## **Board Member Recruitment and Appointment Policy**

*The Board of Directors of TEACH Public Schools recognizes that a key element of a high-quality board is high-quality directors. This policy is designed to achieve this end.*

*The number of directors shall be five, seven, or nine, at the discretion of the Board. The term of each director shall be two (2) years. Terms shall be staggered so that not all directors' terms expire in a single year.*

*As each director's term expires, the Board and administration will endeavor to provide at least two nominees for the expired position, one of which may be the director whose term is expiring. Current board members and school administration will nominate new Board candidates. Each candidate will complete the attached application form.*

*The Board will complete a Capability Matrix and use it to identify gaps in current Board capabilities. The Board will consider candidates' capacities to fill in these gaps when it deliberates on whom to select.*

*Appointment of a new director to the Board or reappointment of an existing director will be determined by a simple majority vote of the directors whose terms are not expiring. Expansion of the Board to add more directors may be approved by a simple majority of the existing Board, so long as no change contradicts any provision of the charters that created the schools operated by TEACH Public Schools.*

**For additional information about our schools, please visit our website at [www.teachpublicschools.org](http://www.teachpublicschools.org) or contact TEACH Public Schools at 323-872-0808.**

*As a Board member it is my duty to support Teach Public School leadership team in providing high quality and high expectations for student achievement. The mission and vision of the charter school provide the road map in attaining high expectations for all students. Every monthly board meeting should have time dedicated to hear students speak on behalf of their school (student report). Stakeholders from each school should present current benchmark data (attendance, academics, suspensions & expulsions, update on special programs, etc...) to keep the board informed on current events taking place at each school. It is equally important to acknowledge students, staff, and parents who are doing outstanding work to meet the needs of students.*

- 2. What specific strengths, skills or capabilities will you bring to this position?*

**TEACH Public Schools Board Candidate Application**

Spencer Burrows

1. I will help TEACH Public Schools achieve the school's mission and vision by keeping the organization focused on educating the entire child with state-of-the-art community schools. TEACH is in a period of growth and opportunity, and I want to use my experience to facilitate that growth and opportunity.
  
2. I will bring experience as a charter school educator and advocate with a deep and practical knowledge of local and statewide charter school issues to this position. I have served as a charter school department chair and teacher here in LA, where I also sat on the Finance Committee of Larchmont Charter School. As a Capitol Advocate Leader for the California Charter Schools Association, I have lobbied local and statewide leaders on charter issues the past few years, where I developed strong connections with LAUSD and our state representatives. This year I am serving on the LAUSD Safe Schools Task Force, and am also a member of LAUSD Superintendent Beutner's Teacher Council, where I advise the Superintendent on school related issues. I also bring skills as a law school graduate with legal experience in the public and private sectors.
  
3. I am interested in being a board member because I am drawn to TEACH's model of creating community schools that are rich in technology to accomplish their educational goals. After serving as a Building Excellent Schools Summer Leader in this community, I think this model is especially important and worth promoting, particularly in our current climate regarding school choice.
