

April Scholar Leadership Council Report
prepared for May 18, 2024 Board Meeting

[VIEW RECORDING - 26 mins \(No highlights\)](#)

AI Summary:

[0:00](#) The council welcomed new members and ensured all scholars were accounted for before proceeding with the agenda.

[2:06](#) Council member Taia questioned the school's gifted program, noting the website implied dedicated support that may not exist. Elizabeth agreed to investigate and ensure accurate representation.

[5:23](#) The group reviewed suggestions to enhance scholar experiences, debating whether structured worksheets improved field trips or distracted from open learning. They agreed individual preference mattered most.

[12:30](#) Members discussed expanding in-person electives for online scholars and field trip options for high schoolers. Taia supported hands-on learning while prioritizing immersion over worksheets.

[18:06](#) The council discussed end-of-year traditions and settled on recapping achievements. Avery proposed a student media interview and Elizabeth added reviewing field trips to the agenda.

[25:27](#) Taia thanked all for their work and insights, closing the meeting on time at 2:28pm after confirming the next and final meeting date.
