## **III. School Operations**

### **A. Executive Director Operations and Finance Report**

Mr. Granger presented his [report](#)

- Radios have been used in the tests the last 2 days
- Lunch: Vegetarian option: There is a disconnect between parents and children, students choose a different option if vegetarian option is used. Creating confusion in numbers.
- Officer Couture did not get the grant for the cameras, as previously mentioned months before. Board suggested purchase cameras regardless of grant status due to priority of safety.
- School Safe is a radio bridge that allows first responders to talk directly to school instead of playing telephone with dispatch. There is a grant through Homeland Security that is open in May. Currently collecting information and beginning conversations with City of Thornton PD to have things ready to apply for this.
- Discussed the need, regardless of the grant.

### **B. Executive Director Academics Report**

#### VI. Action Items

##### A. First Reading of Proposed Amendments to Articles of Incorporation

- Change to legal language and referencing bylaws instead of everything in the Bylaws as it was previously. Amendments to these articles will be made in the Bylaws

S. Schafer seconded the motion.

The board **VOTED** unanimously to approve the motion.

##### B. First Reading of Proposed Amendments to Bylaws

  - Intent of change is for board flexibility based on the situation of the school at the time

L. Hosfelt made a motion to approve the first reading of Proposed Amendments to Bylaws, needing Board approval.

S. Howorko seconded the motion.

The board **VOTED** unanimously to approve the motion.

## VII. Discussion Items

### A. Finalize Proposed Amendments to Bylaws for Ballot

Member approvals are in yellow within [summary document](#).

Discussed:

- Individual changes that will need approval from the community (members)
- Specifically discussed the definition of *staff employee* being removed from the Bylaws
  - Handbook will be modified this summer to have updated language and be further discussed in July.
  - Thoughts on how to add language will need to be discussed.
  - Admissions policy - potential implication regarding staff definition regarding priority
- Discussed change in section 4.1: (Change date of membership determination to 10 days)
  - Implication of changing membership from 20 days to 10 days. Attorney changed to 10 to align with state requirements
  - Changed back to 20 days
- Discussion regarding 5.3 and 5.3.2: (Number, Qualifications and Tenure & Parent Director)
  - Preserving board membership numbers, increase number of board members, insufficient number compared to the community population.
  - Need to increase the number of board members, decrease independent directors and create 2 at large positions. Proposed to change to 9 member board with 7 elected members and 2 at-large members who can be independent members.
    - Haven't spent the time in fully searching for independent members, who bring an interesting perspective not having a connections to the School.
    - Focus on how we promote independent members
    - Current proposal creates flexibility.
    - Will be left as it is now
- 5.5.1: Preserve the language that says *shall* instead of *may*
  - Concerned that it will lose the transparency to community vs allows flexibility to future boards to create/combine the two and have a large presentation
  - State statute requires one members meeting per year

- Don't necessarily need to have this stated in the Bylaws, can be potentially stated in the Board Handbook
- Concerned over the loss of tradition - tell you a lot about what we will do (Fall) vs what we did (Spring)
- Change *may* to *shall*
- 5.12: School Accountability Committee (SAC)
- SAC being an elected position
  - Election of a committee such as SAC prevents people who are capable of running
  - Teachers concerned to run against each other
  - Determined that SAC should have the flexibility to determine their committee, staying as proposed
- Discussion regarding separating the Bylaws into sections
  - Have 2 questions, be listed by section names as to not have issues approving one and not the other impacting other areas within the Bylaws.

#### **B. Strategic Plan Development: Mission/Vision Update**

[Potential Mission & Vision changes](#) survey with different options was sent to staff, will be sent to community in the next couple weeks.

#### **C. Reimagine Updates**

#### **F. Charter Contract Update**

Carleen wants to have all edits by next Monday to discuss with Kathy at the district. Hoping to have to evaluate soon.

#### **G. Volunteerism**

ED's to come to an understanding on a plan moving forward - if an events committee is necessary or creates redundancy
