. Migratory children and unaccompanied youth (youth not in the physical custody of a parent or guardian) may be considered homeless if they meet the above definition of “homeless.”

Homeless status is determined in cooperation with the Learning Coach. In the case of unaccompanied youth, status is determined by the School Liaison.

School Liaison

The Superintendent & CEO designates the following staff person as the School Liaison for homeless scholars (42 U.S.C. § 11432(g)(1)(J)(ii)):

Karla Gonzalez | McKinney-Vento Liaison
850 Hampshire Road, Suite R
Thousand Oaks, CA 91361

The California Department of Education publishes a list of the contact information for the Homeless Education Liaisons in the state, which is available at: <https://www.cde.ca.gov/sp/hs/>

High School Graduation Requirements: Homeless students who transfer to the Charter School any time after the completion of their second year of high school shall be exempt from any of the Charter School's graduation requirements that are in excess of the California minimum graduation requirements specified in Education Code section 51225.3 ("additional graduation requirements") unless the Charter School makes a finding that the student is reasonably able to complete the Charter School's graduation requirements by the end of the student's fourth year of high school.

To determine whether a homeless student is in their third or fourth year of high school, either the number of credits the student has earned to the date of transfer or the length of the student's school enrollment may be used, whichever will qualify the student for the exemption.

Within thirty (30) calendar days of the date that a student who may qualify for exemption under the above requirements transfers into the Charter School, the Charter School shall notify the student, the student's educational rights holder, and the School Liaison of the availability of the exemption and whether the student qualifies for an exemption.

The Charter School shall notify students who are exempted from the Charter School's additional graduation requirements and the student's educational rights holder of how any of the requirements that are waived will affect the student's ability to gain admission to a postsecondary educational institution and provide information about transfer opportunities available through the California Community Colleges.

The Charter School shall not require any student who would otherwise be entitled to remain in attendance at the Charter School to accept the exemption from the Charter School's additional graduation requirements or deny the student enrollment in, or the ability to complete, courses for which the student is otherwise eligible. The Charter School shall not revoke an exemption and shall grant an eligible student's request for the exemption at any time if the student qualifies, regardless of whether the student previously declined the exemption. An eligible student's exemption from the Charter School's additional graduation requirements will continue to apply while the student is enrolled in the Charter School or if the student transfers to another school even after the student no longer meets the definition of a homeless child.

The Charter School shall not require or request that a student transfer schools in order to qualify the student for the exemption. Nor shall a student, a student's parent/guardian or educational rights holder, or a student's social worker or probation officer request a transfer solely to qualify for an exemption from the Charter School's additional graduation requirements.

If a student who is exempted from the Charter School's additional graduation requirements completes the California minimum coursework requirements specified in Education Code section 51225.3 before the end of the student's fourth year of high school and would otherwise be entitled to remain in attendance at the Charter School, the Charter School shall not require or request that the student graduate before the end of the student's fourth year of high school.

If the Charter School determines the student is reasonably able to complete the Charter School's graduation requirements by the end of the student's fifth year of high school, the Charter School shall do the following:

- Inform the student of the student's option to remain at the Charter School for a fifth year to complete the Charter School's graduation requirements.
- Inform the student, and the educational rights holder for the student, about how remaining in school for a fifth year to complete the Charter School's graduation requirements will affect the student's ability to gain admission to a postsecondary educational institution.
- Provide information to the student about transfer opportunities available through the California Community Colleges.
- Permit the student to stay at the Charter School for a fifth year to complete the Charter School's graduation requirements upon agreement with the student, if the student is 18 years of age or older, or, if the student is under 18 years of age, upon agreement with the educational rights holder for the student.

Acceptance of Course Work: The Charter School will accept any coursework satisfactorily completed at any public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency by a homeless student.

The Charter School will provide homeless students credit for the partial completion of courses taken while attending a public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency. If the student did not complete the entire course, the Charter School shall not require the student to retake the portion of the course the student completed unless the Charter School, in consultation with the holder of educational rights for the student, finds that the student is reasonably able to complete the requirements in time to graduate from high school. When partial credit is awarded in a particular course, the homeless student shall be enrolled in the same or equivalent course, if applicable, so that the student may continue and complete the entire course. These students shall not be prevented from taking or retaking a course to meet California State University or the University of California admission eligibility requirements.

For any homeless scholar who enrolls at CCS, a copy of the Charter School's complete policy shall be provided at the time of enrollment and annually. A copy of the complete Policy is available upon request at the Central Office and on the School's website within the CCS Policy Manual.

Education of Foster and Mobile Youth

Definitions: For the purposes of this annual notice the terms are defined as follows:

1. "Foster youth" refers to any child who has been removed from their home pursuant Welfare and Institutions Code section 309 and/or is the subject of a petition filed under Welfare and Institutions Code section 300 or 602. This includes children who are the subject of cases in dependency court and juvenile justice court.
2. "Former juvenile court school pupils" refers to a student who, upon completion of the student's second year of high school, transfers from a juvenile court school to the Charter School.
3. "Child of a military family" refers to a student who resides in the household of an active duty military member.
4. "Currently Migratory Child" refers to a child who, within the last 12-months, has moved with a

parent, guardian, or other person having custody to the Charter School from another Local Educational Agency (“LEA”), either within California or from another state, in order that the child or a member of the child’s immediate family might secure temporary or seasonal employment in an agricultural or fishing activity, and whose parents or guardians have been informed of the child’s eligibility for migrant education services. “Currently Migratory Child” includes a child who, without the parent/guardian, has continued to migrate annually to secure temporary or seasonal employment in an agricultural or fishing activity.

5. “Pupil participating in a newcomer program” means a pupil who is participating in a program designed to meet the academic and transitional needs of newly arrived immigrant pupils that has as a primary objective the development of English language proficiency.

Within this notice, foster youth, former juvenile court school pupils, a child of a military family, a currently migratory child, and a pupil participating in the newcomer program will be collectively referred to as “Foster and Mobile Youth.” Within this notice, a parent, guardian, or other person holding the educational rights for a Foster and Mobile Youth will be referred to as a “parent.”

Foster and Mobile Youth Liaison: The Superintendent & CEO designates the following staff person as the Liaison for Foster and Mobile Youth:

Karla Gonzalez | McKinney-Vento Liaison
850 Hampshire Rd. Suite R
Thousand Oaks, CA 91361
(805) 372-0620
kgonzalez@compasscharters.org

The Foster and Mobile Youth Liaison’s responsibilities include but are not limited to the following:

- Ensuring and facilitating the proper educational placement, enrollment in school, and checkout from school of foster children.
- Assisting foster children when transferring from one school to another school in ensuring proper transfer of credits, records and grades.

School Stability: The Charter School will work with foster youth and their parent/guardian to ensure that each pupil is placed in the least restrictive educational programs, and has access to the academic resources, services, and extracurricular and enrichment activities that are available to all pupils, including, but not necessarily limited to, interscholastic sports. All decisions regarding a foster youth’s education and placement will be based on the best interest of the child and shall consider, among other factors, educational stability and the opportunity to be educated in the least restrictive educational setting necessary to achieve academic progress.

Foster youth, currently migratory children and children of military families have the right to remain in their school of origin if it is in their best interest. The Charter School will immediately enroll a foster youth, currently migratory child or child of a military family seeking re-enrollment in the Charter School as the student’s school of origin (subject to the Charter School’s capacity and pursuant to the procedures stated in the Charter School’s charter and Board policy). If a dispute arises regarding a foster youth’s request to remain in the Charter School as the school of origin, the foster youth has the right to remain in the Charter School pending the resolution of the dispute. The Charter School will also

immediately enroll any foster youth, currently migratory child or child of a military family seeking to transfer to the Charter School (subject to the Charter School's capacity and pursuant to the procedures stated in the Charter School's charter and Board policy) regardless of the student's ability to meet normal enrollment documentation or uniform requirements (e.g. producing medical records or academic records from a previous school).

Foster youth, currently migratory children, and children of military families have the right to remain in their school of origin following the termination of the child's status as a foster youth, currently migratory child or child of a military family, as follows:

- For students in Kindergarten through eighth grade, inclusive, the student will be allowed to continue in the school of origin through the duration of the academic year in which the student's status changed.
- For students enrolled in high school, the student will be allowed to continue in the school of origin through graduation.

Graduation Requirements: Foster and Mobile Youth who transfer to the Charter School any time after the completion of their second year of high school, and pupils participating in a newcomer program who are in their third or fourth year of high school, shall be exempt from any of the Charter School's graduation requirements that are in excess of the California minimum graduation requirements specified in Education Code section 51225.3 ("additional graduation requirements") unless the Charter School makes a finding that the student is reasonably able to complete the Charter School's graduation requirements by the end of the student's fourth year of high school.

To determine whether a Foster and Mobile Youth is in their third or fourth year of high school, either the number of credits the student has earned to the date of transfer or the length of the student's school enrollment may be used, whichever will qualify the student for the exemption. In the case of a pupil participating in a newcomer program, enrollment in grade 11 or 12 may be used to determine whether the student is in their third or fourth year of high school.

Within thirty (30) calendar days of the date that a student who may qualify for exemption under the above requirements transfers into the Charter School, the Charter School shall notify the student, the parent/guardian, and where applicable, the student's social worker or probation officer, of the availability of the exemption and whether the student qualifies for an exemption.

The Charter School shall notify students who are exempted from the Charter School's additional graduation requirements and the student's parent/guardian how any of the requirements that are waived will affect the pupil's ability to gain admission to a postsecondary educational institution and provide information about transfer opportunities available through the California Community Colleges.

The Charter School shall not require any student who would otherwise be entitled to remain in attendance at the Charter School to accept the exemption from the Charter School's additional graduation requirements or deny the student enrollment in, or the ability to complete, courses for which the student is otherwise eligible. The Charter School shall not revoke an exemption and shall grant an eligible student's request for the exemption at any time if the student qualifies, regardless of whether the student previously declined the exemption. An eligible student's exemption from the Charter School's additional graduation requirements will continue to apply while the student is enrolled in the Charter School or if the student transfers to another school even after the court's jurisdiction

terminates or the student no longer meets the definition of a child of military family, a currently migratory child or a pupil participating in a newcomer program.

The Charter School shall not require or request that a student transfer schools in order to qualify the student for the exemption. Nor shall a student, a student's parent/guardian or educational rights holder, or a student's social worker or probation officer request a transfer solely to qualify for an exemption from the Charter School's additional graduation requirements.

If a student who is exempted from the Charter School's additional graduation requirements completes the California minimum coursework requirements specified in Education Code section 51225.3 before the end of the student's fourth year of high school and would otherwise be entitled to remain in attendance at the Charter School, the Charter School shall not require or request that the student graduate before the end of the student's fourth year of high school.

If the Charter School determines the student is reasonably able to complete the Charter School's graduation requirements by the end of the student's fifth year of high school, the Charter School shall do the following:

- Inform the student of the student's option to remain at the Charter School for a fifth year to complete the Charter School's graduation requirements.
- Inform the student, and the educational rights holder for the student, about how remaining in school for a fifth year to complete the Charter School's graduation requirements will affect the student's ability to gain admission to a postsecondary educational institution.
- Provide information to the student about transfer opportunities available through the California Community Colleges.
- Permit the student to stay at the Charter School for a fifth year to complete the Charter School's graduation requirements upon agreement with the student, if the student is 18 years of age or older, or, if the student is under 18 years of age, upon agreement with the educational rights holder for the student.

Acceptance of Course Work: The Charter School will accept any coursework satisfactorily completed at any public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency by a Foster and Mobile Youth.

The Charter School will provide Foster and Mobile Youth credit for the partial completion of courses taken while attending a public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency. If the student did not complete the entire course, the Charter School shall not require the student to retake the portion of the course the student completed unless the Charter School, in consultation with the holder of educational rights for the student, finds that the pupil is reasonably able to complete the requirements in time to graduate from high school. When partial credit is awarded in a particular course, the Foster and Mobile Youth shall be enrolled in the same or equivalent course, if applicable, so that the student may continue and complete the entire course. These students shall not be prevented from taking or retaking a course to meet California State University or the University of California admission eligibility requirements.

Student Records: When the Charter School receives a transfer request and/or student records request for the educational information and records of a foster youth from a new local educational agency

("LEA"), the Charter School shall provide these student records within two (2) business days. The Charter School shall compile the complete educational record of the pupil, including but not limited to a determination of seat time, full or partial credits earned, current classes and grades, immunization and other records, and, if applicable, a copy of the pupil's special education records including assessments, IEPs, and/or 504 plans. All requests for student records will be shared with the Foster and Mobile Youth Liaison, who shall be aware of the specific educational record keeping needs of Foster and Mobile Youth.

The Charter School shall not lower a foster youth's grades as a result of the student's absence due to a verified court appearance, related court ordered activity, or a change in the placement of the student made by a county or placing agency. If a foster youth is absent from school due to a decision to change the placement of the student made by a county or placing agency, the grades and credits of the pupil will be calculated as of the date the student left the Charter School.

In accordance with the Charter School's Educational Records and Scholarly Information Policy, under limited circumstances, the Charter School may disclose student records or personally identifiable information contained in those records to certain requesting parties including but not limited to a foster family agency and state and local authorities within a juvenile justice system, without parent/guardian consent. Students who are 16 years of age or older or have finished 10th grade may access their own school records.

Discipline Determinations: If the Charter School intends to extend the suspension of any foster/ youth pending a recommendation for expulsion, the Charter School will invite the student's attorney and an appropriate representative from the relevant county agency to participate in the meeting at which the extension of the suspension will be discussed.

If the Charter School intends to suspend for more than ten (10) consecutive school days or expel a student with a disability who is also a foster youth due to an act for which the recommendation for expulsion is discretionary, the Charter School will invite the student's attorney and an appropriate representative from the relevant county agency to participate in the Manifestation Determination Review meeting.

Complaints of Noncompliance: A complaint of noncompliance with any of the requirements outlined above may be filed through the Charter School's Uniform Complaint Policy and Procedures. A copy of the Uniform Complaint Policy and Procedures is available upon request at the Central Office and on the school website within the CCS Board Policy Manual.

Availability of Complete Policy: For any Foster and Mobile Youth who enrolls at the Charter School, a copy of the Charter School's complete Education for Foster Youth policy shall be provided at the time of enrollment. A copy of the complete Policy is available upon request at the Central Office and on the school website within the CCS Board Policy Manual.

Academic Integrity and Plagiarism

Academic dishonesty includes cheating, plagiarism and any attempt to obtain credit for academic work through fraudulent, deceptive, or dishonest means. These are violations of Academic Integrity. CCS takes violations of Academic integrity, in any form seriously, and it will not be tolerated.

Some examples include:

- Using or turning in another person’s work and claim as your own;
- Copying from text, a web site or other course material;
- Using or attempting to use unauthorized materials or information in any academic exercise;
- Hiring someone to write a paper;
- Buying a paper or project;
- Sharing files;
- Copying from another person’s work;
- Looking at another person’s test or test materials;
- Letting a friend or Learning Coach do the work for you.

What is Plagiarism?

Merriam-Webster online dictionary defines plagiarism as “the act of using another person's words or ideas without giving credit to that person: the act of plagiarizing something.”

To Plagiarize means:

- to steal and pass off (the ideas or words of another) as one's own;
- to use (another's production) without crediting the source;
- to commit literary theft or fraud; or
- to present as new and original an idea or product derived from another source.

See <http://www.plagiarism.org/plagiarism-101/what-is-plagiarism> for more information.

How to Avoid Plagiarism

Scholars must give credit to the source for any information that is not either the result of original research or common knowledge. For example, it would be necessary to give credit to an author who provided an argument about the importance of the Emancipation Proclamation in the American Civil War. Conversely, major historical facts, such as the dates of the American Civil War, are considered common knowledge and do not require that credit be given to a particular author. If a scholar borrows the exact words of another author, the scholar must cite the source. If scholars are unsure whether or not they should cite, they should ask their teachers for guidance. Teachers will dictate which citation format should be used and what the guidelines are for their class.

More information on what plagiarism is and how to avoid it can be found at <https://owl.english.purdue.edu/owl/resource/589/01/>.

Prevention of Plagiarism

All scholars and learning coaches are given a copy of this CCS Online Scholar Handbook which outlines the School’s policy on plagiarism.

Scholars complete a lesson on understanding plagiarism during orientation.

Teachers will use recognized plagiarism detection program to check for plagiarism as necessary.

More information on what plagiarism is and how to avoid it can be found at <https://owl.english.purdue.edu/owl/resource/589/01/>.

Consequences for Academic Dishonesty

Failure to abide by CCS standards of academic dishonesty by violating academic integrity will result in the following consequences:

In each of the offenses, the work that is deemed as plagiarized will not be accepted.

1st Offense - Warning

- If a scholar violates academic integrity, the teacher will notify the learning coach and Coordinator.
- The scholar will receive a written warning from the teacher in the form of a behavior contract, which will require both the learning coach and scholar signatures to be returned to the teacher. This will be sent via certified mail and email with a read receipt.
- The scholar will be permitted to re-submit the work.

2nd Offense

- If a scholar is caught violating academic integrity a second time, with any teacher, the teacher will notify the learning coach, and Coordinator.
- The scholar will receive a "0" on the assignment that was plagiarized and a 2nd behavior contract will be sent to be signed by both the learning coach and the scholar, and returned to the teacher. Notification will be sent via certified mail and email with a read receipt.
- The Coordinator will schedule a meeting with the teacher, the scholar and the learning coach.

3rd Offense

- If a scholar is caught violating academic integrity a third time the teacher will notify the learning coach, Coordinator and Director of Online Learning.
- The scholar will receive a "0" on the assignment that was plagiarized and the scholar will be placed on Academic Probation. The scholar will receive a notification of this to be signed by both the learning coach and scholar's Notification will be sent via certified mail and email.
- A meeting will be held with the Director of Online Learning, Coordinator, teacher, learning coach and scholar.

Academic Probation

Any scholar failing to meet minimum academic standards in their courses, or participating in academic dishonesty, as determined by the Coordinator, may be placed on academic probation. Scholars on academic probation will be expected to participate in academic interventions as determined by their

teacher or Coordinator. Scholars on academic probation may not be permitted to attend field trips or participate in scholar clubs until off academic probation.

To ensure compliance with Board requirements and other applicable lawful regulations, the Scholar Leadership Council will be advised by the Superintendent & CEO. The Superintendent & CEO, as advisor, will establish a fair process for the nomination and election of officers for President, Vice President, Secretary, and Treasurer. The body shall generally determine all other rules for its operation and activities consistent with the established school rules.

Scholar Clubs

Scholars may establish organizations or clubs, so long as approval is obtained by the Engagement Department consistent with this policy and any other applicable requirements.

Approval

A scholar organization's constitution and by-laws may be prepared through the cooperative work of the scholars and staff. A copy of the constitution and by-laws must be submitted to the Engagement Department, for initial review to ensure consistency with school rules.

Complaints other than complaints relating to pupil fees must be filed in writing with the following compliance officer:

J.J. Lewis | Superintendent & CEO
850 Hampshire Road, Suite R
Thousand Oaks, California 91361
(818) 824-6233
jlewis@compasscharters.org

Only complaints regarding pupil fees or LCAP compliance may be filed anonymously and only if the anonymous complainant provides evidence or information leading to evidence to support an allegation of noncompliance with laws relating to pupil fees or LCAP.

Complaints alleging unlawful discrimination, harassment, intimidation, or bullying, must be filed within six (6) months from the date the alleged discrimination, harassment, intimidation, or bullying, occurred or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation, or bullying. All other complaints under the UCP shall be filed not later than one (1) year from the date the alleged violation occurred. For complaints relating to the LCAP, the date of the alleged violation is the date on which Charter School’s Board of Directors approved the LCAP or the annual update was adopted by Charter School.

The Compliance Officer responsible for investigating the complaint shall conduct and complete the investigation in accordance with California regulations and the Charter School's UCP Policy. The Compliance Office shall provide the complainant with a final written investigation report within sixty (60) calendar days from the Charter School's receipt of the complaint. This sixty (60) calendar day time period may be extended by written agreement of the complainant.

The complainant has a right to appeal CCS's Decision to the California Department of Education ("CDE") by filing a written appeal within thirty (30) calendar days of the date of Charter School's written Decision, except if Charter School has used its UCP to address a complaint that is not subject to the UCP requirements. The appeal must include a copy of the complaint filed with the Charter School, a copy of Charter School's Decision, and the complainant must specify and explain the basis for the appeal of the Decision, including at least one of the following:

1. Charter School failed to follow its complaint procedures.
2. Relative to the allegations of the complaint, Charter School's Decision lacks material findings of fact necessary to reach a conclusion of law.
3. The material findings of fact in Charter School's Decision are not supported by substantial evidence.
4. The legal conclusion in Charter School's Decision is inconsistent with the law.
5. In a case in which Charter School's Decision found noncompliance, the corrective actions fail to provide a proper remedy.

A complainant who appeals Charter School's Decision on a UCP complaint to the CDE shall receive a written appeal decision within sixty (60) calendar days of the CDE's receipt of the appeal, unless extended by written agreement with the complainant or the CDE documents exceptional circumstances and informs the complainant.

Within thirty (30) calendar days of the date of the CDE's appeal Decision pursuant to 5 C.C.R. section 4633(f)(2) or (3), either party may request reconsideration by the State Superintendent of Public Instruction ("SSPI") or the SSPI's designee. The request for reconsideration shall specify and explain the reason(s) for contesting the findings of fact, conclusions of law, or corrective actions in the CDE's appeal Decision.

If a UCP complaint is filed directly with the CDE and the CDE determines that it merits direct intervention, the CDE shall complete an investigation and provide a written decision to the complainant within sixty (60) calendar days of receipt of the complaint, unless the parties have agreed to extend the timeline or the CDE documents exceptional circumstances and informs the complainant.

If Charter School finds merit in a UCP complaint, or the CDE finds merit in an appeal, Charter School shall take corrective actions consistent with the requirements of existing law that will provide a remedy to the affected student and/or parent/guardian as applicable.

A complainant may pursue available civil law remedies outside of the Charter School's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For unlawful discrimination, harassment, intimidation or bullying complaints arising under state law, however, a complainant must wait until sixty (60) calendar days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not

apply to injunctive relief and is applicable only if the Charter School has appropriately, and in a timely manner, apprised the complainant of the Complainant's right to file a complaint in accordance with 5 C.C.R § 4622.

A copy of the UCP shall be available upon request free of charge at CCS's Central Office and on the School's website within the CCS Board Policy Manual. For further information on any part of the complaint procedures, including filing a complaint or requesting a copy of the UCP, please contact the Superintendent & CEO.

Title IX, Harassment, Intimidation, Discrimination & Bullying Policy (full board policy)

Board Policy #: 37

Adopted/Ratified: October 3, 2019

Revision Date: N/A

Discrimination, sexual harassment, harassment, intimidation, and bullying are all disruptive behaviors, which interfere with scholars' ability to learn and negatively affect scholar engagement, diminish school safety, and contribute to a hostile school environment. As such, Compass Charter Schools prohibits any acts of discrimination, sexual harassment, harassment, intimidation, and bullying altogether. This policy is inclusive of instances that occur on any area of the school campus, at school-sponsored events and activities, regardless of location, through school-owned technology, and through other electronic means.

As used in this policy, discrimination, sexual harassment, harassment, intimidation, and bullying are described as the intentional conduct, including verbal, physical, written communication or cyber-bullying, including cyber sexual bullying, based on the actual or perceived characteristics of disability, pregnancy, gender, gender identity, gender expression, nationality, ancestry, race or ethnicity, immigration and citizenship status, religion, religious affiliation, sexual orientation, childbirth or related medical conditions, marital status, age, or association with a person or group with one or more of these actual or perceived characteristics or any other basis protected by federal, state, local law, ordinance or regulation. In addition, bullying encompasses any conduct described in the definitions set forth in this Policy. Hereafter, such actions are referred to as "misconduct prohibited by this Policy."

To the extent possible, CCS will make reasonable efforts to prevent scholars from being discriminated against, harassed, intimidated, and/or bullied, and will take action to investigate, respond, address and report on such behaviors in a timely manner. CCS school staff that witness acts of misconduct prohibited by this Policy will take immediate steps to intervene when safe to do so.

Moreover, CCS will not condone or tolerate misconduct prohibited by this Policy by any employee, independent contractor or other person with which CCS does business, or any other

individual, scholar, or volunteer. This Policy applies to all employees, scholars, or volunteer actions and relationships, regardless of position or gender. CCS will promptly and thoroughly investigate any complaint of such misconduct prohibited by this Policy and take appropriate corrective action, if warranted.

4. Notwithstanding the definitions of “bullying” and “electronic act” above, an electronic act shall not constitute pervasive conduct solely on the basis that it has been transmitted on the Internet or is currently posted on the Internet.

Grievance Procedures

1. Reporting

All staff are expected to provide appropriate supervision to enforce standards of conduct and, if they observe or become aware of misconduct prohibited by this Policy, to intervene as soon as it is safe to do so, call for assistance, and report such incidents. The Board requires staff to follow the procedures in this policy for reporting alleged acts of misconduct prohibited by this Policy.

Any scholar who believes they have been subject to misconduct prohibited by this Policy or has witnessed such prohibited misconduct is encouraged to immediately report such misconduct to the Coordinator:

J.J. Lewis | Superintendent & CEO
850 Hampshire Road, Suite R
Thousand Oaks, California 91361
(818) 824-6233
jlewis@compasscharters.org

Complaints regarding such misconduct may also be made to the U.S. Department of Education, Office for Civil Rights.

While submission of a written report is not required, the reporting party is encouraged to submit a written report to the Coordinator. Oral reports shall also be considered official

reports. Reports may be made anonymously, but formal disciplinary action cannot be based solely on an anonymous report.

Scholars are expected to report all incidents of misconduct prohibited by this Policy or other verbal, or physical abuses. Any scholar who feels she/he is a target of such behavior should immediately contact a teacher, counselor, the Superintendent/CEO, the Coordinator, a staff person or a family member so that she/he can get assistance in resolving the issue in a manner that is consistent with this Policy.

CCS acknowledges and respects every individual's right to privacy. All reports shall be investigated in a manner that protects the confidentiality of the parties and the integrity of the process. This includes keeping the identity of the reporter confidential, as appropriate, except to the extent necessary to carry out the investigation and/or to resolve the issue, as determined by the Coordinator or administrative designee on a case-by-case basis.

CCS prohibits any form of retaliation against any reporter in the reporting process, including but not limited to a reporter's filing of a complaint or the reporting of instances of misconduct prohibited by this Policy. Such participation shall not in any way affect the status, grades, or work assignments of the reporter.

All supervisors of staff will receive sexual harassment training within six (6) months of their assumption of a supervisory position and will receive further training once every two (2) years thereafter. All staff will receive sexual harassment training and/or instruction concerning sexual harassment as required by law.

2. Investigation

Upon receipt of a report of misconduct prohibited by this Policy from a scholar, staff member, parent, volunteer, visitor or affiliate of CCS, the Coordinator or administrative designee will promptly initiate an investigation. In most cases, a thorough investigation will take no more than seven (7) school days. If the Coordinator, or administrative designee determines that an investigation will take longer than seven (7) school days, he or she will inform the complainant and any other relevant parties and provide an approximate date when the investigation will be complete.

At the conclusion of the investigation, the Coordinator or administrative designee will meet with the complainant and, to the extent possible with respect to confidentiality laws, provide the complainant with information about the investigation, including any actions necessary to resolve the incident/situation. However, in no case may the Coordinator or administrative designee reveal confidential information related to other scholars or employees, including the type and extent of discipline issued against such scholars or employees.

All records related to any investigation of complaints under this Policy are maintained in a secure location.

3. Consequences

Scholars or employees who engage in misconduct prohibited by this Policy will be subject to disciplinary action.

4. Uniform Complaint Procedures

When harassment or bullying is based upon one of the protected characteristics set forth in this Policy, a complainant may also fill out a Uniform Complaint Procedures complaint form at any time during the process.

5. Right of Appeal

Should the reporting individual find the Coordinator's resolution unsatisfactory, he/she may follow the Dispute Resolution Process found in UCP.

Scholar Records, including Records Challenges and Directory Information (annual notice)

The Family Educational Rights and Privacy Act ("FERPA") affords Learning Coaches and scholars who are 18 years of age or older ("eligible students") certain rights with respect to the scholar's education records. These rights are:

1. The right to inspect and review the scholar's education records within five (5) business days after the day CCS receives a request for access. Learning Coaches or eligible scholars should submit to the CCS Superintendent & CEO or designee a written request that identifies the records they wish to inspect. The CCS official will make arrangements for access and notify the Learning Coach or eligible scholar of the time and place where the records may be inspected.
2. The right to request the amendment of the scholar's education records that the Learning Coach or eligible scholar believes are inaccurate, misleading, or otherwise in violation of the scholar's privacy rights under FERPA.

Learning Coaches or eligible scholars who wish to ask CCS to amend a record should write to the CCS Superintendent & CEO or designee, clearly identify the part of the record they want changed, and specify why it should be changed. If CCS decides not to amend the record as requested by the Learning Coach or eligible scholar, CCS will notify the Learning Coach or eligible scholar of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the Learning Coach or eligible scholar when notified of the right to a hearing. If the Charter School decides to amend the record as requested by the parent or eligible scholar, the Superintendent & CEO must order

the correction or the removal and destruction of the information and inform the parent or eligible scholar of the amendment in writing.

3. The right to provide written consent before CCS discloses personally identifiable information (“PII”) from the scholar's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to CCS officials with legitimate educational interests. A CCS official is a person employed by CCS as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the Board of Directors. A CCS official also may include a volunteer, consultant, vendor, or contractor outside of CCS who performs an institutional service or function for which CCS would otherwise use its own employees and who is under the direct control of CCS with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, therapist, or contracted provider of digital educational platforms and/or services; a parent or scholar volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, scholar, or other volunteer assisting another CCS official in performing an institutional service or function. A CCS official has a legitimate educational interest if the official needs to review an education record in order to fulfill their professional responsibility.

