

Academic Services Division | Board Report | May 18, 2024

COMPASS

CHARTER SCHOOLS

Our **mission** is to inspire and develop innovative, creative, self-directed learners, one scholar at a time.

Our **vision** is to create a collaborative virtual learning community, inspiring scholars to appreciate the ways in which arts and sciences nurture a curiosity for life-long learning, and prepare scholars to take responsibility for their future success.

OUR ARTIC VALUES

-  **Achievement** Engage in and take charge of your learning.
-  **Respect** Be respectful in all interactions with fellow scholars, learning coaches, faculty, and staff.
-  **Teamwork** Work cooperatively with all persons involved in your education. “Teamwork makes the Dreamwork.”
-  **Integrity** Behave following strong ethical principles, values and academic honesty.
-  **Communication** Frequently and proactively communicate with all persons involved in your education.

Purpose

Per CA Educ Code § 240 (2023)

Governing boards of school districts shall adopt instructional materials in accordance with the provisions of Section 60040.

Academics is seeking board approval of core curriculum.

Previous Practice

- ❑ Accelerate Ed was approved curriculum for Online Scholars
- ❑ Freckle was approved curriculum for Options Scholars

Change

Objective | To more accurately portray the diversity of Compass curriculum choices for scholars in Options, Online, Special Ed, and Emergent Multilingual Learners, Compass will recognize core and vetted approved curriculums.

Process | Staff collaboratively...

1. assembled curriculum
2. created and applied a rubric
3. assembled a comprehensive list of curriculum to recommend for adoption.

Rubric

Alignment w/CA CCS	1: Limited alignment with few or no connections to standards.	2: Partial alignment with some connections to standards.	3: Substantial alignment with most standards clearly addressed.	4: Excellent alignment with all standards explicitly covered.
Grade-Level Appropriateness	Inappropriate for grade level; material too advanced or too basic	Marginally appropriate; may need adjustments.	Mostly appropriate; meets developmental needs effectively can be used to meet needs of scholar at current grade or accommodated level.	Highly appropriate; well-matched to grade level, engaging students effectively.
Academic Rigor	Curriculum or vendor material has minimal rigor; lacks challenging activities or critical thinking components. Lacks consideration for diverse learning needs. Not able to accommodate or adapt curriculum.	Curriculum or vendor material presents some rigor; needs improvement in depth and complexity. Limited accommodations available. Needs lots of extra work by ST/LC to enhance accessibility.	Curriculum or vendor material presents good rigor; challenges students adequately with clear evidence of critical thinking, offering challenging activities and assessments and provides opportunities to extend learning in multiple modalities. It includes reasonable accommodations, supports, and adaptations, making it accessible to a broad range of students.	Curriculum or vendor material presents excellent rigor; consistently promotes critical thinking, offering challenging activities and assessments and provides opportunities to extend learning in multiple modalities. Exceptionally designed and offers a variety of accommodations, supports, and adaptations, ensuring accessibility for all students, regardless of their learning abilities.
Accessibility	The curriculum lacks consideration for diverse learning needs. It is not accessible to students with varying abilities, and there are no evident accommodations or adaptations.	The curriculum shows limited consideration for diverse learning needs. While some accommodations may be present, they are insufficient, and improvements are needed to enhance accessibility.	The curriculum demonstrates a moderate level of consideration for diverse learning needs. It includes reasonable accommodations, supports, and adaptations, making it accessible to a broad range of students.	The curriculum is exceptionally designed to be accessible to students with diverse learning needs. It incorporates a variety of accommodations, supports, and adaptations, ensuring optimal accessibility for all students, regardless of their learning abilities.

Process

This sheet served as the hub for staff to work synchronously and asynchronously to vet and recommend curriculum.

Ke'Len Armstrong & the Options team lead this effort.
