CHARTER RENEWAL CRITERIA

In accordance with Education Code §§ 47605, 47607, and 47607.2, in order to renew a charter, the District must determine whether the charter school has met specific renewal criteria prescribed in statute.

REPORT GUIDE

LAUSD's oversight procedures are intended to balance a charter school's autonomy of operation with its accountability to the public. LAUSD utilizes a holistic, performance-based approach to evaluate all charter schools, guided principally by making decisions in the best interest of students. The CSD observes and monitors each charter school in accordance with applicable laws, regulations, LAUSD policy, memoranda of understanding, and the school's operative charter. Information gathered through oversight serves as part of the charter school's ongoing record for the District to make informed decisions about charter school authorization, renewal, material revisions, sharing of promising practices, and if need be, revocation. While LAUSD is responsible to provide oversight of its charter schools and the entities managing charter schools, the primary oversight of each charter school must first and foremost be performed by the charter school's own Governing Board. The Governing Board of a charter school has an ongoing responsibility to oversee the operations of its charter school(s), ensuring that every charter school it oversees is providing a high-quality educational program for students enrolled, is successfully fulfilling the terms of their charter, is fiscally sound, and complies with applicable laws, regulations, and court orders. In designing this document, the District has considered the California Charter Schools Act, the *LAUSD Policy and Procedures for Charter Schools*, the factors and guidance promulgated by the California State Board of Education in evaluating charter schools, and the National Association of Charter School Authorizers' *Principles and Standards of Quality Authorizing*. This reporting tool provides guidelines and criteria used by the CSD to observe, record, assess, and reflect with the charter school on school performance as captured during the annual oversight visit process in these four categories:

- **Governance** – demonstrating fulfillment of the Governing Board's fiduciary responsibility to effectively direct and provide oversight for the charter public school, including but not limited to enactment and monitoring of policies and procedures to ensure the school's full compliance with applicable law, policy, and the terms of the charter approved by the LAUSD Board of Education
- **Student Achievement and Educational Performance** – demonstrating positive academic achievement and growth for all students
- **Organizational Management, Programs, and Operations** – demonstrating effective leadership and implementation of the governing board's policies and procedures, as well as the school's educational program and systems and procedures for the day-to-day operations of the school
- **Fiscal Operations** – demonstrating sound fiscal management, appropriate use of public funds, and compliance with regulatory requirements

This report, including the ratings in each category, is based on information and evidence gathered at the time of the annual oversight visit. The CSD considers evidence provided through CSD staff observations, document review, interviews, and discussion with school representatives and stakeholders. All charter schools are expected to prepare for the visit and have available, as applicable, all documentation requested in the *Annual Performance Based Oversight Visit Preparation Guide*. The "Sources of Evidence" sections below identify key information sources generally relevant to their respective indicators; these lists are not exhaustive, however, and some items may not be applicable to the grades served. Schools may present additional evidence as deemed relevant and appropriate. As needed, CSD staff also may request additional information and/or documentation prior to, during, and/or following the visit.

The tool employs the following four-point rubric to rate the school's performance in each category: (4) *Accomplished*, (3) *Proficient*, (2) *Developing*, and (1) *Unsatisfactory*. In addition, the *Summary of School Performance* section in each category captures key findings under one or more of the following headings: (1) Areas of Demonstrated Strength and/or Progress; (2) Areas Noted for Further Growth and/or Improvement; and, if applicable, (3) Corrective Action Required. Under "Corrective Action Required," the CSD reports findings of material noncompliance with applicable law, LAUSD charter policy, or the school's approved charter. **If the report includes any findings under "Corrective Action Required," the charter school must take immediate and appropriate steps to remedy the identified concern.** In accordance with its "tiered intervention" approach to charter school non-compliance and poor performance, the CSD may also send the school appropriate notices, separate and apart from this report, to provide and document time-specific follow-up as necessary. At the other end of the spectrum of performance, any school that earns a rating of *Accomplished* in any category is encouraged to submit to the CSD a summary of those "promising practices" that the school believes have contributed to its success, in order to support the CSD's ongoing efforts to promote and facilitate reciprocal sharing of promising practices among education leaders from across all LAUSD schools.

Areas Noted for Further Growth and/or Improvement**O3: SPECIAL EDUCATION FOR NON-LAUSD SELPA SCHOOLS**

- School was unable to produce Welligent reports on the day of the visit due to inability to access the correct Welligent reports.
- Welligent reports are not up-to-date due to lack of access by providers.
- SEIS reports are not up-to-date and currently have an outstanding “Notice of Noncompliance” with the Los Angeles County Charter SELPA.
- On April 14, 2025, the Los Angeles County Charter SELPA could not issue a finding of “Good Standing” for Academia Moderna in a letter to CSD.
- Following the oversight discussion with school leadership, CSD made several formal requests via email for Alta Public Schools to provide detailed information regarding any challenges encountered with accessing Welligent. These requests aimed to convene all relevant stakeholders in a collaborative meeting to address and resolve any access-related issues promptly. Alta Public Schools did not provide a response to the request.

