RE: **Community Advisory Committee Recommendations**

The El Dorado Charter SELPA's Community Advisory Committee is a group formed to advise the Charter SELPA about the Special Education Local Plan, annual priorities, parent education, and other special education related activities. The CAC is designed to be a dynamic collaborative partnership of educators, parents, and community members. The CAC holds three business meetings annually to address topics of interest to families of children with disabilities and gather information to advise our Special Education Local Plan. CAC meetings are open to parents, family members, educators, agency representatives, and community members who are interested in supporting children with special needs. Every Charter School is entitled to have one CAC representative. A CAC representative must be appointed and approved by their Charter School's governing board. The CAC committee should be composed of a majority of parents of children with exceptional needs.

We recommend the following Learning Coaches be considered to represent Compass Charter Schools of the Community Advisory Committee:

- Compass Charter Schools of Los Angeles
 - Barbara Baez (re-appointment)
- Compass Charter Schools of San Diego
 - Alisann Iler
- Compass Charter Schools of Yolo
 - Raven Gray
