Re: *Williams* Settlement Finding for 2023-2024 Site Visits

California Education Code Section 1240 require the San Diego County Office of Education staff to visit county schools identified as Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI), or schools where 15% or more of the teachers are holders of a permit, certificate, or any other authorization that is a lesser certification than a preliminary or clear California teaching credential and report the results of the visit. California Education Code (EC) requires visits for the purpose of:

1. Ensuring that students have access to “sufficient” instructional materials in core subject areas (English/language arts, ELD, mathematics, history/social science, science) and, as appropriate, science laboratory equipment, world languages, and health education as defined in EC Section 60119.
2. Assessing compliance with facilities maintenance using the Facilities Inspection Tool (FIT) and determining if there are any conditions that “pose an emergency or urgent threat to the health or safety of pupils or staff” as defined in EC Section 17592.72; and assessing “the safety, cleanliness, and adequacy of school facilities, including good repair” as required by EC Sections 17014, 17032.5, 17070.75, and 17089.

This report for the 2023-2024 site visit provides the findings in these areas for Compass Charter Schools of San Diego. A letter and copy of your report were sent to Elizabeth Brenner, Superintendent and Thomas Arnett, School Board President.
