RE: **9<sup>th</sup> Grade Math Placement – 2019-20 Final Report**

The Counseling Services Department performed a 30-day checkpoint for our 9<sup>th</sup> grade scholars per our 9<sup>th</sup> Grade Math Placement Policy, based on the following indicators:

- Edgenuity math diagnostic test
- Course progress/performance evaluation
- Multi-Tiered System of Supports

In accordance with the high school course placement guidelines for 9<sup>th</sup> grade scholars, seven scholar course placement level changes occurred during the 2019-20 academic school year:

- 4 scholars from Algebra 1 to Pre Algebra
- 2 scholars from Algebra 1 to Geometry
- 1 scholar from Algebra 1 Honors to Algebra 1
