# **Our Mission and Vision**

## **MISSION STATEMENT**

Our mission is to inspire and develop innovative, creative, self-directed learners, one scholar at a time.

## **VISION STATEMENT**

Our vision is to create a collaborative virtual learning community, inspiring scholars to appreciate the ways in which arts and sciences nurture a curiosity for life-long learning, and prepare scholars to take responsibility for their future success.

# Appreciation / Celebration

## Happy New Year From Our Superintendent J.J. Lewis!

Wishing you a Happy and Healthy 2022 Compass Families,

2021 was a year of exceptional growth and perseverance for Compass! Together, we pivoted to meet the requirements of AB 130 and AB 167 while staying focused on our mission and vision. In October, we [celebrated 10 years of Compass Charter Schools](#) serving scholars! We promoted our Orange County Learning Center with an [amazing virtual tour](#), created a new [webpage to house all of our promotional videos](#), and started the scholar-led newscast: [The Firebird Report!](#)

Moving forward into this new year and the month of January, I would like to shift focus to our core value of teamwork. Teamwork is vital as we continue our work on our school-wide Wildly Important Goal (WIG) of 100% of our eligible scholars graduating by the end of the school year! So, how can you best utilize teamwork at Compass this year?

Compass offers many support areas, including learning labs, [English Learners Support](#), [AVID Scholar Support](#), [Scholar Success](#), tutoring sessions, [counseling](#), virtual clubs, field trips, and more. So find your way to delve into Teamwork personally at Compass!

January is National School Board Recognition Month, and we are celebrating our community volunteers who dedicate countless hours and resources to ensure quality education is available for scholars. I am proud to celebrate National Board Recognition Month and am genuinely grateful for our board members. Our Board shows continued dedication to ensuring consistent growth of our educational programs and services to best support our scholars and their families.

The last week of January, we celebrate [National School Choice](#). We are so proud of Compass and the incredible choice of a personalized Gold Standard education that we provide to each and every scholar. Scholars can share why they [#ChooseCompass](#) on social media all month.

I encourage you to share your thoughts and goals for your year of possibilities with your teachers and peers! Please keep up the great work as we finish our first semester and set our second-semester sights. Thank you to each of you for your strength during this time and all you do to make Compass the Gold Standard in virtual and personalized education.

Forever Loud & Proud,

J.J. Lewis, Superintendent & CEO
