B. Audit Update

B. Elliot shared that the finance team is working through the audit and we're in good place to get the audit completed by the November 1 deadline. M. Rousseau and A. Ames have been working to get all of the pieces of the audit completed.

S. Pressley asked if they have requested anything that should be shared with the board.

B. Elliot said no, they will likely have a draft by October and the board will be able to ask questions at that time. B. Elliot also shared that the auditor asked for approval of the audit specifically by the finance committee. Although the entire board can ultimately approve the audit, the auditors are asking for specific approval from the finance committee in November.

M. Rivera suggested that the auditor should be invited to the October meeting to answer any questions before the audit is finally approved.