Upon request, CCS discloses education records without consent to officials of another school district in which a scholar seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the scholar’s enrollment or transfer.

Note that CCS will not release information to third parties for immigration-enforcement purposes, except as required by law or court order.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Student Privacy Policy Office
U.S. Department of Education
400 Maryland Avenue, SW Washington, DC 20202

The right to request that the Charter School not release scholar names, addresses and telephone listings to military recruiters or institutions of higher education without prior written parental consent

FERPA permits the disclosure of PII from scholar’s education records, without consent of the Learning Coach or eligible scholar, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to CCS officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the Learning Coach or eligible scholar, §99.32 of the FERPA regulations requires CCS to record the disclosure. Learning Coaches and eligible scholars have a right to inspect and review the record of disclosures. CCS may disclose PII from the education records of a scholar without obtaining prior written consent of the Learning Coach or the eligible scholar to the following parties:

1. Charter School officials who have a legitimate educational interest as defined by 34 C.F.R. Part 99;
2. Other schools to which a scholar seeks or intends to enroll so long as the disclosure is for purposes related to the scholar's enrollment or transfer. When a scholar transfers schools, the Charter School will mail the original or a copy of a scholar's cumulative file to the receiving district or private school within ten (10) school days following the date the request is received from the public school or private school where the pupil intends to enroll. The Charter School will make a reasonable attempt to notify the parent or eligible scholar of the request for records at the parent's or eligible student's last known address, unless the disclosure is initiated by the parent or eligible scholar. Additionally, Charter School will give the parent or eligible scholar, upon request, a copy of the record that was disclosed and give the parent or eligible scholar, upon request, an opportunity for hearing;
3. Certain government officials listed in 20 U.S.C. § 1232g(b)(1) in order to carry out lawful functions;
4. Appropriate parties in connection with a scholar's application for, or receipt of, financial aid if it is necessary to determine eligibility, amount of aid, conditions for aid or enforcing the terms and conditions of the aid;
5. Organizations conducting certain studies for the Charter School in accordance with 20 U.S.C. § 1232g(b)(1)(F);
6. Accrediting organizations in order to carry out their accrediting functions;
7. Parents of a dependent scholar as defined in section 152 of the Internal Revenue Code of 1986;
8. Individuals or entities, in compliance with a judicial order or lawfully issued subpoena. Subject to the exceptions found in 34 C.F.R. § 99.31(a)(9)(i), reasonable effort must be made to notify the parent or eligible scholar of the order or subpoena in advance of compliance, so that the parent or eligible scholar may seek a protective order;
9. Persons who need to know in cases of health and safety emergencies;
10. State and local authorities, within a juvenile justice system, pursuant to specific State law;
11. A foster family agency with jurisdiction over a currently enrolled or former scholar, a short-term residential treatment program staff responsible for the education or case management of a scholar, and a caregiver (regardless of whether the caregiver has been appointed as the pupil's educational rights holder) who has direct responsibility for the care of the scholar, including a certified or licensed foster parent, an approved relative or un-related extended family member, or a resource family, may access the current or most recent records of grades, transcripts, attendance, discipline, and online communication on platforms established by Charter School for scholar and parents, and any individualized education program ("IEP") or Section 504 plan that may have been developed or maintained by Charter School; and/or
12. A victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense. The disclosure may only include the final results of the disciplinary proceedings conducted by Charter School with respect to that alleged crime or offense. Charter School disclose the final results of the disciplinary proceeding, regardless of whether Charter School concluded a violation was committed.

"Directory Information" is information that is generally not considered harmful or an invasion of privacy if released. CCS may disclose the personally identifiable information that it has designated as directory information without a parent's prior written consent. CCS has designated the following information as directory information:

- Scholar's name

- Scholar's address
- Learning Coach's address
- Telephone listing
- Scholar's electronic mail address
- Learning Coach's electronic mail address
- Photograph
- Date and place of birth
- Dates of attendance
- Grade level
- Degrees, honors, and awards received
- Participation in officially recognized activities and sports
- The most recent educational agency or institution attended
- Scholar ID number, user ID, or other unique personal identifier used to communicate in electronic systems that cannot be used to access education records without a PIN, password, etc. (A scholar's social security number, in whole or in part, cannot be used for this purpose.)

If you do not want CCS to disclose directory information from your scholar's education records without your prior written consent, you must notify the School in writing at the time of enrollment or re-enrollment. Please notify the Superintendent & CEO at jlewis@compasscharters.org. A copy of the complete Policy is available upon request at the Central Office and on the School's website within the CCS Board Policy Manual.

Withdrawal from CCS

1. If a scholar decides to withdraw, the scholar's Learning Coach communicates the decision through their teacher and/or counselor.
2. The teacher notifies the Registrar who sends the learning coach an email to confirm the withdrawal.
3. For scholars in grades 9-12, the counselor will hold a voluntary exit conference with the learning coach to ensure the scholar receives the appropriate academic consultation.
4. Once the exit conference has been conducted, a withdrawal link will be emailed to the Learning Coach that will need to be filled out for the withdrawal to be complete.
5. Once the withdrawal is completed the Attendance Coordinator will email the Learning Coach a letter showing the scholar has been withdrawn that can be given to the scholar's new school.
6. If a scholar willfully damages CCS' property or the personal property of a CCS employee, or fails to return a textbook, library book, computer/tablet or other CCS property that has been loaned to the scholar, the scholar's parents/guardians are liable for all damages caused by the scholar's misconduct not to exceed ten thousand dollars (\$10,000), adjusted annually for inflation. After notifying the scholar's parent or guardian in writing of the scholar's alleged misconduct and affording the scholar due process, CCS may withhold the scholar's grades, transcripts, and diploma until the damages have been paid. If the scholar and the scholar's parent/guardian are unable to pay for the damages or to return the property, CCS will provide a program of voluntary work for the minor in lieu of the payment of monetary damages. Upon completion of the voluntary work, the scholar's grades and diploma will be released.
7. If a scholar and/or a learning coach makes the decision to withdraw from CCS prior to the end of the semester, they are automatically forfeiting their right to a letter grade for any courses still in progress, and will receive an incomplete ("I") on their transcript. Any coursework completed for

courses still in progress during a withdrawal will be lost, and cannot be transferred to a new academic institution. If the course has been 100% completed and letter grade provided by the instructor, the scholar will be awarded the credits earned. Please contact your counselor before you choose to withdraw from CCS.

Involuntary Removal Process

No scholar shall be involuntarily removed by the Charter School for any reason unless the parent or guardian of the scholar has been provided written notice of intent to remove the scholar no less than five (5) school days before the effective date of the action (“Involuntary Removal Notice”). The written notice shall be in the native language of the scholar or the scholar’s parent or guardian or, if the scholar is a foster child or youth or a homeless child or youth, the scholar’s educational rights holder. The Involuntary Removal Notice shall include the charges against the scholar and an explanation of the scholar’s basic rights including the right to request a hearing before the effective date of the action. The hearing shall be consistent with the Charter School’s expulsion procedures. If the scholar’s parent, guardian, or educational rights holder requests a hearing, the scholar shall remain enrolled and shall not be removed until the Charter School issues a final decision. As used herein, “involuntarily removed” includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions or expulsions pursuant to the Charter School’s suspension and expulsion policy.

Upon parent/guardian request for a hearing, the Charter School will provide notice of hearing consistent with its expulsion hearing process, through which the scholar has a fair opportunity to present testimony, evidence, and witnesses and confront and cross-examine adverse witnesses, and at which the scholar has the right to bring legal counsel or an advocate. The notice of hearing shall be in the native language of the scholar or the scholar’s parent or guardian or, if the scholar is a foster child or youth or a homeless child or youth, the scholar’s educational rights holder and shall include a copy of the Charter School’s expulsion hearing process.

If the parent/guardian is nonresponsive to the Involuntary Removal Notice, the scholar will be disenrolled as of the effective date set forth in the Involuntary Removal Notice. If parent/guardian requests a hearing and does not attend on the date scheduled for the hearing the scholar will be disenrolled effective the date of the hearing.

If as a result of the hearing the scholar is disenrolled, notice will be sent to the scholar’s last known district of residence within thirty (30) days.

A hearing decision not to disenroll the scholar does not prevent the Charter School from making a similar recommendation in the future should scholar truancy continue or re-occur.

Parent and Family Engagement Policy

CCS aims to provide all scholars in our school significant opportunities to receive a fair, equitable, and high-quality education, and to close educational achievement gaps while abiding by guidelines within the Elementary and Secondary Education Act (“ESEA”). CCS staff recognizes a partnership with families is essential to meet this goal. Our Parent and Family Engagement Policy leverages and promotes active involvement of all families as partners with schools to ensure scholar success. A copy of CCS’s complete

Policy is available upon request in the Central Office and on the school website within the Board Policy Manual.

2. Examples of PROHIBITED actions (corporal punishment)
 - a. Hitting, shoving, pushing, or physically restraining a student as a means of control;
 - b. Making unruly students do push-ups, run laps, or perform other physical acts that cause pain or discomfort as a form of punishment;
 - c. Paddling, swatting, slapping, grabbing, pinching, kicking, or otherwise causing physical pain.

Acceptable and Unacceptable Staff/Student Behavior

This policy is intended to guide all School faculty and staff in conducting themselves in a way that reflects the high standards of behavior and professionalism required of school employees and to specify the boundaries between students and staff.

Although this policy gives specific, clear direction, it is each staff member's obligation to avoid situations that could prompt suspicion by parents, students, colleagues, or Administrators. One viable standard that can be quickly applied, when you are unsure if certain conduct is acceptable, is to ask yourself, "Would I be engaged in this conduct if my family or colleagues were standing next to me?"

For the purposes of this policy, the term "boundaries" is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing the boundaries of a student/teacher relationship is deemed an abuse of power and a betrayal of public trust.

Some activities may seem innocent from a staff member's perspective, but can be perceived as flirtation or sexual insinuation from a student or parent point of view. The objective of the following lists of acceptable and unacceptable behaviors is not to restrain innocent, positive relationships between staff and students, but to prevent relationships that could lead to, or may be perceived as, sexual misconduct.

Staff must understand their own responsibility for ensuring that they do not cross the boundaries as written in this policy. Disagreeing with the wording or intent of the established boundaries will be considered irrelevant for disciplinary purposes. Thus, it is crucial that all employees learn this policy thoroughly and apply the lists of acceptable and unacceptable behaviors to their daily activities. Although sincere, competent interaction with students certainly fosters learning, student/staff interactions must have boundaries surrounding potential activities, locations and intentions.

Duty to Report Suspected Misconduct

When any employee reasonably suspects or believes that another staff member may have crossed the boundaries specified in this policy, he or she must immediately report the matter to a school administrator. All reports shall be as confidential as possible under the circumstances. It is the duty of the Administrator to investigate and thoroughly report the situation. Employees must also report to the Administration any awareness or concern of student behavior that crosses boundaries or where a student appears to be at risk for sexual abuse.

Examples of Specific Behaviors

The following examples are not an exhaustive list:

Unacceptable Staff/Student Behaviors (Violations of this Policy)

- Giving gifts to an individual student that are of a personal and intimate nature.

- Giving students a ride to/from school or school activities.
- Being alone in a room with a student at school with the door closed.
- Allowing students in your home.

- Being alone in a room with a student at school with the door closed. The only exception to this rule is if it is required for special educational purposes, related to a student's Individual Education Plan (IEP). The School Psychologist or employee working in the Special Education Department must have written permission from the student's guardian.
- Remarks about the physical attributes or development of anyone.

- Obtaining formal approval to take students off school property for activities such as field trips or competitions.
- E-mails, text, phone and instant messages to students must be very professional and pertaining to school activities or courses (Communication should be limited to school technology).

Suicide Prevention Policy (full board policy)

Board Policy #: 22

Adopted/Ratified: October 3, 2019

Revision Date: August 11, 2021

The Board of Directors of Compass Charter Schools recognizes that suicide is a leading cause of death among youth and should be taken seriously. To attempt to reduce suicidal ideation and behavior, and its impact on scholars and families, CCS has developed measures and strategies for suicide prevention, intervention, and postvention. This policy shall be reviewed and revised as indicated, at least annually.

In compliance with Education Code section 215, this policy has been developed in consultation with CCS and community stakeholders, school-employed mental health professionals (e.g. school counselors, psychologists, social workers, nurses), administrators, other staff members, learning coaches, scholars, local health agencies, mental health agencies and professionals, the county mental health plan, law enforcement, and community organizations in planning, implementing, and evaluating CCS' strategies for suicide prevention and intervention. CCS must work in conjunction with local government agencies, community-based organizations, and other community supports to identify additional resources.

Prevention and Instruction

Suicide prevention strategies may include, but not be limited to, efforts to promote a positive school climate that enhances scholars' feelings of connectedness with CCS and is characterized by caring staff and harmonious interrelationships among scholars.

CCS's instructional and scholar support program shall promote the healthy mental, emotional, and social development of scholars including, but not limited to, the development of problem-solving skills, coping skills, and resilience.

The Superintendent & CEO or designee may offer learning coaches education or information which describes the severity of the youth suicide problem, CCS's suicide prevention efforts, risk factors and warning signs of suicide, basic steps for helping suicidal youth, reducing the stigma of mental illness, and/or CCS and community resources that can help youth in crisis.

CCS's instructional curriculum may include information about suicide prevention, as appropriate or needed, taking into consideration the grade level and age of the scholars. If offered or included in CCS's instructional curriculum, suicide prevention instruction shall be designed to help scholars:

1. Identify and analyze signs of depression and self-destructive behaviors and understand how feelings of depression, loss, isolation, inadequacy, and anxiety can lead to thoughts of suicide.
2. Identify alternatives to suicide and develop coping, self-esteem, and resiliency skills.
3. Learn to listen, be honest, share feelings, and get help when communicating with friends who show signs of suicidal intent.
4. Identify trusted adults, CCS resources, and/or community crisis intervention resources where youth, including those at high risk, such as youth bereaved by suicide; youth with disabilities, mental illness, or substance use disorders; youth experiencing homelessness or in out-of-home settings such as foster care; and lesbian, gay, bisexual, transgender, or questioning youth can get help, and recognize that there is no stigma associated with seeking mental health, substance abuse, gender identity, or other support services.

To ensure the policies regarding suicide prevention are properly adopted, implemented, and updated, CCS shall appoint an individual (or team) to serve as the suicide prevention point of contact for CCS. The suicide prevention point of contact for CCS and the Superintendent & CEO shall ensure proper coordination and consultation with the county mental health plan if a referral is made for mental health or related services on behalf of a scholar who is a Medi-Cal beneficiary. This policy shall be reviewed and revised as indicated, at least annually in conjunction with the previously mentioned community stakeholders.

Staff Development

CCS along with its partners, has carefully reviewed available staff training to ensure it promotes the mental health model of suicide prevention and does not encourage the use of the stress model to explain suicide.

Training shall be provided for all school staff members. It may also be provided, when appropriate, for other adults on campus (such as substitutes and intermittent staff, volunteers, interns, tutors, coaches, and afterschool staff). Training shall include the following:

1. All suicide prevention trainings shall be offered under the direction of mental health professionals (e.g., school counselors, school psychologists, other public entity professionals, such as psychologists or social workers) who have received advanced training specific to suicide. Staff training may be adjusted year-to-year based on previous professional development activities and emerging best practices.
2. At least annually, all staff shall receive training on the risk factors and warning signs of suicide, suicide prevention, intervention, referral, and postvention.
3. At a minimum, all staff shall participate in training on the core components of suicide prevention (identification of suicide risk factors and warning signs, prevention, intervention, referral, and postvention) at the beginning of their employment or annually. Core components of the general suicide prevention training shall include:
 - a. Suicide risk factors, warning signs, and protective factors.
 - b. How to talk with a scholar about thoughts of suicide.

- c. How to respond appropriately to the youth who has suicidal thoughts. Such responses shall include constant supervision of any scholar judged to be at risk for suicide and an immediate referral for a suicide risk assessment.
 - d. Emphasis on immediately referring (same day) any scholar who is identified to be at risk of suicide for assessment while staying under constant monitoring by staff member.
 - e. Emphasis on reducing stigma associated with mental illness and that early prevention and intervention can drastically reduce the risk of suicide.
 - f. Reviewing the data annually to look for any patterns or trends of the prevalence or occurrence of suicide ideation, attempts, or death. Data from the California School Climate, Health, and Learning Survey (Cal-SCHLS) should also be analyzed to identify school climate deficits and drive program development. See the Cal-SCHLS Web site at <http://cal-schls.wested.org/>.
 - g. Information regarding groups of scholars judged by the school, and available research, to be at elevated risk for suicide. These groups include, but are not limited to, the following:
 - i. Youth affected by suicide.
 - ii. Youth with a history of suicide ideation or attempts.
 - iii. Youth with disabilities, mental illness, or substance abuse disorders.
 - iv. Lesbian, gay, bisexual, transgender, or questioning youth.
 - v. Youth experiencing homelessness or in out-of-home settings, such as foster care.
 - vi. Youth who have suffered traumatic experiences.
4. In addition to initial orientations to the core components of suicide prevention, ongoing annual staff professional development for all staff may include the following components:
- a. The impact of traumatic stress on emotional and mental health.
 - b. Common misconceptions about suicide.
 - c. Charter School and community suicide prevention resources.
 - d. Appropriate messaging about suicide (correct terminology, safe messaging guidelines).
 - e. The factors associated with suicide (risk factors, warning signs, protective factors).
 - f. How to identify youth who may be at risk of suicide.
 - g. Appropriate ways to interact with a youth who is demonstrating emotional distress or is suicidal. Specifically, how to talk with a scholar about their thoughts of suicide and (based on CCS guidelines) how to respond to such thinking; how to talk with a scholar about thoughts of suicide and appropriately respond and provide support based on CCS guidelines.
 - h. Charter School-approved procedures for responding to suicide risk (including multi-tiered systems of support and referrals). Such procedures should emphasize that the suicidal scholar should be constantly supervised until a suicide risk assessment is completed.

- i. Charter School-approved procedures for responding to the aftermath of suicidal behavior (suicidal behavior postvention).
- j. Responding after a suicide occurs (suicide postvention).
- k. Resources regarding youth suicide prevention.
- l. Emphasis on stigma reduction and the fact that early prevention and intervention can drastically reduce the risk of suicide.
- m. Emphasis that any scholar who is identified to be at risk of suicide is to be immediately referred (same day) for assessment while being constantly monitored by a staff member.

Employee Qualifications and Scope of Services

Employees of CCS must act only within the authorization and scope of their credential or license. While it is expected that school professionals are able to identify suicide risk factors and warning signs, and to prevent the immediate risk of a suicidal behavior, treatment of suicidal ideation is typically beyond the scope of services offered in the school setting. In addition, treatment of the mental health challenges often associated with suicidal thinking typically requires mental health resources beyond what schools are able to provide.

Intervention and Emergency Procedures

CCS designates the following administrators to act as the primary and secondary suicide prevention liaisons:

1. Director of Counseling Services
2. School counselor

Whenever a staff member suspects or has knowledge of a scholar's suicidal intentions, they shall promptly notify the primary designated suicide prevention liaison. If this primary suicide prevention liaison is unavailable, the staff shall promptly notify the secondary suicide prevention liaison.

The suicide prevention liaison shall immediately notify the Superintendent & CEO or designee, who shall then notify the scholar's parent/guardian as soon as possible if appropriate and in the best interest of the scholar. Determination of notification to parents/guardians/caregivers should follow a formal initial assessment to ensure that the scholar is not endangered by parental notification.

The suicide prevention liaison shall also refer the scholar to mental health resources at CCS or in the community.

When a scholar is in imminent danger (has access to a gun, is on a rooftop, or in other unsafe conditions), a call shall be made to 911.

Scholars shall be encouraged to notify a teacher, administrator, counselor, or other adult when they are experiencing thoughts of suicide or when they suspect or have knowledge of another

scholar's suicidal intentions. CCS staff should treat each report seriously, calmly, and with active listening and support. Staff should be non-judgmental to scholars and discuss with the scholar, and parent/guardian, about additional resources to support the scholar.

Every statement regarding suicidal intent shall be taken seriously. Whenever a staff member suspects or has knowledge of a scholar's suicidal intentions, he/she shall promptly notify the primary or secondary suicide prevention liaisons.

Although any personal information that a scholar discloses to a school counselor shall generally not be revealed, released, referenced, or discussed with third parties, the School counselor and Director of Counseling Services shall report to the scholar's learning coach (parents/guardians/caregivers) when he/she has reasonable cause to believe that disclosure is necessary to avert a clear and present danger to the health, safety, or welfare of any scholar when appropriate and in the best interest of the scholar. Determination of notification to parents/guardians/caregivers should follow a formal initial assessment to ensure that the scholar is not endangered by parental notification.

In addition, the counselor may disclose information of a personal nature to psychotherapists or other health care providers for the sole purpose of referring the scholar for treatment. The School counselor or Director of Counseling Services may also refer the scholar to mental health resources at CCS or in the community.

When a suicide attempt or threat is reported, on campus or at a school-related activity, the suicide prevention liaison shall, at a minimum:

1. Ensure the scholar's physical safety by one or more of the following, as appropriate:
 - a. Securing immediate medical treatment if a suicide attempt has occurred.
 - b. Securing law enforcement and/or other emergency assistance if a suicidal act is being actively threatened.
 - c. Keeping the scholar under continuous adult supervision until the parent/guardian and/or appropriate support agent or agency can be contacted and has the opportunity to intervene.
 - d. Remaining calm, keeping in mind the scholar is overwhelmed, confused, and emotionally distressed.
 - e. Moving all other scholars out of the immediate area.
 - f. Not sending the scholar away or leaving him/her alone, even to go to the restroom.
 - g. Providing comfort to the scholar, listening and allowing the scholar to talk and being comfortable with moments of silence.
 - h. Promising privacy and help, but not promising confidentiality.

1. Document the incident in writing as soon as feasible.

2. Follow up with the parent/guardian and scholar in a timely manner to provide referrals to appropriate services as needed and coordinate and consult with the county mental health plan if a referral is made for mental health or related services on behalf of a scholar who is a Medi-Cal beneficiary.
3. After a referral is made, CCS shall verify with the parent/guardian that the follow up treatment has been accessed. Parents/guardians will be required to provide documentation of care for the scholar. If parents/guardians refuse or neglect to access treatment for a scholar who has been identified to be at risk for suicide or in emotional distress, the suicide prevention liaisons shall meet with the parent to identify barriers to treatment (e.g., cultural stigma, financial issues) and work to rectify the situation and build understanding of care. If follow up care is still not provided, CCS may contact Child Protective Services.
4. Provide access to counselors or other appropriate personnel to listen to and support scholars and staff who are directly or indirectly involved with the incident at CCS.
5. Provide an opportunity for all who respond to the incident to debrief, evaluate the effectiveness of the strategies used, and make recommendations for future actions.

In the event a suicide occurs or is attempted on the CCS campus, the suicide prevention liaison shall follow the crisis intervention procedures contained in CCS's safety plan. After consultation with the Superintendent & CEO or designee and the scholar's parent/guardian about facts that may be divulged in accordance with the laws governing confidentiality of scholar record information, the Superintendent & CEO or designee may provide scholars, parents/guardians, and staff with information, counseling, and/or referrals to community agencies as needed. CCS staff may receive assistance from CCS counselors or other mental health professionals in determining how best to discuss the suicide or attempted suicide with scholars.

In the event a suicide occurs or is attempted off the CCS campus and unrelated to school activities, the Superintendent & CEO or designee shall take the following steps to support the scholar:

1. Contact the parent/guardian and offer support to the family.
2. Discuss with the family how they would like CCS to respond to the attempt while minimizing widespread rumors among teachers, staff, and scholars.
3. Obtain permission from the parent/guardian to share information to ensure the facts regarding the crisis are correct.
4. The suicide prevention liaisons shall handle any media requests.
5. Provide care and determine appropriate support to affected scholars.
6. Offer to the scholar and parent/guardian steps for re-integration to school. Re-integration may include obtaining a written release from the parent/guardian to speak with any health care providers; conferring with the scholar and parent/guardian about any specific requests on how to handle the situation; informing the scholar's teachers

about possible days of absences; allowing accommodations for make-up work (being understanding that missed assignments may add stress to the scholar); appropriate staff maintaining ongoing contact with the scholar to monitor the scholar's actions and mood; and working with the parent/guardian to involve the scholar in an aftercare plan.

Supporting Scholars during or after a Mental Health Crisis

Scholars shall be encouraged through the education program and in CCS activities to notify a teacher, the Superintendent & CEO, another CCS administrator, psychologist, CCS counselor, suicide prevention liaisons, or other adult when they are experiencing thoughts of suicide or when they suspect or have knowledge of another scholar's suicidal intentions. CCS staff should treat each report seriously, calmly, and with active listening and support. Staff should be non-judgmental to scholars and discuss with the scholar, and parent/guardian, about additional resources to support the scholar.

Responding After a Suicide Death (Postvention)

A death by suicide in the school community (whether by a scholar or staff member) can have devastating consequences on the school community, including scholars and staff. CCS shall follow the below action plan for responding to a suicide death, which incorporates both immediate and long-term steps and objectives:

The suicide prevention liaison shall:

Coordinate with the Superintendent & CEO to:

1. Confirm death and cause;
2. Identify a staff member to contact the deceased's family (within 24 hours);
3. Enact the Suicide Postvention Response; and
4. Notify all staff members (ideally in-person or via phone, not via e-mail or mass notification).

Coordinate an all-staff meeting, to include:

1. Notification (if not already conducted) to staff about suicide death;
2. Emotional support and resources available to staff;
3. Notification to scholars about suicide death and the availability of support services (if this is the protocol that is decided by administration); and
4. Share information that is relevant and that which you have permission to disclose.

Prepare staff to respond to the needs of scholars regarding the following:

1. Review of protocols for referring scholars for support/assessment;
2. Talking points for staff to notify scholars; and
3. Resources available to scholars (on and off campus).

Identify scholars significantly affected by suicide death and other scholars at risk of imitative behavior.

Identify scholars affected by suicide death but not at risk of imitative behavior.

Communicate with the larger school community about the suicide death.

Consider funeral arrangements for family and school community.

Respond to memorial requests in respectful and non-harmful manner; responses should be handled in a thoughtful way and their impact on other scholars should be considered. Identify media spokesperson if needed.

Include long-term suicide postvention responses:

1. Consider important dates (i.e., anniversary of death, deceased birthday, graduation, or other significant event) and how these will be addressed
2. Support siblings, close friends, teachers, and/or scholars of deceased
3. Consider long-term memorials and how they may impact scholars who are emotionally vulnerable and at risk of suicide

Scholar Identification Cards

CCS will include the telephone number for the National Suicide Prevention Lifeline (1-800-273-8255) and the National Domestic Violence Hotline (1-800-799-7233) on all scholar identification cards. CCS will also include the number for the Crisis Text Line which can be accessed by texting HOME to 741741 and a local suicide prevention hotline on all scholar identification cards.

Suspension and Expulsion Policy (full board policy)

Board Policy #: 24

Adopted/Ratified: October 3, 2019

Revision Date: N/A

The Pupil Suspension and Expulsion Policy has been established in order to promote learning and protect the safety and well-being of all scholars at CCS. In creating this policy, CCS has reviewed Education Code Section 48900 *et seq.* which describes the non-charter schools' list of offenses and procedures to establish its list of offenses and procedures for suspensions and expulsions. The language that follows closely mirrors the language of Education Code Section 48900 *et seq.* CCS is committed to annual review of policies and procedures surrounding suspensions and expulsions and, as necessary, modification of the lists of offenses for which students are subject to suspension or expulsion.

When the Policy is violated, it may be necessary to suspend or expel a scholar from CCS. This policy shall serve as CCS' policy and procedures for scholar suspension and expulsion, and it may be amended from time to time without the need to amend the charter so long as the amendments comply with legal requirements.

Charter School staff shall enforce disciplinary rules and procedures fairly and consistently among all scholars. This Policy and its Procedures will clearly describe discipline expectations.

Discipline includes but is not limited to advising and counseling scholars. Corporal punishment shall not be used as a disciplinary measure against any scholar. Corporal punishment includes the willful infliction of or willfully causing the infliction of physical pain on a scholar. For purposes of the policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, scholars, staff or other persons or to prevent damage to school property.

CCS administration shall ensure that scholars and their parents/guardians are notified in writing upon

enrollment of all discipline policies and procedures. The notice shall state that this Policy and Procedures are available in the Scholar Handbook.

Suspended or expelled scholars shall be excluded from all school and school-related activities unless otherwise agreed during the period of suspension or expulsion.

A scholar identified as an individual with disabilities or for whom CCS has a basis of knowledge of a suspected disability pursuant to the Individuals with Disabilities Education Improvement Act of 2004 ("IDEA") or who is qualified for services under Section 504 of the Rehabilitation Act of 1973 ("Section 504") is subject to the same grounds for suspension and expulsion and is accorded the same due process procedures applicable to regular education scholars except when federal and state law mandates additional or different procedures. CCS will follow all applicable federal and state laws, including, but not limited to, the IDEA, Section 504, the California Education Code, and their implementing regulations, when imposing any form of discipline on a scholar identified as an individual with disabilities or for whom CCS has a basis of knowledge of a suspected disability or who is otherwise qualified for such services or protections in according due process to such scholars.

No scholar shall be involuntarily removed by the Charter School for any reason unless the parent or guardian of the scholar has been provided written notice of intent to remove the scholar no less than five (5) schooldays before the effective date of the action. The written notice shall be in the native language of the scholar or the scholar's parent or guardian or, if the scholar is a foster child or youth or a homeless child or youth, the scholar's educational rights holder, and shall inform him or her of the right to initiate the procedures specified below for suspensions, before the effective date of the action. If the scholar's parent, guardian, or educational rights holder initiates the procedures specified below for suspensions, the scholar shall remain enrolled and shall not be removed until the Charter School issues a final decision. As used herein, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions or expulsions pursuant to the suspension and expulsion procedures described below.

