B. Overview of Proposed Bond Budget

Ms. Whitney presented an update on the bond proposals. The school will need to be prepared to move quickly on authorizations for architects. Should the bonds be approved by voters, the school's share will be approximately \$25.6 million, but will depend on when bonds are sold and what the premiums are. The amount could fluctuate between \$500k and \$1 million. Ms. Whitney reviewed proposed projects and detailed costs, including potential add-ons in the elementary building (gym, office space, and vestibule), expansions in the secondary school (classrooms, performing arts wing). and other upgrades.
