B. Call the Meeting to Order

A. Bothner called a meeting of the board of trustees of Nuasin Next Generation Charter School to order on Saturday Jul 23, 2022 at 12:40 PM.

C. Review the Agenda

A. Bothner noted that the agenda would be brief given this meeting is occurring during the board's strategic planning sessions.

II. Finance Committee Updates

A. General Updates

S. Pressley provided an update on current financials. A meeting was held recently to review strategic goals, and they will be meeting again soon to discuss the ideal approach for building money.

S. Pressley confirmed that the auditors had received access to all of the accounts. There should be a settlement by the end of September.

B. June Financials

R. Keogh shared that there would be work ongoing to account for additional accruals before turning over the books to the auditors.

R. Keogh shared that there was a small increase on the net asset side from May to June. There has been a minor downturn in our investments given the current state of the market. Current net assets are in line with recent months. As far as metrics compared to DOE expectations, the school is exceeding expectations. Overall, we are in strong financial health. There were no changes to enrollment on the June financials, given we are waiting on our year-end enrollment reconciliation to be completed. We maintained a very strong surplus. Enrollment over the year landed above the enrollment target and budgeted target. The biggest areas of expense savings were on the occupancy and school culture lines. With the depreciation costs, contingency savings were offset.

C. Quarterly Investment Report

R. Keogh shared a high-level summary of our quarterly investment report. Because we invest in treasuries, if we hold them to maturity, the organization does not run a risk of losing money on these investments. Given the volatility of the market, they are priced monthly and do not show an artificial loss at this time. There will be no loss unless we sell early. Going forward, there may be a pause in some investments given the actual cash needs for the expansion and operating costs. There is ongoing brainstorming around an investment strategy to generate some higher returns.

S. Pressley made a motion to approve the quarterly investment report.

A. Bothner seconded the motion.

The board **VOTED** to approve the motion.