Corrective Action Required

- The CSD issued a Notice of Concern on June 14, 2024, for Academia Moderna’s leadership to gain Welligent access and maintain mandated IEP timeline records and accurate provision records in Welligent. On July 15, 2024, Academia Moderna submitted a Welligent Plan to CSD that included a timeline to train staff on Welligent, update the IEP records, monitor tracking procedures, and ensure accurate and up-to-date IEP meetings. On January 30, 2025, the Los Angeles County Charter SELPA issued a Notice of Non-Compliance to Alta Public Schools for failure to cure three (3) corrective actions identified in a “Notice of Concern,” dated August 13, 2024, regarding instructional program for students with disabilities. The CSD issued a Notice to Cure to Alta Public Schools on March 3, 2025, for its failure to maintain mandated IEP timeline records and accurate service provision records in Welligent. On April 4, 2025, Alta Public Schools requested an extension to finish inputting the service minutes into Welligent. On May 9, 2025, a follow-up letter was sent to Alta Public Schools requesting a timeframe as to when all Welligent records would be updated. Alta Public Schools did not respond by the deadline of May 23, 2025, and as of the writing of this report has not responded.
- Academia Moderna’s governing board and leadership, in collaboration with the Academia Moderna’s Special Education team, must take immediate and appropriate action to ensure access to the Welligent system and resolve the Notice to Cure issued by the District, as well as the Notice of Non-Compliance from the Los Angeles County Charter SELPA.
- Note: These unresolved issues/concerns are also noted in the Governance category of this oversight report.

By self-report, they have resolved 37 of 50 noncompliant IEPs (26 IEPs completed, 11 students withdrew/transferred from Academia Moderna). A review of the Special Education Information System (SEIS) data for Academia Moderna demonstrates that the special education program remains out of compliance. As of Friday, April 11, 2025, Academia Moderna reports 2 past due Plan Review IEPs and 5 past due Eligibility Evaluation IEPs. A blind sample of 6 Academia Moderna students was selected by LAC Charter SELPA to determine compliance with IDEA requirements for service delivery per the Offer of FAPE in the IEP(s) in place during the Spring 2025 semester (January – April 11, 2025).” This evaluation determined the six IEPs that were reviewed were noncompliant.</p>

These management fees are calculated based on the total revenues of the charter schools APS operates.

*The net loss reported for Fiscal Year 2023-24 is primarily due to the combination of net losses of (\$164K) for Prepa Tec – Los Angeles and (\$242K) for Alta Foundation PTMS, LLC, offset by net income from the other related entities within APS. Per the 2023-24 audit, the net loss for Alta Foundation PTMS, LLC is primarily due to non-cash depreciation expense of \$279K.

Areas of Demonstrated Strength and/or Progress:

1. The school's fiscal condition is positive and has been upward trending since the 2020-2021 fiscal year. Please refer to the Financial Highlights table above.

Areas Noted for Further Growth and/or Improvement:

As documented under the "Progress on LAUSD Board of Education and/or MOU Benchmarks related to FISCAL OPERATIONS" section below, Benchmark #4 is currently not met due to Prepa Tec – Los Angeles' net loss reported for Fiscal Year 2023-2024 indicating signs of a downward trend and deteriorating financial condition. See the status of APS' progress in meeting the LAUSD Board of Education-approved fiscal benchmarks below.

Other Observations (Items described in this section, which may not have been addressed in the charter school's Fiscal Policies and Procedures, are recommended for improvement to align with optimal business practices).

None noted.

Corrective Action Required:

None noted that immediate action is required to remedy concerns in this report.

Progress on LAUSD Board of Education and/or MOU Benchmarks related to FISCAL OPERATIONS (if applicable):

As part of the January 8, 2019, renewal petition approved by the LAUSD Board of Education (Board of Education report 176-18/19), during the 2019-2024 charter term which, by operation of law, was extended to and expires June 30, 2027,* Academia Moderna must meet the following fiscal benchmarks and take the following actions in relation to its fiscal operations:

1. By April 1, 2019, the school's governing board must provide a comprehensive update to its austerity plan that includes 1) Specific goals and metrics; 2) Status of its stated commitment to cease factoring receivables; 3) Status of its stated commitment to limit borrowing from and among its charter schools; and 4) Specific timeframes and additional details (i.e., payment schedules) that confirm the governing board's commitment to positively alter the current fiscal trajectory of the entire organization.

LAUSD CHARTER SCHOOLS DIVISION

SCHOOL NAME: Academia ModernaAnnual Performance-Based Oversight Visit ReportDATE OF VISIT: 4/25/2025

2. By May 1, 2019, the school will provide documents verifying that the proposed bond financing that Alta Public Schools shared was pending has been funded, including the bond agreement plus all related attachments and schedules.
3. By June 30, 2019, the school's governing board must provide a revised five-year balanced budget that incorporates the fiscal benchmarks mentioned above and maintains unrestricted cash reserve levels at a rate of no less than the 5% minimum recommended threshold throughout the charter term. The school's governing board will provide a written report on a quarterly basis thereafter regarding its progress in successfully executing the revised five-year budget.
4. Quarterly, beginning October 1, 2019, the Alta Public School's Board will provide evidence that it is operating Academia Moderna and its additional charter schools with a balanced budget and whereby all expenditures are fully paid in a timely manner based on the school's funding from its own Average Daily Attendance (ADA) and other State and Federal revenues.

CSD's Comments:

The CSD monitors the school's progress in meeting the above fiscal benchmarks. The status of each benchmark is summarized below:

Fiscal Benchmark #1 – Not Met: Although APS' submission to benchmark #1 at the time of renewal did not contain a comprehensive update to its austerity plan (as required by Academia Moderna's fiscal benchmark #1), Academia Moderna ceased factoring its receivables since June 30, 2020. Moreover, APS informed the CSD that, based on the closing and funding of the construction bond transaction noted above (in February 2020) (as required by fiscal benchmark #2), the balance due on the Line of Credit that Academia Moderna owed to Umpqua Bank (in the amount of \$1,137,285.40), was fully paid in February 2020. See the CSD's observation regarding APS' fiscal condition per its 2023-2024 audit report below (fiscal benchmark #4).

