

Loud and Proud Scholarship

Compass Charter Schools recognizes eligible graduating scholars in a variety of ways. One way is to provide financial scholarship assistance to scholars that meet eligibility criteria and are selected as being outstanding in their field or will benefit from financial assistance, allowing them to continue to appreciate the ways in which arts and sciences nurture a curiosity for life-long learning, and continue to take steps to take responsibility for their future success.

Eligibility

Eligible recipients must be a graduate from Compass Charter Schools in the class of 2020-21. They must have attended a minimum of 1 full semester and be considered a 'full-time' scholar. They must have achieved a 2.5 or cumulative grade point average.

Requirements

Deserving applicant(s) selected to receive an award should be able to express their story and how the Compass Experience supported their personal journey in video format. Content may include how Compass programs or staff helped the graduating scholar reach their goals, provided the graduate with opportunities, prepared them for post high school, or similar themes. The emphasis includes an ability to tell one's story through video content exhibiting communication skills, creativity, and technological proficiency.

Applicants must have a Media Release on file as videos may appear on Compass' website and social media accounts. Media Release Forms may be found on the scholarship page on the Compass website. Applicants will submit these along with their video application. The presence of others under the age of 18 is not encouraged and will require additional signed media releases from the parent of any minor in the video.

Voice-over is acceptable for audio as sound should be clear.

If background music is used, it must not be copyrighted. Tracks included in editing programs, self-created, or creative commons licensed are acceptable.

Completed videos may not exceed 3 minutes in length and use standard .mp4 format.
