

Compass Charter Schools
Scholar Leadership Council 2021-22 Scholar Survey
Online Scholars - What are you proud of accomplishing so far this year?

- Having all A's in my classes so far in this semester
- I don't know...
- module exams
- I am proud of how much I have learned.
- Getting my work done in time.
- I'm proud of accomplishing my homework.
- Having a 90% in one of my classes
- I'm proud of getting A's and B's.
- Nuevas palabras, nuevos trabajos, aprendido de ciencias e historia e ingles
- I can add and subtract decimals
- Having straight A's
- my daughter learning to read
- Learning my times tables
- There is not really anything that I am proud of yet, but if I had to choose I would be my math because I understand it better then any other subject.
- math
- Being on track with my school work
- Getting "A" in all my classes
- Learning letters and numbers
- Having good grades and accomplishing my goals
- Receiving Scholar of the Month twice.
- Getting good grades
- Grades
- I am proud of keeping all my grades at an A, and staying on track in my classes.
- Im proud of getting my English grade up after having a few missing assignments.
- That I manage my time better
- I am really proud of talking in front of class. I had an option to record but I said no. I made myself talk and I felt better as I went on. I went from my heart beating out of my chest to having a calm regular beating heart in a minute or two. I can thank Mrs. Lomeli for pushing to be my best and to get out of my comfort zone.
- I am proud about getting into the scholar leadership council and taking exams better.
- The goals I made for my digital portfolio
- I am proud that I have already finished the first book in MATH and am working on the second.
- Maintaining good healthy contacts with staff and scholars alike and keeping above average grades throughout hard times, physically and emotionally.
- Improving English language skills
- I'm proud of taking initiative in the first half of this year.
- My sports carreer moving well, and I can't say that about my academics.
- I'm proud of that I'm trying to keep my grades up.

- That I am always 1 day ahead of my work.
- Just getting through the year was a good accomplishment.
- My grades going up.
- I'm proud of getting enough work done to add another class.
- This year I've been able to get amazing grades because of my amazing teachers.
- that my daughter begins to identify words and reads them.
- I am proud of accomplishing straight As this year and being focused.
- My son's reading chapter books
- Reading and math
- writing
- I am proud of taking on the courses and not falling far behind this year.
- To be October's student of the month. That I have been 99% independent from needing help from my parents.
- passing my classes
- I'm proud that I've been able to pull through my first semester of High School. I'm a bit behind right now but I'm working on catching up. I'm just happy I'm doing my best with everything in my life.
- Learning about mental health
- I'm proud of my writing and exam grades in English.
- Reading more and being able to do a lot of math
- That my grade is passing.