Fiscal Benchmark #2 – Met: Bond financing for APS's construction project was funded and supporting documentation was provided to the CSD.

Fiscal Benchmark #3 – Met: Based on the CSD's review of APS' five-year budget provided to the CSD in June 2019 (as required by Academia Moderna's fiscal benchmark #3), which spanned from FY 2018-2019 through FY 2022-2023, APS' consolidated multi-year net assets projections reflect balanced budgets each year with a projected consolidated net asset balance of \$7,746,657 and a projected cash balance of \$7,669,463 at the end of FY 2022-2023. Per the 2022-2023 audit, the reported consolidated net asset balance of \$7,560,016 is marginally lower (2%) than the projected net asset balance of \$7,746,657. Per the 2022-2023 audit, the reported consolidated cash & cash equivalents balance of \$8,480,302 is higher than the projected cash balance of \$7,669,463. APS has successfully executed the five-year budget submitted.

Fiscal Benchmark #4 – Currently Not Met due to Prepa Tec – Los Angeles: Although APS' 2023-2024 independent audit report reflected net income and positive net asset balances for APS (Home Office) and Academia Moderna, the financial condition for Prepa Tec – Los Angeles (the other APS school authorized by LAUSD) is currently downward trending with a reported net loss of **(\$164K)** and marginally positive net assets of \$70K. Per its 2023-2024 audit, APS' consolidated financials reported a net loss of **(\$267K)** and net assets of \$7.3M for the organization. As noted above, Academia Moderna projected a balanced budget for the 2024-2025 Second Interim. However, Prepa Tec – Los Angeles projected a net loss of **(\$413K)** and a negative net assets balance of **(\$343K)**. On May 28, 2025, the CSD issued a Notice of Concern to APS regarding Prepa Tec – Los Angeles' deteriorating financial condition with a response due date of June 25, 2025. APS has provided its quarterly financial reports to the CSD following this benchmark.

CHARTER RENEWAL CRITERIA

In accordance with Education Code §§ 47605, 47607, and 47607.2, in order to renew a charter, the District must determine whether the charter school has met specific renewal criteria prescribed in statute.

REPORT GUIDE

LAUSD's oversight procedures are intended to balance a charter school's autonomy of operation with its accountability to the public. LAUSD utilizes a holistic, performance-based approach to evaluate all charter schools, guided principally by making decisions in the best interest of students. The CSD observes and monitors each charter school in accordance with applicable laws, regulations, LAUSD policy, memoranda of understanding, and the school's operative charter. Information gathered through oversight serves as part of the charter school's ongoing record for the District to make informed decisions about charter school authorization, renewal, material revisions, sharing of promising practices, and if need be, revocation. While LAUSD is responsible to provide oversight of its charter schools and the entities managing charter schools, the primary oversight of each charter school must first and foremost be performed by the charter school's own Governing Board. The Governing Board of a charter school has an ongoing responsibility to oversee the operations of its charter school(s), ensuring that every charter school it oversees is providing a high-quality educational program for students enrolled, is successfully fulfilling the terms of their charter, is fiscally sound, and complies with applicable laws, regulations, and court orders. In designing this document, the District has considered the California Charter Schools Act, the *LAUSD Policy and Procedures for Charter Schools*, the factors and guidance promulgated by the California State Board of Education in evaluating charter schools, and the National Association of Charter School Authorizers' *Principles and Standards of Quality Authorizing*. This reporting tool provides guidelines and criteria used by the CSD to observe, record, assess, and reflect with the charter school on school performance as captured during the annual oversight visit process in these four categories:

- **Governance** – demonstrating fulfillment of the Governing Board's fiduciary responsibility to effectively direct and provide oversight for the charter public school, including but not limited to enactment and monitoring of policies and procedures to ensure the school's full compliance with applicable law, policy, and the terms of the charter approved by the LAUSD Board of Education
- **Student Achievement and Educational Performance** – demonstrating positive academic achievement and growth for all students
- **Organizational Management, Programs, and Operations** – demonstrating effective leadership and implementation of the governing board's policies and procedures, as well as the school's educational program and systems and procedures for the day-to-day operations of the school
- **Fiscal Operations** – demonstrating sound fiscal management, appropriate use of public funds, and compliance with regulatory requirements

This report, including the ratings in each category, is based on information and evidence gathered at the time of the annual oversight visit. The CSD considers evidence provided through CSD staff observations, document review, interviews, and discussion with school representatives and stakeholders. All charter schools are expected to prepare for the visit and have available, as applicable, all documentation requested in the *Annual Performance Based Oversight Visit Preparation Guide*. The "Sources of Evidence" sections below identify key information sources generally relevant to their respective indicators; these lists are not exhaustive, however, and some items may not be applicable to the grades served. Schools may present additional evidence as deemed relevant and appropriate. As needed, CSD staff also may request additional information and/or documentation prior to, during, and/or following the visit.

