## **II. CEO Updates**

### **A. Remembering the Vision**

Brett Lawson:

- Disbursement of laptops for Summer school for all three schools went well.
- State department discussed virtual learning. If the virus spread decreases then FCS may consider opening schools for the fall. If not, we definitely have the ability to maintain a distance learning model.
- Must consider the teachers perspective on re-entering schools.
- Our Network team meets weekly to go over the "What If's".
- We have three different way to approach. We have a plan and ready for it.
- What would social distancing look like, classrooms, bathrooms and halls.
- We are still doing wellness check calls to our parents.
- We have no clarity if the parents do not want their child to return in the traditional school setting. It is too early to know.

## **III. Academic Excellence**

### **A. Academic Excellence Committee Updates**

Brett Lawson:

- Disbursement of laptops for Summer school for all three schools went well.

- State Representative spoke on virtual learning. If the virus is low then we may be ready to open the schools. If the virus is high then we are not ready to reopen the schools.
- We (FCS) are prepared if we are not able to reopen
- Taking in to consideration if the teachers are afraid to return in the building.
- Our Network team meets weekly to go over the "What If's".
- We have three different way to approach. We have a plan and ready for it.
- What would social distancing look like, classrooms, bathrooms and halls.
- We are still doing wellness check calls to our parents.
- We have no clarity if the parents do not want their child to return in the traditional school setting. It is to early to know.

#### IV. Finance

##### A. Finance Committee Updates

**Greg Thompson and Theodore Hartwell:**

**Cash Balance:** \$3,277,966.75 in cash in the bank as of 6/9/2020.

- \$1,525,000 from SBA PPP Loan
- \$1,752,966.75 in operating funds (~53 days of cash on hand)
- Expected to end the year with \$3.5M - \$4M in cash on the balance sheet at the end of the fiscal year (including PPP funds).

**FCS is expecting to breakeven for the year from a net income standpoint.**

**FCS PPP loan of \$1,525,000:**

- New legislation passed by House and Senate allows PPP funding to be spent over 24 weeks (from previous 8 week requirement). FCS is planning to spend funding on payroll over a 12-16 week period – thereby freeing up BEP funds for reserve.

**Enrollment:** FCS is estimating that its weighted-average enrollment for the year (the number of students for which it will be funded) will be 1,166

- MLK – 575
- Westside – 325
- Humes - 266

It is our understanding that remaining BEP payments will be based on enrollment from March (when school closed). There is one additional payment for the year coming mid-June.

#### V. Governance

##### A. Governance Committee Updates

Arlinda Fair:

- MLK Prep Grievance Review

- An employee may initiate the grievance procedure to appeal personnel decisions rendered by school administrators

  - Step 3: Appeal to FCS board
    - Employee should submit grievance to FCS board in writing before next regularly scheduled board meeting
    - The FCS board will investigate documentation and all parties involved
    - Decide to support previous or render new decision on behalf of employee

  - Requesting the disciplinary referral (refusal to work violation) that was rendered on May 22, 2020 be expunged
  - Does not understand why she is expected to complete the first three weeks of instruction for your content area courses in Canvas for the upcoming 2020-2021 academic