- iii. An act of cyber sexual bullying.

- (a) For purposes of this clause, “cyber sexual bullying” means the dissemination of, or the solicitation or incitement to disseminate, a photograph or other visual recording by a pupil to another pupil or to school personnel by means of an electronic act that has or can be reasonably predicted to have one or more of the effects described in subparagraphs (i) to (iv), inclusive, of paragraph (1). A photograph or other visual recording, as described above, shall include the depiction of a nude, semi-nude, or sexually explicit photograph or other visual recording of a minor where the minor is identifiable from the photograph, visual recording, or other electronic act.

4. Non-Discretionary Expellable Offenses: Students must be recommended for expulsion for any of the following acts when it is determined pursuant to the procedures below that the pupil:

- a) Possessed, sold, or otherwise furnished any firearm, explosive, or other dangerous object unless, in the case of possession of any object of this type, the student had obtained written permission to possess the item from a certificated school employee, with the Superintendent or designee's concurrence.

If it is determined by the Administrative Panel and/or Board of Directors that a scholar has brought a firearm or destructive device, as defined in Section 921 of Title 18 of the United States Code, onto campus or to have possessed a firearm or dangerous device on campus, the student shall be expelled for one year, pursuant to the Federal Gun Free Schools Act of 1994. In such instances, the pupil shall be provided due process rights of notice and a hearing as required in this policy.

C. **Suspension Procedure**

Suspensions shall be initiated according to the following procedures:

1. Conference

Suspension shall be preceded, if possible, by a conference conducted by the Superintendent or designee with the scholar and his or her parent and, whenever practical, the teacher, supervisor or Charter School employee who referred the scholar to the President & CEO or designee.

The conference may be omitted if the Superintendent or designee determines that an emergency situation exists. An "emergency situation" involves a clear and present danger to the lives, safety or health of scholars or Charter School personnel. If a scholar is suspended without this conference, both the parent/guardian and scholar shall be notified of the scholar's right to return to school for the purpose of a conference.

At the conference, the pupil shall be informed of the reason for the disciplinary action and the evidence against him or her and shall be given the opportunity to present his or her version and evidence in his or her defense, in accordance with Education Code Section 47605(b)(5)(J)(i). This conference shall be held within two (2) school days, unless the pupil waives this right or is physically unable to attend for any reason including, but not limited to, incarceration or hospitalization. No penalties may be imposed on a pupil for failure of the pupil's parent or guardian to attend a conference with Charter School officials. Reinstatement of the suspended pupil shall not be contingent upon attendance by the pupil's parent or guardian at the conference.

2. **Notice to Parents/Guardians**

At the time of the suspension, the Superintendent or designee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a scholar is suspended, the parent/guardian shall be notified in writing of the suspension and the date of return following suspension. This notice shall state the specific offense committed by the scholar. In addition, the notice may also state the date and time when the scholar may return to school. If Charter School officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may request that the parent/guardian respond to such requests without delay.

3. **Suspension Time Limits/Recommendation for Placement/Expulsion**

Suspensions, when not including a recommendation for expulsion, shall not exceed five (5) consecutive school days per suspension.

Upon a recommendation of expulsion by the Superintendent or designee, the pupil and the pupil's guardian or representative will be invited to a conference to determine if the suspension for the pupil should be extended pending an expulsion hearing. In such instances when the Charter School has determined a suspension period shall be extended, such extension shall be made only after a conference is held with the pupil or the pupil's parents, unless the pupil and the pupil's parents fail to attend the conference.

This determination will be made by the Superintendent or designee upon either of the following determinations: 1) the pupil's presence will be disruptive to the education process; or 2) the pupil poses a threat or danger to others. Upon either determination, the pupil's suspension will be extended pending the results of an expulsion hearing.

D. Authority to Expel

As required by Education Code Section 47605(b)(5)(J)(ii), scholars recommended for expulsion are entitled to a hearing adjudicated by a neutral officer to determine whether the scholar should be expelled. The procedures herein provide for such a hearing and the notice of said hearing, as required by law.

A scholar may be expelled either by the neutral and impartial Charter School Board of Directors following a hearing before it or by the Charter School Board of Directors upon the recommendation of a neutral and impartial Administrative Panel to be assigned by the Board of Directors as needed. The Administrative Panel shall consist of at least three members who are certificated and neither a teacher of the pupil nor a member of the Charter School Board of

Directors. Each entity shall be presided over by a designated neutral hearing chairperson. The Administrative Panel may recommend expulsion of any scholar found to have committed an expellable offense, and the Board of Directors shall make the final determination.

E. Expulsion Procedures

Scholars recommended for expulsion are entitled to a hearing to determine whether the scholar should be expelled. Unless postponed for good cause, the hearing shall be held within thirty (30) school days after the Superintendent or designee determines that the pupil has committed an expellable offense.

In the event an Administrative Panel hears the case, it will make a recommendation to the Governing Board for a final decision whether to expel. The hearing shall be held in closed session (complying with all pupil confidentiality rules under FERPA) unless the pupil makes a written request for a public hearing in open session three (3) days prior to the date of the scheduled hearing.

Written notice of the hearing shall be forwarded to the scholar and the scholar's parent/guardian at least ten (10) calendar days before the date of the hearing. Upon mailing the notice, it shall be deemed served upon the pupil. The notice shall include:

1. The date and place of the expulsion hearing
2. A statement of specific facts, charges and offenses upon which the proposed expulsion is based
3. A copy of CCS' disciplinary rules which relate to the alleged violation
4. Notification of the scholar's and/or parent/guardian's obligation to provide information about the scholar's status at the school to any other school district or school to which the scholar seeks enrollment
5. The opportunity for the scholar and/or the scholar's parent/guardian to appear in person or to employ and be represented by counsel or a non-attorney advisor
6. The right to inspect and obtain copies of all documents to be used at the hearing
7. The opportunity to confront and question all witnesses who testify at the hearing
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the scholar's behalf including witnesses

F. Special Procedures for Expulsion Hearings Involving Sexual Assault or Battery Offenses

CCS may, upon finding a good cause, determine that the disclosure of either the identity of the witness or the testimony of that witness at the hearing, or both, would subject the witness to an unreasonable risk of psychological or physical harm. Upon this determination, the testimony of the witness may be presented at the hearing in the form of sworn declarations which shall be examined only by the Charter School or the hearing officer. Copies of these sworn declarations, edited to delete the name and identity of the witness, shall be made available to the pupil.

1. The complaining witness in any sexual assault or battery case must be provided with a copy of the applicable disciplinary rules and advised of his/her right to (a) receive five (5) days' notice of his/her scheduled testimony, (b) have up to two (2) adult support persons of his/her choosing present in the hearing at the time he/she testifies, which may include a parent, guardian, or legal counsel, and (c) elect to have the hearing closed while testifying.
2. CCS must also provide the victim a room separate from the hearing room for the

- complaining witness' use prior to and during breaks in testimony.
3. At the discretion of the entity conducting the hearing, the complaining witness shall be allowed periods of relief from examination and cross-examination during which he or she may leave the hearing room.
 4. The entity conducting the expulsion hearing may also arrange the seating within the hearing room to facilitate a less intimidating environment for the complaining witness.
 5. The entity conducting the expulsion hearing may also limit time for taking the testimony of the complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours.
 6. Prior to a complaining witness testifying, the support persons must be admonished that the hearing is confidential. Nothing in the law precludes the entity presiding over the hearing from removing a support person whom the presiding person finds is disrupting the hearing. The entity conducting the hearing may permit any one of the support persons for the complaining witness to accompany him or her to the witness stand.
 7. If one or both of the support persons is also a witness, CCS must present evidence that the witness' presence is both desired by the witness and will be helpful to CCS. The person presiding over the hearing shall permit the witness to stay unless it is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person, in which case the presiding official shall admonish the support person or persons not to prompt, sway, or influence the witness in any way. Nothing shall preclude the presiding officer from exercising his or her discretion to remove a person from the hearing whom he or she believes is prompting, swaying, or influencing the witness.
 8. The testimony of the support person shall be presented before the testimony of the complaining witness and the complaining witness shall be excluded from the courtroom during that testimony.
 9. Especially for charges involving sexual assault or battery, if the hearing is to be conducted in the public at the request of the pupil being expelled, the complaining witness shall have the right to have his/her testimony heard in a closed session when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are not alternative procedures to avoid the threatened harm. The alternative procedures may include videotaped depositions or contemporaneous examination in another place communicated to the hearing by means of closed-circuit television.
 10. Evidence of specific instances of a complaining witness' prior sexual conduct is presumed inadmissible and shall not be heard absent a determination by the person conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before such a determination regarding extraordinary circumstances can be made, the witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.

G. Record of Hearing

A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the

proceedings can be made.

H. Presentation of Evidence

While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A recommendation by the Administrative Panel to expel must be supported by substantial evidence that the scholar committed an expellable offense.

Findings of fact shall be based solely on the evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay, and sworn declarations may be admitted as testimony from witnesses of whom the Board or Administrative Panel determines that disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

If, due to a written request by the accused pupil, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery as defined in Education Code Section 48900, a complaining witness shall have the right to have his or her testimony heard in a session closed to the public.

The decision of the Administrative Panel shall be in the form of written findings of fact and a written recommendation to the Board of Directors, which will make a final determination regarding the expulsion. The final decision by the Board of Directors shall be made within ten (10) school days following the conclusion of the hearing. The decision of the Board of Directors is final.

If the Administrative Panel decides not to recommend expulsion, the pupil shall immediately be returned to his/her educational program.

I. Written Notice to Expel

The Superintendent or designee, following a decision of the Board of Directors to expel, shall send written notice of the decision to expel, including the Board of Directors' adopted findings of fact, to the scholar or parent/guardian. This notice shall also include the following: (a) Notice of the specific offense committed by the scholar; and (b) Notice of the scholar's or parent/guardian's obligation to inform any new district in which the scholar seeks to enroll of the scholar's status with the Charter School.

The Superintendent or designee shall send a copy of the written notice of the decision to expel to the authorizer. This notice shall include the following: (a) The scholar's name; and (b) The specific expellable offense committed by the scholar.

J. Disciplinary Records

CCS shall maintain records of all scholar suspensions and expulsions at the Charter School. Such records shall be made available to the authorizer upon request.

K. No Right to Appeal

The pupil shall have no right of appeal from expulsion from CCS as the CCS Board of Directors' decision to expel shall be final.

L. Expelled Pupils/Alternative Education

Parents/guardians of pupils who are expelled shall be responsible for seeking alternative education programs including, but not limited to, programs within the County or their school

district of residence. CCS shall work cooperatively with parents/guardians as requested by parents/guardians or by the school district of residence to assist with locating alternative placements during expulsion.

M. Rehabilitation Plans

Scholars who are expelled from CCS shall be given a rehabilitation plan upon expulsion as developed by the Board of Directors at the time of the expulsion order, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. The rehabilitation plan should include a date not later than one year from the date of expulsion when the pupil may reapply to CCS for admission.

N. Readmission

The decision to readmit a pupil or to admit a previously expelled pupil from another school district or charter school shall be in the sole discretion of the Board of Directors following a meeting with the Superintendent or designee and the pupil and parent/guardian or representative to determine whether the pupil has successfully completed the rehabilitation plan and to determine whether the pupil poses a threat to others or will be disruptive to the school environment. The Superintendent or designee shall make a recommendation to the Board of Directors following the meeting regarding his or her determination. The Board shall then make a final decision regarding readmission during the closed session of a public meeting, reporting out any action taken during closed session consistent with the requirements of the Brown Act. The pupil's readmission is also contingent upon the CCS' capacity at the time the student seeks readmission.

O. Special Procedures for the Consideration of Suspension and Expulsion of Students with Disabilities

1. Notification of SELPA

CCS shall immediately notify the SELPA and coordinate the procedures in this policy with the SELPA of the discipline of any student with a disability or student that CCS or the SELPA would be deemed to have knowledge that the student had a disability.

2. Services During Suspension

Students suspended for more than ten (10) school days in a school year shall continue to receive services so as to enable the student to continue to participate in the general education curriculum, although in another setting (which could constitute a change of placement and the student's IEP would reflect this change), and to progress toward meeting the goals set out in the child's IEP/504 Plan; and receive, as appropriate, a functional behavioral assessment and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur. These services may be provided in an interim alternative educational setting.

3. Procedural Safeguards/Manifestation Determination

Within ten (10) school days of a recommendation for expulsion or any decision to change the placement of a child with a disability because of a violation of a code of student conduct, CCS, the parent/guardian, and relevant members of the IEP/504 Team shall review all relevant information in the student's file, including the child's IEP/504 Plan, any teacher observations, and any relevant information provided by the parents to determine:

- a. If the conduct in question was caused by, or had a direct and substantial relationship to, the child's disability; or
- b. If the conduct in question was the direct result of the local educational agency's failure to implement the IEP/504 Plan.

If CCS, the parent/guardian, and relevant members of the IEP/504 Team determine that either of the above is applicable for the child, the conduct shall be determined to be a manifestation of the child's disability.

If CCS, the parent/guardian, and relevant members of the IEP/504 Team make the determination that the conduct was a manifestation of the child's disability, the IEP/504 Team shall:

- a. Conduct a functional behavioral assessment and implement a behavioral intervention plan for such child, provided that the Charter School had not conducted such assessment prior to such determination before the behavior that resulted in a change in placement;
- b. If a behavioral intervention plan has been developed, review the behavioral intervention plan if the child already has such a behavioral intervention plan, and modify it, as necessary, to address the behavior; and
- c. Return the child to the placement from which the child was removed, unless the parent/guardian and CCS agree to a change of placement as part of the modification of the behavioral intervention plan.

If CCS, the parent/guardian, and relevant members of the IEP/504 Team determine that the behavior was not a manifestation of the student's disability and that the conduct in question was not a direct result of the failure to implement the IEP/504 Plan, then CCS may apply the relevant disciplinary procedures to children with disabilities in the same manner and for the same duration as the procedures would be applied to students without disabilities.

4. Due Process Appeals

The parent/guardian of a child with a disability who disagrees with any decision regarding placement, or the manifestation determination, or CCS believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, may request an expedited administrative hearing through the Special Education Unit of the Office of Administrative Hearings or by utilizing the dispute provisions of the 504 Policy and Procedures.

When an appeal relating to the placement of the student or the manifestation determination has been requested by either the parent/guardian or CCS, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer in accordance with state and federal law, including 20 U.S.C. Section 1415(k), until the expiration of the forty-five (45) day time period provided for in an interim alternative educational setting, unless the parent/guardian and CCS agree otherwise.

In accordance with 20 U.S.C. Section 1415(k)(3), if a parent/guardian disagrees with any decision regarding placement, or the manifestation determination, or if the Charter School believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, the parent/guardian or Charter School may request a hearing.

In such an appeal, a hearing officer may: (1) return a child with a disability to the placement from which the child was removed; or (2) order a change in placement of a child with a disability to an appropriate interim alternative educational setting for not more than 45 school days if the hearing officer determines that maintaining the current placement of such child is substantially likely to result in injury to the child or to others.

5. Special Circumstances

CCS personnel may consider any unique circumstances on a case-by-case basis when determining whether to order a change in placement for a child with a disability who violates a code of student conduct.

The Superintendent or designee may remove a student to an interim alternative educational setting for not more than forty-five (45) school days without regard to whether the behavior is determined to be a manifestation of the student's disability in cases where a student:

- a. Carries or possesses a weapon, as defined in 18 U.S.C. Section 930, to or at school, on school premises, or to or at a school function;
- b. Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function; or
- c. Has inflicted serious bodily injury, as defined by 20 U.S.C. Section 1415(k)(7)(D), upon a person while at school, on school premises, or at a school function.

6. Interim Alternative Educational Setting

The student's interim alternative educational setting shall be determined by the student's IEP/504 Team.

7. Procedures for Students Not Yet Eligible for Special Education Services

A student who has not been identified as an individual with disabilities pursuant to IDEA and who has violated CCS' disciplinary procedures may assert the procedural safeguards granted under this administrative regulation only if CCS had knowledge that the student was disabled before the behavior occurred.

CCS shall be deemed to have knowledge that the student had a disability if one of the following conditions exists:

- a. The parent/guardian has expressed concern in writing, or orally if the parent/guardian does not know how to write or has a disability that prevents a written statement, to CCS supervisory or administrative personnel, or to one of the child's teachers, that the student is in need of special education or related services.
- b. The parent/guardian has requested an evaluation of the child.
- c. The child's teacher, or other CCS personnel, has expressed specific concerns about a pattern of behavior demonstrated by the child, directly to the director of special education or to other CCS supervisory personnel.

If CCS knew or should have known the student had a disability under any of the three (3) circumstances described above, the student may assert any of the protections available to IDEA-eligible children with disabilities, including the right to stay-put.

If CCS had no basis for knowledge of the student’s disability, it shall proceed with the proposed discipline. CCS shall conduct an expedited evaluation if requested by the parent/guardian; however, the student shall remain in the education placement determined by CCS pending the results of the evaluation.

CCS shall not be deemed to have knowledge that the student had a disability if the parent/guardian has not allowed an evaluation, refused services, or if the student has been evaluated and determined to not be eligible.

Letter from the Superintendent & CEO

Dear Scholars and Learning Coaches:

We are happy you have chosen to make Compass Charter Schools (“CCS,” “Compass,” “School,” or the “Charter School”) your school of choice. I am proud to be the Superintendent & CEO of CCS, and I am looking forward to working with our staff to provide a quality non-classroom-based independent study program to every scholar we serve. Everyone here at CCS is committed to creating a nurturing environment as we work with you to meet the learning needs of your scholar(s).

CCS Vocabulary

Like any school, CCS has its own unique culture. To help you understand part of the culture of CCS it is important you understand our use of the following key terms:

Learning Coach - Parents and guardians are known as the “Learning Coach” for their children, and they are an integral part of their children’s success at CCS. Since we are an independent study school, much of the learning is facilitated by the learning coach.

Scholar - At CCS, we choose to refer to each student as a “scholar.” Scholar is defined as a person who is highly educated or has an aptitude for study; a distinguished academic. We refer to students as scholars because we want to emphasize our commitment to helping every individual be academically successful.

Supervising Teacher (“ST”) - For our Options (personalized learning at home) program, we assign a credentialed Supervising Teacher to support and guide each scholar on their educational journey.

Allocated Funds (“AF”) or Educational Support Funds - The funds allocated to each scholar to be used for educational materials and services that have been approved by the School.

Family Order Agreement (“FOA”) - Includes the terms and conditions in which orders may be requested. It is a requirement that this form be signed before any order may be placed.

Learning Period (“LP”) - The span of time between which an ST and scholar connect to review the learning for that time period. The span of time between which work assignments begin and when they are given to the ST for evaluation.

Materials Community Provider - A business that sells books, curriculum, and other such items.

Service Community Provider - Business that markets lessons, services, or courses to the scholars at our School.

Order Request - Request made by the LC that lists items or services that they would like to use the allocated funds for. The ST reviews and approves the list and then places the order into the online order system for the Community Provider Department to order.

OPS - The online accounting-procurement system used by our STs, Community Providers Department, and Finance Department to facilitate orders and to manage the Educational Support Funds, orders, invoices, purchase orders, and inventory.

Student Information System (“SIS”) - The system that Compass uses to manage the data of each scholar such as attendance, grades, courses, enrollment information, etc. The system used by CCS is called School Pathways.

Western Association of Schools and Colleges (“WASC”) - A committee of educators from within the region who evaluate and approve schools for accreditation based on the organization's criterion. One of their purposes is to ensure educational best practices. University of California schools has a policy that requires all schools to be accredited in order to establish and maintain an “A-G” course list.

Charter – a written document, much like a contract, that outlines the rights and obligations of a non-profit organization, company or school. In the case of charter schools, it is often a school district who approves the charter (in compliance with state laws). The charter allows a charter school to operate with some freedoms that district schools do not have, however strong academic results and promises made in the charter must be met as part of that contract.

Board Policy Manual – a written document including all of the Charter School’s board approved policies. It can be located on our website by clicking “About Us” -> “Governance” -> “Board of Directors” -> “Board Policy Manual.”

At CCS, we work diligently to provide a high quality of support to both our scholars and their families. To that end, we are proud of the extremely positive feedback we receive from parents and scholars. As a charter school, it is important that we all work together for the future of our scholars. Compass Charter Schools of Los Angeles, Compass Charter Schools of San Diego, and Compass Charter Schools of Yolo are proud to be building excellence with our district partners, Acton-Agua Dulce Unified School District, Mountain Empire Unified School District, and Winters Joint Unified School District.

We have a great leadership team:

Pledge of Excellence

CCS signed onto the Independent Study Pledge of Excellence in 2016. Its purpose is to establish a consistent, transparent approach to responsible charter school management across all of the member schools. The Code of Conduct (“Code”) is a pledge to employees, families and the public that member charter schools will conduct business in an honest, legal and ethical manner.

All members adhere to the provisions of the pledge. Commitment to ethical professional conduct is the goal of these schools. The Code is intended to serve as a basis for ethical decision in the running of these charter schools. The Pledge reads:

“Independent study in the state of California is defined as non-classroom based instruction. Non-classroom based instruction includes, but is not limited to, independent study, home study, work study, distance, and computer-based education.

We the undersigned pledge to the following in the operation and management of our charter schools offering independent study:

1. As operators of high- quality public charter schools offering independent study, we stand united behind the elements of integrity, trust, quality, and value in the operation of our schools. We know that offering personalized learning options meets the scholar where they are, aligns with what they individually need, while creating an academic program that is relevant, rigorous, and aligned to 21st Century learning.
2. As operators of high-quality public charter schools offering independent study, we stand united in managing schools that are fiscally responsible in the use of public tax dollars in our care. We value the use of independent auditors that review our financial and operational activities annually and showcase reports that are exception-free. This speaks to the commitment that we hold on financial accountability and operational integrity.
3. As operators of high-quality public charter schools offering independent study, we stand united in our efforts to operate schools that model strong integrity, value and utilize solid business practices, and abide by all rules and regulations placed upon us by school districts, regional Offices of Education, and the California Department of Education.
4. As operators of high- quality public charter schools offering independent study, we stand united

believing that the actions of a few rogue charter school operators do not reflect, align, or mirror anything about our programs. Having individuals or the media drawing comparisons speaks to either the fact that they don't know what we do or they are acting on rumor and innuendo in these conversations.

5. As operators of high- quality public charter schools offering independent study, we stand united in stating clearly that we are here for one purpose: educating scholars. Our resource centers, school sites, and classrooms are solely for the purpose of academic programming for the benefit of scholars in our care. Our commitment to scholars does not center on money, influence, or politics.
6. As operators of high-quality public charter schools offering independent study, we stand united in offering high quality programs that exist to offer innovative and tested methods of instruction and self-paced learning. We have proof by our results that we are helping scholars to think, communicate, and achieve.
7. As operators of high-quality public charter schools offering independent study, we stand united in following the state law in the operation of resource centers and school sites.

Our commitment to excellence is unwavering and our focus on scholars is what motivates us to create, manage, and grow public charter schools within the space of independent study.”

Description of Program

CCS is one of California's leading public charter schools serving scholars throughout the state in transitional kindergarten (TK), kindergarten, and grades one (1) through twelve (12). We are an independent study program. We recognize that, in education, one size does not fit all and have two great programs to serve scholars, the Options Learning Program and the Online Learning Program. This Scholar Handbook is specific to the Options Learning Program, which serves scholars in grades TK, Kindergarten, and grades one (1) through twelve (12). CCS is designed and organized to serve scholars and families who have chosen a unique educational setting that can meet an individual scholar's needs.

A prospectus, including a description of the curriculum, including titles, descriptions, and instructional aims of every course offered by CCS, is available for review upon request. Please note that, pursuant to law, the Charter School may charge for the prospectus in an amount not to exceed the cost of duplication.

CCS strives to uphold parental choices in the education of their children. CCS' Options Learning Program is a home study, personalized learning program for grades TK-12 which allows the parent (also known as the learning coach) to be fully involved in all aspects of their child's daily education. Parents should be fully committed to:

- Select and implement appropriate curriculum from a list of approved providers
- Create a compelling learning environment every school day
- Provide challenging lessons and experiences for learning
- Strive to be the best primary instructor for their scholars
- Assess their scholar's progress on a regular basis

It is our goal to equip learning coaches in this endeavor. We are committed to:

- Provide the assistance of a credentialed ST
- Maintain a variety of approved providers for use of allocated Educational Support Funds
- Provide access to a subscription package of online supplemental learning programs
- Plan field trips and other enrichment activities to foster community among our families

CCS is an academic program, and we are proud of the rich, rigorous, standards-based program we provide. Because we are a virtual school, many of our procedures take advantage of digital tools. For example, parent workshops, clubs, and communication are conducted virtually. Scholar portfolios are maintained in an application that can be accessed on a phone, tablet, or computer. These digital tools allow us to enhance our scholars' learning, as well as the relationships and communication we have with them and each other. While a virtual community is important to us, we also seek to build in-person communities with a variety of enrichment events, workshops, and field trips.

Scholars and learning coaches work with their assigned, credentialed ST to develop a custom personalized learning plan for their scholars. Families communicate with their assigned ST on a regular basis to discuss work and progress and to submit samples and attendance logs. In addition, Educational Support Funds are allocated to each scholar to use towards approved, non-sectarian educational materials, curriculum, and services.

Enrollment Requirements

General Requirements

- A scholar must be five (5) years of age on or before September 1st in order to be admitted to kindergarten at any time during that school year. For those young scholars who will turn five between September 2 and December 2, they can enroll in Transitional Kindergarten. A scholar's age cannot exceed 19 years for initial enrollment unless the scholar has been continuously enrolled in school and making satisfactory progress toward graduation; if a scholar was not attending school at any time after his/her 19th birthday, he/she may not enroll with CCS.

Immunization records are required for all incoming scholars. Verification of immunizations will be completed with written medical records from the child's doctor or immunization clinic. To ensure a safe learning environment for all scholars, the Charter School follows and abides by the health standards set forth by the state of California. The immunization status of all scholars will be reviewed periodically. Those scholars who are not in compliance with the State guidelines must be excluded from classroom-based instruction until the requirements are met unless otherwise exempt. Scholars who have been exposed to a communicable disease for which they have not been immunized may be excluded from classroom-based instruction at the discretion of the Charter School.

These required immunizations include:

Learning coaches are asked to provide proof of immunizations upon registration in order to maintain updated records. All scholars must be fully immunized in accordance with the California Health and Safety Code and the California Code of Regulations with the following exceptions:

1. Scholars who show proof of a medical exemption by a physician licensed to practice medicine in California pursuant to Health and Safety Code Section 120370.
 - Commencing January 1, 2021, the California Department of Public Health standardized medical exemption form shall be the only documentation of a medical exemption that the School shall accept.
 - On and after July 1, 2021, the School shall not unconditionally admit or readmit, or admit or advance any student to 7th grade, unless the student has been fully immunized

 - A student who has not received all of the required immunizations will not be eligible to attend classes at a Charter School resource center unless the student is otherwise exempt under #1 or #3.
- 3. Scholars who, prior to January 1, 2016, submitted a letter or affidavit on file at a private or public elementary or secondary school in California stating beliefs opposed to immunization, and who provides said letter or affidavit to the CCS, shall be allowed to enroll at CCS without being fully immunized until the student enrolls in the next grade span pursuant to Health and Safety Code Section 120335(g);
 - “Grade span” means each of the following:
 - i. Birth to Preschool.
 - ii. Kindergarten and grades 1 to 6, inclusive, including transitional kindergarten.
 - iii. Grades 7 to 12, inclusive.

If there is good cause to believe that a child has been exposed to a disease listed in subdivision (b) of Section 120335 and documentary proof of immunization status does not show proof of immunization against that disease, that child may be temporarily excluded from classroom-based instruction until the local health officer is satisfied that the child is no longer at risk of developing or transmitting the disease.

CCS shall immediately admit a foster child, as defined in Education Code § 48853.5(a), and a homeless child, as defined in Section 11434a(2) of Title 42 of the United States Code, regardless of whether the foster or homeless child’s immunization records are not available or are missing. However, this does not alter CCS’s obligation to obtain immunization records for foster and homeless scholars or to ensure the full immunization of foster and homeless students as required by law.

This Policy does not prohibit a pupil who qualifies for an individualized education program (“IEP”), pursuant to federal law and Education Code Section 56026, from accessing any special education and related services required by the scholar’s individualized education program.

Any scholar leaving the United States for a visit to any country considered by the Center of Disease Control (“CDC”) and Prevention to have increased risk of TB exposure MUST call the County Tuberculosis Clinic for a TB Screening upon return.

A copy of the complete Immunization Policy is available upon request at the Central Office and on the School’s website within the Board Policy Manual (Section 20).

Oral Health Exam Requirements

California law states scholars must have an oral health assessment by May 31 of their kindergarten year or, if the scholar was not previously enrolled in kindergarten in a public school, their first-grade year. A California licensed dental professional operating within his/her scope of practice must perform the check-up and fill out our oral health assessment form. If your scholar had a dental check-up in the 12 months before they started school, ask your dentist to fill out the oral health assessment form required for enrollment. If you are unable to get a dental check-up for your scholar, a waiver is available upon request.

Diabetes

The Charter School will provide an information sheet regarding type 2 diabetes to the parent or guardian of incoming 7th grade students, pursuant to Education Code Section 49452.7. The information sheet shall include, but shall not be limited to, all of the following:

- A description of type 2 diabetes.
- A description of the risk factors and warning signs associated with type 2 diabetes.
- A recommendation that scholars displaying or possibly suffering from risk factors or warning signs associated with type 2 diabetes should be screened for type 2 diabetes.
- A description of treatments and prevention of methods of type 2 diabetes.
- A description of the different types of diabetes screening tests available.