The tool employs the following four-point rubric to rate the school's performance in each category: (4) *Accomplished*, (3) *Proficient*, (2) *Developing*, and (1) *Unsatisfactory*. In addition, the *Summary of School Performance* section in each category captures key findings under one or more of the following headings: (1) Areas of Demonstrated Strength and/or Progress; (2) Areas Noted for Further Growth and/or Improvement; and, if applicable, (3) Corrective Action Required. Under "Corrective Action Required," the CSD reports findings of material noncompliance with applicable law, LAUSD charter policy, or the school's approved charter. **If the report includes any findings under "Corrective Action Required," the charter school must take immediate and appropriate steps to remedy the identified concern.** In accordance with its "tiered intervention" approach to charter school non-compliance and poor performance, the CSD may also send the school appropriate notices, separate and apart from this report, to provide and document time-specific follow-up as necessary. At the other end of the spectrum of performance, any school that earns a rating of *Accomplished* in any category is encouraged to submit to the CSD a summary of those "promising practices" that the school believes have contributed to its success, in order to support the CSD's ongoing efforts to promote and facilitate reciprocal sharing of promising practices among education leaders from across all LAUSD schools.

Annual Performance-Based Oversight Visit Report

DATE OF VISIT: 4/1/2025

- As noted in further detail in the Fiscal Operations category, below, and a related Notice of Concern issued on May 28, 2028, the rating of “2” for this indicator is primarily due to Prepa Tec – Los Angeles’ weak and deteriorating financial condition. Corrective Action Required

The governing board of Prepa Tec – Los Angeles, in collaboration with the Prepa Tec leadership team, must take immediate and appropriate action to cure the lack of compliance as outlined in the Notice to Cure issued to Prepa Tec – Los Angeles on March 3, 2025 (“Notice”) by the District. On April 14, 2025, the Los Angeles County Charter SELPA could not issue a finding of “Good Standing” for Prepa Tec in a letter to CSD. The letter included an outstanding “Notice of Noncompliance” that was issued to the charter school on January 30, 2025. By self-report, they have resolved 26 of 34 noncompliant IEPs (11 IEPs completed, 15 students withdrew/transferred from LEA). A review of the Special Education Information System (SEIS) data for Prepa-Tec Los Angeles demonstrates that the special education program remains out of compliance. As of Friday, April 11, 2025, Prepa-Tec reports 3 past due Plan Review IEPs and 1 report of a missing transaction for Student SSID# XXXXXXXXX. ¹ The net loss reported for Fiscal Year 2021-2022 was primarily due to the recognition of rent expense (\$713K) as the result of recording the school's deferred lease liability using the straight-line basis.

² The net loss reported for Fiscal Year 2022-2023 was primarily due to the increased rent associated with the school's relocation to its permanent facility, which resulted in a Fund Reserve (Reserve for Economic Uncertainty) falling below the CSD-recommended level.

³ According to Alta Public Schools ("APS"), The net loss reported for Fiscal Year 2023-2024 was primarily due to investments in expanded services (i.e., academic recovery interventions, staff mental health and retention supports, attendance and child welfare supports, and facilities improvements), which contributed to the Fund Reserve (Reserve for Economic Uncertainty) and Current Ratio falling below the CSD-recommended levels.

⁴ According to APS, the projected net loss for the Fiscal Year 2024-2025 Second Interim was based on conservative assumptions regarding enrollment and revenue, as well as inflation-driven operating costs. Based on its 2024-2025 Second Interim financials, the school is projected not to fall below the CSD-recommended levels for the Fund Reserve (Reserve for Economic Uncertainty), Current Ratio, and Debt Ratio. Since then, APS stated that it has implemented fiscal recovery interventions—including a hiring freeze, cost-reduction strategies for energy and utilities, and a reduction in management fees—and now projects a positive year-end balance for Fiscal Year 2024-2025.

Management Fees: According to APS, Academia Moderna pays annual management fees of 12% to APS for administrative services such as: payroll, benefits administration, facilities, contract negotiations, fiscal and compliance reporting, accounting, professional development training, fundraising and marketing, and charter petition preparation and submission. These management fees are calculated based on the total revenues of the charter schools APS operates.

*The net loss reported for Fiscal Year 2023-24 is primarily due to the combination of net losses of (\$164K) for Prepa Tec and (\$242K) for Alta Foundation PTMS, LLC, offset by net income from the other related entities within APS. Per the 2023-24 audit, the net loss for Alta Foundation PTMS, LLC is primarily due to non-cash depreciation expense of \$279K.

APS has previously shared that like most schools in California, APS is also experiencing loss of enrollment due to demographic shifts, such as declining birth rates and an aging population; economic factors, such as high cost of living in Los Angeles and the economic downturns and job losses have driven families out of Los Angeles; migration trends, such as families moving from inner cities to suburban locations where housing is more affordable and some families moving out of state for the same reason; school choice options, such as more magnet schools, charter schools, on-line schools and even homeschooling options in the community has shifted enrollment for many schools. According to Prepa Tech, these are the primary reasons for its temporary decline in enrollment.

Per APS, "Prepa Tec LA continues to implement an integrated approach to outreach, enrollment and retention, which has stabilized and increased our total enrollment. Over the last four years, Prepa Tec LA has increased enrollment, year-over-year, from 268 students to 327 in the Fall of 2024 - a 22% increase in enrollment by 2024-2025. This success comes from our specialized team of staff members who are in charge of a coordinated outreach plan that includes in-person events, digital campaigns, and strategic partnerships. Outreach efforts continue prioritizing our target underserved neighborhoods in South and Southeast L.A. County. The team employs multilingual communications and collaborates with community organizations, such as MAOF [Mexican American Opportunity Foundation] and Human Services Association. Our enrollment process is transparent, accessible, and inclusive—featuring family-friendly application assistance, extended enrollment windows, and clear information about school programs and student support services."

