B. Minutes for Governance Board Meeting held March 20, 2025

L. Paquette made a motion to approve the minutes from Governance Board Meeting on 03-20-25.

B. Paul seconded the motion.

The board **VOTED** unanimously to approve the motion.

III. School Operations

A. Executive Director of Academics Report

Ms. Whitney presented a financial update, including an update on the state budget. Stargate's financial situation is secure, and staffing levels will not be impacted by the state budget changes.

Underwriters have been communicating with district to determine final needs for financing. Stargate has asked for a resolution from the district Board to provide timelines and amounts for financing. Without finalized timelines, the school may need to wait to begin construction until the money is in hand. The school would assume risk of accruing additional interest if the district extends the release of the 2nd and 3rd tranche. The district Board is meeting tonight and may have more defined terms for the release of additional tranches.

Dr. Greene provided an update on academics and operations. See the Executive Director report attached.

Next year, 5th and 6th graders will receive school-issued Chromebooks. The rollout for future grades is planned and has been approved by the Finance Committee. A policy will be developed to guide fees for damage or replacement.

Social media will be blocked in the school beginning next week. Administration is evaluating a new cell phone policy for high school based on feedback from surveys and staff.

Dr. Greene has been meeting with teaching teams regarding their concerns and how to address them.
