Our Mission and Vision

MISSION STATEMENT

Our mission is to inspire and develop innovative, creative, self-directed learners, one scholar at a time.

VISION STATEMENT

Our vision is to create a collaborative virtual learning community, inspiring scholars to appreciate the ways in which arts and sciences nurture a curiosity for life-long learning, and prepare scholars to take responsibility for their future success.

Supporting our Mission and Vision

- We work hard to provide innovative and accessible technology solutions ensuring CCS staff and scholars continual lifelong learning
- Our departments goal is to provide exceptional service to all stakeholders for integrated technology solutions which are CCS goal aligned, secure, and reliable.

LineWize

- LineWize has provide us education focused content filtering for the laptops we provide to our families. This allows scholars to safely navigate the web with minimal interruption from inappropriate ads and prevents access to inappropriate websites. Also, LineWize serves as a Cyber Security hub for families with a number of topics to help everyone navigate online safely.

Data Studio Dashboard

- The original purpose of the Compass Data Studio was to provide specific departments within Compass Charter Schools greater visibility to bad or incomplete data in School Pathways. The evolution provides more visibility into the registration process.

What you will find within the Compass Data Studio:

- Incoming new scholars
- Scholar Re-enrollment status
- OCLC scholars
- Master Agreement status
- ST and Counselor roster assignments

You can filter by:

- Charter
- Program
- Grade
- Grade level
- ST name