A copy of the information sheet regarding type 2 diabetes is available at:

<https://www.cde.ca.gov/ls/he/hn/type2diabetes.asp>.

Physical Examinations and Right to Refuse

All pupils must complete a health screening examination on or before the 90th day after the pupil's entrance into first grade or such pupils must have obtained a waiver pursuant to Health and Safety Code Sections 124040 and 124085. This examination can be obtained from your family physician or possibly through the services provided by your County Health Department. Information and forms are distributed to scholars enrolled in kindergarten or a California public school for the first time. If your child's medical status changes, please provide the supervising teacher with a physician's written verification of the medical issue, especially if it impacts in any way your child's ability to perform schoolwork.

A parent/guardian having control or charge of any child enrolled in the School may file annually with the Superintendent & CEO a written and signed statement stating that he or she will not consent to a physical examination of the child. Thereupon the child shall be exempt from any physical examination, but whenever there is a good reason to believe that the child is suffering from a recognized contagious or infectious disease, the child shall be sent home and shall not be permitted to return for classroom-based instruction until the school authorities are satisfied that any contagious or infectious disease does not exist.

California Healthy Kids Survey

The Charter School will administer the California Healthy Kids Survey ("CHKS") to scholars in grades 5, 7, 9, and 11 whose parent or guardian provides written permission. California Education Code sections 51513 and 51938(c) specify that parent or guardian consent be granted before scholars are given questionnaires or surveys asking about personal beliefs or practices that include health behavior and risks. There are two kinds of parent or guardian consent: passive and active.

- Active Consent requires that a parent or legal guardian be notified in writing and gives written permission for the scholar to participate in the survey. Active consent is required of the fifth grade CHKS survey.
- Passive Consent requires that a parent or legal guardian be notified in writing about the survey and is given the opportunity to review the survey. Parents need to notify the school if they do

not want their child to participate in the survey. Passive consent is required for CHKS survey administered to scholars in grades seven through twelve.

The CHKS is an anonymous, confidential survey of school climate and safety, scholar wellness, and youth resilience that enables the School to collect and analyze data regarding local youth health risks and behaviors, school connectedness, school climate, protective factors, and school violence.

Mental Health Services

The School recognizes that unidentified and unaddressed mental health challenges can lead to poor academic performance, increased likelihood of suspension and expulsion, chronic absenteeism, scholar attrition, homelessness, incarceration, and/or violence. Access to mental health services at CCS and in our community is not only critical to improving the physical and emotional safety of scholars, but it also helps address barriers to learning and provides support so that all scholars can achieve success in school and life. The following resources are available to your scholar:

Available through CCS:

- **School-based counseling services** – your scholar is encouraged to directly connect with their school counselor. Our team of school counselors are trained and qualified to provide education, prevention, intervention and referral services to scholars and their families. Each counselor works directly with scholars in various capacities to foster positive growth while also offering support to learning coaches with managing emotions, coping with crises, overcoming barriers to learning, as well as, providing relevant academic, college career readiness, and social emotional development. Although our school counselors do not provide long-term mental health therapy, we do provide a comprehensive school counseling program designed to meet the equitable needs of all scholars.
- **Special education services** – if you believe your child may have a disability, you are encouraged to directly contact the Special Education Department at (855) 937-4227 to request an evaluation.

Available in the Community:

- Community resources are listed on the school website under Counseling Services.

Available Nationally:

- National Suicide Prevention Hotline - This organization provides confidential support for adults and youth in distress, including prevention and crisis resources. Available 24 hours at (800) 273-8255.
- Crisis Text Line - Text HOME to 741741- Crisis Text Line fields messages about suicidal thoughts, abuse, sexual assault, depression, anxiety, bullying and more.
- The Trevor Project - This organization provides suicide prevention and crisis intervention for LGBTQ youth between the ages of 13 and 24. Available at (866) 488-7386 or visit <https://www.thetrevorproject.org/>.
- Big Brothers/Big Sisters of America – This organization is a community- based mentorship program. Community-specific program information can be found online at <https://www.bbbs.org> or by calling (813) 720-8778.

Human Trafficking Prevention

California has the highest number of incidents of human trafficking in the U.S., and all scholars may be vulnerable. CCS believes it is a priority to inform our scholars about (1) prevalence, nature of and strategies to reduce the risk of human trafficking, techniques to set healthy boundaries, and how to safely seek assistance, and (2) how social media and mobile device applications are used for human trafficking.

In accordance with the California Healthy Youth Act, CCS will provide age-appropriate instruction on the prevention of human trafficking, including sexual abuse, assault, and harassment. You have the right to excuse your child from all or part of instruction on prevention of human trafficking. If you choose to opt out your child from all or part of the instruction, send an email to your scholar's supervising teacher stating so. Your consent for this instruction is NOT required. If we do not receive a written request to excuse your child, your child will be included in the instruction.

Information and materials for parents/guardians about the curriculum and resources on prevention of human trafficking and abuse, including sexual abuse, assault, and harassment are available on CCS's website for your review.

Tobacco-Free Schools

Ample research has demonstrated the health hazards associated with the use of tobacco products, including smoking and the breathing of secondhand smoke. Charter School provides instructional programs designed to discourage students from using tobacco products. The Charter School's Governing Board recognizes that smoking and other uses of tobacco and nicotine products constitute a serious public health hazard and are inconsistent with the goals of CCS to provide a healthy environment for scholars and staff.

In the best interest of scholars, employees, and the general public, the Board therefore prohibits the use of tobacco products at all times on Charter School property and in Charter School vehicles. This prohibition applies to all employees, scholars, visitors, and other persons at school or at a school-sponsored activity or athletic event. It applies to any meeting on any property owned, leased, or rented by or from CCS.

Smoking or use of any tobacco-related product or disposal of any tobacco-related waste is prohibited within 25 feet of any playground, except on a public sidewalk located within 25 feet of the playground. Smoking or use of any tobacco-related product is also prohibited within 250 feet of the youth sports event in the same park or facility where a youth sports event is taking place. In addition, any form of intimidation, threat, or retaliation against a person for attempting to enforce this policy is prohibited.

The Superintendent & CEO or designee shall inform scholars, parents/guardians, employees, and the public about this policy. All individuals on Charter School premises share in the responsibility of adhering to this policy. Additionally, Charter School will post signs stating "Tobacco use is prohibited" prominently at all entrances to school property. A copy of the complete Policy is available upon request at the Central Office and on the School's website within the Board Policy Manual.

Surveys About Personal Beliefs

Unless you, the parent or guardian, give written permission, your child will not be given any test, questionnaire, survey, or examination containing any questions about your child's, or their parents' or guardians' personal beliefs or practices in sex, family life, morality, or religion.

Free and Reduced-Price Meals

Pursuant to California Law, the Charter School will provide each scholar who meets federal eligibility criteria for free or reduced-price meals with at least one (1) free or reduced-price, nutritionally adequate meal per each school day on which the eligible student is scheduled for two (2) or more hours of educational activities at a school site, resource center, meeting space or other satellite facility operated by the Charter School. Applications for free or reduced-price meals are included during the enrollment and re-enrollment process through the application of an income and household size survey. All families are encouraged to complete the application form in order to include as many eligible students as possible. Completed application forms can be returned to the Central Office.

The Charter School also maintains a School Wellness Policy pursuant to state and federal requirements. A copy of the complete Policy is available upon request at the main office and on the school website within the CCS Board Policy Manual.

Income and Household Size Survey

Public schools may qualify for several federal and state grants based on annual population demographics. By completing this survey during the enrollment and re-enrollment process families can help the Charter School attain additional resources necessary to serve all scholars. Generally, schools with families that have eligible incomes based on the free and reduced lunch qualifiers may support these additional grants. Please note, funding determinations are based upon the total number of scholars that qualify. The information submitted in this survey is a confidential educational record and therefore protected by all relevant federal and state privacy laws that pertain to educational records including, without limitation, the Family Educational Rights and Privacy Act of 1974 (FERPA), as amended (20 U.S.C. Â§ 1232g; 34 CFR Part 99); Title 2, Division 4, Part 27, Chapter 6.5 of the California Education Code, beginning at Section 49060 et seq.; the California Information Practices Act (California Civil Code Section 1798 et seq.) and Article 1, Section 1 of the California Constitution

School Safety Plan

The Charter School has established a Comprehensive School Safety Plan. The Plan is available upon request at the Central Office and on the school website within the CCS Board Policy Manual.

Pregnant and Parenting Scholars

The Charter School recognizes that pregnant and parenting scholars are entitled to accommodations that provide them with the opportunity to succeed academically while protecting their health and the health of their children. A pregnant or parenting pupil is entitled to eight (8) weeks of parental leave, or more if deemed medically necessary by the scholar's physician, which the scholar may take before the birth of the scholar's infant if there is a medical necessity and after childbirth during the school year in which the birth takes place, inclusive of any mandatory summer instruction, in order to protect the health of the scholar who gives or expects to give birth and the infant, and to allow the pregnant or parenting scholar to care for and bond with the infant. The Charter School will ensure that absences

from the scholar's regular school program are excused until the scholar is able to return to the regular school program or an alternative school program.

Upon return to school after taking parental leave, a pregnant or parenting scholar will be able to make up work missed during their leave, including, but not limited to, makeup work plans and re-enrollment in courses. Notwithstanding any other law, a pregnant or parenting scholar may remain enrolled for a fifth year of instruction in the Charter School if it is necessary in order for the scholar to be able to complete any graduation requirements, unless the Charter School determines that the scholar is reasonably able to complete the graduation requirements in time to graduate from high school by the end of the scholar's fourth year of high school.

Complaints of noncompliance with laws relating to pregnant or parenting scholars may be filed under the Uniform Complaint Procedures ("UCP") of the Charter School. The complaint may be filed in writing with the compliance officer:

J.J. Lewis, Superintendent & CEO
850 Hampshire Road, Suite R
Thousand Oaks, California 91361
(818) 824-6233
jlewis@compasscharters.org

A copy of the UCP is available upon request at the Central Office and on the school website within the CCS Board Policy Manual. For further information on any part of the complaint procedures, including filing a complaint or requesting a copy of the complaint procedures, please contact the Superintendent & CEO.

Master Agreement

To attend CCS, each scholar, Parent/Legal Guardian, and supervising teacher shall sign a Master Agreement ("MA") following a meeting with ST prior to the first day of courses each school year. This is a legal document and must be signed, dated, and returned to CCS. No scholar or learning coach will have access to the curriculum until the MA is signed and returned. Failure to sign and return an MA within the first three (3) days of starting courses will result in a mandatory meeting with the Superintendent & CEO or designee. The signed MA is the agreement that the scholar and learning coach sign to demonstrate their intention to continue enrollment in CCS. All scholars enrolled in CCS must sign a new Master Agreement each school year.

An addendum or updated MA must be submitted if changes are made in courses, supervising teacher, or grade level during the school year. This document also requires that each scholar, Parent/Legal Guardian, and supervising teacher sign, thus approving the changes.

Teacher Qualification Information

As the Charter School receives Title I federal funds through the Elementary and Secondary Education Act ("ESEA"), as reauthorized and amended by the Every Student Succeeds Act ("ESSA"), all parents or guardians may request information regarding the professional qualifications of supervising teachers and/or paraprofessionals, including at a minimum:

1. Whether the student's teacher:

- a. Has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
 - b. Is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and
 - c. Is teaching in the field of discipline of the certification of the teacher; and
2. Whether the child is provided services by paraprofessionals and, if so, their qualifications.

Upon request, the Charter School will provide the information to the parents/guardians in a timely manner. Parents/guardians may contact the Superintendent & CEO at (855) 937-4227 info@compasscharters.org to obtain this information.

Internet Service

Participation in CCS requires an Internet connection. Basic Internet service is available free of charge for all enrolled scholars who wish to utilize it. Learning coaches who wish to request Internet service reimbursement will need to fill out the appropriate forms and email our IT Department. Alternatively, a learning coach may opt to independently purchase an Internet connection. An Internet connection is required because the nature of the CCS program's communication methods requires that scholars and learning coaches have Internet so they can access resources, as well as log attendance and submit assignments.

Internet Safety Policy

It is the policy of CCS to: (a) prevent user access over its computer network to, or transmission of, inappropriate material via Internet, electronic mail, or other forms of direct electronic communications; (b) prevent unauthorized access and other unlawful online activity; (c) prevent unauthorized online disclosure, use, or dissemination of personal identification information of minors; and (d) comply with the Children's Internet Protection Act [Pub. L. No. 106-554 and 47 USC 254(h)]. The CCS Internet Safety Policy is available on the school website or at the Central Office within the CCS Board Policy Manual.

Grade Level Placement Policy

A scholar's grade level is determined upon initial enrollment and is written on the Master Agreement.

TK - 8th Grade

- Incoming scholars will be placed at their age-appropriate grade level, but not below or above grade level, unless the previous school has officially approved a retention or promotion.
- If the grade level placement the learning coach desires differs from that indicated in the prospective assignment, the situation must be discussed with the Director Options Learning prior to making the change on the Master Agreement. The Director will make a recommendation for the Superintendent & CEO or designee who shall make the final decision.

Middle School (6th-8th Grade)

An incoming 6-8th grade scholar must provide the most recent report card and current progress report, if enrolling during the school year, in order to determine appropriate placement. Failure to do so does not delay enrollment, but will delay the appropriate placement of the scholar into courses. If a scholar has not attended school for an entire academic year or more, appropriate placement will be reviewed

by the Director of Options Learning and Director of Counseling Services. Scholars may be required to take assessments to determine appropriate placement.

High School (9th-12th Grade)

An incoming 9-12th grade scholar must provide official transcripts, the most recent report card, and current progress report (if enrolling during the school year), in order to determine appropriate placement. Failure to do so does not delay enrollment, but will delay the appropriate placement of the scholar into courses.

Upon enrollment, high school scholars will be placed into courses according to the credits the scholar has earned at previous schools and takes into account appropriate course level sequencing in order to meet graduation requirements.

Policy on Promotion and Retention

Promotion to the next grade level is dependent upon the grades earned. Scholars must pass a minimal number of core curriculum courses (i.e. mathematics, science, social science, and language arts) and successfully complete any prescribed school year academic instructional support programs. Scholars who are at risk of retention will be provided with programs of supplemental instruction during the school year. Scholars who do not make satisfactory progress each year are at risk of being retained.

For scholars qualified under the Individuals with Disabilities Education Act (“IDEA”), any decisions regarding retention or promotion will be made by the Individualized Education Program (“IEP”) team in an IEP meeting. For scholars with a Section 504 Plan, any decisions will be made by the Section 504 team in a 504 meeting.

If a parent/guardian is initiating a request for a retention consultation, such a request must be made in writing to the scholar’s ST and the program Director.

The complete CCS scholar Promotion and Retention Policy is available at the Central Office or on the school website within the CCS Board Policy Manual.

Benchmark Testing

All scholars will be required to take a benchmark assessment in math and reading in order to determine a baseline of proficiency levels at the beginning of the school year. They will be assessed again at the start of the second semester, and again at the end of the school year. Pursuant to CCS’s Independent Study Board Policy, scholars are required to participate in benchmark assessments, as detailed in the Master Agreement, in order to determine satisfactory educational progress. If a scholar fails to or declines to participate in benchmark assessments, this will trigger CCS to conduct an evaluation to determine whether it is in the best interests of the scholar to remain in independent study. If the scholar has not attended school for an entire academic year or more, appropriate placement will be reviewed by the Director of Counseling Services, Coordinator, and Director of Options Learning. Scholars may be required to take additional assessments to determine appropriate placement.

Scholar Expectations

-

Learning Coach Responsibilities

- Attend monthly ST Connection Meetings along with your scholar(s)
- Complete and sign Activity Logs each Learning Period prior to the deadline.

- Ensure the Learning Coach has reliable contact information on record at the school. Inform the Records Department within five (5) business days of any changes to contact information, including phone, email, or address.
- Make sure the scholar's home environment is conducive to learning. Create a regular schedule and eliminate distractions, Be a guiding presence in your scholar's daily school life by preparing for learning. Encourage and help the scholar to be actively involved in the learning process.
- Ensure the scholar works daily, Monday through Friday, for sufficient time to ensure success (4-6 hours daily) Maintain high expectations for the scholar and monitor his/her progress on a daily and weekly basis.
- Be a positive role model for the scholar. Establish daily and weekly goals by creating a consistent schedule. Setting, reaching, and then celebrating those goals can motivate scholars toward success.
- Ensure that your high school scholar attends Learning Labs, all support sessions, and open office

hours when taking online and A-G courses.

- Become familiar with the CCS grading system and grade level standards expectations, making sure to provide sufficient work samples to the ST to determine progress and final grades.
- Supervise, tutor, coach, and direct daily lessons ensuring the scholar's work is complete and enables progress. Utilize guidance from your ST as it pertains to your scholar's achievement.
- Work in partnership with the ST and counselor to support the scholar.
- Ensure school property is treated with respect and used for appropriate educational purposes.
- Support the scholar's participation in benchmark assessments and state testing.
- Establish "rewards" and "consequences" for meeting or not meeting expectations. Setting and reaching goals and then celebrating those goals can motivate scholars toward success.

Virtual Session Expectations

The scholar is subject to discipline procedures, including suspension and expulsion in accordance with the CCS charter and the Charter School policy as it pertains to violations to any of the following expectations:

- Login using CCS email address for virtual sessions held via Zoom
- Respect opinions and privacy of others during web-based discussions.
- Refrain from posting anonymous messages unless authorized by the teacher.
- Use only your own username and password, and do not share these with anyone.
- Do not post personal information including: phone number, YouTube, Facebook, etc.
- Do not download, transmit, or post material that is intended for personal gain or profit.
- Do not post material that is obscene or defamatory or which is intended to annoy, harass, or intimidate another person. This includes distributing "spam" mail, chain email, viruses, or other intentionally destructive content.
- Do not distract other scholars via chat, web, or drawing features.
- Do not upload or post any software on CCS instructional computing resources that are not specifically required for your assignments and approved by your teacher.
- Do not post any audio, video, or other non-instructional files to any CCS server.
- Avoid using sarcasm, jargon, slang, and derogatory or foul language.
- Limit use of communications expressed in all capital letters, as this can be considered yelling.
- Do not broadcast online discussions, and never reveal other people's email addresses.

A copy of CCS' full Suspension and Expulsion Policy is available on the school website or at the Central Office, as well as within this Handbook.

Attendance

Attendance is important for the success of a scholar. If a scholar does not attend school, then a scholar cannot succeed in their courses. Attendance at an independent study school looks very different than that at a brick and mortar school.

Independent study attendance credit is based upon the scholar's daily engagement in instructional activities required by the school (assignments) on days that school is in session (Monday through Friday, non-holidays) and further determined based upon the time value of the scholar's work product, judged in the discretion of the supervising credentialed teacher. A copy of the Charter School's full Independent

Study Policy is available on the School website within the CCS Board Policy Manual or at the Central Office.

PE/Activity Logs

The learning coach and scholar must ensure that activity logs are accurate, marking activity each day in the relevant subject areas. Activities may include virtual courses, outside courses, courses at learning centers, lessons at home, field trips, etc. This log is a mandatory requirement and must be updated each Learning Period and signed by the Learning Coach or authorized contact. The connection meetings between the ST, the learning coach, and scholar allow for open communication as well as a validation of submitted activity logs. In addition, work assignments/samples must be shared with the scholar's ST via an application called Seesaw.

Blanks on the activity log from lack of educational activity for the day or from lack of connections with the ST are considered absences. All absences are unexcused.

Work Sample Requirements

In order for attendance credit to be given, representative work samples must be provided to the teacher when requested and in accordance with the frequency, time, and manner specified in the Board Policy on Independent Study and the applicable provisions of the Master Agreement. Work samples need to be submitted to the assigned supervising teacher each learning period.

If the teacher requires further or alternate samples to determine attendance or grades, those must be provided within three (3) days of the request.

Teachers will give scholars due dates and the quantity and descriptions of work samples that should be submitted in accordance with the Board Policy.

It is essential that these work samples are submitted on time. Failure to do so can result in academic or disciplinary sanctions, including truancy.

Monthly Connections Meeting

Although connections can certainly be made more often and by other means as needed, scholars and learning coaches (parents) must connect with the ST either in person, or by any other live visual or audio connection (i.e. Zoom) no less than once (1) per every twenty (20) school days. The Parent(s), scholar, and ST should decide on and set the connection dates for the year and keep that schedule

Homeroom Instruction

Opportunities for synchronous instruction and daily live interaction shall be made available to scholars in accordance with the Independent Study Board Policy. Supervising teachers will be providing homeroom instruction for their roster scholars to participate in grouped synchronous instruction daily for TK-3rd grades and weekly for grades 4-12.

Animal Dissections

Scholars at the Charter School may perform animal dissections as part of the science curriculum. Any scholar who provides his or her teacher with a written statement, signed by his or her parent/guardian, specifying the scholar's moral objection to dissecting or otherwise harming or destroying animals, or any

parts thereof, may be excused from such activities if the teacher believes that an adequate alternative education project is possible. The alternative education project shall require a comparable time and effort investment by the scholar. It shall not, as a means of penalizing the scholar, be more arduous than the original education project. The scholar shall not be discriminated against based upon his or her moral objection to dissecting or otherwise harming or destroying animals, or any parts thereof.

Missed Assignments / Truancy

As per the independent study policy, after five (5) missed assignments during any period of five (5) school days, an evaluation will be conducted by CCS to determine whether it is in the best interest of the scholar to remain in independent study.

In order for attendance credit to be given, representative work samples must be uploaded to the digital portfolio application or shared with the ST in another agreed upon manner in accordance with the frequency, time, and manner specified in the board policy on independent study and the applicable provisions of the Master Agreement. Although connections can certainly be made more often and by other means as needed, scholars and learning coaches (parents) must connect with the ST either in person, or by any other live visual or audio connection (i.e. Zoom) no less than once (1) per every twenty (20) school days. The Parent(s), scholar, and ST should decide on and set the connection dates for the year and keep that schedule. Opportunities for synchronous instruction and daily live interaction shall be made available to scholars in accordance with the Independent Study Board Policy.

It is during these connections that the scholar shall update the ST on the scholar's progress by the scholar (or if the scholar is too young, by the learning coach), assesses whether the scholar is making satisfactory educational progress, and approves the submitted activity logs. Work assignment samples and digital portfolio submissions are also discussed during these times. A missed connection is considered a missing assignment. Refer to "Unable to Contact" section, below, for additional information

The following are key components of learning period connections and constitute "assignments":

- Live communication/required meetings
- Work assignment samples
 - a. TK-8 - at least two total per learning period
 - b. high school - at least one per subject, per learning period)
- Daily Activity Logs completed, and signed at the end of each learning period

Missing five (5) assignments in any period of five (5) school days will be considered a violation of the Master Agreement contract, and a meeting pursuant to the Independent Study Policy will convene to determine whether placement at CCS independent study is an appropriate placement for the scholar. Similarly, if the ST determines that satisfactory educational progress is not being made, the ST shall notify the scholar and learning coach and conduct an evaluation pursuant to the Independent Study Policy to determine whether it is in the best interest of the scholar to remain in the program.

State Standardized Testing

As attendees of a public charter school, our scholars participate in the following state standardized tests:

- Grade 5, 8, 11 and 12 - California Science Test ("CAST"). Grade 12 scholars will take the CAST if

they have not previously taken it.

- Grades 3-8, and 11 - SBAC Testing (aka California Assessment of Student Performance and Progress: "CAASPP") - ELA and math
- Grade 5, 7, 9 - Physical Fitness Test ("PFT")
- English Language Learners: English Language Proficiency Assessments for California ("ELPAC")

These examinations provide CCS with information for evaluation and future planning. These exams also indicate CCS' effectiveness in carrying out its educational mission. Participation rates are critical to the success of our school. According to recent changes promulgated by the Every Student Succeeds Act ("ESSA"), signed into law in December 2015, a public school is required to achieve a participation rate of 95% on any state testing. If a school has less than 95% of its scholars participate in any assessment, the school receives a serious penalty by the state of California or federal government.

CCS administers all state standardized tests at sites geographically placed among our scholar locations. A testing schedule will be provided to our learning coaches. Individual scholar performance results on statewide assessments will be distributed to both learning coaches and STs and on the California Department of Education's ("CDE") web page at <http://www.cde.ca.gov/ta/> Notwithstanding any other provision of law, a learning coach's written request to CCS officials to excuse their scholar from any or all parts of the CAASPP assessments, including CAST, shall be granted.

Tests Proctored by Agencies Other Than CCS

Advanced Placement ("AP")

A program offering college-level curricula and examinations to high school scholars. American colleges and universities often grant placement and course credit to scholars who obtain high scores (typically scores of 3 or better) on the examinations. The AP curriculum for each of the various subjects is created for the College Board by a panel of experts and college-level educators in that field of study. For questions on AP testing, registration and locations please speak with the AP Coordinator.

Preliminary Scholastic Aptitude Test ("PSAT/NMSQT")

A shorter version of the Scholastic Aptitude Test ("SAT") and is usually taken in the junior year as practice for the SAT and is used to determine National Merit Scholars. This exam is only administered in October. For questions on PSAT testing, registration, fee waiver and locations, please contact the College & Career Readiness Counselor.

Scholastic Aptitude Test ("SAT")

A nationwide test used by most institutions to help determine college and university admission eligibility. The SAT is offered and administered by the College Board. It is the scholar's responsibility to register and pay for this test. The test may be taken more than once. There are several different test dates between August and June. Scholars are encouraged to take the SAT as early as May or June of their junior year. Apply online at www.collegeboard.com. For questions on SAT testing, registration, fee waivers and locations, please contact the College & Career Readiness Counselor.

SAT Subject Tests

Tests administered by the College Board in specific subjects. Scholars should consult specific college catalogs to find out if the subject tests are necessary for admission. There are several test dates

between August and June. Apply online at www.collegeboard.com. For questions on SAT Subject testing, registration, fee waivers and locations, please contact the College Career Readiness Counselor.

American College Test (“ACT”)

A nationwide test used by most institutions to help determine college and university admission eligibility. The ACT test content consists of English, math, reading, and science. There is also a writing portion available which many colleges require. There are several dates between September and July (different dates than the SAT). Scholars may take the test more than once. Apply online at www.actstudent.org. For questions on ACT testing, registration, fee waivers and locations, please contact the College Career Readiness Counselor.

California High School Proficiency Examination (“CHSPE”)

A test for scholars who need to verify high school level skills to earn the legal equivalent of a high school diploma. Scholars eligible to take the CHSPE must be at least 16 years of age and have been enrolled in the 10th grade for at least one academic year or will have completed one academic year of enrollment in the 10th grade at the end of the semester during which the CHSPE regular administration (Spring/Fall) will be conducted. Prior to registering for the exam, please contact your counselor. For more information, visit <https://www.chspe.net/>.

College Level Examination Program (“CLEP”)

A credit by examination program that allows participants to demonstrate college level mastery of introductory courses and possibly earn college credit (note: high school credit is not awarded). Policies for accepting CLEP college credits vary from college to college so please check with the targeted college first.

General Educational Development Test (“GED”)

Test may be taken by scholars 18 years of age or older for the purpose of earning a California High School Equivalency Certificate. Prior to registering for the exam, contact your counselor. For more information, visit <https://ged.com>.

High School Equivalency Test (“HiSET”)

Must be a California resident or a member of the Armed Forces to take this exam. A scholar must meet state eligibility requirements. Please view the link for details. Prior to registering for the exam, contact your counselor. For more information, visit <http://hiset.ets.org/requirements/ca>.

Contact Information & Communication Procedures

Methods of Communication

Reliable contact information is required for all learning coaches and for scholars.

Email Expectations

- For the protection and safety of our staff and scholars, all scholars must use their school-issued CCS scholar email for all communication, access to live sessions via Zoom, CCS online platforms such as Google Classroom, virtual workshops, engagement events, and more.

- We request that scholars (6-12th) and learning coaches use separate email addresses for email communication. The CCS issued email address is to be the primary email for all scholar communications (including 6-12). Learning coaches will need to use their own email addresses for email communication and cannot use the scholar's email address to communicate.
- All scholars are expected to communicate respectfully with school staff and peers through all methods of communication by using appropriate language. Failure to do so may result in disciplinary action.
- Scholars are expected to reply to communication from school personnel within 24 hours.
- All scholars should include their name and grade when they are emailing school staff.

Unable to Contact

Regular communication with your ST is essential at CCS. If you are planning to be unavailable to communicate with your ST for a period of time, please notify your ST so that proper arrangements to monitor your scholar's progress and attendance can be made.

Notification Regarding Change of Contact Information

As stated in the Master Agreement Acknowledgement of Responsibilities, it is the responsibility of parents, guardians or adult foster care caregiver to inform the school of any change of address, telephone number or emergency information. Parents must provide a manner to receive both written (U.S. Mail) and oral communication (telephone, cell, email) regarding their child(ren). For the protection of the scholar's health and welfare, and to facilitate immediate communication with the parent/legal guardian or caregiver, CCS, in accordance with Education Code Section 49408, requires the parent/legal guardian to provide current emergency information in the online enrollment application at the time of enrollment. Every parent/legal guardian or caregiver must complete an online enrollment application for each scholar at the time of enrollment. Emergency information should include, but is not limited to the following:

- Home address and current telephone, including cell phone
- Employment/business addresses and phone numbers
- Relative/Friend's name, address, and telephone numbers authorized to pick up and care for the scholar in an emergency situation, if the parent/legal guardian cannot be reached.

This information must be updated with the Records Department within five (5) business days to ensure timely communication with CCS staff. In order to request a change of contact information, the learning coach must complete the Change of Contact Information Form which is located on the Schools' website.

Parents of scholars with disabilities should also have the name of any other designated adult who can receive their child in case of an emergency. Scholars will only be released to a person listed on the emergency card unless the parent/legal guardian has provided written authorization on a case by case basis during testing and/ or other engagement or enrichment events. Parents are required to update this information at least twice per school year. The emergency phone number for the parents and relatives/friends and all other information, such as name or address can be changed through the [Change of Information Form](#) found on our website.