As noted above, the school has maintained positive net assets for Fiscal Year 2023-2024, but projected negative net assets for the 2024-2025 Second **Interim**. Please see the **Areas Noted for Further Growth and/or Improvement** below. The CSD will continue to monitor the school's student enrollment and financial condition through oversight.

Areas of Demonstrated Strength and/or Progress:

No significant items were noted.

Areas Noted for Further Growth and/or Improvement:

Through conducting fiscal oversight and analyzing the data below, the CSD requests and receives fiscal documents from APS (including bank statements, bank reconciliations, credit card statements, and check registers) for the two (2) APS charter schools that are currently authorized by LAUSD. The CSD reviews these financial documents, as well as a sample of checks/disbursements, and credit card transactions across these APS charter schools, to assess the organization's overall

compliance with APS' *Fiscal Policies and Procedures*, applicable legal, District, and charter requirements, and the effectiveness of the charter operator's internal controls and systems in place (aligned with best business practices). Any areas noted for further growth and/or improvement relating to APS' and its charter schools' overall compliance and fiscal operations—including fiscal mismanagement relating to APS' and its charter schools' overall compliance and fiscal operations—including fiscal mismanagement, regulatory non-compliance, fiscal governance or internal control issues, or fiscally operational deficiencies, etc. that *directly and systemically* impact the charter schools operated under the charter operator—are documented within each charter school's Annual Performance-Based Oversight Visit Report. These issues may or may not have been observed for the specific APS school named above, based on the CSD's sampling review. Lastly, school-specific exceptions, such as the fiscal condition, unique oversight observations, or audit findings, are reviewed and documented separately for each APS charter school.

- **Type of Observations: Weak and Deteriorating Financial Condition**
- **Source(s) of Document Reviewed:** 2023-2024 Independent Audit Report and 2024-2025 Second Interim Report
- **Description of Observation:** Pursuant to the District's oversight obligations, the CSD monitors the financial condition, enrollment trends, and the key financial metrics of charter schools as they are critical indicators of a charter school's future revenue stream and financial viability. The CSD is concerned about Prepa Tec's weak and deteriorating fiscal condition, as evidenced by the net losses of (\$512,803), (\$254,275), and (\$163,488) reported in its 2021-2022, 2022-2023, and 2023-2024 independent audit reports, respectively, and a projected net loss of (\$413,142) for Prepa Tec's Fiscal Year 2024-2025 Second Interim, leading to projected negative net assets of (\$342,946) as of June 30, 2025. As a result, the school did not meet two (2) of the District's four (4) recommended financial ratios for Fiscal Year 2023-2024, and projects to not meet three (3) of the District's recommended financial ratios for Fiscal Year 2024-2025, indicating financial instability and unsustainability. See the **Financial Highlights** section above.

On May 28, 2025, a Notice of Concern was issued to the school regarding its weak and deteriorating financial condition. Prepa Tec's required actions included providing an updated budget and cash flow projections for FYs 2024-2025 and 2025-2026 (the remainder of Charter School's approved charter term) and a detailed written plan on the steps/actions the APS Board has taken, or will take, to monitor and improve Charter School's fiscal condition and ensure financial stability and long-term fiscal solvency while meeting all of its financial obligations. Please see **Corrective Action Required** section below.

- **Charter School's or Charter Operator's Response:** APS's submitted an updated multi-year budget, as required by the May 28, 2025, Notice of Concern, which projects a balanced budget and a positive net asset balance for FY 2024-2025 and FY 2025-2026. Per APS' response to the May 28, 2025, Notice of Concern regarding the projected net loss for the FY 2024-2025 Second Interim, APS stated:
 "As shown in the Second Interim, this projection reflected conservative assumptions in both enrollment and revenue (including LCFF), as well as inflation-driven operating costs. However, since the first report of enrollment attrition at the February 12, 2024 Board meeting, APS has implemented comprehensive fiscal recovery interventions that have significantly changed the financial outlook. These actions include:
 - A reduction in force by hiring freeze resulting in estimated annual savings of \$336,166.57
 - Elimination or freeze of several non-essential support roles included, one (1) office clerk, one (1) campus aide, and one (1) evening custodian
 - Consolidation of service contracts and renegotiation of vendor terms included reduction in services by DES, The Aptus Group and one (1) nurse and one (1) one-to-one SpEd aid; painting and cleaning vendor was reduced to once per year; non-classroom personnel job duties were expanded to provide additional services and safety for students,

- Energy and utilities cost-reduction measures by reprogramming building A/C units, by Ontario Refrigeration, to serve less hours and only while personnel and students are present. Trash contract renegotiated for less pickups
- Contributions from APS Central Office in form of reduction of management fees from 12% to 0% totaling \$698,733

Updated internal projections now estimate a positive ending balance of \$282,530 for FY 2024-25.”

