II. CEO Updates

A. Remembering the Vision

Dr. Bobby White:

- Welcome Pastor Ricky Floyd to the board
- MLK is not at its best at this moment in time
- Poor leadership has lead to more teacher turnover and burnout
- Mr. Lawson and Dr. White are prepared to make staffing changes at MLK in the coming weeks
- Necessary staffing changes will ensure we are keeping our commitment to our families and students
- Encouraging board to visit MLK

III. Finance

A. Finance Committee Updates

Greg Thompson:

- Cash Balance as of 11/11/2019: \$1.13M (~30 days of cash). Cash balance will go up mid-month as BEP revenue comes in (along with additional federal grant reimbursements).
- Enrollment and Staffing
 - Enrollment ahead of budget projections (1,160 vs. 1,110).
 - While FCS has a higher number of full-time employees than originally projected (141 vs. 132), salaries and benefits expenses are below initial budget projections.
- Revenue
 - Higher BEP revenue projected due to higher enrollment numbers (~\$380K increase)

- Higher than expected Federal Grant revenues have been awarded to FCS - \$2.74M (see slide 4).
- Expenses
 - FCS had adjust expenditures upwards, particularly capital expenditures (computers and equipment) for federal grant awards that were received). This was an effort to ensure all grant revenues and expenditures were matched appropriately.
- Net Income is trending better than board budget (due to higher enrollment).
