Agenda Item: Adoption of LAUSD Conflict of Interest Code

Background:

The Conflict of Interest Code establishes policies and procedures to ensure that all Board Members and designated employees of the organization act in the public interest and avoid situations where personal financial interests could conflict with their official duties. The Code is required under the California Political Reform Act (Government Code §87300 et seq.) and provides the framework for disclosure of economic interests through the filing of Statements of Economic Interests (Form 700).

Purpose:

By adopting the Los Angeles Unified School District (LAUSD) Conflict of Interest Code, the Board affirms its commitment to transparency, ethical governance, and compliance with state law. Adoption of the LAUSD Code ensures that the organization follows the same disclosure categories, filing procedures, and oversight standards established by the District and approved by the Fair Political Practices Commission (FPPC).

Recommendation:

It is recommended that the Board adopt the LAUSD Conflict of Interest Code as the organization's official policy governing conflicts of interest, including any future amendments approved by LAUSD or the FPPC.