Proof of Residency

Learning coaches must notify the Enrollment Department to provide a proof of new residence. A form to submit these changes can be found on the School's website under Parent/Scholar Resources. Learning

coaches must complete the [Change of Information](#) to update their address and provide an updated proof of residence attached or emailed to compliance@compasscharters.org

Academic Program

Grades

The grade in any given course represents the degree to which the scholar has met the standards and achieved the goals of the course. Grades reflect the quality of the scholar's work and the scholar's degree of mastery of academic standards. The semester grade reflects the cumulative achievement for the entire semester. Attendance and participation are contributing factors in meeting the standards and earning a grade.

Teachers are responsible for setting objective standards for grading assignments and shall make these standards known to the Learning Coaches and scholars. Teachers are responsible for assigning grades to the scholars in their courses. Once assigned, a grade shall be final unless it comes to light that the scholar engaged in fraud or cheating, or if a mistake was made by the teacher assigning the grade. If the scholar or Learning Coach want to challenge a grade, they may follow the process outlined within the School's Educational Records and Scholar Information Policy which is located within the CCS Board Policy Manual.

TK-5th Grading Policy

Scholars' final grades will be reported according to the following scale:

- 4- Exceeds:** Scholars exceed standards and expectations. Scholars are on track to move on to the next grade level.
- 3- Meets:** Scholars meet standards and expectations. Scholars are on track to move on to the next grade level.
- 2- Nearly Meets:** Scholars nearly meet standards and expectations. This may result in a scholar being retained at their current grade level or will be asked to complete the remainder of the course work the following school year.
- 1- Does Not Meet:** Scholars have completed below 59% of subject units and does not meet standards and expectations. This may result in a scholar being retained at their current grade level or will be asked to complete the remainder of the course work the following school year.

Digital Portfolio

Scholars must regularly share their educational experiences in their digital portfolios or directly to their ST. This portfolio should be a collection of experiences and work that is a source of pride for the scholar. This collection of work samples for the school year is a portfolio of the breadth and depth of the scholar's learning. Work samples should be at the scholar's grade level (or above) and be a good representation of the scholar's true level of learning. This will help guide the learning coach, scholar, and ST discussions on the scholar's progress and will help the ST determine final grades, as well as indicate a need for additional support. It also provides insight regarding a scholar's interest or passion so that the ST can provide additional resources or support in those areas when they are able to.

Work sample suggestions:

- Written assignment

- PowerPoint presentation
- Written work, essay, or test
- Completed project with a brief summary of learning
- Video* of lessons or activities that demonstrate learning
- Summary of educational field trip or excursion
- Photo and explanation of a science experiment
- Video* or audio of the scholar reading aloud or to a sibling or parent
- Video* of a scholar giving a speech
- Video* or audio of the scholar explaining a recently learned concept

*For video or audio submissions, please include a brief description of the topic covered and the activity.

Work Sample Guidelines

TK-8th grades: From the breadth of learning experiences demonstrated in the portfolio, the ST will select two (2) assignments per learning period in the areas of English Language Arts, Math, Science, and/or Social Studies to keep on file.

9-12th grades: From the learning experiences demonstrated in the portfolio in each of the scholar's courses, the ST will select two (2) assignments per learning period to keep on file.

Written work samples should:

- Be from curriculum at the scholar's grade level / Master Agreement courses;
- Be representative of the scholar's own work and abilities;
- Be neat and legible;
- Include the scholar's name on the page;
- Not contain any religious teaching or references;
- (For Math) Show problems worked out or explained in detail by the scholar;
- NOT be multiple choice worksheets;
- Be scored and/or have written evaluative comments by the learning coach (parent);
- For photos or Videos:
 - a. Be clear with sufficient light;
 - b. Include the scholar with the project or work;
 - c. Demonstrate the learning;
 - d. Have a clearly written summary of the learning. (Use several photos if needed.)

Scholar Recognition

Additional information about our recognition program can be found on our website. For the most up to date list of our scholar awards, please visit the Parent & Scholars section of our website.

Educational Support Funds

Each scholar is allocated Educational Support Funds for curriculum, materials, and/or classes. Educational Support Funds are to be used for the scholar's educational needs, reflecting standards appropriate for their age level. Learning coaches, STs, and scholars work together to make purchasing decisions based on personal goals, learning styles, and academic progress, choosing from a wide range of our school-approved providers offering educational products and services.

Scholars have access to \$2800 (TK-8th grades) or \$3000 (high school) to support the purchase of educational materials and services needed to help the scholar progress. Allocated funds depreciate for scholars who do not start on the first day. Use of funds is spread through the year. The first half is available at the beginning of the first semester; the second half is made available just before the second semester begins. A freeze is typically placed on all orders during holiday breaks. Learning coaches also need to watch for ordering deadlines.

Before a parent is able to place their first order, they must have a signed Master Agreement and a signed Family Order Agreement (FOA) on file. Order requests will be denied without both. Also, orders will not be placed for scholars who are in violation of the Master Agreement (missing work samples, missing logs, and/or unable to contact).

The FOA addresses your responsibility when placing order requests as stated below.

For service providers that you use, you are responsible for:

- paying any provider fees NOT pre-approved by CCS on the purchase order
- paying any provider fees that exceed amounts on purchase orders
- reading and following the [Educational Support Funds Guidelines](#)
- paying any fees after scholar withdraws from the school
- confirming provider's prices & payment schedule for your scholar on emails and on purchase orders

You are also responsible for the following regarding materials providers:

- receiving your scholar(s)' orders that arrive at your home
- checking off materials that arrive by initialing it on the packing list
- comparing the shipment contents with the materials ordered, and noting missing items on the packing slip
- signing and dating the packing slip, then scanning/photographing that slip and sending it to your ST within 2 days of receiving the order.
- returning (or paying for) any items the ST considers to be non-consumable upon your withdrawal from Compass.

Contact your ST immediately if you are unable to do this for any reason (i.e. no packing slip included).

If a family fails to correctly check off and scan a copy of signed packing slips to the ST, the privilege of having materials sent directly to the scholar's home will be revoked. The family will then have to make arrangements to pick up future ordered materials from the closest ST.

Requesting Services and Materials

Order requests may only be made for products and services from our approved providers, and a signed FOA must be on file in order for material orders to be placed. Furthermore, there are guidelines to determine what materials and services are approved from these approved providers. CCS expects learning coaches to use Educational Support Funds in a reasonable manner. The learning coach submits an order request to the ST who then reviews it and, if approved, submits it to the Community Providers Department for processing. When the appropriateness of requested materials or services is in doubt, the ST and their Supervisor will evaluate using their best professional judgment. Generally, any decision made at this level is final.

Material order totals must include approximately 20-25% to cover any shipping, taxes, and/or handling fees required by the provider. (Once invoices are reconciled, any overages will return to the balance allocated for the scholar.) Please watch for any notices of deadline dates for placing order requests. In March/April, the allotment of funds will need to be finalized, as orders will close then.

Learning coaches should instruct their scholars on how to care for and respect any materials purchased by the school for scholar use. They will be expected to monitor their scholar's use of the loaned materials, including computers, to ensure appropriate use for educational purposes. [Please be advised that the computer remains school property, and there is no reasonable expectation of privacy.]

The materials purchased with state Educational Support Funds are the property of Compass Charter Schools. The materials are loaned to the scholar while they are enrolled in our school and are for their use for educational purposes. Once the scholar withdraws, the non-consumable materials must be paid for or returned within one week; otherwise, the family will be billed for the cost of the materials.. If any item purchased by the school for instructional use is lost or broken by a scholar, the scholar must pay to replace the item.

Guidelines for Using Educational Support Funds

Approved providers list: Orders may only be placed with providers on our list of approved providers, available on our website. Additional limitations may apply for some providers. Ask your ST for details.

Our payment: Compass Charter Schools only pays for services when an approved purchase order (PO) has been generated and only for the dollar amount stated on the purchase order. (For example, if a scholar has taken classes in September and October, but the purchase order only states October, then the school will NOT be responsible for paying for those September activities.)

Core curriculum: Verify with your ST that you have your core curriculum in place. Orders for extracurricular activities and materials will not be placed if core curriculum is not sufficient for the scholar's needs.

Registration of outside courses: Contact the service provider directly to discuss the fees and their registration process. You must register your scholar(s) for the courses and sort out the details, including dates and prices, directly with the provider. As part of that discussion with the provider, you must determine if the provider wants to be paid monthly (recommended) or in a lump sum at the end of the semester/session. Discuss the fees with them so it is very clear how much they will charge your scholar(s) for courses. Make sure they agree to the prices on any cost breakdown. This part is very important. Again, we **STRONGLY** recommend you get all information on fees in writing for your records.

First day of outside courses: If you plan to use allocated funds to pay for courses, be sure your scholar does not attend the course or lesson unless you have received an approved PO from your ST. We do not reimburse for materials or services ordered on your own without a PO. You are responsible for any payments before a PO is finalized. So please, plan ahead.

Reimbursement: A learning coach (parent) cannot be reimbursed using state dollars for any out-of-pocket expenses that have already been paid at any time for any reason.

Quality materials: Materials ordered must be scholar-grade quality, which is the quality public schools are required to order.

Faith-based: No religious services or materials of any type are allowed: books, CD/DVDs, videos, posters, curriculum, etc. Compass Charter Schools' assessment on whether services or materials fall under this category is final.

Over spending: Families are not allowed to spend over the amount allotted for their scholar(s). Learning coaches should be in communication with their ST about the amount of funds remaining and must not submit order requests for services or materials that will put them over the remaining amount. If order requests are submitted that do not meet this requirement, it is at the ST's discretion to reject or modify the order as deemed appropriate. The Community Providers Department determines final approval of all orders and reserves the right to cancel any issued services in order to keep a family within their budget.

The list below is not an all-inclusive list but, rather, is provided to give some guidelines to help with your orders. More details are provided in the Educational Support Funds Guidelines that are shared with each family. The ST, Community Providers Department, and/or Administration may deny an item not listed here if they feel it puts the school's compliance into question with the state or authorizing district.

Acceptable:

- Appropriate, non-sectarian educational curriculum appropriate to the scholar's course of study and grade level
- Courses/materials for core courses must be in place before enrichment can be ordered. (Core includes math, language arts, science, social studies.) ST may need to see these core materials or services.
- Music & art lessons are acceptable.
- PE classes are acceptable but must be offered through an insured instructor.
- Academic tutoring and small group instruction are acceptable.
- Using only 25% of funds toward core subjects is allowed only when ST has verified that the family has the scholar's core curriculum already on hand.

Not Acceptable:

- Using over 75% of funds toward a non-core service or product
- Sectarian (faith-based) materials
- Materials not educational in nature or to be used for something related to the scholar's course of study
- Non-scholar-grade materials
- Quantities that are not within reason, as determined by the ST and/or Community Providers Department (for example, more than one computer for a scholar)

Reminder that more specific information on the appropriate use of funds is provided in the Educational Support Funds Guideline which is provided to each family and available upon request from your ST.

Requesting New Providers

If there is a service or materials provider that you would like added to our Approved Providers List, we will do our best to accommodate. Please ask the potential provider to complete the New Provider Preliminary Application form: <https://goo.gl/ebnsRc>. This link can also be found on our website. We recommend that families send the link directly to their provider of choice via email. Do double check that the potential provider is not already an approved provider.

When you request that a business offering a high risk activity become an approved provider, do know the process will be longer than usual because of additional insurance requirements. In addition, the following are banned services/activities thus CCS will not approve any orders for: 5-day a week multi-subject all-inclusive programs, kickboxing, outdoor rock climbing, boxing, Aerial sports, tightrope walking, welding, and/or any similar high-risk activities.

Progress Monitoring

“Snapshots” of scholar progress can be viewed in the digital portfolio. Once assigned, a grade shall be final unless it comes to light that the student engaged in fraud or cheating, or if a mistake was made by the teacher assigning the grade. If the scholar or learning coach want to challenge a grade, they may follow the process outlined within the School’s Educational Records and Scholar Information Policy which is located within the CCS Board Policy Manual.

Multi-Tiered System of Support

A Multi-Tiered System of Supports (“MTSS”), including Response to Intervention (“RTI”) and Positive Behavioral Intervention and Supports (“PBIS”), is a systematic multi-tiered model which targets behavioral, social, emotional, and academic support for scholars. MTSS establishes a process for providing increasing levels of instructional time and intensity whereby the needs of all learners are identified, and supported early and effectively.

MTSS provides high quality standards-based core instruction and the use of data to identify scholars for appropriate acceleration and intervention. The MTSS model advances academic and behavioral achievement through frequent progress monitoring, ongoing data collection and analyses as well as providing immediate, evidence-based intervention.

In order to best support our scholars and ensure they are achieving academically and socially/emotionally, scholars receive support from different Tiers throughout the framework.

The three components within the CCS MTSS framework are:

- Assessments
- Internal benchmark assessments
- CAASPP State Testing

High-Quality, Evidence-Based Instruction

- Tier 1 - Core Instruction (80%--universal interventions)
- Tier 2 - Supplemental Instruction (15%--targeted group interventions)
- Tier 3 - Intensive Instruction (5%--intensive individual interventions)

Data-Based Decision Making

- Leadership meets regularly to assure outcomes are achieved
- Academic support sessions, social emotional learning, and behavioral groupings are offered on a regular basis by Compass Charter Schools. Scholars invited to these support sessions are encouraged to attend.

TK - 5 Grading Policy

TK-5th grade scholars’ final semester grades will be reported according to the following scale:

- Level 3 = Proficient - Scholar consistently demonstrates an understanding of the grade-level standards, concepts, and skills taught during this reporting period.
- Level 2 = Approaching Proficiency - Scholar is approaching an understanding of the standards, concepts, and skills taught during this reporting period.
- Level 1 = Non-Proficient - Scholar does not yet demonstrate an understanding of the standards, concepts, and skills taught during this reporting period.

High School Course Scheduling

When selecting courses each year, remember that course selection is a collaborative process that involves the scholar, Learning Coach, and counselor to ensure proper placement. Our academic program utilizes semester scheduling. No extensions are provided and all end dates are final.

High School Grading Scale

Credit is earned for cumulative grades of A through D in all courses. Each semester course receives 5 credits for each course passed. Honors and Advanced Placement courses are weighted on a 5.0 scale. CCS does not use a plus/minus grading scale.

LETTER GRADE	PERCENTAGE	COLLEGE PREP	HONORS/AP
Unweighted GPA	Weighted GPA		
A	90-100	4	5
B	80-89	3	4
C	70-79	2	3
D	60-69	1	1
F	BELOW 60	0	0

Withdrawn (“W”)- This grade will be given when a scholar withdraws from CCS prior to completing 100% of the coursework.

Incomplete (“I”) grades will be granted only under extenuating circumstances and must be brought by the ST to the Director of Options Learning and Director of Counseling Services who shall make the final decision.

Final Exam Policy

All scholars in grades 6-12 are required to take semester final examinations or complete a culminating/final project in all courses, as appropriate. The learning coach can work with the ST to find an appropriate final exam. Scholars may not “test out” of courses by only taking a final examination.

Repeat Policy

Scholars may repeat a course to improve their GPA only if the original grade was a D or F. To be accepted by the UC/CSU system, scholars may repeat the course only once. Once a course has been repeated, the grade earned in the original course will remain on the transcript, but will display with the CCS repeat code, as well as “0.00” credits earned. The original course will not be included in the computation of the GPA. The course taken to remediate the D or F will be displayed with the grade and credits earned.

High School Course Placement Guidelines

Course placement is based upon review of scholar’s assessments, transcripts, and teacher recommendations. All scholars must meet specific course prerequisites for all subject areas.

Course Placement

TK- 5th grade scholars are required to enroll in four (4) academic courses (language arts, mathematics, science, social science), and one (1) physical education course each semester of the academic school year.

Middle school scholars (6-8) are required to enroll in four (4) academic courses (language arts, mathematics, science, social science), one (1) physical education, and one (1) elective course each semester of the academic school year. (In cases where enrollment occurs late in a semester and the scholar has not been working on an elective at his/her previous school, the ST and counselor may deem it necessary to leave the elective course off the scholar’s schedule for that semester.) Our academic

program utilizes semester scheduling for all tracks. No extensions are provided and all end dates are final.

High school (9-12) course placement is based upon review of scholar's assessments, transcripts, and ST recommendations. All scholars must meet specific course prerequisites for all subject areas. High school scholars will be placed into courses according to the credits the scholar has earned at his/her previous school(s) and takes into account the courses needed in order to meet graduation requirements. When selecting courses each year, remember that course selection is a team process that involves the scholar, learning coach, ST, and counselor to ensure proper placement. Our academic program utilizes semester scheduling for all tracks. End dates are final. No extensions are provided and all end dates are final.

9th Grade Mathematics Placement Policy

CCS recognizes that scholar achievement in math is important for preparing scholars for success after high school. The purpose of this policy is to create a fair, objective, and transparent procedure for placement in math courses for scholars entering 9th grade, in order to ensure the success of every scholar and to meet the Legislative intent of the California Mathematics Placement Act of 2015. CCS' complete policy is located within the CCS Board Policy Manual.

In determining the mathematics course placement for entering 9th grade scholars, Compass Charter Schools systematically takes multiple objective academic measures of the scholar's performance into consideration, including:

- Statewide mathematics assessments, including interim and summative assessments through the California Assessment of Student Performance and Progress ("CAASPP")
- Internal assessments that are aligned to state-adopted content standards in mathematics.
- Classroom assignment and grades.
- Final grade in mathematics on the student's official, end of the year 8th grade report card.
- Results from all placement checkpoints, including at least one (1) placement checkpoint within the first month of the school year.

The Superintendent & CEO or designee, shall examine aggregate scholar placement data annually to ensure that scholars who are qualified to progress in mathematics courses based on their performance on objective academic measures included in this policy are not held back in a disproportionate manner on the basis of their race, ethnicity, gender, or socioeconomic background. Compass Charter Schools shall annually report the aggregate results of this examination to the Board of Directors.

Course Schedule Changes

Scholars need to plan their schedule carefully since schedule changes can only be processed within the first ten (10) from the start of the semester. Any additional schedule changes after this time frame will be reviewed on an individual basis.

Acceptable reasons for course schedule changes:

- Improper course placement
- Credit previously earned for the course

- Course prerequisites not met

ACOP – Accelerated Course Options Learning Program

This program allows scholars to accelerate and advance academically or recover unearned credits in their high school courses by adding additional credits to their schedule per semester. A scholar may add an additional course to their schedule no later than four (4) weeks prior to the end of a semester. Eligibility is dependent upon 75% completion in all other courses with good academic standing.

A scholar may add two (2) additional courses to their schedule no later than eight (8) weeks prior to the end of semester. Eligibility is dependent upon 50% completion in all other courses with good academic standing.

Counselor approval is required to participate in the program.

Counselors may approve a special circumstance request when a scholar may be eligible for additional course(s).

Community College Courses

Community College Courses: In some cases, it is possible for high school scholars who have completed 9th grade to enroll concurrently at a community college. Please see the School’s complete Concurrent Enrollment Policy for additional information about taking community college courses. The complete policy can be found on the School’s website in the Board Policy Manual.

A-G Requirements

The University of California (“UC”) must approve courses to meet A-G subject requirements that appear on the institution’s A-G course list. UC schools and California State Universities (“CSU”) check if freshmen applicants have taken courses from the A-G course list to meet admission requirements. 15 year-long courses must be completed with a C or better and 11 courses must be completed before the senior year. (Note: Scholars will only be awarded A-G credit for courses and providers included in the [Compass Charter Schools A-G Course Lists](#))

Cal Grant Program for College

A Cal Grant is money for college that does not have to be paid back. To qualify, a scholar must meet the eligibility and financial requirements as well as any minimum grade point average ("GPA") requirements. Cal Grants can be used at any University of California, California State University, or California Community College. Some independent and career colleges or technical schools in California also take Cal Grants.

In order to assist scholars applying for financial aid, all 12th grade scholars are automatically considered a Cal Grant applicant and each 12th grade scholar's GPA will be submitted to the California Student Aid Commission ("CASC") electronically by a school. A scholar, or the parent/guardian of a scholar under 18 years of age, may complete a form to indicate that they do not wish for the school to electronically send CASC the scholar's GPA. Until a scholar turns 18 years of age, only the parent/guardian may opt out for the scholar. Once a scholar turns 18 years of age, only the scholar may opt themselves out, unless the parent/guardian remains their educational rights holder, and can opt in if the parent/guardian had previously decided to opt out the scholar. All 12th grade scholars' GPA will be sent to CASC by October 1 of each year. Scholars currently in eleventh (11th) grade will be deemed a Cal Grant applicant, unless the scholar (or parent, if the scholar is under 18) has opted out by or before February 1.

Information Regarding Financial Aid

The Charter School shall ensure that each of its students receives information on how to properly complete and submit the Free Application for Federal Student Aid (FAFSA) or the California Dream Act Application, as appropriate, at least once before the student enters 12th grade 12. The Charter School will provide a paper copy of the FAFSA or the California Dream Act Application upon request.

- The FAFSA form and information regarding the FAFSA are available at:
 - <https://studentaid.gov/h/apply-for-aid/fafsa>
- The California Dream Act Application and information regarding the California Dream Act is available at:
 - <https://www.csac.ca.gov/post/resources-california-dream-act-application>

CCS CEEB Codes

A CEEB code is a standardized ID number that is assigned to a high school, college or university. These codes are used to identify the high school a scholar attends. The CEEB code is needed for college entrance exams such as the SAT or ACT.

CCS School Name	CEEB Code
Compass Charter Schools of Los Angeles	054907
Compass Charter Schools of San Diego	054738
Compass Charter Schools of Yolo	053634

NCAA – The National Collegiate Athletic Association

The National Collegiate Athletic Association ("NCAA") is an athletic association that consists of three (3) divisions (division I, II, and III) and oversees 23 college sports. For current NCAA academic requirements, visit eligibilitycenter.org. CCS scholars are eligible for scholarships to play sports at the collegiate level.

Additional Information about the Academic Program

Concurrent/Dual Credit Enrollment

Concurrent enrollment in another public or private K-12 school is prohibited at CCS. If a scholar is found to be enrolled in two (2) schools he/she will be withdrawn from CCS using the involuntary removal process outlined within this Handbook.

Transfer Credits

Transfer credits are awarded based upon official transcripts from previous schools. Transcript analysis may require CCS to perform research and contact previous schools to determine eligibility of transfer credits.

Home School Credit Transfer

All scholars from non-accredited/independent homeschool situations must provide records which include transcript (showing courses completed), a description of the curriculum, a copy of the Private School Affidavit, and work samples for review by CCS administration.

International Records

International records may require translation and/or evaluation prior to being considered for transfer credits. International transcripts and supporting documentation will be reviewed in order to grant appropriate credit for subjects studied in other countries. The transcripts must show that subjects were studied at the secondary level. Credits will be granted for subject's equivalent to the courses listed in the course catalog in meeting graduation requirements.

Transcripts/Records

To request transcripts and/or records, please submit a completed request form located on our website. Transcript requests are processed within ten (10) business days and records within five (5) business days. Outstanding CCS fees and/or materials may delay processing of requests.

Transcripts reflect both a weighted and unweighted grade point average (GPA):

- Traditionally, GPA is calculated on an unweighted scale. Unweighted GPA is measured on a scale of 0 to 4.0. It doesn't take the difficulty of a scholar's coursework into account. An unweighted GPA represents a 4.0 whether it was earned in an honors course or a lower level course.

Weighted GPA takes into account course difficulty rather than providing the same letter grade to GPA conversion for every scholar. Weighted GPA is measured on a scale of 0 to 5.0 and is only provided for Advanced Placement and Honors level courses.

Note: CCS policy is to not rank scholars by GPA.

Work Permits

Scholars under the age of 18 must obtain a work permit from CCS after securing an opportunity for employment. Please visit <https://www.cde.ca.gov/ci/ct/we/workpermitsforstudents.asp>, https://www.dir.ca.gov/dlse/Application_for_Entertainment_Work_Permit_for_Minor.htm for more information. You can also see the School's complete Work and Entertainment Permit Policy for

additional information about obtaining a work permit. The complete policy can be found on the School's website in the Board Policy Manual.

English Language Development (“ELD”)

Compass is committed to the success of its English Learners (“EL’s”) and support will be offered both within academic courses and in supplemental settings for scholars who need additional support for English language learning. Compass will meet all applicable legal requirements for EL’s as they pertain to annual notification to parents, scholar identification, placement, program options, EL and core content instruction, teacher qualifications and training, reclassification to fluent English proficient status, monitoring and evaluating program effectiveness, and standardized testing requirements. Compass will implement policies to assure proper placement, evaluation, and communication regarding EL’s and the rights of scholars and parents.

Adult Scholars (18 Years of Age and Older)

Scholars who are 18 years of age or older have many legal rights and responsibilities, such as the ability to sign legal documents, including but not limited to medical releases and IEPs. However, adult scholars must continue to follow policies in place for all scholars at CCS, including attendance and discipline policies.

In order for CCS to release any information related to the adult scholar's academics to their designated Learning Coach and/or parent(s), we must first receive permission from the adult scholar to do so. This release form can be found on our parent/scholar portal or by contacting the Records Department.

California Healthy Youth Act

The California Healthy Youth Act requires that comprehensive sexual health education and human immunodeficiency virus (“HIV”) prevention education be taught to students at least once in middle school and once in high school, beginning no later than grade seven. Instruction and materials must be medically accurate, objective, age-appropriate and inclusive of all students, as defined by law. The law requires that instruction and materials must encourage students to communicate with parents, guardians or other trusted adults about human sexuality. Learning Coaches can preview the School Health course syllabus and scope and sequence by request.

A parent/learning coach of a student has the right to excuse their child from all or part of comprehensive sexual health education, HIV prevention education, and assessments related to that education through a passive consent (“opt-out”) process. The Charter School does not require active parental consent (“opt-in”) for comprehensive sexual health education and HIV prevention education. Parents and guardians may:

- Inspect written and audiovisual educational materials used in comprehensive sexual health education and HIV prevention education.
- Excuse their child from participation in comprehensive sexual health education and HIV prevention education in writing to the Charter School.
- Be informed whether the comprehensive sexual health or HIV/AIDS prevention education will be taught by Charter School personnel or outside consultants. When the Charter School chooses to use outside consultants or to hold an assembly with guest speakers to teach comprehensive

sexual health or HIV/AIDS prevention education, be informed of:

- The date of the instruction
- The name of the organization or affiliation of each guest speaker
- Request a copy of Education Code sections 51930 through 51939.

Anonymous, voluntary, and confidential research and evaluation tools to measure student's health behaviors and risks (including tests, questionnaires, and surveys containing age-appropriate questions about the student's attitudes concerning or practices relating to sex) may be administered to students in grades 7-12. A parent or guardian has the right to excuse their child from the test, questionnaire, or survey through a passive consent ("opt-out") process. Parents or guardians shall be notified in writing that this test, questionnaire, or survey is to be administered, given the opportunity to review the test, questionnaire, or survey if they wish, notified of their right to excuse their child from the test, questionnaire, or survey, and informed that in order to excuse their child they must state their request in writing to the Charter School.

A student may not attend any course in comprehensive sexual health education or HIV prevention education, or participate in any anonymous, voluntary, and confidential test, questionnaire, or survey on student health behaviors and risks, if the Charter School has received a written request from the student's parent or guardian excusing the student from participation. An alternative educational activity shall be made available to students whose parents or guardians have requested that they not receive the instruction or participate in the test, questionnaire, or survey.

For our CCS scholars in the Options Learning Program, the CHYA content is provided for integration into the science course for 7th graders and the Health course for 9th graders.

Scholars with Special Needs

CCS is dedicated to the belief that all scholars can learn and must be guaranteed equal opportunity to become contributing members of the academic environment and society. CCS provides special education instruction and related services in accordance with the Individuals with Disabilities in Education Improvement Act ("IDEA"), California Education Code requirements, and applicable policies and procedures of the El Dorado County Charter SELPA. These services are available for special education scholars enrolled at CCS. We offer high quality educational programs and services for all of our scholars in accordance with the assessed needs of each scholar. CCS collaborates with learning coaches, scholars, teachers, and other agencies, as may be indicated, in order to appropriately serve the educational needs of each scholar.

CCS recognizes its legal responsibility to ensure that no qualified person with a disability shall, on the basis of disability, be excluded from participation, be denied the benefits of, or otherwise subjected to discrimination under any program of the School. Any scholar who has an objectively identified disability which substantially limits a major life activity, including, but not limited to, learning is eligible for accommodations by CCS. The learning coach of any scholar suspected of needing or qualifying for accommodations under Section 504 may make a referral for an evaluation to the Director of Special Education at 855-937-4227.

Pursuant to the IDEA and relevant state law, CCS is responsible for identifying, locating, and evaluating children enrolled at CCS with known or suspected disabilities to determine whether a need for special education and related services exists. This includes children with disabilities who are homeless or foster youth. The Charter School shall not deny nor discourage any student from enrollment solely due to a

disability. If you believe your child may be eligible for special education services, please contact the Director of Special Education at 855-937-4227.

A copy of the School's Section 504 Policies and Procedures and the School's Special Education Policy is available upon request at the Central Office and on the School's website within the CCS Board Policy Manual.

Education of Homeless Scholars

The term "homeless children and youth" means individuals who lack a fixed, regular, and adequate nighttime residence. It includes children and youths who (42 U.S.C. § 11434a):

1. Are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; or are abandoned in hospitals;
2. Have a primary nighttime residence that is a public or private place not designed for or ordinarily used as regular sleeping accommodations for human beings;
3. Are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings; and
4. Migratory children and unaccompanied youth (youth not in the physical custody of a parent or guardian) may be considered homeless if they meet the above definition of "homeless."

Homeless status is determined in cooperation with the Learning Coach. In the case of unaccompanied youth, status is determined by the School Liaison.

