Addressing the Committee – Committee meetings are meetings of the Board of Directors and will be held in a civil, orderly and respectful manner. All public comments or questions should be addressed to the Committee through the Chair of the Committee. To ensure an orderly meeting and an equal opportunity for each speaker, persons wishing to address the Committee must send a Speaker Request Message through the form of a text message or chat box message to Miguel Aguilar, Executive Assistant to the CEO (805-807-8199). Messages must contain speaker name, contact number or email, and subject matter and sent prior to the beginning of the Public Comment section of the meeting. Members of the public may address the Committee on any matter within the Committee's jurisdiction and have **three (3) minutes each** to do so. The total time of each subject will be fifteen (15) minutes, unless additional time is requested by a Committee Member and approved by the Committee.

The Committee may not deliberate or take action on items that are not on the agenda. However, the Committee may give direction to staff following a presentation. The Chair is in charge of the meeting and will maintain order, set the time limits for the speakers and the subject matter, and

will have the prerogative to remove any person who is disruptive of the Committee meeting. The Personnel Committee may place limitations on the total time to be devoted to each topic if it finds that the numbers of speakers would impede the Committee's ability to conduct its business in a timely manner. The Personnel Committee may also allow for additional public comment and questions after reports and presentations if it deems necessary.

For questions or requests regarding accessibility, please call Miguel Aguilar at (805) 807-8199.

IV. REPORTS

A. Staff Report

Mr. Lewis shared we have expanded BambooHR, which is our HRIS system. In addition to tracking credentials for our staff, mandatory training, and leave balances (they also request leave from the system), we have expanded it to include our Performance Planning system. In March, our Self Review will be released for staff through Bamboo. Starting in 2017-18, our entire performance planning process will also run through the system. We are working with the County of Ventura, Workforce Investment Board (part of America's Job Center) to recruit and hire potential job seekers in Ventura County. The On-the-Job-Training program is designed to make it more affordable for hiring and training individuals. The program reimburses directly to AAS, up to 50 percent of a trainee's gross wages, for the duration of the training period.
