### **III. Public Comment**

#### **A. Public Comment**

No public comment.

### **IV. Communications**

#### **A. Board Member Communication**

Mr. Arnett shared that through his role as a researcher of education trends across the country, it has been interesting to see the conversation around in-person and virtual instruction. He is seeing research showing both the positive and negative side of virtual schools. This should be motivation for us to keep doing the work we are doing, share the value of our work, and realize schools like ours are being looked at by researchers and community members at large.
