E. Accountability & Planning

1. Need to set specific benchmarks and goals for progress this year:

(a) Does everyone know with clarity the next steps they will take to make progress toward the Goal they are leading on?

(b) What needs to happen by next month?

2. How do we want to manage Strategic Goals as a group going forward: to provide a forum for discussion and regular reporting out? (recurring topic for evaluation)

Potential options:

--Could devote part of GC meeting every month to discussion of a particular strategic goal

--Committee Chairs can join GC meetings at regular intervals: who should join us?

--Separate meetings to discuss progress

--Create a schedule for reporting to full Board on Strategic Goal progress

--Other?

3. Have we been successful in making progress over the last 3 months? What's working and what needs to be done?
