Our Mission and Vision

MISSION STATEMENT

Our mission is to inspire and develop innovative, creative, self-directed learners, one scholar at a time.

VISION STATEMENT

Our vision is to create a collaborative virtual learning community, inspiring scholars to appreciate the ways in which arts and sciences nurture a curiosity for life-long learning, and prepare scholars to take responsibility for their future success.

Appreciation / Celebration

A New Year!

Wishing you a Happy and Healthy 2021 Compass Families,

We have already had a motivating month of January, as we have entered the new year with an optimistic vision of the future, choosing 'One Word' for the new year. The word that I have chosen is *focus*; I continually strive to set the highest Compass standards and myself as I focus on leading this exceptional family of public charter schools. Please continue to share your one word on social media @CompassCs; we love to hear from each of you!

I am so proud of our Compass family, who work together with our scholars, parents, and staff to adapt, grow, and thrive during the pandemic. Not only do we support one another, but we share our expertise and all the incredible possibilities within the personalized and virtual learning environment!

This January, we focused on our core ARTIC value of *teamwork*. Teamwork is a vital component as we work on our school-wide Wildly Important Goal (WIG) of 100% of our eligible scholars graduating by the end of the school year! At Compass, we offer many support areas, including learning labs, [English Learners Support](#), [AVID](#), [Scholar Support](#), [Scholar Success](#), tutoring sessions, [counseling](#), virtual clubs, field trips, and more.

The new year brings about many exciting and important events. January is [National School Board Recognition Month](#) and we are celebrating our community volunteers who dedicate countless hours and resources to ensure quality education is available for scholars. I am proud to celebrate National Board Recognition Month and am truly grateful for our board members. Our Board shows continued dedication to ensuring consistent growth of our educational programs and services to best support our scholars and their families.

The last week of January, we celebrate Spirit Week! This includes [National School Choice Week](#), [Pennies for Patients](#), and [The Great Kindness Challenge](#). We are so proud of CCS and the incredible choice of a personalized Gold Standard education that we provide to each and every scholar. Scholars show their school spirit in class, clubs, and online, and we love to see our scholars Loud and Proud with their Compass Spirit!

I encourage you to share your thoughts and goals for your year of possibilities with your teachers and peers! Please continue to keep up the great work as we finish our first semester and set our second-semester sights. Thank you to each one of you for your strength during this time and all that you do to make Compass the Gold Standard in virtual and personalized education.

Forever Loud & Proud,

J.J. Lewis, Superintendent & CEO