Additionally, APS stated the following regarding instructional program impact and continued operations:

“The revised budget preserves core instructional integrity and ensures all financial obligations will be met on time. Specifically:

- All state-mandated instructional minutes and instructional days are preserved
- Staffing and scheduling adjustments (e.g., bell schedule optimization) allow for streamlined service delivery without reducing academic offerings or professional development and enrichment learning
- Targeted services such as SPED, EL support, and MTSS remain intact
- All students are being served including SPED, EL, Low-Social Economically Disadvantaged, and Homeless/ Foster Youth”

- **CSD’s Comments:** The CSD continues to be concerned about the school’s financial condition, specifically the downward trending fiscal condition evidenced by multi-year net losses, which have resulted in the school not meeting the recommended fund reserve level in FY 2023-2024 and FY 2024-2025, while projecting a negative net asset balance for its FY 2024-2025 Second Interim. If this pattern persists, Prepa Tec’s financial health could significantly hinder the school’s ability to maintain sufficient resources necessary to deliver high-quality education. Please see the “Progress on LAUSD Board of Education and/or MOU Benchmarks related to FISCAL OPERATIONS” section below. The CSD will continue to monitor the school’s fiscal condition through ongoing oversight, and will review and assess the budget and cash projections, which are expected to be submitted during the renewal petition process in FY 2025-2026. These factors will be considered as part of the CSD’s renewal recommendation.

Other Observations (Items described in this section, which may not have been addressed in the charter school’s Fiscal Policies and Procedures, are recommended for improvement to align with optimal business practices).

None noted.

Corrective Action Required:

On May 28, 2025, a Notice of Concern was issued to the school regarding its weak and deteriorating financial condition, with the due date of June 25, 2025. On June 25, 2025, APS provided its response and required documentation. Below is a summary of the items submitted by APS:

- 1) A written letter responding to the CSD required actions outlined in the Notice of Concern
- 2) An updated two-year budget and cash flow projections for FY 2024-2025 and FY 2025-2026 (the remainder of Prepa Tec’s current approved charter term)
- 3) Various APS governing board meeting minutes

See the CSD's summary, in the Areas Noted for Further Growth and/or Improvement section above, of APS' explanation for the reported and projected net losses for FYs 2023-2024 and 2024-2025, respectively, and its written description of the steps/actions that the APS Board has taken to monitor and improve the school's financial condition. As of the writing of this report, the CSD is still reviewing and assessing the submitted response and will communicate with APS regarding any questions, comments, or concerns. The CSD will continue to monitor the school's financial condition and enrollment through ongoing oversight, including a review of the school's interim financial reports, as well as its budget and cash flow projections, which are expected to be submitted during the renewal petition process in FY 2025–2026. These factors will be taken into consideration as part of the CSD's renewal recommendation.

Failing to comply with all applicable legal, District and charter requirements (thus requiring corrective actions) will be considered and assessed in future renewals and material revision applications.

Progress on LAUSD Board of Education and/or MOU Benchmarks related to FISCAL OPERATIONS (if applicable):

As part of the December 5, 2017, renewal petition approved by the LAUSD Board of Education (Board of Education report 239-17/18), during the 2018-2023 charter term which, by operation of law, was extended to and expires June 30, 2026,* Prepa Tec must meet the following fiscal benchmarks and take the following actions in relation to its fiscal operations:

1. The school will provide a five-year budget to the Charter Schools Division that indicates consistent improvement to the school's fiscal condition no later than June 30, 2018. The school's five-year budget should indicate a positive cash flow in each year, with a positive change in net assets within three years that results in a positive net asset balance by the end of fiscal year 2022-2023.
2. The school will provide annual updates to the Charter Schools Division beginning on December 15, 2018 and continuing through December 15, 2023 concerning its progress in improving the school's fiscal condition and successfully executing the five-year budget as mentioned in the fiscal benchmark above.

CSD's Comments:

The CSD monitors the school's progress in meeting the above Prepa Tec fiscal benchmarks. The status of each benchmark is summarized below:

Fiscal Benchmark #1 – Currently Met: Prepa Tec has met benchmark #1 above as the school's fiscal condition has been positive since the 2017-2018 Fiscal Year. According to APS' 2022-2023 independent audit report (the last year referenced in fiscal benchmark #1), Prepa Tec had positive net assets of \$233,684 and a net loss of (\$254,275) (see the Financial Highlights section above for further information). Per APS' 2023-2024 independent audit, the school had a positive net asset balance of \$70,196; however, it did not meet the recommended fund reserve level. The school's financial condition is currently trending downward/deteriorating as evidenced by the net losses reported in FY 2021-2022, FY 2022-2023, and FY 2023-2024. Per the school's FY 2024-2025 Second Interim, the school projects a net loss and a negative net asset balance. Please see the **Areas Noted for Further Growth and/or Improvement** section above for more information.

Fiscal Benchmark #2 – Currently Met: APS has submitted its quarterly financial reports and annual updates to the CSD, meeting this benchmark. Please see the status of Fiscal Benchmark #1 above regarding the status of Prepa Tec's financial condition.

