Lanier Elementary, a Redesign School is requesting to return back to its original grade configuration, which it was granted from its charter application in 2014, in order to serve grades Prekindergarten -8th grade. As denoted by our LEAP data, academic achievement increases the longer children stay together at the same school throughout their elementary and middle school journey. It is also the desire of families to have their children stay together at the same school throughout their elementary and middle school journey. It is in the best interest of students, parents, and teachers to have Lanier Elementary return back to a PreK-8th grade model.