School Liaison

High School Graduation Requirements: Homeless students who transfer to the Charter School any time after the completion of their second year of high school shall be exempt from any of the Charter School's graduation requirements that are in excess of the California minimum graduation requirements specified in Education Code section 51225.3 ("additional graduation requirements") unless the Charter School makes a finding that the student is reasonably able to complete the Charter School's graduation requirements by the end of the student's fourth year of high school.

To determine whether a homeless student is in their third or fourth year of high school, either the number of credits the student has earned to the date of transfer or the length of the student's school enrollment may be used, whichever will qualify the student for the exemption.

Within thirty (30) calendar days of the date that a student who may qualify for exemption under the above requirements transfers into the Charter School, the Charter School shall notify the student, the student's educational rights holder, and the School Liaison of the availability of the exemption and whether the student qualifies for an exemption.

The Charter School shall notify students who are exempted from the Charter School's additional graduation requirements and the student's educational rights holder of how any of the requirements that are waived will affect the student's ability to gain admission to a postsecondary educational institution and provide information about transfer opportunities available through the California Community Colleges.

The Charter School shall not require any student who would otherwise be entitled to remain in attendance at the Charter School to accept the exemption from the Charter School's additional graduation requirements or deny the student enrollment in, or the ability to complete, courses for which the student is otherwise eligible. The Charter School shall not revoke an exemption and shall grant an eligible student's request for the exemption at any time if the student qualifies, regardless of whether the student previously declined the exemption. An eligible student's exemption from the Charter School's additional graduation requirements will continue to apply while the student is enrolled

in the Charter School or if the student transfers to another school even after the student no longer meets the definition of a homeless child.

The Charter School shall not require or request that a student transfer schools in order to qualify the student for the exemption. Nor shall a student, a student's parent/guardian or educational rights holder, or a student's social worker or probation officer request a transfer solely to qualify for an exemption from the Charter School's additional graduation requirements.

If a student who is exempted from the Charter School's additional graduation requirements completes the California minimum coursework requirements specified in Education Code section 51225.3 before the end of the student's fourth year of high school and would otherwise be entitled to remain in attendance at the Charter School, the Charter School shall not require or request that the student graduate before the end of the student's fourth year of high school.

If the Charter School determines the student is reasonably able to complete the Charter School's graduation requirements by the end of the student's fifth year of high school, the Charter School shall do the following:

- Inform the student of the student's option to remain at the Charter School for a fifth year to complete the Charter School's graduation requirements.
- Inform the student, and the educational rights holder for the student, about how remaining in school for a fifth year to complete the Charter School's graduation requirements will affect the student's ability to gain admission to a postsecondary educational institution.
- Provide information to the student about transfer opportunities available through the California Community Colleges.
- Permit the student to stay at the Charter School for a fifth year to complete the Charter School's graduation requirements upon agreement with the student, if the student is 18 years of age or older, or, if the student is under 18 years of age, upon agreement with the educational rights holder for the student.

Acceptance of Course Work: The Charter School will accept any coursework satisfactorily completed at any public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency by a homeless student.

The Charter School will provide homeless students credit for the partial completion of courses taken while attending a public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency. If the student did not complete the entire course, the Charter School shall not require the student to retake the portion of the course the student completed unless the Charter School, in consultation with the holder of educational rights for the student, finds that the student is reasonably able to complete the requirements in time to graduate from high school. When partial credit is awarded in a particular course, the homeless student shall be enrolled in the same or equivalent course, if applicable, so that the student may continue and complete the entire course. These students shall not be prevented from taking or retaking a course to meet California State University or the University of California admission eligibility requirements.

For any homeless scholar who enrolls at the CCS, a copy of the Charter School's complete policy shall be provided at the time of enrollment. A copy of the complete Policy is available upon request at the Central Office and on the School's website within the CCS Board Policy Manual.

Education of Foster and Mobile Youth

Definitions: For the purposes of this annual notice the terms are defined as follows:

1. "Foster youth" refers to any child who has been removed from their home pursuant Welfare and Institutions Code section 309 and/or is the subject of a petition filed under Welfare and Institutions Code section 300 or 602. This includes children who are the subject of cases in dependency court and juvenile justice court.
2. "Former juvenile court school pupils" refers to a student who, upon completion of the student's second year of high school, transfers from a juvenile court school to the Charter School.
3. "Child of a military family" refers to a student who resides in the household of an active duty military member.
4. "Currently Migratory Child" refers to a child who, within the last 12-months, has moved with a parent, guardian, or other person having custody to the Charter School from another Local Educational Agency ("LEA"), either within California or from another state, in order that the child or a member of the child's immediate family might secure temporary or seasonal employment in an agricultural or fishing activity, and whose parents or guardians have been informed of the child's eligibility for migrant education services. "Currently Migratory Child" includes a child who, without the parent/guardian, has continued to migrate annually to secure temporary or seasonal employment in an agricultural or fishing activity.
5. "Pupil participating in a newcomer program" means a pupil who is participating in a program designed to meet the academic and transitional needs of newly arrived immigrant pupils that has as a primary objective the development of English language proficiency.

Within this notice, foster youth, former juvenile court school pupils, a child of a military family, a currently migratory child, and a pupil participating in the newcomer program will be collectively referred to as "Foster and Mobile Youth." Within this notice, a parent, guardian, or other person holding the educational rights for a Foster and Mobile Youth will be referred to as a "parent."

Foster and Mobile Youth Liaison: The Superintendent & CEO or designee designates the following staff person as the Liaison for Foster and Mobile Youth:

Karla Gonzalez | McKinney-Vento Liaison
850 Hampshire Road, Suite R
Thousand Oaks, CA 91361
805-372-0620
kgonzalez@compasscharters.org

The Foster and Mobile Youth Liaison's responsibilities include but are not limited to the following:

- Ensuring and facilitating the proper educational placement, enrollment in school, and checkout from school of foster children.
- Assisting foster children when transferring from one school to another school in ensuring proper transfer of credits, records and grades.

School Stability: The Charter School will work with foster youth and their parent/guardian to ensure that each pupil is placed in the least restrictive educational programs, and has access to the academic resources, services, and extracurricular and enrichment activities that are available to all pupils, including, but not necessarily limited to, interscholastic sports. All decisions regarding a foster youth's education and placement will be based on the best interest of the child and shall consider, among other

factors, educational stability and the opportunity to be educated in the least restrictive educational setting necessary to achieve academic progress.

Foster youth, currently migratory children and children of military families have the right to remain in their school of origin if it is in their best interest. The Charter School will immediately enroll a foster youth, currently migratory child or child of a military family seeking re-enrollment in the Charter School as the student's school of origin (subject to the Charter School's capacity and pursuant to the procedures stated in the Charter School's charter and Board policy). If a dispute arises regarding a foster youth's request to remain in the Charter School as the school of origin, the foster youth has the right to remain in the Charter School pending the resolution of the dispute. The Charter School will also immediately enroll any foster youth, currently migratory child or child of a military family seeking to transfer to the Charter School (subject to the Charter School's capacity and pursuant to the procedures stated in the Charter School's charter and Board policy) regardless of the student's ability to meet normal enrollment documentation or uniform requirements (e.g. producing medical records or academic records from a previous school).

Foster youth, currently migratory children, and children of military families have the right to remain in their school of origin following the termination of the child's status as a foster youth, currently migratory child or child of a military family, as follows:

- For students in Kindergarten through eighth grade, inclusive, the student will be allowed to continue in the school of origin through the duration of the academic year in which the student's status changed.
- For students enrolled in high school, the student will be allowed to continue in the school of origin through graduation.

Graduation Requirements: Foster and Mobile Youth who transfer to the Charter School any time after the completion of their second year of high school, and pupils participating in a newcomer program who are in their third or fourth year of high school, shall be exempt from any of the Charter School's graduation requirements that are in excess of the California minimum graduation requirements specified in Education Code section 51225.3 ("additional graduation requirements") unless the Charter School makes a finding that the student is reasonably able to complete the Charter School's graduation requirements by the end of the student's fourth year of high school.

To determine whether a Foster and Mobile Youth is in their third or fourth year of high school, either the number of credits the student has earned to the date of transfer or the length of the student's school enrollment may be used, whichever will qualify the student for the exemption. In the case of a pupil participating in a newcomer program, enrollment in grade 11 or 12 may be used to determine whether the student is in their third or fourth year of high school.

Within thirty (30) calendar days of the date that a student who may qualify for exemption under the above requirements transfers into the Charter School, the Charter School shall notify the student, the parent/guardian, and where applicable, the student's social worker or probation officer, of the availability of the exemption and whether the student qualifies for an exemption.

The Charter School shall notify students who are exempted from the Charter School's additional graduation requirements and the student's parent/guardian how any of the requirements that are waived will affect the pupil's ability to gain admission to a postsecondary educational institution and provide information about transfer opportunities available through the California Community Colleges.

The Charter School shall not require any student who would otherwise be entitled to remain in attendance at the Charter School to accept the exemption from the Charter School's additional graduation requirements or deny the student enrollment in, or the ability to complete, courses for which the student is otherwise eligible. The Charter School shall not revoke an exemption and shall grant an eligible student's request for the exemption at any time if the student qualifies, regardless of whether the student previously declined the exemption. An eligible student's exemption from the Charter School's additional graduation requirements will continue to apply while the student is enrolled in the Charter School or if the student transfers to another school even after the court's jurisdiction terminates or the student no longer meets the definition of a child of military family, a currently migratory child or a pupil participating in a newcomer program.

The Charter School shall not require or request that a student transfer schools in order to qualify the student for the exemption. Nor shall a student, a student's parent/guardian or educational rights holder, or a student's social worker or probation officer request a transfer solely to qualify for an exemption from the Charter School's additional graduation requirements.

If a student who is exempted from the Charter School's additional graduation requirements completes the California minimum coursework requirements specified in Education Code section 51225.3 before the end of the student's fourth year of high school and would otherwise be entitled to remain in attendance at the Charter School, the Charter School shall not require or request that the student graduate before the end of the student's fourth year of high school.

If the Charter School determines the student is reasonably able to complete the Charter School's graduation requirements by the end of the student's fifth year of high school, the Charter School shall do the following:

- Inform the student of the student's option to remain at the Charter School for a fifth year to complete the Charter School's graduation requirements.
- Inform the student, and the educational rights holder for the student, about how remaining in school for a fifth year to complete the Charter School's graduation requirements will affect the student's ability to gain admission to a postsecondary educational institution.
- Provide information to the student about transfer opportunities available through the California Community Colleges.
- Permit the student to stay at the Charter School for a fifth year to complete the Charter School's graduation requirements upon agreement with the student, if the student is 18 years of age or older, or, if the student is under 18 years of age, upon agreement with the educational rights holder for the student.

Acceptance of Course Work: The Charter School will accept any coursework satisfactorily completed at any public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency by a Foster and Mobile Youth.

The Charter School will provide Foster and Mobile Youth credit for the partial completion of courses taken while attending a public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency. If the student did not complete the entire course, the Charter School shall not require the student to retake the portion of the course the student completed unless the Charter School, in consultation with the holder of educational rights for the student, finds that the pupil is reasonably able to complete the requirements in time to graduate from high school. When partial credit is awarded in a particular course, the Foster and Mobile Youth

shall be enrolled in the same or equivalent course, if applicable, so that the student may continue and complete the entire course. These students shall not be prevented from taking or retaking a course to meet California State University or the University of California admission eligibility requirements.

Scholar Records: When the Charter School receives a transfer request and/or student records request for the educational information and records of a foster youth from a new local educational agency (“LEA”), the Charter School shall provide these student records within two (2) business days. The Charter School shall compile the complete educational record of the pupil, including but not limited to a determination of seat time, full or partial credits earned, current classes and grades, immunization and other records, and, if applicable, a copy of the pupil’s special education records including assessments, IEPs, and/or 504 plans. All requests for student records will be shared with the Foster and Mobile Youth Liaison, who shall be aware of the specific educational record keeping needs of Foster and Mobile Youth.

The Charter School shall not lower a foster youth’s grades as a result of the student’s absence due to a verified court appearance, related court ordered activity, or a change in the placement of the student made by a county or placing agency. If a foster youth is absent from school due to a decision to change the placement of the student made by a county or placing agency, the grades and credits of the pupil will be calculated as of the date the student left the Charter School.

In accordance with the Charter School’s Educational Records and Scholarly Information Policy, under limited circumstances, the Charter School may disclose student records or personally identifiable information contained in those records to certain requesting parties including but not limited to a foster family agency and state and local authorities within a juvenile justice system, without parent/guardian consent. Students who are 16 years of age or older or have finished 10th grade may access their own school records.

Discipline Determinations: If the Charter School intends to extend the suspension of any foster/ youth pending a recommendation for expulsion, the Charter School will invite the student’s attorney and an appropriate representative from the relevant county agency to participate in the meeting at which the extension of the suspension will be discussed.

If the Charter School intends to suspend for more than ten (10) consecutive school days or expel a student with a disability who is also a foster youth due to an act for which the recommendation for expulsion is discretionary, the Charter School will invite the student’s attorney and an appropriate representative from the relevant county agency to participate in the Manifestation Determination Review meeting.

Complaints of Noncompliance: A complaint of noncompliance with any of the requirements outlined above may be filed through the Charter School’s Uniform Complaint Policy and Procedures. A copy of the Uniform Complaint Policy and Procedures is available upon request at the Central Office and on the school website within the CCS Board Policy Manual.

Availability of Complete Policy: For any Foster and Mobile Youth who enrolls at the Charter School, a copy of the Charter School’s complete Education for Foster Youth policy shall be provided at the time of enrollment. A copy of the complete Policy is available upon request at the Central Office and on the school website within the CCS Board Policy Manual.

Academic Integrity and Plagiarism

Academic dishonesty includes cheating, plagiarism and any attempt to obtain credit for academic work through fraudulent, deceptive, or dishonest means. CCS takes academic dishonesty in any form seriously, and it will not be tolerated.

Some examples include:

- Using or turning in another person’s work and claim as your own;
- Copying from text, a website, or other course material;
- Using or attempting to use unauthorized materials or information in any academic exercise;
- Hiring someone to write a paper;
- Buying a paper or project;
- Sharing files;
- Copying from another person’s work;
- Letting a friend or learning coach do the work for you.

What is Plagiarism?

Merriam-Webster online dictionary defines plagiarism as “the act of using another person's words or ideas without giving credit to that person: the act of plagiarizing something.”

To plagiarize means:

- to steal and pass off (the ideas or words of another) as one's own;
- to use (another's production) without crediting the source;
- to commit literary theft or fraud; or
- to present as new and original an idea or product derived from another source.

See <http://www.plagiarism.org/plagiarism-101/what-is-plagiarism> for more information.

How to Avoid Plagiarism

Scholars must give credit to the source for any information that is not either the result of original research or common knowledge. For example, it would be necessary to give credit to an author who provided an argument about the importance of the Emancipation Proclamation in the American Civil War. Conversely, major historical facts, such as the dates of the American Civil War, are considered common knowledge and do not require that credit be given to a particular author. If a scholar borrows the exact words of another author, the scholar must cite the source. If scholars are unsure whether or not they should cite, they should ask their teachers for guidance. Teachers will dictate which citation format should be used and what the guidelines are for their course.

More information on what plagiarism is and how to avoid it can be found at <https://owl.english.purdue.edu/owl/resource/589/01/>.

Prevention of Plagiarism

All scholars and learning coaches are given a copy of this CCS Options Scholar Handbook which outlines the scholar will be permitted to re-submit the work.

- The scholar will be permitted to re-submit the work.

2nd Offense

- If a scholar is caught violating academic integrity a second time, with any teacher, the teacher will notify the learning coach, and Coordinator.
- The scholar will receive a "0" on the assignment that was plagiarized and a 2nd behavior contract will be sent to be signed by both the Learning Coach and the scholar, and returned to the teacher. Notification will be sent via certified mail and email with a read receipt.

jlewis@compasscharters.org

Only complaints regarding pupil fees or LCAP compliance may be filed anonymously and only if the anonymous complainant provides evidence or information leading to evidence to support an allegation of noncompliance with laws relating to pupil fees or LCAP.

Complaints alleging unlawful discrimination, harassment, intimidation, or bullying, must be filed within six (6) months from the date the alleged discrimination, harassment, intimidation, or bullying, occurred or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation, or bullying. All other complaints under the UCP shall be filed not later than one (1) year from the date the alleged violation occurred. For complaints relating to the LCAP, the date of the alleged violation is the date on which Charter School's Board of Directors approved the LCAP or the annual update was adopted by Charter School.

The Compliance Officer responsible for investigating the complaint shall conduct and complete the investigation in accordance with California regulations and the Charter School's UCP Policy. The Compliance Office shall provide the complainant with the final written investigation report within sixty (60) calendar days from the Charter School's receipt of the complaint. This sixty (60) calendar day time period may be extended by written agreement of the complainant.

The complainant has a right to appeal CCS's Decision to the California Department of Education ("CDE") by filing a written appeal within thirty (30) calendar days of the date of Charter School's written Decision, except if Charter School has used its UCP to address a complaint that is not subject to the UCP requirements. The appeal must include a copy of the complaint filed with the Charter School, a copy of

Charter School's Decision, and the complainant must specify and explain the basis for the appeal of the Decision, including at least one of the following:

1. Charter School failed to follow its complaint procedures.
2. Relative to the allegations of the complaint, Charter School's Decision lacks material findings of fact necessary to reach a conclusion of law.
3. The material findings of fact in Charter School's Decision are not supported by substantial evidence.
4. The legal conclusion in Charter School's Decision is inconsistent with the law.
5. In a case in which Charter School's Decision found noncompliance, the corrective actions fail to provide a proper remedy.

A complainant who appeals Charter School's Decision on a UCP complaint to the CDE shall receive a written appeal decision within sixty (60) calendar days of the CDE's receipt of the appeal, unless extended by written agreement with the complainant or the CDE documents exceptional circumstances and informs the complainant.

Within thirty (30) calendar days of the date of the CDE's appeal Decision pursuant to 5 C.C.R. section 4633(f)(2) or (3), either party may request reconsideration by the State Superintendent of Public Instruction ("SSPI") or the SSPI's designee. The request for reconsideration shall specify and explain the reason(s) for contesting the findings of fact, conclusions of law, or corrective actions in the CDE's appeal Decision.

If a UCP complaint is filed directly with the CDE and the CDE determines that it merits direct intervention, the CDE shall complete an investigation and provide a written decision to the complainant within sixty (60) calendar days of receipt of the complaint, unless the parties have agreed to extend the timeline or the CDE documents exceptional circumstances and informs the complainant.

If Charter School finds merit in a UCP complaint, or the CDE finds merit in an appeal, Charter School shall take corrective actions consistent with the requirements of existing law that will provide a remedy to the affected student and/or parent/guardian as applicable.

A complainant may pursue available civil law remedies outside of the Charter School's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For unlawful discrimination, harassment, intimidation or bullying complaints arising under state law, however, a complainant must wait until sixty (60) calendar days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the Charter School has appropriately, and in a timely manner, apprised the complainant of the Complainant's right to file a complaint in accordance with 5 CCR 4622.

A copy of the UCP shall be available upon request free of charge at CCS's Central Office and on the School's website within the CCS Board Policy Manual. For further information on any part of the complaint procedures, including filing a complaint or requesting a copy of the UCP, please contact the Superintendent & CEO.

Title IX, Harassment, Intimidation, Discrimination & Bullying Policy (full board policy)

Board Policy #: 37

Adopted/Ratified: October 3, 2019

Revision Date: N/A

Discrimination, sexual harassment, harassment, intimidation, and bullying are all disruptive behaviors, which interfere with scholars' ability to learn and negatively affect scholar engagement, diminish school safety, and contribute to a hostile school environment. As such, Compass Charter Schools prohibits any acts of discrimination, sexual harassment, harassment, intimidation, and bullying altogether. This policy is inclusive of instances that occur on any area of the school campus, at school-sponsored events and activities, regardless of location, through school-owned technology, and through other electronic means.

As used in this policy, discrimination, sexual harassment, harassment, intimidation, and bullying are described as the intentional conduct, including verbal, physical, written communication or cyber-bullying, including cyber sexual bullying, based on the actual or perceived characteristics of disability, pregnancy, gender, gender identity, gender expression, nationality, ancestry, race or ethnicity, immigration and citizenship status, religion, religious affiliation, sexual orientation, childbirth or related medical conditions, marital status, age, or association with a person or group with one or more of these actual or perceived characteristics or any other basis protected by federal, state, local law, ordinance or regulation. In addition, bullying encompasses any conduct described in the definitions set forth in this Policy. Hereafter, such actions are referred to as "misconduct prohibited by this Policy."

To the extent possible, CCS will make reasonable efforts to prevent scholars from being discriminated against, harassed, intimidated, and/or bullied, and will take action to investigate, respond, address and report on such behaviors in a timely manner. CCS school staff that witness acts of misconduct prohibited by this Policy will take immediate steps to intervene when safe to do so.

Moreover, CCS will not condone or tolerate misconduct prohibited by this Policy by any employee, independent contractor or other person with which CCS does business, or any other individual, scholar, or volunteer. This Policy applies to all employees, scholars, or volunteer actions and relationships, regardless of position or gender. CCS will promptly and thoroughly investigate any complaint of such misconduct prohibited by this Policy and take appropriate corrective action, if warranted.

Grievance Procedures

1. Reporting

All staff are expected to provide appropriate supervision to enforce standards of conduct and, if they observe or become aware of misconduct prohibited by this Policy, to intervene as soon as it is safe to do so, call for assistance, and report such incidents. The Board requires staff to follow the procedures in this policy for reporting alleged acts of misconduct prohibited by this Policy.

Any scholar who believes they have been subject to misconduct prohibited by this Policy or has witnessed such prohibited misconduct is encouraged to immediately report such misconduct to the Coordinator:

J.J. Lewis | Superintendent & CEO
850 Hampshire Road, Suite R
Thousand Oaks, California 91361
(818) 824-6233
jlewis@compasscharters.org

Complaints regarding such misconduct may also be made to the U.S. Department of Education, Office for Civil Rights.

While submission of a written report is not required, the reporting party is encouraged to submit a written report to the Coordinator. Oral reports shall also be considered official reports. Reports may be made anonymously, but formal disciplinary action cannot be based solely on an anonymous report.

Scholars are expected to report all incidents of misconduct prohibited by this Policy or other verbal, or physical abuses. Any scholar who feels she/he is a target of such behavior should

immediately contact a teacher, counselor, the Superintendent/CEO, the Coordinator, a staff person or a family member so that she/he can get assistance in resolving the issue in a manner that is consistent with this Policy.

This includes keeping the identity of the reporter confidential, as appropriate, except to the extent necessary to carry out the investigation and/or to resolve the issue, as determined by the Coordinator or administrative designee on a case-by-case basis.

CCS prohibits any form of retaliation against any reporter in the reporting process, including but not limited to a reporter's filing of a complaint or the reporting of instances of misconduct prohibited by this Policy. Such participation shall not in any way affect the status, grades, or work assignments of the reporter.

All supervisors of staff will receive sexual harassment training within six (6) months of their assumption of a supervisory position and will receive further training once every two (2) years thereafter. All staff will receive sexual harassment training and/or instruction concerning sexual harassment as required by law.

2. Investigation

Upon receipt of a report of misconduct prohibited by this Policy from a scholar, staff member, parent, volunteer, visitor or affiliate of CCS, the Coordinator or administrative designee will promptly initiate an investigation. In most cases, a thorough investigation will take no more than seven (7) school days. If the Coordinator, or administrative designee determines that an investigation will take longer than seven (7) school days, he or she will inform the complainant and any other relevant parties and provide an approximate date when the investigation will be complete.

At the conclusion of the investigation, the Coordinator or administrative designee will meet with the complainant and, to the extent possible with respect to confidentiality laws, provide the complainant with information about the investigation, including any actions necessary to resolve the incident/situation. However, in no case may the Coordinator or administrative designee reveal confidential information related to other scholars or employees, including the type and extent of discipline issued against such scholars or employees.

All records related to any investigation of complaints under this Policy are maintained in a secure location.

3. Consequences

Scholars or employees who engage in misconduct prohibited by this Policy will be subject to disciplinary action.

4. Uniform Complaint Procedures

When harassment or bullying is based upon one of the protected characteristics set forth in this Policy, a complainant may also fill out a Uniform Complaint Procedures complaint form at any time during the process.

5. Right of Appeal

Should the reporting individual find the Coordinator's resolution unsatisfactory, he/she may follow the Dispute Resolution Process found in UCP.

Scholar Records, including Records Challenges and Directory Information (annual notice)

The Family Educational Rights and Privacy Act ("FERPA") affords Learning Coaches and scholars who are 18 years of age or older ("eligible students") certain rights with respect to the scholar's education records. These rights are:

1. The right to inspect and review the scholar's education records within five (5) business days after the day CCS receives a request for access. Learning Coaches or eligible scholars should submit to the CCS Superintendent & CEO or designee a written request that identifies the records they wish to inspect. The CCS official will make arrangements for access and notify the Learning Coach or eligible scholar of the time and place where the records may be inspected.
2. The right to request the amendment of the scholar's education records that the Learning Coach or eligible scholar believes are inaccurate, misleading, or otherwise in violation of the scholar's privacy rights under FERPA.

Learning Coaches or eligible scholars who wish to ask CCS to amend a record should write to the CCS Superintendent & CEO or designee, clearly identify the part of the record they want changed, and specify why it should be changed. If CCS decides not to amend the record as requested by the Learning Coach or eligible scholar, CCS will notify the Learning Coach or eligible scholar of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the Learning Coach or eligible scholar when notified of the right to a hearing. If the Charter School decides to amend the record as requested by the parent or eligible scholar, the Superintendent & CEO must order the correction or the removal and destruction of the information and inform the parent or eligible scholar of the amendment in writing.

3. The right to provide written consent before CCS discloses personally identifiable information ("PII") from the scholar's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to CCS officials with legitimate educational interests. A CCS official is a person employed by CCS as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the Board of Directors. A CCS official also may include a volunteer, consultant, vendor, or contractor outside of CCS who performs an institutional service or function for which CCS would otherwise use its own employees and who is under the direct control of CCS with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, therapist, or contracted provider of digital educational platforms and/or services; a parent or scholar volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, scholar, or other volunteer assisting CCS official in performing an institutional service or function. A CCS official has a legitimate educational interest if the official needs to review an education record in order to fulfill their professional responsibility.

Upon request, CCS discloses education records without consent to officials of another school district in which a scholar seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the scholar's enrollment or transfer.

Note that CCS will not release information to third parties for immigration-enforcement purposes, except as required by law or court order.

1. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Student Privacy Policy Office
U.S. Department of Education
400 Maryland Avenue, SW Washington, DC 20202

The right to request that the Charter School not release scholar names, addresses and telephone listings to military recruiters or institutions of higher education without prior written parental consent

FERPA permits the disclosure of PII from scholar's education records, without consent of the Learning Coach or eligible scholar, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to CCS officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the Learning Coach or eligible scholar, §99.32 of the FERPA regulations requires CCS to record the disclosure. Learning Coaches and eligible scholars have a right to inspect and review the record of disclosures. CCS may disclose PII from the education records of a scholar without obtaining prior written consent of the Learning Coach or the eligible scholar to the following parties:

1. Charter School officials who have a legitimate educational interest as defined by 34 C.F.R. Part 99;
2. Other schools to which a scholar seeks or intends to enroll so long as the disclosure is for purposes related to the scholar's enrollment or transfer. When a scholar transfers schools, the Charter School will mail the original or a copy of a scholar's cumulative file to the receiving district or private school within ten (10) school days following the date the request is received from the public school or private school where the pupil intends to enroll. The Charter School

will make a reasonable attempt to notify the parent or eligible scholar of the request for records at the parent's or eligible student's last known address, unless the disclosure is initiated by the parent or eligible scholar. Additionally, Charter School will give the parent or eligible scholar, upon request, a copy of the record that was disclosed and give the parent or eligible scholar, upon request, an opportunity for hearing;

3. Certain government officials listed in 20 U.S.C. § 1232g(b)(1) in order to carry out lawful functions;
4. Appropriate parties in connection with a scholar's application for, or receipt of, financial aid if it is necessary to determine eligibility, amount of aid, conditions for aid or enforcing the terms and conditions of the aid;
5. Organizations conducting certain studies for the Charter School in accordance with 20 U.S.C. § 1232g(b)(1)(F);
6. Accrediting organizations in order to carry out their accrediting functions;
7. Parents of a dependent scholar as defined in section 152 of the Internal Revenue Code of 1986;
8. Individuals or entities, in compliance with a judicial order or lawfully issued subpoena. Subject to the exceptions found in 34 C.F.R. § 99.31(a)(9)(i), reasonable effort must be made to notify the parent or eligible scholar of the order or subpoena in advance of compliance, so that the parent or eligible scholar may seek a protective order;
9. Persons who need to know in cases of health and safety emergencies;
10. State and local authorities, within a juvenile justice system, pursuant to specific State law;
11. A foster family agency with jurisdiction over a currently enrolled or former scholar, a short-term residential treatment program staff responsible for the education or case management of a scholar, and a caregiver (regardless of whether the caregiver has been appointed as the pupil's educational rights holder) who has direct responsibility for the care of the scholar, including a certified or licensed foster parent, an approved relative or unrelated extended family member, or a resource family, may access the current or most recent records of grades, transcripts, attendance, discipline, and online communication on platforms established by Charter School for scholar and parents, and any individualized education program ("IEP") or Section 504 plan that may have been developed or maintained by Charter School; and/or
12. A victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense. The disclosure may only include the final results of the disciplinary proceedings conducted by Charter School with respect to that alleged crime or offense. Charter School disclose the final results of the disciplinary proceeding, regardless of whether Charter School concluded a violation was committed.