LAUSD CHARTER SCHOOLS DIVISION

SCHOOL NAME: PREPA TEC – Los AngelesAnnual Performance-Based Oversight Visit ReportDATE OF VISIT: 4/1/2025

In addition to Prepa Tec's fiscal benchmarks, Academia Moderna's (the other APS school that is also authorized by LAUSD) fiscal benchmarks are comprehensive of all the schools and segments of Alta Public Schools, including Prepa Tec. Academia Moderna's fiscal benchmarks, progress, and current status of these benchmarks are summarized as follows:

1. By April 1, 2019, the school's governing board must provide a comprehensive update to its austerity plan that includes 1) Specific goals and metrics; 2) Status of its stated commitment to cease factoring receivables; 3) Status of its stated commitment to limit borrowing from and among its charter schools; and 4) Specific timeframes and additional details (i.e., payment schedules) that confirm the governing board's commitment to positively alter the current fiscal trajectory of the entire organization.
2. By May 1, 2019, the school will provide documents verifying that the proposed bond financing that Alta Public Schools shared was pending has been funded, including the bond agreement plus all related attachments and schedules.
3. By June 30, 2019, the school's governing board must provide a revised five-year balanced budget that incorporates the fiscal benchmarks mentioned above and maintains unrestricted cash reserve levels at a rate of no less than the 5% minimum recommended threshold throughout the charter term. The school's governing board will provide a written report on a quarterly basis thereafter regarding its progress in successfully executing the revised five-year budget.
4. Quarterly, beginning October 1, 2019, the Alta Public School's Board will provide evidence that it is operating Academia Moderna and its additional charter schools with a balanced budget and whereby all expenditures are fully paid in a timely manner based on the school's funding from its own Average Daily Attendance (ADA) and other State and Federal revenues.

CSD's Comments:

The CSD monitors the school's progress in meeting the aforementioned Academia Moderna fiscal benchmarks. The status of each benchmark is summarized below:

Fiscal Benchmark #1 – Not Met: Although APS' submission to benchmark #1 at the time of renewal did not contain a comprehensive update to its austerity plan (as required by Academia Moderna's fiscal benchmark #1), Academia Moderna ceased factoring its receivables since June 30, 2020. Moreover, APS informed the CSD that, based on the closing and funding of the construction bond transaction noted above (in February 2020) (as required by fiscal benchmark #2), the balance due on the Line of Credit that Academia Moderna owed to Umpqua Bank (in the amount of \$1,137,285.40), was fully paid in February 2020. See the CSD's observation regarding APS' fiscal condition per its 2023-2024 audit report below (fiscal benchmark #4).

Fiscal Benchmark #2 – Met: Bond financing for APS's construction project was funded and supporting documentation was provided to the CSD.

Fiscal Benchmark #3 – Met: Based on the CSD's review of APS' five-year budget provided to the CSD in June 2019 (as required by Academia Moderna's fiscal benchmark #3), which spanned from FY 2018-2019 through FY 2022-2023, APS' consolidated multi-year net assets projections reflect balanced budgets each year with a projected consolidated net asset balance of \$7,746,657 and a projected cash balance of \$7,669,463 at the end of FY 2022-2023. Per the 2022-2023 audit, the reported consolidated net asset balance of \$7,560,016 is marginally lower (2%) than the projected net asset balance of \$7,746,657. Per the 2022-2023 audit, the

LAUSD CHARTER SCHOOLS DIVISION

SCHOOL NAME: PREPA TEC – Los AngelesAnnual Performance-Based Oversight Visit ReportDATE OF VISIT: 4/1/2025

reported consolidated cash & cash equivalents balance of \$8,480,302 is higher than the projected cash balance of \$7,669,463. APS has successfully executed the five-year budget submitted.

Fiscal Benchmark #4 – Currently Not Met due to Prepa Tec: Although APS' 2023-2024 independent audit report reflected net income and positive net asset balances for APS (Home Office) and Academia Moderna, the financial condition for Prepa Tec (the other APS school authorized by LAUSD) is currently downward trending with a reported net loss of **(\$164K)** and marginally positive net assets of \$70K. Per its 2023-2024 audit, APS' consolidated financials reported a net loss of **(\$267K)** and net assets of \$7.3M for the organization. As noted above, Academia Moderna projected a balanced budget for the 2024-2025 Second **Interim. However, Prepa Tec projected a net loss of (\$413K) and a negative net assets balance of (\$343K). On May 28, 2025, the CSD issued a Notice of Concern to APS regarding Prepa Tec's deteriorating financial condition with a response due date of June 25, 2025.** APS has provided its quarterly financial reports to the CSD following this benchmark.

The CSD will continue to monitor Prepa Tec's progress and compliance with the fiscal benchmarks above throughout the remainder of the school's 2019-2026 charter term.

* Education Code section 47607.4 provides that "all charter schools whose term expires on or between January 1, 2022, and June 30, 2025, inclusive, shall have their term extended by two years, and all charter schools whose term expires on or between January 1, 2024, and June 30, 2027, inclusive, shall have their term extended by one additional year."

Annual Performance-Based Oversight Visit Report

DATE OF VISIT: 4/1/2025

**Existing School
1 (Unsatisfactory)**

An existing school would receive a rating of 1 (Unsatisfactory) based on the conditions described below.

An Unsatisfactory rating is assessed based on the following conditions, including, but not limited to:

A charter school is assessed as Unsatisfactory if the charter school does not meet the criteria for *Accomplished*, *Proficient*, or *Developing* above. The charter school was given a certain period of time to address the fiscal concerns of LAUSD (including, but not limited to, repeat material weaknesses, significant deficiencies, and/or significant audit findings disclosed in the charter operator's most recent annual independent audit report, noncompliance with Generally Accepted Accounting Principles (GAAP), applicable law, LAUSD charter policy, and the school's approved charter, conflicts of interest, unresolved significant fiscal management issues, outstanding notices, etc.), but failed to provide a satisfactory response. The charter school has shown no *feasible* financial plans, and/or immediate sources of funding to maintain a viable budget and/or sustain the school's operation to mitigate the negative fiscal condition. The charter school's governing board members and/or leadership lack fiscal capacity.

Continued operation of a charter school that is assessed as Unsatisfactory may result to non-implementation of instructional programs as provided in the petition.

