II. Cadence Calendar

A. Overview

A. Bothner arrived.

Malik and Jessica gave a brief overview of the new cadence calendar, which was updated to reflect current operations and goals at the Board level.

B. Gov Comm review & questions

The Committee discussed the annual cadence of tasks before the Governance Committee.

Key items:

- Structural review of Board and Committee operations, as well as ED review, to be done in Spring going forward (April/May/June)
- Board "Strategic Initiative" reporting
- Personal Development Goals
- School Policy Review:
 - Policies continue to evolve to ensure deep alignment with Nuasin philosophy and identity
 - Aaron requested that the policy updates be summarized in a one-pager, as occurred last time (as it was very helpful)
- Annual Board self-assessment
- Major annual presentations to the Board from ED (strategic priorities and planning, data/evaluation points, etc.)
- Committee strategic planning cycle:
 - Dedicated time for strategic planning at July retreat
 - Committee chairs present strategic plan in August Board meeting

III. Board Development & Planning

A. Individual Goal-Setting

- Rename: Personal Development Goals?
- Kamaria to share in May meeting
- Khari to share in June meeting
- Reminder that we all need to visit the school annually in person
- This can also mean collaborating with Malik to contribute something to the school based on own expertise - we can be creative

B. Committee Annual Planning

Governance Committee strategic reflections:

- Looked at Flywheel and fit in Governance Committee's responsibilities
- Spoke with Pasek consulting, which framed the following questions:
 - How does each Committee support the school's 1 and 5 year plans to become a K-12 college readiness school?
 - Governance Committee responsibilities are to structure the Board and support school leadership in a way that supports the school's 1- and 5-year strategic goals, and vision for the school
- Reviewed Strategic Goals and Gov Comm's role in reaching those goals
 - Aaron noted that Gov Comm is an important space for intra-Committee communication and conversation
- Kamaria, on behalf of the Nominating Committee, posed the question of how much of a role the ED should play in building the Board
- Aaron flagged the current work on succession planning, aiming to be ready for July retreat
- Real forward progress has been made on strengthening and clarifying governance structures and processes, which has clarified the next steps needed in this direction
- In particular, need to work on making goals and plans clearer in a forward-looking manner, which is specifically a responsibility of Committee chairs
- Aaron expressed that the Governance Committee space is the right place for Chairs to connect and share support on getting the strategic planning right in the coming year
- What does it mean to make the Board and the school an aspirational space that fights against inequality?
 - We hear about how this is happening on a more regular basis now, compared to in the past - which is great
 - Healthy culture and HR practices in the school - also seen a lot of concrete progress on this under Malik's leadership
 - More concrete development to be done on this, in conversation with Malik
 - Gov Comm not necessarily primary space for this, but it is one place where this type of work can happen
- For Governance Committee, will also look to Committee members to give feedback and share vision for
 - Aaron would like to see individuals sign a pledge that outlines effective Board membership and expectations
 - Jessica suggested doing it in June when we do renewals

IV. Closing Items

A. Look Ahead

June is renewals and strategic planning season. It will be a busy month!

B.

Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 6:33 PM.

Respectfully Submitted,
J. Boulet