"Directory Information" is information that is generally not considered harmful or an invasion of privacy if released. CCS may disclose the personally identifiable information that it has designated as directory information without a parent's prior written consent. CCS has designated the following information as directory information:

1. Scholar's name
2. Scholar's address
3. Learning Coach's address
4. Telephone listing
5. Scholar's electronic mail address
6. Learning Coach's electronic mail address
7. Photograph
8. Date and place of birth
9. Dates of attendance

10. Grade level
11. Degrees, honors, and awards received
12. Participation in officially recognized activities and sports
13. The most recent educational agency or institution attended
14. Scholar ID number, user ID, or other unique personal identifier used to communicate in electronic systems that cannot be used to access education records without a PIN, password, etc. (A scholar's social security number, in whole or in part, cannot be used for this purpose.)

If you do not want CCS to disclose directory information from your scholar's education records without your prior written consent, you must notify the School in writing at the time of enrollment or re-enrollment. Please notify the Superintendent & CEO at jlewis@compasscharters.org. A copy of the complete Policy is available upon request at the Central Office and on the School's website within the CCS Board Policy Manual.

Withdrawal from CCS

1. If a scholar decides to withdraw, the scholar's Learning Coach communicates the decision through their ST and/or counselor.
2. The teacher notifies the Registrar who sends the learning coach an email and form to confirm the withdrawal.
3. For scholars in grades 9-12, the counselor will hold a voluntary exit conference with the learning coach to ensure the scholar receives the appropriate academic consultation.
4. Once the withdrawal is completed the Attendance Coordinator will email the Learning Coach a letter showing the scholar has been withdrawn that can be given to the scholar's new school.
5. If a scholar willfully damages CCS' property or the personal property of a CCS employee, or fails to return a textbook, library book, computer/tablet or other CCS property that has been loaned to the scholar, the scholar's parents/guardians are liable for all damages caused by the scholar's misconduct not to exceed ten thousand dollars (\$10,000), adjusted annually for inflation. After notifying the scholar's parent or guardian in writing of the scholar's alleged misconduct and affording the scholar due process, CCS may withhold the scholar's grades, transcripts, and diploma until the damages have been paid. If the scholar and the scholar's parent/guardian are unable to pay for the damages or to return the property, CCS will provide a program of voluntary work for the minor in lieu of the payment of monetary damages. Upon completion of the voluntary work, the scholar's grades and diploma will be released.
6. If a scholar and/or a learning coach makes the decision to withdraw from CCS prior to the end of the semester, they are automatically forfeiting their right to a letter grade for any courses still in progress, and will receive an incomplete ("I") on their transcript. Any coursework completed for courses still in progress during a withdrawal will be lost, and cannot be transferred to a new academic institution. If the course has been 100% completed and letter grade provided by the instructor, the scholar will be awarded the credits earned. Please contact your counselor before you choose to withdraw from CCS.

Involuntary Removal Process

No scholar shall be involuntarily removed by the Charter School for any reason unless the parent or guardian of the scholar has been provided written notice of intent to remove the scholar no less than five (5) schooldays before the effective date of the action ("Involuntary Removal Notice"). The written notice shall be in the native language of the scholar or the scholar's parent or guardian or, if the scholar is a foster child or youth or a homeless child or youth, the scholar's educational rights holder. The Involuntary Removal Notice shall include the charges against the scholar and an explanation of the

scholar's basic rights including the right to request a hearing before the effective date of the action. The hearing shall be consistent with the Charter School's expulsion procedures. If the scholar's parent, guardian, or educational rights holder requests a hearing, the scholar shall remain enrolled and shall not be removed until the Charter School issues a final decision. As used herein, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions or expulsions pursuant to the Charter School's suspension and expulsion policy.

Upon parent/guardian request for a hearing, the Charter School will provide notice of hearing consistent with its expulsion hearing process, through which the scholar has a fair opportunity to present testimony, evidence, and witnesses and confront and cross-examine adverse witnesses, and at which the student has the right to bring legal counsel or an advocate. The notice of hearing shall be in the native language of the scholar or the scholar's parent or guardian or, if the scholar is a foster child or youth or a homeless child or youth, the student's educational rights holder and shall include a copy of the Charter School's expulsion hearing process.

If the parent/guardian is nonresponsive to the Involuntary Removal Notice, the scholar will be disenrolled as of the effective date set forth in the Involuntary Removal Notice. If parent/guardian requests a hearing and does not attend on the date scheduled for the hearing the scholar will be disenrolled effective the date of the hearing.

If as a result of the hearing the scholar is disenrolled, notice will be sent to the scholar's last known district of residence within thirty (30) days.

A hearing decision not to disenroll the scholar does not prevent the Charter School from making a similar recommendation in the future should scholar truancy continue or reoccur.

Parent and Family Engagement Policy

The Charter School aims to provide all students in our school significant opportunity to receive a fair, equitable, and high-quality education, and to close educational achievement gaps while abiding by guidelines within the Elementary and Secondary Education Act ("ESEA"). The Charter School staff recognizes a partnership with families is essential to meet this goal. Our Parent and Family Engagement Policy leverages and promotes active involvement of all families as partners with schools to ensure student success. A copy of the Charter School's complete Policy is available upon request in the Central Office and on the school website within the Board Policy Manual.

Employee Interactions with Scholars

Board Policy #: 12

Adopted/Ratified: October 3, 2019

Revision Date: March 22, 2020, March 28, 2021, June 21, 2021

CCS recognizes its responsibility to make and enforce all rules and regulations governing student and employee behavior to bring about the safest and most learning conducive environment possible.

Corporal Punishment

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of, or willfully causing the infliction of, physical pain on a student.

For purposes of this policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to property.

For clarification purposes, the following examples are offered for direction and guidance of School personnel:

1. Examples of PERMITTED actions (NOT corporal punishment)
 - a. Stopping a student from fighting with another student;
 - b. Preventing a pupil from committing an act of vandalism;
 - c. Defending yourself from physical injury or assault by a student;
 - d. Forcing a pupil to give up a weapon or dangerous object;
 - e. Requiring an athletic team to participate in strenuous physical training activities designed to strengthen or condition team members or improve their coordination, agility, or physical skills;
 - f. Engaging in group calisthenics, team drills, or other physical education or voluntary recreational activities.
2. Examples of PROHIBITED actions (corporal punishment)
 - a. Hitting, shoving, pushing, or physically restraining a student as a means of control;
 - b. Making unruly students do push-ups, run laps, or perform other physical acts that cause pain or discomfort as a form of punishment;
 - c. Paddling, swatting, slapping, grabbing, pinching, kicking, or otherwise causing physical pain.

Acceptable and Unacceptable Staff/Student Behavior

This policy is intended to guide all School faculty and staff in conducting themselves in a way that reflects the high standards of behavior and professionalism required of school employees and to specify the boundaries between students and staff.

Although this policy gives specific, clear direction, it is each staff member's obligation to avoid situations that could prompt suspicion by parents, students, colleagues, or Administrators. One viable standard that can be quickly applied, when you are unsure if certain conduct is acceptable, is to ask yourself, "Would I be engaged in this conduct if my family or colleagues were standing next to me?"

For the purposes of this policy, the term "boundaries" is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing the boundaries of a student/teacher relationship is deemed an abuse of power and a betrayal of public trust.

Some activities may seem innocent from a staff member's perspective, but can be perceived as flirtation or sexual insinuation from a student or parent point of view. The objective of the following lists of acceptable and unacceptable behaviors is not to restrain innocent, positive relationships between staff and students, but to prevent relationships that could lead to, or may be perceived as, sexual misconduct.

Staff must understand their own responsibility for ensuring that they do not cross the boundaries as written in this policy. Disagreeing with the wording or intent of the established boundaries will be considered irrelevant for disciplinary purposes. Thus, it is crucial that all employees learn this policy thoroughly and apply the lists of acceptable and unacceptable behaviors to their daily activities. Although sincere, competent interaction with students certainly fosters learning, student/staff interactions must have boundaries surrounding potential activities, locations and intentions.

Duty to Report Suspected Misconduct

When any employee reasonably suspects or believes that another staff member may have crossed the boundaries specified in this policy, he or she must immediately report the matter to a school administrator. All reports shall be as confidential as possible under the circumstances. It is the duty of the Administrator to investigate and thoroughly report the situation. Employees must also report to the Administration any awareness or concern of student behavior that crosses boundaries or where a student appears to be at risk for sexual abuse.

Examples of Specific Behaviors

The following examples are not an exhaustive list:

Unacceptable Staff/Student Behaviors (Violations of this Policy)

- Giving gifts to an individual student that are of a personal and intimate nature.
- Kissing of any kind.
- Any type of unnecessary physical contact with a student in a private situation.

- Becoming involved with a student so that a reasonable person may suspect inappropriate behavior.
- Driving students (see policy herein).

(These behaviors should only be exercised when a staff member has parent and Supervisor permission.)

- Giving students a ride to/from school or school activities.
- Being alone in a room with a student at school with the door closed.
- Allowing students in your home.

- Being alone in a room with a student at school with the door closed. The only exception to this rule is if it is required for special educational purposes, related to a student's Individual Education Plan (IEP). The School Psychologist or employee working in the Special Education Department must have written permission from the student's guardian.
- Remarks about the physical attributes or development of anyone.
- Excessive attention toward a particular student.
- Sending emails, text messages or letters to students if the content is not about school activities.

- Obtaining formal approval to take students off school property for activities such as field trips or competitions.
- E-mails, text, phone and instant messages to students must be very professional and pertaining to school activities or courses (Communication should be limited to school technology).

- Keeping reasonable space between you and your students.
- Stopping and correcting students if they cross your own personal boundaries.
- Keeping parents informed when a significant issue develops about a student.
- Keeping after-course discussions with a student professional and brief.
- Asking for advice from fellow staff or Administrators if you find yourself in a difficult situation related to boundaries.

- Pats on the back, high fives and handshakes are acceptable.
- Keeping your professional conduct a high priority.
- Asking yourself if your actions are worth your job and career.

Suicide Prevention Policy (full board policy)

Board Policy #: 22

Adopted/Ratified: October 3, 2019

Revision Date: August 11, 2021

The Board of Directors of Compass Charter Schools recognizes that suicide is a leading cause of death among youth and should be taken seriously. To attempt to reduce suicidal ideation and behavior, and its impact on scholars and families, CCS has developed measures and strategies for suicide prevention, intervention, and postvention. This policy shall be reviewed and revised as indicated, at least annually.

In compliance with Education Code section 215, this policy has been developed in consultation with CCS and community stakeholders, school-employed mental health professionals (e.g. school counselors, psychologists, social workers, nurses), administrators, other staff members, learning coaches, scholars, local health agencies, mental health agencies and professionals, the county mental health plan, law enforcement, and community organizations in planning, implementing, and evaluating CCS' strategies for suicide prevention and intervention. CCS must work in conjunction with local government agencies, community-based organizations, and other community supports to identify additional resources.

Prevention and Instruction

Suicide prevention strategies may include, but not be limited to, efforts to promote a positive school climate that enhances scholars' feelings of connectedness with CCS and is characterized by caring staff and harmonious interrelationships among scholars.

CCS's instructional and scholar support program shall promote the healthy mental, emotional, and social development of scholars including, but not limited to, the development of problem-solving skills, coping skills, and resilience.

The Superintendent & CEO or designee may offer learning coaches education or information which describes the severity of the youth suicide problem, CCS's suicide prevention efforts, risk factors and warning signs of suicide, basic steps for helping suicidal youth, reducing the stigma of mental illness, and/or CCS and community resources that can help youth in crisis.

CCS's instructional curriculum may include information about suicide prevention, as appropriate or needed, taking into consideration the grade level and age of the scholars. If offered or included in CCS's instructional curriculum, suicide prevention instruction shall be designed to help scholars:

1. Identify and analyze signs of depression and self-destructive behaviors and understand how feelings of depression, loss, isolation, inadequacy, and anxiety can lead to thoughts of suicide.
2. Identify alternatives to suicide and develop coping, self-esteem, and resiliency skills.
3. Learn to listen, be honest, share feelings, and get help when communicating with friends who show signs of suicidal intent.
4. Identify trusted adults, CCS resources, and/or community crisis intervention resources where youth, including those at high risk, such as youth bereaved by suicide; youth with disabilities, mental illness, or substance use disorders; youth experiencing homelessness or in out-of-home settings such as foster care; and lesbian, gay, bisexual, transgender, or questioning youth can get help, and recognize that there is no stigma associated with seeking mental health, substance abuse, gender identity, or other support services.

To ensure the policies regarding suicide prevention are properly adopted, implemented, and updated, CCS shall appoint an individual (or team) to serve as the suicide prevention point of contact for CCS. The suicide prevention point of contact for CCS and the Superintendent & CEO shall ensure proper coordination and consultation with the county mental health plan if a referral is made for mental health or related services on behalf of a scholar who is a Medi-Cal beneficiary. This policy shall be reviewed and revised as indicated, at least annually in conjunction with the previously mentioned community stakeholders.

Staff Development

CCS along with its partners, has carefully reviewed available staff training to ensure it promotes the mental health model of suicide prevention and does not encourage the use of the stress model to explain suicide.

Training shall be provided for all school staff members. It may also be provided, when appropriate, for other adults on campus (such as substitutes and intermittent staff, volunteers, interns, tutors, coaches, and afterschool staff). Training shall include the following:

1. All suicide prevention trainings shall be offered under the direction of mental health professionals (e.g., school counselors, school psychologists, other public entity professionals, such as psychologists or social workers) who have received advanced training specific to suicide. Staff training may be adjusted year-to-year based on previous professional development activities and emerging best practices.
2. At least annually, all staff shall receive training on the risk factors and warning signs of suicide, suicide prevention, intervention, referral, and postvention.
3. At a minimum, all staff shall participate in training on the core components of suicide prevention (identification of suicide risk factors and warning signs, prevention, intervention, referral, and postvention) at the beginning of their employment or annually. Core components of the general suicide prevention training shall include:
 - a. Suicide risk factors, warning signs, and protective factors.
 - b. How to talk with a scholar about thoughts of suicide.
 - c. How to respond appropriately to the youth who has suicidal thoughts. Such responses shall include constant supervision of any scholar judged to be at risk for suicide and an immediate referral for a suicide risk assessment.
 - d. Emphasis on immediately referring (same day) any scholar who is identified to be at risk of suicide for assessment while staying under constant monitoring by staff member.
 - e. Emphasis on reducing stigma associated with mental illness and that early prevention and intervention can drastically reduce the risk of suicide.
 - f. Reviewing the data annually to look for any patterns or trends of the prevalence or occurrence of suicide ideation, attempts, or death. Data from the California School Climate, Health, and Learning Survey (Cal-SCHLS) should also be analyzed to identify school climate deficits and drive program development. See the Cal-SCHLS Web site at <http://cal-schls.wested.org/>.
 - g. Information regarding groups of scholars judged by the school, and available research, to be at elevated risk for suicide. These groups include, but are not limited to, the following:
 - i. Youth affected by suicide.
 - ii. Youth with a history of suicide ideation or attempts.
 - iii. Youth with disabilities, mental illness, or substance abuse disorders.
 - iv. Lesbian, gay, bisexual, transgender, or questioning youth.
 - v. Youth experiencing homelessness or in out-of-home settings, such as foster care.
 - vi. Youth who have suffered traumatic experiences.

4. In addition to initial orientations to the core components of suicide prevention, ongoing annual staff professional development for all staff may include the following components:
- a. The impact of traumatic stress on emotional and mental health.
 - b. Common misconceptions about suicide.
 - c. Charter School and community suicide prevention resources.
 - d. Appropriate messaging about suicide (correct terminology, safe messaging guidelines).
 - e. The factors associated with suicide (risk factors, warning signs, protective factors).
 - f. How to identify youth who may be at risk of suicide.
 - g. Appropriate ways to interact with a youth who is demonstrating emotional distress or is suicidal. Specifically, how to talk with a scholar about their thoughts of suicide and (based on CCS guidelines) how to respond to such thinking; how to talk with a scholar about thoughts of suicide and appropriately respond and provide support based on CCS guidelines.
 - h. Charter School-approved procedures for responding to suicide risk (including multi-tiered systems of support and referrals). Such procedures should emphasize that the suicidal scholar should be constantly supervised until a suicide risk assessment is completed.
 - i. Charter School-approved procedures for responding to the aftermath of suicidal behavior (suicidal behavior postvention).
 - j. Responding after a suicide occurs (suicide postvention).
 - k. Resources regarding youth suicide prevention.
 - l. Emphasis on stigma reduction and the fact that early prevention and intervention can drastically reduce the risk of suicide.
 - m. Emphasis that any scholar who is identified to be at risk of suicide is to be immediately referred (same day) for assessment while being constantly monitored by a staff member.

Employee Qualifications and Scope of Services

Employees of CCS must act only within the authorization and scope of their credential or license. While it is expected that school professionals are able to identify suicide risk factors and warning signs, and to prevent the immediate risk of a suicidal behavior, treatment of suicidal ideation is typically beyond the scope of services offered in the school setting. In addition, treatment of the mental health challenges often associated with suicidal thinking typically requires mental health resources beyond what schools are able to provide.

Intervention and Emergency Procedures

CCS designates the following administrators to act as the primary and secondary suicide prevention liaisons:

1. Director of Counseling Services
2. School counselor

Whenever a staff member suspects or has knowledge of a scholar's suicidal intentions, they shall promptly notify the primary designated suicide prevention liaison. If this primary suicide prevention liaison is unavailable, the staff shall promptly notify the secondary suicide prevention liaison.

The suicide prevention liaison shall immediately notify the Superintendent & CEO or designee, who shall then notify the scholar's parent/guardian as soon as possible if appropriate and in the best interest of the scholar. Determination of notification to parents/guardians/caregivers should follow a formal initial assessment to ensure that the scholar is not endangered by parental notification.

The suicide prevention liaison shall also refer the scholar to mental health resources at CCS or in the community.

When a scholar is in imminent danger (has access to a gun, is on a rooftop, or in other unsafe conditions), a call shall be made to 911.

Scholars shall be encouraged to notify a teacher, administrator, counselor, or other adult when they are experiencing thoughts of suicide or when they suspect or have knowledge of another scholar's suicidal intentions. CCS staff should treat each report seriously, calmly, and with active listening and support. Staff should be non-judgmental to scholars and discuss with the scholar, and parent/guardian, about additional resources to support the scholar.

Every statement regarding suicidal intent shall be taken seriously. Whenever a staff member suspects or has knowledge of a scholar's suicidal intentions, he/she shall promptly notify the primary or secondary suicide prevention liaisons.

Although any personal information that a scholar discloses to a school counselor shall generally not be revealed, released, referenced, or discussed with third parties, the School counselor and Director of Counseling Services shall report to the scholar's learning coach (parents/guardians/caregivers) when he/she has reasonable cause to believe that disclosure is necessary to avert a clear and present danger to the health, safety, or welfare of any scholar when appropriate and in the best interest of the scholar. Determination of notification to parents/guardians/caregivers should follow a formal initial assessment to ensure that the scholar is not endangered by parental notification.

In addition, the counselor may disclose information of a personal nature to psychotherapists or other health care providers for the sole purpose of referring the scholar for treatment. The School counselor or Director of Counseling Services may also refer the scholar to mental health resources at CCS or in the community.

When a suicide attempt or threat is reported, on campus or at a school-related activity, the suicide prevention liaison shall, at a minimum:

1. Ensure the scholar's physical safety by one or more of the following, as appropriate:

- a. Securing immediate medical treatment if a suicide attempt has occurred.
 - b. Securing law enforcement and/or other emergency assistance if a suicidal act is being actively threatened.
 - c. Keeping the scholar under continuous adult supervision until the parent/guardian and/or appropriate support agent or agency can be contacted and has the opportunity to intervene.
 - d. Remaining calm, keeping in mind the scholar is overwhelmed, confused, and emotionally distressed.
 - e. Moving all other scholars out of the immediate area.
 - f. Not sending the scholar away or leaving him/her alone, even to go to the restroom.
 - g. Providing comfort to the scholar, listening and allowing the scholar to talk and being comfortable with moments of silence.
 - h. Promising privacy and help, but not promising confidentiality.
1. Document the incident in writing as soon as feasible.
 2. Follow up with the parent/guardian and scholar in a timely manner to provide referrals to appropriate services as needed and coordinate and consult with the county mental health plan if a referral is made for mental health or related services on behalf of a scholar who is a Medi-Cal beneficiary.
 3. After a referral is made, CCS shall verify with the parent/guardian that the follow up treatment has been accessed. Parents/guardians will be required to provide documentation of care for the scholar. If parents/guardians refuse or neglect to access treatment for a scholar who has been identified to be at risk for suicide or in emotional distress, the suicide prevention liaisons shall meet with the parent to identify barriers to treatment (e.g., cultural stigma, financial issues) and work to rectify the situation and build understanding of care. If follow up care is still not provided, CCS may contact Child Protective Services.
 4. Provide access to counselors or other appropriate personnel to listen to and support scholars and staff who are directly or indirectly involved with the incident at CCS.
 5. Provide an opportunity for all who respond to the incident to debrief, evaluate the effectiveness of the strategies used, and make recommendations for future actions.

In the event a suicide occurs or is attempted on the CCS campus, the suicide prevention liaison shall follow the crisis intervention procedures contained in CCS's safety plan. After consultation with the Superintendent & CEO or designee and the scholar's parent/guardian about facts that may be divulged in accordance with the laws governing confidentiality of scholar record information, the Superintendent & CEO or designee may provide scholars, parents/guardians, and staff with information, counseling, and/or referrals to community agencies as needed. CCS

staff may receive assistance from CCS counselors or other mental health professionals in determining how best to discuss the suicide or attempted suicide with scholars.

In the event a suicide occurs or is attempted off the CCS campus and unrelated to school activities, the Superintendent & CEO or designee shall take the following steps to support the scholar:

1. Contact the parent/guardian and offer support to the family.
2. Discuss with the family how they would like CCS to respond to the attempt while minimizing widespread rumors among teachers, staff, and scholars.
3. Obtain permission from the parent/guardian to share information to ensure the facts regarding the crisis are correct.
4. The suicide prevention liaisons shall handle any media requests.
5. Provide care and determine appropriate support to affected scholars.
6. Offer to the scholar and parent/guardian steps for re-integration to school. Re-integration may include obtaining a written release from the parent/guardian to speak with any health care providers; conferring with the scholar and parent/guardian about any specific requests on how to handle the situation; informing the scholar's teachers about possible days of absences; allowing accommodations for make-up work (being understanding that missed assignments may add stress to the scholar); appropriate staff maintaining ongoing contact with the scholar to monitor the scholar's actions and mood; and working with the parent/guardian to involve the scholar in an aftercare plan.

Supporting Scholars during or after a Mental Health Crisis

Scholars shall be encouraged through the education program and in CCS activities to notify a teacher, the Superintendent & CEO, another CCS administrator, psychologist, CCS counselor, suicide prevention liaisons, or other adult when they are experiencing thoughts of suicide or when they suspect or have knowledge of another scholar's suicidal intentions. CCS staff should treat each report seriously, calmly, and with active listening and support. Staff should be non-judgmental to scholars and discuss with the scholar, and parent/guardian, about additional resources to support the scholar.

Responding After a Suicide Death (Postvention)

A death by suicide in the school community (whether by a scholar or staff member) can have devastating consequences on the school community, including scholars and staff. CCS shall follow the below action plan for responding to a suicide death, which incorporates both immediate and long-term steps and objectives:

The suicide prevention liaison shall:

Coordinate with the Superintendent & CEO to:

1. Confirm death and cause;
2. Identify a staff member to contact the deceased's family (within 24 hours);
3. Enact the Suicide Postvention Response; and
4. Notify all staff members (ideally in-person or via phone, not via e-mail or mass notification).

Coordinate an all-staff meeting, to include:

1. Notification (if not already conducted) to staff about suicide death;
2. Emotional support and resources available to staff;
3. Notification to scholars about suicide death and the availability of support services (if this is the protocol that is decided by administration); and
4. Share information that is relevant and that which you have permission to disclose.

Prepare staff to respond to the needs of scholars regarding the following:

1. Review of protocols for referring scholars for support/assessment;
2. Talking points for staff to notify scholars; and
3. Resources available to scholars (on and off campus).

Identify scholars significantly affected by suicide death and other scholars at risk of imitative behavior.

Identify scholars affected by suicide death but not at risk of imitative behavior.

Communicate with the larger school community about the suicide death.

Consider funeral arrangements for family and school community.

Respond to memorial requests in respectful and non-harmful manner; responses should be handled in a thoughtful way and their impact on other scholars should be considered.

Identify media spokesperson if needed.

Include long-term suicide postvention responses:

1. Consider important dates (i.e., anniversary of death, deceased birthday, graduation, or other significant event) and how these will be addressed
2. Support siblings, close friends, teachers, and/or scholars of deceased
3. Consider long-term memorials and how they may impact scholars who are emotionally vulnerable and at risk of suicide

Scholar Identification Cards

CCS will include the telephone number for the National Suicide Prevention Lifeline (1-800-273-8255) and the National Domestic Violence Hotline (1-800-799-7233) on all scholar identification cards. CCS will also include the number for the Crisis Text Line which can be accessed by texting HOME to 741741 and a local suicide prevention hotline on all scholar identification cards.

Suspension and Expulsion Policy (full board policy)

Board Policy #: 24

Adopted/Ratified: October 3, 2019

Revision Date: N/A

The Pupil Suspension and Expulsion Policy has been established in order to promote learning and protect the safety and well-being of all scholars at CCS. In creating this policy, CCS has reviewed Education Code Section 48900 *et seq.* which describes the non-charter schools' list of offenses and procedures to establish its list of offenses and procedures for suspensions and expulsions. The language that follows closely mirrors the language of Education Code Section 48900 *et seq.* CCS is committed to annual review of policies and procedures surrounding suspensions and expulsions and, as necessary, modification of the lists of offenses for which students are subject to suspension or expulsion.

When the Policy is violated, it may be necessary to suspend or expel a scholar from CCS. This policy shall serve as CCS' policy and procedures for scholar suspension and expulsion, and it may be amended from time to time without the need to amend the charter so long as the amendments comply with legal requirements.

Charter School staff shall enforce disciplinary rules and procedures fairly and consistently among all scholars. This Policy and its Procedures will clearly describe discipline expectations.

Discipline includes but is not limited to advising and counseling scholars. Corporal punishment shall not be used as a disciplinary measure against any scholar. Corporal punishment includes the willful infliction of or willfully causing the infliction of physical pain on a scholar. For purposes of the policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, scholars, staff or other persons or to prevent damage to school property.

CCS administration shall ensure that scholars and their parents/guardians are notified in writing upon enrollment of all discipline policies and procedures. The notice shall state that this Policy and Procedures are available in the Scholar Handbook.

Suspended or expelled scholars shall be excluded from all school and school-related activities unless otherwise agreed during the period of suspension or expulsion.

A scholar identified as an individual with disabilities or for whom CCS has a basis of knowledge of a suspected disability pursuant to the Individuals with Disabilities Education Improvement Act of 2004 ("IDEA") or who is qualified for services under Section 504 of the Rehabilitation Act of 1973 ("Section 504") is subject to the same grounds for suspension and expulsion and is accorded the same due process procedures applicable to regular education scholars except when federal and state law mandates additional or different procedures. CCS will follow all applicable federal and state laws, including, but not limited to, the IDEA, Section 504, the California Education Code, and their implementing regulations, when imposing any form of discipline on a scholar identified as an individual with disabilities or for whom CCS has a basis of knowledge of a suspected disability or who is otherwise qualified for such services or protections in according due process to such scholars.

No scholar shall be involuntarily removed by the Charter School for any reason unless the parent or guardian of the scholar has been provided written notice of intent to remove the scholar no less than five (5) schooldays before the effective date of the action. The written notice shall be in the native language of the scholar or the scholar's parent or guardian or, if the scholar is a foster child or youth or a homeless child or youth, the scholar's educational rights holder, and shall inform him or her of the right to initiate the procedures specified below for suspensions, before the effective date of the action. If the scholar's parent, guardian, or educational rights holder initiates the procedures specified below for suspensions, the scholar shall remain enrolled and shall not be removed until the Charter School issues a final decision. As used herein, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions or expulsions pursuant to the suspension and expulsion procedures described below.

C. Suspension Procedure

Suspensions shall be initiated according to the following procedures:

1. Conference

Suspension shall be preceded, if possible, by a conference conducted by the Superintendent or designee with the scholar and his or her parent and, whenever practical, the teacher, supervisor or Charter School employee who referred the scholar to the President & CEO or designee.

The conference may be omitted if the Superintendent or designee determines that an emergency situation exists. An “emergency situation” involves a clear and present danger to the lives, safety or health of scholars or Charter School personnel. If a scholar is suspended without this conference, both the parent/guardian and scholar shall be notified of the scholar’s right to return to school for the purpose of a conference.

At the conference, the pupil shall be informed of the reason for the disciplinary action and the evidence against him or her and shall be given the opportunity to present his or her version and evidence in his or her defense, in accordance with Education Code Section 47605(b)(5)(J)(i). This conference shall be held within two (2) school days, unless the pupil waives this right or is physically unable to attend for any reason including, but not limited to, incarceration or hospitalization. No penalties may be imposed on a pupil for failure of the pupil’s parent or guardian to attend a conference with Charter School officials. Reinstatement of the suspended pupil shall not be contingent upon attendance by the pupil’s parent or guardian at the conference.

2. Notice to Parents/Guardians

At the time of the suspension, the Superintendent or designee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a scholar is suspended, the parent/guardian shall be notified in writing of the suspension and the date of return following suspension. This notice shall state the specific offense committed by the scholar. In addition, the notice may also state the date and time when the scholar may return to school. If Charter School officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may request that the parent/guardian respond to such requests without delay.

3. Suspension Time Limits/Recommendation for Placement/Expulsion

Suspensions, when not including a recommendation for expulsion, shall not exceed five (5) consecutive school days per suspension.