Note: Other circumstances and information could influence the rating and will be noted in the evaluation.

**New School
2 (Developing)**

A new school would receive a rating of 2 (Developing) if the charter school, at a minimum, meets all of the Required Criteria listed below.

REQUIRED CRITERIA

1. Interim reports and/or unaudited actuals project positive net assets;
2. Projected debt, if any, is managed efficiently and will not cause the charter school to end the fiscal year with negative net assets. The non-profit organization is financially viable to support the charter school;
3. If enrollment is significantly below the enrollment per the school's *Pupil Estimates for New or Significantly Expanding Charters* report and/or its approved petition budget, the charter school has made significant adjustments in their operations to allow for the reduced income, and submitted a revised viable three-year budget and three-year cash flow projections;
4. Governing board adopts the annual budget;
5. Governing board reviews and discusses the charter school's financial reports as evidenced by the governing board meeting minutes;
6. Reasonable requests for information made by the Charter Schools Division and LAUSD are processed or submitted by the charter school in a timely manner; and
7. The LCAP is submitted to the appropriate agencies.

CONFLICT OF INTEREST POLICY

I. PURPOSE

The purpose of this Conflict of Interest Policy (“Policy”) is to protect Alta Public Schools (“APS”) interests when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer, director or employee of APS. This Policy is intended to supplement, but not replace: (i) any applicable state and federal laws governing conflicts of interest applicable to California public charter schools; and (ii) APS’s Conflict of Interest Code, adopted pursuant to the Political Reform Act (Government Code Section 81000 *et seq.*), including the exhibits attached thereto.

II. DESIGNATED POSITIONS

Certain APS positions, including members of the Board of Directors (“Board”) who hold positions that involve the making or participation in the making, of decisions that may foreseeably have a material effect on any financial interest, shall be “designated positions.” The designated positions are listed in Exhibit “B,” which is hereby incorporated by reference, attached to APS’s Conflict of Interest Code.

III. DISQUALIFICATION

No designated position shall make, participate in making, or try to use his/her official position to influence any APS decision which he/she knows or has reason to know will have a reasonably foreseeable material financial effect, distinguishable from its effect on the public generally, on the official or a member of his or her immediate family.

IV. MANNER OF DISQUALIFICATION

A. Non-Board Member Designated Positions

When a non-Board member designated position determines that he/she should not make a decision because of a disqualifying interest, he/she shall submit a written disclosure of the disqualifying interest to his/her immediate supervisor. The supervisor shall immediately reassign the matter to another employee and shall forward the disclosure notice to the Chief Executive Officer who shall record the employee’s disqualification. In the case of the Chief Executive Officer, this determination and disclosure shall be made in writing to the Board of Directors.

B. Board Member Designated Position

Board members shall disclose a disqualifying interest at the meeting during which consideration of the decision takes place. After disclosure of the disqualifying interest and all material facts, he/she shall leave the Board meeting while the determination of a conflict of interest is discussed and voted upon. The remaining board members shall decide if a conflict of interest exists.

This disclosure shall be made part of the Board's meeting minutes. The Board meeting minutes shall include the names of the persons who disclosed or otherwise were found to have a disqualifying interest in connection with an actual or possible conflict of interest, the nature of the disqualifying interest, any action taken to determine whether a conflict of interest was present, and the Board's decision as to whether a conflict of interest in fact existed.

The Board member shall refrain from participating in the decision in any way (i.e. the Board member with the disqualifying interest shall refrain from voting on the matter and influencing or attempting to influence the vote on the matter) and shall comply with any applicable provisions of the APS Bylaws.

If the Board determines that a conflict of interest exists, APS shall not enter into a contract or transaction (1) in which a director directly or indirectly has a material financial interest; or (2) with any other corporation, firm, association, or other entity in which one or more of APS's directors are a director and have a material financial interest.

Due to the volume of agenda items for each LAUSD Board meeting and CSD staff capacity, LAUSD has established a target windows schedule ("target windows") for the submission of petitions. Once the LAUSD Board adopts a schedule for board meeting dates in a given school year, the CSD will post the target windows for petition submission. CSD staff will arrange an Intake Appointment with petitioners within the target windows. The target windows ensure that LAUSD has adequate time and capacity to effectively and meaningfully consider and process each new petition. Consistent with the above, CSD staff will receive the renewal petition, pursuant to Education Code section 47605, subdivision (b), and the renewal petition will be deemed received by the Board for purposes of commencing the statutory review timelines on the date the petitioner submits the renewal petition application packet (see Charter School Renewal Petition Application Intake Checklist on the CSD website), and a certification that the petitioners deem the petition complete ("Certification of Completeness"). The charter school and LAUSD may mutually agree to extend the timeline by an additional 30 days. Petitioners shall have equivalent time and procedures to present evidence and testimony to respond to the staff recommendations and findings. (Ed. Code, §47605(b).) District staff and petitioners will have three minutes each to make a presentation for items placed on discussion.³⁰ Either District staff or petitioner may forego providing a presentation to the LAUSD Board. Items placed on the consent agenda would not necessitate the provision of equivalent time to petitioners since District staff will not be making a presentation. Denial recommendations will not be placed on the consent agenda and petitioners will have three minutes to make a presentation, unless petitioners waive. The LAUSD Board may ask District staff and petitioners follow up questions regarding the recommendation. If the LAUSD Board does so, equivalent time procedures would not apply.</p>
