2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Compass Charter School (Compass) provides a personalized learning experience for each of our scholars. At Compass, we choose to refer to students as “scholars” because we want to emphasize our commitment to helping every individual be academically successful.

We provide our families with access to standards-based curriculum in a virtual setting that serves as a vibrant community connected by technology. Our parents/guardians are known as the “Learning Coach” for their children and they are an integral part of their children’s success at Compass. Our teachers work closely with their scholars and families to ensure that each child’s path is unique and supported throughout their educational journey.

Our dedicated team of educational professionals provide support for scholars depending on their unique needs. This robust system of support ensures that scholars are able to thrive academically and emotionally at our school. Everyone at Compass is committed to creating a nurturing environment for our diverse community of learners.

Elizabeth Brenner
Superintendent and CEO

Compass is a free, nonclassroom-based public charter school that is directly funded by the State of California and the federal government. Compass provides 21st-century virtual learning programs authorized by Winters Joint Unified School District for scholars in grades TK-12 who reside in Yolo County and its adjacent counties, and wish to pursue high-quality, rigorous instructional programs via virtual learning.

Our scholars are assigned a credentialed Supervising Teacher who acts as the Teacher of Record and supports the scholar by providing both synchronous and asynchronous instruction to personalize scholar learning. Scholars participate in learning labs where they interact with their teachers and peers. During these labs, scholars participate in research-based instructional activities designed by the teacher to engage in their learning. Our personalized learning model provides flexibility with scholar schedules, so each learning lab is recorded for scholars to view if they cannot attend live. Teachers also provide homeroom, Q&A office hours, small group instruction, and one on one sessions to further support scholars.

Further, the supervising teachers (STs) meet monthly in a connection meeting with scholars and learning coaches to review their personalized learning plans, review scholar progress, evaluate scholar work, provide an opportunity for scholars to

2023-24 School Description and Mission Statement

showcase their learning, and address learning coach and/or scholar concerns. Compass provides additional support for all scholars through our Counseling Services and Academic Support Departments.

Compass' current goals, as described in our LCAP include 1) increasing scholar academic achievement in core academic subjects; 2) increasing scholar and parent engagement/involvement; 3) increase college and career readiness for scholars; 4) ensuring that at-promise scholars are making progress toward earning a high school diploma.

Mission Statement

Our mission is to inspire and develop innovative, creative, self-directed learners, one scholar at a time.

Vision Statement

Our vision is to create a collaborative virtual learning community, inspiring scholars to appreciate the ways in which arts and sciences nurture a curiosity for lifelong learning, and prepare scholars to take responsibility for their future success.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	35	34	24	25	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

2022-23 Career Technical Education Programs

Compass offered individual career technical education electives across several industry sectors. These electives were offered to scholars in grades 9 through 12 to support the acquisition of knowledge and exploration in potential career pathways. Scholars wishing to advance in identified pathways are supported through concurrent enrollment at their local community college to continue their education and skill development.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

There are a number of opportunities for parents/guardians to be involved at Compass. Learn more about some of these opportunities below:

Parent Advisory Council (PAC)

The PAC serves to provide learning coach feedback on school policies and procedures at Compass to ensure that they are consistent with our mission, vision, and values. Members act as a committed group of advisors to the staff and administration, regarding issues that affect the scholars and Compass. They provide feedback and insight from the learning coach's perspective on the school process, policies, and initiatives to ensure that the needs of learning coaches and their families are included as decisions are made. They also serve as an advisory, not a decision-making body, that makes recommendations, encourages brainstorming, and provides opportunities for parent involvement on committees. The Council prepares reports for the Board of Directors that detail the contents of their meetings.

English Learner Advisory Committee (ELAC)

The purpose of this committee is to provide critical and crucial feedback for programs and services for our Multilingual Learners. The ELAC will foster an asset based environment at CCS for our Multilingual Learners and create a community that supports our Multilingual Learner's academic achievement. The ELAC will provide training on how Learning Coaches can teach and help their scholars at home, and advise on the development of proper and consistent implementation of program procedures, aligned with our LCAP goals.

Virtual Suggestion Box

There is a Virtual Suggestion Box for learning coaches, located on the homepage of our website. The link is also shared in our weekly Monday Morning Update (MMU) to families. Suggestions to enhance and expand the Compass Experience are shared and discussed with our PAC, Cabinet, and Staff Advisory Committee regularly.

Program Orientation & Weeks of Welcome

Weeks of Welcome are a programmed set of offerings to onboard new and returning families at the start of the school year. Sessions are held virtually and include topics such as program orientations and department open houses. For families unable to attend, the session slides and recordings are shared and available as a resource throughout the school year. There is also a mid-year refresher series of offerings called Mini-WOW for learning coaches as they embark on the second semester of the school year.

Program Orientations are held virtually as part of our Weeks of Welcome offerings and held weekly for families that enroll during the school year. In these sessions, the Orientation Coordinator welcomes families and scholars to Compass, introduces the position of the supervising teacher, overviews staff teams, and highlights important news and information for the school year. For families unable to attend, the session slides and recordings are shared and available as a resource throughout the school year.

Coffee with Compass

The Superintendent & CEO hosts Coffee with Compass once a month whereby all stakeholders are invited to virtual coffee to discuss school and non-school related topics to connect with other Compass families and staff. While these have been in person previously, they are now held virtually to encourage more participation due to the large geographic distribution of our families.

Learning Coach Surveys

Surveys are sent to Compass stakeholders through the PAC. The results from this survey are reviewed by the PAC and Leadership Team and provide stakeholder feedback for continued program improvement.

Learning Coach Academy

Learning Coach Academy is a virtual offering designed to provide relevant and meaningful training along with a collaborative community of learning coaches. Learning coaches can attend live sessions every week that alternate between topic focused

2023-24 Opportunities for Parental Involvement

sessions and social sessions. Learning coaches who complete 10 topic sessions are provided certificates to acknowledge the time and effort put forth within Learning Coach Academy. Topics covered in Learning Coach Academy include Learning Coach responsibilities, individualizing learning at home, time management in learning, staying organized, SMART goals, and more.

2023-24 School Safety Plan

Compass' Comprehensive Safety Plan was initially developed in February 2019, is updated every six months, and is adopted into the Board Policy Manual. For the 2023-2024 school year, Compass continued the work of a Safety Committee that gathered the feedback of various educational partners as well as local fire, police, and first responders. The Safety Plan was reviewed by the Staff Advisory Council on 01/10/2024, Parent Advisory Council on 01/19/2024, Scholar Leadership Council on 01/09/2024, and adopted by the Board of Directors on 01/27/2024. The document includes 12 parts containing pertinent information to support and ensure the safety of scholars and staff. The following safety procedures are addressed:

- Child abuse reporting
- Routine and natural disasters
- Suspension/expulsion policies
- Dangerous pupils
- Discrimination and harassment
- Ingress and egress
- Orderly learning environment
- Tactical response to criminal incidents
