#### Mission

At Nuasin Next Generation, we believe in the unlimited talent and intellectual potential of our scholars and our community. We cultivate this talent and intellectual potential through a progressive education that focuses on deep exploration, thoughtful questioning, relentless curiosity and critical thinking. Nuasin Next Generation Charter School implements a progressive K-12 educational program and an unyielding commitment to cultivating our scholars' innate intellectual talents to empower our graduates to achieve excellence in their postsecondary paths and make positive impacts on the broader community. Every single one of our scholars have the potential to be great and change the world, at Nuasin Next Generation we prepare our scholars for that opportunity.

#### 3 Pillars

The Mission of Nuasin Next Generation stands firmly on the foundation of our three pillars: Rigor, Self-Advocacy, and Community. These three pillars are the guiding principles for our school and culture. Please find a deeper explanation of our pillars below.

#### Rigor:

---

We use the word “rigor” not in the stringent or inflexible sense, but in the sense of an unyielding need to challenge and push our scholars because we understand and believe in the potential, talent, and ability of our scholars and community. We challenge our scholars to build their confidence and help them realize what they can achieve.

**Self-Advocacy:**

Our scholars are empowered to advocate for themselves, their families, and their communities.

As our scholars come to understand that their voices are valued and needed, they learn to advocate for themselves. Our scholars are seen and valued; they understand that not only do they have the right to express their opinions, views, and perspectives, but it is their obligation to do so.

**Community:**

Our scholars will embrace community and understand that as a member of a community you have certain inalienable rights, the right to be seen, the right to be heard, the right to be protected and the right to be loved and cherished. Our scholars will also learn of their obligations. As a member of a community you have the obligation to respect, listen, support and only want and assume the best in all others. Every member of our community must understand that they are active participants in the Nuasin community and the community goes as we go.

### D. Nuasin Mission/3 Pillar Reflection

## II. School Update

### A. Executive Director Update

M. Russell shared his monthly updates.

- k-8 attendance is 90%
- 9-12 attendance is 85%
- Staff attendance is 88%

Our first 12th-grade scholars as Nuasin graduated in Ichan Stadium on June 22, 2022. M. Russell gave a shout-out to the school team for its success. it's one of those times that gets you reflected on this perspective and we have the perspective of what a great job we have, and that's all of us, to be able to impact and touch these great families and great children's lives in even the smallest way is just a joy. And when you see the pride on both the scholars' and the families face, it's something that really resonates with you and makes you think poorly of yourself for ever having a tough day.

- 100% of our students apply to at least six colleges;
- 42 scholars have been accepted to at least one two-year or four-year university
- \$3.1 million based on merit-based aid
- 100% of seniors are currently on track to graduate on time

Upcoming events:

- Kindergarten and 8th-grade graduation on June 24, 2022, at 10 am and 12 pm.

Teacher Updates:

- TNTP Results- a national survey that's given to teachers, and we'll go through our results and give an honest account of where we believe we are and where we're going to go.
- The data was collected in K through 12 for both teachers and support staff. It has 15 different categories of questions: family engagement, acting opportunity, hiring process, information, feedback, and instructional planning for student growth. Next slide. Professional development, learning environment, evaluation, leadership, career progression, peer culture, diversity, DEI, school operations, workload, and teacher compensation.
- The results aren't where we want them to be. They aren't as surprising. Our takeaways are it's been a tough year. We have had a pandemic, mental health, an unstable economic outlook, and an unstable economic outlook we are really seeing as we go towards the end of the year.
- Summer Updates- Professional development. Culture, Content Community.
- Leadership training- Expectations. We are going to make sure that we are prepared for each and every encounter we have, and that we are consistent
- The curriculum development is fully focused on rigor, engagement, and mastery. A big push for our first 30 days.

The board retreat is on Saturday, July 23, 2022.

S. Huda arrived at 7:06 PM.

**B. K-8 Principal Update**

J. Boulet arrived at 7:24 PM.

K. Davidson shared his monthly updates.

- K-8 Goals: We are keeping our goals high. Excellence is what we are looking for in all areas. We have been making a lot of progress this year. We have not met our goal but we are pleased with some of the progress that we've made this year.
- State exam scores will not be presented until September.
- The final Interim Assessments in ELA and Math were given in the beginning of June. There has been an overall growth that we've seen throughout this school year.
- ELA-This last IA's for ELA did not include constructed responses or essay questions. They did not accept any assessments that did not have full annotations

and main ideas written for each passage. They wanted to see how the scholars were thinking while answering the questions.

### **C. 9-12 Interim Principal Update**

A. Brown shared his 9-12 updates.

- Initially, we're looking at our humanities, ELA, and history data. The data stayed the same throughout the year. They have increased the number of scholars that have improved in terms of scoring 75% and above.
- I-Ready data- They did not meet their goal yet but are going to continue to work on those skills, those interdisciplinary skills, those particular targeting the needs of our scholars, be it IEP, general ed, or high-performing scholars, to make sure that they get the necessary support in order to improve as they move throughout the year.
- Humanities reflection Goal- K through 12th grade has been working on close reading strategies. Close reading has been completed based on reading, stopping, and jotting.
- STEM Reflection- The annotation. Just like close reading, is something that all of our scholars are doing across the board. One of the things that we have a huge push for is interdisciplinary and transferable skills.

### **D. Operations Update**

K. Perez gave her K-12 enrollment updates. Enrollment has stopped for the current school year 2021-2022. This month there have been two withdrawals. Enrollment has begun for the 2022-2023 school year. Applications for the 2022-2023 school year are at 1,598.

There is one more policy the legacy policy. The policy is to determine how the board interacts with stakeholders at times in the context of a grievance or a complaint. The

policy was put together in late 2019, or early 2020. A name change had to be made to harmonize with the grievance policy and the complaint policy. Depending on the edits timeline, the policies may be brought up in July's board meeting as well as the stakeholder interaction policy updates.

## **B. Trustee Goal Setting Reflection**

K. Shabazz shared his goal for the month.

## **C. School Policy Approvals**

Staff handbook Changes- A huge transition with the handbook from last year towards this year. Senior Leadership made new policies and revamped things from the Lighthouse Handbook.

- Changes to the time-off policy will be coming soon. Add in a prorated payout based on when you enter into the school year and how much PTO and sick time a staff member may have.

The leave policy, specifically, outlines a compliance piece of PFL with the New York State credits that are received. Normally, the policy is that if you go on parental leave, you only get 67% of your pay. Our policy is that you are made whole, so we pay the employee fully for the time that they're out, for the 12 weeks, and the leaves are concurrent. Also, compliance is around making sure that the employee understands and knows the policy.

General updates are the school year calendar, the blackout calendar, and updating the executive director's welcome letter. Anything that is embedded in the handbook will be updated as well. Holidays, adding in Juneteenth.

Lactation breaks have also been added to the handbook.

TriNet has a safety component that's also included in our partnership. A walk-through with TriNet has been conducted. Kisha, Melissa, and the facilities operations person, walked with the rep to get the company's perspective on what Nuasin's safety protocols should model.

All updated policies will be voted on in the next board meeting.