Upon a recommendation of expulsion by the Superintendent or designee, the pupil and the pupil’s guardian or representative will be invited to a conference to determine if the suspension for the pupil should be extended pending an expulsion hearing. In such instances when the Charter School has determined a suspension period shall be extended, such extension shall be made only after a conference is held with the pupil or the pupil’s parents, unless the pupil and the pupil’s parents fail to attend the conference. This determination will be made by the Superintendent or designee upon either of the following determinations: 1) the pupil’s presence will be disruptive to the education process; or 2) the pupil poses a threat or danger to others. Upon either determination, the pupil’s suspension will be extended pending the results of an expulsion hearing.

D. Authority to Expel

As required by Education Code Section 47605(b)(5)(J)(ii), scholars recommended for expulsion are entitled to a hearing adjudicated by a neutral officer to determine whether the scholar should be expelled. The procedures herein provide for such a hearing and the notice of said hearing, as required by law.

A scholar may be expelled either by the neutral and impartial Charter School Board of Directors

following a hearing before it or by the Charter School Board of Directors upon the recommendation of a neutral and impartial Administrative Panel to be assigned by the Board of Directors as needed. The Administrative Panel shall consist of at least three members who are certificated and neither a teacher of the pupil nor a member of the Charter School Board of Directors. Each entity shall be presided over by a designated neutral hearing chairperson. The Administrative Panel may recommend expulsion of any scholar found to have committed an expellable offense, and the Board of Directors shall make the final determination.

E. Expulsion Procedures

Scholars recommended for expulsion are entitled to a hearing to determine whether the scholar should be expelled. Unless postponed for good cause, the hearing shall be held within thirty (30) school days after the Superintendent or designee determines that the pupil has committed an expellable offense.

In the event an Administrative Panel hears the case, it will make a recommendation to the Governing Board for a final decision whether to expel. The hearing shall be held in closed session (complying with all pupil confidentiality rules under FERPA) unless the pupil makes a written request for a public hearing in open session three (3) days prior to the date of the scheduled hearing.

Written notice of the hearing shall be forwarded to the scholar and the scholar's parent/guardian at least ten (10) calendar days before the date of the hearing. Upon mailing the notice, it shall be deemed served upon the pupil. The notice shall include:

1. The date and place of the expulsion hearing
2. A statement of specific facts, charges and offenses upon which the proposed expulsion is based
3. A copy of CCS' disciplinary rules which relate to the alleged violation
4. Notification of the scholar's and/or parent/guardian's obligation to provide information about the scholar's status at the school to any other school district or school to which the scholar seeks enrollment
5. The opportunity for the scholar and/or the scholar's parent/guardian to appear in person or to employ and be represented by counsel or a non-attorney advisor
6. The right to inspect and obtain copies of all documents to be used at the hearing
7. The opportunity to confront and question all witnesses who testify at the hearing
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the scholar's behalf including witnesses

F. Special Procedures for Expulsion Hearings Involving Sexual Assault or Battery Offenses

CCS may, upon finding a good cause, determine that the disclosure of either the identity of the witness or the testimony of that witness at the hearing, or both, would subject the witness to an unreasonable risk of psychological or physical harm. Upon this determination, the testimony of the witness may be presented at the hearing in the form of sworn declarations which shall be examined only by the Charter School or the hearing officer. Copies of these sworn declarations, edited to delete the name and identity of the witness, shall be made available to the pupil.

1. The complaining witness in any sexual assault or battery case must be provided with a copy of the applicable disciplinary rules and advised of his/her right to (a) receive five (5) days' notice of his/her scheduled testimony, (b) have up to two (2) adult support persons of his/her choosing present in the hearing at the time he/she testifies, which may include

- a parent, guardian, or legal counsel, and (c) elect to have the hearing closed while testifying.
2. CCS must also provide the victim a room separate from the hearing room for the complaining witness' use prior to and during breaks in testimony.
 3. At the discretion of the entity conducting the hearing, the complaining witness shall be allowed periods of relief from examination and cross-examination during which he or she may leave the hearing room.
 4. The entity conducting the expulsion hearing may also arrange the seating within the hearing room to facilitate a less intimidating environment for the complaining witness.
 5. The entity conducting the expulsion hearing may also limit time for taking the testimony of the complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours.
 6. Prior to a complaining witness testifying, the support persons must be admonished that the hearing is confidential. Nothing in the law precludes the entity presiding over the hearing from removing a support person whom the presiding person finds is disrupting the hearing. The entity conducting the hearing may permit any one of the support persons for the complaining witness to accompany him or her to the witness stand.
 7. If one or both of the support persons is also a witness, CCS must present evidence that the witness' presence is both desired - by the witness and will be helpful to CCS. The person presiding over the hearing shall permit the witness to stay unless it is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person, in which case the presiding official shall admonish the support person or persons not to prompt, sway, or influence the witness in any way. Nothing shall preclude the presiding officer from exercising his or her discretion to remove a person from the hearing whom he or she believes is prompting, swaying, or influencing the witness.
 8. The testimony of the support person shall be presented before the testimony of the complaining witness and the complaining witness shall be excluded from the courtroom during that testimony.
 9. Especially for charges involving sexual assault or battery, if the hearing is to be conducted in the public at the request of the pupil being expelled, the complaining witness shall have the right to have his/her testimony heard in a closed session when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are not alternative procedures to avoid the threatened harm. The alternative procedures may include videotaped depositions or contemporaneous examination in another place communicated to the hearing by means of closed-circuit television.
 10. Evidence of specific instances of a complaining witness' prior sexual conduct is presumed inadmissible and shall not be heard absent a determination by the person conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before such a determination regarding extraordinary circumstances can be made, the witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.

G. Record of Hearing

A record of the hearing shall be made and may be maintained by any means, including electronic

recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made.

H. Presentation of Evidence

While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A recommendation by the Administrative Panel to expel must be supported by substantial evidence that the scholar committed an expellable offense.

Findings of fact shall be based solely on the evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay, and sworn declarations may be admitted as testimony from witnesses of whom the Board or Administrative Panel determines that disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

If, due to a written request by the accused pupil, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery as defined in Education Code Section 48900, a complaining witness shall have the right to have his or her testimony heard in a session closed to the public.

The decision of the Administrative Panel shall be in the form of written findings of fact and a written recommendation to the Board of Directors, which will make a final determination regarding the expulsion. The final decision by the Board of Directors shall be made within ten (10) school days following the conclusion of the hearing. The decision of the Board of Directors is final. If the Administrative Panel decides not to recommend expulsion, the pupil shall immediately be returned to his/her educational program.

I. Written Notice to Expel

The Superintendent or designee, following a decision of the Board of Directors to expel, shall send written notice of the decision to expel, including the Board of Directors' adopted findings of fact, to the scholar or parent/guardian. This notice shall also include the following: (a) Notice of the specific offense committed by the scholar; and (b) Notice of the scholar's or parent/guardian's obligation to inform any new district in which the scholar seeks to enroll of the scholar's status with the Charter School.

The Superintendent or designee shall send a copy of the written notice of the decision to expel to the authorizer. This notice shall include the following: (a) The scholar's name; and (b) The specific expellable offense committed by the scholar.

J. Disciplinary Records

CCS shall maintain records of all scholar suspensions and expulsions at the Charter School. Such records shall be made available to the authorizer upon request.

K. No Right to Appeal

The pupil shall have no right of appeal from expulsion from CCS as the CCS Board of Directors' decision to expel shall be final.

L. Expelled Pupils/Alternative Education

Parents/guardians of pupils who are expelled shall be responsible for seeking alternative education programs including, but not limited to, programs within the County or their school district of residence. CCS shall work cooperatively with parents/guardians as requested by

parents/guardians or by the school district of residence to assist with locating alternative placements during expulsion.

M. Rehabilitation Plans

Scholars who are expelled from CCS shall be given a rehabilitation plan upon expulsion as developed by the Board of Directors at the time of the expulsion order, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. The rehabilitation plan should include a date not later than one year from the date of expulsion when the pupil may reapply to CCS for admission.

N. Readmission

The decision to readmit a pupil or to admit a previously expelled pupil from another school district or charter school shall be in the sole discretion of the Board of Directors following a meeting with the Superintendent or designee and the pupil and parent/guardian or representative to determine whether the pupil has successfully completed the rehabilitation plan and to determine whether the pupil poses a threat to others or will be disruptive to the school environment. The Superintendent or designee shall make a recommendation to the Board of Directors following the meeting regarding his or her determination. The Board shall then make a final decision regarding readmission during the closed session of a public meeting, reporting out any action taken during closed session consistent with the requirements of the Brown Act. The pupil's readmission is also contingent upon the CCS' capacity at the time the student seeks readmission.

O. Special Procedures for the Consideration of Suspension and Expulsion of Students with Disabilities

1. Notification of SELPA

CCS shall immediately notify the SELPA and coordinate the procedures in this policy with the SELPA of the discipline of any student with a disability or student that CCS or the SELPA would be deemed to have knowledge that the student had a disability.

2. Services During Suspension

Students suspended for more than ten (10) school days in a school year shall continue to receive services so as to enable the student to continue to participate in the general education curriculum, although in another setting (which could constitute a change of placement and the student's IEP would reflect this change), and to progress toward meeting the goals set out in the child's IEP/504 Plan; and receive, as appropriate, a functional behavioral assessment and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur. These services may be provided in an interim alternative educational setting.

3. Procedural Safeguards/Manifestation Determination

Within ten (10) school days of a recommendation for expulsion or any decision to change the placement of a child with a disability because of a violation of a code of student conduct, CCS, the parent/guardian, and relevant members of the IEP/504 Team shall review all relevant information in the student's file, including the child's IEP/504 Plan, any teacher observations, and any relevant information provided by the parents to determine:

- a. If the conduct in question was caused by, or had a direct and substantial relationship to, the child's disability; or
- b. If the conduct in question was the direct result of the local educational agency's

failure to implement the IEP/504 Plan.

If CCS, the parent/guardian, and relevant members of the IEP/504 Team determine that either of the above is applicable for the child, the conduct shall be determined to be a manifestation of the child's disability.

If CCS, the parent/guardian, and relevant members of the IEP/504 Team make the determination that the conduct was a manifestation of the child's disability, the IEP/504 Team shall:

- a. Conduct a functional behavioral assessment and implement a behavioral intervention plan for such child, provided that the Charter School had not conducted such assessment prior to such determination before the behavior that resulted in a change in placement;
- b. If a behavioral intervention plan has been developed, review the behavioral intervention plan if the child already has such a behavioral intervention plan, and modify it, as necessary, to address the behavior; and
- c. Return the child to the placement from which the child was removed, unless the parent/guardian and CCS agree to a change of placement as part of the modification of the behavioral intervention plan.

If CCS, the parent/guardian, and relevant members of the IEP/504 Team determine that the behavior was not a manifestation of the student's disability and that the conduct in question was not a direct result of the failure to implement the IEP/504 Plan, then CCS may apply the relevant disciplinary procedures to children with disabilities in the same manner and for the same duration as the procedures would be applied to students without disabilities.

4. Due Process Appeals

The parent/guardian of a child with a disability who disagrees with any decision regarding placement, or the manifestation determination, or CCS believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, may request an expedited administrative hearing through the Special Education Unit of the Office of Administrative Hearings or by utilizing the dispute provisions of the 504 Policy and Procedures. When an appeal relating to the placement of the student or the manifestation determination has been requested by either the parent/guardian or CCS, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer in accordance with state and federal law, including 20 U.S.C. Section 1415(k), until the expiration of the forty-five (45) day time period provided for in an interim alternative educational setting, unless the parent/guardian and CCS agree otherwise.

In accordance with 20 U.S.C. Section 1415(k)(3), if a parent/guardian disagrees with any decision regarding placement, or the manifestation determination, or if the Charter School believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, the parent/guardian or Charter School may request a hearing.

In such an appeal, a hearing officer may: (1) return a child with a disability to the placement from which the child was removed; or (2) order a change in placement of a child with a disability to an appropriate interim alternative educational setting for not more than 45 school days if the

hearing officer determines that maintaining the current placement of such child is substantially likely to result in injury to the child or to others.

5. Special Circumstances

CCS personnel may consider any unique circumstances on a case-by-case basis when determining whether to order a change in placement for a child with a disability who violates a code of student conduct.

The Superintendent or designee may remove a student to an interim alternative educational setting for not more than forty-five (45) school days without regard to whether the behavior is determined to be a manifestation of the student's disability in cases where a student:

- a. Carries or possesses a weapon, as defined in 18 U.S.C. Section 930, to or at school, on school premises, or to or at a school function;
- b. Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function; or
- c. Has inflicted serious bodily injury, as defined by 20 U.S.C. Section 1415(k)(7)(D), upon a person while at school, on school premises, or at a school function.

6. Interim Alternative Educational Setting

The student's interim alternative educational setting shall be determined by the student's IEP/504 Team.

7. Procedures for Students Not Yet Eligible for Special Education Services

A student who has not been identified as an individual with disabilities pursuant to IDEA and who has violated CCS' disciplinary procedures may assert the procedural safeguards granted under this administrative regulation only if CCS had knowledge that the student was disabled before the behavior occurred.

CCS shall be deemed to have knowledge that the student had a disability if one of the following conditions exists:

- a. The parent/guardian has expressed concern in writing, or orally if the parent/guardian does not know how to write or has a disability that prevents a written statement, to CCS supervisory or administrative personnel, or to one of the child's teachers, that the student is in need of special education or related services.
- b. The parent/guardian has requested an evaluation of the child.
- c. The child's teacher, or other CCS personnel, has expressed specific concerns about a pattern of behavior demonstrated by the child, directly to the director of special education or to other CCS supervisory personnel.

If CCS knew or should have known the student had a disability under any of the three (3) circumstances described above, the student may assert any of the protections available to IDEA-eligible children with disabilities, including the right to stay-put.

If CCS had no basis for knowledge of the student's disability, it shall proceed with the proposed discipline. CCS shall conduct an expedited evaluation if requested by the parent/guardian; however, the student shall remain in the education placement determined by CCS pending the results of the evaluation.

CCS shall not be deemed to have knowledge that the student had a disability if the parent/guardian has not allowed an evaluation, refused services, or if the student has been evaluated and determined to not be eligible.

School districts, county offices of education, or charter schools, collectively known as LEAs, that receive Elementary and Secondary School Emergency Relief (ESSER) funds under the American Rescue Plan Act, referred to as ESSER III funds, are required to develop a plan for how they will use their ESSER III funds. In the plan, an LEA must explain how it intends to use its ESSER III funds to address students' academic, social, emotional, and mental health needs, as well as any opportunity gaps that existed before, and were worsened by, the COVID-19 pandemic. An LEA may also use its ESSER III funds in other ways, as detailed in the Fiscal Requirements section of the Instructions. In developing the plan, the LEA has flexibility to include community input and/or actions included in other planning documents, such as the Local Control and Accountability Plan (LCAP), provided that the input and actions are relevant to the LEA's Plan to support students.

For more information please see the Instructions.

ESSER III Expenditure Plan Instructions

Introduction

School districts, county offices of education (COEs), or charter schools, collectively known as local educational agencies (LEAs), that receive Elementary and Secondary School Emergency Relief (ESSER) funds under the American Rescue Plan (ARP) Act, referred to as ESSER III funds, are required to develop a plan for how they will use ESSER III funds to, at a minimum, address students' academic, social, emotional, and mental health needs, as well as the opportunity gaps that existed before, and were exacerbated by, the COVID-19 pandemic.

The plan must be adopted by the local governing board or body of the LEA at a public meeting on or before October 29, 2021 and must be submitted for review and approval within five days of adoption. A school district must submit its ESSER III Expenditure Plan to its COE for review and approval; a COE must submit its plan to the California Department of Education for review and approval. A charter school must submit its plan to its chartering authority for review and to the COE of the county in which the charter school operates for review and approval.

In addition, consistent with the requirements of the ARP, Volume 86, *Federal Register*, page 21201, April 22, 2021, the ESSER III Expenditure Plan must be:

- Written in an understandable and uniform format;
- Written in a language that parents can understand, to the extent practicable;
 - If it is not practicable to provide written translations to a parent with limited English proficiency, the plan must be orally translated for parents
- Provided in an alternative format to a parent who is an individual with a disability as defined by the Americans with Disabilities Act, upon request; and
- Be made publicly available on the LEA's website.

For additional information regarding ESSER III funding please see the ARP Act Funding web page at <https://www.cde.ca.gov/fg/cr/arpact.asp>.

For technical assistance related to the ESSER III Expenditure Plan template and instructions, please contact LCFF@cde.ca.gov. For all other questions related to ESSER III, please contact EDReliefFunds@cde.ca.gov.

Fiscal Requirements

- The LEA must use at least 20 percent (20%) of its ESSER III apportionment for expenditures related to addressing the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs.

- For purposes of this requirement, “evidence-based interventions” include practices or programs that have evidence to show that they are effective at producing results and improving outcomes when implemented. This kind of evidence has generally been produced through formal studies and research. There are four tiers, or levels, of evidence:
 - **Tier 1 – Strong Evidence:** the effectiveness of the practices or programs is supported by one or more well-designed and well-implemented randomized control experimental studies.
 - **Tier 2 – Moderate Evidence:** the effectiveness of the practices or programs is supported by one or more well-designed and well-implemented quasi-experimental studies.
 - **Tier 3 – Promising Evidence:** the effectiveness of the practices or programs is supported by one or more well-designed and well-implemented correlational studies (with statistical controls for selection bias).
 - **Tier 4 – Demonstrates a Rationale:** practices that have a well-defined logic model or theory of action, are supported by research, and have some effort underway by a State Educational Agency, LEA, or outside research organization to determine their effectiveness.
- For additional information please see the Evidence-Based Interventions Under the ESSA web page at <https://www.cde.ca.gov/re/es/evidence.asp>.
- The LEA must use the remaining ESSER III funds consistent with section 2001(e)(2) of the ARP Act, including for:
 - Any activity authorized by the Elementary and Secondary Education Act (ESEA) of 1965;
 - Any activity authorized by the Individuals with Disabilities Education Act (IDEA);
 - Any activity authorized by the Adult Education and Family Literacy Act;
 - Any activity authorized by the Carl D. Perkins Career and Technical Education Act of 2006;
 - Coordination of preparedness and response efforts of LEAs with State, local, Tribal, and territorial public health departments, and other relevant agencies, to improve coordinated responses among such entities to prevent, prepare for, and respond to COVID-19;
 - Activities to address the unique needs of low-income students, students with disabilities, English learners, racial and ethnic minorities, homeless students, and foster youth, including how outreach and service delivery will meet the needs of each population;
 - Developing and implementing procedures and systems to improve the preparedness and response efforts of LEAs;
 - Training and professional development for staff of the LEA on sanitation and minimizing the spread of infectious diseases;
 - Purchasing supplies to sanitize and clean the facilities of an LEA, including buildings operated by such agency;
 - Planning for, coordinating, and implementing activities during long-term closures, including providing meals to eligible students, providing technology for online learning to all students, providing guidance for carrying out requirements under

IDEA, and ensuring other educational services can continue to be provided consistent with all Federal, State, and local requirements;

- Purchasing education technology (including hardware, software, and connectivity) for students who are served by the LEA that aids in regular and substantive educational interaction between students and their classroom instructors, including low-income students and children with disabilities, which may include assistive technology or adaptive equipment;
- Providing mental health services and supports, including through the implementation of evidence-based full-service community schools;
- Planning and implementing activities related to summer learning and supplemental after school programs, including providing classroom instruction or online learning during the summer months and addressing the needs of underserved students;
- Addressing learning loss among students, including underserved students, by:
 - Administering and using high-quality assessments that are valid and reliable, to accurately assess students' academic progress and assist educators in meeting students' academic needs, including through differentiated instruction,
 - Implementing evidence-based activities to meet the comprehensive needs of students,
 - Providing information and assistance to parents and families of how they can effectively support students, including in a distance learning environment, and
 - Tracking student attendance and improving student engagement in distance education;

Note: A definition of “underserved students” is provided in the Community Engagement section of the instructions.

- School facility repairs and improvements to enable operation of schools to reduce risks of virus transmission and exposure to environmental health hazards, and to support student health needs;
- Inspection, testing, maintenance, repair, replacement, and upgrade projects to improve the indoor air quality in school facilities, including mechanical and nonmechanical heating, ventilation, and air conditioning systems, filtering, purification and other air cleaning, fans, control systems, and window and door replacement;
- Developing strategies and implementing public health protocols including, to the greatest extent practicable, policies in line with guidance from the Centers for Disease Control and Prevention (CDC) for the reopening and operation of school facilities to effectively maintain the health and safety of students, educators, and other staff;
- Other activities that are necessary to maintain the operation of and continuity of services in LEAs and continuing to employ existing staff of the LEA.

Other LEA Plans Referenced in this Plan

In developing the plan, the LEA has flexibility to include community input and/or actions included in other planning documents, such as the Local Control and Accountability Plan (LCAP) and/or the Expanded Learning Opportunities (ELO) Grant Plan, provided that the input and/or actions address the requirements of the ESSER III Expenditure Plan.

An LEA that chooses to utilize community input and/or actions from other planning documents must provide the name of the plan(s) referenced by the LEA and a description of where the plan(s) may be accessed by the public (such as a link to a web page or the street address of where the plan(s) are available) in the table. The LEA may add or delete rows from the table as necessary.

An LEA that chooses not to utilize community input and/or actions from other planning documents may provide a response of “Not Applicable” in the table.

Summary of Expenditures

The Summary of Expenditures table provides an overview of the ESSER III funding received by the LEA and how the LEA plans to use its ESSER III funds to support the strategies and interventions being implemented by the LEA.

Instructions

For the ‘Total ESSER III funds received by the LEA,’ provide the total amount of ESSER III funds received by the LEA.

In the Total Planned ESSER III Expenditures column of the table, provide the amount of ESSER III funds being used to implement the actions identified in the applicable plan sections.

For the ‘Total ESSER III funds included in this plan,’ provide the total amount of ESSER III funds being used to implement actions in the plan.

Community Engagement

Purpose and Requirements

An LEA’s decisions about how to use its ESSER III funds will directly impact the students, families, and the local community, and thus the LEA’s plan must be tailored to the specific needs faced by students and schools. These community members will have significant insight into what prevention and mitigation strategies should be pursued to keep students and staff safe, as well as how the various COVID–19 prevention and mitigation strategies impact teaching, learning, and day-to-day school experiences.

An LEA must engage in meaningful consultation with the following community members, as applicable to the LEA:

- Students;
- Families, including families that speak languages other than English;
- School and district administrators, including special education administrators;

- Teachers, principals, school leaders, other educators, school staff, and local bargaining units, as applicable.

“Meaningful consultation” with the community includes considering the perspectives and insights of each of the required community members in identifying the unique needs of the LEA, especially related to the effects of the COVID-19 pandemic. Comprehensive strategic planning will utilize these perspectives and insights to determine the most effective strategies and interventions to address these needs through the programs and services the LEA implements with its ESSER III funds.

Additionally, an LEA must engage in meaningful consultation with the following groups to the extent that they are present or served in the LEA:

- Tribes;
- Civil rights organizations, including disability rights organizations (e.g. the American Association of People with Disabilities, the American Civil Liberties Union, National Association for the Advancement of Colored People, etc.); and
- Individuals or advocates representing the interests of children with disabilities, English learners, homeless students, foster youth, migratory students, children who are incarcerated, and other underserved students.
 - For purposes of this requirement “underserved students” include:
 - Students who are low-income;
 - Students who are English learners;
 - Students of color;
 - Students who are foster youth;
 - Homeless students;
 - Students with disabilities; and
 - Migratory students.

LEAs are also encouraged to engage with community partners, expanded learning providers, and other community organizations in developing the plan.

Information and resources that support effective community engagement may be found under *Resources* on the following web page of the CDE’s website: <https://www.cde.ca.gov/re/lc>.

Instructions

In responding to the following prompts, the LEA may reference or include input provided by community members during the development of existing plans, including the LCAP and/or the ELO Grant Plan, to the extent that the input is applicable to the requirements of the ESSER III Expenditure Plan. Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broad understanding among the LEA's local community.

A description of the efforts made by the LEA to meaningfully consult with its required community members and the opportunities provided by the LEA for public input in the development of the plan.

A sufficient response to this prompt will describe how the LEA sought to meaningfully consult with its required community members in the development of the plan, how the LEA promoted the opportunities for community engagement, and the opportunities that the LEA provided for input from the public at large into the development of the plan.

As noted above, a description of "meaningful consultation" with the community will include an explanation of how the LEA has considered the perspectives and insights of each of the required community members in identifying the unique needs of the LEA, especially related to the effects of the COVID-19 pandemic.

A description of the how the development of the plan was influenced by community input.

A sufficient response to this prompt will provide clear, specific information about how input from community members and the public at large was considered in the development of the LEA's plan for its use of ESSER III funds. This response must describe aspects of the ESSER III Expenditure Plan that were influenced by or developed in response to input from community members.

- For the purposes of this prompt, "aspects" may include:
 - Prevention and mitigation strategies to continuously and safely operate schools for in-person learning;
 - Strategies to address the academic impact of lost instructional time through implementation of evidence-based interventions (e.g. summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs);
 - Any other strategies or activities implemented with the LEA's ESSER III fund apportionment consistent with section 2001(e)(2) of the ARP Act; and
 - Progress monitoring to ensure interventions address the academic, social, emotional, and mental health needs for all students, especially those students disproportionately impacted by COVID-19

For additional information and guidance, please see the U.S. Department of Education's Roadmap to Reopening Safely and Meeting All Students' Needs Document, available here: <https://www2.ed.gov/documents/coronavirus/reopening-2.pdf>.

Planned Actions and Expenditures

Purpose and Requirements

As noted in the Introduction, an LEA receiving ESSER III funds is required to develop a plan to use its ESSER III funds to, at a minimum, address students' academic, social, emotional, and mental health needs, as well as the opportunity gaps that existed before, and were exacerbated by, the COVID-19 pandemic.

Instructions

An LEA has the flexibility to include actions described in existing plans, including the LCAP and/or ELO Grant Plan, to the extent that the action(s) address the requirements of the ESSER III Expenditure Plan. When including action(s) from other plans, the LEA must describe how the action(s) included in the ESSER III Expenditure Plan supplement the work described in the plan being referenced. The LEA must specify the amount of ESSER III funds that it intends to use to implement the action(s); these ESSER III funds must be in addition to any funding for those action(s) already included in the plan(s) referenced by the LEA. Descriptions of actions provided should include sufficient detail yet be sufficiently succinct to promote a broad understanding among the LEA's local community.

Strategies for Continuous and Safe In-Person Learning

Provide the total amount of funds being used to implement actions related to Continuous and Safe In-Person Learning, then complete the table as follows:

- If the action(s) are included in another plan, identify the plan and provide the applicable goal and/or action number from the plan. If the action(s) are not included in another plan, write "N/A".
- Provide a short title for the action(s).
- Provide a description of the action(s) the LEA will implement using ESSER III funds for prevention and mitigation strategies that are, to the greatest extent practicable, in line with the most recent CDC guidance, in order to continuously and safely operate schools for in-person learning.
- Specify the amount of ESSER III funds the LEA plans to expend to implement the action(s); these ESSER III funds must be in addition to any funding for those action(s) already included in the plan(s) referenced by the LEA.

Addressing the Impact of Lost Instructional Time

As a reminder, the LEA must use not less than 20 percent of its ESSER III funds to address the academic impact of lost instructional time. Provide the total amount of funds being used to implement actions related to addressing the impact of lost instructional time, then complete the table as follows:

- If the action(s) are included in another plan, identify the plan and provide the applicable goal and/or action number from the plan. If the action(s) are not included in another plan, write "N/A".

- Provide a short title for the action(s).
- Provide a description of the action(s) the LEA will implement using ESSER III funds to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs.
- Specify the amount of ESSER III funds the LEA plans to expend to implement the action(s); these ESSER III funds must be in addition to any funding for those action(s) already included in the plan(s) referenced by the LEA.

Use of Any Remaining Funds

After completing the Strategies for Continuous and Safe In-Person Learning and the Addressing the Impact of Lost Instructional Time portions of the plan, the LEA may use any remaining ESSER III funds to implement additional actions to address students' academic, social, emotional, and mental health needs, as well as to address opportunity gaps, consistent with the allowable uses identified above in the Fiscal Requirements section of the Instructions. LEAs choosing to use ESSER III funds in this manner must provide the total amount of funds being used to implement actions with any remaining ESSER III funds, then complete the table as follows:

- If the action(s) are included in another plan, identify the plan and provide the applicable goal and/or action number from the plan. If the action(s) are not included in another plan, write "N/A".
- Provide a short title for the action(s).
- Provide a description of any additional action(s) the LEA will implement to address students' academic, social, emotional, and mental health needs, as well as to address opportunity gaps, consistent with the allowable uses identified above in the Fiscal Requirements section of the Instructions. If an LEA has allocated its entire apportionment of ESSER III funds to strategies for continuous and safe in-person learning and/or to addressing the impact of lost instructional time, the LEA may indicate that it is not implementing additional actions.
- Specify the amount of ESSER III funds the LEA plans to expend to implement the action(s); these ESSER III funds must be in addition to any funding for those action(s) already included in the plan(s) referenced by the LEA. If the LEA it is not implementing additional actions the LEA must indicate "\$0".

Ensuring Interventions are Addressing Student Needs

The LEA is required to ensure its interventions will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students most impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.

The LEA may group actions together based on how the LEA plans to monitor the actions' progress. For example, if an LEA plans to monitor the progress of two actions in the same way and with the same frequency, the LEA may list both actions within the same row of the table. Each action included in the ESSER III Expenditure Plan must be addressed within the table, either individually or as part of a group of actions.

Complete the table as follows:

- Provide the action title(s) of the actions being measured.
- Provide a description of how the LEA will monitor progress of the action(s) to ensure that they are addressing the needs of students.
- Specify how frequently progress will be monitored (e.g. daily, weekly, monthly, every 6 weeks, etc.).
