Compass Charter Schools | Fall 2019

A Warm Welcome From Our Superintendent!

It is hard to believe that October is here! I hope everyone is enjoying our Compass Experience and having a successful start to their school year. Our #CompassFam has grown tremendously over the past year! It is truly an honor that our scholars, both new and returning, have chosen Compass to guide your unique educational journeys for the 2019-20 school year.

The Compass Chronicle is our quarterly newsletter, full of important information and exciting updates about Compass Charter Schools. I hope you enjoy learning more about our scholars, our families, our staff, and the amazing work that is happening in and out of the virtual classroom!

Is there something specific you'd like to see in the newsletter? We have Virtual Suggestion Boxes for [scholars](#), as well as [parents](#), where you can share your input on Compass Charter Schools. We review these monthly with our [Parent Advisory Council](#), [Scholar Leadership Council](#), and Staff Advisory Committee. Feel free to share your suggestion(s) today to help us continue to enhance the educational experience for our scholars.

On behalf of our amazing staff, welcome to the 2019-20 school year! I wish our scholars nothing but the best as they chart their educational journey at Compass.

Forever Loud & Proud,

J.J. Lewis, Superintendent & CEO

Compass Charter Schools Local Control and Accountability Plan

The Local Control Accountability Plan (LCAP) is a three-year (one-year for public charters like Compass) plan that describes the goals, actions, services, and expenditures to support positive scholar outcomes that address state and local priorities. The LCAP provides an opportunity for local educational agencies (LEAs) like Compass to share their stories of how, what, and why programs and services are selected to meet their local needs.

If you have any questions on our LCAPs below for the 2019-20 school year, please contact J.J. Lewis, Superintendent & CEO.
