School Accountability Report Card

Reported Using Data from the 2019–2020 School Year

California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

About Our School

Compass Charter Schools (CCS) of Yolo is a free, non classroom-based, public charter school that is directly funded by the State of California and the federal government. CCS provides 21st century online and home study learning programs authorized by Winters Joint USD for scholars in grades TK-12 who reside in Yolo County and its adjacent counties, and wish to pursue high-quality, and rigorous instructional programs via virtual learning.

The Online Learning Program is a virtual program where scholars use Accelerate Education as their curriculum. A credentialed supervising teacher supports the scholar and provides live, online learning labs once a week. The weekly live labs are 1-hour long per content area. These labs are held once a day and are recorded for scholars to access if they cannot attend the live session.

In our Options Learning Program, the learning coach is the primary instructor for their scholars and commits to providing a well-rounded education for their child. The supervising teacher is there to guide the learning coach with curricular options, order requests, and academic guidance.

In both programs, each scholar is assigned a supervising teacher who helps provide support to the scholar and learning coach on their educational journey. CCS provides additional supports for scholars through our Counseling Services Department and the Scholar Success Coordinator implements a robust Multi-Tier System of Supports (MTSS) program.

Mission Statement

Our mission is to inspire and develop innovative, creative, self-directed learners, one scholar at a time.

Vision Statement

Our vision is to create a collaborative virtual learning community, inspiring scholars to appreciate the ways in which arts and sciences nurture a curiosity for life-long learning, and prepare scholars to take responsibility for their future success.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2018-2019	School 2019-2020	District 2018-2019	District 2019-2020	State 2018-2019	State 2019-2020
English Language Arts / Literacy (grades 3-8 and 11)		N/A		N/A	50%	N/A
Mathematics (grades 3-8 and 11)		N/A		N/A	39%	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

We are proud to have numerous opportunities available for parental involvement:

Parent Advisory Council (PAC)

The PAC serves to provide learning coach feedback on school policies and procedures at Compass Charter Schools (CCS) of Yolo to ensure that they are consistent with our mission, vision, and values. Members act as a committed group of advisors to the staff and administration, regarding issues that affect the scholars and CCS. They provide feedback and insight from the learning coaches perspective on the school process, policies and initiatives to ensure that the needs of learning coaches and their families are included as decisions are made. They also serve as an advisory, not a decision-making body, that makes recommendations, encourages brainstorming and provides opportunities for parent involvement on committees.

Virtual Suggestion Box

There is a Virtual Suggestion Box for learning coaches, located on the homepage of our website. The link is also shared during Parent Town Halls. Suggestions to enhance and expand the Compass Experience are shared and discussed with our PAC, Cabinet, and Staff Advisory Committee on a monthly basis.

Welcome Back Night

Welcome Back Night is an annual, virtual program for our learning coaches. In this session, staff welcome families and scholars to Compass, introduce supervising teachers and staff and highlight important news and information for the start of the school year. For those families who are unable to attend, the session slides and recording are shared and available as a resource throughout the school year.

Coffee with Compass

The Superintendent hosts Coffee with Compass once a month whereby all stakeholders are invited to virtual coffee to discuss school and non-school related topics to connect with other CCS families and staff.

Learning Coach Surveys

Surveys are sent to CCS of Yolo stakeholders through the PAC. The results from this survey are reviewed by the PAC and Leadership Team and provide stakeholder feedback for continued program improvement.

Translation Committee

The Translation Committee is a staff-driven committee that works to ensure that all communication is equitable for all learning coaches to access school-wide communication.

Learning Coach Academy

Learning Coach Academy is designed to provide relevant and meaningful training videos along with a collaborative community of learning coaches and staff. Learning coaches watch training videos and answer a weekly question within a ParentSquare group. There is one training and one question per week for 10 weeks. Learning coaches that complete 10 Academy Sessions and actively participate in the Learning Coach Academy Support Group are provided certificates to acknowledge the time and effort put forth to complete the requirements of the Learning Coach Academy. Topics will include reviewing Back to School Night, Internet Safety, State Testing Overview, Growth Mindset, Preparing for College and Career and more.

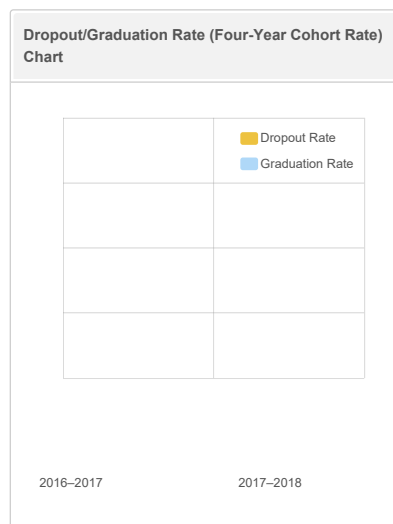

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

Suspensions and Expulsions for School Year 2019–2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019–2020	District 2019–2020	State 2019–2020
Suspensions	0.00%	0.00%	2.50%
Expulsions	0.00%	--	0.10%

Note: The 2019–2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019–2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–2020 school year compared to prior years.

School Safety Plan (School Year 2020–2021)

The school's Comprehensive Safety Plan was initially developed in February 2019, updated in January 2021, and adapted into the Board Policy Manual. The document includes 12 parts containing pertinent information to support and ensure the safety of scholars and staff. The following safety procedures are addressed:

- Child abuse reporting
- Routine and natural disasters
- Suspension/expulsion policies
- Dangerous pupils
- Discrimination and harrasment
- Ingress and egress
- Orderly learning environment
- Tactical response to criminal incidents
