II. CEO Updates

A. Remembering the Vision

Dr. Bobby White:

- As of right now, the ASD has no clear direction or path forward
- Mr. Cedrick Houston saved me from getting money taken from my account.
- Dr. White has dropped out of the running for being a Superintendent. With so much going on at this moment in time, he wants to devote his time and effort to FCS.
- There is positive growth in the local community. Pastor Ricky Floyd of the Pursuit of God Church, has a new location. POG is now located at 3759 N Watkins St.
- Pursuit of God Church hosted a job fair. 288 people attended the work fair.
- Pursuit of God Church is looking to open a clothing closet and need donations.

III. Finance

A. Finance Committee Updates

Cash Balance as of 3/6/2020: \$2.22M (~63 days of cash).

Cash balance will go up mid-month as BEP revenue comes in (along with additional federal grant reimbursements). Cash will fluctuate throughout the year as federal grant reimbursement come in. May and July are months in which the organization will have a significant drop in cash (due to not receiving BEP payments in those months). Projected to end year with just over \$2M in cash.

Enrollment and Staffing

- Enrollment ahead of budget projections (1,178 vs. 1,110). Funding in the budget is being projected with a weight average enrollment of 1,167 to be conservative.
- MLK – 578
- Westside – 335
- Humes - 265

Revenue

- Higher BEP revenue projected due to higher enrollment numbers.
- Higher than expected Federal Grant revenues have been awarded to FCS - \$2.6M.

- FCS has received some smaller philanthropic grants (~\$150K) for academic initiatives.

Expenses

Some revised expense categories in instructional equipment, educational software, and contractual services (i.e. Achievement Network, Instruction Partners) - mostly driven by grant awards.

Net Income is trending better than board budget (primarily driven by higher enrollment).
