No public comment.

**V. Reports**

**A. Staff Report**

Mr. Lewis led the council in an overview of the Staff Report. He shared an overview of SB-98 and its impacts on the operating budget. Enrollment is capped by charter and programs based on staffing and SB-98 impacts. Many schools have implemented an enrollment cap for the first time due to the funding structure set by the state. There are over 2,000 scholars on the waitlist.

He also shared an update on experiences and measures to prevent Zoom bombing. After further review and reflection, Compass suspended all Zoom Learning Labs until further notice. This will allow time to review options to provide and conduct a safe virtual learning experience with and for our scholars.

**VI. New Business**

**A. Council Member Feedback**

Mr. Avery Stansbury suggested creating a social justice club due to the times that we are in. The club could increase cultural and social justice awareness.

Ms. KristiLynn Effie congratulated Elizabeth and Mick as they will both do a great job. She also shared that it's always wonderful to hear about CCS's growth.

Mr. Mick Effie shared his concerns with StudentSquare RSVP's, authorizations, and invites. Ms. Kate Vreeman shared that she experiences the same issues.

Ms. Elizabeth Christopher thanked the council for her nomination. She also suggested creating a sports club that expands the science and math behind sports.
